MRS. EVELYN CHASE BRANCH.

Mrs. Evelyn Chase Branch, widow of the late E. H. Branch of Brooklyn, New York, died Thursday, November 17, 1921, at the home of her brother-in-law, J. N. Branch of Jackson, where she had been visiting for some time.

Mrs. Branch was a daughter of Stephen J. and Cordelia M. Chase, who were well known pioneer settlers of Sylvan township, and was born 82 years ago on the farm south of Chelsea, now owned by George Merkel. She was united in marriage with E. H. Branch about 60 years ago and they had been residents of Brooklyn, N. Y., for many years, where Mr. Branch was a very successful business man. Mrs. Branch is survived by one son, Dr. E. C. Branch of Brooklyn, and one grandson, Chase Branch. Her husband passed away in July, 1920. Mrs. J. N. Dancer and Miss Abbie Chase of Chelsea are nieces of Mrs. Branch.

The funeral will be held Sunday in Jackson. The body will be taken to Brooklyn for interment in Greenwood cemetery.

WHO PULLED THE STRING?

A well known and prominent Chelsea business man had a surprising experience one evening recently while driving home from Ann Arbor. He was trying out the new asphalt highway and driving at a lively clip, when he noticed an inner tube lying at the edge of the curb. It looked like a perfectly good tube and also a perfectly good find, so the w. k. and p. C. b. m. stopped his car and went back to pick up his find. But just as he

TOM MAY.

Tom May, cartoonist, of Detroit, will be in Chelsea next Monday evening and will give a talk at a smoker given by the American Legion.

The above cartoon, "Forgotten," is one of Mr. May's and is considered one of the best of its time. It was responsible for the organization of the Forgotten Club of Detroit, which takes care of poor children at Christmas time.

stooped over to grasp it, the tube slid silently towards a clump of bushes, a slender string furnishing the motive power. 'Twas a good joke for the string-pullers, but just the same the w. k. and p. C. b. m. would like to know "who pulled the string?"

OUR NEIGHBORS' DOINGS

What's Happening in Nearby Towns and Communities.

The heavy fall of snow last week caused the roof of the Ford garage at Williamson to collapse, damaging many of the automobiles stored there.

The examination of Frank Graham, of Brighton, charged with having caused the death of George Keith, colored, at the Brighton Inn by a blow on the head with a water pitcher on October 12th, was held in Justice W. P. Tooley's court in Howell, Saturday. Graham was bound over to the circuit court without bail.

Several Ann Arbor taxicab drivers objected seriously when Paul Zahner attempted to start a two-bit taxi-line and appeared at the station in that city Monday night to meet passengers from the 11:19 train. Police say the objectors pushed the cab of Zahner off the stand, so that his opportunity to get passengers would be slight. However, when Zahner made his second trip, four officers were detailed to keep order at the station and he was not molested.

Little Lorraine Mazal visited the Ypsilanti police office Tuesday and inquired if a pocket book had been found. Chief Connors asked the little girl what was in her pocketbook and she informed him there was a penny, a thimble, and a looking glass. "I have your pocketbook then," the chief said as he reached in a drawer and handed the pocketbook to her. "Are there any changes?" asked Lorraine. "Oh no," replied the chief, and the little girl left smiling.

LINER "ADS" EFFECTIVE.

One of the most effective forms of advertising is in the "liner" or classified column where a n investment of a few cents is certain to give prompt results. Tribune liner ads are always run under the heading, "Wants, For Sale, To Rent," in the same position on the front page where they are easy to find and invariably catch the eye. Only five cents the line for the first subsequent insertion. Next time you want to buy something, or have something for sale or rent, try a Tribune liner.

THANKSGIVING PROCLAMATION. By the Governor.

"Oh that man would praise the Lord for his goodness, and for his wonderful works to the children of men."

In accordance with the custom long established by our fathers, it is entirely fitting that, at this season of the year, we should set apart a day of thanksgiving to the Almighty God, the source of all good, for the manifold mercies and blessings that are ours.

There is an old legend which says there are two angels whose duty it is to hear from earth the prayers of men. One is the angel of Requests and the other the angel of Thanksgiving. Each carries a large basket as he flies from place to place, listening at the doors of prayer-closets. The angel of Requests soon has his baskets filled and heaped up with the supplications of men, but the angel of Thanksgiving, after going all his rounds, has only a few little hymns of gratitude in the bottom of his basket.

Perhaps this fancy is truer than we suppose. People murmur and find fault much oftener than they rejoice and give thanks; but, as we look back over the past year, we have abundant reason for Thanksgiving in our individual lives, as a State, and as a Nation. A sufficient harvest has been gathered and we are assured of sustenance for man and beast. Our people, as a rule have been sober and steadfast, honest and industrious. No other land has been so highly favored as our own. We have still grave problems to solve, but, gaining courage from the experience of the past, we may go forward in hope and confidence, guided and blessed by the Providence of God.

Therefore, by virtue of the authority vested in me as Governor of the State of Michigan, I hereby join the President of the United States in designating Thursday, November 24, 1921, as a day of Thanksgiving and Prayer.

Given under my hand and the Great Seal of the State, this tenth day of November, in the year of our Lord one thousand nine hundred and twenty-one, and of the Commonwealth the eighty-fifth.

Alex. J. Groesbeck,
Governor.

CATARRHAL DEAFNESS

is greatly relieved by constitutional treat-
ment. HALL'S CATARRH MEDICINE
is a constitutional remedy. Catarrhal
Deafness is caused by an inflamed con-
dition of the mucous lining of the Eusta-
chian Tube. When this tube is inflamed
you have a rumbling sound or imperfect
hearing, and when it is entirely closed,
Deafness is the result. Unless the in-
flammation can be reduced, your hearing
may be destroyed forever. HALL'S
CATARRH MEDICINE acts through the
blood on the mucous surface of the sys-
tem, thus reducing the inflammation and
restoring Nature in restoring normal con-
dition.

How Not to Take Cold.

Some persons are subject to fre-
quent colds, while others, seldom if
ever, have a cold. You will find that
the latter take care of themselves.
They take a shower or cold sponge
bath every day in a warm room, avoid
overheated rooms, sleep with a win-
dow open or partly open, avoid exces-
sive, over eating, becoming over heated
and then chilled by getting the feet
wet. Then, when they feel the first
indication of a cold, they take Cham-
berlain's Cough Remedy without de-
lay and it is soon over.
