

COUNTY PAID \$69,522 FOR AUTO LICENSES

Stands Tenth in Number of Machines Owned Last Year According To State Department Figures.

Washtenaw county ranked tenth among the counties of Michigan in 1919 in the number of automobiles owned. Statistics sent out recently from the Michigan department of state show that 6,794 automobiles were owned in Washtenaw county last year.

The owners of these cars, 6,102 of which were passenger cars, paid \$69,522.65 to the state, \$34,761.31 being returned to the county good road fund.

Wayne county led with 96,452 cars, while Kent county was second with 15,921. Then in order came Genesee, Oakland, Ingham, Saginaw, Calhoun, Jackson, Kalamazoo, and Washtenaw.

There were 325,813 automobiles registered in the state last year, the state receiving \$3,719,433.39. Approximately half of this amount was returned to the counties' good road funds.

The grade on the new Territorial road, from the Sylvan-Lima town line just east of the Pierce farm eastward, is progressing rapidly and has reached a point just west of the Pielemeier farm, a distance of about a mile.

SHOWED MISS KILMER.

The Bible Study class of the Baptist church gave a shower in honor of Miss Minnie Kilmer, Saturday evening, at the home of Mr. and Mrs. L. D. Gates, twenty-seven being present.

In spite of the high cost of living a bountiful supper was served at six o'clock, and at eight o'clock Miss Kilmer was invited into a room which had been closed for some time. From a pulley in the ceiling an umbrella was lowered over her, and as it came down it was seen to be loaded with gifts of china, pyrex-ware, linen, and many other articles.

Next week Miss Kilmer leaves to make her future home in Denver, Colorado.

JUDGE SAMPLE IN DETROIT.

Judge George W. Sample of the Washtenaw county circuit court is sitting as judge in the Wayne county circuit court in Detroit, this week. His aid was asked in an effort that is being made by the Detroit courts to catch up in their work. In several courts there the judges are more than a year behind in their work.

Rev. P. W. Dierberger addressed a union meeting of the Methodist, Baptist and Congregational churches of Wayne, Sunday evening, in the interest of the Interchurch World Movement.

SHOULD CURB TRUCKS

Overloaded Motor Vehicles Ruined the Gravel and Dirt Roads in Sylvan The Past Week.

Rural communities are awakening to the fact that if dirt and gravel roads are to be kept in anything like satisfactory condition some means must be devised to keep heavily loaded motor trucks from traversing them in the spring while they are soft, or following a protracted rain storm.

During the past week several stretches of excellent gravel road in Sylvan township have been ruined by strings of heavily loaded trucks from Detroit, which cut through the gravel surface and left the roadbed scored and furrowed beyond possible restoration to its former condition. In several instances the roads so ruined had been carefully dragged for several years by farmers living along those particular highways, but now that the big trucks are obliged to detour from the Territorial road they have seen the labor of years quickly undone and their farms almost marooned—one farmer says he can hardly get out of his driveway with a light wagon on account of the deep furrows left by the big trucks.

And when the monster trucks get stalled the drivers proceed to dig out around the wheels, and then pull out leaving the excavations made without filling and a constant menace to following traffic.

We understand that there is a law governing the weight of vehicles on dirt, gravel or cement surface roads, but it is not enforced in this vicinity and as a result the roads are being ruined. Drivers always load to the capacity of their trucks, irrespective of the road to be travelled.

If the trucks could be kept off until the roads are settled, the highways could be kept in excellent shape all summer, but under present conditions the township board feels there is little use in attempting to maintain the dirt or gravel highways and the community probably will have to bump along all summer over roads ruined by the trucks this spring—largely the result of the switchmen's strike at that.

A civil service examination will be held at the Chelsea postoffice May 8 to fill the position of rural carrier at Ann Arbor and vacancies that may occur later on the rural routes from other postoffices in this county.

MICHIGAN'S RECORD.

T. E. Johnson of Lansing, state superintendent of public instruction, says: "Michigan is first in the manufacture of motor cars, first in the production of white beans, second in the production of iron ore, potatoes, sugar beets, and rye, and thirteenth in the amount spent daily to educate each Michigan child."

