MRS. H. L. WOOD DIED AFTER TWO DAYS FATAL ILLNESS

Lifelong Resident of Chelsea and Vicinity Was Born in Lima, Pa. Funeral Services Held Tuesday.

After an illness of only two days, Mrs. Ada Wood, aged 73, passed away at her home on Jefferson street Saturday afternoon.

Mrs. Wood was born in Lima township May 8, 1853, a daughter of Mr. and Mrs. Wm. G. Dancer, June 11, 1873 she was united in marriage to H. L. Wood, the husband preceding her in death several years ago.

Surviving are one daughter, Mrs. Geo. P. Staffan, Chelsea, one son, Dr. Henry G. Wood, Detroit; two sisters, Mrs. Anna Hoag and Mrs. Ella McNamara, both of Chelsea; one brother, Wm. J. Dancer, of Stockbridge and five grandchildren.

Mrs. Wood was a member of the Methodist church.

Funeral services were held from the residence at 2 o'clock Tuesday afternoon, Rev. C. S. Risley, pastor of the Methodist church, officiating. Burial was at Oak Grove.

WILL SHOW CORN BORER

EXHIBIT FOR FOUR DAYS

Farmers & Merchants Bank Will Display Effects of Corn Pest in Lobby Next Week.

Accompanied by posters and literature relative to damage done by the European Corn Borer, Farmers and Merchants Bank will have on display in their lobby the last four days of next week an elaborate display of this increasingly dangerous enemy of Michigan's corn crop.

The rapidity with which the insect is making in its progress inland from Canadian borders it has become a real menace to the production of corn in border counties, including practically the whole of Washtenaw which has been placed within the quarantine area. In order to further acquaint farmers and others interested with the methods of attack used by the insect banks all over the quarantined area are offering their services in the display of these exhibits.

A table about three feet by sixteen feet will be required to properly display the exhibit and this will be placed in the lobby of the Farmers and Merchants bank where all persons interested in the extermination of this pest are urged to call and see for themselves the extent of its ravages.

EXTENSION WORK BRIEFS

The Wool Growers' Sheep club was re-organized for second year's work at the home of Edwin Knapp Wednesday evening, May 5th. Officers elected for the new year were: President, Woldemare Buss; vice president, Paul Reichert; secretary, Edwin Knapp; treasurer, John Haab. Seven members will be in this club, four new ones. The members are as follows: Edwin A. Knapp, Woldemare Buss, John Haab, Paul Reichert, Gregory Seckinger, Arnold Fitzmiller, and William Kuhlkamp.

O. E. Roszel and D. S. Swinton of the Ann Arbor Kiwanis club will act as sponsors of this sheep club.

During the next two weeks many calf clubs and pig clubs will be organized throughout the county. Many inquiries have gone into the office lately from new calf club members. It is expected that the enrollment in calf club work will be much greater than last year.

Freedom's young, progressive farmers who took part in the Farm Bureau and Extension program at Freedom town hall Wednesday night, May 12th, were John Haab, who described his last winter's visit to the International Club Congress at Chicago during the International Live stock Exposition; Woldemare Buss, gave a report of benefits he received from his work in judging livestock; Edwin Knapp gave a very interesting report of his experiences in exhibiting livestock. Freedom's future in agricultural need not cause worry if left in the hands of these young farmers and others like them.

SCHOOL NEWS

Mr. Steiner spoke to the students at assembly Tuesday morning. He told of the cities and people he saw on his trip to the Holy Land. Those who have heard Mr. Steiner will know that it was exceptionally entertaining and educational.

An exceptionally fine speaker has been secured for commencement exercises, namely, Mr. Fred A. Perry. Mr. Perry is a lecturer of some considerable note.

CARD OF THANKS

We wish to thank our friends and relatives for their kindness and beautiful flowers; also Rev. Risley for his comforting words spoken, during our recent bereavement.

Mr. and Mrs. Ray McDavid.

NOTICE

It is urgently requested that drivers slow down to 8 miles an hour while driving in Oak Grove cemetery. By request of Cemetery Board.

DAVID B. TAYLOR PASSED AWAY SATURDAY AFTERNOON

David B. Taylor, aged 85 years, died in a hospital at Jackson, Saturday afternoon, May 9, 1926. He was the last survivor of a family of six sons, born to Mr. and Mrs. Isaac Taylor of Unadilla, who afterwards became residents of Chelsea and located on the farm located on McKinley street and Taylor's Lane.

Mr. Taylor was an attorney-at-law by profession, which he followed in Chelsea for many years, and also engaged in buying and shipping grain. He was united in marriage to Miss Liddie Congdon, daughter of James Congdon, one of the founders of Chelsea. Mrs. Taylor died a number of years ago. Shortly after their marriage Mr. and Mrs. Taylor moved to Missouri where Mr. Taylor engaged in the publishing of a newspaper; for a time. After disposing of his business in Missouri, they returned to Chelsea.

About twenty years ago Mr. Taylor purchased an abstract business in Mason and later an abstract business in Lansing and combining the two he made Lansing his home. For the last few winters Mr. Taylor had spent his winters in Florida and had recently returned from there.

He is survived by two daughters, Mrs. Jas. Way of Jackson, and Mrs. Eva Gildersleeve of Lansing, and two sons, Arthur and Frank Taylor, both of Lansing.

