BILL BACON, Manager.

AS OTHERS SEE HIM.

The Detroit Evening News Throws the Searchlight on Senator Glazier.

The following article taken from the Detroit Evening News is from one of its best known staff correspondents. The politician who gave him some information contained in it is very evidently one who knows whereof he speaks and who has been in close touch with both Senator Glazier and Mr. Judson:

Chelsea, Mich., April 28.—A Republican politician of the Washtenaw-Jackson district, who has been in the game for quite a few years, and has a stack of money to show that things have been coming his way, gives the explanation of why Bill Judson and his former "angel," State Senator Frank P. Glazier, recently dissolved a long political alliance:

"Bill and Glazier were pals in politics in the Chelsea diggings before Bill got into the state game. They used to call Glazier 'the angel.' Maybe this wasn't fair. He is a tight proposition to shake coin out of at any stage of the political game, unless he is sure of getting some of the tricks for himself. Bill, they say, is the only man that's been able to do it. But, then, he used to regard Bill as one of the best that ever came down the pike at handling primaries and conventions. He inherited barrels of simoleons from his pop, and he has added other barrels. A bug began to grow in his head a year or so ago that it didn't look well for a gent with all his barrels to be playing second fiddle to a professional politician like Bill. However, not until he heard the returns on himself just after election last fall did he feel that Washtenaw wasn't big enough for two bosses as slick as Bill and himself.

"It was this way: Glazier trusted to Bill to carry Washtenaw county for him. Coin is necessary to accomplish results in a close district like this, and, as I get it, Glazier supplied Bill with the necessary. The early returns from Washtenaw and Jackson counties showed that Glazier was beaten. For 24 hours he was alternately sweating blood and growing red hair. He had carried Jackson all right enough, but Washtenaw, where he trusted his interests to Bill, went against him. To aggravate his condition he conceived a notion that Bill didn't spend the coin as he ought to have done, and about the same time he decided to begin the undoing of Bill. I understand that it will be a long time before he can be convinced that Bill didn't neglect him scandalously in the senatorial contest."

People, here at Chelsea, say that Senator Glazier learned all he knows about politics from Bill. He is spying Bill's methods, and although he poses as an aristocrat by reason of his money barrels as compared with Bill, his political methods do not smell any better, so they say, than the latter's. If he succeeds in undoing Bill, Washtenaw Republican politics may not be much improved. He wants to be a leader so bad that he can taste it. He has this advantage, however, that he is the owner of several banks and a stove factory, which gives him standing in commercial circles; and that, as one of his neighbors says, he is making more money every year than a grayhound can jump over. He is about 40 years old, short and fat, and if he doesn't strike out for the governorship, there is an impression here that he will try to get to congress.

Senator Glazier, however, has been a pretty small potato in the state senate. He belongs to the ring that rules there, and that is about all that can be said about him. He doesn't talk and he is never suspected of doing anything that would interest anybody. When a roll call is started he looks over towards Senators Doherty and Baird and Davy Burns and Doc Bingham and Brown, and observes how they vote. He can generally be depended on to vote as they do. Only two bills were introduced by him, one of these was to create four new political jobs. As a mixer he is a failure. The other senators don't warm up to him, and he doesn't try to do anything to encourage them. He holds the record for being absent more days than any member of either house. An examination of the senate journal for the session recently showed that he had answered but 11 roll calls since early in January.

The senator, however, has a pretty positive nature. No apprehension seems to exist that his machine will be burning for lack of the necessary grease if he gets control, and it won't surprise his neighbors, who are likewise old neighbors of Bill's, for the latter used to live here, if the senator soon has him on the run.

OPENING BASEBALL GAME.

The Ann Arbor Boys No Match for the Junior Stars.

A strong wind made it hard work for the batteries in the opening game of baseball of the season between the Junior Stars and the Ann Arbor Juniors Saturday afternoon. The game was played on last year's grounds on Wilkinson street as the K. P. park was a little too damp. The Ann Arbor boys were not in it with the husky Chelsea lads and only scored three lonely runs in the sixth, eighth and ninth innings. The Stars commenced to score from the first crack at the ball by Wirt McLaren which was a good two-bagger, and they kept it up to the end only missing one inning that they did not tally.

