STRUCK BY AUTOMOBILE; MAY DIE FROM INJURIES

Small hope was being entertained
today for recovery of Clyde Martin,
10-year-old son of Mrs. Flossie Mar-
tin of Sylvan Center, who with Har-
ry West, 14, son of Lynn West, also
of Sylvan, were struck by an auto-
mobile driven by a Grand Rapids
man returning to his home after wit-
nessing the Michigan-Minnesota foot-
ball game Saturday. The boys were
riding a bicycle on M-17, young Mar-
tin on the handlebars and West on
the seat, about 7:30 Saturday eve-
ning. The Grand Rapids machine
was traveling with lights dimmed be-
cause of a passing machine and the
driver failed to see the boys on the
bicycle until the impact of the col-
lision.

Young Martin sustained a broken
leg and fractured skull beside other
cuts and bruises and was rushed to
St. Joseph hospital in Ann Arbor,
where latest reports state there is
small hope for his recovery. The
West boy escaped without serious in-
jury.

MARY A. PIERCE

Mary A. Pierce, was born in Sylvan
township, October 4, 1849, and passed
away at her home here, Wednesday,
November 18, 1925.

She was the eldest daughter of
the late Hiram and Catherine Pierce.
Her entire life was spent on the
Pierce homestead with the exception
of the past nine years spent in Chel-
sea.

She is survived by three sisters,
Miss Alma of Chelsea, Mrs. A. R.
Condon of Ypsilanti, Mrs. Adia
Prudden of Vicksburg and four
brothers, Herman and Sherman of
Lima township, Ralph of William-
ston and Max who is in the West.

The funeral was held at the house
at 2 o'clock Saturday afternoon, Rev.
E. L. Sutherland, pastor of Congrega-
tional church, conducting the ser-
vices. Burial in Oak Grove ceme-
tery.

THOMAS J. CAVANAUGH

Thomas J. Cavanaugh, 59, brother
of Martin J. Cavanaugh and Mrs.
Thomas Riley of Ann Arbor, died
Sunday morning at his home at Paw
Paw, Mich.

Mr. Cavanaugh was born in Man-
chester township, this county, and
was graduated from Manchester
high school and University of Michi-
gan. Since his graduation from the
latter institution in 1900, he has been
a practicing lawyer of Paw Paw and
gained the reputation of being a
lawyer of prominence in south-west-
ern Michigan.

He had been a candidate for gover-
nor and justice of the supreme court
and was a former mayor of his town.
He was president of the Paw Paw
school board for many years. Mr.
Cavanaugh was a delegate to the last
Democratic convention held in New
York and was a member of the state
central committee for several years.
At the time of his death, he was
president and director of First Na-
tional bank of Paw Paw.

He is survived by his widow, Jessie
Cavanaugh, a son, Robert, and a
daughter, Blanche Palett, besides
his brother and sister in Ann Arbor.
Funeral services were held Wednes-
day at Paw Paw, Ann Arbor Times
News.

SCHOOL NOTES

Immediately after school last Fri-
day afternoon the members of the
Freshman class went to the Crow's
Nest at Cavanaugh Lake. Misses
Henry, Stokke, Souther and Foote ac-
companied the party. Games were
played until time for lunch. A short
time after lunch they left for home.

The eighth graders are sporting
their new class caps in maroon and
gold.

The annual Thanksgiving dinner
was served this noon by the Seniors.
The dinner was followed by a pro-
gram which consisted of Thanksgiv-
ing songs and readings, music by the
orchestra and a short play by the
seventh grade.

Thursday afternoon at 3 o'clock
there will be a football game be-
tween the alumni and the high
school. It will be better than the
Michigan-Minnesota game. This will
be the last game of the season and
therefore the last chance to see the
team play.

CARD OF THANKS

We wish in this way to thank our
friends and neighbors for their acts
of kindness during our recent dis-
turbance; also the choir for their
beautiful songs and Rev. Hulbert for
his kind words.

A. J. May and family.

Mrs. Ed Cranna and family.

