PLYMOUTH KIWANIS VISIT CHELSEA CLUB

Supplied A Peppy Program—Collected Many Pines And All Had A Merry Time—Eccentric Comes Here Monday Next

About twenty members of the Plymouth Kiwanis Club paid a visit to the Chelsea Club on Monday evening and provided the program for the meeting and the gathering was a peppy affair from start to finish. Extra tables had to be provided to serve all who gathered and a fine dinner was served by the hostesses of the club.

At the conclusion of the dinner, President J. J. Vogel extended a cordial welcome to the visitors and turned the program over to the visiting club. The president of the Plymouth Club, who expressed his pleasure at being permitted to present the program of the evening, he introduced Dr. Luther Peck, who had charge of the program and who in turn introduced Richard Valentine who sang a number of songs during the evening to the great pleasure and delight of all. He was accompanied on the piano by Mrs. P. F. Nicholas. Dr. Peck gave the address of the evening, taking for his subject "Keep Smiling" and any one who knows the good doctor will testify that in this particular "case" he practices what he preaches, because his kindly smiles have won the hearts of the people of his section where he has been a popular and successful physician for many years. He commended the spirit of the Kiwanis, the spirit of service which is the underlying principle of all luncheon clubs and he urged his hearers to speak a kindly word, to do a kindly deed whenever an opportunity presented itself and thus may their lives be enriched and ennobled and the world made a happier place in which to live.

Secretary W. H. Wines of the Plymouth Club conducted a "quiz" during which he asked a number of the members of the local club questions pertaining to the work and accomplishments of the organization and every fellow who could not answer the question submitted to him was fined. A good many paid cheerfully. Pines were collected during the course of the evening for a number of offenders. The Plymouth Ford dealer being assessed 25 cents for having passed every car on the road while coming to Chelsea and Lee Palmer of the local club was fined an equal amount because the new Ford was able to accomplish such a feat. It was a merry crowd, out for a merry time and they were entertained by the Chelsea Club right merrily.

Next Monday night the Eccentric Club comes to Chelsea and will provide the program.

A PRETTY HOME WEDDING
A pretty home wedding was solemnized Tuesday afternoon at the home of James Speer, 319 Railroad street, when his granddaughter, Miss Gretchen L. Speer, and Rodney E. Davies, both of Royal Oak, were united in marriage at 3:30. Rev. Fred L. Walker, pastor of the Methodist church, performed the ceremony. The bride wore a handsome gown of white georgette and carried a shower bouquet of white roses and lilies of the valley, while Miss Lucetta Patterson, of St. Clair, who attended her as maid of honor, was gowned in yellow georgette and carried pink roses. Donald Henderson, of Royal Oak, assisted the groom as best man. Following the ceremony, a wedding dinner was served by Mr. and Mrs. Wesley C. Smith, uncle and aunt of the bride.

Both Mr. and Mrs. Davies are graduates of Royal Oak High school. After May 6th, they will be at home to their friends at 1009 West Baltimore street, Flint.

Guests at the wedding were Mr. and Mrs. George Speer, of Royal Oak, parents of the bride, their son James and daughter Phyllis; Mr. and Mrs. E. Davies, parents of the groom, and son Rodney, of Royal Oak; Mr. and Mrs. E. Walters and son Rodney, of Flint; Mr. and Mrs. William Knorr, of Detroit; Mrs. Lillian Robinson, of Detroit; Mr. and Mrs. J. G. Webster, of Chelsea.

BACK TO THE OLD SCHOOL HOUSE

If you have ever attended school in either district No. 4 or 11 in Sylvan Center, you ought to be planning to attend a reunion of teachers, pupils or residents and their families which will be held at the school grounds at Sylvan Center on Sunday, May 20th. The committee in charge of the plans for the gathering is desirous of getting in touch with all former pupils, teachers or residents and if you know the names and addresses of any of these you will confer a favor by telling them. The committee is composed of Fred Haffley, Mrs. Frank Gieske and Mrs. William Schultz.

There will be an interesting program with lots of visiting on the side and a wonderful pot-luck dinner at noon.

PLANTATION SINGERS COMING

On Tuesday evening next, the 8th, a Redpath feature number, the Jackson Plantation Singers, will give a concert at the Chelsea public school auditorium, when they will present a program of negro melodies for the benefit of the Senior class. The quartet comes highly recommended and Chelsea people have a real treat in store.

ROLLER-DEURIE WEDDING

At the parsonage of St. Mary's church of Manchester, Wednesday afternoon, April 25, the marriage of Miss Ella Genevieve Roller and Alvin John—celebrating the marriage mass. In the evening a reception was held at the home of the bride's parents, Mr. and Mrs. Fred Roller, of Freedom.

