## To Water Users

Owing to the enormous amount of water being consumed it becomes necessary to enforce the following rules, which are a part of Ordinance No. 19 regulating the use of water:

- No. 1—Sprinkling lawns and gardens must be from 6:00 a. m. to 7:00 a. m. and from 6:00 p. m. to 7:00 p. m.
- No. 2—Hose must not be used without nozzle, which must not exceed one-quarter inch in diameter.
- No. 3—Two lines of hose must not be used at the same time.
- No. 4—Hose must not be left running on lawns and gardens after above hours.
- No. 5—Consumers of water must not permit outsiders to use water from their hydrants.
- No. 6—Consumers of water must not sprinkle street beyond their frontage.
- No. 7—Faucets must not be left running or permitted to leak.

The Marshal has been instructed to see that Ordinance No. 19 is enforced. Any violation of the above rules will result in the water being cut off, and a charge of \$1.00 will be made to turn it on.

(Keep this for reference.)

### WILKINSONIA BUILDING BADLY DAMAGED BY FIRE

Second Floor and Roof Magnificent  
Stone Structure Burned;  
Damage \$15,000.

Fire which was discovered shortly after seven o'clock last evening destroyed the roof and second floor interior of the Wilkinsonia building and for a time threatened the entire block of stores adjoining on the south. Only the superior and efficient work of Chelsea's volunteer firemen prevented the spread of the fire to adjoining buildings and kept it confined to the upper floor of the Wilkinsonia.

The alarm was turned in at 7:05 o'clock. The fire started near the southwest corner of the second floor of the building and spread very rapidly. Several years ago when the building was remodelled for a hotel the upper floor was cut up into a number of sleeping rooms. Flimsy construction was followed, the partitions being only light pine uprights covered with beaver board. This construction burned last night like tinder and the numerous partitions and passages ways hindered the firemen badly at first. But once the flimsy second floor partitions were partially consumed, the sturdy construction of the balance of the building and the valiant efforts of the firemen soon put the fire under control, and by 7:45 all danger of future spread of the fire was past.

Shortly after the fire broke out it was feared that it was beyond control of the Chelsea firemen and this coupled with a known shortage of water in the reservoir at the water works plant decided the officials to summon aid from Jackson, but before the Jackson apparatus started the fire was seen to be under control and the summons was countermanded.

It is estimated that the damage to the Wilkinsonia building is about \$15,000. The building was erected in 1898 at a cost of \$22,000 for an office for the former Glazier stove works. The outside walls are of field stone and the first floor was magnificently finished in quartered oak. The second floor was originally left unfinished. In 1911 the Flanders company, who then owned the property, remodelled the building for a hotel and cut the second floor space up into sleeping rooms with hot and cold water in each room, steam heat, etc., at a cost of about \$7,000. A. W. Wilkinson, the present owner, purchased the building for much less than its worth from the Detroit Trust Co., following the failure of the Flanders company. He carried \$7,000 insurance on the building.

The first floor was occupied by Dr. J. T. Woods and by Mr. Wilkinson as offices and by the Chelsea Red Cross. Dr. Woods estimates his loss \$500, which is covered by insurance. In the basement Charles Todaro conducted a bowling alley and pool room. Besides the bowling alley there were five pool and billiard tables. The alley is ruined by water and the tables considerably damaged. The alley is valued at \$600 and the tables about \$200 each. The insurance is \$1,000.

The building adjoining the Wilkinsonia and occupied by the Chelsea laundry is owned by Martin Merkel. Several hundred dollars damage was done to the roof. There is \$1,500 insurance on the building. The owner of the laundry, Herman Brienewischer, sustained some loss, also the furniture stock of Hindelang & Fahrner and the grocery stock of Keusch & Fahrner, the latter two losses being due to smoke, but the amount of their damages have not been estimated. The total damage will probably reach \$15,000.

### INTERURBAN FARES SAME

Electric Roads Are Not Included in Recent Federal Control.

The federal railroad control act excludes from its provisions street or interurban electric railways which have for their principal source of revenue urban, suburban or interurban passenger traffic, or the sale of power, heat or light, according to a telegram received Friday afternoon from Director General of Railroads William G. McAdoo by state officials at Lansing.

Inasmuch as the passenger rates for interurban travel in this state are fixed by statute, the railroad commission of Michigan has no authority to increase the passenger tariffs and according to McAdoo's telegram interurbans cannot claim the increase under the government control act.

Many of the interurbans carry considerable freight, and it is believed that electric interurban companies will petition the railroad commission for authority to increase freight rates.

### PENSION BILL PASSES

Veterans of Civil War Are Given Substantial Increases.

The Snaot pension bill has passed both houses of congress, has been signed by the president and became a law June 10th.

It provides that any person who served 90 days or more in the military or naval service of the United States during the Civil war, shall receive \$20 per month. If 72 years old, \$32 per month; one year service, \$35 per month; 1½ years service, \$38 per month and two years or more service, \$40 per month.

The act does not reduce any pension previously secured under any act, public or private, and no attorney, claim agent or other person can receive any compensation for presenting any claim under this act, excepting in applications for original pensions.

### MRS. LAMBERT GIESKE.

Mrs. Lambert Gieske died Sunday, June 16, 1918, following only a few days' illness. She was 74 years, four months and eight days of age.

Mrs. Gieske was born in Hanover, Germany, February 8, 1844, her parents being John and Margaret Olden-hage. She was married to Herman Gieske in 1871 and later to Lambert Gieske in 1893. She is survived by one son, Frank Gieske of Chelsea, and by five stepsons and three stepdaughters, also by one sister, Mrs. Henry Gieske of Grass Lake.

The funeral will be held from Salem German M. E. church, near Francisco, Wednesday afternoon at 2:30 o'clock, Rev. Nothdurft conducting the service. Interment at Salem G. M. E. cemetery.

### TWO MORE VILLAGE WELLS

Council Voted to Have Two Six Inch Wells Driven At Once.

Chelsea has been suffering the inconveniences of a water shortage for several weeks past and last night's fire demonstrated that such conditions might easily result in a serious calamity.

The trouble is that the present wells haven't sufficient flow to supply the steadily increasing consumption of water, and to the small size of the supply main from the wells to the storage reservoir.

The first step towards remedying this condition is to drive additional wells and this the council voted last evening to have done at once. There are at present three 3-inch wells and the new wells will be six inches in diameter, which should give a plentiful water supply. Later, probably next year, the matter of a larger main from the wells will be considered.

### ST. MARY ACADEMY RECITAL

Pupils of the School of Music Gave Program Friday Afternoon.

The pupils in the school of music of St. Mary academy gave a fine recital Friday afternoon at Academy hall. Following is the program:

Whispering Winds, Op. 38. (Wallen-haupt), Agnes Weber; On the Swing (Arnold), Mary Lyons; Silver Spray (Schneider), Anna Riedel; The Boy Scout (Kroeger), Francis Kolb; Nadia (Wachs), Florence Fenn; The Haunted Forest (Broun-off), Agnes Fleming; Love's Confession Waltz (Hoffe), Oleta Hutzel; Long Ago (Bailey), Piano—John Keusch, Kathryn Wheeler, Bells—Philip Hoffman; Impromptu Valse, Op. 94 (Raff), Margaret Gieske; Polonaise (Mueller), Gertrude Liebeck; Wayside Flowers (Williams), Herbert Eisele; Angel's Harp (Behr), Margaret Lambert; Playful Rondo (Greene), Helen Conlan; Playful Kittens (Lawson), Fay Nemethy; In Dreamland Reverie (Greenvalde), Violins—Ernest Sambanski, Florence Fenn and L. Dean Alber, Cornet—Anna Riedel, Bells—Francis Hoffman, Drums—Philip Hoffman, Piano—Mary McElroy; Full of Glee, Scherzo, Op. 111 (Anthony), Dorothy Eisenman; Joyous Springtime, Op. 385 (Gillis), Nellie Fahrner; Heather Rose, Op. 78 (Lange), Frances Hoffman; See, Saw, Margery Daw (Greenvalde), Althea Alchele; Primrose (Clark), Margaret Kahn.

