CAVANAUGH LAKE ROAD TO BE COUNTY HIGHWAY

Approval of County Highway Commissioners Secured by Supervisor Boyd in 1927 Determinations.

Inclusion in the county highway determinations for 1927 improvement of the Cavanaugh Lake road, from the Old People's Home west to Cavanaugh Lake is the latest development in the county highway situation of special interest to residents in this end of the county. Decision of the county highway commissioners to include this road in the 1927 recommendations was reached at a meeting of the commissioners on Friday of last week, and it will be submitted to the board of supervisors at their October session with every likelihood that it will be passed as recommended.

Township officials are highly elated over prospects for this latest county highway since it was largely through the efforts of Supervisor Howard Boyd that this result was obtained. Working in collaboration with O. D. Luick, a member of the county highway commission, Mr. Boyd has consistently stressed the need of an improved roadway to the popular summer resort to the west of Chelsea. And in this connection it is believed an improved highway west from Cavanaugh Lake to the county line will eventually be the result. Between four and five miles of road will be included in the first stretch to be improved.

KEMPF BANK PURCHASES ISSUE OF SCHOOL BONDS

The Kempf Commercial and Savings Bank was successful bidder for \$40,000 of school bonds sold by the local board of education on Tuesday evening. The high bid was for par, \$322 premium, with interest at 4 1/2 per cent. Money received from the sale of these bonds will be used to erect the new auditorium and gymnasium voted at a recent special election. On next Tuesday evening it is expected the contract for building will be let by the board.

ALBERT H. GOODRICH DIED WEDNESDAY IN ANN ARBOR

Albert H. Goodrich, aged 78 years, passed away on Wednesday at the University of Michigan hospital, following an illness of several weeks' duration.

Born in Sylvan township, May 18, 1873, Mr. Goodrich had resided in Detroit for the past 15 years. He was the son of Joseph and Anna Orthing Goodrich.

He is survived by two sisters, Mrs. Henry Musbach of Chelsea, and Mrs. Chris Klingler of Sylvan. Funeral services will be held Saturday at 2 o'clock in the afternoon at the Musbach residence on Summit street. Rev. P. H. Grabowski of Rotating. Interment will be in Oak Grove cemetery.

WASHINGTON HERMAN BARRY

Washington Herman Barry, 78, died Friday at the County Infirmary. He was born April 5, 1847, in Canada, and was the oldest of the children of Mr. and Mrs. Benjamin Barry. He had resided for a number of years in Chelsea and Lyndon.

He is survived by the widow, of Ann Arbor; two sons, Walter of Jackson and Henry of Chelsea; a sister, of Bay City and several grandchildren.

The body was taken to the Lewis Kellow funeral parlors at Ypsilanti, where funeral services were held at 2 o'clock Monday afternoon. Rev. A. Johnson officiated. Interment was in Oak Grove cemetery, Chelsea.

BOY SCOUTS

A Scout obeys the orders of his parents, patrol leader and Scoutmaster without question. Even if a Scout gets an order he does not like he must do it as soldiers and sailors do. He must carry it out all the same, because it is his duty, and after he has done it, he can come and state his reasons against it. But he must carry out the orders at once. That is discipline.

Discipline is essential in scouting as in any other life. We have been taught obedience since our early childhood. It is a lesson that some people have never learned, and hence are very unhappy with themselves and others. Obedience is a vital thing and goes a long way towards success. He who has not learned to obey can never be able to command.

One of our Scouts applied for a position at a local undertaker's, asking if they wanted a good live boy. He soon found they had no use for live ones.

Don't forget the Scout hike, which will come off soon. Help to make it a success by attending Scout meetings.

A very snappy game of basket ball was played at our last Scout meeting, which was enjoyed by all.

The next Scout meeting you know where, you know when, so don't forget to be there, then.

Alack!

There are more people worrying over their lack of dollars than over their lack of sense.—Boston Transcript.

Have you seen "Her Step Husband?"

BUSINESS WILL BE SUSPENDED FRIDAY P. M.

Following the custom of former years and in recognition of the suffering and death of Jesus on the Cross, business places of Chelsea will close Good Friday at 12 noon for the balance of the afternoon.

F. E. Storms, President.

KILLED AT NOTTEN CROSSING OF M. C. FRIDAY AFTERNOON

Walter A. Kozlowski, about 32 years old, was killed Friday afternoon at 3 o'clock on the M. C. crossing at Notten road, six miles west of Chelsea, when he fell off a west bound Michigan Central freight train and was cut in two by the wheels. With two companions he was "beating his way" on the train, became chilled and lost his balance, slipping off onto one of the rails.

Acting Coroner Howard Brooks was summoned. The victim's name was learned from an identification card in his pocket, which showed he was a member of the American Legion in Bay City, where it was learned his parents reside. Papers showed that he has a brother in Detroit. It was decided that no inquest would be necessary.

The body was brought to Staffan's undertaking rooms and was shipped from Ann Arbor Saturday to the home of his parents in Bay City.

SYLVAN TAXES WILL BE LOWERED IN 1926

In view of the fact that this year's amount of tax collected was \$5,000 in excess of the previous year, and for fear there is some misunderstanding as to the cause for this, I feel it my duty to explain some of these points. Some see fit to blame this difference on the administration this year. But the fact is that local administration has very little if anything to do with determining the amount of tax to be collected in its township, except the amount of the township tax which is raised annually at our township meeting election day when the budget is made for the following year's work and expense.

This year the state and county tax raised in Sylvan amounted to over \$4,000 in excess of last year and the drain tax from Mill Creek was over \$400.

In raising our budget April 5, 1926 at the town hall the town board recommends the appropriations amounting to \$6500 for all funds instead of \$10,500 as in April 1925. This cut of course is made possible by the fact that the rejected taxes of the Lybise Spring & Axle property were recently collected and credited to the different township funds.

Now, in view of the fact that there will not be the drain tax in 1926, and because of the healthy condition of our different funds, I see no reason why next year's amount of taxes will not be greatly reduced, probably between \$5,000 and \$10,000, at least.

HOWARD BOYD.

SOIL FERTILITY TRAIN TO VISIT CHELSEA

The Soil Fertility Train, scheduled here for Monday, April 12, at 8:30 a. m., being operated by the New York Central Lines in cooperation with the Michigan State College, has several additional attractions besides the Laboratory Car in which soil samples will be tested. In addition to the dozens of charts, maps, pictures, etc., relating to the problems of time, fertilizers, and soil management, we are advised by Dr. M. M. McCool, that the Agricultural Engineering Department, headed by Prof. H. H. Musselman, has agreed to furnish an attractive exhibit of models of home-made, labor-saving devices. L. Belt of the Agricultural Engineering Department will accompany the train to explain these models and to consult with the farmers on their engineering problems.

"Among the devices which will be shown in models, are the Musselman manure bucket and the limestone spreader. Both of these were invented by Prof. Musselman but were turned over to the people of the state without a royalty. They are proving very practicable, representing a wonderful contribution on the part of our State College to the wealth of our farmers," Dr. McCool says. A model of a home-made manure spreader will also be included.

Lectures on special crops in certain localities will be featured. Among those engaged for various points are Howard Rather, Crops Department, to discuss alfalfa, L. E. Lill, Crops Dept., to discuss sugar beet problems, and Prof. Geo. Starr, Horticultural Dept., to discuss small fruits and vegetables. John Horman of the U. S. Dept. of Agriculture will also be with the train at various points to discuss methods for control of corn borers.

With an attraction of this magnitude coming into our locality, we should all make a determined effort to take advantage of it. We are advised that this is the sixth Soil Fertility Train that has been operated over various portions of the New York Central Lines and that the previous five have all been well attended. George Grantham sends out the following warning: "Come out to see the Train. Do not forget your soil samples. Label them carefully. We are also prepared to test manure samples for purity."

EARLY MORNING BLAZE HITS FREEMAN'S STORE

Rear of Building and Stock Damaged Several Hundred Dollars by Both Fire and Water.

