## ELBA G. SCHATZ WEDS JACKSON YOUNG LADY

Pretty Home Ceremony Marks Wedding of Popular Chelsea and Jackson Young Folks.

In the presence of their immediate relatives, Miss Laura G. Lloyd, Jackson, and Elba Carter Schatz of Chelsea, were united in marriage, Wednesday afternoon at 1 o'clock at the home of the bride's parents, Rev. L. A. Townsend of the Loomis Park Baptist church, Jackson, officiated. Miss Lloyd is the daughter of Mr. and Mrs. Clifford J. Lloyd, 1124 Martin street, of that city, and Mr. Schatz is the son of Mr. and Mrs. Will Schatz of Chelsea.

The ceremony was performed in front of an improvised arch of lilacs and greenery. Daffodils were used in other parts of the home for decorative purposes. The wedding march was played by Miss Anna Snyder of this place.

Miss Lloyd was attired in a dress of silver and green changeable taffeta. It was fashioned with a tight bodice and full skirt and trimmed with silver flowers. The corsage bouquet was of white roses.

The maid of honor, Miss Thelma Brott, of Hillsdale, wore a frock of light tan silk with a rose figured design. Red roses formed her corsage bouquet.

William Schatz, a brother of the bridegroom, was the best man.

Mrs. Schatz wore for a traveling costume, a dress of sand colored crepe de chine with trimming of coral. Her hat was in the same shade and her coat was of brown with pink trimming.

The bride was charming in a gown of tan silk crepe trimmed in gold embroidery. Her flowers were ophelia roses and lilies of the valley.

Attending the bride was her cousin, Miss Maxine Marshall, who wore a gown of blue silk trimmed in gold braid.

Five minutes after the ceremony was performed a telegram of congratulations was received from Dr. Wats, of Cleveland, uncle of the bride.

Following the ceremony a dinner was served to about 45 people. The house was decorated in pink and white.

Mr. and Mrs. Teachout left immediately for a wedding trip. Upon their return, they will reside at the home of the bride's parents, and will be home to their friends after April 1.

Mrs. Teachout will be remembered by her many friends in Chelsea as a graduate of the class of 1922.

## Slav Patronymics

Slav and vitch are patronymics, meaning "son of," as distinguished from the patronymic ovna, meaning "daughter of." The termination "ski" is found in many Polish surnames.

## RESIDENCE WILL BE OPENED SOON AS FUNERAL HOME

Interior remodeling operations are about completed on the former home of John C. Fischer at 513 East Huron street, Ann Arbor, which recently was purchased by George P. Staffan of Chelsea and Ann Arbor for a funeral home.

The place has been completely redecorated and some changes made in the layout to accommodate a chapel and rest room. Considerable time and money has been spent to make the new funeral home modern in equipment and attractively decorated.

George P. Staffan and Frank W. Staffan, his son, will be in charge of the Ann Arbor funeral home, which will be operated in connection with a similar business owned by them in Chelsea.

For three generations, the Staffans have been funeral directors, the business having been started at Chelsea by George P. Staffan's father, Frank Staffan, 65 years ago. George Staffan was associated with his father at Chelsea for many years and Frank W. Staffan became interested in the business a few years ago, making the third generation of funeral directors.

Two years ago, an office was opened on South Main street, in Ann Arbor. This place was in charge of Frank W. Staffan. Recently, the large residence of Mr. Fischer on East Huron street was purchased and work started at once to make the place suitable for a funeral home.

The west side of the first floor of the building will be used as a reception room while the east side, running nearly the full length of the building, will be the chapel. Individual slumber rooms have been provided in the back part of the building on the first floor.

Furniture, together with draperies and carpets, are being placed in the home at the present time.

George P. Staffan will continue to conduct the business here, but will spend part of his time in Ann Arbor assisting his son in conducting the new home.

## MRS. CAROLINE STEEB

Mrs. Caroline Steeb, 36, died Saturday in an Ann Arbor hospital after a short illness. She was born January 19, 1890, in Lima township, a daughter of Mr. and Mrs. Martin Widmayer. She was married June 8, 1909, to Frank Steeb and had resided there 15 years in Dexter.