Brief Items of Interest in Chelsea And Vicinity, From Nearby Towns and Localities.

MICHIGAN CENTER—The church society of which Rev. Cutler of Grass Lake is pastor has purchased a 1,300 pound bell for the church, and will re-decorate the walls, also. Later, it is planned to build a parsonage.

NEW HUDSON—Fire apparently starting in the furnace room of the school building Monday morning totally destroyed that structure. It was a two-story brick building erected 52 years ago.

ANN ARBOR—J. Boucher, John Hubn and J. M. Schuster, all of Detroit, were fined by Justice John D. Thomas, Thursday afternoon for driving trucks loaded above the legal limit. One of the men was carrying a five ton load on a three and a half ton truck.

DEXTER—Due to lack of railroad shipping facilities, owing to the switchmen's strike, local stock dealers have been shipping live stock from here to Detroit, overland, this week. Messrs. Cushing, Sloan, Jedele and Devine have shipped 93 head of cattle, which were sent in 12 truck loads, four truck loads each day beginning Monday. On Tuesday, Frank Steeb took in two fancy fat cattle that he had been feeding, in his new truck, and Wednesday a truck load of hogs.—Leader.

MARGUERITE CLARK AGAIN. Marguerite Clark in "Little Miss Hoover," is the attraction at the Methodist church, Friday evening, April 23, at eight o'clock. Owing to the universal appreciation and many requests for another Marguerite Clark picture, the M. E. church will again screen this charming Paramount star in "Little Miss Hoover," a picture full of life and action taken from Maria Thompson Davis' novel, "The Golden Bird." Love, patriotism and conservation are all brought out clearly in this production. Adults 10c; children 5c. Adv.

COAL DUST LODGED IN MINER'S LUNGS

Tells how his cough was conquered and health restored.

"In November, 1915, I was working in a coal mine and the doctors said the coal dust had settled in my lungs. I couldn't breathe on my right side, coughed so I couldn't sleep and had constant pain in my right lung and under my shoulder blades. I coughed so hard the blood would start out of my nose. Finally the doctors had the chance to examine and live outside, but didn't improve.

"Then I came home and started on **Milks Emulsion**. Thank God I did, as it did me a lot of good right from the start, leading up to the coal dust in my right lung. In a few weeks my lungs were free. I could sleep like a baby, had an excellent appetite and my cough left me entirely. I gained back 10 pounds in weight and went back to work in the mine, completely restored to health."

G. H. Bunn, 411 Ave. C, No. 12th St., Terre Haute, Ind.

Thousands of victims of dust-filled air develop the same trouble that Mr. Bunn had. Why not at least try it?

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physic. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. It builds body, blood and strength, and is a powerful aid in restoring and repairing the effects of wasting diseases.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like the cream.

No matter how severe your case you are urged to try **Milks Emulsion** under the guarantee—Take a bottle home with you, use it according to directions, and if not satisfied with the results your money will be promptly refunded.

Price, 45c per bottle. The **Milks Emulsion Co.**, Terre Haute, Ind. Sold by druggists everywhere.—Adv.

Free Tin Boxes.

There are countless boxes for tin boxes.

Most dealers in cigarettes have on hand boxes of this kind, eleven inches long, six inches wide and four inches deep, which are thrown away. Some dealers are glad to accommodate persons who desire these tin receptacles, and will give them away without cost.

The following are some very good ways in which the tin boxes can be utilized:

Lunch boxes when out camping or fishing, as they will hold a good supply of lunch.

Covered with a white enamel and used as a cake-box or bread-box.

Keeping food away from rats, mice and other pests.

Painted and used as a flower box.—**Thrifty Magazine.**

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it. "Women's" conditions often have to do with the kidneys or bladder.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kline's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store.

However, if you wish first to test this great preparation send ten cents to Dr. Kline & Co., P.O. Box 11, Yonkers, N. Y., for a sample bottle. When writing be sure and mention this paper.—Adv.

No Slackers.

"There is said to be a great demand for \$10,000-a-year men," remarked Mr. Gadsden.

"So I hear," said Mr. Dumbwaite. "Any special requirements?"