Fire of undetermined origin on Wednesday morning caused considerable damage to the Freeman store and building. Starting in the rear of the basement and creeping up the back wall to the ceiling of the main room, the blaze and water did several hundred dollars worth of damage while smoke added to the loss throughout the grocery, the Warworth & Supter clothing store and apartments and offices on the second floor.

The fire which was discovered about seven o'clock by passers by, apparently started in the basement store room. Mr. Freeman, proprietor had opened the store and taken a shovel to the front walk where he was cleaning away snow which fell the night before. It was while he was doing this task that passers by notified him his store was on fire.

Quick work by the fire department prevented an extensive loss. Damage to the stock included flour and wall paper in addition to various perishable articles carried in the rear of the main floor. Water, necessary to extinguish the flames, probably caused more damage than the fire itself.

LYNDON TICKET

The following are the names of the candidates of both parties of both parties to be voted for next Monday in Lyndon township: Democratic Ticket—Supervisor, Jas. Howlett; Clerk, Earl Beaman; Treasurer, Edna Cooper; Commissioner Highways, William Fox; Justice of the Peace, Arthur J. May; Member Board of Review, George Stanfield; Overseer Highways, Herschel V. Watts; Constables, George Klunk, Thomas Murphy, Daniel Atkinson. Republican Ticket—Supervisor, Clerk, Orson Clark; Treasurer, Max Kaimbach; Commissioner Highways, Frank Rose; Justice of the Peace, Earl Wheeler; Member Board of Review, Theodore Mohrlock; Overseer Highways, Theodore Buehler; Constables, Wayne Ellsworth, Emory Pickell, Joseph Hamilton, Roy Palmer.

DISTRICT PYTHIAN LEAGUE MEETING TO BE HELD HERE

The South Central Michigan Pythian League meeting composed of Lodges "Grand Ann Arbor, Adrian, Chelsea, Dugess, Milan, Manchester, Morenel, Tipton, Tuncumeh, Seneca, Waldron and Ypsilanti" will be held at Chelsea Tuesday, April 6th.

The object of the meeting is for contests between the Rank teams. The Grand Lodge gives a trophy, which is an extension in A. E. Winslow display window, to the Third Rank team that wins it three times. Ann Arbor has won it once. The League also gives individual prizes to winners in each Rank. Milan and Ypsilanti will compete in the lesson of Friendship, and Ann Arbor, Adrian and Ypsilanti in the Rank of Knight. Circumstances unavoidable prevent Chelsea team from competing. The judging of points is done by Grand Lodge officers.

A banquet will be served at 6:30 p. m., at the Congregational church by the Pythian Sisters and the contest will be held at the Sylvan town hall, starting at 5 p. m., by Ann Arbor Third Rank team. Although all the Lodges do not have a team in the contest a representative is expected from each.

O. D. Luick, Chelsea, is president, Howard Kerna of Ann Arbor, vice president, and Wm. Campbell, Chelsea, secretary and treasurer, for the past year.

SCHOOL NEWS

The high school girls were the victors at the Alumni game Friday night. The Alumni, as well as the high school team, showed good team work. No one of the girls quit, but played every minute of the game.

The Alumni girls showed very good sportsmanship.

Line-up: High School: Almont, Lambert, Bagg, Turbutt, Dancer, Hasselhorst, Grubill. Substitutions: Ellsworth for Bagg, Bagg for Grubill, Ellsworth for Bagg, Jones for Dancer. Scoring: Lambert, 5 field goals, 1 foul; Bagg, 1 foul; Ellsworth, 2 field goals, 1 foul; Welman, 10 field goals; Mayer, 7 field goals, 1 foul.

Levi Palmer gave a very instructive and entertaining talk to the assembly Tuesday evening. Attention was centered on social and industrial conditions in India. Mr. Palmer related facts of city life, especially of Calcutta and Bombay that we here in America can hardly imagine. This is the second time the student body have heard Mr. Palmer speak on his trip around the world, and they hope he has enjoyed speaking so much as they have enjoyed hearing him.

When you buy John Deere implements you are sure of prompt repair service throughout their long life

Performance is What Counts

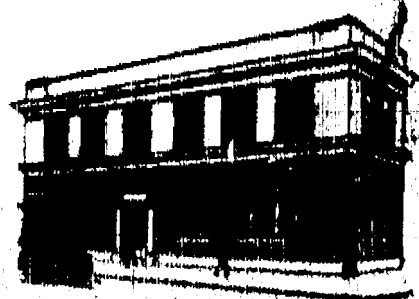

When you buy a tractor you are interested primarily in the work it will do. You want the tractor that will give you dependable service at small cost and continue to give you that service for many years. The tractor that will stand up under difficult conditions and give you the service you expect, and more, is the

John Deere Model D Tractor

The John Deere weighs only 4000 pounds—hundreds of pounds lighter than others of the same size. This light weight is due to the elimination of hundreds of heavy parts. Strength has not been sacrificed to secure light weight—the John Deere has fewer parts but sturdier parts. It is so simple that you can make all necessary adjustments or repairs yourself without special tools or mechanical skill. Come in any time and let us show you this sturdy, powerful tractor.

AMBULANCE SERVICE

Chats

with your GAS man

Not so easy, is it?