HIEBER-HOPPER WEDDINGS SOLEMNIZED TUESDAY

Miss Madron Hieber, daughter of
Mr. and Mrs. George F. Hieber, of Chel-
sea, and Mr. George C. Hopper, son
of Mr. and Mrs. Samuel W. Hopper,
of Detroit, were quietly married at
Royal Oak on Tuesday, November 24.
The wedding took place at the Meth-
odist Episcopal parsonage at that
place, Rev. Eugene Miles Moore offi-
ciating at the ceremony. Mr. and
Mrs. Russell Holderman of Royal Oak
accompanied the couple.

The bride of Tuesday is a popular
member of the younger set in Chel-
sea, and friends will be interested to
learn of her marriage. Mr. and Mrs.
Hopper will reside at the home of
the bride's parents for the winter.

G. AUGUST KOELZ DIES AT WATERLOO HOME

G. August Koelz, for more than fifty
years a resident of Waterloo and
vicinity, passed away at the family
home there Monday, November 23,
1925.

Mr. Koelz was a native of Wur-
temburg, Germany, being born there
February 10, 1851. At the age of 21
years he came to Waterloo where he
has since made his residence and was
widely known throughout this terri-
tory.

Beside the widow, deceased leaves
to mourn three sons, Theodore O.
Jackson, Herman of Detroit, and Dr.
Walter Koelz of Ann Arbor, the lat-
ter having returned recently from a
several months' Arctic expedition
with the MacMillan. Funeral ser-
vices were held Wednesday afternoon
at 2 o'clock at the late home, Rev.
Hansen officiating. Interment in Mt.
Hope cemetery, Waterloo.

DOG LICENSES MUST BE PAID OR DOGS SHOT

Wm. Atkinson has been appointed
in Sylvan township to collect unpaid
dog licenses due for this year. In a
letter of instruction received from
county officials in Ann Arbor, Mr.
Atkinson has been told to see that all
licenses were paid or the dogs shot or
otherwise disposed of. Mr. Atkinson
will be at the Farmers and Merchants
bank on Saturday afternoon to re-
ceive the license fee.

ORGANIZE SEWING CLUB

The girls of the Lima Center school
have organized a sewing club under
the direction of their teacher, Gladys
Forner. They elected the following
officers: President, Lella Seitz; vice
president, Olive Burkhardt; secretary
and treasurer, Rubena Koch; re-
freshment committee, Grace Luick;
entertainment, Blanche Finkbeiner,
Leatha Smith; leader, Gladys Forner.
The first article to be made by the
girls is a sewing bag. Their second
meeting was held Friday night at the
school house and they have their
sewing well under way.

After the business and sewing
hour, refreshments were served and
games played.

JOHN MCKERNAN STRUCK BY AUTOMOBILE SATURDAY

John McKernan was badly injured
about 3 o'clock Saturday afternoon,
when he was hit by an automobile,
driven by Albert Chambers.

At the time of the accident, Mr.
McKernan was crossing the street
near Freeman's store. An auto was
being driven south, and the driver
sounded his horn as a warning. Mr.
McKernan, in an effort to avoid be-
ing struck, stepped in the path of
the Chambers car, being struck and
carried some distance. The injured
man was taken to a local physician's
office, where he was given first aid.
His injuries consist of a gash on his
face and his left arm was broken be-
tween the elbow and shoulders.

He was taken to Mercy hospital in
Ann Arbor by J. E. Weber shortly
after the accident, and according to
last reports he was slowly recover-
ing.

SIX MEN INJURED WHEN AUTO SKIDS INTO DITCH

Automobile accidents claimed the
usual number of victims over the
week-end, a number of them happen-
ing on M-17 within a few miles of
Chelsea. Late Sunday afternoon a
large touring car carrying six men,
all believed to be from Chicago,
skidded into the ditch and turned
over near the Goetz farm house west
of town, injuring all of its occu-
pants to a more or less degree.
Thomas Iszard, Bernard Brown, Paul
D. Seer, J. Williams and two other
men whose names were not learned
were included in the car's occupants.
The car was a total wreck, being
crushed almost beyond repair.

