CONSTRUCTION WORK ON M-92 IS EXPECTED TO COMMENCE SOON

Contract Will Be Awarded March 10;
Traffic Will Be Detoured To
Stockbridge Via Waterloo.

According to reports received locally, plans are fast being formulated to commence grading work on M-92 north of Chelsea.

Although the contract for the grading and paving of this highway will not be let by the state administrative board until March 10, the improvement is on the program for this year and information has been given out by officials that assures letting of the contract for immediate construction.

Within a few days, or as soon as weather conditions will permit, it is reported that improvement of a road to provide a detour will be commenced. This detour will be completed northwest from Chelsea on the old Chelsea-Waterloo road to the corner near Mill Lake, one mile east of Sylvan Estates Country Club, and north one mile, intersecting the county road leading to Waterloo, and north to Stockbridge.

Grading work on M-92 was completed from Stockbridge to the county line last year and with completion of the work from that point, Chelsea will be rewarded for the efforts which local business men and officials have put forth during the past few years to bring about this much needed improvement.

The exact route of the highway north of Chelsea has not been made public, but it is understood that some short cuts which have been surveyed and recommended to the administrative board may be adopted, although right-of-ways have not as yet been secured by the state.

American Legion Takes Game From Hi-Lights

A fast game of volleyball, in which most of the speed was displayed on the part of the Legion men, was played in the high school gym Monday night between the American Legion and Chelsea Standard Hi-Lights.

The Hi-Lights displayed their only speed of the evening in the first game, with a decidedly one-sided score in their favor. Beginning with the second game the Legion men showed no mercy or consideration for the Hi-Lights and the game was over in their second set.

When the final whistle blew, the Legion men were credited with winning four games of the five played. The two teams will play off the tie in the near future.

Friday evening of this week the Odd Fellows and Hi-Lights will clash. The game will start at 8 o'clock. The public is invited and there will be no admission charge.

Spring Election To Be Held April 1st

The annual spring election will be held this year April 1st. At this election the voters will choose the following officials:

State: Two justices of the supreme court; two judges of the University of Michigan; two members of the state board of agriculture; when his charge of Michigan State College; superintendent of public instruction; one member of the state board of education.

County: Washtenaw circuit court judge.

Township: Officers for the various townships.

There will also be a special county election on the prohibition of Sunday hunting in this county.

In Sylvan the electors will also vote on a franchise to be granted to the Consumers Power Company to furnish electricity in the rural districts.

Marjorie Tubbs Held In Jackson Rum Raid

According to a dispatch in a Jackson paper Wednesday, Police Chief Charles Phelps led officers in a raid on a drug store at 114 North Blackstone street, that city, Tuesday night, and obtained a quantity of "high class liquor."

Ralph Spence, operator of the establishment, and three others are being held, Spence on a charge of violation of the liquor laws, and the others for questioning.

Those held besides Spence are: Foster Noble, 215 West Wilkins St.; Clifford Moore, 1409 Woodbridge St.; and Mrs. Marjorie Tubbs, address, "en route to Lansing."

It won't be long now—Junior Carnival March 8.

Motorists Advised To Keep Out Of Ruts

Observers of gravel road conditions during the thaw of the past week have offered the suggestion that if the rutting public would not drive in the ruts it would save the roads to quite an extent. The ruts being full of thin mud and water, automobiles splash this out and keep cutting deeper, leaving nothing but bare stone in the ruts when the roads settle.

County and state roads are posted with signs asking motorists to use the entire road and not follow the ruts, and a campaign of this nature is thought by many to be advisable in the case of township roads. There are so soft that it is impossible to drive out of the ruts, but during the last week the roadbed was so solid enough to keep out of the ruts and drive in safety.

Wm. C. Pritchard, Sylvan township highway commissioner, states that the state law which requires that trucks reduce their loads to one-half their capacity during the spring break-up, will be enforced in the township this year. Most truck drivers observe this law, but those not using the proper amount of judgment in the matter must pay the penalty, Mr. Pritchard states.

MERKEL HARDWARE TO OPEN IN LARGER QUARTERS SATURDAY

Three Floors Will Be Utilized In Enlarged Business; Free Moving Pictures and Lunch Opening Day.

Saturday, March 2, will mark the opening of larger quarters, of one of the most modern and up-to-date hardware and implement stores in southern Michigan.

E. W. Merkel, proprietor of the store which bears his name, has been busily engaged during the past month in making changes which will double his floor space. The partition which separated the hardware and the pool building for several years has been removed, and the entire floor space of the first and second floors and basement will be utilized in display and storage of the lines Mr. Merkel will carry.

Mr. Merkel started in the hardware and the business in his present location four and one-half years ago, after taking over the tire and accessory business formerly conducted by Chas. Hycraft. Each year has seen a steady growth and in order to take care of the increased patronage, Mr. Merkel deemed it advisable to expand, and in so doing is offering his patrons a more extensive line of goods from which to select their needs.

A complete line of International Harvester Company farm implements will be added, as also will the McCormick-Deering tractors. This represents the most complete line of farm implements in the country.

In making arrangements for the grand opening Saturday, Mr. Merkel has made plans to entertain his guests at the Princess Theatre at 2:30 in the afternoon, when a very interesting moving picture, "Power on the Farm," will be presented. Free lunch will be served in the store from 12 noon to 6 p.m.

St. Mary Teams Win At Adrian

St. Mary boys' and girls' basketball teams journeyed to Adrian, Sunday, February 23, with a good crowd of Chelsea people.

The girls played St. Joseph Academy girls. The game was good and fast all the way through, ending at the half with a score of 8-2, in favor of St. Mary. St. Joseph climbed up when the final whistle blew the score was 12-14, St. Mary beating one of the fastest teams in this vicinity.

The St. Mary boys played St. Joseph high school boys. The local team kept the lead all through the game. The score at the half was 5-2, St. Joseph making 4 points in the last half, making the score 6-10.

The St. Mary boys and girls teams both looked "sporty" in their new blue and white suits and are proud of their first victory in them.

CARD OF THANKS

I wish to thank our neighbors and friends for the many deeds of kindness extended to Mrs. Gieske and myself during my illness; the T. O. O. P. Ladies Aid and Grange for their gifts of flowers and fruit. H. J. Gieske.

BAKE SALE

Brookside Chapter of the Congregational church will hold a bake sale at the Chelsea Hardware at 2 o'clock Saturday, March 2.

MR. AND MRS. JABEZ BACON WILL SAIL FOR ENGLAND ABOUT MAY 1

Aged Couple Are Happily Surprised
When Children Present Passages
To Land of Their Nativity.

Mr. and Mrs. Jabez Bacon were happily surprised Sunday when their children, some of whom were their guests at a family party honoring their daughter, Mrs. Henry Schneider, of Detroit, Wisconsin, presented them with two passages to England, the country of their birth.

The presentation came as a complete surprise to Mr. and Mrs. Bacon, who are happy in the anticipation of the trip to the land of their nativity, having never returned to that country since coming to America almost sixty years ago.

Mr. Bacon was born in Somersetshire, England, in 1850, coming to this country in 1871, and Mrs. Bacon was born in London, England in 1856, coming to America in 1869. They have both been residents of Chelsea for nearly the entire time of their residence in this country.