IMPROVEMENTS BEING MADE ON D. J. & C. ROADBED

New Ties Being Placed And Roadbed Newly Ballasted In Many Places By New Management

Since the management of the Detroit, Jackson & Chicago railway has passed into new hands there is considerable activity along the entire route from Jackson to Detroit. New ties are being placed where needed and a considerable portion of the roadbed is being newly ballasted. Between Ann Arbor and Chelsea considerable work has been done on the roadbed and a car-load of ties was received at the local station last week and they will be used along the right-of-way as needed. This activity in the preparation of the road bed leads people to believe that the new receiver, J. F. Collins, is determined to put the system in condition to render more efficient and more rapid service. Mr. Collins is also receiver for the Michigan United Lines.

CHELSEA FIRE DEPARTMENT RESPONDS TO FIRE ALARMS

The local firemen made two runs Saturday forenoon in response to two alarms. The first one was to the home of Mr. and Mrs. J. B. Hamilton, of North street, at 8:30. No serious damage was done.

The second run at 10:30 was to the home of Mr. and Mrs. John Frymuth on East Middle street. The loss there was considerable. A portion of the south section of the roof was burned and the interior of the home was damaged by smoke and water. The blaze is thought to have started from a spark that lighted a cigarette. The loss has not been adjusted but it will be quite a large one and is covered by insurance. The local fire department are certainly deserving of much credit for their efforts in preventing the fire doing more damage than was done to the residence.

INVERNESS CLUB TO OPEN NEXT SUNDAY

Golf Course Open For Play And A Busy Season Is Expected At North Lake

The season at Inverness Country Club will be formally opened Sunday when the public will be welcomed with meat and the golf course is in fine condition and play has been enjoyed there for a couple of weeks. Everything about the place has been put in fine condition for a busy season, and Mr. Fraser expects that the number of guests at Inverness this summer will greatly exceed those of any previous season. Everybody who has ever visited the place has a good word for the management and that is the very best kind of publicity. A good many Detroit families have been attracted there during past summers and a number have expressed their intention of returning this season.

CELEBRATE FIFTEENTH WEDDING ANNIVERSARY

Mr. and Mrs. J. Edward Weber entertained several guests at a six o'clock dinner Monday evening, celebrating the 15th anniversary of their marriage. The table was appropriately decorated in yellow and white and centered with a bouquet of yellow daisies. Bridgeturnished the diversion for the evening, high honors being awarded Mrs. Roy Harris and J. Howard Boyd, while Mrs. E. P. Peck and Roy Harris received consolation prizes. In remembrance of the occasion Mr. and Mrs. Weber were presented with a cut glass dish.

HELP THE COMMUNITY CHOIR

Chelsea people who have enjoyed the programs given during the past winter by the community choir have an opportunity to express their appreciation of the fine entertainments provided by patronizing the card party to be held next Friday night at the J. E. McCune memorial hall. The expenses for director, music and other items exceeded the receipts from the concert given last week and the committee, all ought to help to wipe out the deficit. All who attend will be assured a good time and it is hoped there will be a good attendance.

During the evening the choir will render a number of selections for the entertainment of those who attend.

Results of first games:
Monday—I. O. O. F. 2, Methodists 2.
Tuesday—Masons 4, C. R. Club 2.

Next week's games:
Thursday—St. Paul vs. Cong.
Friday—Legion vs. K. of P.
Monday—I. O. O. F. vs. C. R. Club.
Tuesday—Masons vs. Cong.

Chelsea's baseball league opened Monday night according to schedule and under very favorable auspices. There was a good crowd present to witness the opener and it proved to be a good game, with the final score in favor of the three-link team—the Oddfellows, who defeated the Methodists to the tune of 3 to 2. The first ball to officially open the season was thrown by President Heselwerdt with Rev. F. I. Walker behind the bat. On Tuesday night the Masons defeated the C. R. Club, the score at the close of five innings being 4 to 2.

Next week's games will be better because the members of the teams taking part are just beginning to round into condition. All except the players are requested to keep off the diamond.

TOWNSHIP BOARD INSPECTS HIGHWAYS

Recommend Some Grading and Graveling And Arrests Of Persons Who Dump Rubbish Along The Highways

The Sylvan township board consisting of Supervisor Beckwith, Clerk Davis, Justices of the Peace George K. Chapman and H. F. Brooks, accompanied by Highway Commissioner Pritchard made a tour of inspection of the roads in the township the first of this week. The most of the highways in the township are in far better condition than the members of the board expected to find them. The board expected that considerable graveling and grading be done on some of the highways that have not received very much labor for some time.