She was a member of St. Andrew's church, the Ladies Aid Society and Westlawn Chapter, No. 302, O. E. S.

Mrs. Steeb is survived by the widow, a daughter, Dorothy, and six sons, Paul, William, Roland, Leroy, Lloyd and Alton, all at home; three brothers, Herman Widmayer of Detroit and Rudolph and Edgar Widmayer of Dexter; a sister, Mrs. E. E. Wallis of Royal Oak.

Funeral services were held at 1:30 Tuesday afternoon at the residence and at 2 o'clock at St. Andrew's church. Rev. C. E. Weiss officiated. Interment was in Bethlehem cemetery at Ann Arbor.

Mr. and Mrs. Albert Widmayer and Mr. and Mrs. Chas. Meservy attended the funeral.

Why not all go to Shadow Social at Lima Center, March 26th. Good program to be given.

## Round and Round

The job of making both ends meet is a job with no end.

## ST. MARY'S FIVE WILL BID FOR STATE CHAMPIONSHIP

Winners in District and Regional Tournaments Meet in Ann Arbor Tonight for Start of State Finals

With District and Regional tournaments behind them in a whirlwind of fast and furious games in which regular scores were almost too close to be comfortable, St. Mary's high school basketball team is preparing for the state championship finals which are to be played at Waterman Gymnasium, Ann Arbor, beginning this evening and continuing through Friday and Saturday evenings.

The game this evening in which the local team will appear as opponent of Alpena, will begin at 9 o'clock and it is expected a large number of Chelsea rooters and basketball fans will attend the game. Winning of the game with Alpena will permit them to play at the same place at 7 o'clock on Friday evening and should they win, which they are confidently expected to do, they will play again at 7:30 on Saturday evening, when final contestants for the state championship honors will finish the tournament. Cops already won in the district and regional tournaments are considered handsome trophies in themselves but it is believed they will look much better beside the gold and silver basketball, state trophy, and, along with state championship honors, is expected to rest securely in the keeping of Chelsea's team when the finals are completed.

The St. Mary's team is composed of Leo Tuttle, r. f., John Keusch, l. f., Morrice Hoffman, c., Robert Wheeler, r. g., Geo. Lisbeck, l. g., Richard Heisel and Tommy Young, guards. Greatly outwitted by almost every member of every team they have played so far, the local team has made up in speed and headwork any advantage of opposing players. And it speaks well for their progress to state that the St. Mary's cagers are one of the eight teams left to play out of 27 started in the regional tournament at Ypsilanti.

The first game played by Chelsea's stars was won by them over Britton by a margin of only one point; the second game, with Petersburg, was won by 2 points in a three minute overtime period, and the third game which was also the hardest, was won from Grosse Ile by a margin of 3 points. The team is picked from a high school enrollment of only eleven boys, have an average weight of 130 pounds and height of 5 ft., 6 in.

That championship titles are not new to the Chelsea cagers is shown by the fact that in 1923 they won the Class C state A. A. U. title. And in 1925 were winners of the Class D tourney at Ypsilanti. In this season's record is found 17 games won with but three lost. For the past seven years a record of 165 games were won and only 13 lost. That the boys are proud of this showing is pardonable in view of the fact that grown-ups share with them this pride. Added prestige for Chelsea in the athletic field is seen in the continued success of the team and it will be an anxious bunch of rooters which will be pulling for the home team the next three evenings in Ann Arbor.

## SCHOOL NEWS

The Junior Carnival put on last Friday evening was a great success. In spite of the bad weather a large crowd attended. Anyone with a sweet tooth could be contented with the home made candy and ice cream or, if he were lucky enough, by eating Brooks' or Lambert's chocolates. One could get thrills galore in the "Haunted House" and visit an art gallery with which no other can compare. Other attractions were the shooting gallery and fortune telling.

A one-act play entitled "Billie" was presented. Those who saw it are looking forward to a good Junior play.

The last basketball game of the season will be played Friday night when the Alumni and the High school clash. It will no doubt be "fast and furious" and intensely interesting. Be sure and come. Remember its your last chance this season.