October 24, 1924, Mr. and Mrs. Bacon celebrated their golden wedding anniversary, at which occasion their eleven children and their families were present.

Guests at the Bacon home last Sunday were: Dr. and Mrs. Samuel Schultz and son George; Dr. and Mrs. N. E. Phelps and son Norman; of Coldwater; Mr. and Mrs. Fred Dewey and sons, Frederick, Allen and Robert; and Mr. and Mrs. Donald Bacon and daughter, Salie, of Detroit; Mr. and Mrs. Foster Fletcher of Ypsilanti; and Misses Gretchen Schultz, and Jean Phelps, of Ann Arbor, and the honor guest, Mrs. Schneider. The presentation of the passages was made by Mr. Dewey in behalf of the sons and daughters.

Mr. and Mrs. Bacon have always been active in Chelsea's civic and social life, and their many friends will be pleased to learn of the happiness which is in store for them on their trip to England, and the well wishes of the community at large will go with them on the journey. They expect to sail from New York, May 1, on the S. S. America.

County-Wide Institute Was Held Last Week

The county-wide institute that was held in Washtenaw county on Thursday, February 21 and Friday, February 22 proved to be both inspirational and practically helpful. The speaker was Miss Jewell Simpson, Deputy State Superintendent of Maryland, a woman of pleasing personality and with a rich background of training and experience. She met the teachers of the county in three groups: The Chelsea and Dexter groups met at Dexter; the Saline and Manchester groups at Manchester; and the Ypsilanti groups at the Lincoln school.

Miss Simpson spoke to the teachers on two subjects, "Remedial Reading," and "Developing Appreciation through the Social Studies." Both talks were upon subjects in which Washtenaw county is particularly interested, and the teachers of the county, practically all of whom were present, received inspiration and many helpful suggestions for improving their school work.

One Ticket In Field For Village Election

There will be but one ticket on the ballot at the village election March 11. The official ballot as submitted by the village clerk to be printed, names the following candidates on the People's ticket:

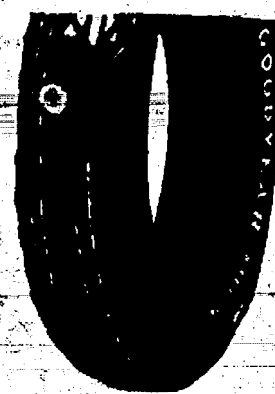

President—John W. Hasselwerdt.
Clerk—Sidney W. Schenk.
Treasurer—William Fahyner.
Trustee two years—Edwin Knobbe.
Trustee two years—Edward Chandler.

Trustee two years—John Schieferstein.
Village Assessor—J. Edward McKune.

Jackson County People Injured In Collision

Mr. and Mrs. Vern Stiles and Mr. and Mrs. John S. Levee, all of Honrietta township, Jackson county, were badly cut and bruised Saturday afternoon when a large car being driven by a Detroit man crashed head-on into their car at the intersection of M-92 and US-12 south of Chelsea. The smaller car, which was eastbound, was pushed into a telephone pole, and wrecked.

The injured people were taken to a Jackson hospital, where their injuries were treated, and later returned to their homes.

**FOR WINTER
DRIVING**

Look at your tires. Treads worn smooth? Or have they nothing but slippery "sledder" ribs down the center?

Trade them in on new Goodyear All-Weathers—the tires that have "teeth" down the center and up the sides—"teeth" that bite through to firm footing. Proved by a quarter century the world's safest and best non-skid tread.

ABUSING CREDIT

A local merchant wonders if there is much difference between the man who steals goods from a store and the man who gets them on credit and doesn't pay. Too, in the case of the man given credit, the merchant loses the expense of keeping the account and of trying to collect it.

Was the merchant right when he wondered whether there was any difference between a thief and a man who abuses his credit?

This merchant recognized exceptions. He knew that there were times when people were short of cash and could not pay bills as promptly as they would like. He was not referring to them. He was talking of the man who was dishonest in his dealings; of the man who would make promises that he knew he could not keep when he made them; of the man who, when trusted by a merchant, absolutely violated that trust. When speaking of such a man it is evident the merchant's comparison was rather with a thief.

Usually nature makes the man of credit, and fortunately for the business structure of the country most men are honest. Young men are told that when they violate a trust they are making their future more difficult. They may see the time when credit would be invaluable to them. If their record is good, the credit can be obtained. If bad, it will be refused.

It may not be generally known, but practically every merchant of Chelsea has a credit bureau. Records are kept showing whether these things credit the customer. It is not to be used a man so that he could put up with a bad record, then move to another town and repeat the practice. Now, when a man violates a trust at one store, even the keenest competitors of that store will learn of it through the credit bureau and credit in other stores will be refused. Then if the man moves to another town, he will find the credit bureau of that town has made inquiries of the bureau of the town from which he moved, and he doesn't even get started with a line of credit.

Under present conditions the man who does not pay a just bill is harming himself more than the merchant from whom he gets the merchandise because he is destroying his credit not only in his home town, but in other towns.

The man who first uttered, "Honesty is the best policy," said a mouthful.

OUR NATION'S NEXT STEP

During the next twenty-five years there will be at least twenty-five truly great discoveries and inventions. Instead of trying to list them all, let me speak of one in particular. During the coming quarter of a century we shall discover that success can be taught, and we shall invent methods of teaching it. When you study men closely and constantly you are astonished to find how slight is the difference between the successful and the unsuccessful. We shall learn how to bridge this narrow margin between success and failure.

The question whether you will win or lose depends not upon knowing but upon doing. The differential between victory and defeat is not of ability, but of constant action. What is this magic gift which we imagine explains the triumph of those who succeed? Upon analysis it proves to be nothing more mysterious than the homely gift of doing what you don't want to do, when you don't want to do it. When you say of a successful man that: "He, while others slept, was toiling upward in the night, you have uncovered his secret and disclosed his formula." It is plain dynamic character that puts men on top, not some strange and inimitable superiority.

Since this is so—since success is essentially simple—men and women can be taught to succeed, just as they can be taught to plow, sew, compile statistics or drive a car. There will be courses in success, the same as we now have courses in arithmetic, English, science, and public speaking. Success involves four elements: physical, mental, spiritual, and economic. Skillfully coach a person to qualify in those four fundamentals and success will follow, like the right answer when you press the proper keys of an adding machine. Those who are inclined to smile at this idea may well look back and recall their skepticism toward aviation, their doubts of radio, and their pessimism over world peace efforts.

The Russian idea of equality seems to be that all shall equally lose. The American idea of equality is that all shall equally win. Here in America there was established a democracy, deeper in degree and broader in scale than anything which the world has ever known. This democracy has

been continually strengthening. Our people have learned to learn. Per capita attendance at schools and colleges is at new levels. Our people have learned to enjoy themselves. Wholesome diversions, recreations that really create, were never so abundant. This progress must continue. Democracy must reach its final flower and fruit, not only the present equality of opportunity, but equality of achievement. Our nation's next step is to teach success. Roger W. Babson, founder of Babson's Statistical Organization, Incorporated.