Some of the by-roads near Chelsea appear to some of the residents of the community to be the proper place for the disposal of rubbish. On one short stretch of the highway, auto bodies and broken materials of all kinds have been thrown into the gutters and have so clogged the culverts as to prevent the proper drainage of the roadway. The board has authorized the proper officials to enter a complaint against any of all persons who are caught in the act of depositing rubbish of any kind on any roadside in the township. The act is punishable under the state laws and fines or imprisonment may be the lot to befall some of the violators.

The township board, in compliance with a resolution passed by the electors at their annual meeting a few years ago, have commissioned the highway commissioner to obtain prices from the manufacturers of gravel screening outfits, to learn what a portable screen will cost, as most of the gravel pits in the township have a large percentage of stone in them, it would seem to be a wise and economical investment for the taxpayers and a saving of much labor that is now spent in removing useless stones from the highways.

MRS. O. C. BURKHART GIVEN HAPPY BIRTHDAY SURPRISE

The ladies of the Loyal Circle of the M. E. church, tendered Mrs. O. C. Burkhardt a very enjoyable surprise last Thursday night, the occasion being her birthday anniversary. Without letting any one on to the secret, the ladies evened the ladies invaded the Burkhardt home unannounced and the surprise was complete. The ladies carried well filled baskets and after congratulations and best wishes had been extended, a delicious lunch was spread, to which Mrs. Burkhardt, who was away from town, was invited. Mrs. Burkhardt was presented a handsome basket of flowers as an expression of the esteem in which she is held by the Loyal Circle. Many other friends would gladly have joined in the happy affair had they been informed of the gathering, because Mrs. Burkhardt is highly regarded by the people of this section, where she enjoys a wide acquaintance.

Many friends join The Standard in extending heartfelt congratulations.

CHRISTIAN HEINRICH DIED TUESDAY

Christian Heinrich died Tuesday afternoon, aged 82 years. He was born in Germany and his home had been in Lima. For the past sixty-two years he had been a resident of that town. He is survived by one son and two daughters.

The funeral will be held this (Thursday) afternoon at 2:30 o'clock from the home and at 3:00 o'clock from Zion church at Rogers Corners, Rev. Brueckner conducting the services. Burial at Zion cemetery.

MRS. N. W. LAIRD IN AUTO COLLISION

Both vehicles were damaged Friday when cars driven by Mrs. N. W. Laird, route 1, Chelsea, and Mrs. Gordon Bryant, Detroit, collided on Huron St. Mrs. Bryant's car ran into the other when she turned out to avoid striking an automobile which was being driven away from the curb according to a police report—Ann Arbor Times News.

DEMONSTRATION FRIDAY AFTERNOON

On Friday afternoon, to-morrow, from 2:30 to 3:30 a demonstration on meat cooking and buying will be given by the director of the home service department of the Washtenaw Gas Company, at the Masonic Temple in Chelsea. These demonstrations are creating a good deal of interest among the ladies of this section. All ladies are cordially invited.

MAY-DAY CHANGES OF RESIDENCE

Dr. and Mrs. S. G. Bush, who have occupied the E. W. Daniels property on South street for a number of years, have moved to the residence of M. J. Dunkle, on East Summit street.

Mr. and Mrs. Paul F. Nicholas have moved from the residence of George W. Beckwith on East street into the E. W. Daniels house on South street.

ATTENDED PYTHIAN CONVENTION AT YPSILANTI

About fifteen Chelsea ladies attended the district convention of Pythian Sisters in Ypsilanti last Thursday. Mrs. Joseph Johnson was delegate from the local lodge. The local officers had charge of the opening and closing of the session while the officers of the Chelsea lodge put on the ceremony of draping the charter. The convention was well attended and the visitors were royally entertained.

There is no other refrigerant like ICE. You can depend upon it. In a good refrigerator it maintains a temperature cold enough to keep foods fresh, dry enough to prevent mold and moist enough to retard the drying out of meat, cheese, butter and fruit.

It is nature's way of preserving the delicious juices and precious, elusive flavors of food.

It is important to have a good refrigerator. This does not necessarily mean an expensive model. You can get a thoroughly good one, correctly designed, tightly constructed and well insulated, at moderate cost. HAVING GOOD TIMES

The boys and girls composing the membership of the several 4-H clubs in this section are having most delightful meetings in their home neighborhoods where they gather each week and after discussing the subjects in which they are interested, play games and sing songs and partake of refreshments. These meetings are a fine idea, and their influence cannot be estimated. Young people enjoy meeting together in a group of boys and girls and where they can meet under more happy and helpful conditions than in the homes of their members. These young people are much better off at such gatherings than they would be running around the country in automobiles seeking places of amusement.

Wise parents will encourage these neighborhood meetings of their boys and girls. The influence of the home is the strongest influence in the world to-day, providing it is properly directed, and good boys and good girls are God's greatest gifts.

