The Battle Cry of Peace

At the Princess Theatre Tuesday, October 10th

will be shown the most noteworthy achievement in the history of modern pictures. But "THE BATTLE CRY OF PEACE" is more than a motion picture. It is a great national Propaganda dealing with the most important problem that has confronted this nation since the Civil War—the problem of America's unpreparedness.

If you have a drop of red blood in your veins, you will experience in witnessing his production a thrill such as you have never known before.

You will see the enemy approaching, the powerlessness of New York, the weakness of its forts and defenses. You will see the havoc wrought by the enemy's howitzers, submarines, airships; by its shells, sharpshooters, and bombs.

You will see the most beautiful sky line in the world in flames, the metropolis of the western hemisphere devastated. You will see New York fall, the desecration that follows. "THE BATTLE CRY OF PEACE" is a call to arms against war.

It was written by J. Stuart Blackton and vitagraphed under his personal supervision. Scores of prominent Americans in the army and navy and administrative circles have contributed to its preparation.

MR. CHARLES RICHMAN, the distinguished actor, heads a cast of eminent Vitagraph stars—a cast containing twenty-five thousand National Guardsmen, five thousand horses, eight thousand supernumeraries.

At the Princess Theatre Tuesday Evening, Oct. 10.

To The Public

Two years ago the citizens of Washtenaw county saw fit to honor me by electing me to the office of sheriff.

I have, as your sheriff, endeavored in every manner possible to merit the respect and confidence reposed in me. You are now about to be called upon to say whether or not I have failed.

For nearly two weeks I have been confined in St. Joseph's Sanitarium suffering from blood poisoning, and have been advised by my physicians, Drs. Darling and Washburn, that I must remain here at least two weeks longer.

This will not permit me to make the campaign I otherwise would. I will endeavor, however, at my earliest opportunity to see as many of you as possible. Fearing that I may not be able to meet you as I desire, I take this means of asking your endorsement of my candidacy.

Very truly, HERMAN G. LINDENSCHMITT.

Thanksgiving with the old folks at home—it does satisfy! For your smoking, Chesterfields do the same thing—they satisfy!

But Chesterfields are *MILD*, too—that's the wonder of it.

Don't expect this new cigarette enjoyment (satisfy, yet mild) from any cigarette but Chesterfields, because no cigarette maker can copy the *Chesterfield blend*—an entirely new combination of tobaccos and the biggest discovery in cigarette making in 20 years.

Does Prohibition Prohibit?

- Prohibition does Not Prohibit.
- Prohibition substitutes the blind-pig, the pocket-peddler, drug-store saloon, the jug train, the express blind tiger, all illegal, living by illegal means, existing by law violation by their patrons, for the licensed saloon. Prohibition cannot relieve the people they seek to abolish.
- Alabama bears witness to the fallacy of prohibition.

Alabama's Testimony:

(From the National Monthly, July.)

"Alabama's prohibition law has been flagrantly violated in the rural communities since it became operative two years ago. Men, known as prohibitionists, are financially concerned in this wholesale violation of law. State representatives who voted for passage of prohibition are parties to a conspiracy to make money out of the law. All this has been an open secret for a long time. But no one was prepared for the revelation that millions are invested in this lawless enterprise.

"There is no longer any doubt as to the facts.

"Prohibition members of the legislature, municipal and county officials have been caught and are hopelessly entangled in the net spread by the attorney general. Liquor in astonishingly large quantity is known to be secreted in small towns throughout the state. It is served to the people by bootleggers and blind pig operators at \$1.50 a quart. Cost per gallon to the combine is \$2.00. This liquor belongs to prohibition legislators, mayors of towns, sheriffs, probate judges and private citizens with capital to invest."

- IN GIRARD, ALABAMA, IN JUNE, \$1,500,000.00 WORTH OF CONTRABAND LIQUORS WERE FOUND. GIRARD HAS 5,000 POPULATION. STATE TROOPS WERE CALLED OUT TO GUARD THE LIQUOR. THEY WERE ON DUTY SIX WEEKS.**
- Illicit stills and "moonshining" are prevalent all over Alabama.
- The law says manufacture and sale of liquor in Alabama is unlawful.
- Liquor is being made and sold illegally all over the state. State officials themselves are at the head of this illegitimate industry.
- Alabama residents did not want prohibition. It was thrust on them by legislative enactment. By legislators with axes to grind. By men in high office, sworn to observe and enforce laws, who voted for it, that they might illegally make money in dealing with a commodity they themselves had declared contraband.
- Had Home Rule obtained in Alabama such graft, such demoralization, such out-lawry would not now exist.
- Similarly, conditions with state-wide prohibition will exist in Michigan.
- Don't Alabama-ize Michigan.
- Vote for the Home Rule system that permits each city, village and township to decide its liquor problem for itself. Settle the liquor question by adopting Home Rule.
- Don't increase evils by adopting state-wide prohibition.
- Vote "YES" for HOME RULE—TRUE RULE and "NO" against state-wide prohibition November 7th.
- Learn how taxes will increase under State-Wide Prohibition.
- Write L. J. Wilson, Publicity Manager, Michigan Home Rule League, 1933 Dime Bank, Detroit, Michigan.

VALUABLE ADVICE

Chelsea Citizens Should Profit By The Following Statement.

Doan's Kidney Pills were used by this Chelsea resident.

Their merit was shown—the story told.

Now comes further evidence. The testimony is confirmed.

The remedy was tested—the results lasted.

Could Chelsea residents demand stronger proof?

It's Chelsea testimony. It can be investigated.

Mrs. S. J. Trouten, McKinley St., Chelsea, says: "I suffered from back-ache and distressing pains in the region of my kidneys. I had headaches dizzy spells. The action of my kidneys was too frequent and caused considerable annoyance. I tried several remedies without relief until I used Doan's Kidney Pills, procured from Fen's Drug Store. They relieved the backache, strengthened my kidneys and benefited me generally."

Over Three Years Later, Mrs. Trouten said: "Doan's Kidney Pills cured me of kidney complaint and the cure has been a lasting one."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Trouten has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.
