The neighbors all said fur him to go to Glazier's; he had the best stock and didn't have but one price on em. Common feller could buy a watch of him as cheap as the Prince of Wales, 'n he warrants em, 'n stays by em like er pig to a root, to see that they give satisfaction, 'n he guessed he'd take that huntin case stem winder with that sand-hill crane wader in a puddle of bullrushes. We'll he took it and saved enough on the price over what he expected; so that while I fitted the movement in the case he went out and got him a good pair of shoes.