The lack of these home gatherings for boys and girls is one reason why young people are leaving farm homes to find entertainment and amusement in towns and cities.

VANDENBURG WAS ENDORSED

The delegates at the republican state convention held in Detroit last week Wednesday displayed rare good sense in endorsing the candidacy and the appointment of Arthur H. Vandenberg of Grand Rapids, who was re-elected to succeed the late Woodbridge N. Ferris. The appointment was generally approved by the republicans and the people of the state in general and the action of the convention will prove a bitter contest later in the campaign, when Mr. Vandenberg will seek the nomination for both the long and short term.

A few partisans of ex-Governor Groesbeck are trying hard to round up some candidate who will be foolish enough to oppose the Grand Rapids newspaper man, but they will fail. Mr. Groesbeck made a good governor, but he has had his day in Michigan politics. No longer can the ex-governor or his following in the state dictate the policy of the republican party in Michigan.

GOOD ROADS MAKE FRIENDS

Discussing the advantages which follow highway improvement in rural sections, Fred B. Curran of the Bureau of Foreign and Domestic Commerce, said:

"Recently I had the good fortune to accompany a party of highway officials from Delaware who traveled to North Carolina to study the low-cost asphalt roads which have been so successfully developed there. Every one I questioned on the trip gave me specific examples of increased prosperity of cotton and tobacco growers, banks, railroads, and business firms resulting directly from the improvement of the roads in the state, and pointed out beautiful new rural schools."

"But that was not the greatest impression received from the trip. That came from the realization that travelers from all over the United States were constantly passing over those roads and the roads of other states, learning to know their country better, making new friends and losing old prejudices."

A NEW FEATURE ADDED

Beginning this week there will be published each week in The Standard articles taken from the files of the newspaper. The first installment appears to-day and the items are taken from the issue of May 3, 1894. Our older readers will find this column very interesting and many old memories will be awakened as the facts which were told so many years ago are again repeated.

A little later we may have a column devoted to items taken from the Herald and Tribune.

Sunday was an ideal day, the sunniest and warmest day of the season thus far. The nearby lakes were visited by many people who could no longer suppress the call of the great outdoors. The lakes in the vicinity of Chelsea will call a great many people Chelsea-ward this season, and all our citizens ought to make a special effort to extend our guests a cordial welcome, so they will enjoy their stay here, whether their sojourn is for a few days or a few hours. The Chelsea spirit is one of cordiality and good fellowship and that is the spirit all ought to display toward the strangers who come this way.

A DAY SET ASIDE

The American people surely can afford to devote at least one day of the year entirely to the expression of patriotism in a generally serious manner. May 30 seems dedicated by custom to such observance. On that day the memory of the men who have offered their lives on the altar of the nation is honored and the fires of loyalty are rekindled.

If there is a time when commercialized amusements should not be permitted to detract attention from the paying of tribute to the noble past, that is Memorial Day. In years of war, the civilian is ever anxious to demonstrate his love for his country and flag and to offer his respect to the soldier who is marching away to possible death. But that enthusiasm is so transient. During the mellow days of peace, too many citizens, unless stirred by an occasional memorial or celebration, appear to forget the meaning of patriotism and to grow wholly apathetic.

It will be unfortunate indeed if the people permit any shallow program of amusements to deter them from proclaiming by their presence at the memorial service their pride in American history and their devotion to the nation's future. Jackson Citizen Patriot.

TROUT FISHING SEASON OPENED TUESDAY, MAY 1

The trout fishing season for Michigan opened on Tuesday, May 1, and weather permitting many followers of "the Walton" were on their favorite streams bright and early that day matching their skill and cunning against various and sundry members of the finny tribe, and every angler trying his best to catch the "whooper" on the opening day of the season.

This year all male fishermen over 21 years of age are taxed \$1.00 for an angler's license, this being the first time that a dollar bill was required to be paid before going out to tip and catch trout in Michigan.

Exemption is made of males under 21 years of age and all women and girls. The question is being raised in many circles as to the constitutionality of this latter exemption and it is expected before the season gets underway the courts will be asked to decide upon it.

It has been variously estimated that this \$1 license will add from \$100,000 to \$350,000 to our fish propagation fund. It is doubtful if it will exceed the former figure, according to the opinion held by trout fishermen generally.

Licenses for fishing can be secured in Chelsea from the Hindelang Hardware Co., Chelsea Hardware Co., and F. W. Merkel.

FORMER JACKSON FAIR MANAGER DIED SUDDENLY

William B. Burris, former Jackson county fair manager, died at his home at 306 Steward avenue shortly before 5 o'clock Friday afternoon, death being caused by heart failure. Mr. Burris was apparently feeling as well as usual earlier in the afternoon when he went for an automobile ride. He was stricken when he returned to his home, as he sat in a chair.

