Junior High, Grade Schools To Present Public Concerts

Events Feature Numbers by Both Choruses, Bands

Chelsea's Junior High school and grade schools will conclude the spring concert season next week with two separate concerts.

The Junior high band and chorus will perform next Monday evening, May 22, at 8 p.m. in the high school auditorium.

Band numbers will include several stirring marches and overtures, including the novel "Indian Lady" march, a saxophone duet featuring Laurie Reddeman and Nancy Koengeter, and a Dixieland band capable of raising the auditorium ceiling with "When the Saints Come Marching In."

Highlighting the chorus segment of the program will be a "Sing along" portion when the audience will be invited to join the chorus in several old favorites and a brass choir accompanying the chorus in the patriotic selection "Hail to Our Country."

Both North and South grade schools will combine to present their spring concert next Wednesday evening, May 24, at 7:30 p.m. in the high school gymnasium. All grade school children in grades one through six at North and South schools will be included in the program. The children will be asked to report to the west bleachers of the high school gym no later than 7:30 Wednesday evening. The combined grade school bands will open the program which will consist of a wide variety of tuneful, entertaining selections bound to please those in attendance.

Both programs are free of charge and the public is cordially invited to attend. Director of instrumental music is David Lindsay and David Sanborn directs vocal music.

Chief Palmer Named as Sylvan Zoning Inspector

It was announced this week that Police Chief John Palmer has been appointed Sylvan township zoning inspector, succeeding Frank Reed. The appointment of Palmer was approved at the May meeting of the Sylvan Township Board.

15 Young People To Be Confirmed At St. Paul's

A class of 15 young people will be confirmed Sunday at St. Paul's Evangelical and Reformed church with the Rev. Paul M. Schnake officiating.

Members of the class are William H. Altenberndt, Valerie J. Burghardt, David F. Dietle, Fred A. Eckhardt, Jane M. Faist, Paul Guenther, Jr., Carol Ann Hafley, Gregory A. Kuhl, Linda Meehan, Barbara Mepyans, Sandra Osborne, Lee N. Satterthwaite, Lucinda L. Schumm, Dennis J. Stoffer and Kathleen A. Sutter.

Still Room For More in 'Showboat'

Here is another report from The Standard's special "Showboat" reporter in which he relates activities, to date, in making arrangements for the big community event scheduled for June 22, 23 and 24.

With the arrival last week-end of your showboat director, Jim Egbert, a series of meetings were held to formulate the actual format of the showboat production.

It will consist of two acts with the first half of the production taking pace down on the docks along the river with the stageboat "Queen of the West" tied in the background.

A variety of entertainment and acts will take place on the docks depicting the life and fun of the old showboat era. Group and individual singing and dancing, comedy skits, graceful dances or kick lines in the absurd, by prominent masculine "belles?" of the community, to mention but a few of the scheduled first act extravaganza.

The second act will take place inside the "Queen of the West" and will follow along the theme of a decplined ministrel show with the stars of last year's minstrel show back with us again with new jokes, new routines, and new antics (quite often un-rehearsed,

(Continued on page six)

ANNOUNCEMENT is being made that William Brown has purchased the Gulf service station business of John J. Alber, corner Orchard and South Main St. as of May 1; however, details of the business change were not completed until this week. Brown has operated his garage business at the location since August, 1942, working first for McLaughlin Sales and for the past 13 years for Alber Sales—the brothers, Donald and John J. Alber until Jan. 1, 1957, and John J. Alber the past four years. Brown is calling the business "Bill Brown's Super Service." Alber said he is not yet prepared to make an announcement as to his future business activities but expressed "appreciated for the fine business associations through the years."

Harold Jones Is Elected To Head Friends of Library

Harold Jones was elected president of the Friends of McKune Memorial Library at the annual meeting held Monday evening at the library. Jones had served as vice-president during the term of Mrs. Warren Daniels. Mrs. Daniels tendered her resignation as president prior to Monday's election and after it was read and accepted, a vote of thanks was given her for her many efforts on behalf of the library.

A vote of thanks also was given Mrs. Robert Daniels for her work as chairman of the annual Book Fair sponsored by the Friends group.

Officers elected, in addition to the president, are Mrs. Lowell Davisson and Mrs. Frederick Belser, vice-presidents; Benjamin Bower, secretary-treasurer; and Dr. J. V. Fisher and Ben Donaldson, committee members.

Other business at the meeting included voting to contribute money toward providing a new memorial book shelf for the library.

In a report by the librarian, Mrs. Francis Wojciehowski, growth of the memorial book program was noted. Mrs. Wojciehowski said that the number of children's books on the memorial shelf had increased from 15 to 63 and that adult memorial shelf books number approximately 250.

Funds of $242 in the Friends of the Liprary treasury include $30 in dues for the past year; $90.27 realized from the Book Fair; and $90.41 from the Chelsea Community Chest, the treasurer's report stated.

The guest speaker at the meeting, Mrs. Blanche B. Coggan of Lansing, fulfilled all expectations in presenting a most interesting talk on her favorite topic—the so-called "underground railway" of pre-Civil War days.

She displayed many articles she has collected during her years of study in preparation for writing a book on the subject. These included so-called "black books" which contained lists of the names of slaves who were sent on their way to freedom in Canada.

Mrs. Coggan also exhibited an old violin given to her by a Parma resident who said it had been handed down in her family for the past hundred years. The instrument had been the property of a slave befriended by members of the "underground." He had played on it while awaiting the chance to travel farther along the road to freedom and when he left he gave the prized possession to the family for their kindness to him.

Reports of Mrs. Coggan's lecture here, which she illustrated by means of slide pictures, indicate that it proved to be exceptionally interesting.

A bit of local color was added when she listed the old Depew homestead, formerly located at the south edge of the village, among the "underground railroad stations" of 100 years ago.

First Graders To Be Registered At St. Mary's

St. Mary's Catholic school has made arrangements for spring registration of all children who will be entering the first grade at St. Mary's in September.

Parents may register their prospective first graders from 3:30 until 4:30 p.m. May 24, 25 or 26 at the school; or between 7 p.m. and 8 p.m. on those days at the convent.

For parents who find it impractical or inconvenient to register their children during these special registration periods an additional date has been provided—Sunday, June 4, following each of the four Sunday Masses.

To be eligible to enter the first grade next fall, the child must be six years old before Dec. 1, 1961 and parents must present a baptismal or birth certificate to verify their child's age.

Mayor Exchange Day Monday Will Highlight Michigan Week Event

Legion Planning Pit Barbecue on Memorial Day

Plans for an old fashioned Memorial Day Pit Barbecue were completed at the May meeting of the Herbert J. McKune Post No. 31 of the American Legion, according to Post Commander William K. Blaess.

Tickets on a limited basis will be available until noon Saturday, May 27, from Legion members.

A complete meal will be furnished for $1.25 per person and "Bull Cook" Robert Huber states that it will be "the best meal that anyone ever ate."

Serving will start promptly at 2 p.m. and everyone is urged to arrive early to see the opening of the pit, which is much like a Hawaiian luau.

The pit barbecue will be held at the American Legion Home at Cavanaugh Lake.

The barbecue event will follow the annual Memorial Day parade for which completed plans will be announced next week.

George Winans is to be officer of the day and J. V. Burg, II, drill sergeant for the parade.

Manistee Officials Will Be Honored Guests for Event

Mayor Joseph Quinn of Manistee will be here Monday for Mayor Exchange Day, highlight of the annual observance of Michigan Week in Chelsea and hundreds of communities throughout the state.

Mayor Quinn will be accompanied by Donald Garnache, a city commissioner and Chester Glocheski, Manistee assessor.

While the three Manistee officials spend the day here, Chelsea Village President Robert Daniels and Councilman Harvey Lixey, accompanied by Mrs. Daniels and Mrs. Lixey, will be guests of the Mayor's Day committee at Manistee.

According to plans announced this week, the Chelsea officials and their wives will spend Sunday night in accommodations reserved for them at the Moonlight Motel at Manistee and are booked for Monday breakfast at 9 a.m., at the Chippewa Hotel.

It is understood the Chelsea group will be taken on a tour of Manistee during the day.

Chelsea Councilmen Merle Barr and Dr. L. J. Paul, who are in charge of Mayors Exchange Day preparations, have made reservations at the Holiday Inn at Jackson for Sunday night for the three Manistee men.

It is expected they will arrive in Chelsea by 10 a.m. Monday to be met at Pierce Park by Chelsea village officials, the Chelsea Fire Department trucks, the Police Department car, Chelsea High School Band directed by David Lindsay, and Village Council members in cars provided by Chelsea automobile dealers and Chrysler Corp.

A brief ceremony of "presenting the key to the village" to Mayor Quinn will take place when the party arrives in front of the Municipal building. The band will play several numbers during the ceremony.

This will be followed by a tour of the Municipal building and the Municipal parking lot, a tour of Chelsea Milling Co., and a visit to McKune Memorial Library.

A businessmen's luncheon at the Congregational church is scheduled for noon by the Chamber of Commerce and at that time gifts will be presented to the Manistee officials.

At 1:30 p.m. the party will head for Chrysler Proving Ground and after returning from there will visit Chelsea High school.

An automobile tour of the village—the sewage disposal plant, water department, etc., and around the grounds of the Methodist Home—is also planned if time permits.

A social hour at the home of one of the Village Council members and dinner as guests of the Kiwanis club in the social center of the Methodist church at 6:15 p.m., will complete Mayors Exchange Day for the Manistee visitors.

An added "Mayor's Exchange Day" feature in Chelsea will be the fact that Ann Arbor radio station WPAG will broadcast the day's program direct from Chelsea using a mobile broadcasting unit parked near the Municipal building.

The broadcasts will include tape recordings of the morning welcoming ceremonies at Pierce Park as the Manistee party arrives, including music by the Chelsea High school Band.

Interviews with Chelsea officials, guests from Manistee, area farmers and others will be included at intervals throughout the day.

Mayor's Exchange Day is in special recognition of Our Government Day of Michigan Week.

Michigan Week, the only celebration of its kind in the country

School Board Positions Find No Candidates

To date, no one has made formal announcement of becoming a candidate for the two positions on the Chelsea School District Board of Education which will become vacant with conclusion of the terms of Dr. Joseph Fisher and Earl Beeman. Both have said they will not seek re-election.

Petitions for candidates for the office must be in the hands of Howard Flintoft, secretary of the Board of Education, by 4 p.m. Tuesday, May 23, if they are to appear on the ballot for the school election, June 12.

Petitions may be secured from the office of the school superintendent at Chelsea High school.

Real names must appear on the petitions.

Petitions for no more than two nominees may be signed by electors, as two school board members will be elected for four-year terms.

Any qualified voter in a school district whose name appears on the assessment roll and who is the owner in his own right of the property so assessed, shall be eligible to election or appointment to office in such school district: Provided, that where a husband and wife own property jointly, regardless of the name which appears on the assessment roll, if otherwise qualified, each shall be eligible to election or appointment to school office.

Kindergarten Pupils in Fall To Register

Elementary School Principal Arthur Schmunk, announcing the annual "round-up" of kindergarten children who will be entering school in September, has released the following statement.

All children planning to enter the kindergarten classes in Chelsea schools in September should register at the South Elementary school on Pierce St., Friday, May 19.

There will be no school on Thursday for the present kindergartners.

It is planned that rural children and their parents will attend the

(Continued on page six)

Hearing Monday On Toll-Free Dexter Calls

Monday, May 22, at 10:30 a.m., representatives of Michigan Bell Telephone Co. and interested organizations of Chelsea and Dexter will attend a meeting at the Michigan Public Service Commission office in the Lewis Cass building in Lansing, relative to the Telephone Co. request to institute toll-free telephone service between Dexter and Chelsea.

The Lansing meeting is one of the necessary preliminaries in the arrangements for ultimate toll-free service which both communities have been urging for some time past.

'Mrs. Ann Arbor Area' Is Guest at C. of C. Meeting

At Tuesday's meeting of the Chelsea Chamber of Commerce, a guest of honor was Mrs. Robert Daniels who won the title of Mrs. Ann Arbor Area in the Mrs. Michigan contest, sponsored locally by Michigan Consolidated Gas Co. She told of her experiences and the pleasure she has had in meeting area groups since she won the contest.

Mrs. Daniels was presented by Jack B. Hogan, general manager of the Ann Arbor district for Michigan Consolidated Gas Co. who told details of the coming Mrs. Michigan contest in which Mrs. Daniels will participate May 25 in Detroit.

Also a guest at Tuesday's meeting was David Linebaugh, plant manager of Viking Pools Corp.

Charles Lancaster gave a report on progress of the community's recently formed Industrial Development committee and also reported as president of the Chelsea Community Fair Board on a change of date for the 1961 fair. Dates selected, he said, are Aug. 30, 31 and Sept. 1 and 2, in order to avoid conflict with the opening of schools.

The Chamber of Commerce also approved naming a representative to attend a Michigan Public Service Commission hearing in Lansing on Monday, relative to extension of toll-free telephone service between Dexter and Chelsea.

C. of C. participation was voted in sponsoring a Mayor's Exchange Day project of radio broadcasting directly from Chelsea as part of the observance of Michigan Week. Others co-sponsoring the radio broadcast Monday include the Village Council and the Show Boat committee.

GOING AFTER STATE RECORDS:

Dave McLaughlin Shatters Records at Regional Meet

* * * * * *

Last Saturday in the Michigan High School regional track meet at Eastern Michigan University, Dave McLaughlin came up with the finest individual performance by any track athlete in Chelsea high school history, in fact perhaps the finest performance of any class "C" athlete in the entire history of Michigan regional track meets.

McLaughlin, only a Junior at Chelsea High school, set new records in both the 120-yd. high hurdles and the 180-yd. low hurdles. His time of 14.6 seconds in the high hurdles broke the old record of 14.8 seconds established in 1949 by Jack Goodridge of Dundee. His time of 20.0 seconds in the low hurdles broke the record of 20.3 held jointly by Goodridge and Harlan Benjamin of Milan which has been on the record books since 1950.

McLaughlin's time of 20.0 seconds was established in the preliminaries, and in the finals he won in the time of 20.1 seconds.

At the time of this article coach Al Conklin was not sure which mark would be accepted as the new record.

The time of 14.6 also betters the existing state record for the highs, while the time of 20.0 seconds equals the state low hurdle mark. However, state records must be established in the state finals. This year's finals will be held Saturday, May 20 at Central Michigan, Mt. Pleasant. With a dry track McLaughlin may well become Chelsea's first state record holder.

McLaughlin's regional marks are even more remarkable when one realizes, that hampered by minor leg injuries and lack of practice due to the wet spring, his best previous times of the year were 15.3 seconds in the highs and 20.6 seconds in the low hurdles.

In addition to his record-breaking performances in the hurdles, he showed his versatility in the shot put with an effort of 48'4"

(Continued on page six)

DAVE McLAUGHLIN, Chelsea High school junior, set new records Saturday in both the 120-yard high hurdles and 180-yard low hurdles at the regional track meet at Eastern Michigan University. His time of 14.6 seconds in the high hurdle was two seconds under the previous 12-year record while the low hurdle time, 20.0 seconds, broke the record of 20.3 which has been on record books since 1950. McLaughlin's feat was described as "the finest individual performance of any track athlete in CHS history" and might well rate as the finest of any Class "C" athlete ever recorded in Michigan Regional track meets.

Track Team Win Assures Tie for All-Sports Trophy

Chelsea's performance at the Washtenaw Conference track meet at Eastern Michigan University of at least a tie with Saline for the All-Sports Trophy for the year. Depending on how the next two baseball games turn out, Chelsea might even break that tie!

Chelsea finished in second place at the track meet with its score of 44 6/10, while Saline placed third with 44.

In first place in the track meet is University High of Ann Arbor with its score of 70 6/10.

Other conference track teams and their placings are, Pinckney, fourth, with a score of 23; Roosevelt, fifth, 15 6/16; Dexter, sixth, 6 1/10, and Manchester, seventh, 4 1/10.

Chelsea's Dave McLaughlin was a double winner Tuesday, winning first place in the high hurdles, 14.9; and first place in the low hurdles, 20.05.

McLaughlin also placed second in the shot put.

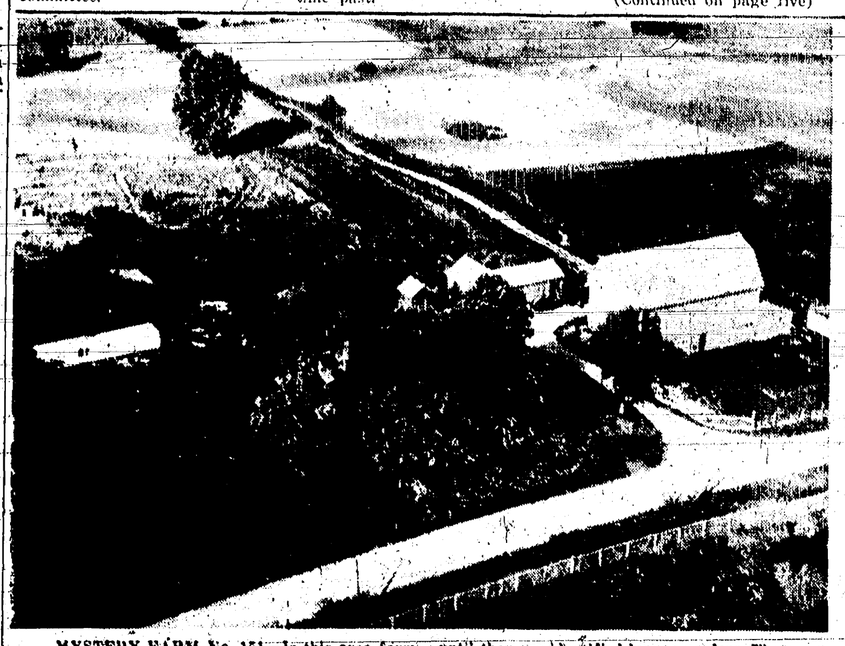
Don Sexton set a new Chelsea High school record in the 440 event with a time of 54.6 seconds, breaking the previous school record of 54.8 set by Larry Schramm in 1959.

Sexton also took a second place for the Chelsea team in the broad jump—an even 20 feet.

Another second-place winner was Jim Maynard, in the high hurdles. Maynard also placed third in the low hurdles and in shot put and Maynard and Sexton ended with a three-way tie for third place in the high jump.

Chelsea's one-mile relay team—Larry Kramer, Al Schauer, Warren Porath and Don Wilson—placed third in the conference meet while setting a new record of 3:47.5 for the school.

The half-mile relay team—Larry Cattell, Don Sexton, Warren Porath and Dave McLaughlin, also placed third, while Larry Cattell added a fourth place tie in the pole vault event.



MYSTERY FARM No. 151—Is this area farm one you recognize? If so, please call The Standard office, GR 5-3581. Farm photos published each week in this series are listed as "Mystery farms" until they are identified by our readers. The owner will receive, as a gift, a mounted photo of the farm if he will call at The Standard office on or before Saturday.

Failure of Recent Cuban Revolt Should Be Warning to United States

One of the grim lessons learned from the recent attempt to overthrow the Castro Government in Cuba is the now-obvious conclusion that it will take a major military effort to rid this hemisphere of the pro-communist dictator.

Although the mental health of the Cuban leader is suspect, it was obvious from events of recent days that the Castro regime has a tight control on the country. One of the most disturbing things is the realization that much of the country's youth rallied to the dictator's side when rebels attempted to overthrow the government.

The rebels took to the hills, after meeting bitter opposition from Castro forces. In so many Carribbean revolutions, the sentiment of the people plays a major part in attempted revolt. The rebels in Cuba were hoping that the people of Cuba, remembering the pre-Castro days, would be ready to put aside their daily chores, and fears, and join the revolt.