The funeral was held in Jackson at 10 o'clock Tuesday forenoon, and the remains were brought here, where a brief service was conducted at the grave in Oak Grove cemetery.

SEASON'S FIRST BALL GAME SCHEDULED MAY 20

Organization of Local League and Playing of Twilight Games Being Started by Fans.

The first ball game of the season between local teams is scheduled for next Thursday evening at Wilkipson field when the I. O. O. F. will meet the Kiwanis team in an opening contest. While neither team has had any practice this season there are indications that they will be about evenly matched and a lot of fun along with very little science is expected to feature the game.

Hope has been expressed that a league composed of five or six teams be organized locally with games scheduled probably twice a week during the twilight hours, thus affording some sports and recreation for the whole community. A. W. Wilkinson has very kindly offered to rent the ground necessary for these games for a nominal sum which would make it available for anyone to use during the summer months. Already four organizations have expressed their willingness to organize teams and stand their share of the expense, with two others considering the proposition which virtually assures success of the project.

Organization of the league would, of course, be followed by a schedule of games and assurance of a season's fun among baseball fans locally.

PUBLIC SPEAKING CONTEST FOR CHILDREN AT FAIR

Arrangements are being made to hold a public speaking contest for rural school pupils of Washtenaw county on August 31, Children's Day at Washtenaw County Fair.

Competition will be open to rural boys and girls in Washtenaw who were in the eighth or lower grade during the 1925-26 school year. Speakers will be limited to approximately three minutes.

Subjects of the speeches may deal with "The Fair," "Citizenship," or "School." Suggestive topics are (1) Why I am interested in Washtenaw County Fair; (2) My Duty as a Citizen; (3) The Opportunities Our Schools Offer.

There will be two classes, boys competing in one class and girls in the other. Valuable prizes will be offered for both classes and a grand prize for the best speech.

Full information will be given in the Washtenaw County Fair Book which will be distributed early next month.

P. T. A. MEETING

The P. T. A. of district No. 4, Lima Center school held their last monthly meeting at the school house May 4, Mr. and Mrs. Wood entertaining. Roll was called, reports were read and accepted and a business meeting followed. The organization have agreed to purchase two dozen chairs and a cooking stove for the school basement. They have already purchased three large tables. Plans were started for an ice cream social to be held some time this summer. Election of officers for the new year followed. The new officers and committees are as follows:

President—John Steinbach.
Vice president—Mrs. Frank Smith.
Secretary—Miss Gladys Forner.
Treasurer—Mrs. John Finkbeiner.
Chairman of refreshment committee—Mrs. George Brand.
Chairman of entertainment committee—Mrs. Emmet Dancer.
Chairman of program committee—Mrs. M. Burkhardt.
Chairman of press committee—Mrs. Fred Reichert.
Chairman of membership committee—Mrs. Ben Huehl.
Chairman of flower committee—25.

BISHOP THOMAS NICHOLSON DEDICATES AT M. E. HOME

North Wing of Old People's Home Formally Opened to Public During Services Today.

Dedication of the north wing of the Methodist Old People's Home, completed recently, is being held at the Home today with an attendance of several hundred persons to participate in the ceremonies. A strong program with Bishop Thomas Nicholson, Detroit, in charge has been arranged by executives of the board of managers and the public is invited to take part in the exercises. Bishop Nicholson also delivers the principal address of the day in the formal dedication program which begins at 1:15 p. m., H. T. Dennis, president of the Board of Managers, presiding.

Luncheon was served at the Home from 11:30 to 1:15. Immediately following the luncheon period the afternoon program was opened with singing of the Doxology and invocation by Rev. Howard A. Field of Detroit. Other numbers of the program were as follows:

Hymn—"My Heavenly Home is Bright."

Greetings—Rev. J. E. Martin, superintendent of the Ann Arbor District of the M. E. church.

Response—Rev. H. A. Lesson, of Detroit, formerly superintendent of the Ann Arbor District.

Historical Outline—Rev. J. E. Jackson, executive secretary of the Board of Managers.

Dedicatory Poem—Rev. Reuben Crosby, Saline.

Address—Bishop Thomas Nicholson, Detroit.

Prayer—Rev. E. P. Bennett, Flint.

Presentation of Building—Hon. Junius E. Deal, Ann Arbor.

Final—Bishop Nicholson, assisted by Rev. E. M. Moore and Rev. H. G. Pearce.

Benediction—Rev. J. B. Oliver, Chelsea.

The north wing of the Home, which is the section being dedicated today, was built during the past summer and fall months, and is identical in style of architecture and size to the south wing which was built a number of years ago. Twenty-eight rooms are added to the ninety already available in the old buildings, and was built at a cost of more than \$80,000, a portion of which represents a new heating plant for the entire group of buildings. Built of brick and stone, two stories high and basement throughout, well balanced in its architecture, and set amid a landscape where flowers, shrubs and trees lend their artistic coloring, the view as one approaches the Home is altogether of a pleasing nature.

The main building of the Home was erected in 1904 when citizens of Chelsea contributed to its financing. Later the south wing was built and the capacity enlarged. And with erection of the "Dor" and Mrs. M. F. High Memorial Hall, as the north wing is called, Methodists feel proud to be able to dedicate "To make Old Age Comfortable" in accordance with the aims and purposes of the Home.