As Chandler Rogers came to bat in the first inning time was called and he was presented by H. W. Witherell, in a few well chosen words on behalf of the club and the many admirers of his good work in the pitcher's box last year, with a handsome bouquet of flowers.

The score below gives the story of the game:

Winters-Morrissey.

A very quiet but pretty wedding took place Tuesday morning at St. Mary's church, Rev. Fr. Considine officiating, Miss Susie Winters, of this place, being the bride, and Mr. Edward J. Morrissey, of Grand Rapids, the groom. Miss Tressa Winters acted as bridesmaid and Joseph Winters was the best man. Two fine solos were sung by Mr. Louis Burg, and Miss Mamie Clark rendered some beautiful music. A wedding breakfast was served at the home of Mr. and Mrs. Edward Winters. The happy couple left on the evening train for Grand Rapids where they will make their future home.

Those present from out of town were Mr. and Mrs. Albert Foster, of Mt. Pleasant, Mrs. Edward Cowlishaw and Miss Genevieve Morrissey, of Grand Rapids.

Levi VanHorn Committed Suicide.

Levi VanHorn, of Sylvan, who was a well known character in Chelsea on account of his drinking habits, committed suicide at his home seven miles southeast of Chelsea Saturday night after a drunken spree in Grass Lake. He came home with a bottle of laudanum and a bottle of whiskey and took some of both. Medical aid was summoned but he died Sunday morning at 3 o'clock. Some of the neighbors suspected foul play and sent for the sheriff but investigation showed it to be a case of suicide. He leaves a widow, a son and a daughter.

Sun

Stroke Shattered My Nerves.

Gave Up Preaching For Two Years.

Dr. Miles' Nervine Put Me On Active List.

Are you well? Do you sleep well? Do you get up rested, fresh and vigorous? Is your mind clear and active? If not read the following. See what another has suffered and how he recovered.

"Some years ago I was afflicted with sun stroke which left me with a shattered nervous system and exceedingly poor health. I suffered terribly with pain in my head, the top of my head would feel hot. I could not study, and after striving for two years to wear the trouble off, I was compelled to give up my pastoral labor and retire to my farm where I spent nearly two years trying to recuperate. It was all of no avail. Physicians' treatment and patent medicines failed to relieve me. I was exceedingly nervous and irritable and sometimes would shake terribly. I could not bear any noise. At the least excitement the blood would rush to my face and head. Two years ago I was induced to try Dr. Miles' Restorative Nervine. After using one bottle I could see improvement in my condition so I continued taking it for nearly a year. I am happy to say I no longer have those pains in my head or nervous spells. My appetite is good and I am able to preach three times on Sunday without fatigue. I consider Dr. Miles' Nervine the most wonderful medicine ever discovered."—Rev. D. Alex. Holman, Pastor U. B. Church, Marion, Ind.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

Several of the neighbors and friends have run in the last day or two to see if in having the grip I hadn't lost my grip. Am better now, thanks to turpentine.

Something must be done soon with the road at the west end of North Lake as the water is flowing over it. A large sluice and the roadbed raised higher would be a good plan, or establish a ferry for foot passengers.

After an illness of several weeks Harry Hadley died at his home on Friday afternoon. The funeral was Sunday forenoon at Unadilla. A number from North Lake attended as he had worked in the neighborhood in the past years.

J. E. Reilly had a large case of fruit trees come to him in Chelsea Friday. Several of the neighbors sending with him. As far as heard from the trees are very satisfactory, with good roots and stems, as well as being well packed for shipment.

If you are troubled with sparrows around the house get a pair of bluejays to make their home nearby. Two years ago I found a young jay that had fallen from its nest and was about chilled through. I took him in and warmed and fed him. Since that time he and his mate have nested in a bracket of the house, and take all the sparrow eggs as fast as laid.

Our dog Ponto left home Friday last. A neighbor borrowed his master's overcoat to go to Chelsea. The dog followed to town, but getting separated from the coat, stayed over night hunting it, and was found next day still looking for the coat. He was brought home by Floyd Hinkley, but did not feel right until shown the coat he had followed off. He has now taken up his usual duties.