1. Am A Soldier (Davis), John Keusch; Walk Through the Woods (Sartorio), James Doll; The Rain Cloud (Moore), Charlotte Spanburg; Progress March (Duett), Oleta Hutzel; Enid Spiegelberg; Dream of Spring (Beaumont), Cecelia McQuilian; The Toy Windmill (Rowe), Margaret Canfield; The Contented Bird (Rowe), Kathryn Wheeler; The Mountain Pink (Spaulding), Isabel Howe; Noah's Ark March (Miller), Margaret Richardson; Birds in The Meadow (Stults), Ruth Liebeck; Rigolotto, Op. 207—No. 4 (Spindler), Mary McElroy; Impromptu, Op. 90—No. 4 (Schubert), Wilamina Burg.

The following pupils were excused from playing at this recital: Philip Hoffman, piano; Olga Niehaus, violin; piano—Eisele, Grace Conlan, Helen Schulte; Catherine Canfield, Virginia Wheeler, Beatrice Keusch, Elsie Heydlauff, Arnold Steger, Mrs. Taylor, Kathryn Eder, Paul Eisele, Cecil Perrine, George Eder, Elsie Niehaus, Esther Geyer.

### JUNIOR RECEPTION.

The annual reception and banquet tendered the seniors of the Chelsea high school by the members of the junior class was held Friday evening at Maccabee hall. Decorations were the national colors, and the senior class colors, green and white.

Vance Ogden, instructor in the commercial department, was toast-master and the toasts were as follows: "The Juniors," Robert Lawrence, "The High School," Miss Ethel Taylor; "The Seniors," Clifford McDavid; "Farewell," Supt. W. L. Walling.

Dancing, games and a general social time served to pass the balance of the evening.

WEST. WASH. FARMERS' CLUB.

The next meeting of the Western Washenaw Farmers' club will be held Friday, June 21st, at the home of Mr. and Mrs. George Chapman. The program follows:

Roll call, answered by expressions of children and followed by a short program by the children; question—All things considered should our schools be curtailed for mercenary reasons? Discussion lead by Rev. P. W. Dierberger. Each member is requested to come prepared to say something on this important subject.

Buy a War Savings Stamp today.

### BACCALAUREATE SERMON

Rev. Albert A. Schoen Gave Annual Address to C. H. S. Seniors.

The annual baccalaureate sermon to the graduating class of the Chelsea high school was delivered Sunday evening at the Methodist church by Rev. Albert A. Schoen, pastor of St. Paul's church.

The pulpit was prettily decorated for the occasion with the class colors, green and white, foliage and white blossoms being used very effectively for the purpose. Mrs. P. M. Broesamle presided at the organ and the class of 1918 marched in and took the places reserved for them in the center forward section of the church auditorium. The congregation then sang hymn 461 and Rev. Dierberger of the Congregational church offered prayer. The scripture lesson, the first 14 verses of the third chapter of Proverbs, was read by Rev. Carmichael of the Baptist church. Miss Grace Walz sang a vocal solo, the evening's offering was taken, followed by a selection by the choir and congregational singing, hymn 434.

Rev. Schoen took the text for his sermon from the fifteenth verse of the fourteenth chapter of Exodus, "Speak unto the children of Israel, that they go forward." He said in part: The members of the class of 1918 are now upon the threshold of a new life. The school work successfully completed is a preparation for the life to follow, for life in earnest. Success is only attained by sacrifice, by the conquering of difficulties. The children of Israel were at the beginning of a new life when the Lord spoke to them through Moses "that they go forward." Back of them lay oppression and bondage, in Egypt; ahead of them the wilderness and the Red Sea. They were obliged to conquer difficulties before they reached the promised land. Three difficulties may beset the class of 1918. The first is lassitude. Choose your vocation at once and then bend your best endeavor to accomplishing success. The second difficulty is that of low aim. Measure yourself by the earth's greatest. Your diploma is only a record of work done and in that sense is a trusty friend upon which you may rely for assistance in successful future achievements. Set your aim high and strive to attain to the highest development in your chosen vocation. The third difficulty is despondency. You may be slighted and criticised and may suffer failure, but they are only difficulties to be conquered and are as the darkness of night preceding the light of day. Rev. Schoen closed his sermon with a tribute to the work of the teachers of the school and an injunction to the class to cultivate the spiritual side of life. Follow the same guide as the Israelites did, for God's way always works out to success.

The service closed with the singing of hymn 458 and benediction by Rev. Schoen.

### VOTE ON LIQUOR AGAIN.

Petitions have been circulated and sufficient signers obtained to secure the submission to the voters of a constitutional amendment at the November election 1918, which constitutional amendment provides for a limited number of licenses for the manufacture and sale of cider, light wines, beer, ale and porter. Such constitutional amendment provides for an increase amount of license: Seven hundred fifty dollars, two hundred fifty of which goes to the county, two hundred fifty to the city, village or township, except in the Upper Peninsula where the five hundred goes to the city, village or township, and throughout the entire state two hundred fifty dollars from each license goes to the construction and maintenance of good roads.

### WANTED AND FOR SALE.

Five cents per line first insertion, 2½¢ per line each consecutive time. Minimum charge 15¢. Special rate, 3 lines or less, 3 consecutive times, 25 cents.

### TO RENT, FOUND, ETC.

FOR SALE—Truck wagon, stone wagon, platform buggy, heavy team harness, Deere 2-horse cultivator, Oliver plow. Robert Leach, Chelsea. 8903

FOR SALE—Good second hand McCormick mower, Holmes & Walker, phone 35, Chelsea. 8903

WANTED—Berry pickers at Knickerbocker farm, just south of town. Phone 249. 7913

## GAINED 55 POUNDS

Doan's Kidney Pills Effected Wonderful Recovery After Other Medicines Had Failed.

"I don't believe I would be alive to give this testimony if it weren't for Doan's Kidney Pills," says Mrs. Julia A. Thomas, 1125-A Missouri Ave., East St. Louis, Ill. "I was in a serious condition with kidney trouble, my feet and ankles were terribly swollen and the kidney secretions caused agony in passing. I had terrible rheumatic pains and often got so dizzy I dared not walk for fear of falling. I felt as if I would go frantic. I grew weak as a baby and often had to crawl something to keep from falling. My nerves were all unstrung and the least noise startled me. Nothing benefited me and I was discouraged. A neighbor happened to recommend Doan's Kidney Pills and I began using them. The swellings and pains were soon eased up and it was but a short time before my kidneys were in good shape again. They have never bothered me since nor have I had any backache or other kidney trouble. I have gained 55 pounds since I was cured and can do all my own work without suffering."

"Sworn to before me."

FRANK W. CLOVER,  
Notary Public.

## DAISY FLY KILLER

placed anywhere, it attracts and kills all flies. Free, clean, odorless, non-toxic. Kills all pests. Made of metal, can't melt or burn. Will not rust. No oil or grease. Does not attract dirt. Sold by dealers, or 6c a box by mail. Write for free sample to E. E. HANCOCK, 280 DE KALB AVE., CHICAGO, ILL.

## CRADLE SONGS ARE ANCIENT

Words Often Seem Meaningless Jumble; Melody Always Within Compass of Home Voices.