## ALONZO G. LANE

Alonzo G. Lane, son of the late Mr. and Mrs. Watson G. Lane of Unadilla, died Thursday, March 18, 1926, at the home of his brother, Dr. C. C. Lane and family with whom he had resided for the past four months.

He was born in Lyndon, October 8, 1864, and had spent his entire life in the vicinity of Unadilla.

He is survived by three brothers, Dr. C. C. Lane of Sylvan, Dr. Theodore Lane of Ann Arbor, and Herbert Lane of Howell, two sisters, Mrs. Earl Elliott of Detroit, and Mrs. George Richmond of Jackson; two nephews and one niece.

The funeral was held in the Unadilla Presbyterian church at 10 o'clock Sunday afternoon, Rev. E. I. Sutherland of Chelsea, assisted by Rev. Hurlburt of Unadilla, conducting the services. Interment in Unadilla cemetery.

Lots of fun for all at the Shadow Social at Lima Center, March 26, 3-25

The fear of what neighbors or acquaintances will think or say has kept more people poor than any other one factor.

## EDISON

What Mr. H. T. Plumb of Salt Lake City has to say about Thomas A. Edison:

"Nearly everything you eat, wear or use is manufactured in a motored-driven factory. Count your electrical comforts all day long and when night comes think of Edison. Recall how many of his inventions you have used during the day. Telegraph, telephone, phonograph, moving pictures, electric lights, dynamos, motors, transmission lines, power plants, street cars, batteries, street lights, radio and hundreds of other devices were invented by him or greatly improved by his marvelous ingenuity. He had something to do with every one of the electrical appliances in common use today. He profits most who serves best. Fame and fortune and great honor have come to Edison but he will be remembered by what he has done. Humanity will share forever in the rich dividends of his life. He was a master worker, a great builder, a burden lifter for humanity, the greatest inventor, the 'Grand Old Man of Electricity.' All honor to Edison."

## Chats with your GAS man

Not so easy, is it?

In a recent movie comedy - perhaps you saw it - a smart young husband wonders what his wife does around the house all day long, and offers to show her how to run things. "Gimme two hours," he boasts, "and I'll have the whole day's work done!" When friend wife returns at four o'clock in the afternoon - she gave him that long to make a good job of it - she finds the house a wreck, with the basement flooded and the roof smoldering!

If you stayed home for a few days and saw how much hard physical labor housework required you'd understand why womenfolk want more gas appliances. The all-gas kitchen is as nearly work-free as any kitchen invented to date, and perhaps the kitchen in your home only lacks two or three appliances of reaching this ideal. Why not find out what they are? Perhaps you can buy them all during 1926.

### THE CHAPMAN CASE

The United States Supreme Court refused to consider the writ of habeas corpus taken to it, after all the power courts had denied it, in the case of Gerald Chapman, sentenced to death in Connecticut, on the charge of murder.

"One hope left for Chapman," says the daily press. "He may be pardoned."

Let us hope that no such calamity befalls American justice. Already the Chapman case is a stench in the nostrils of civilization. Here is a man convicted of murder - a crime in Connecticut calling for the death penalty. We have seen the spectacle of this murderer parading up and down the land with one writ after another, and we have seen federal courts, looking as wise as a tree full of owls, giving due and solemn consideration to a plea that a child might as easily and as lawfully be killed.

Carried to the court of last resort, and that court turning it down cold. All of this is encouragement to criminals. There are a lot of men and women who would be willing to risk the gallows or the chair, to get that notoriety. It is just like the reckless driver of an automobile. He knows death lurks around every corner he turns, and yet he keeps up his reckless pace, just for the thrill of the notoriety.

There is only one way to reduce the crime wave - and that is to punish the criminals. Courts say they are powerless. If they are it is the fault of the courts themselves in the practice they permit. If every court, stalling, jockeying and four-flushing, and let every case come to trial and go through strictly on its merits as to whether the criminal is guilty or not guilty, we should have sure and swift justice and we should see crime diminish to the vanishing point.

### SICK STRIKERS ARRESTED

Leaders of the strike of silk workers at Passaic defied the Sheriff, and landed in jail. The leader of the strike committee was arrested while talking about his rights. Chances are he is not even an American citizen.