"Well, I understand there isn't much talk about a five-day week and a six-hour day in \$10,000-a-year circles. The idea seems to be that a man can work six days a week for eight or ten hours a day without wrecking his health, and he might even look in on the job for an hour or two on Sunday, if necessary."—**Birmingham Age-Herald.**

FRECKLES

Now is the Time to Get Rid of These Ugly Spots.

There is no more effective and safe method of getting rid of freckles than the use of **Gray's Ointment**. It is a simple, safe, and effective remedy for the removal of freckles.

Apply a thin layer of **Gray's Ointment** to the face and neck, and wash off with water. Repeat this treatment every day, and the freckles will disappear. The ointment is so gentle that it can be used on the most sensitive skin, and it is so effective that it will remove freckles in a very short time.

Be sure to ask for the **Gray's Ointment** and not for the **Gray's Cream**. The ointment is the only one that will remove freckles.

Michigan Happenings

Adrian.—The population of Adrian is announced as 11,878, an increase of 16.4 per cent over 1910.

Kalamazoo.—Jeremiah S. Cole is dead as the result of a fall on an icy sidewalk six weeks ago.

Holland.—W. Fisher of Ganges was severely injured when he fell from a tree while chasing a squirrel.

Portland.—Because of confusion when Portland adopted eastern standard time, the town clocks have been turned back.

Hayne City.—A summer resort camp will be established near this city according to plans now being made to take care of auto tourists.

Kalamazoo.—Mrs. Martha Drummond, who was stricken with heart trouble at a theater party, died in an ambulance on the way to the hospital.

Flint.—Figures announced by the census bureau at Washington give Flint's population as 91,599, an increase of 197.6 per cent over 1910 figure.

Pontiac.—At a dinner at the Board of Commerce 190 business men, bankers and factory heads pledged to building 3,000 houses in Pontiac this year.

Sand Lake.—The Goul and Son grain elevator here, owned by this concern for the last 27 years, has been purchased by the Sand Lake Farmers' Co-operative Co. for \$10,000.

Greenville.—A poll of the Republican members of the Monticome county bar has resulted in the unanimous choice of Judge Howard West, Lansing, as a candidate for the state supreme court.

Owosso.—The Catholic and Baptist Church properties here are on the list of property the auditor-general seeks to have sold for unpaid taxes. There is \$12 against the Baptist and \$160 against the Catholic Church.

Traverse City.—Playing at hold-up, Ward Eaton, 14, Williamsburg, checked a revolver in the face of Osborn Sage. Sage grabbed the gun, which exploded, the bullet striking Don Gibson, 14, penetrating both jaws. He will live.

Bay City.—Dr. C. M. Swanteck, who narrowly escaped death March 4, when he took hold of an electric light cord which had caused the death of two he was called to attend, presented a claim for \$3,000 damages to the council.

Flint.—Mayor Kellar signed his name 2,468 times to public improvement bonds for \$1,647,500, the biggest issue ever taken in this county. They will provide funds for improving parks, waterworks, sewers, and other public works.

Grand Rapids.—The United States department of labor has cancelled the deportation orders for three of the 20 aliens arrested here during the raids in January. The rest of the party under deportation orders consists of 12 men and five women.

Grand Rapids.—Grand Rapids has gone on eastern time following the favorable vote at the spring election. The city has ordered all schools, police, fire department and city hall clocks forward an hour. The railroads continue on central time.

MI. Clemens.—Prosecuting Attorney Johnston is giving instructions to county doctors regarding prescriptions for whiskey. No doctor may prescribe more than one-half ounce of any person at one time, and not more than two prescriptions within 10 days.

Ludington.—Fire starting from a short circuit on a touring car destroyed Smith & Koe's garage at Scottville, with a loss of more than \$33,000. A grain elevator, three residences and several sheds caught fire and for a time threatened to get beyond control.

Saginaw.—An automobile accident did not prevent the marriage of Alva Foster, of Burlington, Ind., and Myron Augustine, of Grand Haven township, Gratiot county. Their car went headlong into a ditch. They managed to scramble out and were married in Saginaw at 10 o'clock at night.