Reports reaching Chelsea early
Monday morning were to the effect
that two cars collided and piled up
in the ditch at the Francisco road on
M-17. No details were available.
Other accidents are continually be-
ing reported but so common are they
that only passing interest is man-
ifested except in cases where serious
injury or death accompanies the ac-
cident, and even then little concern is
shown unless local parties are in-
volved.

EXTENSION WORK BRIEFS

The Dexter Center Needle club
was organized at the Dexter Center
school with Miss Mona Walsh as the
local leader; president, Grace Hadley;
vice president, Ruby Hadley; secre-
tary, Mattie Cramer; treasurer, Helen
Haver. There are eight girls taking
first and second year work in this
club.

Mrs. Harry Knickerbocker, teacher
of the Lima No. 10 school, is local
leader of the Never Fall Hot Lunch
club. This is the first Hot Lunch
club to be organized in Lima town-
ship. The officers are: President,
Edna Orbring; vice president, Har-
old Messner; secretary, Leroy Haller;
treasurer, Leonard Satterthwaite.
There are sixteen boys and girls en-
rolled in this Hot Lunch club. It
may be of interest to note that a
sheep club will be organized in this
particular district during the win-
ter.

The U-Need-A-Hot Lunch club of
the McIntosh school of Lyndon town-
ship was organized for its second
year in hot lunch club work with
Miss Effie Isham as local leader. The
officers are: President, Albert Coop-
er; vice president, Orson Beaman;
secretary, Helen Ulisch; treasurer,
Earl Fowler. There are nineteen
boys and girls enrolled in this club
including the teacher.

ALCOHOL PERMITS
Secretary Mellon of the U. S. Treasury Department, in whose hands the law has placed the power to issue or withhold the issuance of liquor permits, has revoked all alcoholic permits, to end on December 31. After that time, it is said there must be a new deal, and a new system of issuing permits to move, use and convert alcohol.

The complaint has long been made by those who are sincerely trying to enforce the Volstead act, that alcohol withdrawn for the declared purpose of denaturing has never been denatured, but has been used by bootleggers in making synthetic booze with a vicious kick. Alcohol used in industry will be more thoroughly investigated and watched through the various channels through which it must pass, in the future, it is said.

Such a move, if it is actually made, and is sincere, will do very much toward heading off some of the supply of booze that gets to the bootleggers, and from them into the hands of the public.

HEAVY STARS
Scientists are startling us every day. Now comes Professor Herbert Dingle, noted British astronomer, in an interview it has been computed that substance of aged stars is 53,000 times heavier than water and 10,000 times heavier than iron. A child could not lift a piece the size of a penny. A pint of it would weigh more than twenty-two tons. It shall be our constant care that some night when we are out gazing at the stars, that some careless resident of one of these ancient bodies doesn't chance to pour out a pint or so of star-juice to fall on our luckless head!

UNLUCKY
No wonder King Tut died young. When they examined his body in its magnificent sarcophagus they found he wore thirteen rings. Queer that old lady Isis didn't warn him that thirteen was very unlucky.

YEAR WITHOUT SUMMER
Herbert Javitt, Browne, long-distance weather forecaster, sticks to his prediction, based on calculations of sun spots and meteorological conditions, that the year 1924 will be a cold one in the southern hemisphere, and 1927 will be cold all the year in the northern hemisphere, with frost every month in this section, due to sun spots and influence of the moon upon the earth's weather.

On the other hand, some of the goosebone prophets tell us that next year will be the cold one. While other gooseboners tell us that next year will be warm. So far as we can see, the only thing to do is to wait and see. It does look as though weather might be predicted with a greater degree of certainty than is now the case with the United States Weather Bureau at Washington.