Some of these trouble breeders who are leading workers into strikes and violence ought to be deported. They are worse than the soap-box Soviet workers.

### NO HOUSE AMBASSADORS

The bill appropriating \$10,000,000 to build homes for American ambassadors in foreign countries, passed Congress.

This is a very worthy measure. American ambassadors are always in a losing game. It costs them far more to maintain themselves than their salaries amount to. A man must be in good circumstances to accept an ambassadorship. Then, unless he is a rich man, he has to hurry back home and engage in something lucrative in order to leave something for his family when he dies.

America has suffered seriously in prestige by being housed in poorer quarters than some of the fourth-rate nations.

### BOOTLEGGERS' INDICTMENT

The Federal Grand Jury at Cleveland did a day's work when it turned in an indictment naming 112 persons in a bootleg alcohol conspiracy.

The document, probably the longest ever returned by a Federal Grand Jury, charged 165 overt acts and includes millionaires, real estate men, manufacturers, railroaders, warehousemen, Government employees and bootleggers in twelve cities. It contains 103 typewritten pages, or about 40,000 words.

Forty-six of these indictments are from St. Paul 21 from Cleveland, 15 from Duluth 10, Philadelphia 5, each from Chicago and Minneapolis 3, Pittsburgh, and 1 each, Detroit, Boston and Providence. All are charged with conspiracy to violate the National Prohibition Laws by dealing in, hauling and storing illicit liquor. The list of indicted men contains some of the noted lawyers, bankers, business men and politicians of the Middle West, and tell like a bombshell in some quarters where it reached up and lifted names of prominent citizens out of high places, and put them on the black-list of possible conspirators to violate the law.

The indictment has the appearance of being the beginning of a campaign more sensational, proportionately, than the whiskey rebellion, which occurred in the early days of the republic.

### WHAT WILL BE THE OUTCOME?

GREAT LAKES TO SEA  
The offer of New York State to open over the large canal to the United States Government, so that the government may convert it into a ship canal, is really the greatest step forward in progress this year.

It is difficult to understand how any American citizen could oppose the waterway plan and favor one which would run through a foreign country.

Instead of having the canal connected with Lake Ontario, it ought to be connected with Lake Erie in the vicinity of Buffalo. That would give America an entirely untrammeled waterway from the Great Lakes to the sea that would always be under American rule, and subject

only American rules and regulations. There is no public project yet proposed - not even the Panama Canal - that has held so much promise and hope for the future, as this idea of an all-American canal from the Great Lakes to the Atlantic.

### COMFORT FOR THE PEOPLE

The citizens of Chelsea are to have the opportunity of hearing Mr. E. H. Ehrlich lecture on "Comfort for the People" which is to be delivered in the Princess Theatre March 28, Sunday, at 8:00 p. m.

The existing conditions throughout the earth are more or less perplexing to the minds of many. It is claimed for the lecturer that he really has a message of good cheer for the people. The speaker purposes to prove that the earth is to be restored to a Paradise condition and that when God's plan with respect to man has been completed, it will be an honor to Him and a blessing to all of His creatures.

It is said that any one who has visited the Imperial Valley of Southern California can have some small conception of what it will mean when the whole earth is restored to an Edenic condition. Less than a quarter century ago the Imperial Valley was a desert waste. Not even a coyote could cross its parched sands and live. There was no living creature in it, aside from horned toads. The Colorado river was turned out of its course and irrigation ditches sent the waters through the Valley and today the Valley is probably the most productive part of the earth's surface, yielding its increase more wonderfully than any other land.

The International Bible Students' Association sends its lectures out at its own expense; hence the lectures are free and no collection will be taken.

### BOY SCOUTS

A Scout is courteous and a friend to animals.

A good Boy Scout should be very courteous. He must always have great respect for his elders. The accepted rule of "Women first" must always be obeyed by a Scout. Touch your hat when you meet a woman, and give your chair to other people, especially women and aged people. It doesn't hurt to be civil. A Scout is always a friend to dumb creatures. When you learn about them, you learn to love them. Every one has heard the saying, "A dog is man's best friend." It is very true. For often a man's character can be read by the actions of his dog, so have your dog so he will come to you with his tail wagging.