Paw Paw.—Judge Howard West, of Lansing, is presiding at the trial of Mrs. Sarah Tabor, who opened here April 19 on a manslaughter charge in connection with the death of her daughter, Maude Tabor Vargo. Judge West was appointed by Judge Collinswood, presiding judge of the Circuit Court Judges' Association of Michigan, after counsel for the defense had asked a change of judges.

Grand Rapids.—Playing with matches as she rocked the cradle of her three-month-old sister cost the life of Elsie Kloppe, 12-year-old daughter of William Kloppe, laborer. The girl acted as the little mother to three other children, attending to them while the father and mother, the latter a washerwoman, were at work. Neighbors heard the child's cries and found her enveloped in flames.

Lansing.—Proposed bond issues in two counties in Michigan for the erection of county tuberculosis sanatoriums met with defeat in the April elections. Berrien county voted down a proposal to bond for \$100,000 and Ottawa county did the same thing with a bond issue for \$80,000. In Berrien every township and city voted against the proposal, and the exception of Barton Harbor, which gave a slight margin of about a dozen votes in favor of it. In Ottawa county three cities voted in favor of the bond issue by a large margin.

Monroe.—To construct sewers, the city commission has decided to hold special election May 11, to bond city for \$250,000.

Auburn.—The Auburn board of education will handle the sale of all school books used in the city schools as an experiment. The plan goes into effect July 1.

Cadillac.—Local capitalists will open a state bank at Mead, May 1, planning to bid in at receiver's sale the property of the private bank there which failed.

Jackson.—George Brown, 22 years old, at work in a gravel pit here, was caught by a steam shovel and crushed to death between the shovel and the band of earth.

Battle Creek.—The heirs of Teresa Klose, killed in an automobile accident last summer, sued in Circuit Court for \$5,000 and a jury at Marshall awarded the full amount.

Owosso.—After paying a \$300 fine and serving 60 days in jail for making whiskey, Martin Janich 14 said to have gone to Lansing, starting another still and is back to jail.

Pontiac.—Negotiations are under way by the Michigan State Telephone Co. for right of way to lay underground telephone cable from Birmingham to Detroit, to cost \$400,000.

Traverse City.—William Wolf, 48, farmer, of Barker Creek, was killed by a vicious bull he attempted to drive to a water tank, disregarding instructions to carry water to the animal.

Battle Creek.—A survey in Calhoun County shows that 25 per cent less foodstuffs will be grown than a year ago. Labor shortage is given as the chief cause for decreased acreage.

Auburn.—Twenty-two men, who have been canvassing Calhoun County for membership in the Farm Bureau, closed their work. Of 3,460 farmers in the county as possible members nearly 2,200 were obtained.

Detroit.—Louise A. Muhlbach, 16-month-old daughter of Alois, 17 Waterloo street, died of poisoning. The child choked the end of a broom handle, the varnish dissolving and causing an illness which resulted in death.

MI. Clemens.—The county road commissioners have received word from the State Highway Department that surplus army road building material and machinery will be given the county to aid in road construction this year.

Charlotte.—The new farmers' Co-operative Citizens' Elevator Co. of Vermontville, has completed arrangements for the purchase of the Anderson elevator there, to be turned over July 1. The initial payment of \$15,550 has been made.

Grand Haven.—A contract has been awarded for the erection of a \$5,000 county memorial to world war heroes. The memorial will be a simple shaft surmounted by an eagle, the material to be Victoria white granite. Names of the county's dead will be carved on the base.

MI. Clemens.—Prosecuting Attorney Johnston has started summoning witnesses for the trial of Lloyd Prevost, held in the County Jail, charged with slaying J. Stanley Brown. The case is set for hearing in Circuit Court, May 3. The state will summon approximately 100 witnesses.

Owosso.—In dissolving the divorce case of William J. Black, against Marion Black, of Corunna, the court held that it is man's first duty to support his wife and that enlistment in the army is secondary. Black charged extreme cruelty on the part of his wife in refusing to give her permission to his enlistment.

Manistee.—The supreme court has upheld the decision of Circuit Judge Cutler ruling the right of the Buckley & Davies Lumber Co. to use coal in the evaporation of salt. The minority stockholders appealed the case after losing in circuit court. The new plant will be in operation in 90 days, and will produce 500,000 barrels annually.