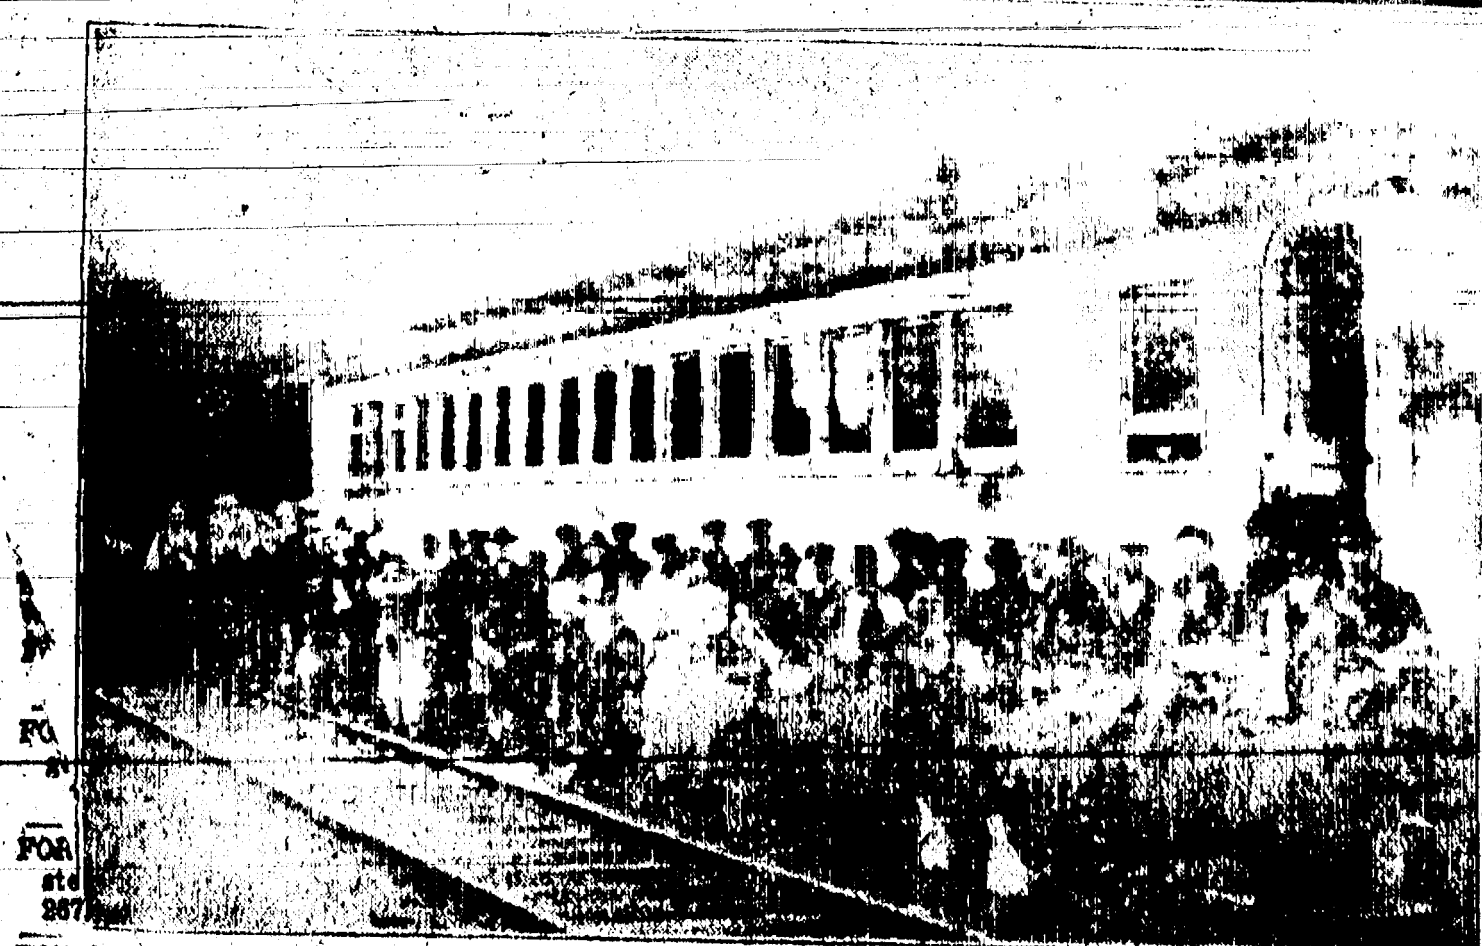

In a recent movie comedy, perhaps you saw it a smart young husband wonders what his wife does around the house all day long, and offers to show her how to run things. "Gimme two hours," he boasts, "and I'll have the whole day's work done." When friend wife returns at four o'clock in the afternoon she gave him that long-to-make-a-good job of it—she finds the house a wreck, with the basement flooded and the roof smoldering!

If you stayed home for a few days and saw how much hard physical labor housework required you'd understand why womenfolk want more gas appliances. The all-gas kitchen is as nearly work-free as any kitchen invented to date, and perhaps the kitchen in your home only lacks two or three appliances of reaching this ideal. Why not find out what they are? Perhaps you can buy them all during 1926.

GIANT PASSENGER PLANE

Alfred W. Lawson, builder of passenger airplanes, announces he is preparing at his plant at Plainfield, N. J., to build the greatest airplane in the world. It is to have a wingspread of two hundred feet. Ten engines will furnish the power and it will carry one hundred passengers with sleeping berths for non-stop flights between New York City and San Francisco.

The plane will have a speed of 120 miles per hour with a lifting capacity of 100,000 pounds.

FEAR OF LEPROSY

Leprosy is probably feared more than any other disease. This may be true because of the fact that the Christian Bible has said so much about it, and has written it down as a monstrous disease.

Recently a Chinaman was found to have leprosy in a Montana town. He was taken out of a laundry, where he had been handling the clothing of dozens of families. There was a panic and consternation, and yet the doctor who attended him stated that every doctor in his daily rounds with his patients encountered many more dangers from dangerous diseases, than they would encounter with a case of leprosy.

This statement was later confirmed by Dr. B. G. Bunting, one of the leprosy experts in charge of the patients at the Carville (Ga.) Leprosarium who made the trip to Butte to take the Chinese back with him for treatment. Dr. Bunting, who has been connected with the leprosarium for eight years, is authority for the statement that there is less chance to contract tuberculosis than there is to contract leprosy.

Less than five per cent of the people in daily contact with leprosy ever contract the disease. Of the entire staff of physicians and attendants and their families at Carville not one ever has developed leprosy. This showing of immunity does not preclude the need for precaution and care, however.

Carville, containing 500 acres, and situated sixty miles from New Orleans, is the only leprosarium in the United States. Of the 250 patients thirty are of Chinese parentage. At Molokai, Hawaii, there is a large colony of leprosy, and on a remote island of the Philippines a still larger one.

At Molokai children born of leprosy parents in the colony are segregated and receive special care. Only a small proportion develop leprosy. Gradually the world is coming to recognition of the fact that tuberculosis is one of the greatest enemies with which mankind has to contend, and that its destructiveness to human health, human life and happiness is greater than any other malady that can be regulated and controlled by human agencies.

COOLIDGE IGNORES ATTACKS

President Coolidge is paying no outward attention to attacks made on Ambassador Houghton because of his gloomy report on conditions in Europe. The President says there will be no change of policy. No matter how much storm may have been raised by the report, it will be raised by no because of Ambassador Houghton's statement there can be no doubt that his report was very beneficial to his government. It was honest, straightforward and truthful. It may have the effect of causing our government to proceed with much greater caution in entering the World Court, or doing anything that might antagonize us with European countries politically, financially, or judicially. If it does, its effect will be widely beneficial.

DEMAND INVESTIGATION

Senator Gooding of Idaho has demanded in the United States Senate, an investigation into the causes which brought about the receivership and wrecking of the St. Paul railroad company.

Rightly so. There has been no worse scandal in recent years than that which will come out of the St. Paul receivership, if ever there is a full, fair and free investigation that goes to the bottom of things.

When a group of bankers or high financiers go to work to deliberately wreck and destroy stock values in a great railroad, as appears to have been done in the case of the St. Paul, it is high time that we stop chasing bootleggers long enough to put some of our high financiers where they can't do that sort of thing with impunity.

KATLIN FOR KAISER?
Former Crown Prince Wilhelm of Germany, it is said, for a home for his father, the former Kaiser. He is now seeking permission, so reports go to allow the former Kaiser to move from Doorn to the new seat.

It would not be at all surprising to see Wilhelm again on the German throne before he passes from the stage of action.

Rips Butter for Riffs

The natives of Tanager are reputed to be extraordinarily fond of butter, but not the fresh, sweet kind that Americans like. To satisfy the taste of a Riff his butter must be at least a year old before it attains the proper aroma and tang.

Proper Phrases

One sees so much of fiddling contests and championships in the news of the day that one is prompted to exclaim, "Oh, fiddlestick!" or "Oh, fiddle-dee-dee!" Perhaps one may be sufficiently stirred to exclaim, "Oh, fiddle-faddle." If you don't believe it, they're all in the dictionary.

NOTICE

Notice of Board of Review
The Special Board of Review, of the Village of Chelsea, Michigan, will meet at the Council Rooms, in the Town Hall, in said Village, on Thursday, April 15, 1926 at 7 o'clock P. M. for the purpose of reviewing the re-assessment of the special assessment roll for paving district number three, and will hear any and all objections to said roll.
Dated March 25, 1926.

PAUL C. MARONEY,
Village Clerk.

Seals Pie

An enterprising housekeeper has found a new use for paper tape. It is wrapped around the edge of pie to keep the juice in. It is moistened slightly before it is wound around, and since the paper shrinks as it dries, it pulls the edges of the pie tightly together. It is easily removed after baking.

That's Different, of Course

There is nothing truer than that blood is thicker than water, and there is no greater evidence of this than when a man club his hand to his eye and a girl in his hand to his nose. Some boys who are raising a disturbance in the street and who are asked out that they are his own sons: "Oh, well, boys will be boys."—Liberty Press.

DRAW YOUR OWN CONCLUSIONS

About December 1 we advertised that if either sole on any white sole footwear we sold wore through before April 1 we would return the purchase price. Up until this date we have not had to return one penny.