No doubt some did, but there is no doubt that many more were prevented from doing so by militant and ruthless Castro supporters, who seem to be very effectively in control of things in Cuba. This was the disappointment of the rebellion; those who had hoped Castro would topple, if a really serious invasion effort were mounted, if the people were given a chance to rise up, were disillusioned.

This is a warning to the United States, and other democracies in this hemisphere, that the military strength of Cuba is something to be reckoned with, and is growing. That is not to say that the security of the United States, as far as attack from Cuba, is concerned, is something of critical import at the moment.

But it does mean—as President Kennedy seemed to realize in his recent speech to newspaper editors meeting in Washington—that if we have to take on the job of protecting this hemisphere from the communists in Cuba, by military action, that the job might be a formidable one.

Time Is Here for Polio 'Shots'

Now that May and Spring have arrived, it is time to think of polio.

Summer is only a few weeks away. And last year it was shocking to observe the number of polio cases which struck down victims, some of whom had not taken preventive serum.

Polio shots now come in a series, and there is a promise of a one-shot vaccine also. But if you have taken the shots in past years, that does not necessarily mean you need not bother this year.

Booster shots are often necessary and you should check with your doctor, who will look at your personal record, and tell you what, if any, additional vaccination you need.

Crippling polio is almost always prevented if the vaccine has been used. Some contract the less destructive form of the disease after being immunized but such cases are relatively few in number.

There are now two accepted vaccines and every adult should have protection, and up to the age of 40 protection is certainly a "must." We should be thankful for the development of a polio vaccine—a great step in the progress of medicine—and this is time of year to take advantage of it.

Richard M. Nixon, former Vice-President: "I have no patience whatever with the hand-wringing faint-hearts. We can win in 1964."

WASHINGTON AND 'SMALL BUSINESS'

By C. Wilson Harder

Now that the Federal Trade Commission is no longer headed by Earl Kintner who made such splashy headlines unearthing who gave disc jockeys $10 neckties for Christmas, it would appear the FTC is getting down to serious business.

* * *

The FTC is now questioning some 213 department stores across the nation on the acceptance of allowances of discounts, usually made under the guise of promotion or advertising allowances, from apparel makers. Under the law, it is illegal to accept any special allowances not made available to all.

C. W. Harder

* * *

This could be the beginning of something big, which if carried on in the food field, could point toward the end of the chain system of huge food super markets in favor of returning a greater share of grocery volume to independents.

* * *

At a recent meeting of the Super Market Institute, the director of research released some very challenging facts, showing all is not well in the so-called "modern method" of food retailing.

* * *

As a matter of fact, he established some points which a special sub committee of the Senate Small Business Committee, headed by Sen. Hubert Humphrey had long been trying to get the FTC to unearth.

* * *

The report to the Super Market Institute stated flatly that of the super markets opened in 1960, two out of three are doing less volume than anticipated.

* * *

The report further shows that sales per square foot in the average super market have dropped 27% in one year.

* * *

Yet it seems to be evident that the big super markets must average a 21% mark up on the sales of foods to break even.

* * *

This, then, explains why so many supers are constantly seeking special deals, display allowances, discounts.

* * *

Far from being efficient operations, the super markets are plagued with high priced organized help, with big administrative overhead loads.

* * *

The peak hour jam at the checkout counters is becoming more and more an aggravation to consumers especially as they learn they are not saving money.

* * *

This trend seems nationwide. For example, in California, one major chain which five years ago led the nation in sales per square foot, last year did $100 million in 100 stores, showed a profit of only $38 thousand, or less than 2-5ths of 1%.

* * *

This breakdown of huge super market system over past five years, and rapidly accelerated in 1960, is one of the most encouraging things to happen for the independent retailer.

* * *

It is quite apparent if the Federal Trade Commission will quickly and energetically enforce the anti trust laws so that there is no favoritism at the wholesale level in the market place, the pendulum will swing back very rapidly in favor of the soundly operated independent retail outlet. This is quite an exciting trend to contemplate.

There Are Cuff Links and Cuff Links

EC-61-2

★ MICHIGAN MIRROR ★

By Elmer E. White, Secretary, Michigan Press Association

Just north of Lansing's busy Mt. Hope avenue on the edge of the MSU campus spreads an attractive two-story building of brick and glass that shelters a varied and fascinating operation little known to most of the state's nearly eight million citizens.

Consumer protection is almost as much a part of the building as the concrete and steel. The structure is actually a collection of separate laboratories, each performing analyses and chemical determinations on different products bought by people of the state.

The building is the Michigan Department of Agriculture's W. C. Geagley laboratory, named in honor of the man who was chief chemist until his retirement last year after 47½ years of service to the state.

Analyzed in this building last year were 3,010 food samples; of dairy products of all kinds; 7,149 lots of seeds to determine their germination and purity. 211 tests of soft drinks and fruit juices. In addition there were 6,070 plant or tree specimens tested, and 1,515 anaylses of feeds, fertilizers and liming materials. Some analyses take many hours to complete. Seeds atke days and weeks.

It should be emphasized here that the vast majority of food processors in the state operate legally; keeping a record of the exceptions helps them too by reducing unfair competition. The consumer, of course, is the biggest benefactor.

By far the largest number of analyses were in the area of livestock disease control where 204,791 tests were run. These were mainly blood samples run for bovine brucellosis, a highly contagious disease of cattle which is transmissable to man under certain conditions in the form of undulant fever.

All in all, some quarter of a million analyses were made in this important state facility last year. These are chemical, biological or microscopic. One laboratory is devoted entirely to the analyses of alcoholic beverages for the State Liquor Control Commission.

Another dealing with a highly specialized branch of chemistry is devoted to analysis of saliva and urine collected at race tracks to determine if horses have been doped. This is done for and at the cost of the Michigan Racing commission.

Services performed for the liquor and racing agencies of the state and at their expense may be important, but they are relatively minor functions. The main purpose of the laboratory is to protect consumers, whether they be purchasers of foods or buyers of such things as seeds, feeds, fertilizers, or spray materials used primarily in farming.

Many "interesting" things show up in the foods laboratory from samples picked up throughout the state by workers in the Michigan Department of Agriculture's foods and standards division. Violations are surprisingly few when one considers the millions of purchases of food in the state in a week. When adulteration, misbranding or illegal ingredients are detected, action from the Department follows promptly.

In the past coffee has been found to be adulterated with chickory or even roasted cereals.

Chemists have analyzed black

(Continued on page five)

Uncle Lew from Lima Says:

DEAR MISTER EDITOR:

I was reading this piece by some Washington column writer saying don't many folks know it but President Kennedy can knock off a little tune on the piano in a push. I hope he don't git pushed.

Sometimes I went along with Harry Truman's politics and sometimes I didn't, but I always figgered ole Harry was practically violating the Ten Commandments ever time he set down at the piano. I recollect one time him and that feller Petrillo from the Musicians Union played a piano-trumpet duet. I don't know what it done fer labor-management relations but some of the fellers at the country store claimed it set music back 20 year in this country. And I recall Harry played a little piece on the piano fer Stalin at one of them summit meetings and as soon as Stalin got home he sent us a bill fer $7 million fer phone services in West Berlin.

I was telling the fellers at the country store Saturday night this sad news about President Kennedy and the piano and it was agreed by all that the Congress ought to order that piano took out of the White House and put in Speaker Sam Rayburn's barn. And Clem Webster allowed as how a little piano music might help Sam's cows give that Grade-A milk you're supposed to git from contented cows.

Bug Hookum interrupted the session at this point to claim there ain't nothing to this contented cow business. Bug says cows is cows and milk is milk and the main thing is to keep the feller milking 'em contented. But even Bug admitted the country would be a heap safer with that White House piano in Sam's barn.

Ed Doolittle said if they had to have music in the White House he'd take his gittar to Washington and, fer the proper pay, stay fer the duration. Ed said he'd need just enough notice to sell his cows, dogs, hogs and change his land from the ditch bank to the soil bank. Ed figgered his old lady could go stay with her mother and if Kennedy wasn't elected fer a fourth term they'd still be gossiping neck-to-neck when he got home.

Some of the boys was wondering if Congress ever got them clocks fixed that was varying a 50th of a second ever 24 hours. I wish you'd find out about that, Mister Editor. Clem Webster said if they ain't got 'em fixed, he'd suggest they put the Liberty Bell in the Capitol dome and use it fer tolling the time of day. Last time I heard of the Liberty Bell, they had it stored in some place in Philadelphia with a big crack in it. But don't spread that word around Mister Editor, or the Congress will appropriate anpther $200,000 to git it fixed.

Yours truly,
Uncle Lew.

JUST REMINISCING

Items Taken from the Files of The Chelsea Standard

4 Years Ago . . .

Thursday, May 16, 1957—

Bids were opened Tuesday at North Elementary school for construction of Chelsea's new high school and eight additional class rooms at North school. The bids were turned over to the architects for evaluation.

Three Chelsea girls are on the Honors List at Michigan State University—Nancy Atkinson, Constance Steinbach and Janet Widmayer.

Record attendance at Mother-Daughter banquets of area churches has reached almost 900—more than 300 at St. Mary's; 250 at St. Paul's; 140 at Zion Lutheran; and the remainder at the Methodist church.

Philip Smith, Chelsea High school agricultural instructor and FFA advisor, won fourth place in a national cattle judging contest sponsored by the magazine, Hoard's Dairyman. He was one of 1,116 instructors who entered the contest, his score being 456 and the first place winner's 488 out of a possible 500.

Chelsea Rod and Gun club members planted 3,000 pine and spruce trees on the 60-acre club grounds the past week, bringing the total number of trees planted to date to 20,000.

Otto Karl Reigger was honored for outstanding scholastic achievement at the U. of M. Honors Convocation. He is a senior in the College of Engineering.

14 Years Ago . . .

Thursday, May 15, 1947—

At a special meeting of the Village Council Friday evening it was voted to sell the Chelsea Electric & Water Department buildings on North Main St. to Central Fibre Products Co. for the sum of $10,000. Village officials believe their action to be in the best interests of the general public as this move would be the beginning of an over-all improvement program in the light plant facilities.

Helen Hankerd has been named valedictorian and Robert Daniels salutatorian of the CHS Class of '47. Their averages were 3.8 and 3.7 respectively.

I. H. "Babe" Klumpp miraculously escaped death Friday while working alone at his gravel pit on M-92 when he had presence of mind to grasp the wheel and stop the mechanism of the huge loader after becoming entangled in the mechanism. He was unable to free himself, however, and had to wait an hour and a half before help arrived.

24 Years Ago . . .

Thursday, May 20, 1937—

Twenty Chelsea Kiwanians were in Dexter Monday to meet with 30 men there who are interested in organizing a Dexter Kiwanis club. Forney Clement of Ann Arbor, outlined the method of organizing such a club.

The Rev. F. D. Mumby, M. R. Longworth and Walter Mayer attended a gathering of radio amateurs Sunday afternoon at the Armory in Ypsilanti. Amateurs attending were from Ohio, Indiana, Florida, Michigan and Canada. Speaker: Dr. Woodruff, president of the American Radio Relay League of Hartford, Conn.

Winners of the American Legion Auxiliary Poppy Poster contest are Richard Schenk, 6th grade; and Lawrence Dietle, 7th grade. Honorable mention: Joe Hale, 5th grade; Bessie Shinnaberry and Lillian Allshouse, 7th grade.

In the 34 Years Ago column (May 21, 1903): The Rev. Fr. Considine will deliver the sermon to the graduating class of Chelsea High school this year.

34 Years Ago . . .

Thursday, May 19, 1927—

Elmer Lehman of Sharon o a grade Black Top ewe whic making a fine record—gave b and raised triplet lambs last y and twins this year. The trip produced 29 pounds of wool w sheared this spring and weig 85 pounds each when sold.

Fire believed to have sta from the piano department of second floor of the home comple destroyed the Sylvan Center r dence of Mr. and Mrs. Alex Gri late Wednesday night.

Claude Isham, son of Mr. Mrs. Henry Isham, will grad rfom the piano department of Detroit Conservatory of Music a recital May 24.

By NICK PRAKKEN, *Manager*

"MICHIGAN MARCHING FORWARD" is the theme of Michigan Week this year, and all of us at Michigan Bell are proud to be right in step with it. For example, during the past 10 years Michigan's population has increased by 23 per cent and the number of telephones we serve has grown 62 per cent. This year we're planning to spend nearly $87 million on new construction to improve and expand service. And Michigan Bell employees (we're Michigan's fourth largest employer) will earn—and spend mostly right in this State—about $140 million this year. Our aim: to *keep* marching forward with Michigan.

IF YOU HAVE two-party or four-party phone service, why not change to a one-party line? A private telephone line is exclusively *yours*. It lets you talk whenever you wish for as long as you wish, without interruption. Unlike a party line, it's always ready to make or receive calls. And in an emergency, you can use your telephone *at once*. You can enjoy the benefits of private line service for only pennies more a day. Just call us here at our business office.

MOST OF US hate to throw anything away that "might come in handy" some day. Your telephone company is like that, too. But Michigan Bell does more than keep worn-out things around. Such as broken shovels. Or damaged screwdrivers. Tools like these, where practical, are repaired and made useful again. That's just one of the many ways we economize—so we can keep giving you good telephone service at the lowest possible cost.

"I want an ECONOMICAL USED CAR"

What do you want in a USED CAR?

A-1 Economy starts with purchase price. Volume new car sales make it possible for Ford Dealers to sell their used cars for *less*. And Ford Dealer A-1 Used Cars cut costly repair bills because Ford Dealers have the facilities to put them in tiptop shape before offering them for sale.

JUNIORS AND SENIORS of Chelsea High school who were recognized for all "B," or better, averages for the first semester or during the first two consecutive marking periods the second semester are shown in the above photo as they appeared at the Honors Assembly Wednesday, May 3. The assembly program included band numbers under the direction of David Lindsay, a talk by John Mader, director of special education for the Washtenaw County Board of Education, and presentation of the honor students by Principal Charles Lane. Honor students in the photo, front row, from left: Danny Mayer*, Kathryn Kinde*, Joanne Wojciehowski*, Carol Reddeman*, Carol Cameron*, Kay Runciman*, Nancy Carter* and Marilyn Pajot*. In the second row, from left, are Carolyn Miller, Judy Martin, Dianne Hayes, Sue Eisenbeiser, Carol Danforth, Susan Grossman, Pat O'Neill, Kathleen Salsburg, Ruth Prentice, Carol Dancer, Patricia Fike, Patty Pastor, Linda Koengeter and Richard Haist. Those in the third row are George Kleis, Don Martin, John Bauer, Lynn Lipphart, Ann Schmunk, Charlotte Harris, Carolyn Barcis, Rita Ramp, Nancy McCalla, Susan Lofquist, Barbara Irwin, Sharon Allan, Brenda Wireman, Donna Snyder and Donald Atkinson. In the fourth row are Ned Heydlauff, Edward Lauhon, Charles Waller, Daryl Keezer, Michael Cross, Stanley Hand, David Lixey, Edwin Brown, Peter Flintoft, Richard Wood, Sherry Frisinger, Elaine Pearson, Mary Ann Hanson, Ava MacDougall, Dianna Miller, and James Maynard. (*indicates all "A" students.) Ed. Note: The photo, originally published in the May 11 issue of The Standard did not list the students in their proper order.

Road Commission Truck Rammed Saturday on I-94

Chelsea firemen were called out to stand by after a tractor-trailer truck loaded with packaged salt collided with the rear of a Washtenaw County Road Commission truck at I-94 and M-92 at 4 p.m. Friday; however, in spite of the fact that gas was spilling from one of the trucks, there was no fire.

According to reports of investigating officers, the Road Commission truck loaded with chloride; and with its turn signals in operation, was preparing to make a right turn when the tractor-trailer ran into its rear end.

Deputies' reports state that the tractor-trailer trck driver, Frederick A. Detert of Barrington, Ill., apparently dozed at the wheel momentarily and failed to notice the truck preparing to turn until it was too late to avoid the collision.

The rear of the Road Commission truck was damaged and the tractor of the other truck was demolished. The tractor-trailer was a Jewel Tea Co. truck owned by Midwest Transfer Co. The damaged vehicle was brought to Balmer's Brake Service here.

Driver of the Road Commission truck was listed as Robert Farrell of Dexter. He apparently suffered no serious injury.

The Illinois driver was hospitalized with leg and head injuries.

Life is not a matter of getting something for nothing—this explains why some people do not live.

Boxers shake hands when they enter the ring; just like a smart salesman and his prospect.

CUB SCOUT NEWS

DEN III—

David Conklin, Barry Noveas, Lee Dickelman, Arthur Furley, Bruce Parks and John Hepburn of Cub Scout Den III, and their den mothers, Mrs. Vernon Parks and Mrs. Curtis Farley, had as their guest on May 10, Mrs. Russell Gardner, den mother of Den III.

They presented her with rhythm band instruments they had made, as well as copies of the Indian Lord's Prayer which her den will be using at the May 25 pack meeting.

Den III made cookie jars and recipe holders, the latter with the assistance of den fathers, all as a "top secret" project prior to Mother's Day when they were presented to their mothers as gifts. The boys also filled the cookie jars with cookies they had baked.

It was announced that the next Cub Scout Committee meeting is scheduled for June 8, at 7:30 p.m. in the Home Ec room at Chelsea Junior High school.

Michigan Motorists Pay 11 Cents Tax on Each Gallon of Gasoline

Lansing—The people's vote for a one-cent sales tax increase, recently implemented by the legislature, means an increase of five cents in the average price of a tankful of gasoline, according to William Palmer, executive secretary of the Associated Petroleum Industries of Michigan.

Palmer said Michigan is one of five states which impose the sales tax on gasoline, in addition to federal and state gasoline taxes. Actually, Palmer said, Michigan motorists pay a tax on a tax, since the sales tax is computed on the four-cent federal gasoline tax, but not on the six-cent state gas tax.

Michigan gasoline dealers, 95 per cent of whom are independent retailers who set their own pump prices, started Jan. 1 to collect from the motorist at least 11 cents per gallon in direct taxes for regular grade gasoline at normal prices, Palmer said.

The spending of borrowed money is pleasant but don't let it fool you.

LIMA TOWNSHIP

Wednesday, May 10, Mrs. Eva Dancer was surprised with a celebration of her birthday at the home of Mr. and Mrs. Howard Dancer of Ann Arbor. Guests at the party included Mr. and Mrs. Donald Dancer and daughter, Carol Ann, Mr. and Mrs. Lynn Dancer of Base Lake, Isabelle Wiley of Ann Arbor, and Mr. and Mrs. Edward Leja and son Jan of Detroit. The table setting included pink tulip place cards and a birthday cake decorated in white and gold. Mrs. Dancer was presented with gifts.

Week-end guests of Mrs. Eva Dancer were her daughter and family, Mr. and Mrs. Victor Hoek and children, Suzanne and Denny of Grand Rapids. Saturday evening the Hoeks and Mrs. Dancer were supper guests of Mr. and Mrs. Donald Dancer.

Mrs. Eva Dancer and daughter, Mrs. Victor Hoek of Grand Rapids, called Sunday morning on Miss Mabelle Notten who has been ill at her home on Reiman Rd.

Sunday, Mrs. Eva Dancer and Mrs. Isabelle Wiley of Ann Arbor, were Mothers' Day guests at the home of their son and daughter, Mr. and Mrs. Lynn Dancer of Base Lake. In addition to the honor guests, those present were Mr. and Mrs. Victor Hoek, Suzanne and Denny, of Grand Rapids; Mr. and Mrs. Edward Leja, Jan and Richard, of Detroit; Mr. and Mrs. Howard Dancer, Diane, Jim and Bob of Ann Arbor, and Mr. and Mrs. Donald Dancer and Carol Ann, of Chelsea.