Almost all popular cradle songs are very old, some of them so old that, were they not familiar, they might be considered the veriest curiosities of literature. Through all the changes of language they have held their own upon the lips and in the hearts of the people. From mouth to mouth they have come down through the years with an irresistible swing of rhythm and pitter and patter and jingle of words till they seem to have been rather a natural growth than a human invention. In all the melodies, observes a writer, there is a certain likeness of rhythm with a national, I might say, a temperamental difference of movement and a meter from the slow assured major of the Germans to the wild plaintive minor of the Scotch, characterized by the short accented notes or the weirdness of the Hungarian with its sudden changes.

That these old songs should have embodied and retained the characteristics of the people among whom they originated gives them an importance which their crude words and the elementary character of their melodies scarcely seem to warrant. The words often seem a mere meaningless jumble, the melody is always within the easy compass of home voices. No doubt both express, in some supernaturally wise way, the one multivalent sentiment of maternal love.

## Blinded in the War.

Statistics furnished by the French and British authorities show that there are in England, France and Belgium more than 3,000 soldiers who have been totally blinded in the war, and nearly 25,000 blinded in one eye.

## Man Who Don't Count.

"A man that don't look out for nobody but himself," said Uncle Eben, "cuts a mighty small figure."

## AUSTRIA BATTLES ITALY ON NINETY-FOUR MILE FRONT

INITIAL STRUGGLE ENEMY HAS SUCCEEDED IN CAPTURING SEVERAL FRONT LINE POSITIONS.

## TEUTONS MAKE EXTENSIVE PREPARATIONS FOR DRIVE

The Italians Have Taken More Than 3,000 Austrian Prisoners, Among Them 89 Officers—Enemy Crosses Piave River.

London.—The Italian and Allied armies are bravely sustaining the weight of Austrian forces attacking along the front of the Italian theater from northwest of Asiago plateau eastward to the Piave river and thence along that stream to where it joins headwaters of the Adriatic sea, a front of 94 miles.

The Austrians, having made extensive preparations for the drive by bringing up strong reinforcements in men and guns, many of them coming from the former battle line in Romania and Galicia as a result of the debacle in the east, are using them without stint in the effort to debouch from the mountain passes and cross the Piave river and gain the Venetian plains.

Everywhere fighting is of an extremely sanguinary character, especially east of Asiago plateau, in Brenta valley and on Monte Grappa. In the initial struggle the enemy succeeded in capturing several front line positions in the mountain region from the British and also in crossing the Piave.

Counter attacks, however, have restored all positions in the mountains, including territory to a depth of 1,000 yards along a 2,500-yard front captured from the British. At last accounts Allied troops everywhere were strongly holding the enemy and King Victor Emmanuel's men, were gallantly striving to throw back the invaders across the Piave. The Italians have taken more than 3,000 Austrian prisoners, among them 89 officers.

As yet the Vienna war office has given only brief mention to the battle, saying the Austrian armies had invaded Sette Comuni plateau, lying at an altitude of 3,400 feet northwest of Asiago, and up to noon, Sunday, more than 10,000 Italian, English and French soldiers and a considerable number of guns had been captured.

With commencement of the long expected Austrian offensive, fighting in France has slumbered down almost to subnormal, except southwest of Soissons, where the French have delivered several violent attacks against Germans holding territory captured last week.

Where the enemy a week ago was throwing thousands upon thousands of men against the Allied lines between Montdidier and Noyon, Sunday saw him out with his useless efforts and his force sadly depleted through men killed and wounded, unwilling or unable further to give battle.

## U-Boats Sink 2 More Norwegian Ships

Washington.—Germany's sea wolves have sunk two more neutral vessels in American waters. The latest victims of the raiders, which first made their appearance off the Atlantic coast some three weeks ago, are the sailing ship Kringsha and the bark Samoa, both Norwegian.

The crew of the former has been picked up by an American warship, which is bringing them to an Atlantic port, and that of the latter was landed at Norfolk.

Both vessels were sent down 30 miles off the Virginia coast.

## South American Boat Chased.

An Atlantic Port.—A German submarine off the Virginia coast chased for three hours a steamship from South American ports, which arrived here, finally abandoning the pursuit after the vessel had altered her course, and put far out to sea. None of the 115 passengers, it was declared had dared to take to their beds during most of the trip, but were in constant fear of U-boat attacks.

## Cunard Liner Total Loss.

At Atlantic Port.—Passengers and crew of the Cunard liner Ascania, wrecked by high seas after striking a reef off the coast last Thursday, were brought here Sunday on a patrol vessel. The crew reported that the ship will be a total loss.

## France Socialists Will Aid Czech Move

Paris.—Albert Thomas, labor leader and former member of the French war cabinet, president at a meeting of the socialist committee of the alliance of races oppressor by Austria-Hungary, held in Paris recently. Representatives of the radical socialists presented a declaration affirming anew their deep sympathy in the desire for independence of the Jugo-Slavs and Czechs, who wish to separate themselves from domination of Austria-Hungary plan to form independent state.

## STATE NEWS

Kalamazoo.—Theopold Claus, 31 years old, attempted to take his life with a pistol in a hotel here. His condition is serious.

Port Huron.—G. E. Ouellette, of Marine City, chief petty officer of the torpedoed transport President Lincoln, is reported saved.

Lapeer.—Andrew, 20-month-old child of Mr. and Mrs. Irving Weir, north and east of Lapeer, fell into the eastern and was drowned.

Bay City.—George Wedeman, of Midland, formerly employed at the Dow Chemical company's plant, was held to the United States grand jury on a charge of addition.

Flint.—Former An-Sable and Oscoda residents will conduct a reunion, with games and races, followed by dancing in the evening, at Thread Lake park, Flint, June 22.

Houghton.—Capt. Ira M. Hall, of Camp Custer, has come to take command of the Michigan College of Mines, which becomes a school for the special instruction of soldiers.

Camp Custer, Battle Creek.—In connection with the departure of the 43rd division it is announced that all farewells will be barred at Camp Custer.

South Haven.—Elizabeth Barber, 8 years old, was killed when run over by a stagecoach on a farm near here. The child, who was playing on the machine, fell to the ground when the team started.

Lansing.—Ray Newton, aged 39, employed at a local factory, died a few minutes after coming in contact with a high voltage wire. Newton was returning to work and the wind blew a wire against his shoulder.

Detroit.—Frieda Whidemuth, 1-12 years old, died at Receiving hospital of ptomaine poisoning. The child was taken violently ill after eating a piece of decayed fruit she found in an alley in the rear of her home.

Lansing.—E. T. Cameron, of Mt. Pleasant, has resigned as secretary of the teachers' retirement fund board. His successor, appointed by Superintendent of Public Instruction Fred L. Koeber, is George F. Roxburgh, of Reed City.

Saginaw.—William H. Reins, a member of the city council, having refused to buy Liberty bonds and only under pressure contributed \$1 a month to the Red Cross war fund, is facing recall. Reins gets \$2,500 a year from the city and is reputed to be wealthy.

Lansing.—Walter B. Cady, Washington county farmer, whose wheat was confiscated and sold by the food administration when Cady refused to sell it, has returned the administration's check for \$1,272 in payment for the grain. The case will be referred to Washington.

Pontiac.—An audit of Oakland county road construction since May, 1915, to last April has been completed and turned over to the board. It commends the manner in which the accounts have been handled and blames the antiquated system of bookkeeping for a few errors.

Hancock.—Mrs. Arthur Hendrickson, of Hancock, searching Thursday afternoon along the banks of Portage lake for her missing 4-year-old son, found instead the body of the 8-year-old son of Otto Krellwitz, of Hancock, missing since June 1. The Hendrickson child is still missing.

Lansing.—Adjutant-General John S. Borsley has received orders from Washington to induce for immediate service, 16 carpenters, 11 cooks, 23 railroad brakemen, 23 locomotive engineers, five wooden bridge carpenters, five telephone linemen, two railroad track foremen and 568 laborers.