How long we live, not years, but actions tell. Some new games will be tried out at the next Scout meeting. Let's come.

Learn your Scout laws and think of them during the day. Keep your optics on this column, for more information about the Scout expedition which will be in the near future. Every Scout get behind and boost.

### Chicago Fair's White City

The area covered by the World's fair at Chicago in 1893 to commemorate Columbus' discovery of America, was called the White city because the buildings were constructed of a white marble-like composition.

### Natural Distinction

Though a great many animals have claws, only human beings and certain apes have flat balls on fingers and toes.

### American Eagle

The fathers of the American republic decided upon an eagle as a symbol, and unfortunately the species known to them was the sea or bald eagle, feathered only to the knees, and a "practical parasite of the osprey." The golden eagle, to which a change has been made on the coins of the country, is feathered to the toes.

## When You Trade Your Car—

Ford owners are continually being approached by automobile salesmen who wish to "accept" Fords as part payment on more expensive cars.

It is logical that automobile dealers should be eager to trade with Ford owners. No other used car is so easy to sell as a used Ford—because everyone has confidence in Ford quality. And it is not expensive to recondition, since Ford replacement parts are lowest in price.

Most automobiles carry greater discounts to dealers than the Ford—another reason why other dealers may offer the Ford owner a larger trade-in allowance.

Bear these facts in mind:

The amount of the trade-in allowance you can get is not the most important thing for you to consider. The big thing is the difference you have to pay. And remember, that the higher priced car will not be so easy to dispose of when you come to trade it in.

If you wish to trade your Ford for a new automobile, stick to the car that you know to be dependable, useful and economical. Go to your Ford dealer!

He will give you a fair and liberal allowance for your present Ford and will gladly arrange payment of the balance to suit your convenience.

**HOWELL**—An old fashioned farmers' banquet is being staged at Howell, Wednesday evening, March 24. Arrangements are being made to take care of 350 people, at which time the farmer wives will be the guests of their husbands. Lucius Wilson, a former Livingston county son, will be the speaker of the evening.

**STOCKBRIDGE**—Several farmers have changed locations the past week. M. L. Wasson has moved onto the farm recently purchased of the Fred Sharp estate. Harry Haselschwerdt from the Fred Asquith farm, onto the Wilson farm in White Oak; and J. Eley from the Van Buren farm to the A. L. Mayer farm in Waterloo. Brief-Sun.

**MICHIGAN CENTER**—The United States Civil Service Commission has announced an examination to be held at Jackson, Michigan, as a result of which it is expected to make certification to fill a contemplated vacancy in the position of fourth-class postmaster at Michigan Center, and other vacancies as they may occur at that office, unless it be decided in the interest of the service to fill any vacancy by reinstatement. Times.

**DEXTER**—George Benton, aged 77 years, passed away Wednesday, March 17, at the home of his son, Homer Benton, Harvey, Ill., where he had been since last Thanksgiving. He was a member of the Methodist church and a lifelong resident of this community. He is survived by one son, Homer Benton of Harvey, Ill., and one daughter, Mrs. Albert Barr, of Ann Arbor. Funeral services were held at the Congregational church, Friday afternoon at 2:30 o'clock. Burial in Forest Lawn cemetery. Leader.

**ANN ARBOR**—Thomas D. Kearney, 63, prominent Ann Arbor lawyer, former prosecuting attorney of Washtenaw county and former city attorney, died at 11:15 Saturday morning at his home at 502 Forest avenue after several weeks' illness. He was born in Northfield and is survived by three sisters, two of whom resided with him. The funeral was held in St. Thomas church of Ann Arbor, Rev. Fr. J. R. Command conducting the services. Interment in St. Thomas cemetery.

**ANN ARBOR**—After a six months' wait in county jail and a two weeks' trial before a jury in Judge George W. Sample's court, Herman Crossie of Ypsilanti Saturday was acquitted of a charge of murder in connection with the brutal and fatal beating of Harry Cyb, Augusta township store and gasoline station proprietor, September 18, 1925. The jury, which for more than a week had been hearing testimony in the case, announced an agreement had been reached at 10:20 Saturday morning—just 18 hours after they had been placed in charge of a court officer to begin their deliberation.