WATERLOO

Mr. and Mrs. Wendell Barber and daughter, of Stockbridge, were Mother's Day guests at the home of his parents, Mr. and Mrs. Will Barber. Saturday guests were Mrs. Will Barber's sister and brother-in-law, Mr. and Mrs. Theron Foster and daughter and husband, Mr. and Mrs. Vern Glenn of Ypsilanti. On Friday evening Leigh Clark and friend, of White Oak, were visitors. Mr. and Mrs. Hartford were Sunday morning callers.

The Ladies Aid will meet at the church school for the regular meeting and preparation for the rummage and bake sale.

Mr. and Mrs. Glenn Rentschler entertained her mother, Mrs. Leonard Loveland at dinner on Mother's Day, then called on Mr. and Mrs. Chester Notten and Miss Mabelle Notten in the evening.

Mrs. Ronald Beyer and baby were Friday callers at the Glenn Rentschler home.

Included in the Mother's Day services at the Village church were baptism and reception of members. Those coming into the fellowship were Mr. and Mrs. H. W. Gaddis, their daughter Carol, and their son Bill, and David Fisher.

Mr. and Mrs. Gottlieb Rothman were guests on Sunday at the home of their daughter and family, the Willard Pontos in Ann Arbor.

Week-end visitors at the home of Mr. and Mrs. George Young were her sister and family, Mr. and Mrs. Willard Kuhn and daughter, and friend, Miss Susan Heller, all of LaPorte, Ind.

LYNDON TOWNSHIP

Mrs. Clara Hudson and Jim Goodwin were Wednesday evening guests of Mrs. Mary Clark and son, Dean.

Ralph Austin of Whitmore Lake spent from Wednesday until Sunday with his sister and brother-in-law, Mr. and Mrs. Stephen Baker.

Mrs. Floyd Balmer and daughters, Marilyn and Irene, and Mrs. Gary Roderick and daughter, Dawn, of Pinckney, spent from Friday until Sunday with the former's mother, Mrs. P. G. Crockett in Beaverton.

Mr. and Mrs. Warren Baker of Adrian were Saturday evening guests of his mother, brother, and sister-in-law, Mrs. Violet Baker and Mr. and Mrs. Stephen Baker.

Mr. and Mrs. Howard Boyce were Mother's Day guests of her daughter and family, Mr. and Mrs. Robert Lehr of Jackson.

Mr. and Mrs. Stephen Baker were Mother's Day guests of their daughter and family, Mr. and Mrs. Curtis Chamberlain, in Hell.

Mrs. Ray Morgan and children, of Stockbridge, were Sunday afternoon callers of Frances and Herbert McIntee.

Mr. and Mrs. Earl Showers and son, of near Dansville, Mr. and Mrs. John Woglenka and family and Mr. and Mrs. Earl Showers, Jr., and family, of Fowlerville, Mr. and Mrs. Samuel Whitman and family, and Robert Annis were Mother's Day guests of Mr. and Mrs. Bruce Whitman.

Mr. and Mrs. George Bott and family, Mrs. Verna West of Bunkerhill and Mr. and Mrs. Norman Bott and family were Mother's Day guests of Mr. and Mrs. Austin Bott and family.

Mr. and Mrs. Guy Barton were Mother's Day guests of their daughter and family, Mr. and Mrs. Ralph Seyfried and family, of Ann Arbor.

Mr. and Mrs. Thomas Wheat and son, of St. Clair Shores, were Mother's Day guests of Mr. and Mrs. Thomas Masterson.

Mr. and Mrs. Will Hogan and daughter, Kathy, Mrs. John Hogan and daughter, Helen, all of Detroit, Sherry and Robert Stofer, of Chelsea, and Mr. and Mrs. Harold Widmayer were Mother's Day guests of Mrs. Will Hogan's mother, Mrs. Eva Stofer.

Mr. and Mrs. Vaynard Close of Tecumseh, Mr. and Mrs. Harold Balmer and family, of Lansing, were Mother's Day guests of Mrs. Austin Balmer. In the afternoon all called on Mr. Balmer at Colonial Manor Nursing Home.

Mr. and Mrs. Claude Ray Deatrick, Jr., and sons, Mr. and Mrs. Wesley McClain and family were Sunday afternoon callers of their parents, Mr. and Mrs. Claude Deatrick, Sr.

Mr. and Mrs. Laurence Noah and Duane, and Mr. and Mrs. Lynwood Noah of Ypsilanti were Mother's Day guests of Dr. and Mrs. Wilfred Lane of Chelsea.

Mr. and Mrs. John Otto entertained Saturday evening in honor of their daughters, Jeanie and Barbara. Guests were their grandmother, Mrs. John Altenberndt of Dexter, Mr. and Mrs. Isadore Wencel and son, Jimmy, Mr. and Mrs. George Bauer and daughter, Barbara, Mr. and Mrs. Philip Burlak, and Mr. and Mrs. Stephen Baker. Two birthday cakes and ice cream were screved.

SALEM GROVE

Mrs. Joseph Czapla had her first airplane ride last week-end as a Mother's Day gift from her son-in-law and daughter, Mr. and Mrs. Douglas Mullen of Livonia. Although she had been nervous about traveling by air and was tempted to refuse, she now declares "it was wonderful." Accompanied by her daughter, Mrs. Czapla flew to Toronto, Canada, to spend the week-end and on Saturday evening was one of approximately 200 guests at a shower honoring Marilyn Mullen, sister of her son-in-law, who is to be married Sept. 2 to Eugene Rudek.

NORTH FRANCISCO

Mr. and Mrs. Chester Davis and family, of Angola, Ind., were Mother's Day guests of her parents, Mr. and Mrs. Chester Notten and aunt, Miss Mabelle Notten. Louis Sager of Jackson was a Sunday morning caller there. Mrs. Eva Dancer and daughter, Mrs. Victor Hoek, were Sunday afternoon callers. Mrs. Truman Lehman was a Friday evening visitor and Mrs. Leonard Loveland and Mrs. Glenn Rentschler were Sunday evening callers.

Mr. and Mrs. Gottlieb Rothman were Tuesday afternoon callers of Mr. and Mrs. Clarence Lehman.

Mr. and Mrs. Jerry Herrick and son were Mother's Day guests of her parents, Mr. and Mrs. Dillman Wahl.

Mr. and Mrs. Clarence Lehman and Mr. and Mrs. George Elkins and Gary were Sunday dinner guests of Mr. and Mrs. Herbert Hinderer.

Mr. and Mrs. Clarence Lehman were Ann Arbor visitors Thursday morning.

Mrs. Iva Straub spent a day last week with her aunts, Mrs. LeRoy Garred and Mrs. Wesley Sawdy.

Mr. and Mrs. Dillman Wahl and Hurley Loveland were Sunday evening callers of their mother, Mrs. Leonard Loveland.

Victor Schulz of Abilene, Tex., spent Wednesday and Thursday with his sister and brother-in-law, Mr. and Mrs. Clifford Peterson. Wednesday afternoon Mrs. Peterson and her brother called on their sister and brother-in-law, Mr. and Mrs. Ray Boone of Ypsilanti.

Mr. and Mrs. Clifford Peterson and Mr. and Mrs. Allan Partee spent the week end at Tower gathering mushrooms.

Mrs. Harley Loveland, Mrs. Leonard Loveland and Mrs. Harold Spink attended the Mother-Daughter banquet at the Horton Methodist church Wednesday evening.

The question arises, when, if ever, will the federal government not have the money to spend for the benefit of the "unfortunate."

Mayor's Exchange . . .

(Continued from page one)

called "everybody's event and everybody's endeavor."

All communities are being urged to consider special recognition of each day in the week.

Sunday, May 21 is Spiritual Relations Day when every congregation is expected to have some mission of its own early history and that of its faith or denomination in Michigan.

Tuesday, May 23, is Michigan Hospitality Day when communities, neighborhoods, business firms, etc., demonstrate their hospitality and friendliness and everybody is asked to glorify Michigan's great tourist industry.

Wednesday, May 24 is Our Livestock Day, for special heed to the people of the community and their living.

Thursday, May 25 is Education Day with the observance centered in the schools.

Friday, May 26 is Our Heritage Day, stressing particularly culture and history of the state and the community.

In most counties a big push is being given this year to promotion of Michigan products.

The sponsoring group the Greater Michigan Foundation estimates that more than 6,000 people are on Michigan Week committees.

Personal Notes

Second Lieutenant Richard Koziski arrived Monday evening for a few days' visit at the home of Mr. and Mrs. Norbert Merkel before leaving again today to return to Fort Monmouth, N. J. Mrs. Koziski, the former Kathy Merkel, who had spent the past two weeks visiting her parents, is accompanying him home.

Pvt. Malatyos Misailedes of Camp Gordon, Ga., telephoned Mother's Day greetings Sunday to his mother here, Mrs. Mike Misailedes. Guests at the Misailedes home were Mr. and Mrs. Sam Misailedes and daughter Maria of Kalamazoo, Mr. and Mrs. John Hofhanesian and children, Dorian and Melanie of Manchester, and Mr. and Mrs. Edmundo Trevino and family of Lehman Rd.

Sheriff's Report For May Lists 172 Traffic Violations

Washtenaw county's Sheriff George A. Petersen has just released his customary monthly report of the Sheriff's Department activities during April, 1961.

The report states that 646 complaints received, department response and 111 arrests were made.

Other data is listed as follows: 52 warrants closed; 443 civil papers served; 172 traffic violations; a total of 67 accidents investigated (38 property damage, 28 personal injury and one involving a fatality).

The report states the department's cars were driven a total of 40,223 miles during the month.

Also included in the report is information stating that the Driver's License Division of the department issued a total of 1,191 licenses which included 26 duplicates, 225 chauffeur renewlas, 796 operator renewals, four minor renewals and 140 originals, with fees collected amounting to $8,198.75.

Dog Control Division complaints numbered 136 and 84 dogs picked up.

In conclusion, Sheriff Petersen's report states that 3,578 meals were served to inmates of the County Jail during April.

With Miss Marguerite Eisen of Detroit, Miss Lillie Wackenhut was a Mother's Day dinner guest at the home of Mrs. A. A. Schoen in Dexter.

GRENVAL W. SPANGLER

Milan Resident Seeks Nomination In Con-Con Race

Grenval W. Spangler of 30 E. Second St., Milan, has announced his candidacy as a delegate to the State Constitutional Convention which convenes Oct. 3. He is a candidate from the Second District of Washtenaw county on the Democratic ticket, in the primary election to be held July 25.

Spangler is 49 years old and is an electrician on construction, a large part of which is industrial automation. He also worked on the installation of the Enrico Fermi Atomic plant north of Monroe.

Mr. and Mrs. Spangler have seven children, two daughters married, a son attending the University of Michigan and a daughter and son at home. Mrs. Spangler has two sons by a former marriage.

Spangler was raised on a farm.

He was a graduate of Morenci High School and attended Adrian College one and one half years. He has since completed Diesel Engineering and taken University Extension courses in sociology of education, public speaking and commercial law. He attended radar technician, electrician mate and teletype schools while in the Navy from 1943-1945.

He is a member of the American Legion, Veteran of Foreign Wars and the International Brotherhood of Electrical Workers.

Spangler was the Democrat candidate for State Representative from Lenawee county in 1954 at which time he stated he would work to make a constitutional convention practical by 1958. He was the Democrat candidate for State Senator from Lenawee and Monroe counties (19th district) in 1956. He was a member of the Democrat State Central committee from the Second Congressional District from 1959 to 1961. He is an active member on the Adrian Labor, Industrial Management committee which has been working to make more employment in Adrian although he has lived in Milan for one and one half years.

He believes that the majority of delegates will be from the business and professional groups which will bring a minority viewpoint to the convention. He hopes to represent the viewpoint of the rest of the people which are the great majority. He would like to divorce education from politics as much as possible and base finance of education on a percentage of the total state income rather than have it tied to some specific tax as it is now. He will endeavor to have questionnaires sent to the people so that a concensus of opinion is known and so the people will spend more thought on the constitution and its effects.

THANK YOU

Many thanks to our children, other relatives and friends for the cards, gifts and other remembrances which helped make our 25th wedding anniversary such a happy occasion.

Sincerely,
Mr. and Mrs. Emanuel Eisemann

Twenty-eight major musical performances were presented during the University of Michigan year, 1959-60.

Who can remember when the taxpayer had nothing to pay but a small tax on his property?

Six-Year-Old Drowns at Portage Lake

An early evening boat ride on Portage Lake last Wednesday evening ended in a tragedy for a local family with the drowning death of John Evans, six-year-old son of Mr. and Mrs. Thomas Evans of 8725 Grove Dr., Portage Lake.

According to a sheriff's department report, Evans had taken his son for an evening ride in their 15-ft. inboard motor boat. Returning to shore, with about 350 feet to go, the boat suddenly lost motion, the stern plunged under and the boat sunk in about 40 feet of water. The father was thrown clear of the boat into the water. The child, wearing a life jacket, was trapped in the interior of the boat.

The father was pulled from the water by Michael A. Crisovan, operator of the Newport Bathing Beach. Calls for aid were made and Bill Tupper and Charles Baker, Dexter members of the Sheriff's Department Underwater Recovery Team responded. They located the boat on their first dive. The body was brought to the surface and though mouth-to-mouth respiration was begun immediately and the Dexter Volunteer Fire Department resuscitator was used for 44 minutes, all efforts to revive the child failed and he was pronounced dead by Dr. Wm. E. Burns of Dexter. Dr. Walter R. Kemp of Dexter, a deputy medical examiner, later made the official ruling of death by accidental drowning.

Sheriff's deputies and Dexter skindivers Charles Baker and Wayne Stone raised the sunken boat last Thursday. Following an examination of the boat, Detective Lt. Vincent J. Snell said a propellor shaft retaining nut had loosened and as the Evans boat neared the shore the shaft shifted suddenly toward the rear of the boat. The shaft crashed into the rudder causing an abrupt stop and the 180-horsepower motor, acting as an anchor, forced the stern into the water. The boy, seated in the front of the boat, apparently was thrown forward and became lodged in the bow of the craft, Lt. Snell said.

Eugene Sutter Seeks Nomination To Con-Con Post

E. Eugene Sutter, member of the political science staff at Eastern Michigan University, Ypsilanti, announced his candidacy, Friday, May 12 for a Democratic nomination as a delegate to the state constitutional convention.

Sutter, 41, will seek the Democratic nomination in Washtenaw county's Second District.

In his statement, Sutter said, "It is most important that delegates to the constitutional convention keep in mind they are to represent the interests of all the people. This is a time when partisanship should not be promoted at the expense of the future welfare of Michigan."

Born and reared on a farm near Heyworth, Ill., Sutter received a bachelor's degree in speech and political science from Illinois State Normal University. Volunteering as a private in the army during World War II, he served 20 months overseas with the infantry.

Sutter came to Michigan in 1946 as a government teacher and debate coach at Lakeview High school in Battle Creek. He taught at Battle Creek until 1955, when he joined the Eastern Michigan University political science staff.

Sutter has been active in the Democratic party, serving as a delegate on numerous occasions to the county and state conventions. He is a member of the Democratic County Committee, a member of the membership subcommittee of the county committee, member of the executive council of the Michigan Citizenship Clearing House, and has worked with the Boy Scouts.

Sutter, his wife, Pula and three children live at 201 West Ainsworth Blvd., in Ypsilanti.

(Continued from page two)

pepper mixed generously with buckwheat flour to which capsicum had been added to give the mixture a peppery taste.

Not infrequently egg noodles contain artificial color. This is illegal. The yellow color of egg noodles must come from egg solids and not artificial color.

Recently samples of bottled catsup were found to contain sand—and also insect eggs. Traced to the source, case after case was seized and destroyed.

Seldom is the laboratory without samples of comminuted meat. This rather elaborate term for ground meat includes hamburger and sausage products as well. Michigan probably has the strictest sausage law in the world. Certain sausage ingredients acceptable in some states are illegal in Michigan.

In this state skeletal meats only may be used. This eliminates pork snouts, pork stomachs, beef lungs, beef spleens and pork skins as were plainly marked as ingredients on canned smoked sausage seized some time ago.

Frequently frankfurters are tested for adulterants such as soy bean flour which absorbs several times its weight in water, giving the purchaser less meat for her money. Another adulterant is sodium caseinate, which is derived from milk. It adds to the protein of sausage and its ability to absorb water.

Hamburg samples are usually sent in by Department inspectors for chemical preservatives determination or possible high fat content. Hamburg cannnot contain more than 30 percent fat. In the case of port sausage, fat content cannot exceed 50 percent.

During the warm periods of summer, food poisoning cases may occur as a result of certain foods not being properly refrigerated. This is particularly so of cream pies, custards, some salad dressings, and meats. In these instances samples of the suspected food are rushed to the bacteriological section of this East Lansing laboratory to determine what toxins are present.

To the citizen interested in seeing how his food and drink are analyzed to assure him of a wholesome product that is honestly labeled, or that innumerable other analytical tests on many different articles are performed to protect his health and pocketbook, a trip through this State agricultural laboratory is a must, says Agricultural Director G. S. McIntyre.

Vehicle Sales Tax Receipts in '60 Drop $2½ Million

Even though motor vehicle registrations in Michigan increased slightly during the past year, sales tax revenue collected on vehicles sold in 1960 fell $2,458,551.30 below the 1959 figure.

According to James M. Hare, Secretary of State, Michigan motorists and truck operators paid $47,309,189.00 in sales taxes on 960,427 vehicles in 1960 compared to $49,767,740.30 on 944,691 units in 1959.

"The average tax collected on each sale was $49.25 in 1960 compared with $52.68 in 1959," Hare said. "This drop in per unit revenue in part reflects the lower price of the popular compact cars which accounted for an increasing proportion of auto sales last year."

Hare also pointed out that the introdcution of smaller and less expensive new cars, as well as factors in the economy, were responsible for lower used car prices, which in turn resulted in lower sales tax revenue for the state.

A decrease of $3.43 in sales tax revenue indicates that the average cost of all motorized units fell by more than one hundred dollars per unit last year.

Thank You People of Chelsea . . .

For your loyal patronage throughout the 13 years I have had the opportunity to serve you, I am deeply grateful. These fine friendships and business associations will always remain a fond memory.

It is especially satisfying to me to be able to turn the business over to the capable successor Bill Brown will prove to be. Bill has worked with me throughout the entire 13 years, having joined the firm before me. You will always find him courteous, prompt, eager to please and completely honest. My hope is that you will all continue to show him the same loyalty you have shown me in your continued patronage.

Pastor Named for Assembly of God

The Rev. Harold S. Bilotta of Ann Arbor, is the new pastor of the Chelsea Assembly of God church, 14900 Old US-12.

A 1956 graduate of Central Bible Institute, Springfield, Mo., he entered the ministry and conducted evangelistic services and served as pastor of Assembly of God churches at various points in Michigan and in Maryland.

The new pastor and his wife, the former Margarete Metzger of Ann Arbor, were married in 1954. They have a son, Stephen, three years old, and two daughters, Carole Lynn, five, and Jennifer Joy, 18 months old. They plan to move to Chelsea as soon as they find living quarters.

They have lived in Ann Arbor the past 18 months.

In addition to his work as pastor of the Chelsea church, the Rev. Bilotta is employed at American Home Foods, Inc., Ann Arbor.

He succeeds the Rev. James O. Sutton who served the church for several months after the first pastor, the Rev. H. Meppelink, left to assume other church work.