Traverse City.—Sleuths by the hundred will gum shoe socially in this city for three days starting July 16, when sheriffs, police chiefs and prosecuting attorneys of Michigan will meet for their annual convention. Sheriff David R. Campbell, vice-president of the organization, is in charge of the program.

Detroit.—Fighting island, in the Detroit river, opposite Wyandotte, has been purchased from the Palmis estate by the Michigan Alkali Co. The island comprises about 2,500 acres, and it will be used as a dumping ground for the concern. The island is in Canadian waters, and after being reclaimed may be sold again.

Mt. Clemens.—Hugh Farrell, the youthful bank teller of Brantford, Ont., who, officers allege disappeared a week ago with \$3,000 of the bank's funds and was apprehended here, was returned to Brantford to stand trial. During the past few days the parents of the boy, who is only 19 years old, have made efforts to settle with the bank without success, it is declared. The Oakland car purchased in Detroit by Farrell has been returned and the local police department now has \$1,849 of sum Farrell is charged with taking.

Oliver.—Oliver college, one of the oldest and best known educational institutions in the state, following its commencement exercises Tuesday, will close its doors for the period of the war. This announcement was made June 12, following the return of trustees from a meeting in Detroit, at which the decision was reached. The prospect of a decreased enrollment next year, due to the war, particularly among male students, with no offsetting diminishment in operating expenses, are the reasons given for the decision.

AIMA.—Curtis Somerville, the nine-year-old son of W. J. Somerville, of this city, is dead as a result of being fatally burned while starting a small furnace fire.

Kalkaska.—Word has been received here that Noble Carroll, son of Thomas Carroll, has fallen on the French battle fields. He was 19 and enlisted last spring.

Bozette City.—Clare Pierce, 15 years old, is bound over to the circuit court on the charge of manslaughter. He accidentally shot and killed Bessie Pierce, 14 years old.

Grand Rapids.—Rev. G. P. T. Sergeant of Grace Episcopal church was elected president of the Western Michigan Episcopal diocese council at the annual meeting here.

Port Huron.—William E. Strattan, Detroit, architect, has submitted plans to committee representing Port Huron medical society for proposed new hospital to cost \$200,000.

Pontiac.—James H. Lynch, a member of the Democratic state central committee, has resigned because he does not approve of the committee's apparent determination to conduct a campaign in Michigan next fall.

Ann Arbor.—Colonel Ambrose G. Pack, formerly of the Thirty-first Michigan regiment, later of the Hundred Twenty-sixth, has announced his candidacy for the Republican nomination for sheriff of Washtenaw county in the primaries.

Grand Rapids.—F. W. Hulan, president of the Michigan Potato Shippers' association, in a statement said that practically the entire potato crop of Michigan had been cleaned up. Nearly 5,000 cars had been shipped up to June 1.

Grand Rapids.—The Michigan Railway company have advanced the lumberman fare from Kalamazoo to Grand Rapids from 97 cents to \$1.10, the rate from Grand Rapids to Allegan from 65 to 75 cents, and made other advance in proportion.

Lansing.—The Lansing board of education following the lead of other cities, will drop German from the schools. The classes already started will be completed if any students express a desire to continue the study. Spanish will be substituted.

Utica.—A carrier pigeon, with an aluminum band, marked Lib. 559-13, about its leg, has been making its home at the residence of Mrs. J. S. Vokes. It is believed to be a bird from one of the army camps. Its color is light bronze with white points.

Grand Rapids.—Private John R. Smith, of Grand Rapids, with the One Hundred and Twenty-fifth Infantry in France, is dead from appendicitis, according to word received by his brother, A. B. Smith, of Grand Rapids. Smith was 31 years old and enlisted at Bad Axe.

Monroe.—Kenneth Hodgins, and Frank Hill, both 14 years old, of Ypsilanti, are in the detention home here. The lads left Ypsilanti in a canoe following the Huron river to Lake Erie, where the canoe capsized two miles from Monroe piers. They swam two miles to reach shore.

Kalamazoo.—The city commission has passed an ordinance fixing the price of gas at 85 cents per thousand cubic feet, beginning July 10. The Michigan Light Co., who supply the gas, announce that it had no intention of attempting to conform to the ordinance. The present rate charged is \$1.

Bay City.—Ralph R. Moore, and John Cuthbertson, both of Graylag, are in jail here awaiting arraignment by the United States commissioner, on the charge of embezzlement from the Michigan Central Railroad. They carried two dummies on the railroad payroll, collected the money and kept it.

Lansing.—Lieutenant Clark G. Bowen, of Lansing, who was killed in an airplane accident at West Point, Miss., was the son of Mrs. Anna Bowen, of this city. Early dispatches gave the name as Lieutenant Owen. Lieutenant Bowen was 22 years old and was graduated from Cornell university in 1917. He enlisted in the aviation corps at Berkeley, Cal., a year ago.

Muskegon.—Mr. and Mrs. Jay Leo, exiled from their former home by Clyde Leo, their son, through legal process, have returned to their home, their son giving them a life lease to the premises. A bar and feather party was formed to deal with the son, but dispersed on his promise, carried out recently, exacted by Sheriff Stauder and Chief of Police Holland of Muskegon Heights.

Howard City.—A 400-pound bear that escaped from a circus near Cadillac, terrorized the farm district one mile south of town Thursday night. Vern Threll, a young boy, drove a herd of cows past the bear, thinking it was a large dog. Postmaster Reynolds and local merchants have organized a bear hunt. Later reports indicated that the bear had been seen near the Porter Mills, 4-13 miles southwest of town.

Lansing.—James C. Wood, of Manistique, state senator for the past six years from the thirteenth district, has announced his candidacy for the Republican nomination for congress from the Eleventh district of Michigan. The Eleventh is the largest district in the state. The upper peninsulaans now want the seat and James C. Wood is their candidate. Senator Wood, in his announcement, declares for unreserved prosecution of the war, for national equal suffrage and for national prohibition.

## POINT THAT STRUCK HUBBY

Musical Wife Shocked When He Mentioned the One Bright Spot in the Symphony Concert.

You all know him as one of our solid men. He relishes a good dinner. Is an infallible judge of the now almost obsolete horseflesh, imports his own cigars and prefers his pepper and salt business clothes before anything and everything else in his unlimited wardrobe. George P. Goodale writes in the Detroit Free Press.

He has a modest wife. At the club, in a quiet way, he confides to the boys his private opinion on that point, which is that the good wife's enthusiasm for music is, between us in sacred confidence, a well-developed case of crankitis.

However, he is a man that gives a good deal of honest attention to his social duties, as they are defined by his wife, and occasion often finds him in the public eye minus his pepper and salt luxury and plus all the discounts of tailor-made conventionalities.

Such was his fate the other night, when, under his wife's protecting and blandly patronizing wing, he braced himself to endure a symphony concert.

Never was happier wife than she; for that practical, horsey, pepper and salt husband of hers sat by her side profoundly absorbed in the orchestral interpretation of the chief ops of the program.

Had the long dormant music in his soul been at last aroused? It must be so. She watched him with furtive but proud and keen delight until the last note of the number had passed into silence.

"My dear James," she said, "I'm so glad you enjoyed that rhapsody."

"Y-a-a-s," he replied, absently feeling for a cigar, "the coincidence of them fiddlers' elbows was mighty funny."

## How Times Have Changed.

"I know something like this would happen as soon as the state went dry," remarked Leonard Crane, sergeant of police, after listening to a complaint which had just been made over the telephone.

"We used to answer this phone and hear some woman say: 'My husband has been drinking and he struck me last night. I would very much like to have you arrest him.' Now I answer the phone and some man says: 'Say, when I came home last night my wife hit me with a pan and then punched me in the eye. The worst of it is I never did a thing and yet she attacks me. Now I want you to look her up.'"

