### Memorial Day.

Last Friday was a day of mourning throughout the entire nation; a day set apart in memory of those brave comrades who endured hardships untold on the field of battle in defense of their homes and the rights of the nation, who, with knapsack and gun marched bravely to the front, day after day, with noble heroism, and fought side by side for the freedom and independence of a fettered and enslaved race of fellow beings; who with set teeth, month after month, uncomplainingly bore starvation and tortures in a thousand forms, and yet fearlessly faced death, finally dying on the battle-field, amid sights insufferable, and torture excruciating. Sacred be their memory. Peace to their souls.

On Friday surviving comrades throughout the country tenderly honored the memory of the country's martyrs, and placed flowers on the graves of the dead heroes. The nation joined in the services, and the day was one of mourning.

The day passed off very pleasantly in Chelsea, the weather being very fine.

OUR HOME CYCLOPEDIA is a large book, 6 1/2 inches wide by 8 1/2 inches in length, and 1 1/2 inches thick. Over 1500 choice and tried recipes are found in this book. Many of them have been obtained at a large expense to the publishers, some costing twice the price of the book. There are no recipes in the book that have not been thoroughly tested and found the best. Economy has been observed as far as is consistent with well cooked and healthful dishes. In fact, the book is the result of intelligent and careful work of years.

CONVENIENT ARRANGEMENT. The arrangement of this book is entirely original and the most convenient of any published. The subjects being in alphabetical order throughout the book, one has only to follow the headlines to find any subject desired, thus saving much valuable time to the housekeeper. Unlike most books, the leaves are broad, and when open will not close of itself, obviating the necessity of frequent opening.

We give this book to our Customers. Ask for a card that will entitle you to a copy.

Dick Barton has broken loose from Unadilla environments, and is making good progress in his maiden efforts at sheep shearing at O. S. Hadley's.

A short time ago some villains cut off the tail of one of Lewis Hadley's heifers and then drove several of his stock over into Unadilla and turned them in the road near Daniel Chapman's. This scheme to mislead suspicion did not work as they were overhauled soon after turned in the road. Why do people carry trapping hatchets this time of year?

## Unadilla Items.

Mr. Jno. Fulmer is rapidly failing with dropsical affection.

Lyman Barton is improving a long neglected meadow field.

A few attended the memorial exercises at Stockbridge last Friday.

Charles Dyer, of Stockbridge, visited at L. Chalkers last Wednesday.

C. Hadley called on acquaintances in West Handy last Saturday and Sunday.

Daniel Barton attended the suit of Ryan vs. Kaiser at Pinckney this week Thursday.

It is expected that Mr. Fred Daniels will open a Patron store at Gregory in the near future.

There are a great many fishing parties going to and from the numerous lakes in this vicinity.

L. S. Chalker reports a very remarkable occurrence. He sat on the east veranda of his house and says he saw a hog climb an apple tree.

The team of some fishermen ran away Friday and broke the wagon tongue bringing up at the pioneer blacksmith shop just as though it was to be so.

## Notice.

All accounts due the undersigned not settled by June 15, will be placed in the hands of a collector.

**The Importance of a Healthy Liver.**  
When the liver is torpid its work goes on imperfectly. A mass of neglected material is piled up or gathered together in the state which the doctors call "congestion". Often this comes from material poisoning. At first the liver secretes too much bile. Then this surplus bile finds its way into the circulation, sometimes producing that muddy-yellow appearance of the skin and eyes called jaundice. Then the secretion of the bile becomes scanty, and physical pain and mental trouble follow. All these symptoms show the importance of a healthy liver to perfect health. Brooks' Kidney and Liver Syrup is a combination for the regulation of the liver and its attendant ills, and a few doses will readily excite the liver into its natural and healthy action.

**BROOKS' KIDNEY AND LIVER SYRUP.**  
A mild medicine and at the same time prompt and active, has a wonderful effect in restoring the liver to a normal and establishing a regular and natural action of the bowels.

**UNSUSPECTED KIDNEY DISEASE.**  
People suffer from the effects of kidney disease, which is unsuspected because the kidney itself may be far gone with disease and yet give the patient no pain. Beware! Take Brooks' Kidney and Liver Syrup in time and remove the cause of the evil. All druggists.