Under the Rev. Meppelink's leadership the congregaton built the new church after holding services for several years in a downtown store building. He conducted the first service in the church just before leaving to take up his new duties.

The interior of the church is not entirely completed and members of the congregation are continuing the work in an effort to finish it.

Recently the Women's Missionary Council of the church made draperies for the chapel and the Christ Ambassadors youth group completed the project of purchasing ceiling tile, also for the chapel.

PARK IMPROVEMENT—Dan Maroney, center, president of the Chelsea Junior Chamber of Commerce, Ron Eder, at left, and Blaine Lyle were working at the JCC community service project of clearing additional land for picnic area at Pierce Memorial Park when the photographer happened by Saturday about noon. With record high temperatures in the 80's, the Jaycees had put in a rugged morning session. The Pierce Park project of the Jaycees includes plans, not only for clearing away brush but for filling in low areas and eventually adding lights, more parking area and providing a skating pond and covered dining area which could double as a shelter for skaters. The organization deserves commendation from the entire community for its proposed Pierce Park improvements

Church Women Meet Friday For May Fellowship Day

Church women of the community have completed plans for an observance of a united May Fellowship Day, Friday, May 19 (tomorrow).

May Fellowship Day is one of three big meetings sponsored during the year by United Church Women, a general department of the National Council of Churches.

The national group also sponsors World Day of Prayer on the first Friday in Lent and World Community Day in November.

Tomorrow's gathering is expected to approve formal organization of a United Church Women of Chelsea group.

A tea at 1 o'clock will precede the afternoon meeting scheduled for 2 p.m. The meeting will be held at St. Barnabas' Episcopal church, 20500 Old US-12.

Mrs. Jesse Jai McNeil, president of United Church Women of Michigan, is to be the guest speaker.

Mrs. McNeil is the wife of the Rev. Dr. J. J. McNeil, pastor of Tabernacle Baptist church, 6125 Beechwood, Detroit, who is the author of a newly published "Minister's Service Book for Pulpit and Parish."

The new book, published by Erdmans Publishing Co., Grand Rapids, has gained wide publicity because of its provision for a suicide burial ritual, a service not found in the traditional books of major religious faiths which hold that suicide is contrary to their teachings.

Mrs. McNeil, as state president of United Church Women, is expected to outline procedure for formation of a Chelsea organization and tell of the activities of the state and national organization.

All interested women of the community are invited to the tea and the afternoon meeting.

LIMA-SCIO COOKS

The first meeting of the Lima-Scio Cooks was brought to order by past vice-president Lorrie Reddeman on Saturday, May 13, at the home of Mrs. Harold Sias with 14 members present.

An election of officers was held with the following persons elected: president, Velma Wiseman; secretary, Judy Bateson; treasurer Judy Wiseman; Chelsea reporter, Arles Wiseman; Dexter reporter, Barbara Feldkamp.

Leaders are Mrs. LaVerne Coy and Mrs. Harold Sias, with Junior leaders, Lynn Reddeman and Judy Bateson, assisting.

Meetings for the year were planned and the summer project was chosen.

The next meeting will be held Tuesday, June 13, at 7 p.m., at the home of Linda and Sylvia Schneider.

Barbara Feldkamp, reporter.

Kindergarten Day . . .

(Continued from page one)

morning session starting at 9 o'clock and the town children are to come with their parents at 1 p.m.

If for a special reason anyone cannot come at the time indicated, they may come to the alternate meeting.

The children will spend their time in the kindergarten room with regular kindergarten teachers while the mothers go to the all-purpose room to complete the initial enrollment records. It will not be necessary for parents to stay longer than the time required to complete enrollment forms.

Children not enrolled prior to opening of school will be placed as soon as possibe after school has been in session.

All new pupils in Chelsea Elementary schools will be required to comply with the following state law:

"Act 12, Public Acts 1960, which became effective on Apr. 12, 1960, requires all children enrolling in the school system for the first time to present any one of three documents: (1) a statement from a physician that the entering school child has been adequately immunized against smallpox, diphtheria, a tetanus (lockjaw), pertussis (whooping cough), and poliomyelitis; (2) a signed request from a parent or guardian asking the local health department to give the necessary immunizations; (3) a signed statement from a parent or guardian that because of religious or other convictions he does not want his child protected."

Showboat . . .

(Continued from page one)

much to the dismay of the director), and, of course, some outstanding numbers have been selected for the chorus, which, consisting of many more voices than last year, could quite conceivably turn out to be the outstanding feature of the show.

According to your general chairman, "Doc" Alber, "there are still spots in both acts for good solo numbers and the plans of your director, to double the size of the chorus by placing part of the members offstage in the orchestra pit, afford all of you people in the community, who enjoy a good songfest of old time tunes, a chance to participate.

Contact "Jan" Hutzel, "Red" Flintoft or "Tony" Nielsen and get into the act.

This is also the last week patrons tickets will be on sale. If you haven't been contacted and wish to purchase a patron ticket please contact the ticket chairman, Paul Mann.

Co-Op Nursery Enrollments Open For Pre-Schoolers

The Chelsea Co-Op Nursery is again inviting parents with three- and four-year-old children to become part of nursery activity. The group points out that nursery school is a unique opportunity for the young child to grow and develop his social and mechanical skills. Parents as well as their children they say, will enjoy exploring this world especially suited to the needs of a pre-schooler.

For further information regarding enrollment in either the morning session of three-year-olds, or the afternoon session of four-year-olds, call Mrs. J. V. Burg, II, in Chelsea, or Mrs. H. W. Vaughan in Dexter.

DEATHS

Mrs. Luella B. Haines

Former Chelsea Resident Dies Friday in Detroit

Mrs. Luella B. Haines, formerly of Chelsea, died Friday at Providence Hospital, Detroit, and funeral services were held at 2 p.m. Monday at the Verheyden Funeral Home, 16300 Mack Ave. Burial followed in Woodlawn cemetery, Detroit.

Mrs. Haines, the former Luella Buchanan, was the widow of Fred W. Haines. She was born near Chelsea 77 years ago. Her mother was the former Lulu Boyd, member of a pioneer family in this area. Her father, Forest D. Buchanan, died when she was a child.

A son, John Lamb, lost his life while in U. S. Air Force training early in World War II.

Mrs. Haines left Chelsea about 10 years ago to return to Detroit where she had previously lived for more than 40 years. Her home was at 440 Parkview.

She was a member of the Mayflower Society, Daughters of the American Revolution, U. S. Daughters of 1812, Daughters of the Colonial Wars, New England Women, Dames of the Court of Honor, Daughters of the American Colonists, Detroit Yacht Club, Historic Memorial Society, Women's City Club and North Congregational church, Detroit.

Only close survivor is a neice, Mrs. L. W. Christensen of McHenry, Ill.

William H. McAttee

Sharon Township Farmer Dies Saturday Afternoon

William H. McAtee of 2991 Struthers Rd., died Saturday afternoon at St. Joseph Mercy Hospital, Ann Arbor. He had entered the hospital on Thursday. He was 68 years old.

Born Sept. 12, 1892, at DeSoto, Mo., he was a son of George and Harriett McAtee and was married at Flat River, Mo., March 5, 1912, to Lottie Ritter. They farmed in that area until 1919 and then moved to Detroit, remaining there until moving to the present home in 1938. Mrs. McAtee died May 10, 1960.

Mr. McAtee was a member of the Older Adult group of the Methodist church.

Survivors include four sons and eight daughters — George and Lawrence McAtee of Grass Lake; Wesley of Walled Lake; John R. at present in Spain with the U. S. Navy; Mrs. Arthur Aubry (Gladys) of Walled Lake; Mrs. Clarence Reidel (Birdie), Mrs. Marie DeMint, Mrs. Charles Konarske (Frances), and Mrs. Melvin Fredericks (Jessie) of Wyandotte; Mrs. Clyde Wheeling (Ruth) of Manchester; Mrs. Robert Schneider (Billie) of Chelsea; and Mrs. Gerald Proctor (Rebecca) of Grass Lake.

Also surviving are three sisters, Mrs. George Motherhead of Toledo, O., Mrs. Louis Blessingame of Clifton, Ill., and Mrs. Rose Boyer of DeSoto, Mo.; and 37 grandchildren and 12 great-grandchildren.

Funeral services were held at 2 p.m. Tuesday at the Staffan Funeral Home with the Rev. Carmen Carpenter officiating. Burial took place in North Sharon cemetery.

Robert M. Toney

Retired Lima Farmer Dies Thursday at 87

Robert M. Toney, 87, a life-long resident of Lima township and retired farmer, died at Colonial Manor Convalescent Home in Chelsea last Thursday after a one-year illness.

He was born Jan. 14, 1874, in Lima township, the son of Gottlob and Marie Kaercher Toney.

Sept. 19, 1900, he was married to Emilie Kaercher, also of Lima township. She died July 16, 1946.

He had lived at 851 S. Steinbach Rd., Lima township until moving to the convalescent home.

He was a life-long member of Salem Lutheran church in Scio township.

Surviving are a son, Alvin R. of Ann Arbor; two daughters, Mrs. Alfred Jedele of Scio township and Mrs. Rubin Fritz of Lima township; nine grandchildren and 15 great-grandchildren.

A son, Clarence, died in 1935.

Two sisters, Mrs. Amanda Mayer of Chelsea and Mrs. Alfred Icheldinger of Ann Arbor and several nieces and nephews survive.

Services were at 2:30 p.m. Friday in the Muehlig Chapel. Rev. Arthur Wacker officiated. Burial was in Bethlehem cemetery.

Track Win . . .

(Continued from page one)

good for second place. This established a new school record breaking McLaughlin's old of 46'8" set in the Albion on May 6.

Jim Maynard of the Hu also turned in his career b the high hurdles as he fi fourth in a time of 15.9 se

Don Sexton, the only seni this year's squad, finished in the broad jump with a of 19'3". This was an ex effort considering the fact Sexton was competing with jurred leg.

Larry Cattell's pole vault ft. gave him a fifth-place this event.

Chelsea's team total of 17 was good for fifth place team standings.

In addition to the point ners both of Chelsea's relay established new school record failed to place. The mile team of Larry Kramer, Schramm, Albert Schauer Warren Porath ran in 3:53.3, the 880 relay unit of Larry tell, Don Sexton, Warren P and Dave McLaughlin ra 1:37.4.

THE CHELSEA STANDARD

SECTION TWO — CHELSEA, MICHIGAN, THURSDAY, MAY 18, 1961 — PAGES 7-14

MYSTERY FARM No. 150, published without identification in the May 11 issue of The Standard proved to be another "repeat" by the photographer. It is another view of the Joseph Taylor place, which originally appeared in the Dec. 17, 1959 issue of The Standard as "Mystery Farm No. 78. It is located at 10630 Chelsea-Dexter Rd.

* * * * * * * * *

Joseph Taylor Farm Owned by Thompson Family for 100 Years

The farm at 10630 Chelsea-Dexter Rd., owned since 1947 by Joseph Taylor, was owned by the Thompson family for 100 years before that. According to ownership records, Maurice Thompson, Lima township supervisor from 1861-66 and draft board member during the Civil War, purchased the land from the original owner, William Cooper, who had secured it from the U.S. Government in 1834.

The farm was inherited, in turn, by Maurice Thompson's sons and daughter, Charles, Frances and Ann jointly by George and Henry Thompson.

George Thompson had lived on the farm with the Burt Taylors (parents of the present owner) for seven years and before his death, requested that his heirs arrange that at their death the farm should go to Joseph Taylor. His wishes were carried out by his daughter, Eva Taylor Clements and her husband, Thad Clements who owned the place until their death and willed it to Joseph Taylor.

Through the years the Thompsons owned the farm various tenants lived there, Taylor remembering that among them were the William Fischers, a Booth family, the Arthur Youngs, Louis Altenbern, Emanuel Eschelbachs, Walter Trinkles, Clarence Trinkles, Ford Bradburys and the Burt Taylors who went there in 1931.

Burt Taylor died in 1957 and Mrs. Taylor continued to make her home there with her son.

The original house, built by Maurice Thompson, burned down in 1922, after it had been moved back among the other farm buildings and used as a storage shed when the present house was built.

Other members of the Taylor family are Thomas Taylor and Mrs. Beth Thompson of Ann Arbor, brother and sister of Joseph Taylor.

In addition to the 122 acres of the Dexter Rd. farm, Taylor owns 80 acres on Lima Center Rd.

He customarily has a larger number of cattle, including dairy cows.

The Joseph Taylor farm photo of May 11 is a different view of the farm than an earlier photo shown in the Dec. 17 issue of The Standard as "Mystery Farm No. 78."

The men at Blaess Elevator and a neighbor of the Taylors, Mrs. William Beach, were the first to call in the correct identification of last week's photo.

Sandra Karner Appears On Flint TV Broadcast

Sandra Karner, daughter of Mr. and Mrs. Henry Karner of Cavanaugh Lake, was one of a group of homemaking students at Central Michigan University, Mt. Pleasant, who appeared on a Flint television broadcast at 9 a.m. Friday. The girls modeled spring dresses they had made.

The program, "Art and the Family" was broadcast at 9 a.m. Martha Wallace, class instructor, and James Chase, program host, discussed current and coming trends in fashions. The program is part of the Central Michigan Educational Television Council's television art series.

Phoenix Project Tour Arranged for 4-H Electrical Club Members

The Detroit Edison Co. is sponsoring a tour of the Michigan Memorial Phoenix Project on Saturday, May 20. The Phoenix project is an Atomic Energy research plant located on the U. of M. north campus. This tour is for all electrical club members, leaders and their families.

The tour will start at 9:30 a.m. movies, demonstrations, scientific displays and an informal question and answer period. The days activities will end with a lunch at the YM-YWCA.

Three "ready-to-serve" meals cost a family of four $6.70. Prepared at home, these meals would cost only $4.50. But the housewife would have to put 4 hours of work into preparing the meals.

Bulldogs in Battle for League Title

Friday's Game at Saline May Decide Conference Champs

After losing their first two conference games, the Bulldogs have battled their way back into a position where they can either win or share the Conference Championship, and it all hinges now on what happens today and tomorrow.

Currently the Bulldogs are in second place with a 6-2 conference record, while Saline is in first place with a 7-1 record.

Today Chelsea plays Roosevelt at Ypsilanti while Saline and Pinckney play at Pinckney. On Friday the Bulldogs go to Saline for what could be the championship's game. You can figure the various possibilities. In the last week Chelsea has played five games, three conference games and two non-conference games. They won the three conference games and lost the two non-conference games.

Last week, Wednesday, Chelsea played at Dexter and defeated the Dreadnaughts, 13-6, as a result of a strong 16-hit attack. Charles Koenn collected four hits while Ken Larson, Jerry Ringe, Alton Nixon, Mike Marsh, and Dudley Holmes each had two hits. Jerry Ringe was the winning pitcher.

On Thursday Dexter came to Chelsea for their return game, and this time the Bulldogs came through with a 4-3 win behind the four-hit pitching of Don Blalock. Charles Koenn and Richie Wood led the hitting attack with 3 and 2 hits, respectively.

Friday there was no school, so the Bulldogs got a long workout at South Lyon by way of a 20 inning double-header. The first game went 13 innings and was won by South Lyon, 10-9. The main feature of the game was Don Blalock's hitting as he collected a single, a double, a triple, and a home-run in six trips to the plate.

In the second game South Lyon scored two runs in the bottom of the seventh to win, 12-11.

In the double-header Don Blalock got six hits, Charles Koenn five and Mike Marsh three.

South Lyon's Jack Wren received credit for both victories, while Chelsea's Homer Nixon was charged with both defeats. A very unusual happening.

This Monday the Dutchman of Manchester came to Chelsea, where the Bulldogs hammered out 18 runs on 14 hits and defeated the Dutchmen 18-3.

Manchester scored their three runs in the first inning, while Chelsea scored in every inning and batted around in two different innings.

The winning pitcher was Don Blalock while Terry Ayers suffered the loss.

Dud Holmes and Kenny Larson each had three hits, while Ed Lauhon, Alton Nixon, and Mike Marsh, collected two hits each.

For Manchester it was 3 runs on 7 hits and 7 errors, and for Chelsea it was 18 runs on 14 hits and 1 error.

In addition to this week's games Chelsea will be at Stockbridge on Monday for a night game.

Junior 4-H Club Members Plan Party

The spring party for the Junior 4-H members (ages 10-14) will be held at the Farm Council Activities Center, on Saline-A nnArbor Rd. Friday, evening, May 19.

The party will begin at 8 p.m. with games and mixers, followed by square dancing and refreshments until 11 p.m.

The 4-H Service Club and Junior Leaders are co-sponsors of this event.

State Police Post Plans Open House For Next Tuesday

Sgt. Raymond McConnell, commanding officer of the Jackson post of the State Police, today reminded the public that open house will be held Tuesday, May 23, at the post as part of the observance of Michigan Week.

"We will welcome the opportunity to have visitors call on us to look over the post and view equipment," he said. "Officers will act as guides and answer any questions regarding State Police operations and the services we perform."

The hours for open house will be from 10 a.m. to 6 p.m.

Posts will fly the State flag as well as the United States flag all during Michigan Week.

Local Church Completes Building Plan

The Chelsea Church of Christ has completed plans to construct its own church building on Old US-12, a mile east of Chelsea, according to an announcement made yesterday by the pastor, the Rev. Murray Stanley Hudgins.

The church building will be a pre-fabricated structure with a seating capacity of 200 in the auditorium, plus arrangements for overflow seating for an additional 100 persons.

The laminated beam type structure will present an attractive appearance with its outside walls of western cedar paneling. The outside walls are so constructed that brick may be added in the future, if desired.

In addition to the main auditorium, the one-story, basementless building will have seven classrooms for Sunday school.

Estimated cost of the new building is approximately $24,000.

The Rev. Hudgins said professional workers will put up the outside walls and roof with church members planning to keep down expense by doing much of the interior finishing on a volunteer basis.

Church officials expect to sign contracts for the new building project this week and hope to have construction get started at once. A building permit has already been secured.

The congregation now holds services in the IOOF building on M-92 just south of Old US-12.

Track Squad Loses First Dual Meet

Last Thursday night on Saline's track the Chelsea Bulldogs lost their first dual meet of the season as they went down to a Pinckney team of exceptionally good depth.

Coach Al Conklin's thinclads were hampered by the loss of Senior Don Sexton who was withheld from competition because of a knee injury.

As it was, the Bulldogs managed to win 8 of the 13 events but were able to pick up only three second places and three thirds.

Pacing the Bulldogs, as usual, was Dave McLaughlin who won four individual events for Chelsea. Dave won the shot put, the broad jump and both the 100- and 220-yd. sprints. In the 220-yd. dash McLaughlin established a new new school record of 23.5 seconds, breaking the old record of 23.9 seconds held by Dalice Ferris.

Jim Maynard was close behind Dave's performance with three firsts in the high jump, and both 120-yd. high hurdles and the 180-yd. low hurdles. Jim also was second in the shot put. Between them McLaughlin and Maynard accounted by 38 of Chelsea's 52 points.

The only other first-place winner was Larry Cattell who won the pole vault. Larry also placed second in the 440-yd. dash.

The Bulldogs' only other second place went to Don Wilson who was edged by inches in the 880-yd. run.

Third places were earned by Gary Cattell who missed a second place by a hair in the mile, and Paul Schramm in the 440-yd. dash. Al Schauer and Bill Bowling tied for third in the pole vault.

Tonight the Bulldogs take on Saline's Hornets in the Saline Track Conference. Saline is undefeated and a victory for Chelsea could give them a tie for first in the Saline Track conference.