A SMALL COMET

A new comet has been discovered in the constellation of the Hunting Dog. The astronomer can not yet tell us whether or not it will be visible to the naked eye. Anyway, the day has passed when a comet excites fear, or even surprise. That much modern science has done for the human race. If it could extract the fear from some other things that have long tended to depress and handicap mankind, great wonders would result.

BUSINESS OUTLOOK GOOD

Dudley F. Fowler, vice-president of the American National Bank of New York, in a talk over radio Tuesday evening spoke most optimistically of the business outlook for this country this winter. Mr. Fowler spoke of the wheat crop, one of the largest in recent years, with wheat at a good price, of a bumper corn crop and good prices for corn, of a greatly increased cotton crop and a good price for cotton, of the condition of the railroads with more freight than they can handle, in many cases; of the steel mills with the greatest record of orders pilled up in the history of the industry; with money plentiful and obtainable at low rates, he declared that the business outlook is better than it has been in many years, and it appears in fact and in truth to be that way.

HITTITE TABLETS

Princeton University announces the deciphering of clay tablets of the Hittites found in the excavations made under the supervision of Harold H. Bender, professor of Indo-Germanic Philology of Princeton. The excavations are made at the site of ancient Hattil, about ninety miles east of Angora, the present capital of Turkey.

These tablets range back well beyond the year 2000 B.C. They throw much light on the ancient peoples, religions and customs. They show a very high state of civilization, superior to that of the Egyptians and Babylonians, and more advanced than the Hebrew civilization of the period of Moses, Saul and David. These tablets will undoubtedly throw some light on the early religion of the great races of the earth at the beginning of recorded time. They will, no doubt, untangle some of the threads of controversy over the question of evolution and religion.

TO FIGHT BANDITS

Nelson C. F. Pratt, chairman of the board of selectmen of Saugus, Mass., is a man who has the right thought as to the way to take the play out of bandits who operate so freely and so boldly in this country. He would have a picked committee of 100 citizens of Saugus, armed with revolvers, and with instructions to shoot to kill any bandits who might undertake to over-ride the law and the officers.

Chairman Pratt proposes to equip the citizens with revolvers and have them patrol the streets, especially at night when stores are closing for the day. The Board of Selectmen will take up consideration of the proposition at a meeting next Monday night. Several attempted hold-ups and a hold-up and shooting on a street in nearby Lynn are pointed to as causes for the arming of citizens.

It has come to such a pass with the federal government declaring its impotency, and the state government apparently too weak to stop daily hold-ups and killings, to say nothing of their infringements of the law, that the citizenry of the country will have to do something if this spread of crime is to be stopped.

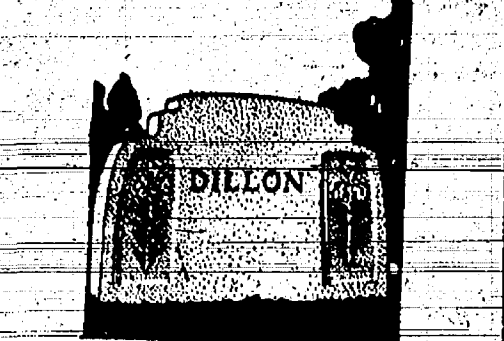

With some judges advocating the denial of the rights of citizens to arm under any circumstances, and propaganda being published against the possession of firearms by citizens, it is refreshing to hear of one official in the country who is willing to have his citizens at least on a partial fair footing with the bandits and bootleggers.

BRITAIN FORGETS

News from England relating to the celebration of Armistice Day over there, is to the effect that Great Britain is forgetting her war hatreds and that this year for the first time, the Germans and the English in London generally fraternized on the day celebrated as the end of the world war.

It is well.

PESTS WASTE FOOD

Insect pests of various kinds waste enormous amounts of foodstuffs annually according to reports of agricultural experts.

Huge losses to crops through devastation by insect pests must be checked by scientific research. Dr. Clayton Roberts Orton, professor of plant pathology at Pennsylvania State College, said in an address at the Botanical Garden, in Bronx Park. He estimated the losses run into the millions.