"Can you beat that?" continued the sergeant. "Things have sure changed since the second of April, but I'm for this 'dry' stuff just the same."—Indianapolis News.

## The Alibi at Home.

Our new maid, standing in dismay before a statuette of Minerva, twisted the dust rag in her hands and said dolefully:

"Befo' I stahs t' work hyar, Mistah Min. I jess wass yo' all t' know I didn't bust de arms off'n dis little monument! Hit was dataway when I come."

## Haled to Court.

"Times do change."

"How now, Horatio?"

"You used to tell a police court by the fringe of fragrant bums on the sidewalk, but now there's a line of limousines drawn up outside."

## Exchange of Civilities.

"My friend," said the motorist, who had just bumped into a pedestrian, "I'm afraid you don't know how to take a joke."

"I concede that your car is a joke," replied the pedestrian in acid tones, "but I'm not in a receptive mood this morning for that kind of humor."

## The Irish of It.

"Throw me down a rope, Put."

## NEW LIBERTY LOAN TO BE SIX BILLION

WILL BE OFFERED IN BLOCKS OF \$750,000,000 EACH, EVERY TWO WEEKS STARTING JUNE 25.

## ALL BANKS ASKED TO ASSIST

The Exact Amount of Loan Depends On Government Expenditures for Next Few Months.

Washington.—The government's financial program for the next four months was disclosed Sunday by Secretary McAdoo's announcement that in preparation for the fourth Liberty loan, to be floated probably in October, about \$6,000,000,000 in certificates of indebtedness will be issued. They will be offered in blocks of \$750,000,000 each, every two weeks, beginning June 25.

Every national bank and trust company is asked to assist the government by subscribing five per cent of its gross resources monthly. The certificates will bear a 4-1/2 per cent interest, like those preceding the third Liberty loan, and will have varying maturity periods, none exceeding four months.

In addition, an undetermined quantity—perhaps \$2,000,000,000—of tax certificates will be issued during the summer for use in paying taxes a year from now.

Announcement of this program indicates that the fourth Liberty loan will be for at least \$6,000,000,000, the exact amount depending on government expenditures the next few months. The treasury already has estimated these roughly at \$12,000,000,000 between July 1 and next January 1.

The sole of certificates under the plan in effect during the past year amounts virtually to borrowing in advance from banks on projected popular war loans, or tax collections, and periodically refunding these short term obligations in long term Liberty bonds.

Depository banks make a 2-1/2 per cent difference between the 4-1/2 per cent paid by the government and the 2 per cent collected for deposits.

The future financial program was announced at this time to enable banks to prepare for government demands. In a letter to the presidents of each of the 7,500 national banks and 20,000 state institutions, Secretary McAdoo said:

"Expenditures of the government, as nearly as can be estimated, will require sale of certificates of indebtedness up to the first of November, 1918, aggregating approximately \$6,000,000,000."

"This would involve the issue every two weeks of about \$750,000,000 of certificates, substantially similar in character to those issued prior to the third Liberty loan, except that they will have various maturities not exceeding four months."

For the months of July and August that program will be followed as nearly as possible.

The first issue of certificates will be dated June 25 and mature October 25, with interest at 4-1/2 per cent, and similar issues, it is expected, will be made Tuesday of every other week following June 25.

It is expected, however, that at a convenient and favorable period during the summer an offering will be made to the general public directly and through the banks of an amount yet to be determined, perhaps \$2,000,000,000 of certificates of suitable maturities for use by taxpayers in paying next year's taxes, viz, taxes payable June 1919, levied under existing and pending legislation.

To the extent that certificates of that character are sold, substantially an equivalent reduction in the amount of the regular fortnightly sale of certificates, issued in anticipation of the next Liberty loan, will be affected.

## FIND DYNAMITE BURIED IN COAL

Nine Sticks Removed From Tender of Engine Train Loaded With Soldiers.

Albany, Ala.—Nine sticks of dynamite were removed from the tender of an engine pulling a troop train here Thursday. A few of the sticks were exploded as a test, and the remainder sent to Birmingham to government secret service agents there. The troop train was composed of 13 Pullmans, all loaded with soldiers.

The Negro fireman of the train found five sticks of the explosive in his shovel as he opened the door of the firebox to throw the shovel of coal into the furnace. The discovery was made 60 miles north of Montgomery, just after the engine had stopped to re-coal.

Immediately an investigation was started and in digging into the coal piled high on the tender more sticks were found.

## No Kanawha Coal for State.

Lansing.—County fuel administrators were notified Friday by the state fuel administration that beginning June 20 coal mined in the Kanawha district will not be shipped to Michigan. However, public utilities and users of this coal for special purposes now under contract for this coal may secure special permits from the office of the state fuel administrator before their contracts can be filled. Practically all Michigan gas companies use this coal.

## THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound Is Prepared For Woman's Use.

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used annually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs.

Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

## Air Raid Lights.

## National and Local Meat Business

The meat business of the country is conducted by various agencies—

By small slaughter-houses in villages—

By local Abattoirs or small Packing Houses in towns—

both

Using only a part of the local live stock supply

and

Furnishing only a part of the local demand for meat.

These slaughtering and distributing agencies fill a well defined but necessarily restricted place in the distribution of the products of live stock.

But only packers like Swift & Company, organized on a national scale, are able to undertake the service that is more vitally important, involving

### An Obligation to the Producer

To purchase for spot cash all the live stock the producer may send to market for slaughter.

### An Obligation to the Consumer

To make available to every consumer, everywhere, in season and out, the full supply and variety of meat products, of the highest standard that the market affords.

Year Book of interesting and instructive facts sent on request. Address Swift & Company, Union Stock Yards, Chicago, Illinois

Swift & Company, U. S. A.

## 85TH DIVISION MAY GO DIRECT TO ITALY

CAMP CUSTER MEN TRAINING SINCE LAST SEPTEMBER SLATED TO GO OVERSEAS.

### SOLDIERS RELATIVES GET NEWS

Reported That Division Will Go to Italy to Reinforce Allies As Austrians Strike for Venetian Plains.

Detroit—When final goodbyes of relatives and friends of members of the Eighty-fifth division now at Camp Custer have been said, a tearful procedure which has been in process for some time and is now said to be nearing an end, a well authenticated rumor has it the Michigan division that has been training at Camp Custer since last September will sail away, not to "somewhere in France," as have other state units, but to "somewhere in Italy."

To the relatives of many of the men this information is not news. To the general public it is. Men who have visited their homes in the last week are said to have informed their friends that the word at Custer is "we are going to Italy." Although such military knowledge is not generally bruted about by commanding officers, underground channels peculiar to military camps make it impossible to keep from the personnel of an organization such important news.

This proposed move on the part of the war department is but part of the plans to reinforce the Allies along all lines. While most of the recent fighting has been in opposition to the German drive along the western front, plans of the Austrians to start a gigantic drive along the Italian front have been known from their inception, and the sending of American troops to aid Italy is for both military and moral effect.

With this disposition of the Eighty-fifth Michigan soldiers will have been scattered along the entire battle front and back of all lines. Press reports and letters from France show that portions of the state national guard are in Belgium. Other parts of the same organizations are in France. Hundreds and thousands of drafted men of Michigan have been transferred to sundry units which have "gone across," and which are now sifted through the entire Allied line.

### HUN PRISONERS TO FIGHT AGAIN

160,000 Captives to Be Exchanged Between France and Germany.

London—A dispatch to the Exchange Telegraph from Amsterdam says the Prussian war minister has announced all German prisoners of war repatriated from Russia will resume their military service after a short furlough.

The dispatch adds anti-semitic agitation has increased largely in Poland during the last few days. Placards have been posted all over Lodz and Warsaw, signed by the "Army of Liberation," urging Poles to begin anti-Jewish massacres.