A physician was called, but nothing could be done to revive him. Mr. Burris had been ill more than two years with heart trouble. —Jackson Tribune.

In many communities about the state "clean-up week" is being combined with "paint-up week." It is said the combination works out well. Chelsea has some buildings on its main business street that ought to be treated to a coat or two of good paint. It would not only improve the appearance of the buildings but it would add greatly to the attractiveness of the business portion of the town.

SAFETY TESTS FOR ALL MICHIGAN TOURISTS

Governor Green Sponsors Movement
For State Wide Safety Campaign

Committees are to be selected in
every city and community as rapidly
as possible to give impetus to a state-
wide traffic safety campaign launched
Thursday by Gov. Fred W. Green and
the newly organized Michigan Safety
council.

Police, sheriffs, automobile clubs
and civic bodies are to be asked to
co-operate to make a success of an
automobile testing period decreed by
the council. The tests will be made
from May 10 to June 30. Garages in
every locality will be designated where
lights and warning devices will be in-
spected free of charge.

The tests are only one phase of the
work the council hopes to accomplish,
the governor said. The organization
will operate the year around and will
endeavor to induce greater respect for
the motor vehicle laws and regula-
tions.

Additional caution by drivers and
pedestrians, more thorough education
in the laws and rules and a more co-
hesive public sentiment in favor of
punishing violators also are sought.

The council is the outgrowth of a
recent meeting called by the governor
of police chiefs, sheriffs, attorneys
and others interested in the traffic
situation.

A program approved by the council
declared:

"Safety to human life cannot reach
maximum effectiveness through oc-
casional, unrelated and varying safety

campaigns, limited to a few widely
separated communities.

"This campaign's objects in general
are:

"To aid in effecting more uniform
public understanding and official ad-
ministration of traffic.

"To instill more vividly in the pub-
lic mind the law which requires motor
vehicles to be equipped as to effect
adequate mechanical control.

"To bring more directly to the
public mind the need for care in driv-
ing and in walking across thorough-
fares.

"To reassert the supreme character
of the law to stimulate community
support to safety officials and traffic
courts for the complete unhampered
and impartial administration of the
laws.

"To attempt to extend to all com-
munities some of the progressive safe-
ty results which have been achieved
in some communities."

Two raids made by the sheriff's
force and the Ann Arbor police re-
sulted in the arrest of ten persons
last Thursday and the recovery of a
good supply of bad liquor in the Uni-
versity City and over at Ypsilanti.

Save time, energy, money —don't market every day

GENERAL ELECTRIC Refrigerator

It's such a relief not to have to go to
market every day. Two or three times a
week will do the job—with energy, time
and money saved—if you have a General
Electric Refrigerator.

For even the smallest model is so de-
signed that it can hold a generous store
of foods—several days' supply for the aver-
age family. And its temperature, of course,
is just right to keep meats wholesome, milk
sweet and salads crisp.

The General Electric Refrigerator actually
makes a minimum of floor space yield a
maximum of food space. That's because

the chilling chamber is incredibly com-
pact. The up-on-legs models make it so
easy to keep the floor under them clean.

You will notice, too, that the General Elec-
tric has no belts or fans or drain pipes. That
it has no machinery under the cabinet, in-
side—or in the basement! You will be glad
that it needs absolutely no oiling. And your
bills for electricity will tell you the pleasant
story that this perfect refrigeration actually
is economical.

Come in today and study the various
models. And send for a booklet. If you
wish, time payments can be arranged.

Farmer Yedlow is putting in seeds by the wholesale these days. He says he is going to do his best to satisfy the appetites of the hungry ninety mouths to feed.

Miss Mabel Collins was happily surprised Thursday to visit from four teachers of Central High school of Bay City, where Miss Collins formerly taught. These friends, Miss Bea Bothe, Miss Matilda Schroeder, Miss Faye Hill and Miss Grace Payne came directly from Ann Arbor where they were attending the Schoolmaster's club at the University.

THIRTY-FIRST MICHIGAN VOLUNTEERS TO MEET
Will Hold Annual Reunion At Ypsi-lanti May 17th—Governor Will Attend

Governor Fred W. Green, a member of the 31st Michigan Volunteer Regiment, which served in the Spanish-American war, will be one of the speakers at the twenty-ninth annual reunion of the regiment to be held at Ypsilanti, May 17. Congressman Carl C. Meiner has also been invited to address the gathering.

About 600 veterans and their wives are expected for the reunion, which is being financed by the Ypsilanti Board of Commerce. It is hoped to have every home in the city decorated with the national colors for the day. In the afternoon a parade of the veterans and members of the 32nd Signal Corps, which is stationed at Ypsilanti, will follow, followed by a program at Pease Auditorium. A banquet will be served at the Masonic temple and a boxing bout will be staged at the armory.