CORN BORER EXHIBIT

WILL BE ON DISPLAY

One Hundred and Fifty Banks in Quarantined Area Will Show Effects of Insect's Ravages.

A comprehensive exhibit of the damage being done by the European Corn Borer in its invasion on Michigan's corn crop has been scheduled to be shown at the Kempf Commercial & Savings Bank on Wednesday, Thursday, Friday and Saturday of next week, May 19 to 22, inclusive, when a display furnished by the state department of agriculture will be placed in the lobby of the bank for the inspection of persons interested.

Display of the corn borer exhibit comes at a time when practically every farmer is vitally interested in its effect on production of the corn crop in Michigan and it is hoped all will take advantage of the opportunity to call at the bank during these days. Approximately one hundred and fifty banks throughout the quarantined area of Michigan are showing this exhibit during the next few weeks in a widespread effort to further impress upon the public the danger Michigan farmers face should this pest continue to spread.

Brevity and Wit
The son of an English clergyman named Jordan who had been taught the art of brevity; started his father with the following wire from the university, where he was receiving his education: "S.O.S., S.S.D., R.S.V.P." The lad further distinguished himself in reply to an anxious letter as to his final examination. "I'm 845, verse 6, last two lines," which the anxious parent found to convey, "Sorrow vanquished, labor ended, Jordan passed."

Mrs. Adolph Steinway.
After the election of officers a fine program and entertainment followed. Scrub lunch was served in the basement, after which all members departed for their homes.

DON'T MISS the Corn Borer Exhibit at the Farmers & Merchants Bank next week Wednesday, Thursday, Friday and Saturday.

"gas chats"

The Milliner "does it
better with Gas"

That little bit of feminine loveliness you choose
for your spring hat owes an important part of its
smart beauty to GAS.

If that sounds surprising, take a little trip via
imagination to a hat factory. First you'll see rows
and rows of aluminum molds, the metal for which
has been melted by gas, and on these molds are
felt and straw being made into all sorts of stylish
and becoming shapes. The bottom section of the
mold, on which the material is stretched, is heated
with gas; then the top section, heated by small gas
coils, fits down tightly and the pressure and gas
heat do the work.

Visit next the work shop where the shapes are
varnished with glue and dried in a gas fired drying
room. Even the gay spring colors are made love-
lier with gas, because they come out of big pots of
dye heated over gas boilers. The materials are
dried, starched, and hung in a gas heated drying
oven.

From your hat to your shoes, there's hardly any-
thing you wear for which gas is not in some meas-
ure responsible.

MUSIC MAKES MORE MILK

After all, there was doubtless
something more than words behind
that old expression in the advertise-
ments—"milk from contented cows."
J. G. Storch of Knoxville, Tenn.,
says he has experimented on one of
his cows and the playing of "My Old
Kentucky Home" on a phonograph
while she contentedly chews her cud,
will cause his cow to produce a quart
more of milk daily.

Owners of dairy farms will do well
to buy phonographs so that they can
control the music designed for the
ears of their cows.

We suspect some of this awful jazz
that is radiated every night would
cause the cows to give nothing but
buttermilk.

GOLD INCREASES

The United States Department of
Commerce reports that private Amer-
ican investors in foreign countries
has now reached the grand total of
ten and a half billions of dollars.
That is the greatest amount of money
any country has ever held in fore-
ign investments since time began.

America has now \$4,500,000,000 of
the world's gold supply—exactly half
of all the gold in the world available
for money metal.

All the more reason why the Amer-
ican government should be more
alert in planning air fleets and other
defense necessities in case this coun-
try should be attacked by a foreign
nation, or a group of foreign nations.
A great amount of wealth concen-
trated in any country is always a
source of great danger. It has always
been so since the world began, and
human nature has not changed in
that respect.

TAX ON BETTING

Great Britain has placed a tax on
betting in that country to raise reve-
nue for the government. Nobody
likes it. The church kicks because it
alleges the measure authorizes gam-
bling. The gamblers don't like it be-
cause they say it will destroy their
business. It will probably please
nobody but the losers—and they are
always in the vast majority—if they
were not there would be no betting
in the world.

DRY BILL PASSES

The House of Representatives at
Washington has passed the dry meas-
ure, by almost unanimous vote giving
to Secretary Mellon quite autocratic
powers in dealing with the enforce-
ment of the Volstead Act. Up to
this good hour, that seems to be the
sum total of all that has been se-
cured out of the general hullabaloo
raised by the veto at Washington,
and the "straw" vote of the news-
papers seeking something to make
people talk and spend a few more
pennies for papers.

Unbridled Tongues

his career learns that free speech may
be costly.

TO-FLY OVER WORLD

Despinedo, Italian flyer, who won
fame in the flight last year from
Rome to Tokyo, now plans to fly 80,-
000 miles around the world crossing
over every country and every sea.

The air furnishes the new field of
romance and adventure. Capt. Cook
and Magellan made lasting fame out
of sailing over all the seas of the
world. That was a great feat in its
day. Some day flying over the world
will be as little thought of as a feat,
as sailing over the world is thought
of today. The air will hold no more
terrors than the sea now does.