He suggested that the cereal crops are reduced annually by about 8 per cent, on the average, as a result of smuts and other seed-borne parasites. The bean crop suffers an average annual loss of about 8 per cent, and other crops proportionately. "Through the distribution of infected seed the various parasites have found their way into all productive regions," Professor Orton asserted.

Some of these parasites, such as the cereal smuts, are known to be present wherever these crops are grown. Federal restrictions exist

but as food production becomes more exacting, with the rapid increase in population, more effort must be made to lessen the crop losses from such causes, he pointed out. One of the most efficient methods of increasing production is protection of crops from attacks of parasites. Seed treatment of wheat, oats, barley and other crops will control smuts and other diseases and result in a corresponding yield increase which in value is vastly out of proportion to the expense involved in the treatment, said Dr. Orton.

Of the materials which have been utilized for seed disinfection, formaldehyde, copper and corrosive sublimate have been generally considered standard, but each has its limitations. In this connection, Professor Orton is directing research on seed-borne parasites at the Boyce Thompson Institute for Plant Research at Yonkers.

Seedsmen have been enlisted, and shortly it is expected that no seed will be permitted on the market excepting such as have been disinfected.

THANKSGIVING DAY

TO OUR forefathers who developed this great land of plenty we owe much.

They were courageous, hard-working and thrifty, and above all thankful for the blessings their honest efforts and labors brought them.

Is it not well then that we too, on this Thanksgiving Day, as we enjoy our pumpkin pie and turkey, consider our own courage, hard-work and thrift and be truly thankful for the wonderful example our forefathers gave us.

BREVITIES.

PINCKNEY—Sheep killing dogs have been busy in Henry Kice's flock of choice Delaines. Several are killed and great damage has been done to these fine sheep.—Dispatch.

MANCHESTER—At last the machinery for W. J. Hoffer's new mill on the site of the old one that burned, has arrived and is now being assembled and placed ready for business. We are all very much pleased, especially so the farmers in this community.—Enterprise.

MANCHESTER—Adoniram Council R. & S. M. did not hold an assembly this month, but on Tuesday, December 15 the annual assembly and election of officers will be held and there is talk of making this date an event of more than usual interest so that every member, at least all residing within 15 miles, will be present.—Enterprise.

ANN ARBOR—According to a dispatch from Probate Judge F. A. Elliott, Chicago, under the terms of the will of her mother, Sarah Walker, Mrs. L. W. Oliphant of Barton Hills is bequeathed an estate of \$300,000. Although there were other relatives the entire estate was left to Mrs. Oliphant and she is in Chicago at present settling the estate.

ANN ARBOR—Chas. A. Sink of this place has announced that he will be a candidate for nomination as state senator from the 12th district. Mr. Sink has served as a senator in the legislature of 1921-22 and is a representative in the legislature at present. The district consists of Washtenaw and Oakland counties and the election will be held in November, 1926.

POWELLVILLE—Game Warden Howard Hatt arrested Ernie Wanket, Jerome Dawit, Henry Ierson, Ambrose Hofer and C. Wanket, all of Detroit, November 25, for hunting with a ferret in Handy township. They were arraigned before Justice Sidell and each paid a fine of \$10 and \$6 costs and their guns confiscated, all of which should remind them that it is against the Michigan law to hunt with a ferret.—Review.

BRIGHTON—Charles V. Lane, head of the department of public safety of Michigan, is about to do some motion picture filming. Between Brighton and New Hudson is a tract of woods in which it is planned to have a raging forest fire which will be helped along with gasoline, the fire flames and the scene worked into the complete picture which will be made elsewhere. Precautions will be taken that the fire does not spread to adjoining property.—Argus.

STOCKBRIDGE—A large basement barn on the Wm. Longacker farm northwest of Plainfield burned Wednesday morning at about 8 o'clock. A call was sent for the Stockbridge Fire Department which responded to the call and found other buildings in no immediate danger, being well under control by neighbors. Three head of cattle, a new Ford truck, hay, feed and a quantity of farm machinery were destroyed with the barn. The origin of the fire is unknown, starting in the upper part of the building where no one had been for days. The barn was wired for electricity.—Brief-Sun.