DRAW YOUR OWN CONCLUSIONS

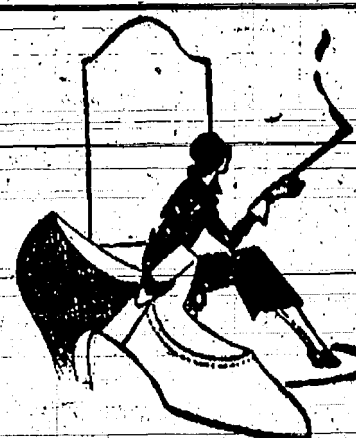

We have men's and boys' shoes which if either sole wears through inside of 3 months (and we believe they will wear 5 months) we will replace the sole free.

DEARBORN POLICE BUY CHRYSLERS

Competitive Tests Last Sunday Prove **Chryslers** are GOOD CARS

George A. Young, Chrysler dealer at Dearborn, Michigan, succeeded in defeating all competition in an open contest Sunday, March 21st, on Oakwood boulevard, near Dearborn. Closed cars were used, and the car making the best showing was to get an order from the Dearborn Police Department for a new Police Flyer. The Chrysler 70 Coach made the first quarter mile in 24 seconds, first half mile in 40 seconds and the mile in 1 23-100 minutes. Others in competition which were de-

feated were the Master Six Buick, Big Six Studebaker, Hudson Coach and Hupmobile Six. This is the second Chrysler to be purchased by the Dearborn Police Department. The first car was purchased two years ago this month and has been driven 66,000 miles. It was one of the first cars sold and is still in good condition and will do 70 miles an hour today. The Dearborn Police Department will take delivery of a new Chrysler 70 Phaeton about April 10th, or just as soon as the addition to their Police and Fire station is completed.

W. G. White Co.

EXTENSION WORK BRIEFS

It is time to think about the first spray for apples and especially for peaches. Peach leaf curl can be controlled by dormant spray with lime sulphur, one to eight. This must be done before the buds begin to swell when infection gets into the bud tissues during the first growth. There is no control when once started.

Time to check up on the seed corn. Some farmers report that they will have to ear-test their seed in order to be assured of good seed that will germinate. Don't forget to take advantage of soil and fertilizer train stopping in the county, 10th, 12th and 13th of April.

Meeting of members of Cow Testing Associations held last Saturday was well attended. One hundred people were present.

Culture for alfalfa and sweet clover can be obtained at the county extension office or growers can send direct to Bacteriology Department, Michigan State College, East Lansing. They come in packages sufficient to treat one bushel of seed and the mailing charge is 25c per package.

The Lima Sheep club met at the home of Fred Kennedy, Lima township. Wilbur Briette, president of the club, had charge of the meeting. It is hoped that several new members will join this club before the

next meeting, due to the interest in sheep club work in that locality.

NORTHEAST LYNDON

(Received too late for last week) Grant Kimmel, who underwent an operation for appendicitis at the University hospital is reported as improving as fast as possible.

The frost leaving the ground has made the roads almost impassable in this section of the township.

William Goodband, who has been ill with appendicitis the past week, is much better at this writing.

Lon Clark was in Detroit the fore part of the week, on business.

H. V. Watts underwent a slight operation on his foot at the Pinckney sanitarium one day of last week.

Roy Hadley delivered a load of stock to the Detroit stock yards last Friday.

Frank Essick, county club agent, visited some of the district schools in these parts Monday.

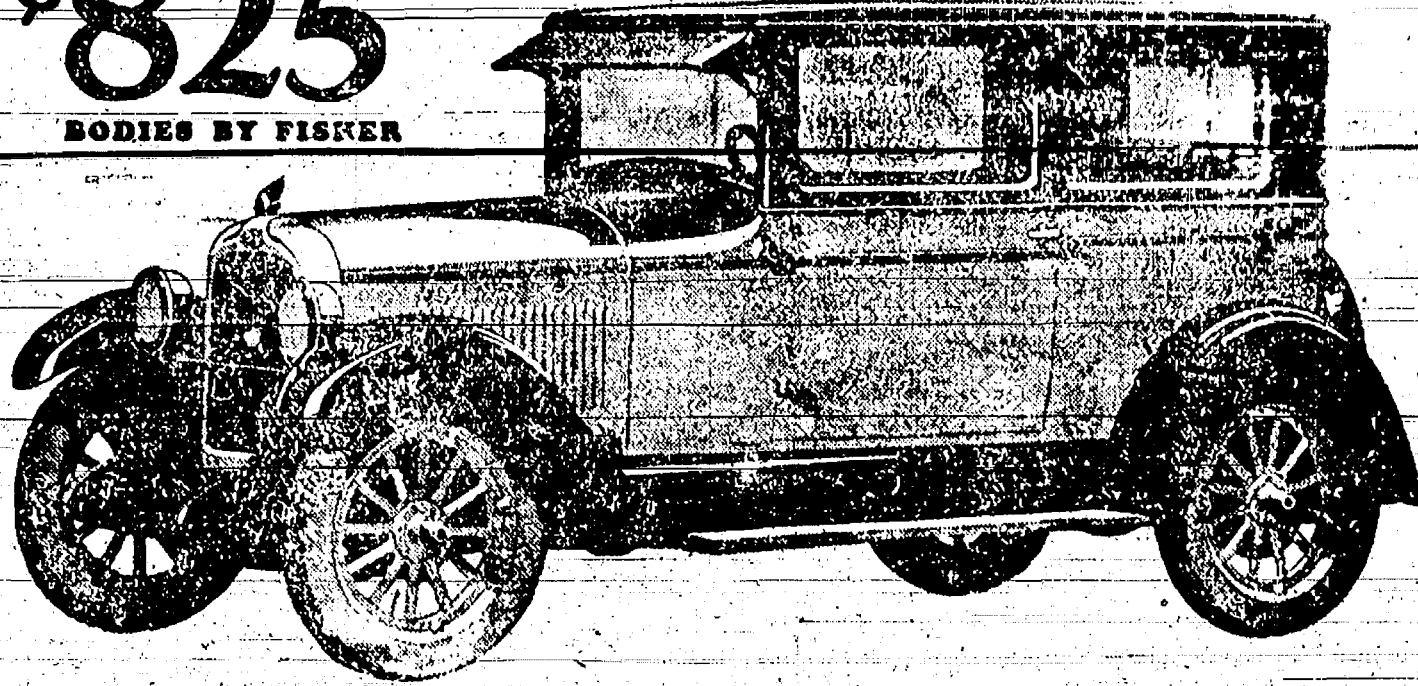

Mr. and Mrs. Marton Kirkhoff were called to Vincennes, Indiana, to attend the funeral of the former's father, Saturday.

Early English Language

The English language was the language used originally by the Teutonic tribes that invaded the island of Britain during the latter half of the Fifth century. It belongs historically to the western branch of the Teutonic languages and to the low German sub-division of that branch, being most closely allied to the Frisian.

COACH OR COUPE

\$825
BODIES BY FISHER

Exploded! The Old Theory of Low-Cost Design

In developing and introducing the new Pontiac Six General Motors has completely shattered the theory that high quality could not be achieved in a low-cost Six.

From the day of its public presentation, the Pontiac Six has been making giant strides toward leadership in its field—because it is the living expression of quality in every aspect of motor car value.

With the Pontiac Six priced at \$825, it is no longer necessary to accept the limitations of high-priced fours nor those that have hitherto characterized low-priced Sixes.

In breathtaking performance, in striking beauty, in luxurious comfort, in staunch construction, the Pontiac Six is the vital embodiment of quality—yet it sells for a price so low that only General Motors could possibly achieve it.

Get the Six, come to the Pontiac Six, \$825, all prices at factory.

A timely and thrilling story by
SAMUEL HOPKINS ADAMS

SIEGE

The story of a girl who
wanted to live her own
life!

Starring
VIRGINIA VALLI
EUGENE O'BRIEN
with Mary Alden

Into the life of every wife, of every girl who considers marriage, comes the inevitable struggle with her husband's family. And her husband's loyalty to his family is a life's custom, something to be aligned against her in event of a clash. What can these wives do? Divorce is silly, continual bickering is nothing short of folly. There is an answer—here in his picture. No woman can afford to miss it as all men must see it to understand such a question.