Editor's Note:—The above is one of a series of editorials by prominent Americans contributed to the Chelsea Standard, member of the National Editorial Association.

Twenty-four Years Ago

Thursday, March 2, 1905

Last Saturday evening the members of the Chelsea M. E. church celebrated the fifth anniversary of the dedication of the organ. Mr. G. W. Palmer read a paper on the organization of the society.

Born, Wednesday, March 1, to Mr. and Mrs. R. J. Beckwith, a son.

The Workingmen's party will hold a caucus in the town hall on Tuesday, March 7, to nominate candidates for the various Chelsea village offices.

Monday forenoon Thos. Monks drew from the Ralph Pierce farm in Lima, to the saw mill of D. Haselchwerdt in Chelsea, an oak log that was 14 feet long and it scaled 1070 feet of lumber.

Archie Clark, of Lyndon, has rented a house of G. W. Palmer, and will move his family here about April 1.

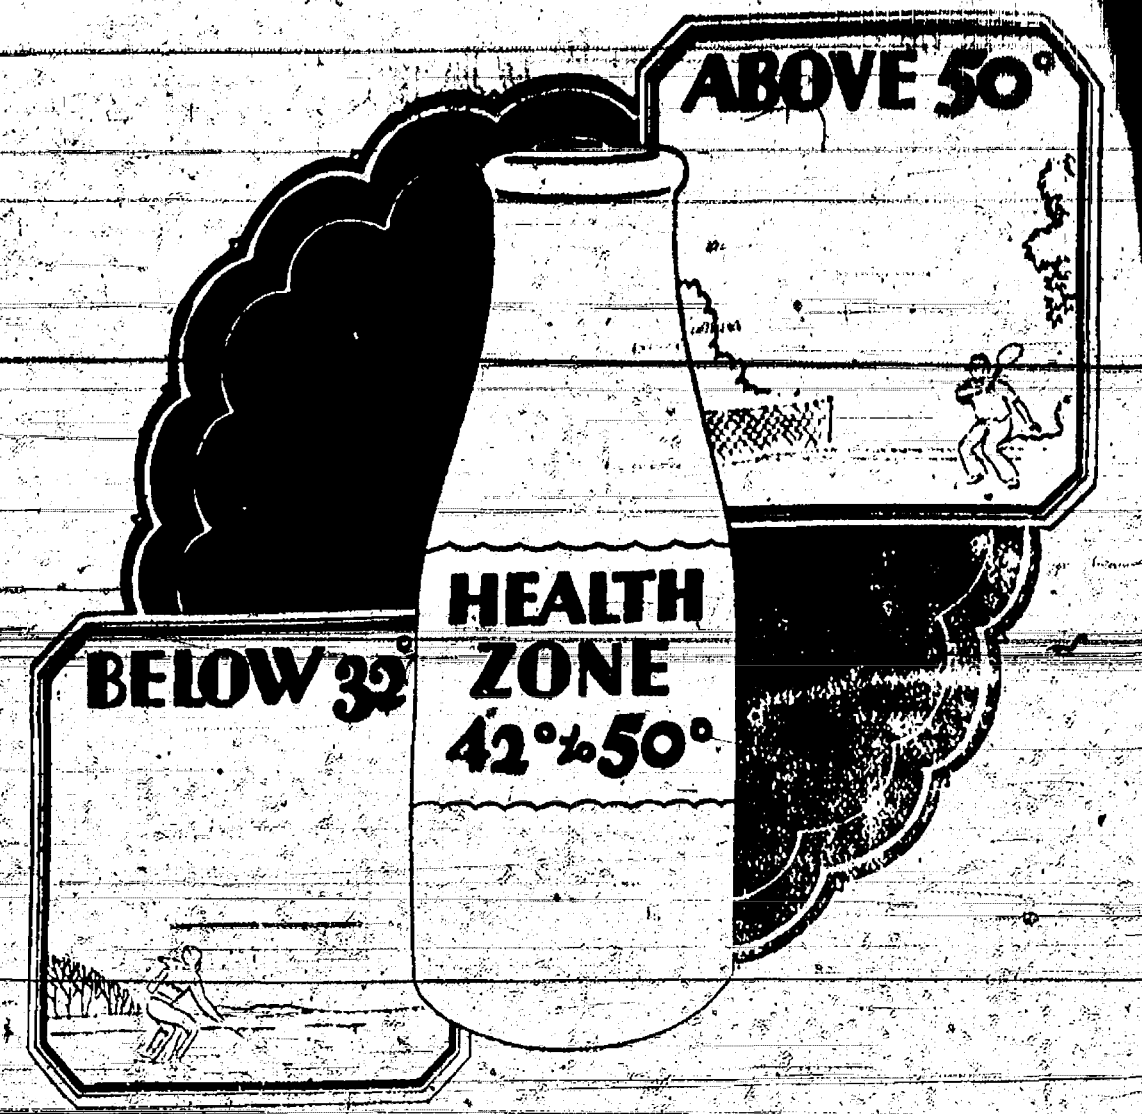

Born, on Wednesday, February 22, to Mr. and Mrs. Herman Dancer, a daughter.

Between Chelsea and Dexter village farmers have signed contracts for 100 acres of sugar beets to be grown on their farms. G. W. Coe of Lima secured the contracts for the sugar farmers.

Born, Friday, February 24, to Mr. and Mrs. Henry Knoch of Sylvan, a son.

Science and Love

I am always somewhat amused introduced in the papers with the statement: "Science and Love." Science has just declared that people fall in love because of their eyes. I cannot imagine how I can frequently find myself in disagreement with what is said to be science. People do not fall in love because of their eyes.—D. W. Howe's Monthly.

**Our Celebrated
LATIGOTAN WATERPROOF
Harness**

This harness is made of leather tanned by a patent process, there being no dye or chemicals of any kind used in the tanning—and there is much more pure oil and grease used than in the ordinary leather, which makes it about double the tensile strength of the ordinary black harness leather—and will not crack or break—and is much stronger and more serviceable. It is also treated to withstand ammonia and animal heat, which causes black leather to crack and rot. It is also treated to withstand the weather and water, which causes the regular black leather to get dry and crack on the grain after it has been in the weather for a period of time. It is sewed with grey thread, which has no dye to cause the thread to rot. This is absolutely the strongest and most serviceable harness that it is possible to make!

\$1.25 \$1.75 \$2.75

E. J. Bahnmiller Home Scene Of Delightful Family Birthday Party

The home of Mr. and Mrs. Emanuel J. Bahnmiller was the scene of a delightful family party given Sunday evening in celebration of the birthday anniversaries of Mrs. John Koch, her granddaughter, Jean Marie Kuebler, and her son-in-law, Julius H. Niehaus. Bands of yellow crepe paper, yellow candles and yellow daffodils decorated the tables, where a six o'clock dinner was served to twenty-three guests. A birthday cake with decorations of yellow roses and the dates 1859-1929 and another cake with nine candles centered the table.