BELIEVE IT NOW? Washington St. improvement is progressing. Scrapers and trucks are busy with the excavation of the street in preparation for eventual blacktopping after the new roadbed is finished. The depth of the excavation is shown in comparison with the manhole cover and other pipes which appear at the left front in the photo. Location of the above scene is in front of the residences of the Leo Bishops and Fred Hoffman and his son-in-law and daughter, the Derwood Prochnows.

False Reports Have Dam Giving Way

Reports that the Waterloo Mill Pond dam "gave way Saturday" were somewhat exaggerated, according to the owners, Mr. and Mrs. Leonard Reith, who said they lowered the water level intentionally in order to make repairs on the structure.

The Reiths said unauthorized persons had, at various times, added boards at the dam to raise the water level in the pond and these were removed in order to make repairs. Area residents evidently believed the dam had broken and circulated reports to that effect.

The Reiths said it would take some time to complete the repairs.

Mrs. D. R. Hoppe returned home Monday evening from Clayton, Calif., where she spent the winter with her son-in-law and daughter, Mr. and Mrs. E. J. Oscher.

Baptist Church Will Hear Series of Talks on Italy

The Rev. David Wood, pastor of Chelsea Baptist church on Wilkinson street, has announced that William C. Standridge, Jr., director of publications for Voce del Vangelo, at Rome, Italy, will speak at a special series of meetings at the Chelsea church, beginning tomorrow evening.

At Friday's service, beginning at 7:30 p.m., Standridge will speak on the topic, "Will the Catholic Church and Protestants Unite?" His talk is described as a "report on steps . . . being taken on both sides to bring about reunion." He will include 20 minutes of slide pictures on Catholicism in Italy today.

At 7:30 p.m. Saturday, designated as young people's night, Standridge will show colored slide pictures of the 1960 Olympics at Rome plus slide pictures entitled "Rome by Night." The emphasis will be on a missionary challenge.

Sunday evening the service will being at 7 p.m. and Standridge will speak on the topic "The Night Cometh," related to presenting the gospel in Italy today.

Standridge will also speak at the regular Sunday morning service, his topic being "The Unloved Christ and His Unfinished Work."

The Rev. Wood said a special invitation is extended to all Chelsea area people to attend the services.

Candy Salesman Reported Using Pressure Tactics

It has come to the attention of the Rev. David Wood of the Chelsea Baptist church that a man has been calling at homes in Chelsea stating he was selling candy "for the benefit of the Baptist church." The salesman has reportedly used high pressure methods in trying to make sales.

The Rev. Wood said no one of his church has any connection with the sales project and that Chief of Police John Palmer advises anyone approached by this salesman to get the man's name or the license number of his car and report it to the police department at once.

Will Attend District Meetings of Lutheran Church in Saginaw

Clarence Koengeter of Ann Arbor will be the official delegate of Zion Lutheran church, Rogers Corners, at the annual meeting of the Michigan District of the American Lutheran Church. The sessions will be held from Monday through Wednesday, May 22-24, at St. John's Lutheran church at Saginaw.

The Rev. C. J. Renner, present pastor, and the Rev. M. W. Bureckner, former pastor of Zion Lutheran church, also will attend the district meeting.

LIMA CENTER EXTENSION CLUB
Mrs. Alvin Pommerening was hostess for an all-day meeting of Lima Center Extension club held at her home Wednesday, May 10, with 17 members and two guests present.

The meeting opened with a brief business session conducted by the chairman, Mrs. Alfred Eiseman, who announced that the next meeting will be an afternoon session at the home of Mrs. Harold Sias, Wednesday, June 14, beginning at 1 p.m.

Members were requested to bring their own table service to that meeting.

Election of officers is scheduled for the June 14 meeting.

At the May 10 meeting, Mrs. Ruth Arnold, representing an Ann Arbor gift shop, gave a special interest lesson demonstrating the art of gift wrapping.

Brownies

TROOP 51—
Brownies of Troop 51 held their meeting Tuesday at South Elementary school and made plans to have a picnic next Tuesday at the home of Debbie Weiss.

Games were played and treats were furnished by Roxanne Shears.

Serviceman's Corner

Pfc. Merle L. Carr Participating in Marine Corps Amphib Exercise

California—Marine Pfc. Merle L. Carr, son of Mr. and Mrs. Gerald L. Carr of 9021 Beeman Rd., Chelsea, Mich., is serving with the First Marine Division from Camp Pendleton, Calif., participating in Phase III of "Exercise Green Light" off the Coast of California.

Scheduled from May 8 to June 8, this phase of the exercise involves Navy and Marine Corps undersea, surface, air and ground forces, supported by minesweepers of the Royal Canadian Navy.

Highlight of the operation will be a large scale amphibious landing by the First Marine Division in the Camp Pendleton, Calif., area. The landing force will be supported by an amphibious task force and aircraft.

Pvt. William Kuhl Receiving Army Basic Training at Ft. Knox

Fort Knox, Ky.—Pvt. William H. Kuhl, 18, son of Mrs. Geraldine Myers, Route 1, Grass Lake, Mich., is currenly taking his basic combat training with Company A, 10th Battalion of the Fourth Training Regiment (BCT), here at the US Army Training Center, Armor.

During Pvt. Kuhl's eight week stay in the Fourth Regiment, which is commanded by Colonel Marvin A. Kreidberg, emphasis will be placed on training the new soldier in the duties of the individual rifleman, in indoctrinating him in the ways of military life and, in general, preparing him for subsequent training in the more advanced skills required in the Modern Army. The eight week program ends June 9.

Prior to entering the service, Private Kuhl graduated from Chelsea High school.

Of every $20 spent on groceries, $1.50 goes for packaging—to keep the food in good condition and to draw the customer's attention to the product. Sometimes the package may cost as much as the food itself.

Village of Chelsea, Michigan
Ordinance No. 58

AN ORDINANCE REGULATING THE SUBDIVISION OF LAND IN THE VILLAGE OF CHELSEA; REQUIRING AND REGULATING THE PREPARATION AND PRESENTATION OF PRELIMINARY AND FINAL PLATS FOR SUCH PURPOSE; ESTABLISHING MINIMUM SUBDIVISION STANDARDS; PROVIDING MINIMUM IMPROVEMENTS TO BE MADE OR GUARANTEED TO BE MADE BY THE SUBDIVIDERS; SETTING FORTH THE PROCEDURE TO BE FOLLOWED BY THE PLANNING COMMISSION IN APPLYING THESE RULES, REGULATIONS AND STANDARDS; AND PRESCRIBING PENALTIES FOR THE VIOLATION OF ITS PROVISIONS.

e Village of Chelsea ordains:

ARTICLE I
SHORT TITLE

Section 1.01 SHORT TITLE. is Ordinance shall be known and y be cited as the "Subdivision dinance of the Village of Chel- ."

ARTICLE II
INTERPRETATION AND PURPOSE

Section 2.01 INTERPRETA- ON AND PURPOSE. In their in- pretation and application the ovisions of this Ordinance shall held to be the minimum require- nts adopted for the protection of e public health, safety and wel- e. To protect the public, among her purposes, such provisions are tended to provide for permanent- wholesome community environ- nt, adequate municipal services d safe streets.

ARTICLE III
SCOPE

Section 3.01 SCOPE. This Or- dinance shall not apply to any lot lots forming a part of a subdivi- n created and recorded prior to effective date of this Ordi- nce. Nor is it intended by this dinance to repeal, abrogate, an- or in any way impair or inter- e with existing provisions of her laws or ordinances; except ch as specifically repealed by this dinance, or with private restric- ns placed upon property by deed, enant or other private agree- nt, or with restrictive covenants ning with the land to which the lage is a party. Where this Or- nance imposes a greater restric- n upon land than is imposed or ered by such existing provi- n of law, ordinance, contract or d, the provisions of this Ordi- nce shall control.

ARTICLE IV
APPROVING AGENCY

Section 4.01 APPROVING ENCY. The provisions of this dinance shall be administered by Council of the Village of Chel-

ARTICLE V
DEFINITIONS

The following definitions shall ply to the interpretation and en- rcement of this Ordinance, unless herwise specifically stated. The rd "shall" is always mandatory d not merely directory.

Section 5.01 ALLEY. The word lley" shall mean a permanent rvice-way providing secondary ans of access to abutting prop- rties.

Section 5.02 BLOCK. A Village are, also the length of one side f such a square.

Section 5.03 COUNCIL. The rd "Council" shall mean the uncil of the Village of Chelsea.

Section 5.04 EXPRESSWAY. e term "Expressway" shall ean those streets or highways de- gned for fast or heavy traffic d which do not permit access to utting property.

Section 5.05 FINAL PLAT. The rm "Final Plat" shall mean the al map, drawing or chart on hich the subdivider's plan of sub- vision is presented to the Coun- for approval, and which, if ap- oved, will be submitted to the unty for recording.

Section 5.06 LOT. The word Lot" shall mean a parcel or por- n of land in a subdivision or plat land separated from other par- ls or portions by description as a subdivision or record of survey ap or by metes and bounds, for e purpose of sale or lease to, or parate use of, another.

Section 5.07 MASTER PLAN. e term "Master Plan" shall ean a comprehensive plan pre- ared by the Village which in- icates the general locations rec- mended for the various func- nal classes of public works, aces and structures and for the neral physical development of e Village of Chelsea and includes y unit or part of such plan sep- rately adopted and any amend- ent to such plan or parts thereof.

Section 5.08 OFFICIAL MAP. e term "Official Map" shall ean the map established by the uncil showing the streets, high- ys and parks theretofore laid d, adopted and established by law d any amendments thereto opted by the Council or additions reto resulting from the approv- of subdivision plats by the Coun- and the subsequent filing of ch approved plats.

Section 5.09 OWNER. The word Owner" shall mean any individual, m, association, syndicate, co- tnership, corporation, trust or other legal entity, having suf- ent proprietary interest in the land sought to be subdivided to ake proceedings and maintain

ings to subdivide the same under this Ordinance.

Section 5.10 PRELIMINARY PLAT. The term "Preliminary Plat" shall mean the preliminary map, drawing or chart indicating the proposed layout of the subdivision to be submitted to the Council for its consideration.

Section 5.11 RIGHT OF WAY. The word "Right of Way" means the distance between the property lines of any street, thoroughfare, alley or other public way for the circulation of vehicles or pedestrians

Section 5.12 ROADWAY WIDTH. The word "Roadway Width" means the distance between faces of street curbs.

Section 5.13 STREET. The word "Street" shall mean a way for vehicular traffic, whether designated as a street, highway, thoroughfare, parkway, throughway, road, avenue, boulevard, lane, place or however otherwise designated.

Section 5.14 STREETS, ARTERIAL. The term "Arterial Streets" shall mean those streets which are used primarily for fast or heavy traffic.

Section 5.15 STREETS, COLLECTOR. The term "Collector Streets" shall mean those streets which carry traffic from minor streets to the major system or arterial streets and highways, including the principal entrance streets of a residential development and streets for circulation within such a development.

Section 5.16 STREETS, CULDE-SAC. The term "Cul-de-Sac" or "Dead-end Street" shall mean minor streets with only one outlet.

Section 5.17 STREETS, MARGINAL. The term "Marginal Access Streets" shall mean minor streets which are parallel to and adjacent to arterial streets and highways; and which provide access to abutting properties and protection from through traffic.

Section 5.18 STREETS, MINOR. The term "Minor Streets" shall mean those streets which are used primarily for access to the abutting properties.

Section 5.19 STREETS, WIDTH. The term "Street Width" shall mean the shortest distance between the lines delineating the right-of-way of streets.

Section 5.20 SUBDIVIDER. The word "Subdivider" shall mean any individual, firm, association, syndicate, co-partnership, corporation, trust or any other legal entity commencing proceedings under this Ordinance to effect a subdivision of land hereunder for himself or for another.

Section 5.21 SUBDIVISION. The term "Subdivision" shall mean the division of a parcel of land into four (4) or more lots or parcels for the purpose of transfer of ownership of building development, or, if a new street is involved, any division of a parcel of land; provided that a division of land for agricultural purposes into lots or parcels of five (5) acres or more and not involving a new street shall not be deemed a subdivision. The term includes resubdivision and, when appropriate to the context, shall relate to the process of subdividing or to the land subdivided.

Section 5.22 TECHNICAL STAFF. The term "Technical Staff" shall mean the duly delegated representatives of the Village.

Section 5.23 UNDEVELOPED LAND COST. The word "Undeveloped Land Cost" means the market value for subdivision purposes of the land acquired or used for a subdivision at the time of submission of a Preliminary Plat to the Council.

Section 5.24 VILLAGE. The term "Village" shall mean the Village of Chelsea, Michigan.

Section 5.25 WORDS. Words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural.

ARTICLE VI
PRE-APPLICATION PROCEDURE

Section 6.01 PRE-APPLICATION PROCEDURE. Previous to the filing of an application for conditional approval of the Preliminary Plat, the Subdivider shall submit to the Clerk of the Council, at least five (5) days before a regularly scheduled meeting, plans and data as hereinafter specified. This step does not require formal application, a filing fee, or filing of plat with the Council.

Section 6.02 GENERAL SUBDIVISION INFORMATION shall describe or outline the existing conditions of the site and the proposed development as necessary to supplement the drawings required below. This information may include data on existing covenants, land characteristics, and available community facilities and utilities; and information describing the subdivision proposal such as area of land to be subdivided, number of residential lots, typical lot width and depth, price range, business areas, playgrounds, park areas, and other public areas, proposed protective covenants and proposed utilities and street improvements.

Section 6.03 LOCATION MAP shall show the relationship of the proposed subdivision to existing community facilities which serve or influence it. Include development features such as the name and location; main traffic arteries; public transportation lines; shopping centers; elementary and high schools; parks and playgrounds; principal places of employment; other community features such as railroad stations, airports, hospitals and churches; title; scale; north arrow; and date.

Section 6.04 SKETCH PLAN on topographic survey shall show in simple sketch form the proposed layout of streets, lots, and other features in relation to existing conditions. The sketch plan may be a free-hand pencil sketch made directly on a print of the topographic survey.

Section 6.05 COUNCIL ACTION. Within fifteen (15) days after the next regularly scheduled meeting, the Council shall formally notify the subdivider that:

1. Pre-application exhibits, as submitted, are acceptable or

2. Pre-application exhibits are acceptable subject to compliance with specified changes and/or conditions, or

3. Pre-application exhibits are unacceptable for specified reasons, and no further consideration will be given until a new and acceptable pre-application submission is made.

ADVICE TO SUBDIVIDER

The purpose of the "Pre-application Procedure" is to afford the Subdivider an opportunity to avail himself of the advice and assistance of the Council, and to consult early and informally with the Technical Staff before preparation of the Preliminary Plat and before formal application for its approval, in order to save time and money.

The Subdivider should also consult with parties interested with him or with the ultimate users of the development, such as lending and mortgage insurance institutions, with a view of reaching, at this initial state, firm conclusions regarding what part of the market demand should be served, the suitability of the location of the proposed Subdivision, the most advantageous subdivision plan, the arrangement of streets, lots and other features of the proposed development.

At this stage, good counsel on all parts of the problem is essential. The Subdivider is also advised to engage a land planning specialist to assist him in resolving the major factors into a workable and profitable subdivision plan.

ARTICLE VII
PROCEDURE FOR CONDITIONAL APPROVAL OF PRELIMINARY PLAT

Section 7.01 PROCEDURE FOR CONDITIONAL APPROVAL OF PRELIMINARY PLAT. Upon receipt of a formal notice by Council that pre-application exhibits have been found acceptable, or acceptable subject to compliance with specified changes and/or conditions, the Subdivider shall cause to be prepared a Preliminary Plat together with improvement plans and other supplementary material as hereinafter specified.

Section 7.02 NUMBER OF COPIES OF PRELIMINARY PLAT TO BE FILED AND FILING FEE. Three (3) copies of the Preliminary Plat and specified supplementary material, together with a fee of Fifty Dollars ($50.00) shall be submitted to the Clerk of the Village, with a written application for conditional approval.

Section 7.03 REVIEW BY TECHNICAL STAFF. Following review of submitted exhibits by the Technical Staff to determine their adequacy and completeness, the Clerk of the Council shall advise the Subdivider in writing within twenty (20) days of any changes in exhibits or additional exhibits needed to assure compliance with these regulations; and the Subdivider shall submit exhibits to correct such deficiencies within twenty (20) days of said written advice. The above fee shall be considered earned at this time, and shall not be refunded.

Section 7.04 CAUSE FOR REJECTION. Failure of the Subdivider to furnish necessary and required exhibits within the above specified times, or changes in these exhibits which do not comply with pre-application exhibits or conditions, shall be deemed cause for rejection of the application for Conditional Approval, in which event new pre-application submission shall be made.

Section 7.05 CONDITIONAL APPROVAL of a Preliminary Plat shall not constitute approval of the Final Plat (Subdivision Plat). Rather it shall be deemed an expression of approval to the layout submitted on the Preliminary Plat as a guide to the preparation of the Final Plat which will be submitted for approval of the Council and for recording upon fulfillment of the requirements of these regulations and the conditions of the Conditional Approval, if any.

Section 7.06 PLATS AND DATA FOR CONDITIONAL APPROVAL shall include the following:

A. Topography at five (5) feet intervals or less if required by Council.

B. Existing Conditions as follows:

1. Boundary Lines: bearings and distances.

2. Easements: location, width and purpose.

3. Streets On And Adjacent To The Tract: name and right-of way width and location; type, width and elevation of surfacing; and legally established center-line elevation; walks, curbs, gutters, culverts, etc.

4. Utilities On And Adjacent To The Tract: location size and invert elevation of sanitary, storm and combined sewers; location and size of water mains; location of gas lines, fire hydrants, electric and telephone poles, and street lights; if water mains and sewers are not on or adjacent to the tract; indicate the direction and distance to, and size of nearest ones, showing invert elevation of sewers.

5. Ground Elevations On The Tract, based on a datum plane approved by the Village Engineer; for land that slopes less than approximately 2 per cent show spot elevations at all breaks in grade, along all drainage channels or swales, and at selected points not more than one hundred (100) feet apart in all directions; for land that slopes more than approximately 2 per cent either show contours with an interval of not more than five (5) feet if ground slope is regular and such information is sufficient for planning purposes, or show contours with an interval of not more than two (2) feet if necessary because of irregular land or need for more detailed data for preparing plans and construction drawings.

6. Subsurface Conditions On The Tract, if required by the Council: location and results of tests made to ascertain subsurface soil, rock and ground water conditions; depth to ground water unless test pits are dry at a depth of five (5) feet; location and results of soil percolation tests if individual sewage disposal systems are proposed.

7. Other Conditions On The Tract: water courses, marshes, rock outcrop, wooded areas, isolated preservable trees one foot or more in diameter, houses, barns, shacks, and other significant features.

8. Other Conditions On Adjacent Land: approximate direction and gradient of ground slope, including any embankments or retaining walls, character and location of buildings, railroads, power lines, towers, and other nearby non-residential land uses or adverse influences; owners of adjacent unplatted land; for adjacent platted land refer to subdivision plat by name, date recorded, and number, and show approximate per cent builtup, typical lot size, and dwelling type.

9. Photographs, if required by the Council; camera locations, directions of views and key numbers.

10. Zoning on and adjacent to the tract.

11. Proposed Public Improvements; highways or other major improvements planned by public authorities for future construction on or near the tract.

12. Key Plan showing location of the tract.

13. Title and Certificates: present tract designation according to official records in office of appropriate recorded; title under which proposed subdivision is to be recorded, with names and addresses of owners, notation stating acreage, scale, north arrow, datum, bench marks, certification of registered civil engineer or surveyor, date of survey.