### Exchanges Prisoners With France.

Berne, Switzerland—The exchange of 160,000 prisoners of war between France and Germany, in accordance with the recent Berne agreement, is beginning. Special trains carrying from 600 to 1,000 prisoners are moving in each direction.

### Cossack Rising Widens.

Amsterdam—A dispatch from Kiev, dated June 12, says it is reported the Cossack rising in the Don region against the Bolsheviks is extending.

The dispatch adds the greater part of the district of Nizhn-Tchirskaya Stanitsa has gone over to the new government under General Krassoff, whose troops are approaching Zaryzin.

The Berlin Vossische Zeitung says Nikolai Lenin, premier of the Bolshevik government in Russia, is planning to visit Berlin and Vienna in order that he may meet prominent persons from all states of the Central Powers.

### 10,000 Russians Destroyed.

Berlin—"In eastern Russia," says a war office bulletin, "Russian band 10,000 strong, advancing to attack Gen. von Elchorn's forces at Taganrog, on the sea of Azov was destroyed."

This is the first time in months that a German war office statement included a portion of what used to be the "eastern front." The occupation of Azov marked the end of the eastward German advance along the Black sea littoral.

### Wants Faith in Russia.

Flint—A plea to Americans to have faith in Russia despite present chaos, was made to the Flint Board of Commerce by Baron Fredericks, for 27 years representative of the Russian treasury in Paris, under the Czar and later under Kerensky. He expressed amazement at achievement of America since entering world war. He has been engaged in French and American relief work, but is now spending a brief leave with relatives of the baroness, who reside in Flint.

## LEADING PARIS PAPER PRAISES WILSON'S WORDS

Paris—"Such words are not mere words," says the Temps commenting editorially on the telegram from President Wilson to President Poincare in answer to the latter's message of elicitation on the first anniversary of the landing of American troops in France. The newspaper continues:

"They are symbols of powerful realities, of intelligence inaction and of heroic sacrifice. France hears them with joy; the enemy will hear them with anxiety. He is only beginning to know the soldiers of the United States. He will learn the weight of the will of one hundred million citizens, united behind a chief they have elected and resolute, like him, to obtain peace by victory."

### 40,000 NEEDED TO MAN FLEET

Daniels Wants Navy's Personnel Increased From 87,000 to 131,485.

Washington—Upward of 40,000 men will be needed to man the great fleet of warships which the United States will turn out during the next fiscal year, the house naval committee was advised June 15 by Secretary Daniels.

In asking the house to concur in the senate amendment to the naval appropriation bill increasing the navy's enlisted personnel from 87,000 to 131,485 men, Mr. Daniels transmitted letters from Admiral Benson, chief of naval operations, and Rear Admiral Palmer, chief of the bureau of navigation, showing in detail why this increase is necessary.

Admiral Palmer said that specifically 42,126 men will be needed to man the warships which will be turned out during the next fiscal year ending July 1, 1919. This force he divided as follows:

For battleships, 4,400; destroyers, 29,992; patrol boats, 5,400; sea-going tugs, 3,705; submarines, 1,026; fleet fuel ships, 1,070; gunboats, ammunition ships, etc., 553.

On last April 1, he wrote, 83,475 men were required for the permanent navy as follows:

On battleships, 33,486; cruisers and monitors, 18,590; gunboats, 3,228; destroyers and torpedo boats, 8,234; supply vessels, 5,304; naval transports and hospital ships, 2,506; tugs, 1,000; yard, stations, hospitals, radio stations, 6,000; submarines and tenders, 5,037.

With a force of 131,485 men he estimated that there must be a surplus over those actually on duty of 5,864 to replace men wounded, on sick or regular leave.

### CASUALTIES ARE 770 FOR WEEK

Killed in Action, 1,172; U-Boats Told to Date Number 921.

Washington—Seven hundred and seventy casualties reported among American expeditionary forces during the week ending June 16 brought the total since American troops first landed in France, nearly a year ago, to 8,085.

The second weekly summary of casualties, issued Sunday by the war department, shows that the total number of deaths from all causes is 3,192, while 4,547 men have been wounded in action and 346 are missing in action, including all men held prisoners in Germany.

The summary, which includes today's list, follows: Killed in action (including 291 at sea), 1,172; died of wounds, 364; died of disease, 1,234; died of accident and other causes, 422; wounded in action, 4,547; missing in action (including prisoners), 346; total casualties reported to date, 8,085.

### U. S. EAST COAST DANGER ZONE

Neutral Ships to Be Warned Not to Travel American Atlantic Waters.

London—The German admiralty intends to declare the eastern coast of the United States, from Mexico to Canadian waters, a danger zone and will warn neutral shipping, says a dispatch to the Exchange Telegraph from Amsterdam, quoting reports received from Berlin.

### U. S. Ready to Combat Ruthlessness.

Washington—In view of what has been happening during the past few weeks, officials here Thursday were inclined to regard as a bit of grim humor the report from Berlin via Holland, that the German government is about to declare the eastern American coast a danger zone and to warn neutral shipping of its purpose.

Raiding submarines have already served warnings of the danger in more forceful terms than Berlin could formulate in a diplomatic communication. Several of the 18 vessels sunk by the raiders were neutrals, carrying no war supplies. Neutral governments are not likely to have overlooked that fact, warning or no warning.

### Copper Not Included in \$15 Rate.

Calumet—Because of modifications of rate increases announced by Director General McAdoo, the increase to \$15 minimum on carload freight lots will not apply to handling of copper rock. Rates on this class merely will be raised the 25 per cent which applies to all classes of freight. This will prevent suspension of many mines in northern Michigan and precludes the possibility of some of the large copper producers from closing up their mines.

## UP TO AMERICA TO WIN WAR

Collapse of Russia Places the Burden of Eliminating the Hun on Shoulders of the Yanks.

Daily it grows more certain that the world war is to be fought till one side or the other is prostrate. The war would have been over months ago if Russia had not collapsed; but with treason in the czar's cabinet and lunacy and stupidity pervading the Russian proletariat, that mighty empire of the north became an inert and impotent mass at the mercy of Germany. And as for Russia, her fate will be determined by the world congress that will write the peace when the war is over. It will be about the mightiest job human statecraft ever undertook and an impossible job unless Germany or the entente is then as helpless as Russia is now.

With the western front reinforced by the millions of veterans Germany had in Russia, the German people have become as confident of victory as they were when the first gun was fired. At this moment Germany, rulers and people alike, feel assured as to the outcome. There is a determination to annex all of Belgium, all of France now held by the German armies and all of the possessions of Belgium and France in Africa. Discussion is now going on in the German press as to the amount of the money indemnity the enemy shall pay. Already Russia is carved by the German sword. And if Germany shall succeed in her present intentions she will be as complete mistress of the world as it now is known as the Rome of Julius Caesar was mistress of the world as it was known on the eve of the Christian era.

### FARMERS ARE WORKING HARDER

And using their feet more than ever before. For all these workers the frequent use of Allen's Foot-Ease, the antiseptic powder to be shaken into the shoes and sprinkled in the foot-bath, increases their efficiency and insures needed physical comfort. It takes the friction from the shoe, freshens the feet, and prevents tired, aching and blistered feet. Women everywhere are constant users of Allen's Foot-Ease. Don't get foot sore, get Allen's Foot-Ease. Sold by dealers everywhere, 25c.—Adv.

### Wattle Bark Valuable.

Quantities of the bark of the South African wattle tree have been imported into the United States from Natal in recent years, but most of it prior to the war was exported to Germany and Belgium. Since then wattle bark has been utilized to a far greater extent by tanners in this country.

### Honey in Ice Cream.

Faced with a serious sugar shortage recently, two ice cream concerns in Portland, Ore., used honey as a substitute, and for two weeks made their product with choice strained honey, effecting 70 per cent conservation of sugar. And the ice cream was found to be excellent.