A sensational novel had a great sale in book form, and was by millions as a serial in Collier's Weekly. You must miss this graphic story.

Easter Coats

In the Season's Most Favored Materials

Tempting Frocks at Tempting Prices

None in stock more than four weeks. Fashion's distinct favorites.

\$18.50, \$25.00, \$29.50, \$35

Here's a real Easter event that we're more than proud to offer! This unusual sale of smart spring dresses! You know Easter's only three shopping days away—that means that everyone is going to be looking for a new dress right away! We are ready for the last days—with styles which you'll more than like—so hurry!

Two-piece effects, straightlines, flare skirts—high and low necks.

There are all kinds of delightful materials here. Pussy willows, taffetas, washable water blossom, flat crepes, georgettes, silk radiums, printed crepes and radiums.

Easter Accessories

Easter launches the new season. The essentials of the smart Easter costumes are the accessories, for they display the taste and give the finish that is the essence of chic.

\$20.00 to \$45.00

Poirot Twill, Poirot Sheen, Fashionable Tweeds, Novelty Mixtures, New Cape Backs, Embroidered Sleeves, Tailored Models, Fur Trimmings.

We have made a very special effort to obtain outstanding values at this feature price. These coats are equal in style and quality to coats sold at a higher figure. They embody practically every new feature that has captured fashion's approval. Coats with new flares, with pleats, shirtings, flatterer scarf collars, etc. Newest colors. Sizes 16 to 46.

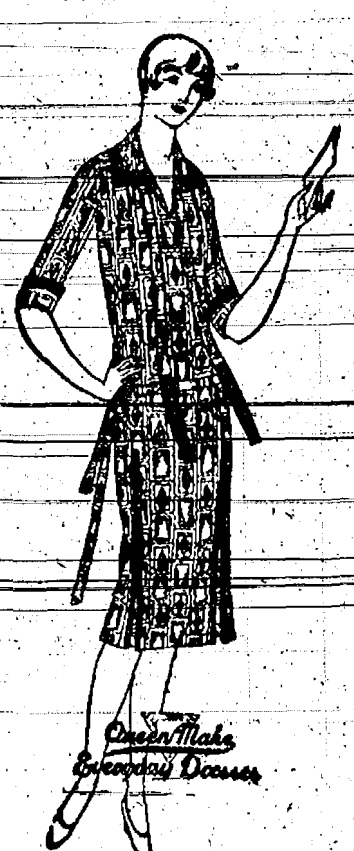

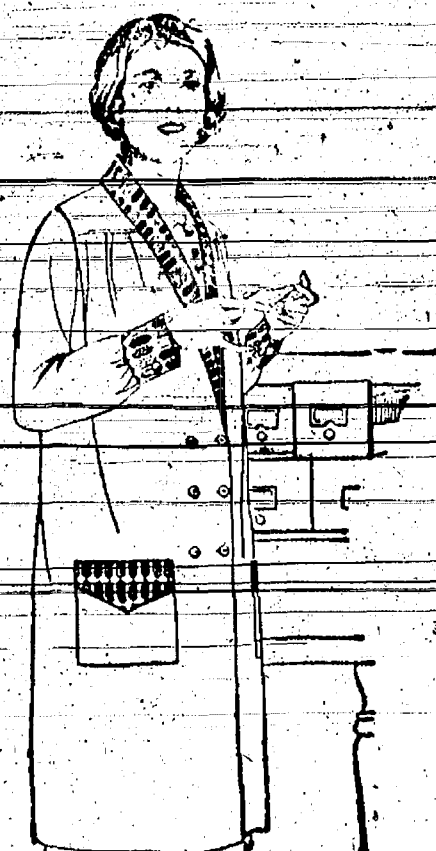

Kayser Silk Gloves

Kayser Suede Gloves

\$1.00, \$1.25, and \$1.50

Made with the flare or turn-back cuffs. Embroidered with harmonizing colors. Silk gloves are all double finger-tipped.

Thrilling Wash Dress Values!

Extraordinary styles—delightful fabrics—charming colorings, reflecting the latest fashions in everyday dresses.

Queen Make Everyday Dresses

"They Wash and Wear"

Here are the latest and most seasonable wash-dress creations on the market. Every one of them the exclusive creation of The House of Queen Make, famous Everyday Wash Dress Stylists, whose frocks well-dressed women everywhere admire and wish for.

Just a quick examination will reveal to you how well they are made and what good taste has been exercised in their trimmings and decorations. You'll be delighted with their original patterns, charming collar, cuff and belt effects.

The season's most popular wash-fabrics are used in these charming dresses. You'll have your choice of Radioux Chiffon, Mohave, Everfast, Rayopak and coloring and freshness.

Blue Crane Chiffon Hose Guaranteed!

\$1.00

That's value! A cobwebby silk chiffon stocking for a dollar is surprising enough! But to have a guarantee of satisfaction added is almost too good to be true! Produced by the makers of the famous Humming Bird Hose.

Humming Bird Silk Hose, \$1.50

These, too, are guaranteed to give satisfactory service. Or they will be promptly replaced. Hundreds of Chelsea women have adopted these enthusiastically.

Both Blue Crane Chiffons and Humming Bird Service-weight are well reinforced and may be had in a host of lovely shades.

Buick Serves U. S. Navy at "Farthest Point South"

This road, which is the most southerly in the United States, can be reached only by railroad. It is located at Key West, Florida, 125 miles from the mainland.

The driving area for automobiles is only 16 square miles, yet G. W. Almons, former radio officer of the U. S. N. dirigible Shenandoah, finds

ample use for his Buick every day. Almons was transferred to the United States Naval Communication Service Wireless Station at Key West the day the Shenandoah started on her last flight. The officer who took his place suffered serious injuries when the ship fell during a storm in Ohio. The sign in the picture shows that

Almons is able to get Authorized Buick Service even out on the fringe of the country—with the Gulf of Mexico on all sides and a very small touring area, in which to drive his car. An automobile road to Key West, from Miami, is now under consideration. When completed, it will be virtually a bridge 125 miles long.

LIMA NEWS

Fred Haarer spent Monday in Ann Arbor.

Mr. and Mrs. George Koenigster spent Sunday afternoon at the home of Mr. and Mrs. John Pacheco.

Miss Lucia Boilat of Detroit, and Miss Evelyn Bohnet of Chelsea, and friends, spent Sunday at the home of Miss Dorothy Schanz.

Miss Dorothy Schanz attended the Teachers' County Meet at Ann Arbor Friday.

Albert Heinrich is now seen driving a Star coupe.

Mrs. C. D. Jenks spent Sunday afternoon with Mrs. Charles Tappin.

In Memory of Buddha

In the Buddhist monastery of Kumbun, Tibet, there is a tapestry of silk having an area of 20,000 square feet, which is embroidered with a portrait of Buddha, and pictures depicting incidents of his life. Once a year at noon on a sunny day, the carpet is spread on a neighboring hillside, and thousands of pilgrims assemble to view it. The object is to give Buddha a glimpse of the world he once inhabited.

NOTTEN ROAD

Mr. and Mrs. Carl Benter, Mrs. J. Benter, and Miss Anna Mae Benter of Jackson, were callers at the Schweitzer home Sunday.

Robert Fahrner has been unable to attend school for a few days, owing to a severe cold.

Lloyd Heydtsuff has returned from Ypsilanti, where he has been attending school for the past few months. He will assist his father with the farm work this summer and return to school in the fall again.

After being employed in Jackson the past few months, Max Hoppe returned home Friday and will assist his father with the farm work.

Mrs. Lina Whitaker, Mrs. Birdie Notten and Mr. and Mrs. Fred Notten attended the funeral of the infant son of Mr. and Mrs. Alton Musbach at Munith, Monday.