Many beautiful gifts were received by the honor guests. Those attending the party were: Mr. and Mrs. Julius H. Niehaus, of Ann Arbor, Mr. and Mrs. Glenn Barbour and children, Virginia and Paul, of Lima, Mr. and Mrs. William Kuebler and children, Jean and Katherine, of Manchester, Misses Hilda and Frederika Gruener, of Jackson, Rev. and Mrs. P. H. Grabowski, Mr. and Mrs. John Koch and daughter, Amanda, and Mr. and Mrs. Louis Eppler, of Chelsea.

ANDREW RIETHMILLER

Andrew Riethmiller, 634 North Water street, Jackson, died at W. A. Poole Memorial hospital Monday at 5:45 a. m., aged 78 years. There survive the wife, three sons, Milton A., Louis C. and Floyd J., of Jackson; two daughters, Mrs. Jacob Katz of Jackson and Mrs. Lola Postwick of Cleveland.

Prayer service was held at the home Thursday at 12:30 p. m., funeral at the United Brethren church in Waterloo at 1:30. Burial at Mt. Hope cemetery, Waterloo.

Chelsea Hi Wins Two Games From Ypsi

In the last home game of the season the C. H. S. Varsity and Reserves came through with two victories, beating the strongest teams they have played this year. Both games were very close, Chelsea winning by one point in each. The Varsity game went into an overtime period.

The Reserves were 8 points behind with only two minutes to play but a fine rally brought them 3 baskets. The final score was 17-16.

Ypsi was leading the C. H. S. Varsity up until the final minute. In the fourth quarter the score was 19-9, Ypsi.

However, the C. H. S. defense tightened and Ypsi did not get a point until the overtime. In the last four minutes Chelsea dropped four baskets and two free throws through the net. The whistle blew, ending the game, with the score 19-16.

The overtime was very fast, with both teams fighting hard for the ball. Then Ypsi made a free throw. With the 20-19 and seconds to play, R. Dawson, Rev. and Mrs. P. H. Grabowski, center of the floor and Chelsea won, 21-20.

A. Dotis, Sports Editor.

NORTH SYLVAN GRANGE

The North Sylvan Grange meets Friday evening, March 8, at the home of Mr. and Mrs. Roy C. Ives. Program:

Song—America.
Roll call—Tell a story of extreme weather conditions.

Schneider & Kusterer

MARTIN F. CONWAY

Martin F. Conway, 204 Edgewood street, Jackson, died at Mercy hospital, Saturday at 11:30 a. m., aged 52 years.

Surviving are the wife, three sons, Philip Conway of Detroit, Herbert Conway and Martin F. Conway, Jr., at home; his mother, Mrs. Margaret Conway; three sisters, Rose, Mrs. Margaret Williams and Mrs. Walter Swidensky; three brothers, Daniel Conway and Harry Conway of Jackson and Garrett Conway of Toronto, Ont. He was a member of the Knights of Columbus and the B. P. O. E.

Mr. Conway was born in Sylvan township and received his education in the Chelsea public schools.

The funeral services were conducted in St. John's church at 9 o'clock Tuesday morning. Burial in St. John's cemetery.

CAVANAUGH LAKE GRANGE

Cavanaugh Lake Grange will meet with Mr. and Mrs. Albert Schweinfurth, Wednesday, March 6, at 11:00. Lunch at noon. Program:

Invite You to OLIVER DAY
TUESDAY, MARCH 12th

We invite you to spend the day, Tuesday, March 12th, at our place of business. We promise you a day of profitable entertainment. Capable factory representatives will be on hand to explain the many superior features of Oliver Tillage Equipment and discuss your requirements with you.

We will have a soil expert to explain soil testing and its importance in your farming activities. Ask him for information on this important question. He will be prepared to answer. You will have an opportunity to get an implement you need at your own price.

ENTERTAINMENT
SPECIAL BARGAINS

in every line.
Best of all—Meet your fellow farmer and discuss your problems, exchange ideas and all benefit. Starting at 1:00 p. m. some one will receive a worth while gift every 30 minutes until the final at 4:00 p. m.

Come for the whole day. Lots of hot lunch, and drink on tap from 11:00 to 2:00—and something important doing every minute all day. A good time for all.

LADIES!—You are not forgotten. We will have some special items to interest you and cordially invite you to visit us on that day. We will have a useful gift for each of you and will welcome your visit to our furniture department. Come and join us in a day's profitable entertainment.

REMEMBER THE DATE—MARCH 12th—and arrange to be with us.

MODEL 46, the new all-electric receiver.
Full-vision Dial. Uses 7 A. C. tubes and
1 rectifying tube, with double power tube
base. Wavelength 485.

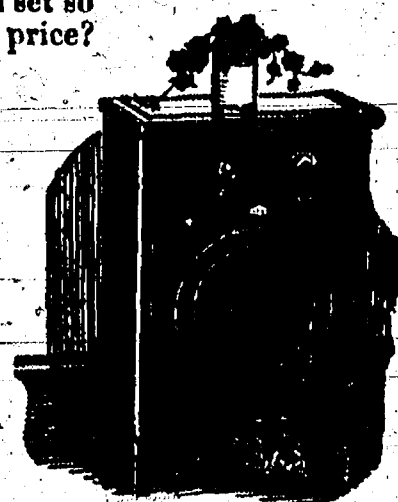

MODEL 46 (Electro-Dynamic) speaker.
True to the whole range of music, \$34.

ELECTRO-DYNAMIC—and what an Electro-Dynamic! You'll listen to this new set in amazement. Every note in the musical scale so clear, every tone so real—the low notes there but not intruding, the high notes sparkling—because Atwater Kent Electro-Dynamic reproduction is natural.

What makes this set so good? The care that Atwater Kent puts into it. Do you know that every set must pass 513 tests or inspections before the final OK? Do you know that precision is attained in the Atwater Kent plant with thousandth-of-an-inch accuracy?

How can they make a set so well at such a moderate price? The answer is careful big-scale production. You save money whether you choose your Atwater Kent in the table model, the compact console, or in one of the fine furniture cabinets that we'll gladly show you.

MODEL 55, Electro-Dynamic
all-in-one set. Compact, fits
so beautifully anywhere. With
out tubes, \$117.

Methodist Home

John Hubbard entertained his broth-
er-in-law, Thomas Leonard and son,
Burridge, of Lansing, last Saturday.
These gentlemen had never visited the
home before and expressed gratifica-
tion at what they saw and the care
given to the aged people living here.
It exceeded their highest expecta-
tions. The members of the family are
glad to have visitors from outside as
they are proud of the place.
Prof. Chas. Stocking and wife, of
Ann Arbor, visited with his mother,
Mrs. Mary Stocking, Sunday.
Mrs. Simon, of Detroit, is expected
to be the next addition to the family
circle. She will probably be here this
present week. Mrs. Sanson, of the
Thumb district, is booked for an early
addition to the circle. When these
two arrive the capacity of the home
will be reached.

After the gatherings in the parlor
which have been discontinued so long
on account of so much illness in the
home, services will be resumed Sun-
day afternoon at 2:30 o'clock by the
Rev. J. H. Hiebert.