C. Preliminary Plat shall be at a scale of two hundred (200) feet to one (1) inch or larger (Preferred scale of one hundred (100) feet to one (1) inch). It shall show topographic data and all existing conditions as required above and shall show all proposals including the following:

1. Streets: names, right-of-way and roadway widths; total length of streets, by widths of rights-of-way; approximate grades and gradients; and similar data for alleys, if any.

2. Other Rights-of-Way or Easements; location, width and purpose.

3. Insulating or Buffer Strips or Areas: location, dimensions, type of planting, etc.

4. Location of Utilities, if not shown on other exhibits.

5. Sites, if any, to be reserved or dedicated for parks, playgrounds, or other public uses.

6. Lot Lines, Lot Numbers and Block Numbers.

7. Sites, if any, for multi-family dwellings, shopping centers, churches, industry, or other non-public uses exclusive of single-family dwellings.

8. Minimum Building Setback Lines.

9. Site Data, including area of Subdivision, number of residential lots, typical lot size, and acres in parks, etc.

10. Title, Scale, North Arrow and Date.

D. OTHER PRELIMINARY PLANS. When required by the Technical Staff, the Preliminary Plat shall be accompanied by profiles showing existing ground surface and proposed street grades, including extensions for a reasonable distance beyond the limits of the proposed Subdivision; typical cross sections of the proposed grading, roadway and sidewalk; and preliminary plan of proposed sanitary and storm water sewers with grades and sizes indicated. All elevations shall be based on a datum plane approved by the Village Engineer.

E. DRAFT OF PROTECTIVE COVENANTS whereby the Subdivider proposes to regulate land use in the Subdivision and otherwise protect the proposed development.

F. SUBMISSION TO MICHIGAN STATE HIGHWAY DEPARTMENT. Where the proposed Subdivision is adjacent to, or contains a state trunkline highway, a copy of the Preliminary Plat should be forwarded to the State Highway Commissioner at Lansing for approval.

ARTICLE VIII
PROCEDURE FOR APPROVAL OF FINAL PLAT

Section 8.01 PROCEDURE FOR APPROVAL OF FINAL PLAT. The final plat shall conform substantially to the Preliminary Plat as approved, and, if desired by the Subdivider, it may constitute only that portion of the approved Preliminary Plat which he proposes to record and develop at the time, provided however, that such portion conforms to all requirements of these regulations.

Section 8.02 APPLICATION FOR APPROVAL. Application for approval of the Final Plat shall be submitted to the Village Clerk at least ten (10) days prior to the meeting at which it is to be considered.

Section 8.03 NUMBER OF COPIES OF FINAL PLAT TO BE SUBMITTED. Five (5) copies of Final Plat and other exhibits required for approval shall be prepared as hereinafter specified, and shall be submitted to the Council within 9 months after approval of the Preliminary Plat; otherwise such approval shall become null and void unless an extension of time is applied for and granted by the Council.

Section 8.04 FINAL PLAT shall be drawn in ink on tracing cloth on sheets 18" wide by 24" long and shall be at a scale of one hundred (100) feet to one (1) inch. Where necessary the Final Plat may be on several sheets accompanied by an index sheet showing the entire subdivision. For large subdivisions the Final Plat may be submitted for approval progressively in contiguous sections satisfactory to the Council. The Final Plat shall show the following:

A. Primary control points, approved by the Village Engineer, or descriptions and "ties" to such control points to which all dimensions, angles, bearings, and similar data on the plat shall be referred.

B. Tract boundary lines, right-of-way lines of streets, easements and other rights-of-way, and property lines of residential lots and other sites; with accurate dimensions, bearings or deflection angles, and radii, arcs and central angles of all curves.

C. Name and right-of-way width of each street or other right-of-way.

D. Location, dimensions and purpose of any easements.

E. Number to identify each lot or site.

F. Purpose for which sites, other than residential lots, are dedicated or reserved.

G. Minimum building setback line on all lots and other sites.

H. Location and description of monuments.

I. Names of record owners of adjoining platted land.

J. Reference to recorded subdivision plats of adjoining platted land by record name, date and number.

K. Certification by surveyor or engineer certifying to accuracy of survey and plat.

L. Certification of title showing that applicant is land owner.

M. Statement by owner dedicating streets, rights-of-way and any sites for public uses.

N. Title, scale, north arrow and date.

Section 8.05 CROSS SECTIONS AND PROFILES of streets showing grades approved by the Village Engineer. The profiles shall be drawn to Village standard scales and elevations and shall be based on a datum plane approved by the Village Engineer.

Section 8.06 A CERTIFICATE BY THE VILLAGE ENGINEER certifying that the Subdivider has complied with one of the following alternatives:

A. All improvements have been installed in accordance with the requirements of these regulations and with the action of the Council giving Conditional Approval of the Preliminary Plat, and

B. That a bond or certified check has been posted, which is available to the Village, and in sufficient amount to assure such completion of all required improvements; and/or that the Subdivider has complied with the requirements of Article X.

Section 8.07 PROTECTIVE COVENANTS in form for recording.

Section 8.08 OTHER DATA: Such other certificates, affidavits, endorsements, or deductions as may be required by the Council in the enforcement of these regulations.

ARTICLE IX
DESIGN STANDARDS

Section 9.01 DESIGN STANDARDS FOR STREETS shall be as follows:

A. The arrangement, character, extent, width, grade, and location of all streets shall conform to the Master Plan and shall be considered in their relation to existing and planned streets, to topographical conditions, to public transportation and safety, and in their appropriate relation to the proposed uses of the land to be served by such streets.

B. Where such is not shown in the Master Plan, the arrangement of streets in a subdivision shall either:

1. Provide for the continuation or appropriate projection of existing principal streets in surrounding areas; or

2. Conform to a plan for the neighborhood approved or adopted by the Council to meet a particular situation where topographical or other conditions make continuance or conformance to existing streets impracticable.

C. Minor streets shall be so laid out that their use by through traffic will be discouraged.

D. Where a subdivision abuts or contains an existing or proposed arterial street, the Council may require marginal access streets, reverse frontage with screen planting contained in a non-access reservation along the rear property line, deep lots with rear service alleys, or such other treatment as may be necessary for adequate protection of residential properties and to afford separation of through and local traffic.

E. Where a subdivision borders on or contains a railroad right-of-way or limited access highway right-of-way, the Council may require a street approximately parallel to, and on each side of such right-of-way, at a distance suitable for the appropriate use of the intervening land, as for park purposes in residential districts, or for commercial or industrial purposes in appropriate districts. Such distances shall also be determined with due regard for the requirement of approach grades and future grade separations.

F. Reserve strips controlling access to streets shall be prohibited except where their control is definitely placed with the Village under conditions approved by the Council.

G. Street jogs with centerline offsets of less than two hundred and fifty (250) feet shall be avoided.

H. A tangent at least one hundred (100) feet long shall be introduced between reverse curves on arterial and collector streets.

I. When connection street lines deflect from each other at any one point by more than ten (10) degrees, they shall be connected

(Continued on page 10)

NOTICE OF PUBLIC HEARING
Tuesday, June 6, 1961
at Sylvan Town Hall - 8 p.m.

A Public Hearing for the review of granting a Zoning Change in A-1 Agricultural District to B-1 General Business, Located in SCection Nine (9), Hewletts Pleasant Vista Cedar Lake Subdivision, Township of Sylvan, County of Washtenaw, Michigan.

Sylvan Township Zoning Board
James P. Liebeck, Secretary

Brand a Bargain
AT YOUR CHEVY DEALER'S
Truck Roundup!

The famous Thriftmaster 6 does the saving as standard equipment in this Fleetside model. For V8 power, you can choose the Trademaster V8, optional at extra cost.

Here to talk up Chevy's big savings roundup is Western star Roy Rogers! "They tell me it's the best time of all to put your brand on a hard-working, easy-riding I.F.S. truck. You'll find a full corral to pick from—each built and priced to save you plenty."

■ Roy's laying it right on the line, letting you in on the best time to buy and the best place to save! That goes for whatever model you need, too . . . from pickups to tandems. And with Chevy's I.F.S. (Independent Front Suspension) soaking up road shock and vibration, your Chevrolet stays young, protects the load better, works faster. You make more money. And who can offer you anything better than that? Just see your dealer—soon.

Chevy's hefty 261-cu.-in. Jobmaster 6 is a big reason for the outstanding popularity of Series 60 middleweights.

Ordinance No. 58

(Continued from page nine)

by a curve with a radius adequate to insure a sight distance of not less than two hundred (200) feet for minor and collector streets, and of such greater radii as the Council shall determine for special cases.

J. Street Intersections.

1. Streets shall be so laid out as to intersect as nearly as possible at right angles. No street shall intersect any other street at less than sixty (60) degrees.

2. Where any street intersects an arterial or major street, such intersection shall be at an agle of ninety (90) degrees for a minimum distance of 100 feet from the right-of-way line of such arterial or major street.

3. Commercial or industrial areas located on major or arterial or collector streets shall have access to such highways not nearer than three hundred (300) feet from any intersection on such streets.

K. Streets right-of-way widths shall be as shown in the Master Plan and where not shown therein shall be not less than as follows:

Street Type	Right-of-Way
Arterial	100 feet
Collector	86 feet
Minor row houses and and apartments	60 feet
Minor, for other residences	60 feet
Culs-de-Sac	45 feet
Marginal access	40 feet

L. Half streets shall be prohibited, except where essential to the reasonable development of the subdivision in conformity with the other requirements of these regulations; and where the Council finds it will be practicable to require the dedication of the other half when the adjoining property is subdivided. Wherever a half street is adjacent to a tract to be subdivided, the other half of the street shall be platted within such tract.

M. Culs-de-Sac shall not be longer than four hundred (400) feet, and shall be provided at the closed end with a turn-around having an outside diameter of at least eighty (80) feet and a street property line diameter of not less than one hundred (100) feet. The right-of-way width of the portion connecting the turn-around with its access street shall be a minimum of forty-five (45) feet. The property line at the intersection of the turn-around and the connecting portion shall have a radius of not less that fifty (50) feet. When required by the Technical Staff, temporary culs-de-sac, designed as above, shall be provided at the end of all dead-end streets which are to be extended in the future beyond the boundary lines of the Subdivision. When such dead-end streets are subsequently extended, the excess property required for the culs-de-sac shall revert to abutting property owners.

N. No street names shall be used which will duplicate or be confused with the names of existing streets. Street names shall be subject to the approval of the Technical Staff.

O. Street grades, wherever feasible, shall not exceed the following, with due allowance for reasonable vertical curves:

Street Type	Percent Grade
Arterial	4
Collector	4
Minor	5
Marginal Access	5

P. No street grade shall be less than one-third (⅓) of one percent.

Section 9.02 DESIGN STANDARDS FOR ALLEYS shall be as follows:

A. Alleys shall be provided in commercial and industrial districts, except that the Council may waive this requirement where other definite and assured provision is made for service access, such as off-street loading, unloading, and parking consistent with and adequate for the uses proposed.

B. The width of an alley shall be not less than twenty-four (24) feet.

C. Alley intersections and sharp changes in alignment shall be avoided, but where necesssary corners shall be cut off sufficiently to permit safe vehicular movement.

D. Dead-end alleys shall be avoided where possible, but if unavoidable, shall be provided with adequate turnaround facilities at the dead-end, as determined by the Technical Staff.

Section 9.03 DESIGN STANDARDS FOR EASEMENTS shall be as follows:

A. Easements across lots or centered on rear or side lot lines shall be provided for utilities where necessary and shall be at least twelve (12) feet wide.

B. Sample Clause. The following clause is being provided as a typical one which should be included on all Final Plats.

"THE EASEMENTS INDICATED ON SAID PLAT ARE NOT DEDICATED TO THE PUBLIC BUT THE RIGHT TO USE SAID EASEMENTS IS HEREBY GRANTED TO PUBLIC UTILITIES AND NO PERMANENT NON - UTILITY STRUCTURES ARE TO BE ERECTED WITHIN THE LINES OF SAID EASEMENT.

C. Where a subdivision is traversed by a water course, drainage way, channel, or stream, there shall be provided a storm water easement or drainage right-of-way conforming substantially with the lines of such water course, and such further width or construction, or both, as will be adequate for the purpose. Parallel streets or parkways may be required in connection therewith.

Section 9.04 DESIGN STANDARDS FOR BLOCKS shall be as follows:

A. The lengths, widths, and shapes of blocks shall be determined with due regard to:

1. Provision for adequate building sites suitable to the special needs of the type of use contemplated.

2. Zoning requirements as to lot sizes and dimensions.

3. Needs for convenient access, circulation, control and safety of street traffic.

4. Limitations and opportunities of topography.

B. Block lengths generally shall not exceed 1200 feet in length except where topographic conditions require longer blocks or in one acre subdivisions where blocks up to 1500 feet in length may be approved. Wherever blocks are longer than 750 feet in length, pedestrian crosswalk easements of 10 feet shall be provided at the center of the block.

C. Pedestrian crosswalks, not less than ten (10) feet wide, shall be required where deemed essential to provide circulation, or access to schools, playgrounds, shopping centers, transportation, and other community facilities.

Section 9.05 DESIGN STANDARDS FOR LOTS shall be as follows:

A. The lot size, width, depth, shape, and orientation, and the minimum building setback lines shall be appropriate for the location of the subdivision and for the type of development and use contemplated.

B. Lot dimensions shall conform to the requirements of the Zoning Ordinance.

C. Corner lots for residential use shall have extra width to permit appropriate building setback from and orientation to both streets.

D. The subdividing of the land shall be such as to provide, by means of a public street, each lot with satisfactory access to an existing public street.

E. Double frontage, and reverse frontage lots, shall be avoided except where essential to provide separation of residential development from traffic arteries or to overcome specific disadvantages to topography and orientation. A planting screen easement of at least ten (10) feet, and across which there shall be no right of access, shall be provided along the line of lots abutting such a traffic artery or other disadvantageous use.

F. Side lot lines shall be substantially at right angles or radial to street lines.

G. The depth of lots shall not exceed two and one-half (2½) times the width at the building setback line.

Section 9.06 DESIGN STANDARDS FOR PUBLIC SITES AND OPEN SPACES shall be as follows:

A. Prior to the submission of Preliminary Plat, the Subdivider shall consult with the Village's park and recreation authorities and the Board of Education as to the need for major park and school sites in the area.

B. Where a proposed park, playground, school or other public use shown in a Master Plan is located in whole or in part in a subdivision, the Council may require the dedication or reservation of such area within the subdivision in those cases in which the Council deems such requirements to be reasonable.

C. Where deemed essential by the Council, upon consideration of the particular type of development proposed in the subdivision, and especially in large-scale neighborhood unit developments not anticipated in the Master Plan, the Council may require the dedication or reservation of such other areas or sites of a character, extent, and location suitable to the needs created by development for school, parks, and other neighborhood purposes.

Section 9.07 DESIGN STANDARDS FOR USE, HEIGHT, AREA OR BULK REQUIREMENTS OR RESTRICTIONS OF BUILDINGS AND PREMISES, shall be as follows:

A. The proposed use, height, area or bulk requirements or restrictions governing buildings and premises within the subdivision shall be shown, and the Council may require such requirements or restrictions as appear to be suitable to the needs created by such development provided such requirements or restrictions do not authorize violation of the then effective Zoning Ordinance of the Village.

ARTICLE X

REQUIRED IMPROVEMENTS

Section 10.01 CONSTRUCTION BY THE SUBDIVIDER. The Subdivider shall

A. Construct at his own expense all street and sidewalk grading, street paving, sidewalks, curb and gutter, water mains, storm and sanitary sewer trunk and distribution mains, manholes, service extensions for both water and storm and sanitary sewers, trees, street signs and all other improvements within the Subdivision and to connect the Subdivision to existing facilities.

B. Install monuments at all block and lot corners, angle points and points of curves in streets, and irons at other points as shall be required by the Village.

C. Prepare and submit to the Village 2 copies of approved detail plans for all improvements, which plans shall become the property of the Village, and shall provide such soil data and other information to the Village as shall be required.

D. Pay for such engineering and inspection costs, including 6 per cent of such costs for overhead charge, as may be furnished or supplied by the Village in connection with the Subdivision.

E. Furnish and deposit with the Village or in escrow cash, certified check or surety bond in a form approved by the Village Attorney and in an amount sufficient to cover the total cost of all improvements in the Subdivision; provided, however, that in subdivisions containing less than 15 lots, the Council may waive or modify by mutual written agreement the above requirements; provided that, in any instance where vacant lots in the Subdivision are sold by the Subdivider before all improvements have been installed by him, the Subdivider shall deposit with the Village cash in an amount sufficient to cover the total cost of all uninstalled improvements.

F. Furnish public liability and property damage insurance in a form and amount as approved by the Village Attorney to protect and indemnify the Village against any and all claims for damages due to public use of the streets in the Subdivision prior to final acceptance of the streets by the Village.

Section 10.02 EXCESS CONSTRUCTION REQUIRED BY THE VILLAGE. Whenever the Village shall require the installation of transmission water, storm or sanitary sewer mains of a size larger than necessary to serve the Subdivision, the Subdivider shall install such larger sized mains and shall be responsible for the proportional share of the cost of such improvements allocable to the requirements of the Subdivision and shall be reimbursed for the difference in excess cost.

Section 10.03 CONSTRUCTION BY THE VILLAGE. The Subdivider shall reimburse the Village for the cost of any or all improvements made by the Village within or without the boundaries of the Subdivision which the Council deems to be or to have been necessary for the benefit of the Subdivision together with such engineering and inspection costs incurred by the Village therewith including 6 per cent of such costs for overhead charge.

Section 10.04 CONSTRUCTION SPECIFICATIONS. All improvements required in the Subdivision shall be constructed in strict accordance with standards and specifications on file with the Clerk of the Village.

ARTICLE XI

CONSTRUCTION AGREEMENT

Section 11.01 CONSTRUCTION AGREEMENT. The Village, shall prior to final approval of the Final Plat by the Council, require the Subdivider to enter into an agreement with the Village, which agreement shall define the respective responsibilities of the Village and the Subdivider in regard to the conditions of approval and the physical development of the Subdivision. Such agreement may include but may not be limited to

A. Any exceptions or modifications of any requirements of this Ordinance as authorized in Sections 10.01E or Article XII, provided, however, that such exceptions or modifications shall not authorize the violation of the then effective Zoning Ordinance of the Village.

B. A progress schedule of the order and time of the installation of improvements in the Subdivision.

ARTICLE XII

VARIANCES

Section 12.01 VARIANCES HARDSHIP. Where the Council finds that extraordinary hardships may result from strict compliance with these regulations, it may vary the regulations so that substantial justice may be done and the public interest secured; provided that such variation will not have the effect of nullifying the intent and purpose of the Master Plan, the Zoning Ordinance or the spirit and intent of these regulations.

Section 12.02 VARIANCES LARGE-SCALE DEVELOPMENT. The standards and requirements of these regulations may be modified by the Council in the case of a plan and program for a new town, a complete community, or a neighborhood unit, which in the judgement of the Council provides adequate public spaces and improvements for the circulations, recreation, light, air, and service needs of the tract when fully developed and populated, and which also provide such covenants or other legal provisions as will assure conformity to and achievement of the plan.

Section 12.03 VARIANCES CONDITIONS. In granting variances and modifications, the Council may require such conditions as will, in its judgement, secure substantially the objectives of the standards or requirements so varied or modified.