AUTOMATIC NURSE FOR BABY.

Swiss Inventor Has One He Thinks Will Do the Work.

(Special Cable Despatch to the N. Y. Sun.) Geneva, Jan. 30, 1903.—A Swiss mechanic claims to have invented an automatic baby's nurse. The apparatus is attached to a cradle. If the baby cries air waves cause specially arranged wires to operate a graphophone, which sings a lullaby, while, simultaneously, clockwork is released and rocks the cradle. When the crying stops the wires cease to vibrate and the cradle stops rocking.

The Columbia Phonograph Company, 37 Grand River avenue, Detroit, headquarters for graphophones and talking machine supplies of every kind, will send you catalogues on application.

 It is stated that all the old rickety board walks in the village are to be pulled up and the places where they were filled with cinders until such time as new cement walks can be laid.  The Jackson Patriot in mentioning the rededication of the Grass Lake Congregational church gives the address of Rev. Carl S. Jones, who delivered the sermon, as Oberlin, Ohio. Robbed the Grave.
 A startling incident, is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at Glazier & Simons' drug store.

HARD TO BEAR.

When the back aches and pains so badly, can't work, can't rest, can't sleep, can't eat, it is hard to bear. Thousands of aching backs have been relieved and cured. People are learning that backache pains come from disordered kidneys, that Doan's Kidney Pills cure every kidney ail, cure Bladder troubles, urinary derangements, Dropsy, Diabetes, Bright's Disease. Read this testimony to the merit of the greatest of Kidney Specifics. J. W. Walls, superintendent of streets of Lebanon, Ky., living on East Main street in that city, says: "With my nightly rest broken, owing to irregularities of the kidneys, suffering intensely from severe pains in the small of my back and through the kidneys, and annoyed by painful passages of abnormal secretions, life was anything but pleasant for me. No amount of doctoring relieved this condition and for the reason that nothing seemed to give me even temporary relief, I became about discouraged. One day I noticed in the newspapers the case of a man who was afflicted as I was and was cured by the use of Doan's Kidney Pills. His words of praise for this remedy were so sincere that on the strength of his statement I went to the Hugh Murray Drug Co.'s store and got a box. I found that the medicine was exactly as powerful a kidney remedy as represented. I experienced quick and lasting relief. Doan's Kidney Pills will prove a blessing to all sufferers from kidney disorders who will give them a fair trial." A FREE TRIAL of this great kidney medicine which cured Mr. Walls will be mailed to any part of the United States on application. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists. Price 50 cents per box. The heart which glows with human charities cannot in its depths be indecent.—John James Taylor.

BIG TREES OF SANTA CRUZ.

The stockholders of the Review and Herald, convened for their annual meeting in Battle Creek, Thursday. Many were bent on restoring the burned plant, though "Prophets" White declared that Oakland that it should not be rebuilt in Battle Creek, and the general conference, which is the head of the Adventist church, passed resolutions to the same effect. Elder McCoy said he did not believe Mrs. White was always inspired, though he did not doubt her sincerity. He adduced instances of other denominational institutions that had been moved about by the general conference and had proved failures in the places to which they had been taken, largely because of mismanagement by the general conference committee. The members of that committee, he said, were most for business duties, and should leave them to laymen.

The Question of Rebuilding.

Holland has 37 factories, which employ 2,371 persons. Fourteen secret societies are established in Deckerville. All of the stock of the Charlevoix Sugar Co. has been taken. Escanaba's new Carnegie library is about completed and will be opened June 1. The run of suckers in the streams of Genesee county is said to be unusually small this spring. A government official who is in a position to know, says that one grist in Van Buren county sells twenty-five barrels of whisky every year. An Alcona county man announces by poster that he has a "full-blooded cow for sale, giving milk, three tons of hay, a lot of chickens and two stoves." The driving conditions of the Menominee river this spring are better than for some years past, so there will be no trouble in getting the logs down. Fire was thrown on the clothing of Mrs. J. List, who lives near Richville, by an explosion of gas in the stove, and she was so burned that her recovery is doubtful. France is preparing to step in and suppress the insurrection of 100,000 Chinese rebels in Kwang-Si province which borders the French colony of Tonquin.