John P. Kirk, city attorney of Ypsilanti, former commander of the Michigan National Guard, was a member of the 31st Regiment during its service in the Spanish War.

Walter Orndyke and family of Webberville visited his parents, Mr. and Mrs. Jacob Orndyke, recently.

CHELSEA'S HANDSOME NEW COMMUNITY FIRE TRUCK ARRIVED TUESDAY

The new outfit arrived in town Tuesday afternoon, having been driven from Logansport, Ind., by Leo Sailors, delivery engineer for the Boyer Company. He will remain in town a few days giving instructions concerning the operation of the new apparatus. On Wednesday the pumps were given a test. The outfit is an attractive one and seems to be very complete.

The Boyer Fire Apparatus Co., makers of the new outfit, wrote the Standard that when the Chelsea truck was in readiness for delivery a photograph was taken and for all future advertising the local truck would be shown where the Graham triple combination equipment is offered.

The people of a number of Michigan communities have taken advantage of the offer of the Boyer Company to purchase fire fighting apparatus on a co-operative or community basis, whereby farmers as well as village folk could have a fire truck at their service.

Many of the progressive farmers in this section co-operated with the village council and in less than a month had subscribed their portion of the cost of the new outfit.

The Graham truck chassis upon which the apparatus is mounted was supplied by our local automobile dealer, Mr. W. R. Daniels.

A RARE TREAT COMING High School Auditorium Tuesday Evening, May 8th

A notable entertainment attraction, the Jackson Plantation Singers, widely known negro melodists, will be heard at the Chelsea High School Auditorium, Tuesday Evening, May 8th.

This company is composed of four singers who present negro music at its best. Each member of the company is possessed of a melodious voice, and beautiful harmonies are achieved.

A portion of the program is devoted to the presentation of an old-time cotton plantation scene, and a colorful picture is given of the darkies singing at their work. Every variety of negro music is given—jubilee chants, plantation melodies and dances, religious hymns, voodoo songs, old tribal melodies and spirituals. This is a feature Redpath number.

SHERIFF TO ENFORCE QUARANTINE ON DOGS

Sherriff Wuester was in Chelsea Tuesday afternoon and made a pleasant call at The Standard office. He is very much concerned regarding the spread of rabies in the state, and especially in this county, and as a precautionary measure for both owners of dogs and others, he recommends that all animals allowed to run at large be muzzled, even though vaccinated. This measure, it is believed, will lessen the number of cases which the sheriff's office has been called upon to investigate within the past few weeks. When a dog bites another animal, or a person, it is confined for 10 days for observation to determine whether it is affected with rabies.

Hardly a day goes by but what the sheriff's office received a call regarding the quarantine regulations or their enforcement. Since these regulations became effective early in March, more than 60 cases have been investigated in which dogs were shot, ordered confined or otherwise disposed of.

WILL SERVE SUPPER

A PASSIONATE REBEL

By PAMELA WYNNE

How long can a wilful woman resist when she fears it will break her spirit?

Betty's rebellion sprang from a fundamentally reckless nature. She needed to be tamed. Perhaps she was looking for the right man to tame her.

A wild, brilliant creature, she spent her days and nights touring about the country in her car and her nights dancing, and there was always at least one young man whose heart she was breaking.

Then she met Peter and in that meeting and the resulting conflict lies the power and drama of Miss Wynne's most striking romance.

THE QUALITY SHOP

109 West Liberty Street

Chelsea ladies who have visited the Quality Shop at 109 West Liberty street, Ann Arbor, have been impressed with the very cordial welcome which is extended to all visitors at this popular store. The idea of service that is different and yet is most satisfying seems to permeate the establishment and visitors are at once made to feel a welcome that is often times lacking in the larger shops. The Quality Shop is not one of the older stores in Ann Arbor, but it is a comparatively new one. Mrs. Stella D. Rood and daughter, Miss Marion Rood began business in another store on Main street nearly four years ago, and their idea at that time was to perform a much needed service to the women of the community—to better select and correctly fit all corseting garments. Moving to their present location Christmas 1925, they added a splendid line of hosiery, lingerie and other specialty shop things to their stock, but these women have never for one day lost sight of their original purpose—service. They have studiously applied themselves to the task of aiding their customers in acquiring such good fitting garments as figures, health and style require.

Ladies of this community are invited to visit the Quality Shop when in Ann Arbor.