MUSCLE SHOALS AGAIN

The bid of the Alabama Power
Company to lease Muscle Shoals for
a period of fifty years, has started
the war all over again. Although the
Alabama Power Company would re-
turn to the government some \$181,-
000,000 in the period of the lease,
there are those who appear to prefer
that it be left than be leased to the
Alabama Power "trust."

"INTELLIGENT WOMEN"

H. L. Mencken writes a column ev-
ery Sunday in the New York World.
Mencken is a sort of moral and men-
tal misfit such as springs up in every
generation, with an exalted ego. To
tell the world how to live, and to be
peevish to the right point of petty
sarcasm if it fails to take his ad-
vice.

In Sunday's World, Mencken writ-
ing about women and the halloo, and
their attitude toward prohibition
says: "You will go a long way indeed,
before you find an intelligent woman
who is in favor of it."

It appears to be Mr. Mencken's pe-
culiar misfortune to know few if any
"intelligent women."

French Insurrectionists

The A. B. C. club was the name
adopted by certain Republican en-
thusiasts in Paris, France, profess-
ing to relieve the depressed. These
men organized an insurrection which
was suppressed with bloodshed on
June 6, 1892. These events are de-
scribed by Victor Hugo in his great
work of fiction, "Les Misérables."

LOCAL DEALER ATTENDS BANQUET GIVEN BY CHRYSLER

The local Chrysler dealer, W. G. White, reports that he attended a very interesting meeting of all Chrysler dealers, their salesmen, and service men, given by the John H. Thompson Company, Detroit distributors at the Convention hall in Detroit last Friday evening. There were over 200 Chrysler dealers and salesmen in attendance. Mr. John Squires, Supervisor of Service, represented the Chrysler Sales Corporation and gave the address of the evening.

The occasion was the announcement of a new Light Six Chrysler "60", and prices were announced. The dealers pledged themselves to sell 1000 Chrysler cars during the month of May in the Detroit district which consists of eight counties, including Wayne county. This would be a wonderful accomplishment, and the largest increase in business that any automobile company has ever enjoyed.

Mr. White reports that he is now showing the New Light Six Chrysler "60", and will be glad to make demonstrations. Refreshments were served and everyone was very enthusiastic over the Chrysler outlook. However, upon their arrival home they learned that Mr. Chrysler had another surprise in the way of a tremendous price reduction on the Model "70".

Avoid "Knocking" Habit

At the end of the day, review what you have said and see if 99 per cent of your remarks were "knocks." The "jawing" habit is easily acquired—exchange.

BREVITIES.

SOUTH LYON—South Lyon high school will graduate a class of six this year. This number is a decrease of eleven from last year, seventeen having been graduated last June.—Herald.

CLINTON—E. H. Ahrens purchased the Dundee Reporter last Friday, which was owned by Walter J. Pinkstone and John Beery of Blissfield. Local Mr. Ahrens published the Chelsea Standard for a few months and several years ago published the Grass Lake News.

ANN ARBOR—Mayor Robert Campbell has been selected as director of the sales campaign for the proposed community-financed hotel. The 160 men engaged in selling stock will be divided into divisions. Forty men will work in each squad under a captain.

HOWELL—Village Marshall Ralph Collins of Brighton, and State Policeman Merl Pack arrested A. Leroy Brown at Brighton, May 1. It is claimed that he had eighteen quarts of whiskey in his car at the time. Arraigned before Justice Collett—he was bound over to Circuit Court and is in jail in default of \$500 bonds.—Republican.

STOCKBRIDGE—Sheriff Silsbee of Mason was in town Monday, looking up reports which are being circulated about this section that farmers are being arrested for carrying bags of grain, feed, etc., in their touring cars, and asks us to inform the farmers and others that there are no grounds for such reports; as farmers may carry any and all kinds of produce for their own use in their cars.—Brief Sun.

BRIGHTON—When Mr. and Mrs. William Burleigh returned from Florida it was found that they had annexed an extra member to their party and to their household as well. They were accompanied home by Miss Mary Ellen Todd, an eight year old Florida girl, who has never possessed the educational advantages that our Brighton young people enjoy. She will make her home with the Burleighs for the present and attend school.—Argus.

MANCHESTER—The Michigan annual conference of the Evangelical church was held last week in Detroit; Bishop Spring of Naperville, Ill., presiding. The state has been divided into three districts instead of four: Detroit, Bay City, and Kalamazoo. Appointments and locations of these of interest to our readers are: Rev. C. C. Gibson, presiding elder for Detroit district; H. E. Spade, Manchester.—Enterprise.

CHARLOTTE—Frank Curtis, who conducts one of the largest ginseng gardens in the state, reports that some person entered his gardens last Saturday night and dug up about \$160 worth of roots. He is of the opinion that some person desirous of starting in the business thought perhaps this would be a good way to get matured plants. Besides losing the roots Mr. Curtis states that many plants were trampled and spoiled. He reported his loss to the police who are working on the case but as yet there is no clue.—Republican.