HOWELL—The greatly congested traffic at the various crossings of Grand River St. in the down town district has made it necessary for the city council to order three automatic electrically controlled crossing signals which are to be installed at the crossings of Michigan Ave., Court St. and Walnut St. Each signal will contain twelve, eight-inch balls eye lights, green for go signal, red for stop and a yellow warning flash signal between the two main signals. This action on the part of the council was brought about by the increased traffic on this highway, Grand River being one of the most traveled roads in the state of Michigan.—Republican.

BUNKER HILL—Pointing to the Scriptures in which the apostle Luke quotes the Saviour as admonishing his host not to call in his friends, nor his kinsmen nor the rich when he made a dinner or supper but to invite the poor and the maimed and the lame and the blind, Rev. Wesley Weigman of the Nazarene church of Bunkerhill, issues a general invitation to those mentioned in verses 12 to 14 of the 14th chapter of the gospel of Luke to be the guests of the church at a free Thanksgiving dinner which will be served at the church on Thanksgiving Day. After the dinner which will be served at noon, fast time, there is to be the Thanksgiving message at 2:45 with an evening service following at 7:00 which will begin with a song service with special music as the feature.

REPAIR SERVICE STANDARDIZED

The first move by an automobile manufacturer to establish complete standardization of methods employed in repair service has been made by the Ford Motor Company in a text entitled "Ford Service" which is for distribution to authorized Ford dealers and service stations. The book, which includes about 800 pages, is the culmination of several years of research by Ford engineers. It contains in minute detail, with numerous illustrations, every operation in assembling and repairing Ford cars.

Automobile engineers all over the country have long urged that a system of repair methods, standardized by

"We Buy and Sell Fairly Sold"

LET US GIVE THANKS!

"Some have meat and cannot eat,
And some would eat that want it;
But we have meat, and we can eat
Sae let the Lord be thank it!"

Thus wrote the illustrious poet, Robert Burns. And as another Thanksgiving Day draws nigh, we can't help but recall that simple verse of four lines. What a wonderful bit of Truth in it! The picture it paints befits us all—no matter what station in life we hold—no matter whether our home be a humble abode or a mirrored palace.

We HAVE much to be thankful for! Prosperity has wielded its magic wand o'er our great land. It has brought the light of happiness into every home. Perhaps, not as much in some as in others—but all, in some measure, have been benefited by its blessings.

Yes, we know not what it is to come away from a table hungry and let's hope we never do. Nature has again blessed us with a bountiful Harvest and our markets are flooded with the necessities that sustain life. We have but to ask and it is given us with plentiful hand.

Each day the sun seems to shine a little brighter for us. And through its beams we see no dark clouds on the horizon. Our future seems assured—yes, looking more promising of Happiness and Success than ever.

So as we once again gather round the festive board on Thanksgiving Day—let's not forget to take the poet's advice and

Michigan farmers will not be permitted to make exhibits of their corn at the international hay and grain show held in connection with the international live stock show at Chicago, the first week in December. This announcement was sent out from East Lansing Friday by the authorities of the Michigan State College.

The Standard was in error in its statement about the accident of Jacob Kern and W. F. Roepcke on South Main street. The account stated that Mr. Kern did not have his lights on which was untrue, as he did have them turned on but the impact of the collision put them out of commission. The Standard cheerfully corrects the mistake.

A very pleasant family gathering took place Sunday at the home of Mr. and Mrs. W. G. Lewick of Lincoln street. The event was in honor of the anniversary of the birth of their granddaughter, Marjorie Sodi. Those present were Mr. and Mrs. Reuben Sodi and family of Freedom, Mr. and Mrs. Arlo Dusinger and daughter of Stony Creek, and Mr. and Mrs. Elmer Schaefer and son, of Scio.

