

HUNTERS FIND BANK ROBBERS CACHE

Reuben Hieber and Ed. Burton Made Startling Discovery of Deposit Boxes Sunday Morning.

While hunting rabbits in the marsh between the Conway and Keelan farms two miles west of Chelsea, Sunday morning, Reuben Hieber and Ed. Burton were considerably surprised to run across a number of safety deposit boxes which evidently had been stolen from some bank vault, broken open and rifled of their contents and then dumped in the Conway-Keelan marsh. There were parts of two sections of a safety deposit box rack, one arranged for 12 boxes and the other for 10 boxes. Only 17 boxes were found. The only scrap of paper found was a business card reading as follows: Harroun Motor Co., Detroit, W. W. Turner, Special Representative. It is presumed that the card was in one of the boxes and was dropped by the robbers, who evidently removed all other papers of any nature whatever to avoid being traced.

CHELSEA WINS AGAIN

High School Foot Ball Team Takes Easy Game From Clinton.

Chester high school football team defeated the Clinton high team Friday, 12 to 0. The visitors came with the idea that Chelsea would be easy picking, but that idea was dispelled early in the game. It was the first time the teams of the two schools had met since 1913, when Chelsea won two games by scores of 34-16 and 60-0. In the first quarter Chelsea received and carried the ball to Clinton's 15-yard line, only to lose it on a fumble.

Teeter-Totter

Clinton also fumbled and Alber recovered the ball for Chelsea. E. Mohrlock then made a 30 yard run and a touchdown. Bacon missed goal. Score, 6 to 0.

In the second quarter, Chelsea kicked to Clinton. The ball then scooped back and forth across the field. Brooks missed a field goal and the score remained 6 to 0.

In the third quarter, Clinton kicked to Chelsea and the locals carried the ball to the visitor's 45-yard line. Chelsea then worked the ball to Clinton's 20-yard line. Brooks again missed field goal. Score, 6 to 0.

In the final quarter, Clinton got the ball on their 20-yard line and punted to Chelsea. P. Brooks made 25 yards on a pass; R. Mohrlock made 10 yards on a pass and carried the ball to Clinton's 1-yard line. Brooks carrying the ball over for a touchdown on a fake play. Mohrlock missed goal.

Final score—Clinton, 0; Chelsea, 12.

The final home game of the season will be played Friday afternoon on Alber field with the Pinekey high school team. Game called at three o'clock.

WHAT KIND OF TIME.

Jackson is sticking to Eastern time although Central time is the legal time, and several other nearby towns, including Howell, are attempting to do the same, thereby aping Detroit, Lansing and Eaton Rapids have all ready come to their senses and are now following Central time after only a few days' trial of the "fast" time.

Central standard time is the only logical time for this section of the country, because it is the only legal time and because the railroads use it and the mails all arrive and depart on Central time.

"Fast" time was all right when it was universal the country over, but to retain it now is to adopt a heluva time.

FIND HANGING BODY.

The body of Edgar Schaffer, 19, missing from his home in Ypsilanti since June 22, was found Sunday hanging from a tree at Cuttle hill, about two miles from that place, by John Reddick, who had been hunting in company with his son.

Schaffer had desired to enlist, but his parents refused him the necessary permission. Police believe he committed suicide in a fit of despondency.

PAPER WADS.

A high school orchestra was organized Monday.

The high school Literary society was also organized Monday for this year. The following officers were elected: Pres., Arthur Kaercher; Vice Pres., Grace Shepherd; Secy., Florence Penn; Treas., L. Dean Alber. The committees will be appointed at once. We expect to have a good, all around program next week. Tuesday afternoon at two o'clock. We invite all patrons interested to attend.

The senior play will be given November 21st. It is a good rousing comedy. Come and laugh and grow fat. This is the "the play" of the year. Buy and boost is our high school slogan. Watch for "Professor Pepp" on the posters!

The Juniors gave an all high Halloween party Wednesday evening in Macomber hall. The hall was artistically and appropriately decorated. The games played until the music arrived were very much enjoyed by all. The class furnished a four piece orchestra, local talent, for dance music. The music was as excellent and as much enjoyed as out of town music. We'd like to hear 'em again! The refreshments were also appropriate being pumpkin and mince pie, doughnuts, and sweet cider. We all had a "wonderful time," juniors! Miss Johnson is the junior patroness.

In the Latin I contest last week Irene's side won, Anna Rogers again being champion. Now Irene's side has two victory points and Mable's one. "Wait till next time," the losers say.

Rev. Dierberger gave a very interesting talk to the high school in chapel this week.

J. I. Roode, superintendent of schools at Cassopolis, returned with his daughter, Nica Roode, from the institute in Detroit, Saturday. His immediate return to duty necessitated a short visit.

The Chelsea high football team won the game with Clinton high school Friday by the score of 12-0. These present said the Clinton team showed "fight" but our boys waded right through and showed "victory."

Supt. McCloskey entertained the football boys at a sumptuous dinner at his home, recently.

MILAN

Mr. and Mrs. Robert Raymond and four children are ill with pneumonia poisoning at their home in Whitaker. A chicken gravy left over from Sunday dinner which was served on Monday is the only thing which can be named as the cause. The attending physician worked over the patients for several hours and finally succeeded in getting them past the crisis. All of the stricken family are resting easier and all have a good chance for recovery. The only one of the family who was not taken victim was the daughter who is attending school in Milan and who was not home for dinner.—Leader.

VIEW FROM STOFFER'S HILL.

A wide expanse of country is revealed to those who climb to the top of Stoffer's hill in Lyndon township, mention of which was recently made in the Tribune in connection with an article concerning the geological survey in this vicinity.

From the summit of this hill one may discern the water tower in Stockbridge, the smoke rising from chimneys in Fowlerville, the state sanatorium near Howell and smoke from chimneys in Howell, the school house and church spires in Dexter and smoke from chimneys in Ann Arbor. These may be seen with the naked eye once they are located, but a field glass makes them easily recognized. The sanatorium buildings near Howell, also on a high hill, are particularly plain although they are about 25 miles distant.

The atmosphere is hazy now, as it usually is in the fall, but on a bright clear day in spring before the foliage starts, one could probably pick out many more distant land marks.

LEGION AIDS RED CROSS.

The American Legion will back the Red Cross in their campaign for raising the following telegraphic request received Friday from Augustus Gansser, state commander: "American Legionaries as individuals and through local posts are urged to assist in securing one million Red Cross memberships in Michigan during their drive, November 2 to 11. We can honor our Red Cross most by acknowledging their splendid work for us by joining ourselves and helping your local Red Cross officials always. Augustus Gansser, State Commander."

SWINGING AROUND CIRCLE.

The Detroit Journal has night published the following: "Mr. S. M. Revenue made a trip by boat to Detroit, Mich., Friday, returning Tuesday. While there he met Mrs. H. F. He also renewed many old acquaintances.—Anon Herald."

WOMAN'S NERVES MADE STRONG

By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around in the morning and in the evening I would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultze's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

Bernice Pauahi was an Hawaiian princess who married Charles R. Bishop, pioneer Honolulu banker. She once declined an offer of the throne of Hawaii. Her estate, valued at many millions, provides revenue for a number of institutions designed to promote the interests of the native Hawaiians.