ALL THE PICTURE LACKED.

Morgan Would Not Talk.

Pierpont Morgan was besieged by a group of newspaper men in Washington one day last week. They wanted to get his opinions on some of the problems confronting Wall street. "Gentlemen," said the multi-millionaire, "your business is to get news and print it; mine is to do things if I can. Now, suppose I gave you the news in advance regarding things I may try to do. You would be the winners and I the loser, and you would think me a dunce for letting you win. Good day, gentlemen."

One on the Deacon.

The pastor was young and earnest. He was determined to drive vice from the thriving little town in which he labored. "There are in this town," he said to his flock, "eighty-five saloons, eleven gambling houses—Right here the deacon snapped his finger and thumb. "Why did you snap your fingers when I mentioned gambling houses?" asked the pastor, after the meeting was over. "Just remembered where I left my umbrella," said the deacon.

AROUND THE STATE.

The run of suckers in the streams of Genesee county is said to be unusually small this spring. A government official who is in a position to know, says that one grist in Van Buren county sells twenty-five barrels of whisky every year. An Alcona county man announces by poster that he has a "full-blooded cow for sale, giving milk, three tons of hay, a lot of chickens and two stoves." The driving conditions of the Menominee river this spring are better than for some years past, so there will be no trouble in getting the logs down. Fire was thrown on the clothing of Mrs. J. List, who lives near Richville, by an explosion of gas in the stove, and she was so burned that her recovery is doubtful. France is preparing to step in and suppress the insurrection of 100,000 Chinese rebels in Kwang-Si province which borders the French colony of Tonquin. A battle with Somalis of the Mad Mullah's forces in which 200 out of the British force of 220 men were killed, including 10 officers is reported from Aden, Arabia. There is a possibility that Menominee county may become a copper producing district. Prospectors have discovered what they consider very encouraging indications. A tramp stopped at a farm house in Hagar township Sunday evening to ask for food and the privilege of sleeping in the barn. As he was making the request he dropped dead. George Hinkson, of Lexington, aged 74, lost his right hand in a cutting box a few days ago. Blood poisoning set in and his arm was amputated near the shoulder. He died Sunday. Organization of the Northwestern Michigan Fair Association, to comprise Alpena, Alcona, Presque Isle and Montmorency counties, has been begun with good prospects of being perfected. In an old gravel pit near the Riverside cemetery, Menominee, are thousands of fish of an unknown species. As the pit has neither inlet nor outlet the mystery is where did they come from?

Home Duties

The real heroines of every day are in our homes. Frequently, however, it is a mistaken and useless heroism. Women seem to listen to every call of duty except the supreme one that tells them to guard their health. How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system unstrung! Irritability takes the place of happiness and amiability; and weakness and suffering takes the place of health and strength. As long as they can drag themselves around, women continue to work and perform their household duties. They have been led to believe that suffering is necessary because they are women. What a mistake! The use of Lydia E. Pinkham's Vegetable Compound will banish pain and restore happiness. Don't resort to strong stimulants or narcotics when this great strengthening, healing remedy for women is always within reach.

FREE MEDICAL ADVICE TO WOMEN.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ailments as she has had. Her address is Lynn, Mass., and her advice is free. You are very foolish if you do not accept her kind invitation.

For proof read the symptoms, suffering and cure recited in the following letters:

"DEAR MRS. PINKHAM:—I wish to express to you the great benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. My trouble was female weakness in its worst form and I was in a very bad condition. I could not perform my household duties, my back ached, I was extremely nervous, and I could not eat or sleep, and the bearing-down pains were terrible. My husband spent hundreds of dollars to get me well, and all the medicine that the doctors prescribed failed to do me any good; I resorted to an operation which the physician said was necessary to restore me to health, but I suffered more after it than I did before; I had hemorrhages of the womb that nothing could seem to stop. I noticed one of your advertisements and wrote you for advice. I received your reply and carefully followed all instructions. I immediately began to get stronger, and in two weeks was about the house. I took eight bottles of Lydia E. Pinkham's Vegetable Compound and continued following your advice, and to-day I am a well woman. Your remedies and help are a Godsend to suffering women, and I cannot find words to thank you for what you have done for me."—Mrs. LOTTIE V. NAYLOR, 1328 N. J. Ave., N.W., Washington, D. C.