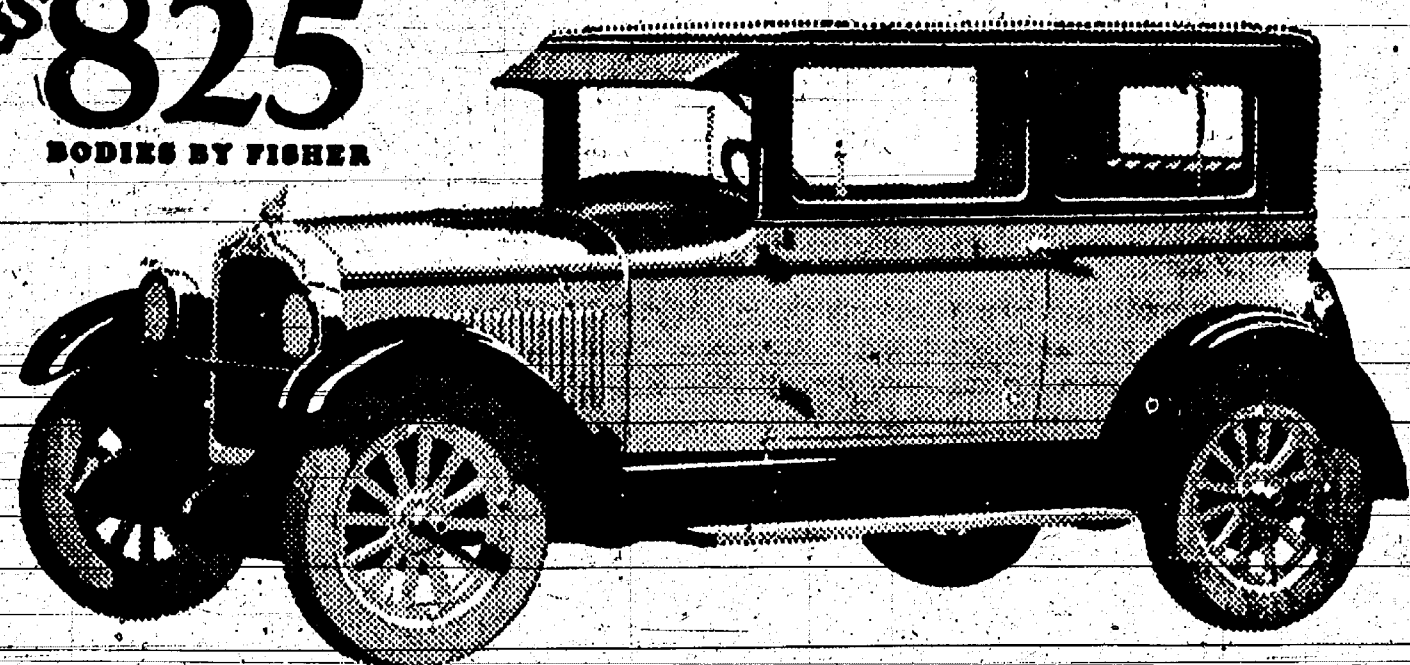

LAINE—Arthur Heininger, in some respects, is the most unfortunate young man we know of. His latest piece of hard luck came about four o'clock Saturday morning, when thieves stopped at his farm, took his car out of the barn, drove it to the granary and loaded 75 wool fleeces into it and drove away. Mr. Heininger heard a noise, looked out the window, and was just in time to see them drive off toward town. He called Deputy Sheriff Jahnke, who made the trip out in the country as soon as possible, but no trace of the sneaks could be found. The car was found near Dundee Saturday evening, having been abandoned by the side of the road, but the wool was missing.—Observer.

REPORT OF THE CHELSEA-WASH. COW TESTING ASSN.

Following is a report of dairy herds in the Chelsea-Washtenaw Cow Testing Association for month ending April 2nd. No. of cows tested, 187; cows dry, 19; two new cows entered; 24 herds tested; No. of cows producing between 40-50 lbs. fat, 20; over 50 lbs. fat, 11; 27 cows produced between 1000-1250 lbs. milk and 13 over 1250 lbs. milk. Owner of herd having highest butter-fat average was Geo. Halford whose 8 grade Holsteins averaged 1278 lbs. milk and 47.75 lbs. fat. Harry Knickerbocker is owner of cow having highest butter-fat production—1519 lbs. milk and 72.3 lbs. fat. 4 grade cows were sold and 6 pure breeds were bought. The average production per cow in the association is 700.3 lbs. milk and 27.78 lbs. fat. Four men are keeping daily milk records.

Solves the Problem of "Six" versus "High-priced Four"

"Shall I buy a high-priced four and forego six-cylinder performance superiority; or is there a low priced six which is free from the penalties of ordinary appearance, ordinary comfort and ordinary stamina?"

For several years this question has been widely debated by motor car buyers. That it has been finally solved by the Pontiac Six is clearly revealed in the spectacular triumph this new General Motors car is scoring the nation over.

General Motors devoted over three years to the development of a six that offered high quality at an unexpectedly low price. But every Pontiac Six owner will tell you that it was well worth waiting for—

—because from the very first time he took possession of the wheel he was convinced that he had made a sound investment, unequalled in the industry—a value that only General Motors could possibly achieve!

Oakland Six, Companion to Pontiac Six—\$1025 to \$1295. All prices at factory. Easy to pay on the General Motors Time Payment Plan.

The G-BOY

A NEW ONE TON TRUCK

Graham Brothers latest and most impressive achievement

Graham Brothers latest and most impressive achievement—the G-BOY!

A one ton truck embodying entirely new ideas in design and balance and selling at an astonishing price.

Extraordinary purchasing power and vast production made the G-BOY possible.

