Washtenaw County Co-operative Association, Branch No. 1, with headquarters in Chelsea, completed its first year September 26th, and an audit of the books shows that it has been a very successful year.

The total value of the stock shipped was \$130,041.68 and the average expense per 100 pounds shipped was only 58 cents. The Chelsea branch has a total of 180 members and there is a cash balance of \$428.69 in the treasury.

Rev. Albert A. Schoen, for over 18 years the pastor of St. Paul's German Lutheran church here, has resigned to accept the pastorate of Emanuel's church in Manchester, which has been vacant since the departure of Rev. Jacob Wulfman, August 1st.

It will be 19 years next spring that Rev. Schoen assumed the pastorate of St. Paul's church and since that time the membership has been increased from 125 to 325, and the pastor has made many friends among the citizens of Chelsea and vicinity.

Emanuel's church is the center of a considerably larger field and will give Rev. Schoen opportunity for a more extended endeavor.

CIVIL WAR VETS BOUNTY.

Some time ago certain newspapers in this state published articles to the effect that many Civil war veterans were entitled to a state bounty of \$100 or more, authorized by the legislature, but never paid. Since then the state board of auditors has been swamped with inquiries, and has recently issued a circular letter of explanation.

There are some entitled to a bounty and the legislature of 1919 appropriated \$20,000 to meet these claims, but it appears that only those who enlisted between the dates January 1, 1864, and April 14, 1865, inclusive, are eligible, and then only those who enlisted in accordance with certain provisions included in the act authorizing the bounties.

There are probably only a very few veterans in this vicinity entitled to the bounty.

LEGION VOTES THANKS.

At a regular meeting of Herbert J. McKune Post No. 31 American Legion, held on September 25, 1919, resolutions of appreciation were passed to show the members gratitude to all the citizens of Chelsea and vicinity, who helped make Victory Day, September 8th, such a splendid success. Only the same quality of untiring zeal and industry as was displayed during the war to the boys, both at home and abroad, made it possible to have a celebration absolutely unmarred by an unpleasant incident. It was a day to be forever remembered by each participant from the parade in the morning to the close of the dance at night. We ask you now to help make this Post a center of civic pride and the headquarters of 100% Americanism. Citizens of Chelsea and vicinity, we thank you.

STEEL STRIKERS ASK ARBITRATION

HAVE EXPRESSED WILLINGNESS TO END WALKOUT IF GARY WILL MEET COMMITTEE. U. S. STEEL HEAD DECLINES Says "Moral Principles" Involved Make It Impossible—Number of Men Out Estimated At 340,000. Washington—Indications, after a week of the great steel strike, pointed to a prolonged struggle for following a statement by John Fitzpatrick, director-general of the strike, that the walkout could be ended immediately if the United States Steel corporation would agree to arbitrate, Elbert H. Gary, directing head of the corporation, gave it as his personal opinion that, because of "moral principles" involved in the struggle, the directors could not deal with the union labor leaders. A similar stand was taken by E. C. Grace, president of the Bethlehem Steel Co. Appearing as labor's first witness in the senate's investigation of the steel strike, John Fitzpatrick, Chicago, chairman of the strikers' committee, declared that an agreement by the United States Steel corporation to arbitrate differences with its employees would result in an immediate end of the walkout, which, he said, now affects 340,000 men. "We aren't fighting for money," insisted the strike leader, and he talked of babies and sunlight and happiness—and of state troopers riding down crowds of men and women. He said the men wanted to break the basic 12-hour day that deprived them of all that made life sweet. Judge E. H. Gary was expected to appear before the senate investigating committee, October 1.

Mr. Gary was cited to appear before the Senate Labor committee Wednesday.

Don't Belittle That Backache—Stop It.

Kidney and Bladder Sufferers Regretfully Recall Their Neglect of First Symptom. Use Caution—Get Dodd's. If kidney disease attacked suddenly as does Appendicitis, or a Fever, you would be forced to bed immediately. But it doesn't—its progress is slow, destructive and fatal. You can't afford to disobey nature's first warnings—slightest backache, throbbing pain through loins, stiffness in stooping or lifting. Take heed immediately, and beware, too, of spots appearing before or puffiness under the eyes, rheumatic pains, nightly arising. Thousands upon thousands have been relieved in the past 40 years by using Dodd's—they quickly tone and revive sickly kidneys. Be sure your druggist gives you Dodd's—the round box, with three D's in the name. If your druggist is sold out, send 60c in stamps with druggist's name to Dodd's Medicine Co., Buffalo, N. Y. And the green grocer is in a position to acquire a lot of ripe experience.

Doctors proscribed local remedies, and by failing to cure with local treatment, pronounced it incurable. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take three of Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. Adv.