Ludington.—When Odie Archer's car caught fire on the Ludington-Scottville road his wife Adelaide, sprang from the machine which was traveling 15 miles an hour. She struck her head on the stone road, sustaining concussion of the brain and died within 24 hours. Mr. and Mrs. Archer lived in Muskegon. She was 45 years old.

Houghton.—Because of the high cost of entertaining girl friends, students at the Michigan College of Mines have made a compact. It is that no flowers shall be sent girls invited to dances. The penalty is that the student who sends flowers to a girl shall be compelled to dance with her only throughout the evening, other escorts refusing to "trade" dances.

MI. Clemens.—Col. Gilmore, of the Air Service at Washington, has completed an inspection of Selfridge Field. Col. Gilmore was sent by the War Department and Congress as the last person to inspect and pass on the proposed purchase of the field as an aerial gunnery base. He says that he has approved the purchase. He expects Congress to order the purchase within a month.

Detroit.—Colonel William Hensley, the only American to make the return voyage on the English blimp R. 34, told an audience at the Board of Commerce that "aerially America today is a backward child," and do not expect that unless private capital developed sky navigation in the United States, Europe would so far outstrip her that "Uncle Sam will never catch up." Germany, said the speaker, had ships in daily operation which could take a Detroit business man to Havana Saturday night and get him back to the city Monday morning.

RAILROAD STRIKE LEADERS NABBED

DEPARTMENT OF JUSTICE SAYS
I. W. W. AND BOLSHEVISTS
INCITED WALKOUTS.

NEW RAIL LABOR BOARD MEETS

Pressure For Speedy Settlement of
Strike Hurries Action—West
Reports Conditions Improve.

Washington.—The arrest of John Grunau, president of the Chicago Switchmen's union, and other "outlaw" strike leaders, is but the beginning of a new round-up of radical leaders who have been plotting to wreck industry and overthrow the government by force ever since the failure of the steel strike according to government officials.

Department of justice agents are on the trail of others working under the direction of William Z. Foster, who engineered the steel strike, and additional arrests are reported in Toledo, Detroit, Cleveland and other cities.

Senator Pomeroy, of Ohio, a member of the Senate interstate commerce committee, states that he has received information confirming charges that the present railroad strike is the work of paid agents of the I. W. W. and Communist party of America, "boring from within" the brotherhoods and other regular railroad unions. These charges were also made by the department of justice last week.

Plans for a general railroad strike were laid, Mr. Pomeroy said, at a meeting held last December in Chicago. The meeting was called by I. W. W. leaders and presided over by C. M. Ogden and A. E. Reese.

At this meeting it was proposed at first to organize the train crews into "one big union," but owing to the notoriety received by Foster during the steel strike, it was decided to organize the yard men first.

Toledo Strikers Return.

Toledo, O.—Railroad yardmen went unanimously back to work last Saturday. More than 1,000 switchmen and other yard employees in the Toledo terminal yard had been on duty on a "vacation" for 10 days reported for work during the day and were given their old runs.

The strikers met in mass gathering Saturday morning and were told by members of the executive committee that the railroads would take "them back without discrimination. As the men left the meeting they reported back to their said masters and signed up for work. Many of the crews went to work immediately.

Leaders of Strike Arrested.

Chicago.—Speedy disintegration of unauthorized railroad strikes in the central and far west was forecast last Friday with the serious blow struck by the government at the insurgents' stronghold in Chicago by the arrest of 25 strike leaders.

Warnings were issued last Friday in the principal strike centers in the west that unless the men returned to work by Saturday their positions would be declared vacant and new men employed.

In Chicago 500 switchmen employed on various roads returned to work, railroad executives announced, and a continued improvement was reported in traffic conditions. Steel mills at Gary, Ind., where 10,000 workers have been idle, resumed operations.

The situation in Michigan and Ohio, where several hundred thousand industrial workers have been forced out of employment, remained virtually unchanged.

Rail Labor Board Meets.

Washington.—Direct government intervention in the railroad strike situation took shape last Friday with the initial meeting of the railway labor board, created by the transportation act to deal with all railroad labor disputes.