The second meeting of Mrs. A. L. Bradbury's class in Home Management met with Mrs. John Fischer on Wednesday, November 18. Eleven members were present. Working heights in the kitchen and working postures were the themes of the lesson. Anyone wishing to take the work is invited to attend a meeting to see how interesting and helpful the lessons are. The next meeting is held at the home of Mrs. George Savery, January 7.

The S. P. I. club met at the home of Mrs. J. N. Strieter on Monday evening and entertained with a program of Thanksgiving poems, stories and games. The occasion was the close of a Bunco contest in which the winners, Miss Lillie Wackenhut and Mrs. Lester Winans, were entertained by losers. A dainty luncheon was served. A color scheme of yellow and orange furnished appropriate decorations for the occasion. The next meeting will be held at the home of Mrs. Wilbur Hinderer.

Happy Endings Win.
Patrons of motion pictures in Ausonia greatly prefer American films to the home product. The happy ending seems to get the money all the world around. Though the unhappy ending may be logical and artistic, the human beings reacting in pieces of amusement a refuge from the harsh realities of every day do not care for them.

A TEST OF YEARS
Is the Experience of This Chel-
Resident

Are you miserable with an ach-
back? Feel tired, nervous and run-
down? Do you have daily headaches
and disordered? Then why not take the
dissay spells and annoying urinary
advice of a Chelsea resident who
suffered as you do and found relief
by using Doan's Pills—a stim-
ulant diuretic to the kidneys? Here
is a Chelsea case that the years
haven't changed. Why not profit by
it?

Mrs. W. D. Arnold, E. Middle St.,

Lib. 158 of Mortgages on page 24,
And whereas the amount claimed
to be due on said mortgage at the
date of this notice is the sum of
\$5980.83, and no suit or proceeding
has been instituted at law or in
equity to recover the debt now re-
maining secured thereby or any part
thereof;
And whereas, it is provided in said
mortgage that should any default be
made in the payment of the interest
or any part thereof or of any install-
ment of principal or of any part
thereof on any day when the same is
payable, and should the same remain
unpaid and in arrears for the space
of thirty days, then and from that
time thereafter after a lapse of said
thirty days, so much of the principal

sum as a means unpaid with all arrears of interest shall at the option of the said William S. Baird and Addie S. Baird, parties of the second part, become due and payable immediately thereafter, and wherefore default has been made in the payment of the interest and principal of the sum, and the same has remained unpaid and in arrears for more than thirty days, and the said parties of the second part have by virtue of the provisions in said mortgage, on account of said default, declared the whole amount of the principal sum together with all arrears of interest due and payable, and default thereon has been made in the payment of the same, whereby the power of sale contained therein has become operative.

Now, therefore, notice is hereby given that by virtue of said power of sale and in pursuance thereof of the statute in such case made and provided, the said mortgage premises will be foreclosed by a sale of the mortgaged premises at public vendue to the highest bidder at the south front door of the court house at the City of Ann Arbor, in said County of Washtenaw, that being the place of holding the Circuit Court with venue in said county, on the FIFTH day of February, A. Electrical Cooking

The first public dinner to be cooked electrically was served in 1886 at the Cannon Street hotel, London, England. The dinner was in honor of the third mayor of London and the dinner served and the means of cooking there created quite a sensation. Today there are in the United States more than 100,000 electric stoves where electricity is available and it is supplied at a

When Something Happens

How communities have come to depend upon their public utilities is understood most when something happens to one of them.

When a fire disabled one electric service company the newspapers depicted the following conditions—

Street car service was discontinued, industries using city power were disabled, stores were closed early, hundreds of homes were in darkness or lighted only by candles or oil lamps, radio sets were soon out of commission, newspapers were crippled, state police and special policemen patrolled the streets—or as one correspondent wrote—"the city and its environs reverted to a primitive mode of living."

Which all goes to prove that the things we depend upon most we appreciate least. The greatest problem facing the electrical industry is to create in the minds of consumers an appreciation of the service we are rendering them.