We understand that Rev. Jacklin
has a new Ford car, and is learning to
drive the ambitious animal. We hope
he will soon master it enough to drive
it out here and show us how it is done.
The writer knows the pleasure of
learning to drive a shifting gear after
handling a lizzy for some years. Dr.
Jacklin has our sympathy.

The following relatives from Fort
Wayne, Indiana, called on Miss Mary
Emmick, last week: Marion Urey,
Jos. Eberich, John McLaughlin, Chas.
Kass. They were in attendance at the
annual services at Saginaw of Simon
and came here to see Miss Em-
mick.

Mrs. Abbie Tansley, after about a
year's service as nurse, derives a rest-
ful life as a housewife. She has
been to the hospital today. Miss Mary
Emmick, of Jackson, takes her place.
Miss Emmick has had considerable ex-
perience in hospital work which will be
of use to her in her new position.

Mrs. Tansley has been very active and
efficient in her work. She has
spent much time in the hospital and
has given all her energy to the care of
those in need. Her friends here wish her
the best of success. She goes to the
hospital which place is her home.

W. H. Hiebert, E. Sanford, S. Sym-
on and L. Miller, all of Detroit, called
on Miss Sarah Cooley, Saturday.
Mr. and Mrs. Stocking and daughter
called on Mrs. Mary Carson, Sun-
day.

The members of the family are
proud over the promise of a new
automatic elevator to be installed in
the near future. This will extend
from the third story to the basement
and will be a blessing to the weak-
and old in their efforts to reach the
ground floor. A kind donation from
Mr. and Mrs. Hiebert made it possible.

Another excerpt from a letter from
Miss Mary Gordon, granddaughter of
our Mrs. John Gordon who is with a
company of American musicians mak-
ing a tour around the world. She
writes from Brisbane, Australia:
"We had the most wonderful crowd
at the theatre. I think we have ever played
before. The seating capacity of the theatre
is 2500 and last night all records
were broken. There were 4200 people
in and out of the theatre. I say
in and out because they not only stand
and sit in the alley-ways
and the windows are opened
and it gives an inspira-
tion to play to such a crowd." The
company are on their way to Europe
where they have several engagements
before their return to the United
States. Miss Gordon is expected here
on her return and we all hope to
see her in the near future.

Mr. and Mrs. Palmer Gridley and
daughter, of Stoney Creek, called
on their aunt, Miss Mary Em-
mick, Monday afternoon.

Mr. and Mrs. Palmer attended the
monthly meeting of the Board of
Managers of the Home in Detroit,
Monday. They report it might be a
matter of special interest to say that
the Home compares well with the re-
ports of other Methodist Homes at
the annual convention recently held in
Chicago. The fact that we have no
indebtedness, that our financial plan
is built up for a great future, and
that interest enables us to meet ex-
penses, supplemented by the contribu-
tion of the churches of our com-
munity, the fact that we have always a
waiting list to fill vacancies as they
arise, and that our per capita cost is
less than the cost of the majority of
other Homes.

Mrs. Whitaker and grandson, of
Elyria, and her sister, Mrs. Clark,
of Chelsea, called on Mrs. Elizabeth
Acheson, Monday.

FLETCHER ROAD
J. Frank MacMillan is the first to
announce "Spring lamb" in this neigh-
borhood.

Miss Helen Koch, of Ann Arbor,
spent Sunday at the home of her par-
ents, Mr. and Mrs. Chris Koch.
Albert Schiller visited his brother,
Lawrence Koch, at the U. of M.
hospital Sunday. Mrs. Koch is gaining
fast and well soon to be home with his
family.

Miss Vera Richards, of Jackson, is
a night nurse for Mrs. Jay Wood, of Chelsea.
Mr. and Mrs. H. Dancer were
guests of A. Schiller and family, Sun-
day.

SLATS' DIARY

By BOSS FARQUHAR

Friday—Sun times I get mad at
the skool teacher she thinks she is
so blame smart.
Today just becuz
I failed to answer
som of the kwes-
tions—she was
astoring me she sed
Arnt you a-
shamed of yure
Ignorants, and I
answered and re-
plied No I am
not a shamed of
my Ignorants, I
am proud of it.
And she sed off
catty like Well
you have got a
offe lot to be
proud of enny
ways. She makes me tired.

Saturday—Got a valentine this a-
m. Even if it was to late and I think
Jane Seent it. Who ever sent it had
drawed the picture of a geesh and then
had rote down under the geesh What is
the differents between you and a feesh.
I turnt the paper over and it red. A
feesh nose enuff to keep out of site.

Sunday—When Mrs. Glunt cum to
are house this evning to get are wash-
ing she told Ant Emmy that her hus-
band had made her get red of her
washing Machine. Any Emmy want
woked up her husband in the morning
sed to no why so and she sed that it
Munday—Pa got stung on a nother
advertisment this week. He answered
a add Mitch sed if you wood send a
Bill they would tell you of a shure
way to make a 100 \$. Pa Bit and
sent in a Bill and today they sent
him a paper and told him to go and
make a \$ on Monday and then repe-
it every day for 1000 days. I think
he is about 1-2 sore about it. He has
sent told ma about it yet I gem.

Tuesday—The teacher told us that
we must have a Compositishun on
she wood overlook it and tuk a chants
Battel ships, today. But I did meebly
on not making none up. But I got
kep in for it. I wish she was like the
collige professors and wood be absent
Minded once and a while.

Wednesday—I and Jane went to the
Confeshunary this evning and I
spent 20 cts on us and wood of spent
more enny she sed that was all the
muneey she had with us.

Thursday—Well I didnt halt to go
to skool today. Las nite just for fun
I poared the Korn flakes in the box
with ma keeps her sope chips in and
put the sope chips in the Korn flakes
box. When I had of my brokfast I
praved to ma I was getting sick. So it
wiked. Ma tried to wash her stock-
ers, but she never got wise. But I
will say this sope chips dont taste as
nice as they look to the nekid eye.

SOUTH WATERLOO
Adolph Seigrist and Guy Baldwin
visited William Baldwin and family of
Detroit, Sunday afternoon. Mr. Bal-
dwin is in very poor health.

Mr. and Mrs. Ernest Moeckel and
son were in Chelsea, Saturday, where
they attended the funeral of J. J.
Wood.

Mr. and Mrs. John Wahl and son,
William, were in Jackson, Friday,
where they visited Mr. Wahl's sisters.

Miss Charlotte Moeckel, of Jack-
son, spent last week with her brother,
Ernest and family.

Mr. and Mrs. Walter Meyer, of
Rixes, and Mrs. and Mrs. Adolph Mey-
ers, of Jackson, spent Sunday after-
noon at the home of Mr. and Mrs. John
Wahl and family.

Mr. and Mrs. Geo. W. Baldwin, Mrs.
Chris Frey and children, of Jackson,
spent Friday afternoon with their
brother, Guy Baldwin and family.

Mr. and Mrs. Samuel Hary and
family spent Sunday afternoon with
his sister Mrs. Mary Cronin, of
Manitowish.

Mrs. Hulda Hylalauff and daugh-
ter, of Jackson, were Friday visitors
at the home of her parents, Mr. and
Mrs. John Riemenschneider.