Dean Kruse had the misfortune to have a team of horses run away from him Friday while returning from Grass Lake. A broken wagon tongue was about all the damage that was done.

Mrs. Henry Gleske spent a few days of the past week with relatives in Chelsea.

Herman Hayes and family are now riding in a new Buick sedan.

Several of the neighbors were called to the home of Fred Notten Saturday morning to help extinguish a fire which had started on the roof of the house. Only a small amount of damage was done.

It has been reported that the man killed at the crossing here last Friday was a former resident of Chelsea.

Edwin Schenk and family spent a few days in Flint the past week.

Dora Whitaker sold several thousand feet of lumber to Adam Faust of Chelsea.

Rev. Ross has been confined to the house for the past few days, owing to a severe cold he contracted.

SUGAR LOAF LAKE

Mrs. Ellen Howlett of Stockbridge is the guest of Mrs. Bettie Howlett this week.

Mr. and Mrs. Henry Devere of Inkster spent the week-end at their farm home here.

Marie Gulman spent the week-end in Detroit.

G. W. Beeman is building an addition to his house.

L. D. Gulman and Bill Musgrove of Detroit, spent Sunday at the Gulman home.

Mrs. Sarah Breitenbach, Mrs. Otto Leicht, and Joe Donovan spent Sunday with friends in this vicinity.

Mrs. Mary McIntee is spending the week in Detroit.

Mr. and Mrs. Lynn Bates and little daughter of Jackson, spent the week-end at the Leach home.

Efficient Helper

A large company was to be photographed in a group, including the photographer, who sought the aid of a youth to press the bulb. Everything was ready at last and the operation was completed. When the group was dispersed it occurred to the photographer to ask the boy whether he had pressed the bulb exactly as instructed. "Oh, yes," said the boy, "I practiced it half a dozen times before I took the group!"—Nebelspalter, Zurich.

Still Another Record

First came January—greatest in Dodge Brothers history!

Then February—another record month!

And now, at the hour this is written, reports from all parts of America clearly indicate that March not only surpassed every previous March but piled up the greatest record of sales EVER achieved by Dodge Brothers great organization.

An overwhelming expression of public confidence in Dodge Brothers and in the goodness and value of the car they build!

Experience has taught more than 1,000,000 motorists that Dodge Brothers product stands alone and unparalleled in solid dollar-for-dollar worth.

Thirty thousand new owners a month are finding everything they value most highly in a motor car:

Long Life—Dependability—Exceptional Riding Comfort—Good Looks, and Smoothness of Operation.

And they also find SAFETY in the all steel body construction, double-strength steering unit, and a chassis made brute-staunch with more pounds of drop forgings and chrome vanadium steel than in any other car in the world, regardless of price.

COMMISSIONER'S NOTICE

State of Michigan, County of Wash-

tenaw, ss.

The undersigned having been appointed by the Probate Court for said County, Commissioners to receive, examine and adjust all claims and demands of all persons against the estate of Marvin Wackenhut, late of said county, deceased, hereby give notice that four months from date of said order of said Probate Court, for creditors to present their claims against the estate of said deceased, and that they will meet at the Kempt Commercial & Savings Bank, Village of Chelsea in said county, on Thursday, the 3rd day of August, next, at ten o'clock A. M. of each of said days, to receive, examine and adjust said claims.

Dated March 29th, 1928.

Oto Leitch,

John Fletcher,

Commissioners.

No. 187

ORDER FOR PUBLICATION

State of Michigan, County of Wash-

tenaw, ss.

At a session of the Probate Court for the County of Washtenaw, held at the Probate Office, in the City of Ann Arbor, on the 24th day of March, in the year one thousand nine hundred and twenty-eight.

Present: Hon. Jay G. Pray, Judge of Probate.

In the Matter of the Estate of Ebenezer Stacy, deceased, on reading and filing the bill verified by George E. McKim, praying that the court adjudicate and determine who were at the time of his death the legal heirs of said deceased and entitled to his estate.

It is Ordered, That the 20th day of April next, at ten o'clock in the forenoon, at said Probate Office, be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published three successive weeks previous to said time of hearing, in the Chelsea Standard, a newspaper printed and circulated in said County of Washtenaw.

STATE OF MICHIGAN

Circuit Court for the County of

Washtenaw, In Chancery.

vs.

James Hammond, Defendant.

Said pending in the Circuit Court

for the County of Washtenaw, In

Chancery, on the 28th day of Jan-

uary, A. D. 1928, at the City of Ann

Arbor, in said County.

It is satisfactorily appearing to the court by affidavit on file, that a

chancery summons has been issued

out of the court for the appearance

of the defendant therein, and that

he same could not be served on the

defendant, because that after

DAY, APRIL 1, 1928.

Bridging Over the Years

By H. IRVING KING

(Copyright.)

ARTHUR RIVINGTON got off the train at the little village and looked about him, trying to feel at home. But he couldn't. There were the same houses, "Among the people on the street he now and then saw a face which looked familiar to him; but he could not fit a name to its owner. He was surprised at the feeling of strangeness he had in the home of his boyhood. As a matter of fact the village had altered very little; the change was in Arthur.

He had been away for ten years

South Africa, Australia, New Zealand, the South Sea Islands. He had been a youth, twenty-five, when he set out—he was returning a bronzed and rather prematurely worn man of thirty-five. But he was bringing his sheaves with him in the shape of a competence, amassed by means of a trading schooner. The active, strenuous productive years of his life had been passed amid surroundings and under conditions which had entered into his very soul and become as if were, a part of himself.

thought, "and can soon set myself to the key of the remembered harmony—if only I were sure of Jennie!" There it was, you see—there was a woman in the case. And ten years is a long time to ask a girl to wait. When they had kissed each other good-by Jennie Crawford had been nineteen, and now twenty-nine. But Arthur always thought of her just as he had seen her last, when they kissed each other over the garden gate, "with the one bird singing alone to its mate and the other two on the tower"; and many a night he borne the long wash of Australian seas, had he lain upon the starlit deck and quoted Owen Meredith to that effect.

ed regularly until four months ago, when Jennie's letters suddenly ceased. In the remote island realm where Arthur had resigned he had not expected to get his mail regularly. Letters were dispatched by vessels which casually touched at the island, or by trading schooners which sometimes got caught in tropic storms and were never heard of any more. But an interval of four months was more than could reasonably be accounted for, and this was what had decided Arthur to close his business in Polynesia and go home before he had intended to go.

Arthur noticed a little crowd gather

ered about the door of the village church. Wedding bells rang out—they gave him a creepy sensation. He longed to ask questions of some of the passers-by, but feared to do so because of what the answer might be. At last he accented a lounging villager and asked, "Is Mr. Benjamin Crawford still living?"

"Oh, yes," replied the villager, "but the old man is getting mighty feeble these days. That's his daughter who is being married today. A city chap

This, then, was the reason of the cessation of Jennie's letters; this was his homecoming; his reward for years of struggle! With the same calm fortitude with which he had borne himself when once some Matny pirates had stripped him and taken him out to amuse themselves with his torture by unloading it on a black

The wedding guests were coming out now and there, framed in the door of the church, he saw a girl in bridal array leaning on the arm of a young man whose dress and manner proclaimed the bridegroom. And the girl beneath the veil and orange blossoms was Jennie as he remembered her when he parted from her ten years

ago. He placed his hand against a tree for support. Then a bewildering moment came over him. It was Jennie—just as he remembered her—but different, nevertheless, in subtle way. Then his eyes turned to the woman who walked behind the bride—a woman no longer in her first youth but beautiful still. She did not, as had

"The bride, until the mental picture of Jennie Crawford which Arthur had carried with him all these years—but at the first glance he knew that she was Jennie. And the other one—the bride—who could she be, then? Had the tropic suns affected his head?"