**MASON**—Approximately 8 1/2 miles of gravel road construction is offered by the Ingham County Road Commission, bids to be opened at their office in the court house here on Friday, March 26, at 1:30 p. m. This mileage is distributed among four roads as follows: 3.5 miles on the Meridian-Alaeden town glat.

### FRANCISCO

Mr. and Mrs. John Seid had for their guests one day recently, their daughters from Jackson.

Mrs. Martha Taylor, who has been in poor health all winter, has gone to Jackson to spend a time with her sister, Mrs. Frank Winfield.

There were quite a few men in attendance at the meeting held at the school house Thursday, conducted by the County Agricultural Society. Alfalfa growing, with proper fertilizers, was the principle subject of discussion.

Mrs. E. Boehm received a message one day last week, stating that her brother-in-law, E. C. Connor of Buffalo, had passed away, and Saturday Rev. Boehm received a wire from Toronto, Canada, stating his nephew, Arthur Stetner, died that morning. Mr. Stetner was well known here, having visited here frequently.

Mrs. Bertha Benter, who has been ill, is very much improved. Mrs. Carrie Winfield of Jackson, spent part of last week here, caring for her sister, Mrs. Martha Taylor. Mrs. Carrie Wulfert spent the week-end in Ann Arbor with Mr. and Mrs. Dell Hammond. Mr. Hammond is ill and does not seem to be gaining.

Miss Mable Notten is in Hastings, visiting her sisters, Rena and Katherine. Mr. and Mrs. Wm. Wahl announce the arrival of a granddaughter, born to Mr. and Mrs. Clarence Wahl of near Chelsea.

Mrs. Alberta Orling and Mrs. Nelson Peterson were in Ann Arbor recently to visit Mr. and Mrs. Dell Hammond. Miss Augusta Benter suffered a painful injury Tuesday evening, when she struck her limb against the oven door of the range. The door is one that drops to the front, instead of swinging to the side. The flesh was cut and a painful bruise sustained.

### UNADILLA

Mrs. Janet Webb is sick at this writing. C. E. May of Lansing spent Sunday at the home of G. A. Pyper, and attended the funeral of Loney Lane.

Mr. and Mrs. John Webb returned home Sunday after spending the winter in Lansing. Will MacRae and family spent Sunday in Milford.

Paris Giltner and family have moved to the Bert Thomas Place in Unadilla and Mr. and Mrs. Thomas have gone to Silver Lake. Mr. and Mrs. Frank Williams, Ralph Peterson and John Birnie of Lansing, spent Sunday at the home of Ed Grana. Mr. Birnie remained for a few weeks.

Marguerite MacRae spent the week-end in Detroit at the home of her brother.

Remember the entertainment and supper at the annex of the Presbyterian church Friday evening, March 26.

Mr. and Mrs. Frank May, Mr. and Mrs. Will Crowther and daughter, Elsie, of Jackson, were here Sunday to attend the funeral of their cousin, Loney Lane.

### He Passed

At an examination a boy, asked to state why a tiger is striped, wrote: "It is striped because it makes it better for circus proprietors. If a tiger escapes from a circus it is easier to find him than if he had no stripes. He will not go far without someone noticing that he is not a horse or a dog, on account of his stripes, and calling up and asking the circus people if they have lost a tiger."

line from Okemos road to Meridian road at a point one-half mile south of Meridian station; 2.5 miles running east through the center of White Oak township from the Stockbridge road to the east county line; 1.5 miles in west Aurelius; .909 miles from Pine Lake road at west side park to the north end resort. All these roads are to be of 2 foot gravel base with 16 foot top. News.

### WIFE AND HUSBAND BOTH ILL WITH GAS

"For years I had gas on the stomach. The first dose of Adlerika helped. I now sleep well and all gas is gone. It also helped my husband." (Signed) Mrs. B. Brinkley. ONE spoonful Adlerika removes GAS and often brings astonishing relief to the stomach. Stops that full, bloated feeling. Brings out old waste matter you never thought was in your system. This excellent intestinal evacuant is wonderful for constipation. Henry H. Fenn, Drugist on the Meridian-Alaeden town glat.