Largest exclusive truck manufacturers in the world, Graham Brothers buy and build in enormous volume.

The price and quality of the G-BOY illustrate the extent to which buyers benefit by this volume and its resultant economies.

The G-BOY is the most important contribution in years to the

cause of Better Transportation at Lower Cost.

A new system of weight distribution effects a revolutionary improvement in balance.

The compact wheelbase facilitates ease of handling and yet affords unusually generous body capacity. The truck is gracefully low, with steel spoke wheels and 30 x 5 truck type cord tires.

Dodge Brothers engine is the standard power unit, with a new heavy transmission that has proved its quality in greater capacity types.

The entire truck, in fact, is built to out-live and out-perform trucks costing hundreds of dollars more.

Bodies for the G-BOY—and for Graham Brothers complete line of Trucks and Motor Coaches—are built in Graham Brothers own factory at Evansville, Ind.—the most modern plant of its kind in America. Whatever your requirements may be, a suitable body is immediately available at an attractive price.

Not Camels, Either
There are certain creatures which never feel the pangs of thirst, for they are so constituted that drink is unnecessary to them, and they never swallow a drop of water in their lives. Among these animals are certain gazelles of the Far East and llamas of Patagonia.

"Plus Four"
The Harbordasher says that golfers found regular knickerbockers a bit uncomfortable for going. He drafted a pattern in which four inches were added to the inside seam of each leg of knickerbockers, which had a standard length of 20 inches. This provided for the drop of the "plus fours."

in your own car! With the whole countryside spread out before you and alluring roads in all directions, you are king of all you survey.

Emperors of old had no sport to be compared with motoring—up hill and down—over meadow and valley and stream—the great blue bowl of the sky above—golden sunlight and fresh, clean wind, bearing fragrance of wild flowers and fruits.

There are scores of interesting wonder spots just around the corner. Look over this short list and see what is near you.

- 1—The picturesque Badlands of South Dakota, remarkable for their unique brilliance of coloring and their prehistoric fossil remains. State Highway No. 40 from Rapid City to scenic.
- 2—Famous Lake Vermilion, one of the largest lakes in Minnesota, containing 365 wooded islands and surrounded by forests. Near Tower, State Highway No. 35.
- 3—The cool lake front of Northern Michigan, the Upper Peninsula, State Highway No. 91 from Marquette to Escanaba and around Big Bay de Noc.
- 4—A natural bridge over which automobiles can travel. Near Maquoketa, Iowa. State Highway No. 20 and No. 61.
- 5—The University of Kansas on the top of Mount Oread with the valley of the Kaw River below and sweeping view of the plains. At Lawrence on Red Star Route No. 22 and Victory Highway No. 15.
- 6—Red Banks, formerly a populous Indian city of fascinating historic tradition, on the shore of Green Bay, Wisconsin. Rich in Indian relics. About twelve miles northeast of the city of Green Bay. State Highway No. 78.
- 7—Greenfield, Indiana, the birthplace of James Whitcomb Riley. Beautiful spots nearby that have been immortalized by him. State Highway No. 3.
- 8—The cattle ranch on the banks of the Little Missouri, where Theodore Roosevelt learned to love North Dakota. State Highway No. 39.
- 9—Giant City—a corner from the "Garden of the Gods" near Makanda in Jackson County, Illinois. Covered with weird, carved stone columns and strange floral life. A few miles off State Highway No. 2.
- 10—Onondaga Cave, rich in gorgeous formations of onyx with magnificent vaulted chambers that musically echo the sounds of roaring torrents. Southwest of St. Louis, Missouri, near Leesburg. State Highway No. 14.

All you need is a good road map and a tank full of Red Crown Gasoline for the most gloriously carefree vacation of your life.

CHEVROLET DEALERS HOLD ADVERTISING CONFERENCE

One of the most important advertising conferences ever held in the automotive industry has just been concluded in the general offices of the Chevrolet Motor company, located in the General Motors building in Detroit. Chevrolet dealers from various sections of the country were called in for a two day session during which all phases of the Chevrolet advertising plan were covered.

So satisfactory was this conference in its contribution of new ideas and advertising suggestions, based on dealers' experiences in widely scattered territories that plans have been made to arrange regular monthly meetings. The dealers will assist in making the Chevrolet cooperative advertising campaign the greatest plan ever produced for any group of retail merchants.

J. E. Grim, Jr., advertising manager, presided at the meeting, assisted by members of his advertising staff. Talks were given on advertising art, preparation of copy, direct mail advertising and outdoor advertising.

The cooperative advertising campaign now under way in addition to the regular national schedule was reviewed. Dealers learned that through the cooperative plan, Chevrolet advertising is now appearing in more than 4,000 American newspapers, making every dealer, large and small, a consistent newspaper advertiser. The vast circulation of these papers, tied up with the copy used in the national schedule, gives Chevrolet a great national coverage and assures uniformity of the message broadcast.

Aside from the product itself, Chevrolet officials said no other element had done so much toward increasing Chevrolet sales as the cooperative plan enthusiastically supported by the dealers.

Although 1925 was Chevrolet's greatest year, with sales totaling more than 600,000, the first three months of this year already show an increase of more than 70 per cent over the same period last year and April sales figures promise to eclipse those of the same month in any previous year.