THE WESCH HAT SHOP

206 East Liberty Street

Miss Anna E. Wesch, who owns and operates the Wesch Hat Shop at 206 East Liberty, has always lived in Ann Arbor, where she enjoys a large acquaintance. For several years she was connected with wholesale millinery houses in Chicago, where she had an opportunity to study styles from every angle, and this training especially fitted her for the proper conduct of her own business. When she established the present store she adopted as her slogan "The Store of Style Without Extravagance" and she believed the most profitable idea in business was that of pleasing the customers. This she has always endeavored to do and the splendid business the Wesch Hat Shop enjoys gives evidence that this policy has met with the approval of the public.

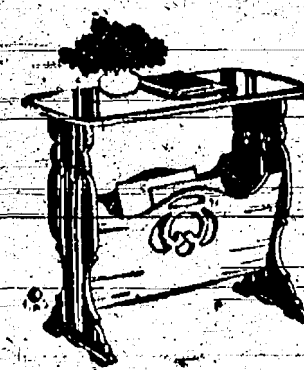

The Wesch Hat Shop gives attention to special order work of all kinds and every customer must be satisfied with her selection. Miss Wesch carries a large and varied assortment of the justly celebrated Gage hats which possess an individuality that is attained by handwork that less skilled designers cannot duplicate. She is receiving new shapes and patterns each week and she invites the ladies of Chelsea and surrounding country to pay her shop a visit. It will be a pleasure to show the varied assortment carried and all will be assured a cordial welcome.

PROCLAMATION

By The Governor

Governor Green has issued the following proclamation designating the week of May 14-19 as clean-up week:

To the People of Michigan: The attractiveness and beauty, no less than the general cleanliness and healthfulness of cities, villages and individual premises in Michigan, merits public acknowledgment. Nevertheless, competent local authorities give assurance that as yet the peak of attainment has not been reached. Accordingly, and pursuant to established custom, I hereby designate and set apart the second week in the month of May, 1928, as

Clean-Up Week

May 14-19

Residents throughout the State, more particularly during these six days, will promote safety, sanitation and the public well-being if they will join in renovating their premises of waste materials which winter may have left in its wake. Officers of municipalities, chiefs of fire and health departments, superintendents of streets and public works, as well as owners of private property, by their cooperation, will serve a worthy cause.

The seeming frequency with which proclamations are issued, setting aside periods for specific purposes should not deter the people generally from contributing of their time and effort to this spring-time movement which is intended for the good of all.

JERSEY CATTLE BREEDERS' PLANNING TO HOLD SHOW

Meeting At Ann Arbor Well Attended

Show May Be Held At Washtenaw Fair Grounds

Tuesday afternoon, April 24, twenty-five Jersey breeders and the county agricultural agents from six southeastern counties met to consider plans for holding a parish Jersey cattle show to be held in the southeastern part of Michigan sometime during the fall, probably about the middle of October. Plans for this show were explained by H. E. Dennison, field representative of the American Jersey Cattle Club, who is the supervisor's room in the courthouse. After being discussed by representatives present from Hillsdale, Monroe, Washtenaw, Macomb, Eaton and Calhoun counties, a committee of three including the agricultural agent of each county was appointed to act as a general organization committee to formulate plans, select a date and place for holding the show next fall. George Cooper, manager of the Jersey Oakland's Jersey farm was selected temporary chairman of the organization committee. This committee will meet at Ann Arbor May 17, to perfect the general organization and start preliminary work for a parish show for southeastern Michigan.

Last year the Jersey people in Grand Rapids territory held the first parish show to be staged in this state. A similar one was held in southern Indiana and these two were the first two of this kind held by Jersey breeders in the United States. These were successful in promoting the Jersey idea, and were of considerable assistance in the territory in which they were held in increasing the interest and development of the Jersey cattle in these two communities. Mr. Dennison's work is confined to the states of Ohio, Indiana and Michigan. He reported that seven parish shows were being planned by Ohio Jersey breeders and five by Indiana breeders. Michigan breeders have made plans for shows at Grand Rapids, Traverse City, Saginaw, and if the southeastern district goes ahead with its present plans, there will be four parish Jersey shows in Michigan this fall.

These parish shows include the best animals in the different classes, which are selected at a preliminary district or county Jersey cattle exhibit. These preliminary shows and selections for the parish shows are made at the local county fairs. This show usually covers a period of three days. During each day a special program is arranged of interest to the Jersey breeders present. Mr. Dennison reports that Michigan is fast developing into a Jersey cattle area. Last year's reports from the American Jersey Cattle club show that there was a twenty per cent increase in Jersey transfers. Another feature which is being developed by the Jersey breeders is the herd test work which is to start July 1. This will be similar to the herd test being done by the Ayreshire Cattle Breeders' Association for the past two years, and which was started by the Holstein breeders the first of January, 1928. Ten counties are included in the southeastern district—Hillsdale, Lenawee, Monroe, Wayne, Washtenaw, Jackson, Calhoun, Livingston, Macomb and Oakland.