## Just WHY is OAKLAND

WINNING and HOLDING GOOD WILL?

Why are so many motorists everywhere so genuinely enthusiastic over this car? Why are they favoring it above all others?

Is it because the Oakland Six is more beautiful—because it possesses more advanced features, including Air Cleaner, Oil Filter, Full Pressure Oiling System, Four-Wheel Brakes and The Harmonic Balancer? Or because it reveals greater speed, power, acceleration and smoothness of performance?

Each of these features plays its part; but there is an even stronger reason for Oakland Six popularity.

Oakland combines—not just one or two of these advantages but all them—at prices surprisingly low.

### NOTTEN ROAD

Lloyd Heydlauff of Ypsilanti spent over Sunday with his parents here.

Ralph and Earl Kalmbach of Jackson visited their parents Sunday. Mrs. Geo. Heydlauff has been on the sick list the past week.

Mrs. Lina Whitaker and son Dorri, were in Jackson, Tuesday.

The Grange which was held at the home of Mr. and Mrs. Henry Gieske Tuesday, was well attended. Dean, Clarence and Adolph Kruse visited at the home of Mr. and Mrs. Bert McKenzie near Stockbridge, Sunday.

Mr. and Mrs. Mitchellson of near Hartford, Conn., enroute home from California where they have been spending some time, are spending a few days at the home of Mr. and Mrs. T. G. Riemschneider. Mrs. Riemschneider is a niece of Mrs. Mitchellson.

Mr. and Mrs. Chas. Riemschneider entertained Howard Boyce and family of Lyndon, also Fred Heydlauff and Miss Rieka Kalmbach, Sunday.

Mr. and Mrs. Fred Notten were in Jackson Friday. Mr. Schmidt of Ann Arbor, while rounding the curve on the Riemschneider hill at Cavanaugh Lake, lost control of the machine and plunged through the guard rail and down the steep incline onto the lake. Fortunately the lake had about 15 inches of ice or it might have been a very serious accident.

Mrs. Herman Fahrner was in Jackson, Tuesday. Geo. Heydlauff was in Detroit, Monday.

Mrs. Alla Marquand of Grass Lake, purchased a Jersey from Fred Notten, Tuesday.

Mr. and Mrs. Albert Bahnmiller of Sharon, Mr. and Mrs. Ernest Butterfield of Grass Lake, visited Mr. and Mrs. Drake on the Klump farm, Sunday.

### Standard Acre

The acre as a land measure was at an early time an uncertain quantity, and differed in various parts of England. It was reduced to a standard by King Edward I, about the year 1285. In 1824 the standard acre was ordered by act of parliament to contain 4356 square yards. That is the standard acre today.

## AMERICAN PROGRESS

AMERICA is conceded to be the most modern, progressive country of the world. We all feel a certain unspeakable, righteous pride because we are Americans.

One modern progressive American method is paying by check. Nearly everyone uses this method of transacting their business.

If you have not as yet opened a checking account we cordially invite your patronage.

### Makes Humorous Reading

To read the arguments against railroads in their early days gives one a sense of restful security in these days of rapid travel. John Bull, in 1835, asked how women "would endure the fatigue and misery and danger of being dragged through the air at the rate of 20 miles an hour, all their lives being at the mercy of a triplate or a copper boiler, or the accidental dropping of a pebble or a brick on the line of way." Verily the times have changed!

### Bed Correctly Placed

The right place for the head in people seem to think, is against the wall, where it will be fairly well of the way. The right place for the bed is always away from the wall, that there will be free circulation of air all around the sleeper.

### Strictly Cash

About the only thing you can get on the installment plan for is a new automobile. The only way to get a new automobile is to pay for it in cash.

# WYANDOTTE ALSO MAKES REDUCTION IN LIGHT RATES

With attention of Chelsea residents focused on the reduction in light and power rates here, attention has been directed by the Standard's readers to the recent reduction in light rates made at Wyandotte where a municipally owned plant is being operated. A clipping from a recent issue of a Detroit paper in which an account of Wyandotte's rates is given, is printed herewith:

Electric light rates have again been reduced in the City of Wyandotte. They now are 6 and 5 cents per kilowatt hour for the first and second 50 hours, instead of 7 and 5 1/2 cents. The new minimum rate is 50 cents per month, instead of \$1.