INCREASING SERVICE INSTRUCTION SCHOOLS

The service promotion department of the Chevrolet Motor company, in its work of establishing throughout the nation a uniform standard of service for Chevrolet owners, is doubling the number of Chevrolet service, instruction schools.

Before the first of the year it is expected that 20 of these schools will be in operation. Through their painstaking instruction of mechanics, foremen and proprietors of Chevrolet service stations the schools are assuring to every Chevrolet owner the highest degree of continued driving satisfaction.

J. M. Little, manager of parts and service for the Chevrolet Motor company, has joined and co-ordinated the field force of his service promotion division, with the service schools. Formerly the two were operated independently. Now 15 men are engaged in the joint work of school instruction and service promotion.

Separate courses of one week each are given at the service schools for Chevrolet mechanics, service foremen and service station owners. The mechanics work under skilled instructors in model shops. Using precision equipment, they are shown the quickest and most efficient manner of doing all servicing operations. The course for service foremen is slightly more comprehensive, while that for service station owners goes into such details as shop layout, service department administration, maintenance of parts stocks, the flat rate system, account keeping, etc.

"The service schools and the service promotion department work hand in hand," said Mr. Little. "A dealer, having seen a model Chevrolet shop in operation at the school, usually is already 'sold' when a service promotion representative later visits him and suggests that he rearrange his service department in accordance with one of the several Chevrolet model plans and install the latest specially designed Chevrolet precision tools. He knows that the move will reduce his costs and increase his business."

"If a dealer wants a model service department, the service promotion representative directs the work without charge and remains until it is installed and in satisfactory operation. So many dealers have entered requests for the model service stations that the department is several weeks behind in the work of installation."

FRANCISCO

C. H. Plowe has returned from the hospital in Ann Arbor, somewhat improved.

Mrs. Lewis Lambert, Miss Velma Bohne, Edward Willy and Mrs. Henry Frey and Mrs. Sadie Frey were among the Francisco people who were Chelsea visitors last week.

Complimenting Miss Mabel Kalmbach Saturday, her aunt, Mrs. Peter Young, entertained at a miscellaneous shower at her home west of town. About 80 guests, friends and associates of Miss Kalmbach, were present. The afternoon was spent socially, the guests presenting her with pretty, serviceable gifts, which will bring the bride-to-be many pleasant memories in the years to come and remind her of many happy associations.

Mrs. Herman Bohne and children spent Sunday with Mr. and Mrs. John Helle.

Mrs. Sadie Frey of Jackson, will spend Thanksgiving week with her parents.

For the pleasure of Miss Mabel Kalmbach, a bride-elect, her aunt, Mrs. Herman Bohne of West Francisco, and her friend, Mrs. Sadie Frey, entertained a company of fifteen young ladies Monday afternoon at a towel shower at the home of Mr. and Mrs. John Helle in Francisco. The afternoon was spent in a most pleasant manner, and at 5 o'clock the doors to the dining room were thrown open and a most pleasing setting greeted the guests. Festooned from the corners and sides of the room were pink and white ribbons leading to a huge white bell centered over the table. Centering the table were a bride and groom beneath an arch decorated in pink sweet peas and green vines. Favors were pink nut baskets tied with white ribbons hung with numbered cards. From a white bowl on the buffet, guests drew their number by drawing a pink ribbon, and these numbers marked their

Easy Method
A reputation for wisdom may be acquired by applying the opinions of one's neighbors.—Boston Transcript.

Lumbering
A new method of lumbering has been developed in the Northwest. It is said to be a better method than the old one, and it is better adapted to the conditions of the Northwest. It is a method of lumbering that is better adapted to the conditions of the Northwest.

Pays to Keep Temper
When you are right you can afford to keep your temper and when you are wrong you cannot afford to lose it. In either case you will, by losing your temper, make a fool of yourself and lose the respect of your friends and neighbors.

Two Great Purposes
The improvement of the understanding is for two ends: First, for our own increase of knowledge; second, to enable us to deliver and make use of that knowledge to others.—Locke