OF LANSING MICHIGANLet's Give Chelsea A
Spring Housecleaning

To The Citizens of Chelsea

Every wise and prudent householder cleans house in the spring, removes the rubbish about his premises, and makes his or her home a well-appearing and sanitary place of abode.

In our community household the streets and the alleys of the town represent the rooms and the closets of our community dwelling. Unsightly piles of ashes and other rubbish are not only most unattractive, but they are unsanitary and a menace to the health of the community.

The village council and the village health department is asking for the co-operation of all the people of Chelsea this spring in the arduous task of giving our streets and alleys, our back yards as well as our front lawns, a real housecleaning. Each year, Chelsea is attracting a greater number of tourists who come to this section to visit our beautiful lakes and naturally we desire to make a good impression upon our guests.

Rubbish and old ash piles do not give the stranger a very good impression of a town, and we are asking all to join in the movement to make Chelsea clean. It will require but little effort and but small expense if each citizen will clean their own premises for the good of Chelsea and for the protection of the health of the community.

May 3, 1894—Chelsea and Grass Lake played baseball Friday. The score stood 26 to 13 in favor of Chelsea.

Henry Evey has purchased two lots from the Thomas estate and intends to build a dwelling on them this summer.

United States Senator Francis B. Stockbridge died at the home of his nephew in Chicago, Monday evening.

There are only three saloons in Chelsea now. There will probably be two more in operation in a short time.

A little Chelsea girl, whose papa was taking a tonic because he was "run down," poured half the contents of the bottle into a clock, when a similar mishap befell the clock.

A prohibition club was formed Tuesday night and the following officers were elected: President, J. P. Wood; first vice-president, C. M. Bowers; second vice-president, D. B. Taylor; secretary, C. L. Hall; treasurer, James Pottinger.

Through the natural cussedness of two boys Arthur Congdon sustained a loss of a fine cow last Friday. The cow was tied to a stake and the boys thought it would be great sport to stone her, which they did, making her run. She fell and she stumbled and fell and broke her neck.

The marriage on April 25, of Miss Jean Kirk, and John Reuben Kempf, took place at the home of the bride's parents, Captain and Mrs. Wm. Kirk, of Madison, Indiana, at high noon.

Mr. Kempf is a son of the late Mr. and Mrs. Reuben Kempf. Mr. and Mrs. Kempf reside in Detroit.

The market continues dull and lifeless and business light. Wheat 54c; rye 45c; oats 35c; barley nominal and none offered; beans have advanced and bring \$1.50 for choice stock; potatoes 40c; eggs 9c; butter 15c. Wool comes in slowly at 10c for unwashed, and 4c for tags.

One of the worst storms for years was witnessed here last Saturday. The large hail stones, some of which measured eight inches in circumference, and caused considerable damage to the glass windows facing the north.

The studio of E. E. Shaver had ninety-eight out of one hundred panes of glass broken. The cost of the glass windows in the M. E. church had seventy-five lights broken. Builders had just completed raising a large barn on the farm of Frank Forner, north of Chelsea, and were eating their supper when the storm came up, and removed all the evidence of their afternoon's work. The streets and highways were well strewn with twigs and broken limbs.

MAY FESTIVAL DAYS
FAST APPROACHING

An Unusual Array of Talent Will Present Four Days of Musical Delight—New Organ To Be Dedicated

Charles A. Sink, president of the University Musical society, has announced the following attractions for the thirty-fifth annual May Festival to be held at Hill Auditorium May 10, 17, 18, 19, 1928. The festival will consist of six concerts, four evening programs and two afternoon recitals.

Carl V. Moore will be the musical director and will lead the University Choral Union in a presentation of Pienre's "St. Francis of Assisi," and Vedral's "Aida." With Percy Grainger as guest conductor, the Choral Union will also perform Mr. Grainger's "Marching Song of Democracy."

The Chicago Symphony Orchestra, Frederick Stock, conductor, will participate in the festival for the twenty-fourth consecutive year. A special festival chorus of several hundred children of the schools of Ann Arbor led by Juva Higbee, will present Hyde's "Quest of the Queen Prince."

On the evening of the first concert the new \$75,000 Frieze Memorial organ, which is being constructed in Hill auditorium, will be dedicated by Palmer Christian, playing a work by Eric Delamater for organ and orchestra with Mr. Delamater in the role of guest conductor.

Scientists engaged for the festival are as follows: Leonora Corona, Leone Kruse, Marie Montana, soprano; Marguerite D'Alvarez, Margaret Matzenauer, Merle Alcock, contraltos; Paul Althouse and Tudor Davies, tenors; Mario Basilio and Raymond Koch, baritones; Chase Baroneo, bass; Benno Rabino, violin; Percy Grainger, piano, and Palmer Christian, organist.