ARTICLE XIII

PENALTIES

Section 13.01 PENALTIES Any person, firm or corporation who shall violate any of the provisions of this Ordinance, shall upon conviction thereof, be fined not less than Five Hundred Dollars ($500.00) for each and every violation or be imprisoned in the Village or County jail for a period of not to exceed ninety (90) days or by both such fine and costs and imprisonment in the discretion of the court. Each day that a violation is permitted to exist shall constitute a separate offense.

ARTICLE XIV

REPEAL

Section 14.01 REPEAL. Repeal of Ordinnce or parts of Ordinance in conflict herewith are hereby repealed only to the extent necessary to give this Ordinance full force and effect.

ARTICLE XV

SEVERABILITY

Section 15.01 SEVERABILITY. This Ordinance and the various parts, sentences and clauses thereof, are hereby declared to be severable and if any part, sentence, section, paragraph or clause is judged unconstitutional or invalid, the same shall not affect the ity of this Ordinance as a or any part thereof other th part declared to be unco tional or invalid.

ARTICLE XVI

EFFECTIVE DATE

Section 16.01 EFFECTIVE This Ordinance shall take within twenty (20) days afte sage and publication.

Approved and passed, M 1961.

Americans pay about the share of their incomes for now as before World War I they are eating better food more of them.

From where I sit ... by Joe Mars

Teacher Learns a Lesson

Fuzzy Goodwin may hold a half-dozen important positions around town—chairman of the school board included—but he's still the same modest fellow that I grew up with.

At the last PTA meeting, Fuzzy made a point of getting together with some new teachers. One of them, a lady with some strong ideas about education claimed that none of the others had gone to the right college—hers.

"Well, Miss, that isn't so bad," Fuzzy told her. "One of our board members didn't even go to high school, let alo college." "No! Who?" she sa "Me," he said.

From where I sit, some of want people to be carbon copi of ourselves. But that just is the American way. Our he itage of freedom implies right to be *different*, even little things—like your choi of tea or coffee and my prefe ence of a glass of beer. I "be yourself" and no "study up" to be like each other.

Let me show you how to get better roses, more continuous bloom

With roses, the surprising secret of more blooms is—*more leaves!* Now—with the new Scotts Rose Program—it's so easy to keep foliage strong and healthy, even a beginner enjoys success.

This amazing applicator is the key. It's called the Scotts Zephyr, and it's designed to apply new HAZE—Scotts *all-in-one* protection against insects and disease.

The HAZE container fits snugly in the Zephyr. Nothing to mix, measure, fill or spill. To apply, just point the deflector at the base of the rose bushes, turn the crank gently, and walk along the bed. An atomized *dry mist* envelops the plant—depositing a nearly invisible HAZE film on both tops *and undersides* of the leaves.

Come see and save. You'll find these new Scotts Rose Program products at our big SUCCESS WITH ROSES display.

Introductory offer saves you $5.00. Ask us about it.

ORDER FOR PUBLICATION

State of Michigan, The Circuit Court for the County of Washtenaw. In Chancery
ROBERT HUNTLEY, Plaintiff
—vs—
BONNIE HUNTLEY, Defendant
1-C-427

Suit pending in the Circuit Court for the County of Washtenaw in Chancery, at the City of Ann Arbor in said County, on the 16th day of March, 1961.

In this cause it appearing from affidavit on file, that the Defendant Bonnie Huntley is not a resident of the State of Michigan but that she resides in Montgomery, Alabama and that her last known address was:

Bonnie Huntley,
c/o General Delivery
Montgomery, Alabama

On motion of Henry D. Arkison, Plaintiff's Attorney it is ordered that the said Defendant Bonnie Huntley cause her appearance to be entered herein within 3 months from the date of this order and in case of her appearance that she cause her answer to the Plaintiff's Bill of Complaint to be filed, and a copy thereof to be served on said Plaintiff's Attorney within fifteen days after service on her of a copy of said bill and notice of this order; and that in default thereof, said bill will be taken as confessed by the said Bonnie Huntley, Defendant.

AND it is Further Ordered, That within forty days the said Plaintiff cause a notice of this order to be published in the Chelsea Standard a newspaper printed, published and circulating in said County, and that such publication be continued therein at least once each week for six weeks in succession, or that he cause a copy of this order to be personally served on said Bonnie Huntley, Defendant at least twenty days before the time above prescribed for her appearance.

ORDER FOR PUBLICATION

General
State of Michigan, The Probate Court for the County of Washtenaw
In the Matter of NANCY ANN LAMPMAN a/k/a Wiedman, Minor.

At a session of said Court, held on May 1, 1961.

Present, Honorable John W. Conlin, Judge of Probate.

Notice is Hereby Given, That the petition of Pauline K. Wiedman praying that said child comes within the provisions of Act. No. 54, Public Acts of Michigan 1944, First Extra Session as amended; and it appearing to the Court that it is impracticable to personally serve said summons due to the fact that the whereabouts of the father of said minor is unkown will be heard at the Probate Court on Thursday, June 1, 1961, at 10:30 A.M.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks consecutively previous to said day of hearing, in the Chelsea Standard, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered, certified, or ordinary mail (with proof of mailing), or by personal service, at least fourteen (14) days prior to such hearing.

JOHN W. CONLIN,
Judge of Probate

HB-504

MORTGAGE FORECLOSURE SALE

Default having been made in the terms and conditions of a certain mortgage containing therein a power of sale made by Marion Elder Sauders and CAROL A. SAUNDERS, his wife, of the City of Ann Arbor, Washtenaw County, Michigan, Mortgagors, to Michigan Mortgage Corporation, a Michigan Corporation, Mortgagee, dated the 7th day of November, A.D. 1960, and recorded in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan, on the 14th day of November, A.D. 1960, in Liber 931 of Washtenaw County Records, on page 9, which said mortgage was thereafter on, to-wit the 14th day of November, A.D. 1960, assigned to Federal National Mortgage Association, a National Mortgage Association and recorded on November 14, 1960 in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan in Liber 931, Page 13 of Washtenaw County Records, which said mortgage was thereafter on, to-wit January 20, 1961 assigned to Michigan Mortgage Corporation, a Michigan Corporation, and recorded on February 2, 1961 in the office of Register of Deeds for said County of Washtenaw in Liber 939 of Washtenaw County Records, on page 106 which said mortgage was thereafter on, to-wit February 1, 1961 assigned to West Side Federal Savings and Loan Association, New York, N. Y. and recorded in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan on February 2, 1961 in Liber 939, page 110, Washtenaw County Records, which said mortgage was thereafter on, to-wit March 10, 1961 assigned to Michigan Mortgage Corporation, a Michigan Corporation, Detroit, Michigan and recorded on March 17, 1961 in the office of the Register of Deeds, for the County of Washtenaw and State of Michigan in Liber 948, Page 108, Washtenaw County Records, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Thirteen Thousand Three Hundred and Ninety-Eight Dollars and Sixty-Eight Cents ($13,398.68)

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof. Now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Friday, the 21st day of July, A.D. 1961, at 10:00 o'clock A.M. Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the west entrance to the Washtenaw County Building in the City of Ann Arbor, Washtenaw County, Michigan (that being the building where the Circuit Court for the County of Washtenaw County is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon as provided in said mortgage and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, necessary to protect its interest in the premises. Which said premises are described as follows: All that certain piece or parcel of land situate in the Township of Ypsilanti, in the County of Washtenaw, and State of Michigan and described as follows, to-wit:

NO MISSILE GAP

The new top Pentagon command has concluded that the United States and Russia have equal missile strength.

This finding — that there is no "missile gap" favoring the Soviet Union at present — is based on a swift but careful investigation ordered by President Kennedy.

JCC Auxiliary Holds Barbecue Tuesday Evening

Chelsea JCC Auxiliary held an outdoor barbecue Tuesday evening at the home of Mrs. Eugene Shoemaker with Mrs. Charles Gelman as co-hostess. There were 12 members present.

Plans were made for the group's community service project of collecting used toys to be repaired and then donated to Chelsea Social Service to make Christmas happier for area youngsters.

Mrs. Ronald Brinham, Mrs. Richard Salonen and Mrs. Charles Gelman are the committee in charge and people who have toys to contribute for the project may contact them for pick-up.

A report of the state Jaycee meeting at Lansing was given by Mrs. Merle Leach. Among those from Chelsea who attended the state meeting are Mr. and Mrs. Louis Dreyer, Mr. and Mrs. Elton Guenther and Mr. and Mrs. Daniel Maroney.

Also at the meeting were Mr. and Mrs. Robert Vanderkelen, formerly of Chelsea, who now live at Lansing.

Correspondence at Tuesday's meeting included information that Camp Crile for Epileptic Children on Joslin Lake Rd., in which the Auxiliary has interested itself, is in need of a number of items which might be supplied through donations of used articles by Chelsea area people. The Auxiliary lists some of the needed desirable items as follows: foam rubber pillows, dark single blankets, games, ball equipment, silverware, dining room chairs, lawn furniture, croquet sets, records, books, TV and HiFi sets, freezer, power mower.

Following the business session, the Auxiliary president, Mrs. George Ellenwood, was honored at a stork shower. The affair was arranged as a surprise by Mrs. Elton Guenther, Mrs. Merle Leach and Mrs. Blaine Lyle.

The next Auxiliary meeting is to be held June 13 with JCC Auxiliaries of Ann Arbor and Ypsilanti invited to be guests of the Chelsea group.

175 Attend St. Paul's Mother-Daughter Banquet Friday

Approximately 175 mothers and daughters attended a banquet in their honor at St. Paul's church hall Friday evening.

Each mother present received gladioli bulbs as a gift and children's places were marked with all-day suckers.

The pot-luck dinner was served by Mrs. Theodore Faist and Mrs. Lawrence Dietle, assisted by a group of girls—Jane Faist, Susie Schroen, Kay and Karen Buss, Linda Blaess and Linda Meehan. Mrs. Faist and Mrs. Dietle took over in the dining room at the last moment after previously appointed chairmen were unexpectedly called out of town.

Mrs. Herbert Paul was chairman of the kitchen committee and Morning Circle of the Women's Guild was responsible for the program.

Laurelyn Johnson gave the opening prayer and, following the dinner, Mrs. Elmer Mayer presided as mistress of ceremonies for the program as follows: community singing, led by Mrs. Bruce Peabody; Tribute to Mothers, Lucinda Schumm; Tribute to Daughters, Mrs. Fred Schumm; vocal selections, "Whisper a Prayer in the Morning" and an encore number by Susie Blaess, Laurel Lancaster, Jill Flintoft and LuAnn Strieter; closing prayer, Mrs. Paul Schnake.

Mrs. Lloyd Alban served as piano accompanist for all musical numbers.

CHAT 'n' SEAU

Chat 'n' Seau, with 15 members present, met Tuesday evening at the home of Mrs. Darwin Downer with Mrs. Ben Widmayer as co-hostess. Mrs. Widmayer, as vice-president, presided at the business session in the absence of the president, Mrs. Rex Miller.

The devotional service, presented by Mrs. Clara Hutzel, included verses entitled "One Day Only."

A slate of officers for the coming year, presented by the nominating committee and unanimously accepted includes Mrs. Lucile Olson, president; Mrs. M. W. McClure, vice-president; and Mrs. Walter Pielemeier, secretary-treasurer.

Birthday Party At Methodist Home Will Honor 11

Tomorrow, May 19, a group of 11 women who reside at the Methodist Home and whose birthdays occur in May, will be honored at the customary monthly birthday party.

Among these is 93-year-old Mrs. Ida Hempstead who has been a Home resident for more than 20 years and is the senior resident in point of years she has lived there. She came to the Home from Flint.

Others to be honored are Mrs. Mae Russell, Mrs. Grace McCartney, Mrs. Julia Chase, Mrs. Elsie Folwell, Mrs. Anna Sturtevant, Mrs. Virginia Snavely, Mrs. Mary McKillop, Mrs. Florence Sowers, Mrs. Mary Haselschwerdt and Mrs. Edith Schultz.

Tulips and other spring flowers will be used for the birthday table centerpiece and each of the honored ladies is to receive a gift from the Chelsea Home Friends of the Detroit Conference of the Methodist Church.

Mrs. George Muehlig of Ann Arbor, has indicated that she will try to be at the Home Friday to play her accordion during the birthday celebration.

CHELSEA VILLAGE COUNCIL PROCEEDINGS

May 2, 1961

Regular Session.

This meeting was called to order by Pres. Daniels at 8:00 p.m. Invocation by the Rev. Philip Rusten of the Congregational Church. Trustees present: Baldwin, Chandler, Lixey, Clark, and Paul. Trustee absent: Barr.

The minutes of the Regular Session of April 18, 1961 were read and approved.

A discussion was held with Mr. Charles Miller regarding the approved floridation of the Village water supply.

A lengthy discussion was held with Mr. Robert Wilging of Finkbeiner, Pettis and Strout regarding the sewage lift station to be located at the south boundary of the Village.

A discussion was held with several Village residents regarding the possible annexation of a parcel of land located to the south and also to the west of the present corporation limits. Cost of necessary sanitary sewer lines to serve these particular areas was discussed. Mr. Wilging was instructed to submit to the Village clerk as soon as possible some definite cost figures. No official action at this time.

Motion by Paul, supported by Clark, to pay $25.00 as the Village's full share of the cost of three-strand barb wire fence to be constructed on the north property line adjacent to the well houses. This sum to be paid from the Water Improvement Fund. Yeas: Paul Clark, and Baldwin. Nays: Lixey and Chandler. Motion carried.

Motion by Lixey, supported by Clark to authorize the clerk to advertise for bids for the construction of curb, gutter, and sidewalk. Roll call: Yeas all. Motion carried.

Motion by Paul, supported by Clark, that the request of the VFW and the American Legion Auxiliaries to sell poppies on Friday May 26, 1961 be approved. Roll call: Yeas all. Motion carried.

Motion by Chandler, srpported by Lixey to authorize and direct the clerk to issue checks in payment of the bills submitted: General Fund, $3,042.77.

Motion by Baldwin, supported by Chandler to adjourn the meeting. Roll call: Yeas all. Motion carried.

Meeting adjourned.

Approved: May 6, 1961.

Robert L. Daniels, President
George L. Winans, Clerk

MERKEL BROS.

Club and Social Activities

SUBURBAN MOTHERS

Hostesses for the May 11 meeting of Suburban Mothers Child Study club were Mrs. Robert Eisele, Mrs. Norman Houk and Mrs. Philip Brier. The meeting was held at the home of Mrs. Eisele.

Annual reports were given by chairmen of the past year and suggestions were made for the coming year's program.

Plans also were completed for the annual spring dinner and installation of new officers at a meeting scheduled for May 25 at Portage Lake.

REBEKAH FAMILY NIGHT

Seventy members attended a Rebekah Lodge family night pot-luck supper Tuesday evening, May 9, at the IOOF Hall as an observance of Mother's Day. Included in the number were lodge members, their families and guests.

"Litany for a Mother on a Rainy Day" was read by Mrs. Vernon Parks to open the program during which potted plants were awarded as prizes to the following mothers—Mrs. Russell Feldkamp, Mrs. Donley Boyer, Mrs. Robert Hoebrein and Mrs. Clarence Lake.

Also presented with plants were Mrs. Donovan Sweeny and Mrs. Lawrence McDonald "for tireless efforts in preparing all the fried chicken, home-made biscuits, mashed potatoes and gravy for the occasion."

Mrs. McDonald also received a vase of cut flowers in observance of her birthday which occurred that day.

The evening's program was concluded with color movies and slide pictures shown by Donley Boyer.

JERUSALEM FARM BUREAU

Jerusalem Farm Bureau added the Leo Hellners as a new family group member at Thursday's regular meeting bringing total membership to 15 families.

Thursday's meeting was held at the home of Mr. and Mrs. Oscar Sierls with 13 families present.

Chairman Irven Weiss presided and invited the group to meet at the Weiss home for the June 8 meeting.

Arthur Kuhl gave the minuteman report and Dave Pastor led the evening's discussion on the topic "New Developments in the Sale Tax Picture."

ESTHER CHAPTER

Esther Chapter of the Women's Fellowship of the Congregational church met Thursday evening at the home of Mrs. Max Hepburn. Co-hostesses were Mrs. Paul Belser and Mrs. Harold Gracey. There were 18 members present.

Mrs. George Marshall presented the devotional service and Mrs. Lee Ferguson was in charge of the program which stressed the Mother's Day theme.

Mrs. Ferguson gave a short resume of women of the Bible spanning the period from Eve to Mary, the Mother of Jesus.

The program was concluded with piano selections by Cynthia Hepburn.

The chapter has been invited to meet Thursday evening, June 8 at the North Lake cottage of Mrs. Clarence Vogel for a pot-luck picnic supper. Members who wish may spend the afternoon at the cottage and remain for the evening meeting.

LIMA-SCIO COOKS

Lima-Scio Cooks 4-H club held the first meeting of the season Saturday, May 13, at the home of Mrs. Harold Sias.

Officers were elected as follows: Velma Wiseman, president; Laurie Reddeman, vice-president; Judy Bateson, secretary; Judy Wiseman, treasurer; Barbara Feldkamp and Arlys Wiseman, reporters.

The program for the year was planned and announcement was made that the next meeting will be held June 13, at 7 p.m., at the home of Linda and Sylvia Schneider.

Refreshments were sereved by the hostess at the close of the meeting.

Chelsea Suburbanites Name Mrs. M. Leach To Head Club

Chelsea Suburbanettes Extension club held a regular meeting Thursday evening at the home of Mrs. Walter Beuerle with 10 members present. Mrs. James Robards assisted as co-hostess.

Ten members attended the meeting and Mrs. George Merkel was accepted as a new member of the group.

New officers elected for the coming year are Mrs. Melvin Leach, chairman; Mrs. John Laraway, vice-chairman; Mrs. John Schittenhelm, secretary; Mrs. Earl Kuhl, reporter; and Mrs. Keith Schuelke and Mrs. Frank Sweeny, community co-chairmen.

The final meeting of the current year will be the annual spring dinner to be held Thursday, June 8, at Jackson.

At the May meeting, a quantity of toys were contributed to be given to children's wards in area hospitals.

Lynda Mayer Is Honor Guest at Shower

Lynda Mayer was guest of honor Saturday evening at a miscellaneous bridal shower held at the home of Mr. and Mrs. Henry Karner at Cavanaugh Lake.

Hostesses were Miss Mayer's roommates at the University of Michigan, Mary Kay Spadafore and Carolyn Beall, and the Karners' daughter, Sandra.

An orchid and white color scheme was carried out in the table appointments.

Miss Mayer's marriage to Jack Cattell is to be an event of June 24.

SOUTH SYLVAN EXTENSION

South Sylvan Extension club met Thursday at 1:30 p.m. for an afternoon meeting. Following the business session the nine members and three guests present worked on preparation of cancer dressings.

The meeting was held at the home of Mrs. Everett Van Riper.

Refreshments were served by Mrs. Van Riper and her co-hostess, Mrs. William Pritchard.

Miss Martha Bristle will be the hostess for the June 15 meeting. That meeting will include a pot-luck dinner and each member is to bring the same dish as she brought to the April meeting and include the recipe for it.

CHELSEA COMMUNITY FARM BUREAU

Friday evening, the Walter Bauers and Edson Whitakers were hosts for the Chelsea Community Farm Bureau meeting held at the IOOF Hall.

Clifford Heydlauff, assistant chairman, presided at the meeting; Mrs. J. V. Burg, I, gave a package report; and J. P. Cook reported on a Farm Bureau film on Communism.

Prizewinners in euchre during a social hour following the business session were Mrs. J. P. Cook and Roy Kalmbach, high; J. P. Cook, traveling award; and Mrs. Dorr Whitaker and Allen Broesamle, consolation awards.