"Why, Arthur, had you forgotten little Carrie?" said Jennie later in the day, when she and the returned was-

deafers were bridging over the years and getting things straightened out. "She was nine years old when you went away—a gawky girl, but she improved when she grew up."

Yes, Arthur was obliged to confess that little Carrie had slipped from his mind. "She looks just as you used to look," said he.

"On, far prettier," cried Jennie.
"Not half as pretty as you are now,"
replied Arthur.

It was some time before the mystery of the interrupted correspondence was cleared up. Letters, in the remote part of the world where Arthur had lived, used to arrive in batches which had collected at some regular postal station to be forwarded

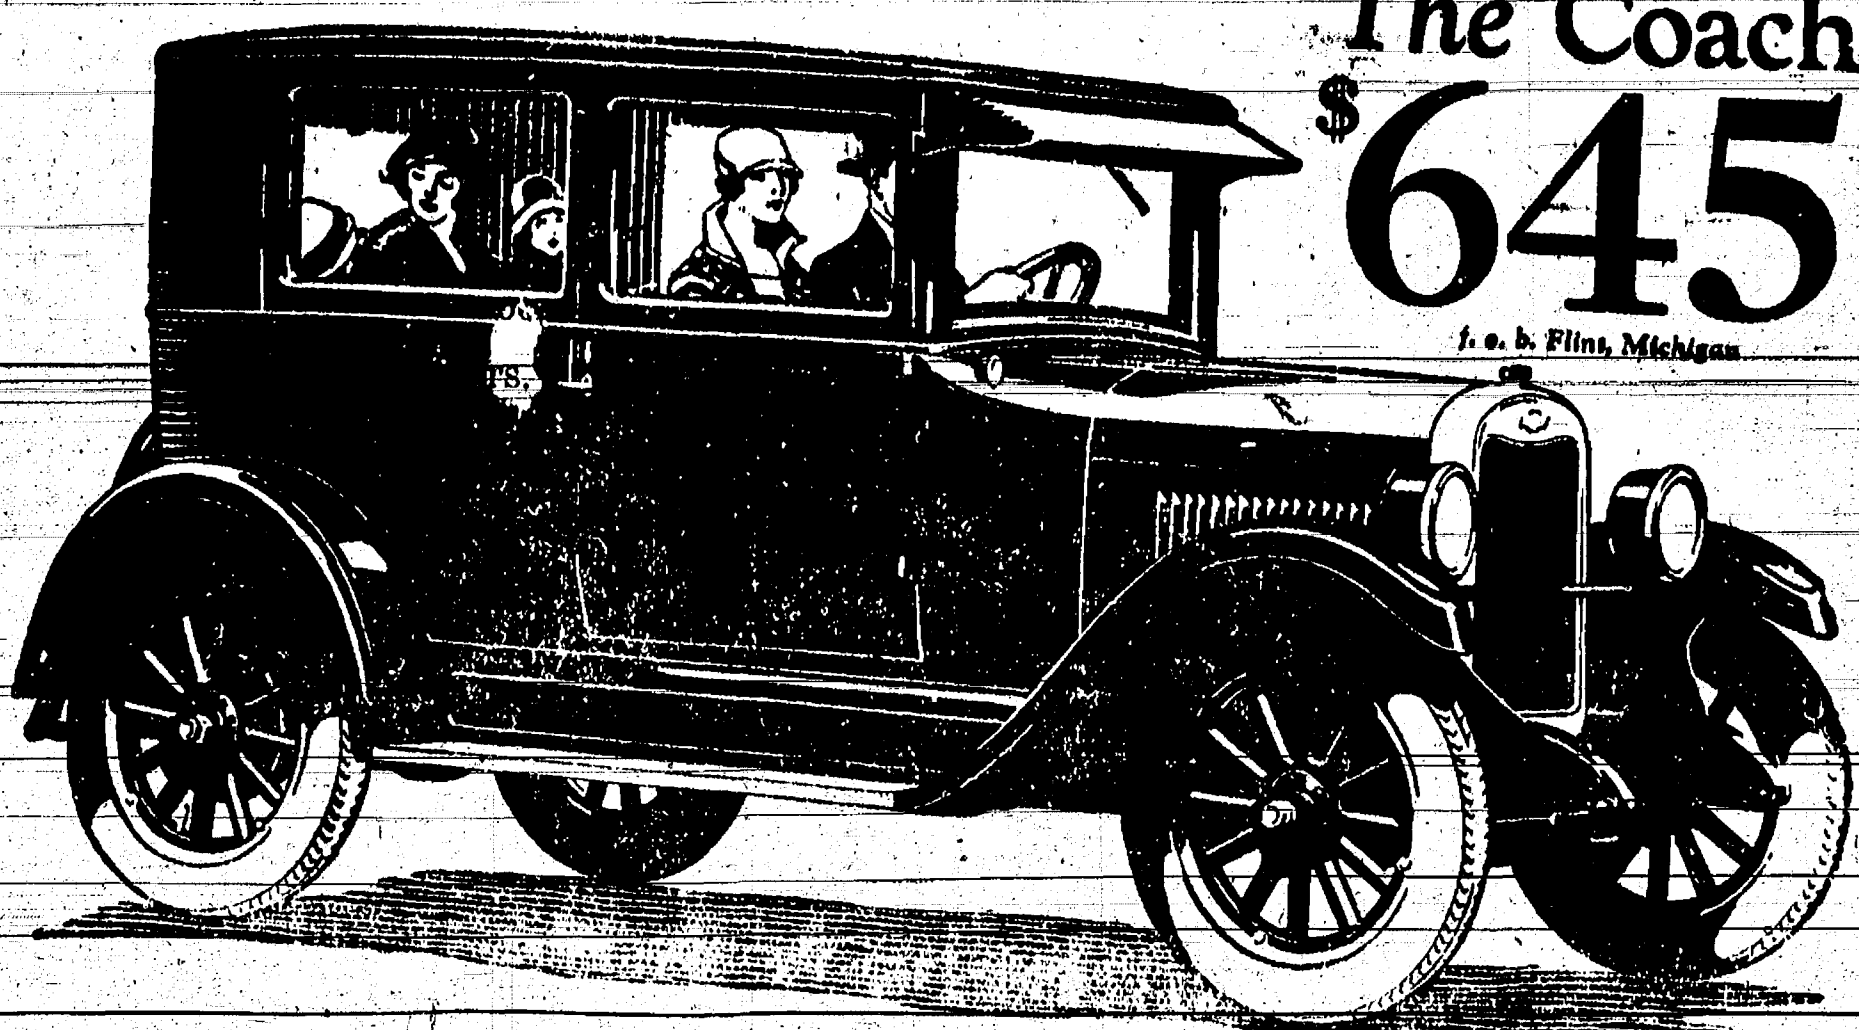

as infrequent opportunity occurred. It was found that one batch had gone down in a lost schooner, another had been left at the wrong island and the savages had used the stamps for decorative purposes; a third batch had arrived at Arthur's Island two days after he had sailed away from it. It is quite needless to remark that Joh-

NO APRIL FOOL ON TOWNSHIP REWARD COIN

(By Ed A. Newack)

Lansing, March 31.—There won't be any April Fool business about Washtenaw county townships getting their past due township road-reward money April 1. Under the terms of the Groesbeck bill introduced by Representative Eugene Kirby of Detroit and passed at the recent special session of the legislature, checks totaling \$1,028.63 for various Washtenaw county townships are scheduled to be in the mails today, the highway department announces.

The money these townships receive in this transaction wipes out the entire accumulated township road-reward money due and unpaid as of February 15, 1926. The most of this money is for claims that have been filed with the department since January 1, 1925. On April 1, 1927, townships with road-reward money due them will again receive their money on claims filed to that date. This money comes early enough so that townships will know what available funds they have for such work in the current year.

This county will, on next June 1, under this administration measure, receive another allotment of past due state reward money, the million dollars payable the various counties on that date to be allotted on the same basis of the award account on which the January 1, 1926 payment was made. The total pro-rata payment will be announced later. Next year's reward money will come to the counties on February 1 and April 1 when two millions of dollars will be distributed. More than nine millions will be paid in delinquent county rewards under the bill.