"THE GOOSE HANGS HIGH" TO BE AT MAJESTIC, JACKSON

A theatre innovation which promises many pleasurable hours to the play-lovers of central Michigan, is this week announced by the Majestic, of Jackson, in the organization of a company of resident players who will present throughout the summer, in week period engagements, the best of the new stage plays, played by a company in every way the equal of those companies seen in the big cities at \$2.50 prices.

For the Majestic season there will be a scale of prices of which 75c for the lower floor at evening performances will be the highest. Evening performances will start at 8:15, and there will be matinees Wednesday and Saturday afternoon, at lower prices.

The company will open its season Sunday, May 16, with "The Goose Hangs High," that excellent comedy drama by Louis Beach, a Michigan author. Reservations may be made by mail or by telephone, and readers of the Standard will confer a favor on this paper by mentioning the Standard in making reservations.

"The Goose Hangs High" is one of the very cleanest and best of the newest plays, and one which the Majestic company—to be called the Wright Players—will be capable of giving a wellnigh perfect performance. A complete scenic equipment will be built for "The Goose Hangs High" and for each play to follow.

W. H. Wright, director of the Wright Players, already has three other highly successful resident companies of the same type—the Broadway Players of Grand Rapids, now in their 107th week there, the Wright Players, in Louisville nearly a year, and a newer company at Saginaw, also the Wright Players, now in their seventh week.

Dramas such as "Smilin' Through," "The Best People," and "The Rat," comedies of the type of "The First Year," "Nothing But the Truth," and, in fact, any stage play which is proving popular, will be played—most of them before they have played anything but their big city engagements. Thus, people of central Michigan will have an opportunity to see the very best of plays, flawlessly presented, and at a very moderate scale of prices, throughout the summer.

BE FRIENDLY TO VISITING TOURISTS THIS SUMMER

We may talk about friendship until our throats are sore and our voices fail but as we have said before in these columns—real friendship is what counts with those with whom we come in contact.

The tourist season is now at hand. Thousands of strangers are coming to Chelsea this summer. Treat them as you would like to be treated in similar circumstances. Give them the most accurate information you know how should they ask it. Make them feel that this is the most friendly town they ever went through.

And if everyone will resolve to do this, the tourists will return to Michigan year after year and soon become the greatest single “crop” in the entire state.

RALPH DE PALMA TO RACE AT JACKSON MAY 23

Jackson, Mich., May 13—Ralph De Palma, the famous Italian auto-race driver, idol of speedway fans the world over and holder of world marks from one to twenty-five miles, will be one of the feature drivers in the big auto races on the fair grounds speedway here Sunday afternoon, May 23rd. The races have been sanctioned by the contest board of the American Automobile Association. This means that with the coming of this race all future auto races at Jackson will be run under the direction of the A. A. A. Other noted drivers will compete here a week from Sunday.

The biggest prize list ever hung up for a half mile track has been announced. De Palma will race in at least three events. He will be working out on the speedway at Indianapolis in preparation for the 10th annual 500 mile race Memorial Day and will reach Jackson two days before the races, complete, and then go back to the Hoosier city for the speedway classic.

De Palma holds the attention of the fans wherever he drives. He has won the Indianapolis race and is always way up in the money. The management of the races here is paying him more money for the one day than it would cost to contract an opera star, so great is the demand for his racing. The prices for the day will not be raised. The admission price will be \$1.00 and 50c for grandstand.

W. D. Edensburn of Detroit, who runs the Indianapolis races will be here as the representative of the contest board and will be in direct charge of the Jackson speed events. From the way the entries are coming in there will be from ten to fifteen cars entered, practically all of them stars from the big speedways of the country. The gates will open at 9 o'clock in the morning and the races will start at 3 o'clock. Preparations have been made to care for 15,000 people.

WATERLOO

Memorial services will be held on the first Sunday in June, as has been the custom, with the exception of one year.

On next Sunday, the Sunday school will begin at 9 and preaching service at 10. Just for this one day.

Levi Palmer will speak on his world tour next Sunday morning at 11:30, at the 1st U. B. church. All welcome.

Mr. and Mrs. W. Vicary and children spent Sunday afternoon with their uncle, Arthur Holling, in Lees, Ill.

Mr. and Mrs. Arthur Walz and children visited the former's mother, Mrs. Kate Walz on Sunday.

Louise E. Williams, Plaintiff,
vs.
Jesse Mason, Roswell Britton, Fortune C. White, Charles Whitcomb, James Walker, Leonard B. Vaughn, Ruana Hulbert, Franklin Hulbert, Caroline Rouse, Electa Anthony, Lyman S. Hulbert, Emma Orr, James Hulbert, Rhoda Baxter and William Donaldson, and their heirs, devisees, legatees and assigns.

At a session of said court held at the Court House in the City of Ann Arbor, in said County, this 20th day of April, A. D. 1926.

Present, Hon. George W. Sample, Circuit Judge.

