Boxing Show To Be Held Here Next Week

A new organization, The South Side Athletic Club, has been formed in Chelsea under the direction of Maurice Hoffman, and Monday night, August 26th at 8:30 in the Sylvan Town Hall, will bring together for the first time a change in recreation in Chelsea—a boxing show.

The participants in this affair will be all local boys and because of this they will have to be matched as squarely as can be. For two weeks the boys have been training quite seriously and to date all appear to be in the pink of condition.

In selecting the boys, the management of this affair hopes to satisfy everyone and assure you that plenty of action will be seen. The main bout of the evening brings together Peter Konenski and Red Hughes. Both boys are talented and both are confident of a victory.

The semi-final of the evening will bring together Len Eder and Freddy Webber. These two lads are fast and hard punchers as well. The next bout of the evening will feature Lavern Conk and Raymond Clark. These two lads are well matched and should supply an interesting three rounds. The fourth bout is of much interest, this bringing Czar Reule, hard punching boy from the West Side, and the Mystery Lad.

The lightweight class boasts of a good pair of boxers, Raymond Liebeck and Bill Howe. The last bout of the evening will see two featherweights clash. Sandekel will take on Shorty Brettschneider. Both of these lads can slug as well as step.

The boxers on this program are all inexperienced and because of this a heavy glove has been selected so as to prevent any serious injury.

A regulation ring will be erected on the stage of the town hall, where the program will take place. The decision of the bouts will be determined by three judges who will cast their votes as to the winner.

Independents Made Good Showing Sunday

The Chelsea Independents put up a good scrap Sunday at Wayne in the presence of many local fans, but were defeated by the fast Graham-Paige team at a score of 5-3.

The game seemed to be a shut-out until the last two innings during which the local team garnered their total of 3 hits. The boys were all set to win the game in the 9th when two men were on with none out. Bob Fahrner hit an almost certain single to left field, but the Wayne fielder made a beautiful and lucky "shoe-string" catch and doubled the runner off third, and that rally was off.

The Chelsea boys made a fine showing, however, being defeated only by the Wayne boys' excellent defensive playing. Reinwert and Arn Fahrner supplied the brilliant catches of the Chelsea defensive playing. Rossbach did a fine job of pitching against the Wayne team which has been beaten only once this year, securing a total of 8 strikeouts.

Next Sunday the Independents will play the Pinckney Michigan team there, and a sure victory is expected if the boys play the same brand of ball that they played last Sunday.

Last Band Concert Next Wednesday

The tenth and last band concert of the season will be given next Wednesday evening. A cornet quartet by Messrs. Best and Dickinson of Jackson will be a special feature of this concert.

Wesley Smith, director of the band, stated this morning that inasmuch as the business men of Chelsea have been so loyal in the support of the band this season, next week's concert will be donated by the band boys to show their appreciation of this support.

The program for the evening will be as follows:

Heads Up—March—Klohr.
Mignonne Overture—Baumann.
Man of Valor—Klohr.

March—Dunbar—John L. Verriere.
Music for this number donated by A. G. Hindelang Hardware.

Arctid—Overture—Laurens.
Cornet Duet by Messrs. Best and Dickinson of Jackson.

Crescendo—March—Jewell.
At the County Fair—Filippa.
Entry of the Gladiators—Lauren dean.

Other Specialties.
Star Spangled Banner—Keys.

NUPTIAL VOWS SPOKEN IN PRETTY CEREMONY AT B. PLANKELL HOME

Miss Gertrude Mapes and Paul Wagner United in Marriage At Saturday Event.

A pretty wedding was solemnized Saturday afternoon at four o'clock at the home of Mr. and Mrs. Bruce J. Plankell, East Middle St., which united in marriage Miss Gertrude Mapes, daughter of Mr. and Mrs. Samuel A. Mapes of Lakeland, Florida, and Paul Wagner of Detroit, son of Mrs. John Wagner of Ann Arbor.

Baskets of white lilies, gladioli, ferns and baby breath banked the fireplace before which nuptial vows were spoken, while bowls of roses, larkspur and baby breath were attractively arranged about the room. Miss Emily Mutter of the Conservatory of Music, Ypsilanti, accompanied by Mrs. Carrie Hanson of Howell played "Liebestraum" by Liszt, while the guests were assembling, preceding the "Bridal Chorus" from Lohengrin. The beautiful ring service was read by Rev. Albert E. Potts. The bride was given in marriage by her father.