The Paul Kalmbachs and Emerson Lesser were hosts for the Apr. 14 meeting, it was reported.

Chairman Reuben Lesser, Sr., presided at the business session; the package report was given by Mrs. Burg; and a report of the Women's Committee was presented by Mrs. Calvin Clark.

Prizes in euchre at the April meeting went to Mrs. Burg, Floyd Darby, Mrs. Roy Kalmbach and Allen Broesamle.

Stapish-O'Dell Vows Spoken Saturday

Margaret Stapish, daughter of Mrs. Marjorie Stapish and the late Clarence Stapish, and Donald O'Dell, son of Mr. and Mrs. William O'Dell, were married Saturday morning, May 13, at Angola, Ind., the bride's mother has announced.

The bride is a 1957 graduate of Chelsea High school and is employed at Chelsea State Bank, while the bridegroom, a 1951 Chelsea High school graduate, is a tool and die maker at the Bendix Corp., Ann Arbor.

Mr. and Mrs. O'Dell are at home at 233 Jefferson St.

ROGERS CORNERS HERDSMAN

The Rogers Corners Herdsman held a meeting May 11 at the Chelsea Fairgrounds. Bob Musolf announced that he was going to take over a horse division in the club. He also said there would be a baseball practice May 22 at 2 p.m. at Chelsea High school. Bill Lutz, a long-time 4-H member, talked to the club about livestock judging and encouraged participation. The refreshment committee for the next meeting was chosen: Stan Dyer, chairman; Cheryl Grau, Susan Grau, Keith Haab, Dick Haist and Jim Hartman. The next meeting will be June 8, place to be announced.

Bev Windell, reporter.

Trade-at-home is a good policy to follow if for no other reason than one gets his business at home.

May Crowning Ceremony Held at St. Mary Church

May crowning ceremonies took place at St. Mary Church Monday evening, May 1. The statue of the Blessed Virgin was placed on the altar which was banked with palms, forsythia and white stock.

Penelope Murphy, daughter of Mr. and Mrs. Thomas Murphy of 330 W. Middle St., was elected May Queen by her eighth grade classmates. She was escorted into the church by the children of the fifth, sixth, seventh and eighth grades, also by the girls of the Young Ladies Sodality.

Amid the singing of May hymns, the Blessed Mother was crowned as Queen of May. Following the crowning, a brief talk was given on the significance of the crowning during the month of May, by the Rev. Fr. Francis Maliszewski, acting pastor of St. Mary church. This was followed by Benediction of Blessed Sacrament.

Others in the Queen's court were Rebecca Birch, Katherine Eder, Douglas Rowe, and James Patterson. Train bearers were Mark and Michael Thompson and crown bearer was Mary Lou McClear.

Mother-Daughter Banquet Held at Unadilla Church

The 13th annual Mother and Daughter banquet was held at the Unadilla Memorial Hall Saturday evening with 96 in attendance. The men served a delicious turkey dinner at 7 o'clock.

The program was under the direction of Mrs. Beatrice Corsen and opened with group singing of "Faith of our Mothers." Gifts were presented to the oldest mother, the youngest mother, the newest mother and the mother who had traveled the greatest distance to attend.

Mrs. Winona Pickett presided as toastmistress and gave a welcome to the mothers. She also gave an interesting and informative talk on how Mother's Day originated. The idea for it was conceived by a Methodist Sunday School teacher in 1876 but it was not until after her death many years later that her daughter, Miss Anna Jarvis, arranged for the first Mother's Day observance the second Sunday in May 1907, in Grafton, W. Va. The next year it was also celebrated in Philadelphia. Each year it spread to more and more states and a few foreign countries and in 1914 President Wilson proclaimed the second Sunday in May as Mother's Day. From the beginning the then lowly carnation was designated as the flower of the day and has remained so ever since.

Miss Barbara Prater gave the Toast to the Mothers and Mrs. Dorothe Maschke the Toast to the Daughters.

Mrs. Kathleen Lowry of Detroit was the special speaker for the evening. She gave a very interesting talk on conservation of our natural beauty spots not only in Michigan but in the United States. She urged that everyone write their congressman asking for the passage of the Shore Line bill to insure preservation of five major areas. She also showed beautiful color slides of Michigan scenery and wildlife, as well as many close-ups of wild flowers in our state. The latter brought out the beauty of the desirable dandelion and milkweed and called attention to many little known wild flowers that we consider only as nuisances.

Mrs. Corser closed the program by giving a response to the welcome and everyone joined in repeating the Lord's Prayer.

WOMAN'S RELIEF CORPS

Woman's Relief Corps members met Monday evening at the home of Mrs. Howard Walz, with Mrs. Ruth Chriswell as co-hostess. There were 15 members present.

Mrs. Winifred Coffron, president of the group, presided at the business session when it was announced that the group's project of accumulating a supply of sewing materials for the Grand Rapids Facility for Women would be extended another month. Contributions of embroidery floss, knitting yarn, fancy buttons, material for aprons and similar items are welcomed for this project to assist with the work of the facility.

Mrs. Coffron also announced that the June 19 meeting will be held at the home of Mrs. Addie Fitzmier.

During a social hour which followed, prizes were awarded to Mrs. Lucile Olson, Mrs. Harold Knott and Mrs. Minnie Scripter.

Birthdays of four members were given recognition—Mrs. Margaret Gilbert, Miss Nina Greening, Mrs. Joseph Laban and Mrs. Watson Hart.

In June, two birthdays will be observed.

Mother-Daughter Banquet Held by St. Thomas Church

Fifty-five mothers and daughters of St. Thomas Lutheran church attended a banquet in their honor held Wednesday eveing, May 10, at Maple Grove Community Center.

General chairman for the event was Mrs. Harry Shuey.

Six men of the church served at the banquet—Harry Shuey, Fred Hieber, Clarence Schneider, Waldemar Haab, Raymond Egeler and Norman Houk.

The program included recitations and songs by the younger children and also group singing.

A toast to mothers was given by Mrs. Eldean Boelter and a toast to daughters by her mother-in-law, Mrs. Herman Boelter.

Gifts of plants were presented to Mrs. Lillian Dieterle as the oldest mother present; Mrs. Norman Houk, the youngest mother; and Mrs. Euna Zahn and Mrs. Erwin Haab who tied for the honor of being present with the most daughters (four each).

Legion Auxiliary Holds Mother-Daughter Banquet

Present Wednesday evening for the annual Mother-Daughter banquet of Herbert J. McKune Unit No. 31, American Legion Auxiliary, were 54 women and girls. The banquet, which opened with a pot-luck meal, was held at the Legion Home.

The program included the customary toasts to mothers and daughters, given by Jean Parker and her mother, Mrs. Sylvester Parker; a recitation "A Mother's Kiss," by Rhonda Kern; and a medley of Mother's Day songs played on the piano by Mrs. Linda Greenwood.

Flowers were presented to Mrs. J. V. Burg, I, and Mrs. Betty Stofer as the oldest and youngest mothers present.

Mrs. Burg was also honored as the mother present with the greatest number of daughters. Four of her daughters were with her.

Emanuel Eisemanns Honored Tuesday on 25th Anniversary

Friends and relatives of Mr. and Mrs. Emanuel Eisemann remembered them with a card shower in observance of their 25th wedding anniversary, Tuesday, May 16.

Members of their family and others called at their home, 820 East St., during the day to offer congratulations and best wishes. They were also presented with a number of gifts.

Their family includes five sons and a daughter, Roy and Harold Hanselman and Waldo, William and Norman Eisemnn and Mrs. Alvin Vail.

There is no reason in the world why an automobile driver cannot exhibit courtesy on the highways.

93RD BIRTHDAY—Mrs. Caroline Eschelbach is shown in the photo with a number of gifts she received as mementos of her 93rd birthday, Thursday, May 11. Standing beside her are two of her daughters, Miss Clara Eschelbach (left) and Mrs. Gottlieb Horning.

* * * * * * *

Mrs. Lewis Eschelbach Observes 93rd Birthday

Mrs. Lewis Eschelbach observed her 93rd birthday Thursday at the home of Mr. and Mrs. Garnett Weir where she has been cared for the past year. She is in bed most of the time but sits up in a chair for a short time almost every day.

She was up Thursday afternoon for the birthday party arranged by Mrs. Weir who had invited Mrs Eschelbach's daughters and granddaughters to share her birthday cake and ice cream.

One of the daughters, Mrs. Fred Feuerbacher (Amanda) of Manchester, was ill and unable to attend. The daughters present are Miss Clara Eschelbach and Mrs. Gottlieb Horning (Bertha).

Others present included three granddaughters, Mrs. Paul Eiseman, Mrs. Robert Steele and Mrs. George Pickell; a son-in-law, Gottlieb Horning; two daughters-in-law, Mrs. Albert Eschelbach of Scio township and Mrs. Alfred Eschelbach of Ann Arbor; and a friend and neighbor, Mrs. Blanche Barkley.

Mrs. Eschelbach, the former Caroline Hinderer, is a life-long area resident and member of Zion Lutheran church. Her pastor, the Rev. C. J. Renner, also called Thursday afternoon to extend good wishes.

Born May 11, 1868, in Freedom township, she is a daughter of the late Michael and Barbara Haist Hinderer and was married in October, 1884, to Lewis Eschelbach. They moved from their farm to a home on Washington street 40 years ago and Mrs. Eschelbach remained there until five years ago with her daughter, Clara. Before going to the Weir home a year ago she had been with a son, Rudolph, and with her daughters.

Her husband died in 1943.

In addition to the three daughters, Mrs. Eschelbach has four sons, Rudolph and Alvin of Chelsea, Albert of Scio township, and Alfred of Ann Arbor. She also has 12 grandchildren and 23 great-grandchildren.

In observance of her birthday, Mrs. Eschelbach received a plant, many cards and a number of gifts.

The birthday cake served at the party was trimmed with yellow roses.

Mrs. Weir was assisted at the party by her daughters, Mrs. Douglas Egeler of Dexter and Mrs. Floyd Riethmiller of Waterloo.

A little bit of work is often more irksome than a larger task.

First Communion Received by 41 at St. Mary Church

Announcement was made this week that 41 children of St. Mary's parish received their First Holy Communion on Sunday April 30, at the 9 o'clock Mass. The High Mass was celebrated by the Rev. Fr. Francis Maliszewski.

The following children received the sacrament: Judy Amstutz, Stephen Fitzsimmons, Loralynn Grammatico, Arthur Grissom, Philip Klink, Christopher Marzec, Jack McClear, Brenda McGibney, Glenn Miller, Debra Paul, Daniel Spaulding, Armando Trevino, David West, Richard Westcott, Nancy Young, John Bassett, Mark Blough, John Dettling, Jill Lantis, David Merkel, Douglas Turner.

The list continues with John Bennett, Bruce Clark, Priscila Cole, Donald Dorer, Mary Kay Gaken, Kathryn Hafner, Lynn Houle, Patrice Laraway, Mary Lu McClear, John Merkel, Larry Merkel, Jeanette Newcome, Michael O'Doherty, Tina Ortbring, Patrick Quigg, Vaughn Rosebush, Ann Thomson, Susan Warywoda, Joan Yocum and Dennis Veine.

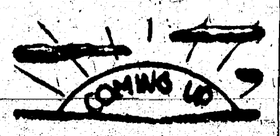
The Hi-Light

Edited by Students of the Chelsea High School Journalism Club

Co-Editors
Barbara Irwin - Nancy McCalla



Last week the Seniors received their graduation annoncements and name cards. As usual the Seniors have been trading name cards with each other as well as giving them to the underclassmen.

The Senior English classes under Mrs. LaGoe have been studying the works of Thomas Hardy and Rudyard Kipling. A test was given on the Victorian Age and although the test as a whole was fairly good, many students are bearing down on their studies to get a better grade on the next test.

Economic class have been studying the unit of exchange, which includes the business cycles, speculation of stocks and bonds and all types of markets, also the different types of trade; domestic and foreign.

Mr. LaGoe's Junior English classes have just concluded studying the literature of the following authors: Washington Irving, William Cullen Bryant, Edgar Allen Poe, Nathaniel Hawthorne, and Herman Melville.

Sophomore English classes have finished the study of mytnology and are now studying essays.

The First Annual Home Economics Open House was held Wednesday May 10, under the direction of Mrs. Beverly Straker. A fashion show, in which the clothing of the students were exhibited, was led by announcers Carol Reddeman and Carolyn Bareis. Demonstrations of the kitchen appliances and the sewing machine were given. Frances Reed and Judy Summers gave their dmonstration on the Nu-tone appliance center. Ann Schmunk demonstrated the electric mixer. Donna Sherman gave a demonstration of zigzag sewing. A demonstration on removing stains was given by Judy Patrick, Mary Jane Brown and Glenda Packard. FHA served refreshments of punch and brownies.

Mr. Steve Hayden's physical science classes have been studying elements and compounds and the different structures of the atoms.

Art I Classes have been making drawings of trees and buildings. First they are to make a life-like drawing then an abstract.

Members of the FHA club recently elected officers. Donna Schiller was elected president. Vice-president is Jeanene Rowe, secretary is Carol Lawson. The treasurer will be elected at a later date.

Mr. Smith's Latin II classes have been translating Julius Caesar's war commentaries and have all been listening to the original translations on a tape.

Latin I has been studying the comparison of adjectives and have been translating short exercises in the book.

Final plans for the Roman Banquet May 16, have been completed by the Latin club. They have also started to make plans for a picnic before the end of the school year.

Richard Haist and Albert Schauer, past president and vice-president of the Chelsea High Student Council, were elected again this year for the same offices. Their adversaries, Paula Romine and Barb Wenk from the Sophomore class, proved worthy opponents for the again victorious Juniors. On Tuesday, May 9, the candidates gave their campaign speeches at an all-high assembly. The votes were cast on Wednesday, May 10. To be eligible as a candidate, each must have a petition signed by 25 per cent of the student body.

Junior Class Committees for the 1961 Junior-Senior Prom and Banquet are working hard on arrangements. It was decided at the last meeting of the class that their president, James Maynard, will give the welcome and vice-president, Don Atkinson will serve as toastmaster. Dan Mayer, president of the senior class, was asked to give the return address. Invitations have been sent out to all seniors. Prom programs have been ordered. Mothers of the juniors are busy planning the preparation of the dinner. A band has been contracted. Mr. George Prinzing graciously offered to set up a P.A. system for the evening's ceremony and entertainment.

Tryouts for the 1961-62 varsity and JV cheerleaders were held Monday, May 8. Varsity squad is as follows: Ruth Sexton, Barb Irwin, Margo Murphy, Judy Weinkauf, Sandy Sharrard, Rayma Smith with Diane Edwards as substitute. JV tryouts are as follows: Linda Meehan, Penny Murphy, Marie Pattarozi, Ellen Eckhardt, Pam Kushmaul, Sandy Gieske with Audrey Hayes as substitute.

GAA club recently held a fun-night. The fun-night, held in the gymnasium, featured sports of all kinds, Refreshments were served later.

Chemistry classes have just finished the study of organic chemistry and have now started the study of radioactivity and Einstein's theory on matter and nuclear energy.

Chelsea sponsored the first annual Huron Valley Choir Festival May 9. Schools present other than Chelsea were Dexter, Manchester, Lincoln, U-High, and Saline. Each of the directors then directed the choirs in mass for a particular number. Guest conducted Mr. Morgan from the Eastern Michigan University department also led the mass choir in a number he wrote, "God is the Light of the World."

The Advanced Algebra class has been studying logarithms, the basis of most higher math. The system, being based on the number 10, is quite different from previously studied systems.

Chelsea High's Future Nurses' Club met during activity period Wednesday, May 3, the Club members voted to pay half of the cost of their club members' pins so as to leave some money in the treasury for next years' club. The pins were ordered and should arrive in time for the awards assembly program to be held on May 20.

As a general rule, the farmer's share of the food dollar declines as the amount of processing increases. Not so for oranges. The grove owner receives 32 cents of the dollar spent on fresh oranges, 38 cents of the dollar for canned orange juice, and 43 cents of that for frozen orange juice concentrate.

CHS HONORS ASSEMBLY was held Wednesday afternoon, May 3, recognizing students who received a "B" average, or better, for the first semester or the fourth or fifth marking period. Ninth and tenth grade students honored, shown in the above photo are, front row, from left: Curtis Farley*, Barbara Wenk*, Sandy Sharrard*, Wendy Gilbert*, Gloria Heydlauff*, Carol Mayer*, and Susan Schroen*. In the second row: Dr. John B. Mader, director of special education for the Washtenaw county Board of Education, who spoke at the assembly program, Kenneth Bollinger, DoniJo Boyer, Catherine Wengren, Marjorie Bauer, Dorothy Martin, Nancy Fairbrother, Carol McCalla, Virginia LeVan, Linda Killham, Rosemarie Porter, Donna Brand, Rose Ann Zahn, Evelyn Rothfuss, Cristine Tarasow, David Winans and High School Principal Charles Lane. In the third row, from left, are David Runciman, Dianne Edwards, Margaret Bauer, Dorothy DeFant, Jean Pajot, Elaine Eder, Drusilla Picklesimer, Janice Wood, Pam Kushmaul, Marie Pattarozi, Linda Blaess, Frances Shepherd, Diana Snyder, Gayle Schaules, Kathryn White. In the fourth row, from left, are Nancy Huelsberg, Keith Haab, David Kealy, Douglas Sprague, Gary Carr, Jack Howard, Victor Parks, Michael Hitchingham, William Allan, Tom Eisenbeiser, Don Brooks, Marilyn Smith, Connie Scripter, Joyce Colvin, Karen Buss and Patsy Hageman. Not present for the assembly were Kay Buss, ninth grade, and Judy Miller, 10th grade. (*Indicates all "A" students.) The photograph, as originally published in the May 11 issue of The Standard, omitted the third row of students in making identifications, also, Nancy Fairbrother's name was omitted and the name of Janet Forner, incorrectly substituted in the original list.

Third Grade Class From Redford School Visits Meyers Farm

Mrs. Robert Meyers of 11497 Hadley Rd., was hostess Tuesday to approximately 85 third graders and adults, including several nuns who are third grade teachers at St. Mary's school at Redford, known as Lady Queen of Hope parish.

The visit to the farm was a field trip arranged by the nuns with the assistance of parents of the third graders who provided transportation and acted as chaperones. The group made the trip in cavalcade style, with 35 cars participating.

Kevin Kenney, a nephew of Mrs. Meyers, is one of the third grade pupils at the Redford school. He has visited the Meyers farm frequently and on his return to school had so many interesting stories to tell about everything he saw that the nuns finally decided on the field trip to give all the students an opportunity to visit the farm. Many had never been on a farm before and the day in the country was a rare treat for them.

JOB BENEFIT COSTS

The cost of the emergency extra unemployment benefits proposed by President Kennedy could climb to $61,000,000,000.

The total would depend on how high unemployment remains, and on the number of states voluntarily subscribing to the plan once it may be authorized by Congress.

BPS
YACHT FINISHES AND MARINE PAINTS

BPS Yacht Finishes and Marine Paints withstand the most vigorous action of water, wind and wear, and are far more durable than the ordinary marine finishes now in use. The new alkyd base formulation is your assurance of a better finish.

Esteron 99 STOPS WEEDS ...saves moisture and fertility in corn, small grains and pastures

Troublesome weeds can rob your growing crops of needed moisture and soil fertility. Now, you can stop this loss in your corn, small grains and pastures with Esteron 99* . . . a versatile, easy-to-use 2,4-D that's more effective than old-fashioned materials . . . kills a wide range of tough broadleaf weeds easily and effectively. Discover for yourself why more farmers use Esteron 99 than any other brand of 2,4-D. See us today.