AVERAGE SERVICE EXPENSE LOW ON CHEVROLET CARS

Less than \$3.00 per car was the average expense incurred in 1925 by 6800 Chevrolet dealers and service stations in the United States in repairs and adjustments to cars during the 90-day period covered by the factory guarantee on new cars.

Under this guarantee, all adjustments, including setting and grinding valves, adjusting brakes, and replacement of parts defective in workmanship are made free by the dealer, who impresses upon the patron the value of frequent inspection of the new automobile during this three months time.

Records show that only 15 per cent of the owners brought their cars in for adjustments of any kind, indicating that 85 per cent of purchases were fully satisfied with the performance of their machines in every respect.

Rigid standards of inspection during all stages of factory operations are held by Chevrolet officials to be responsible for this low maintenance cost when the car finally reaches the owner. In the motor department, about one out of every six employees is an inspector, detailed to insure exact conformance to precision limits gauging down to as low as one ten thousandth of an inch.

In addition to a large corps of inspectors of the service department who visit all Chevrolet dealers at short intervals, a "super-checking" group works directly under the direction of the standards department, a factory division independent of the sales and production departments. Their reports, obtained directly from interviews with Chevrolet owners at service stations, are forwarded immediately to the engineering department, giving accurate information of the car's performance in the owner's hands.

Only a Buick Could Stand this Test!

Buick has the only chassis built today that can take a "shower bath" while the engine is running and driving the wheels.

Only Buick provides the design which can undergo such punishment. Of all cars built today, Buick alone has the complete protection of the "Sealed Chassis" and "Triple Sealed Engine."

Every Buick operating part is "sealed" inside a dirt-tight, oil-tight, water-tight iron or steel housing. The "Triple Seal" (air cleaner, gasoline filter, oil filter) keeps dirt, grit and moisture out of the engine.

Road slush and grit cannot reach Buick vital parts. Rain and moisture cannot cause short circuits in the Buick electrical system. Even the spark plugs are protected!

Come in and see, with your own eyes, why Buick motor cars are more dependable. Only a Buick could stand the "shower bath" test!

The Better Buick

W. R. Daniels

Chelsea, Michigan

Travels of Ducks

Wild ducks do not go farther-southerly than the Baltimore Sun. They travel by well-defined air lanes, and for instance, there are 10,000 flocks in the air where a wild duck is never seen. These lanes in the air are called "passes" and are found in the same places all over the world.

Rubens Inspired by Wife

Rubens, the great painter, was so inspired by his second wife that the genius flashed anew, according to art critics. Many critics also say that her likeness appeared in his religious and mythological paintings for years afterward. She is said to have furnished the inspiration that blossomed forth in "Dido," "Andromeda in Despair" and in "Susanna."

Bells and Cannon

A well-made cannon, not properly hung and rigidly used, lasts practically forever. Only the purest copper and tin go into their construction. Until the present generation cannons were made of the same bronze as were cannon bolts. Such bells in the Netherlands were not infrequently converted in time of war into cannon and returned again to their bell form when peace came.

Where Orchids Are Pests

Orchids, so prized by the flower collector, and in almost all sections of the United States comparatively expensive, are a little short of costly pests in some parts of Porto Rico. In this island there are two species that have proved destructive to the citrus groves, growing like weeds and entangling their enormous roots over the branches of the citrus trees with a strangulation effect.

New Way to Stop Night Coughing

Simple Method Brings Quick Relief

For almost instant relief from hacking, irritating, sleep-robbing night coughing there is a very simple treatment which, often with a single dose, stops all irritation and permits sound sleep the whole night through.

This treatment is based on the prescription known as Dr. King's New Discovery for Coughs. You simply take one teaspoonful at bed-time and hold it in the throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly removes the phlegm and congestion which are the real cause of night coughing. People who have not slept well for nights are often surprised how quickly this simple method checks coughing and banishes the entire cough condition completely.

Dr. King's New Discovery is for coughs, chest colds, sore throat, hoarseness, bronchitis, spasmodic croup, etc. Fine for children as well as grown-ups—no harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good druggists. Ask for

CHURCH CIRCLES

ST. MARY CHURCH
Rev. Fr. T. J. Fallon, pastor.
Low Mass at 8 a. m.
High Mass at 10 a. m.
Baptism at 11 a. m.
Mass on week days at 8 a. m.

CONGREGATIONAL
E. L. Sutherland, Minister
Hours of worship—
10 a. m., our closing service. A special service. Special music and the celebration of Holy Communion.
Would like to see all present.
Church school at 11:15 a. m. It is Easter Sunday and make it your Church day.
No afternoon or evening service.

METHODIST EPISCOPAL
Rev. C. S. Reiley, pastor.
Sunday is Easter. The choir will render an Easter cantata entitled "Easter Angels." Contents as follows:
Organ Introduction.
Angels Guards—Baritone Solo and Chorus.
Angels at Gethsemane—Contralto Solo and Chorus.
The Wandering Angels—Soprano Solo and Chorus.
Rock of Ages—Alto and Baritone Duet.
The Angels of the Resurrection—Tenor Solo and Chorus.
The Victory Won—Chorus.
Joy in the Mansions of Light—Contralto Solo and Chorus.
The Angels Adoration—Final Chorus.

In addition there will be a male quartet "There is a Green Hill" and a solo by Mrs. Winifred Palmer.
Baptism and reception of members. Infants and children baptized with water from the river Jordan. A special Easter offering will be taken for World's Service.
Sunday evening—"The Resurrection of the Body." What do we mean by that expression? Is there a resurrection of the "flesh"? Did Jesus teach the resurrection of the "body"? This should be an interesting subject. It is our Easter sermon. Come and hear it.

ST. PAUL'S CHURCH
P. H. Grabowski, Pastor.
Friday, April 2nd—
German services, 10:00 a. m.
Sunday, April 4th—
"Sunday school 9:15.
English services, 10:00.
English communion, 11:00.
Easter program by Sunday school, 7:30 p. m.

CUSTOM HATCHING—Get your orders in for White Leghorn baby chicks. Also want a few female ferrets to summer over. Phone 164-F14. Sam Stadel, Chelsea, Mich. 3-2517

7:30, Easter Play.
There will be but the single service Sunday evening at which time the Easter play entitled "The Easter Tidings" will be presented. Miss Lash Huehl, as leader of the E. L. C. E. for this evening, with the assistance of other members of the League is presenting the Easter message to us in this way.

NORTH LAKE M. E. CHURCH
Rev. Frank Snooks, Pastor
The lesson "Loving and Serving the Risen Lord" together with Easter music by the children and a reading by Mrs. F. Bush will constitute the morning service. Flowers will be presented by the Sunday school and by those who wish to commemorate the memory of a loved one.
In the afternoon services will be held at the homes of the sick people in the community.
Rev. Frank Snooks will preach at 7:30 p. m. What better way to renew our personal responsibilities to God than to worship at these services.

A TEST OF YEARS
Is the Experience of This Chelsea Resident

Are you miserable with an aching back? Feel tired, nervous and run down? Do you have daily headaches, dizziness? Then why not take the daisy pills and annoying urinary advice of a Chelsea resident who suffered as you do and found lasting relief by using Doan's Pills—a stimulant diuretic to the kidneys? Here is a Chelsea case that the years haven't changed. Why not profit by it?

Mrs. W. D. Arnold, E. Middle St., Chelsea, says: "I suffered greatly from dull, nagging backaches and distressing pain through my kidneys. Doan's Pills from Bone's drug store rid me of the backaches and regulated my kidneys."

SEVERAL YEARS LATER, Mrs. Arnold added: "Doan's cured me and the cure has lasted." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Arnold had. Foster-Milburn Co., Mrs. Buffalo, N. Y.