### Cuticura Complexions.

Nothing better than Cuticura Soap daily and Ointment as needed to make the complexion clear, scaly clean and hands soft and white. For free samples address "Cuticura, Dept. X, Boston." Sold by druggists and by mail. Soap 25c, Ointment 25c and 50c.—Adv.

### Patriotic Metaphor.

Our own earnest metaphor for the day: It is the duty of every true patriot to put on his heaviest shoes and kick the seat of disloyalty every time it raises its head.—Ohio State Journal.

### High-Speed Wireless.

It takes one-twentieth of a second for a wireless signal to pass from Washington to San Francisco.

Be very certain that just as soon as you start feeling sorry for yourself, everybody else is going to stop.

## GOOD-BYE BACKACHE, KIDNEY AND BLADDER TROUBLES

For centuries all over the world GOLD MEDAL Haarlem Oil has afforded relief in thousands upon thousands of cases of lumbago, sciatica, rheumatism, gailstones, gravel, and all other ailments of the kidneys, liver, stomach, bladder and allied organs. It acts quickly. It does the work. It cleanses your kidneys and purifies the blood. It makes a new man, a new woman, of you. It frequently wards off attacks of the dread and fatal diseases of the kidneys. It often completely cures the distressing diseases of the organs of the body allied with the bladder and kidneys. Bloody or cloudy urine, sediment, or "brickdust," indicate an unhealthy condition.

Do not delay a minute if your back aches or you are sore across the loins or have difficulty when urinating. Go to your druggist at once and get a

box of imported GOLD MEDAL Haarlem Oil Capsules. They are pleasant and easy to take. Each capsule contains about one dose of five drops. Take them just like you would any pill. Take a small swallow of water if you want to. They dissolve in the stomach, and the kidneys soak up the oil like a sponge does water. They thoroughly cleanse and wash out the bladder and kidneys and throw off the inflammation which is the cause of the trouble. They will quickly relieve those stiffened joints, that backache, rheumatism, lumbago, sciatica, gailstones, gravel, "brickdust," etc. They are an effective remedy for all diseases of the bladder, kidney, liver, stomach and allied organs. Your druggist will cheerfully refund your money if you are not satisfied after a few days' use. Accept only the pure, original GOLD MEDAL Haarlem Oil Capsules. None other genuine.—Adv.

### Worse Than the Barber's Union.

In the reign of Elizabeth every beard of a fortnight's growth was subject to a tax of 83 cents. Peter the Great, in 1705, imposed a tax upon the beards of the Russian nobles of 100 rubles, while the common people's beard tax amounted to 1 kopeck. This tax caused much dissatisfaction, but in spite of this the impost was extended to St. Petersburg in 1714. The tax on beards was confirmed by Catherine I in 1726, by Peter II in 1728, by Empress Anne in 1761, and in 1743 by the Empress Elizabeth.

### X-Ray Reflectors.

Mica has been found an excellent material for concentrating mirrors for X-rays. Glass will not do, because, smooth as it is, it is too rough for the extremely minute X-rays, which are much smaller than light waves. Glass diffuses the X-rays, much as a rough surface diffuses light waves, but it was found that the surface of mineral crystals were of the requisite smoothness for reflecting X-rays, and of them mica is the most adaptable, being readily split into sheets.

### Natural Result.

"Smith seems to have a bad case of broken spirits." "I suppose that comes from his brandy smashes."

## Farmers! Watch Your Stomachs In Hot Weather

We and Our Allies Are Depending Upon Your Strength To Supply Our Armies With Food.

You men who work long hours in the fields under a blazing sun—you've got to be big eaters, because your food is your strength, and now, more than ever, your strength is badly needed. So guard your health. Be sure and watch your stomach, for in the summer time nearly all illness can be traced to stomach and bowel complaint. You, yourself, know how liable a man is to sunstroke if he goes in the hot sun too soon after eating a heavy mid-day meal, and also how liable he is to sudden attacks of stomach miseries. So cool off in the shade before going back to work. Don't take chances.

Take care of your stomach, friend. You know you can't work well with your stomach out of fix. "Safety first," must be your motto, so send to your druggist and get a big box of EAT-ONIC, enough for yourself and family, yes, and the hired folks, too. It's the wonderful new compound for the quick relief of stomach and bowel miseries. It was originated by H. L. Kramer, the man who made millions of people happy with his first great remedy, Osecrets.

Now, all you need do is to take a tablet or two of EAT-ONIC after your meals. It's good—just like eating candy. Enjoy the quick, sure relief it brings—how almost instantly it relieves indigestion, heartburn, food-

repeating, sour stomach, and that painful, puffed-up, bloated, lumpy feeling after eating. EAT-ONIC will help you to a pain-free stomach—a sweet, cool, comfortable stomach—in fact, those who take EAT-ONIC say it makes them forget they have stomachs. They never dreamed that anything could bring about such quick and wonderful results. Don't wait until the summer sickness of stomach and bowels weakens you—but start using EAT-ONIC today! Just one or two after meals; that's all.

Your health—your folks' health—is a matter of vital importance, not only to yourself, but also to the nation. And you know one can't be too careful of one's stomach and bowels during the hot spells.

EAT-ONIC only costs a cent or two a day to use it—a big box 50 cents—no more. That is the price, and remember, EAT-ONIC is absolutely guaranteed to do all we claim—in fact, more. It's the best Stomach Remedy you ever used.

You know your druggist; trust him then to make our guarantee good; if EAT-ONIC fails in any way, take it back; he will refund your money. If your druggist does not keep it, drop us a postal and we will send it; you can candy. Enjoy the quick, sure relief it brings—how almost instantly it relieves indigestion, heartburn, food-

KRAMER, Pres. EAT-ONIC REMEDY CO., 1018 S. Wabash Ave., Chicago.

**160 ACRE FARMS IN WESTERN CANADA FREE**

**Get under the Shower of Gold**

coming to farmers from the rich wheat fields of Western Canada. Where you can buy good farm land at \$15 to \$30 per acre and raise from 20 to 45 bushels of \$2 wheat to the acre it's easy to make money. Canada offers in her provinces of Manitoba, Saskatchewan and Alberta

**160 Acre Homesteads Free to Settlers**

and other land at very low prices. Thousands of farmers from the U. S. or their sons are yearly taking advantage of this great opportunity. Wonderful yields also of Oats, Barley and Flax. Mixed Farming is fully as profitable an industry as grain raising. Good schools; markets convenient; climate excellent. Write for literature and particulars as to reduced railway rates to Supt. Immigration, Ottawa, Canada, or to

## COOL SUMMER TUB DRESSES

We have just received a new line of wash dresses priced from \$4.00 to \$7.50.

Some are beach cloth in rose, blue and green, made coat style and trimmed with white pique collars and cuffs, stitched in color.

White cross-barred muslin is simply but effectively made up into another group of dresses. Other styles are of fine striped voile with tunic effects. Some have embroidered organdie collars and cuffs.

A gingham dress is the dress for utility and style. We have a number made of pretty striped gingham with plain colored collar and cuffs and belts to match the stripe. \$3.00 value for \$3.98.

Pink and blue plaids make very good looking dresses, especially in this style which hangs straight from the shoulders and is belted in at the waist. It is priced at \$2.98.

(Basement Floor.)

## New Home Bakery

Is now open for business in the building on West Middle street formerly occupied by the Caspary and Youse bakeries.

Bread, Cakes, Pies, Cookies, made fresh daily. Try them.

**H. J. SMITH**

### NEIGHBORHOOD BREVITIES

#### Items of Interest From Our Nearby Towns and Localities.

HOWELL — A. Riley Crittenden has started the publication of a third newspaper here, to be known as the Livingston County Reporter.

