General Manager Merrill of the Hawks & Angus line says: "So far as electric cars racing is concerned, that is absolutely out of the question. Those cars are geared to a maximum speed, and that is the speed our cars are always run on, unless slowing down for a curve or a danger point. The motorman cannot have them go faster if he desired. The cars would have to be re-gear'd at the shops before they could go faster. They are not like steam engines, where the engineer controls in his cab the maximum speed up to the limit of the locomotive."

After Rev. J. F. Wrong again, old man. Mr. Lewis came to Chelsea "in the dead of night" because he did not dare trust himself in Stockbridge after dark with that amount of money on his person.

The rural free delivery carriers, their friends and patrons will be deeply interested in a provision contained in the annual postoffice appropriation bill which will be reported to the house this week. It is a clause unanimously inserted by the committee on postoffice and post roads, putting the rural free delivery carriers on the contract system. It contemplates contracting for the delivery of mail in rural districts instead of continuing the carriers on the government pay roll as at present. Basing their recommendations upon the grounds of economy, the members of the postoffice committee of the house insist that mails can be as efficiently distributed by contract at less than under the present arrangement.

The entertainment at the opera house Friday and Saturday evenings as presented for the benefit of Chelsea High School Athletic Association, was a very successful affair. There were two comedies presented, "Captain Swell" and "Christmas Boxes." The Standard would be pleased to give a write-up of each of those taking part, but on account of lack of space cannot do so, but will say that each one filled his part to perfection. Those taking part were Floyd Ward, Henry Mullen, Erl Foster, Ralph Thatcher, Wirt McLaren, Misses Ethel and Mabel Bacon, Anna Lighthall and Zoe Be-Cole. The musical program was given by Messrs. T. S. Hughes, and Floyd Ward, and Miss Anna Lighthall. Garrett Conway, a young boy, also sang a couple of solos very acceptably. The Association will net a neat sum from the venture.

Resolutions.

Whereas, It has pleased Our Heavenly Father in His wisdom to remove from our midst one of the stars of our chapter and even in the valley of the shadow of death so suddenly to touch the slender thread of life and, lifting the veil of mystery from the future, let in the heavenly light to welcome our beloved sister, Mrs. Jas. McLaren sr., to her eternal home; therefore, be it

Resolved, That we, as members of Olive Chapter, No. 108, O. E. S., share with the bereaved husband, sons and daughters in this hour of sorrow and affliction, and express our sympathy with those who mourn.

Resolved, That these resolutions be entered upon the records of our chapter; that we drap our chapter in mourning for sixty days; that a copy of these resolutions be sent to the bereaved family and that they be published in our local papers.

Help... Nature

Babies and children need proper food, rarely ever medicine. If they do not thrive on their food something is wrong. They need a little help to get their digestive machinery working properly.

SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES OF LIME & SODA

will generally correct this difficulty.

If you will put from one-fourth to half a teaspoonful in baby's bottle three or four times a day you will soon see a marked improvement. For larger children, from half to a teaspoonful, according to age, dissolved in their milk, if you so desire, will very soon show its great nourishing power. If the mother's milk does not nourish the baby, she needs the emulsion. It will show an effect at once both upon mother and child.