Mr. and Mrs. G. E. Moeckel and
son, Miss Charlotte Moeckel, spent
Thursday evening at the home of Mr.
and Mrs. John Wahl.

Mr. and Mrs. Eldon Katz spent
Monday evening with Mr. and Mrs.
Clarence Wahl of Chelsea.

Bernard Lahay and Dwight Hary
spent Sunday afternoon with Lewis
and Dillman Wahl.

Mrs. Eldon Katz entertained the Y.
W. M. A. Saturday afternoon.
Guy Baldwin was a Stockbridge vi-
sitor, Monday.

Lewis Wahl and Alvin Schiller, of
Chelsea, spent the week-end with the
former's parents, Mr. and Mrs. John
Wahl.

Mr. and Mrs. Harold Parks and
daughter, of Jackson, were Friday
visitors at the home of Mr. and Mrs.
Eldon Katz.

Mrs. John Seigrist spent Monday
with Mrs. Geo. Tisch.

WATERLOO
Gladys Runciman spent from Thurs-
day until Sunday with relatives in
Henrietta.

Walter Vicary visited in Detroit a
couple of days last week.

Mr. and Mrs. Arthur Walz enter-
tained on Sunday, Mrs. Kate Walz and
Mr. and Mrs. Harold Walz.

Mrs. W. Vicary spent from Sunday
until Tuesday with her parents at New
Baltimore.

AGE NO BARRIER WHEN KONJOLA IS GIVEN CHANCE

Civil War Veteran Of 88 Finds New
Lease On Life Through New
Medicine.

MR. B. H. RANDALL

Remarkable, indeed, are the works
of Konjola in the cases of those ad-
vanced in age. The files of this re-
markable remedy fairly overflow with
endorsements from those in the eight-
ies who have found in Konjola quick
relief when all else had failed.

Take the case of Mr. B. H. Randall,
88, of the Soldiers' Home, Grand Rap-
ids. Rejoicing over the health that
Konjola brought him, this veteran of
the Civil War writes:

"At 88 I was about ready to give up
trying to regain my health and had
about resigned myself to sit down and
wait for final taps. I was greatly run
down, the slightest exertion exhausted
me. My strength was leaving me
rapidly, and I did not respond to any
of the medicine or treatments I tried.
I had heard and read many good
things about Konjola, and decided to
see if it would do me any good. It
gave me the surprise of my life. Day
by day I could feel this wonderful
medicine working on my kidneys, liver,
and stomach. In six weeks I felt well
and am enjoying life as I did years
ago. In my case Konjola proved to
be a wonderful system-builder, and I
can not feel that this splendid medi-
cine has added years to my life."

Konjola is sold in Chelsea at Burg's
drug store, and by all the best drug-
gists throughout this entire section.

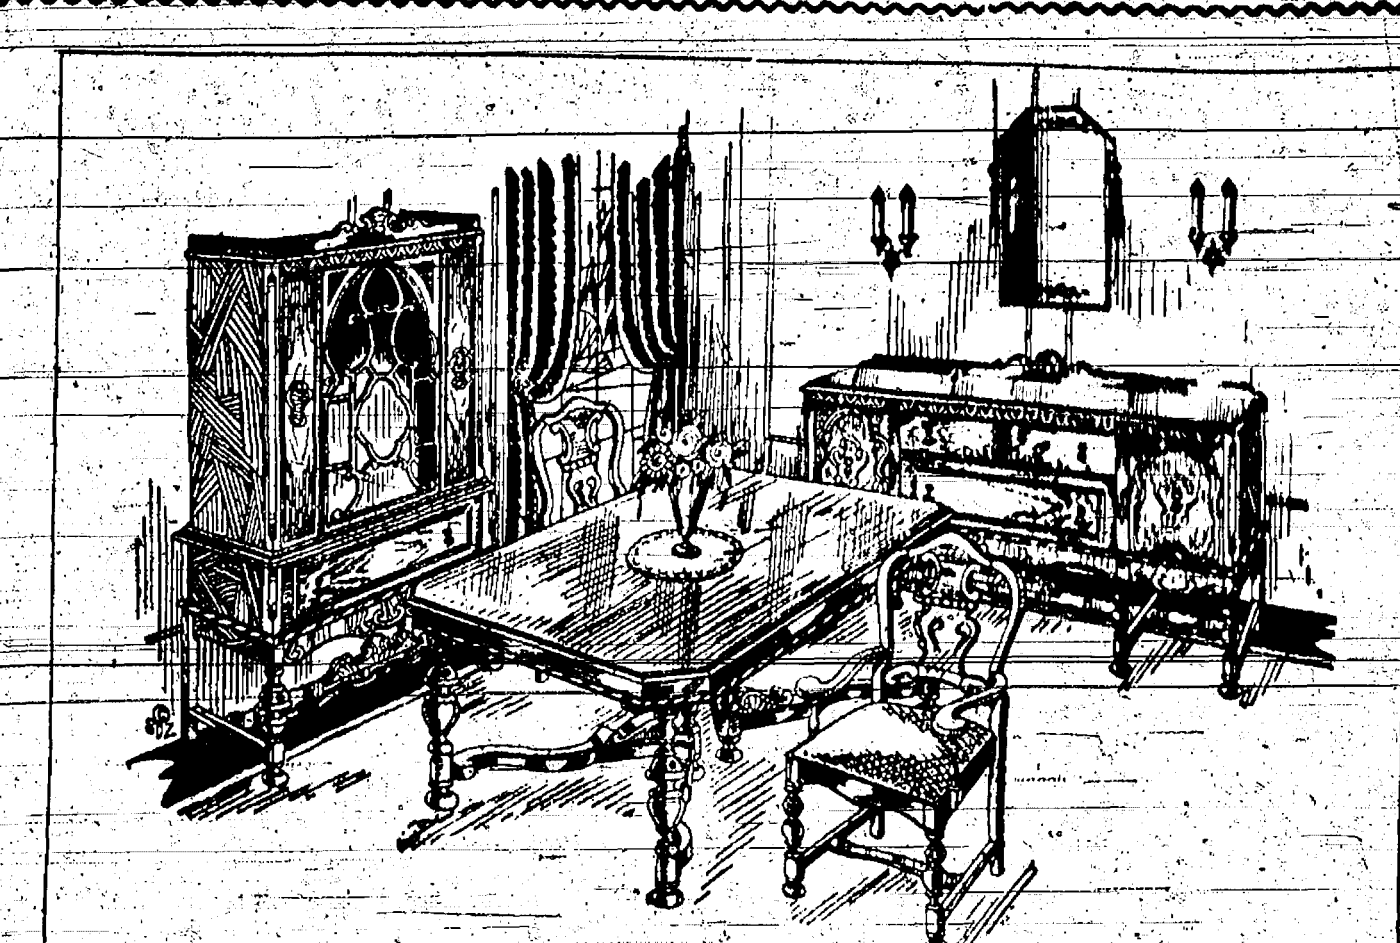

WHEN MEN TALK BUSINESS

It is a real pleasure to us to have
you come here to talk over business
deals, asking our advice upon prob-
lems that you are not certain how
to handle. Our facilities are yours