The reduction was announced by Mayor H. S. Amiot.

"The municipal plant is now in operation on an economical basis. It is running smoothly under the direction of H. E. Allen, superintendent, and we have found that current can be produced more cheaply than before, hence the reduction," he said.

"The first reduction, representing about the same amount in rates, which took place a few months back, saved the people of Wyandotte \$14,000 a year. The new reduction will save them just as much or more."

## SOIL FERTILITY TRAIN WILL VISIT CHELSEA

The Soil Fertility Train, being operated over the New York Central Lines in cooperation with the Soils Department of the Michigan State College and the County Agricultural Extension Service will be in this county April 10-13, and in Chelsea Monday, April 12th, at 8:30 a. m.

The primary object in operating this train is to stimulate greater interest in soil fertility maintenance. The use of lime, legumes, manures, and fertilizers, together with better drainage will be discussed. Every farmer bringing a sample of soil to the train will have an opportunity to discuss his soil problems with the soil experts. The train is a traveling clinic. Soil tests will be diagnosed and prescriptions written offering recommendations for each soil ailment.

**NOTICE**

H. McDonald of Lansing, and Mr.  
James E. Smith of Detroit, were  
spoken Saturday afternoon at 3  
o'clock, at the Methodist parsonage.  
Rev. C. S. Bissley officiating. The  
ring ceremony was used. They were  
attended by Mr. and Mrs. Eliza Mc-  
Donald of Lansing. Mrs. McDonald  
is a sister of the bride. The happy  
couple will reside at the home of  
Mrs. Mary Depew, on West Summit  
street, for the present. Mr. Smith  
having employment here.

James Spencer, aged about 80  
years, died in Hastings, where he  
had been a resident for many years.  
Saturday forenoon, March 20, Mr.  
Spencer was born in this vicinity and  
his boyhood days were spent here.  
He is survived by one daughter, Mrs.  
Chas. Fuller of Hastings with whom  
he had made his home for several  
years and an only brother, Abner  
Spencer, and several grandchildren.  
J. S. Cummings of Chelsea is a  
nephew of the deceased. The funeral  
was held Tuesday.

## Night Coughing Relieved At Once

Who suffers continually from a persistent weakening night cough when you can get almost instant relief, and usually break the cough completely in 24 hours by a new method based on the famous Dr. King's New Discovery? Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action, but also removes the phlegm and congestion which are the real cause of the coughing. As a result even the worst cough usually disappears quickly.

E. L. Sutherland, Minister.  
Sunday, March 28th—  
Hours of worship—Preaching at 10 a. m., Church school at 11:15 a. m. and preaching at 4 p. m.

This is Palm Sunday and next Sunday is Easter. Do try and make these two Sundays the banner Sundays of the year. The theme for both services will be upon Our Christ and the entrance into the world and the hearts of men. Our closing service will be Easter Sunday at the 10 o'clock worship. A special service of music, solos, and the celebration of Holy Communion. Come and let us close our work in this community by this most holy service, "The Last Supper."

## METHODIST EPISCOPAL

Rev. C. S. Riley, pastor.  
Sunday is "Palm Sunday." So called because of Christ's triumphant entry into Jerusalem. The sermon will be a "Palm Sunday Message." We expect to have special music. Help to make it a happy, joyous occasion by your presence. For the evening hour we have the pageant, "The Living Water." This is a very pretty story of Biblical times. The pageant has two scenes, the first—At the well outside of Samaria, in the spring 51 A. D. Scene II—Same place, a month later, noon. The characters: "Barabbas," taken by Miss Florence Schmidt; "Miriam," by Miss Ruth McClure; "Eli," by Geo. Brettschneider; "Ephraim," by Roy Lantis; "Two Women," by Thelma Bahmiller and Dorothea Steiner; "A Boy," by Carl Risley.

The characters will appear in Oriental costumes, as near as possible. Come and enjoy this program. Easter is a week from Sunday. The choir will furnish the program this year.