SALINE — On Monday A. J. Warren received the appointment of acting postmaster to have charge of the Saline postoffice until a regular appointment is made. Postmaster Lutz having resigned.—Observer.

MANCHESTER — Monday, Howell Clark and his men removed the bell from the steeple of the old Baptist church and it was shipped to Lansing to be hung in the steeple of a church there. The bell was purchased in 1870 by the Baptist society, mostly from voluntary subscriptions of members of the society and merchants and citizens. It was cast in England in 1869, of patent cast steel, and weighs 2,240 pounds. It is a splendid toned bell and could be heard a considerable distance. After the Baptist society was disorganized the Evangelical society used the building and bell. A year or more ago A. J. Waters bought the property and opened the house as "Liberty Hall," where for a time moving pictures were shown, but the venture did not pay and he sold the building to G. W. Kramer for an egghouse, reserving the bell, which he has now sold.—Enterprise.

#### DEXTER TOWNSHIP.

H. R. Hall's daughter, of Detroit, spent Sunday at home.

Mr. and Mrs. John Harper, Sr., are entertaining their daughter and two children.

Ed. Carr and sister Mary were in Chelsea on business Wednesday.

William Clark is putting a wall under his barn.

The head of every family in district number eight has subscribed for his quota of War Savings stamps.

Harry Walsh is recovering from an attack of the measles.

Mr. and Mrs. Russell Sage, of Linden, spent Sunday with the latter's parents, Mr. and Mrs. Michael Walsh.

Mr. Wurster of Webster spent Sunday evening with Miss Mildred Walsh.

Mrs. Joseph Dixon and daughter, Mrs. Ernest Hopkins, called on their old neighbors last Saturday afternoon.

"Tim" McCarthy's machine baled hay and straw for J. P. Walsh last Friday.

Henry Fleming has built a garage on his farm.

School district number eight has six deferred soldiers which means twelve hundred dollars in W. S. S. and the committee sold over a thousand dollars worth last Thursday afternoon.

#### WATERLOO.

(Too late for Friday.)

The box social netted the S. S. \$22.40.

Mr. and Mrs. Copeland of Flint are visiting at the parsonage.

Mrs. Grenier was taken to the Ann Arbor hospital Friday, June 7.

Selma Benter of Francisco has spent the past week at Chad Rowe's.

Mr. and Mrs. Stocking of Detroit spent the week-end at Jacob Rommel's.

Mary McIntee of Camp Custer spent Sunday at her sister's, Mrs. Howard Collings.

Earl Beeman and Walter Vicary and wives motored to Detroit, Saturday and returned Tuesday.

Mr. and Mrs. L. L. Gorton, daughter Vivian, Mary Runciman, Laura Moekel, Katherine Lehman and Mr. and Mrs. Victor Moekel motored to Camp Custer last Sunday.

The home of Elmer Marsh was destroyed by fire last Saturday. Little of the contents were saved. The Red Cross will hold a shower for them at the Gleaner hall next Tuesday, June 18.

On Wednesday, June 5, the marriage of Hulda Riemenschneider, youngest daughter of Mr. and Mrs. John Riemenschneider, and August Heydalauff took place at noon. They were attended by Charlotte Moekel and Lloyd Riemenschneider. The couple will make their home in Jackson.

#### WOMEN AT STATE FAIR.

Innumerable exhibits which in former years have been displayed by men now in the forces of Uncle Sam, are being prepared and will be entered this fall by their wives and sisters. Women entrees are filling the ranks in many of the competitions that in previous years have been patronized exclusively by the men. G. W. Dickenson, Secretary-Manager of the Michigan State Fair, is anticipating the scarcity of unoccupied men who in past years have acted as guides, judges, pages, attendants, ticket sellers, gate tenders, ushers and many other positions during the ten days of the fair, and at the 1918 exposition in Detroit, August 30-September 8, hundreds of young women will be found acting in these capacities.

Women have not been entire strangers to the state fair. In former years they have been particularly active in the needlework department, better babies contest, the handicraft and fine arts, dairy and domestic and poultry departments. The influence of the women is partially responsible for the new \$30,000.00 poultry building which is being erected on the grounds and will be thrown open for the first time when the fair opens on August 30.

Has a Good Opinion of Chamberlain's Tablets.

"Chamberlain's Tablets are a wonder. I never sold anything that beat them," writes F. B. Tressey, Richmond, Ky. When troubled with indigestion or constipation give them a trial.—Adv.

### LOCAL BREVITIES

John Mohrlok died Monday morning at five o'clock at the home of his daughter, Mrs. Carrie Palmer, 213 Railroad street. The funeral will be held Thursday afternoon at two o'clock from St. Paul's church.

The Alumni Association of the Chelsea high school will give a party at Maccabee hall, Friday evening, June 21st. The usual banquet will be omitted, but there will be a program and light refreshments will be served.

The fire alarm Saturday afternoon about 5:15 o'clock was the result of a blaze in the "heat treat" building of the Lewis Spring & Axle company. The fire was quickly extinguished by some of the employees, with little damage.

#### \$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address, F. J. CHENEY, Toledo, Ohio. Sold by all Druggists, 75¢.—Adv.

**Wednesday, June 26**  
will be

## Jackson's First SUBURBAN DAY

A get-together-day for the people of this vicinity.  
A get-better-acquainted day!

A day when the merchants of Jackson join in inviting you to come and shop, and visit the stores, and see the new summertime things, and take advantage of the special prices for the one day only.

## There Will Be No Circus "Stunts"

There will be no band playing—there will be no speeches—

But there will be savings—there will be special window displays of new merchandise—special interior displays—there will be extra people to serve you—there will be a glad hand and a welcome smile awaiting you in every store and at every counter.

Come and visit every store—we all join in a special effort to make it worth your while to come to Jackson on this day above any other day.

We want to make SUBURBAN DAY IN JACKSON a permanent institution. We WILL do so if you really want such a day—and will come to Jackson on that day and show us that you approve of it.

Remember the day, Wednesday, June 26th.

Hitch up the old gray mare early in the morning—

Or come in your machine—

Or come by rail—it doesn't make any difference how you come—

But come! We want every person in the vicinity to be in Jackson on Wednesday, June 26th—for the First Suburban Day in the History of Jackson.

Mark the day on the calendar.

**- - Merchants of Jackson**

Dell Denton and Gottlieb Koenigster have purchased new Dodge cars.

Ed. Fabner has purchased the Henry Gorton residence, occupied by R. B. Koons, 175 East Summit street.

Labor troubles developed in the ranks of juvenile onion weedeaters at the Sibley marsh, Saturday morning, resulting in a strike and walk-out. The weedeaters demanded higher wages. They had been paid 10 cents the hour and wanted 12½ cents.

A letter from Henry Ahnemann, formerly of Chelsea, advises that he has left Arcadia, California, and is now located in Seattle, where he is employed by the government building submarines. He is very favorably impressed by the west.

#### VALUE OF OLD TIN CANS.

Many letters in regard to the advisability of collection and sale of old tin cans are being received from private persons by the U. S. Department of Agriculture. The department has been informed by a company engaged in detinning work that cans practically free from rust and foreign matter are worth \$12 a ton at the factory and that there are from 7,000 to 8,000 cans in a ton. The company stated it believes the recovery of tin cans to be advisable only in the larger towns.

#### DROUTH HITS MONTANA.

A personal letter to the Tribune, dated Columbia Falls, June 14th, says: "I never saw such hot, dry weather in Montana as is prevailing at this time. Crops are suffering, and if we do not get rain within a week or ten days, there will be no grain or hay to harvest. The drouth is not universal, although it seems to prevail in the western part of this state."

#### Sour Stomach.

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.—Adv.

Try Tribune job printing service.