Make It A Habit To Meet Your Business Friends Here

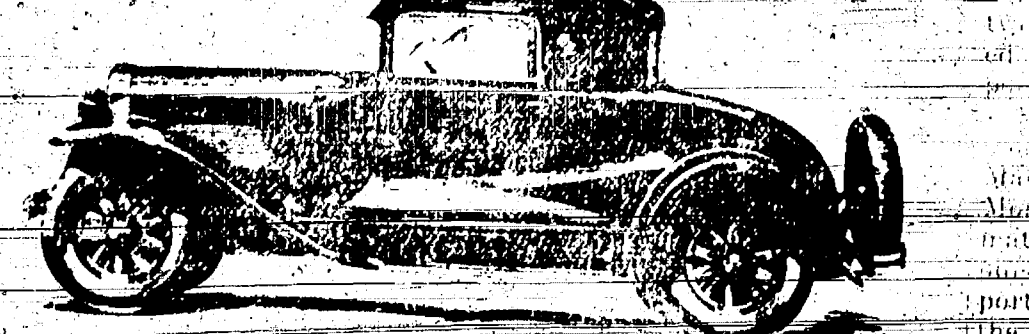

Beautify Your Home This Spring

The near approach of spring gives us an inspiration which prompts
us to brighten up our homes. Our spacious show rooms are fairly creak-
ing with the best things in furniture and rugs carefully selected at the
big Furniture Expositions at Chicago and Grand Rapids, for the living
room, dining room, bedroom and in fact for every nook and corner of the
home. In our floor covering department, you will be able to find almost
anything you may desire in quality and size, including a large assortment
of Oriental rugs. We are anxious to have you see our Furniture and
Rugs, and then if you desire to buy, you will be surprised at our low prices.
May we not be favored by your presence at our store soon?

The E. J. Foster Company

Furniture, Rugs, Hardware. GRASS LAKE, MICH.

Big Car Power, Speed and Smoothness at a price you're glad to pay

Can't you imagine the New Pontiac Big
Six? It offers big car power, speed and
smoothness at a price you're glad to
pay. Here, truly, is a new idea in low cost
motoring. A car conceived, designed and
built for those who want something more than
the cheapest—and who choose to reveal their
progressive ideas in better cars as well as
better home and better furniture. What a recep-
tion these buyers are giving the New Pontiac Big
Six! For they've found that it gives them a new
opportunity to step up in motor car quality
without stepping out of the low-priced field.

Prices \$745 and up. C. & S. factors, plus delivery charges. Bumpers and
rear fender guards regular equipment with slight extra cost. Black Oak
hard-finish delivered prices—this includes lowest financing charges.
General Motors Time Payment Plan available at participating dealers.

CHARACTER IN THRIFT

The most satisfied and contented people are those who are each year adding to their reserve fund. These people are also adding to their character, because nobody can put away part of his earnings for use at some future time, nobody can make up his mind to cut out useless things and stick to his resolution, without strengthening his character.

When the future comes around these people are financially fixed, so they do not have to depend upon charity; they are able to live well and have the things that they want.

OUR NEIGHBORS

Plymouth—Ben Borgman and John Strang, both of Northville, who attempted to hold up the branch of the Plymouth United Savings Bank, Friday afternoon, February 15, were sentenced in the Wayne County Circuit Court, Thursday morning from 15 to 30 years each, with the recommendation that they serve 20 years. Borgman goes to Marquette and Strang to Jackson prison.—Mail.

Milan—The Boy Scouts of Milan and Mooreville celebrated the nineteenth anniversary of the organization with a full program last week. Every Scout and the long program was carried out and the work of the Boy Scouts was made popular with the youngsters of Milan.—Leader.

Saline—Allen Feller says he has had all of smallpox that he wants, and is satisfied to let others try it out if they care to.—Observer. Mr. Feller was one of several in Saline village who had smallpox several weeks ago.

Wampers Lake—The Farm Hotel, at Wampers Lake, an adjoining cottage and two barns were destroyed by fire shortly after 4 a. m. Friday. The hotel had been closed for the winter and George Nisler, owner of the property, who occupied the cottage, was away from home at the time. The loss is estimated at about \$30,000.

Tecumseh—Mrs. Harriet G. Wheeler, world's oldest member of the Woman's Christian Temperance Union, and who was aged 102 years and one month, died at the home of Mr. and Mrs. Clarence Holdridge, Friday afternoon, February 15, at 1 o'clock; exactly one month after she had observed her 102nd birthday anniversary. She had been in good health, considering her advanced age, and was confined to her bed only two days before her death. Born in Cayuga county, New York, January 15, 1827, Mrs. Wheeler came with her parents, Mr. and Mrs. Asael Keat, to Michigan in 1837.—Herald.

Tecumseh—State engineers are now at work surveying the right-of-way of a new road that will connect the Michigan State Park at Wampers Lake with US-112. The engineers have recently been stationed in Hillsdale while surveying the "compromise" route of M-34 but last week the crew removed to Adrian, and will make that city the headquarters until the work in Lenawee county is completed.

Jackson—A warning against paying money to a fake magazine subscription solicitor, now working in Jackson, was issued Friday by L. B. Secor, inspector. Several complaints have reached the police department, all of them coming from bona fide solicitors, Secor said. The fake solicitor is said to demand a payment in advance for subscriptions to nationally circulated magazines.—Tribune.

Grass Lake—Five miles of highways in Grass Lake township have been taken over as county roads by the county highway department, thus relieving the township of the burden of expense of repairs and upkeep. The roads taken over comprise two miles on the north end of the Napoleon-Grass Lake highway and three miles beginning at Clark's corner on the Norvell-Grass Lake road, continuing to the Washtenaw county line.—News.

Grass Lake—Dogs have been busy among the sheep on farms north of town. Last Friday night they entered the flock belonging to Russell Stokes, killing one and injuring several. The same thing was repeated Tuesday night of this week at the Ford Woodstock farm.—News.

Howell—The Howell school will enter an orchestra and brass band in the contest to be held at Ypsilanti, April 11.

Dexter—A. D. Van Aken, superintendent of the Dexter public schools, has been retained by the board of education for the coming year. Mr. Van Aken will be entering upon his fourth year as the head of the school with the beginning of the school year.—Leader.

Manchester—A Rotary club is to be organized here. At a recent meeting seventeen business men here signed applications for membership which is sufficient to secure a charter.

Manchester—A number of men visited a lake north of Chelsea on Sunday for the purpose of fishing through the ice, but they had no luck. No doubt there are fish in that lake, but they would not take the supposedly tempting bait and the men came home empty handed.—Enterprise.

Dundee—Several prominent Dundee men are preparing to finance a company to build a number of moderately priced homes in the village. This company is called the Dundee Development Company. There are numerous young people in town who lack the financial backing to build homes of their own, but with the assistance of such a company would gladly snatch a chance to have a home build according to their wishes and to be able to pay for it like rent.—Reporter.

Howell—The Livingston Republican with its issue of last week entered upon the 74th year of its publication. Owners of the paper have added several during the last few months the real hundred dollars worth of equipment.

Thirty-four Years Ago

Thursday, February 28, 1895.