In this cause it appearing by the bill of complaint duly verified, presented and filed, and to the satisfaction of the court that Jesse Mason, Roswell Britton, Fortune C. White, Charles Whitcomb, James Walker, Leonard B. Vaughn, Ruana Hulbert, Franklin Hulbert, Caroline Rouse, Electa Anthony, Lyman S. Hulbert, Emma Orr, James Hulbert, Rhoda Baxter and William Donaldson, and their unknown heirs, devisees, legatees and assigns, are necessary and proper parties defendant in the above entitled cause and are interested in the subject matter involved therein and whose names appear in the Office of the Register of Deeds for the County of Washtenaw as having at some time claimed a right, title, interest or estate in the subject matter of said cause, or as having a lien or charge thereon, without having conveyed or released the same, and who might, at any time, under the provisions or legal effect of such instruments of record claim or attempt, or be entitled to claim

benefits thereunder, and it further appearing to the satisfaction of the court that said above named parties are dead or their whereabouts unknown to plaintiff, and after diligent search and inquiry they have been unable to ascertain the same or where any of them or their heirs reside, or whether such interest as appears of record has been disposed of in any way, and that such defendants cannot be personally served with process. Therefore, IT IS ORDERED that the appearance of said defendants and each of them be entered in said cause within three months from the date of this order, and that in case of their appearance, they cause their answer to the bill of complaint to be filed and a copy thereof served upon the attorney for plaintiff within fifteen days after service upon them of a copy of the bill of complaint, and that in default thereof said bill of complaint be taken as confessed by each of said defendants, and it is further ordered that said plaintiffs cause a copy of this order to be published in the Chelsea Standard, within forty days from this date, a newspaper printed and published in said County of Washtenaw and circulated therein, once in each week for six successive weeks, or that said plaintiffs cause a copy of this order to be personally served upon said defendants and upon each of them within twenty days of the time prescribed for their appearance.

Maperva Stoffer, Plaintiff,
vs.
Jennie Gorman, Alvah Hudson, James Popkin, Alice Gorman, Bridget Forner, J. C. Winans, David McGuire, Enoch James and Jason Hudson, their heirs, devisees, legatees and assigns.

At a session of said court, held at the court house in the City of Ann Arbor, Michigan on the 3rd day of May, 1926.

Present: Hon. George W. Sample, Circuit Judge.

In this cause, it appearing by bill of complaint duly verified and to the satisfaction of the court that the following of the above defendants, Jennie Gorman, Alvah Hudson, James Popkin, Bridget Forner, J. C. Winans, David McGuire, Enoch James and Jason Hudson, are necessary and proper parties to the above entitled cause and are interested in the subject matter involved therein and whose names appear in the office of the Register of Deeds for the County of Washtenaw as having at some time claimed a right, title, interest or estate in the subject matter of said cause, or some portion of it, or having a lien or charge thereon without having conveyed or released the same, or who might at any time, under the provision or legal effect of such instruments of record, claim or attempt to claim benefits thereunder, and it further appearing to the satisfaction of the court that said above named parties are dead or their whereabouts unknown to said plaintiff, and after diligent search and inquiry have been unable to ascertain the same or where any of them or their heirs reside or where any such interest as they may or might have therein has been disposed of by will or otherwise, and that such defendants cannot be personally served with process, therefore, on motion of John Kalmbach, attorney for plaintiff, IT IS ORDERED:

That the appearance of said defendants be entered in this cause within three months from the date of this order, and that in case of their appearance they cause their answer to the bill of complaint to be filed and a copy thereof served upon the attorneys for plaintiff within fifteen days after service upon them of a copy of said bill of complaint, and that in default thereof said bill be taken as confessed by each of said defendants, and it is further ordered that said plaintiff shall cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said County of Washtenaw, within forty days from this date, and that such publication be continued therein once in each week for six successive weeks or that said plaintiff cause a copy of this order to be personally served upon said defendants and each of them at least twenty days before the time prescribed for their appearance.

GEO. W. SAMPLE,
Circuit Judge.

Supremacy in Fine Steel

In the percentage of Costly Chrome Vanadium Steel used, Dodge Brothers Motor Car outranks any other automobile in the world, regardless of cost.

It is everywhere conceded that Chrome Vanadium Steel is the toughest and most enduring metal ever created for use in the vital parts of a motor car.

It may not be so well known, however, that Dodge Brothers Motor Car ranks first in the world in the use of this costly and fatigue-proof material.

Dodge Brothers power assembly is almost entirely Chrome Vanadium—motor, connecting rods, crankshaft, transmission, universal joint, drive shaft, differential and rear axle.

Even the front axle is Chrome Vanadium—the entire steering unit—and every leaf of the springs.

In fact, wherever any manufacturer uses alloy steels, Dodge Brothers use costly Chrome Vanadium. And in numerous instances Dodge Brothers employ it where plain carbon steel, even in the costliest cars, is commonly thought sufficient.

This has been true from the day Dodge Brothers built their first motor car.

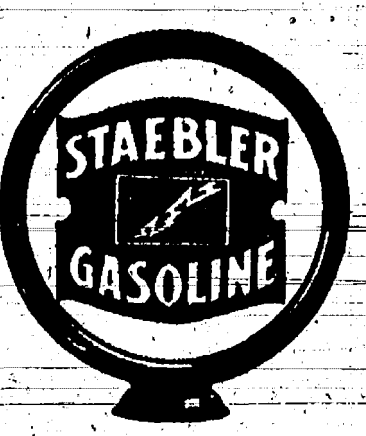

This explains why the words *Long Life, Safety and Dependability* are habitually associated with the name Dodge Brothers wherever motor cars are serving mankind.