"DEAR MRS. PINKHAM:—I write to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I was suffering with falling of the womb and could hardly drag about, but after taking five bottles of Lydia E. Pinkham's Vegetable Compound I was completely cured. I am now a well woman and able to do all my work. I think your medicine one of the best remedies in the world."—Mrs. J. M. LEE, 141 Lyndal St., Newcastle, Pa.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound has done a great deal for me. I suffered so much from falling of the womb and all the troubles connected with it. I doctored for years with doctors and other remedies but received only temporary relief. I began taking your medicine, and had not taken it long before I was feeling better. My husband said that I should keep right on taking it as long as it gave me relief from my suffering, as I could not expect to be cured by one or two bottles. I did so and am now able to be on my feet and work hard all day, and go to bed and rest at night. Thanks to your Vegetable Compound I am certainly grateful for the relief it gave me. It is the mother's or out of sorts I take a few doses and feel all right. I would recommend your medicine to all tired mothers, and especially to those suffering as I was."—Mrs. R. F. CHAMBERS, Bennet, Neb.

PROMINENT PHYSICIANS PRESCRIBE PE-RU-NA

Dr. M. C. Gee, of San Francisco, Says: "Pe-ru-na is of Especial Benefit to Women."

ROBERT R. ROBERTS, M. D.

Robert R. Roberts, M. D., Washington, D. C., writes: "Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peru-na, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."

A CONSTANTLY increasing number of physicians prescribe Peru-na in their regular practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients.

Women are especially liable to pelvic catarrh, female weakness as it is commonly called. Especially in the first few weeks of warm weather do the disagreeable symptoms of female weakness make themselves apparent.

nose and throat, but thousands upon thousands of cases of catarrh of the lungs, stomach, kidneys, bladder and other pelvic organs have been cured by Peru-na.

Dr. R. Robbins, Muskogee, I. T., writes: "Peru-na is the best medicine I know of for a cough and to strengthen a weak stomach and to give appetite. Beside prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not a patient but said it helped him. It is an excellent medicine and it fits so many cases."

We say Peru-na cures catarrh. The people say Peru-na cures catarrh. Prominent men and women all over the United States from Maine to California do not hesitate to come out in public print to say that Peru-na is what it is recommended to be, an internal, systemic catarrh remedy that cures catarrh wherever it may be located.

Dr. M. C. Gee's Experience. Dr. M. C. Gee is one of the physicians who endorse Peru-na. In a letter written from 513 Jones street, San Francisco, Cal., he says:

"There is a general objection on the part of the practicing physician to advocate patent medicines. But when any one medicine cures hundreds of people, it demonstrates its own value and does not need the endorsement of the profession."

"Peru-na has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of. I heartily endorse your medicine." -M. C. Gee, M. D.

Women are especially liable to pelvic catarrh, female weakness as it is commonly called. Especially in the first few weeks of warm weather do the disagreeable symptoms of female weakness make themselves apparent.

Peru-na is not only the best spring tonic for such cases but if persisted in will effect a complete cure. Write for a copy of "Health and Beauty," written especially for women by Dr. Hartman. If you want to read of some cures also, write for a copy of "Facts and Faces." That will surely convince you that our claims are valid.

"I dreaded the change of life which
was fast approaching. I noticed Wine
of Cardui, and decided to try a bot-
tle. I experienced some relief the
first month, so I kept on taking it for
three months and now I menstruate
with no pain and I shall take it off and
on now until I have passed the climax."

Female weakness, disordered
menses, falling of the womb and
ovarian troubles do not wear off.
They follow a woman to the change
of life. Do not wait but take Wine
of Cardui now and avoid the trou-
ble. Wine of Cardui never fails to
benefit a suffering woman of any
age. Wine of Cardui relieved
Mrs. Webb when she was in dan-
ger. When you come to the change
of life Mrs. Webb's letter will
mean more to you than it does
now. But you may now avoid the
suffering she endured. Druggists