Hudson Main died Saturday afternoon at his home seven miles north-west of Chelsea. The wife and two children survive him.

Waterloo—The commissioner on claims in the Beeman estate met Saturday to hear claims. W. E. Wessels presented a claim for \$4,900.

Herman Dancer who has been in the employ of Holmes & Dancer of Stockbridge for some time has returned to his home in Sylvan.

Godfrey Weick, J. S. Hoffer and Chauncey Steffen are making arrangements to start a cigar factory here.

Nine persons were received into the M. E. church Sunday on probation. Another class will soon be received in the near future.

Born, Sunday, February 24, to Mr. and Mrs. A. E. Williams, a daughter.

GENERAL ELECTRIC Refrigerator

It appeals at once to every woman

Women are quick to recognize the simplicity of this remarkable refrigerator. They like the fact that it never needs oiling. They like its quietness, its roominess, its sturdy handsome cabinet. They like the luscious dishes which it makes possible. They like its gleaming crystal-clear cubes of ice. And they like, above all, the fact that General Electric makes and guarantees it.

CHELSEA LIGHT & WATER DEPARTMENT

ESSEX THE CHALLENGER

Twice now... in 30 days... production has had to be increased

Essex the Challenger sweeps aside the barriers of price class. It challenges the performance, the style, the luxurious roomy comfort of any car at any price, on the basis that no other car gives you back so much for every dollar you put in.

A glance at its 76 advanced features reveals at once why Essex exceeds no car in its challenge. For point after point in fine car construction, performance and detail, brings you directly to costliest cars to find comparison.

With above 70 miles an hour top speed, Essex the Challenger, in thousands of demonstrations, is proving the endurance and ability to do 60 miles an hour all day long.

It is the finest, largest, roomiest, most brilliantly performing Essex ever built, and the price the lowest for which Essex ever sold—but little above the lowest priced car on the market.

That is why the acceptance of Essex the Challenger is the talk of motordom. Join the van of 1,000,000 Super-Six owners who are demonstrating its right and ability to challenge the best that motordom offers.

76 ADVANCED FEATURES INCLUDE:

- Power increased 24%—Above 70 miles an hour
- Four hydraulic shock absorbers
- New type double action four-wheel brakes—Large, fine bodies—Easier steering—Greater economy.

His First Vest

"My golly, Dad, I'm 'bout to roast!"
My boy has often said,
When he was dressed in Sunday best,
And he his coat would shed.
For no boy likes to wear a coat,
For style's a thing they scoff.
And so it is mine says: "Gee whiz!"
When he can't take his off!

He always gave the same excuse,
And that was, "I'm too hot!"
And all put out, he'd scowl and pout,
When told that he could not!
But just a little while ago,
He ceased to fuss and fret,
And now, today, though strange to say,
He willingly will sweat!

He no more kicks about the heat—
With cooler blood he's blest
(And that's no bosh!) for now, b'gosh,
At last, he wears a VEST!
However hot the room may be—
So warm it makes me yawn,
And fall asleep—that boy will keep
That vest of his still on!

"I'd take that off," I say to him,
"You hardly need it now."
I'm 'bout to die, so hot am I—
And sweat runs down my brow!
"Oh, I'm all right," he says to me,
And proudly pats his chest!
Though hot as fire, his cheeks perspire,
He will not shed that VEST!

Record Sales Volume

Attained By Graham-Paige Motor Corp.

A new high record for sales volume attained by a new make of automobile in its first year was created by the Graham-Paige Motor Corporation in producing cars to a total retail value of more than \$80,000,000 in 1928, according to an announcement from the company received by F. A. Nordman, newly appointed Graham-Paige representative here.

The second year of Graham-Paige finds the company well on its way to

creating new records with its line of new sixes and eights, as indicated by the figures for January, when 5670 cars were built, nearly four times the total for January last year. In fact, Graham-Paige is already a full month ahead of 1928, as the first month's output this year exceeded the total for the first two months of the preceding year.

The Graham-Paige company has equipped itself to take full advantage of the prestige it has built up. A statement just issued from Detroit, listing its present facilities for the production and the distribution of motor cars, in comparison with this time last year, shows how fully the com-

pany has anticipated the increased demand for its product.

At the beginning of its second year, the Graham-Paige factory employs 7200 workmen, as against 2840 one year ago. The main plant at Detroit, in the last year, was increased in floor area by 260,000 square feet, and now totals 1,003,000. A new body plant at Evansville, Indiana, 273,000 square feet, was erected during 1928. The year also saw the acquisition of a separate plant in Detroit, 262,000 square feet, for the export and shipping departments, while the body plant at Wayne, Michigan, has been enlarged to 228,000 square feet. In addition, a lumber mill at Perry, Florida, having 60,000 square feet of floor area, was acquired during the year to supply hardwoods to the Graham-Paige body plants.

Since the three Graham brothers acquired control, the daily capacity of the plants has risen from 400 cars a day to 700.

The selling organization of the company has kept pace with the increase in manufacturing facilities. Graham-Paige is now represented by 2440 distributors and dealers, as compared with 875 at the beginning of 1928.

One of the most interesting features of Graham-Paige growth has been its increasing exports. Last year, 6310 cars were shipped to the world markets outside United States, not including Canada and Cuba. During the year, however, the foreign sales organization grew tremendously and increased the number of outlets. That the present year will see great improvement in foreign business is evidenced by the fact that in January, 1929, 969 units were shipped abroad, establishing a new all-time record, having exceeded the previous high mark of 951 shipped during the height of the selling season, in September, 1928.

Public acceptance of the latest Graham-Paige models has followed close upon their first showing. A bulletin from the factory reports 615 retail sales at the automobile show in twelve cities, as against 269 in the same shows last year. At Detroit, Rochester, Milwaukee, Dallas, New York, and Nashville, this year's show sales more than doubled the 1928 marks.

They Don't Often Grow

There are many varieties of big head, all of which are completely objectionable. But until you have seen the one which not that way over his wife's money you haven't seen a thing.

Wed. 2:30 to 3:30. Bible study, topic: Ruler out of Bethlehem.

Golden text, Micah 6:2.

How was the prophet led to use the name Bethlehem? To what extent only was this prophecy fulfilled at Jesus' birth, and how may that be known? 3:30 to 5 p. m. Topic, Creation. Golden text, Jno. 1:3. Who was the beginning of God's creation? Who assisted Jehovah in the creation of heaven and earth? All interested in Bible study, welcome at 208 South St.

EYESIGHT

Carry a Spare

An extra pair of glasses is best possible insurance against the annoyance and discomfort or even helplessness caused by loss or breakage of a single pair.

But there is another way wherein the extra pair can be of constant value. That is from a style standpoint. No one wears the same pair of glasses, or pair of shoes, day after day. We all "dress up" on certain occasions. Then why not "dress" the eyes to conform with the rest of our attire?

For everyday, work or sports wear, we suggest a comfortable and sturdy shell frame, while for dress occasions a metal framed or rimless spectacle mounting or eyeglasses can be worn as an agreeable change.

Take advantage of the opportunity to add safety and style by having an extra pair of glasses. There is no added examination charge—just the cost of lenses and frame.