The nine members of the board, called by the president, to meet and organize immediately, were confirmed by the senate after two days of discussion of Mr. Wilson's selections.

There was pressure for speedy completion of organization by the board, that quick action might be had in the strike situation. Virtually all strikers throughout the country who have voted to return to work, did so with the stipulation that their demands would be referred to the board.

Officials of the railway brotherhoods which have opposed the strike movement, government officers and members of congress, in urging the strikers to return to work, have held out to them assurances of prompt action through the board upon their specific complaints or demands.

Commuters Run New York Trains.

New York.—The long suffering commuter, afflicted in the funny collection and on the stage, has given a remarkable demonstration of his power by practically "breaking" the strike in the passenger service departments of the Erie and Jersey central railroads. Trains loaded with suburban business men were brought into the terminals, manned by volunteers—brokers, lawyers, merchants, salesmen, engineers and other professional men.

NEW AUTO THEFT LAW
SENDS MAN TO PRISON
FOR THREE YEARS

Detroit.—Robert Edwards, the first man in Michigan to be arrested for violating the new larceny statute auto theft act, was sentenced to three years in Leavenworth federal prison when he pleaded guilty before Judge Tuttle in U. S. district court.

Department of justice agents testified Edwards stole an automobile in Detroit and drove it to Toledo, where he sold it to a used car dealer.

Judge Tuttle announced leniency will be shown violators of the new act. The minimum penalty, said, would be a \$1,000 fine.

SELFIDGE ITEM REINSTATED

Purchase of Aviation Field By U. S.
Government Seems Certain.

Washington.—Congressman James last week offered a committee amendment to the army appropriation bill providing an appropriation of \$190,000 for the purchase of Selfridge field, near Detroit, which was adopted.

The field is now used by the government for aviation purposes, and it is intended by the James amendment that such shall be its permanent use. The government has spent \$2,300,000 on the field already, and its option to purchase it expires June 1.

The amendment was in the bill at one time, and then eliminated in the military committee. Congressmen Doremus and Nichols of Detroit, Scott, Fordney and others of the Michigan delegation, reinforced by Col. Edgar, of Detroit, appeared before the military committee, and made such a strong showing for the necessity of the legislation that the committee agreed to reinstate the item.

Henry Lane Wilson Demands U. S.
Send Forces Into Mexico.

Washington.—Intervention in Mexico as far as the 22nd parallel has been suggested to the Senate Mexican investigating committee by Henry Lane Wilson, former ambassador to Mexico.

The territory suggested by Wilson includes the rich Tampaco oil fields. Alternative solutions which would make intervention unnecessary are establishment of an orderly republic in Northern Mexico or a morally binding agreement that would protect American-owned industries and farm lands in Mexico. Wilson said.

SCHOOLGIRL SLAIN WITH AXE

Aged Man Calls Grand Child Out of
School and Kills Her.

Muskegon, Mich.—Stewart Moon, 72 years old, retired lumberman, called his granddaughter, 10 years old, out of the Glendale school at Muskegon Heights and killed her with an ax. Arrested, he said he did it because he believed he was soon to die and wanted her in Heaven. The girl was the daughter of Edward B. Moon, Muskegon Heights business man.

The aged slayer is believed mentally unbalanced. The granddaughter, his favorite, had been much in his company. For many days he had been going to the school to see her.

AID FOR SHIP BUYERS SOUGHT

Shipping Board Urged to Assist
Purchasers of U. S. Vessels.

Washington.—Government financial aid for companies purchasing shipping board vessels to enable them to compete successfully with foreign lines was recommended by business men and members of congress who advised with the board on methods of transferring into private hands the government-owned merchant marine.

Agreeing upon the advisability of the board disposing of its fleet, the conferees, upon motion of Fred H. Wells, of Minneapolis, adopted a resolution that "the ships should be sold upon such prices and terms that the American merchant marine may be firmly established."

MEXICAN REBELS VICTORIOUS

Uprising Against Carranza Regime
Appears Successful.

How Diphtheria is Contracted.
 One often hears the expression, "My child caught a severe cold which often leads to diphtheria," when the fact is, that the cold has simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. Adv.