Miss Mapes wore a lovely gown of white chiffon, a tulle veil with a band of orange blossoms, and carried a shower bouquet of white rosebuds. Miss Marjorie Mapes who attended her sister as maid of honor was dressed in pastel green georgette with hat to match. Her shower bouquet of yellow rosebuds, lavender sweet peas and baby breath was tied with lavender and yellow streamers. Dr. Reuben Wagner of Port Huron attended his brother as best man. Little Mary Elizabeth Wright, cousin of the bride, groomed in white tulle, led the bride to the altar, and carried a basket of white rose petals. Master James Wagner, nephew of the groom, dressed in white satin suit carried the ring in a white lily. Following the ceremony a two-course luncheon was served by intimate friends of the bride. The bride's table was laid with a cover of Italian cut work, a large bowl of white pink and red roses, forming the centerpiece, while at either end were white tapers and a miniature bride and groom.

The bride is a graduate of Chelsea High school and the Kindergarten Training School, Oberlin, O., and for the past two years was a teacher in the Wayne County Training School, Northville. The groom, a graduate of Chelsea High school and University of Michigan, is manager of Body Development, with the Chevrolet Motor Company, Detroit. On their return from a two week's motor trip Mr. and Mrs. Wagner will make their home in Detroit.

Out of town guests present at the wedding were Mrs. J. G. Wagner and Miss Elizabeth Wagner, Ann Arbor; Mr. and Mrs. Carl Wagner, Miss Julia Wagner, Mr. and Mrs. Robert Burgess, Mr. and Mrs. Claude Crowley, Mr. and Mrs. Wm. Geddes and Miss Gertrude Bates of Detroit; Mr. and Mrs. Philip Lovejoy, Royal Oak; Dr. and Mrs. Reuben Wagner, Port Huron; Mr. and Mrs. W. J. Wright, son, Richard, and daughter, Mary Elizabeth of Ithaca, N. Y.; Miss Ethel Foster of New York City; Mrs. Sarah M. Mapes, Mr. and Mrs. C. E. Sweet and sons, Dale, Charles, Burris and Robert, of Gregory, Mr. and Mrs. Ernest Wagner and son of Freehold, Ind.; Mr. and Mrs. E. G. Hoag and Mr. and Mrs. Paul Ryan of Jackson and Miss Alberta Dole, of Mt. Vernon, Ohio.

Pielemeier Reunion
Held Here Sunday

A reunion of the Pielemeier family was held Sunday at the home of Mr. and Mrs. Albert Pielemeier at which Mr. and Mrs. W. S. Pielemeier were honor guests, this being the 48th anniversary of their marriage. It was also the seventh birthday of their grandson, Leonard Stark, of Albion.

A picnic dinner was served. The guests included Mr. and Mrs. Edwin Pielemeier and son of Vincennes, Ind.; Mr. and Mrs. Walter Pielemeier and daughters of State College, Pa.; Mr. and Mrs. John Pielemeier and family and Mrs. Louise Rittercamp and daughter, Edna, of Ann Arbor; Mr. and Mrs. Ernest Wagner and son of Freehold, Ind.; Dr. and Mrs. H. Nolting and family of Indianapolis, Ind.; and Mr. and Mrs. John Stark and family of Springfield.

Interurban Service To Be Discontinued

Service on the Detroit, Jackson & Chicago railway, which operates interurban cars through Chelsea, is expected to be discontinued within a few days. Through an order of Judge Charles C. Simons, of the United States district court, Detroit, signed Monday, the company is permitted to end the road's operation and abandon service.

In the order, Judge Simons stipulated the receiver must preserve all assets for the protection of bondholders and creditors. The assets, says the order, must be held intact until the court determines what dispositions of them shall be made.

When issuing the order, the court instructed J. F. Collins, of Jackson, the receiver, to fix a date for the discontinuance of service and to notify the court of the date. Collins is authorized to undertake the formalities necessary to the terminating of the railway's operation.

An application was filed Tuesday with the Michigan State Utilities Commission at Lansing for permission to operate motor bus service over the same route the D. J. and C. now operates. The name of the firm will be the Detroit, Jackson and Chicago Truck Company.

Debachers Given Prison Sentences

Mr. and Mrs. Edward Debacher, former residents of Chelsea, have been sentenced by the Circuit Court Judge at Adrian to prison terms for attempting to burn their dwelling at Cement City, early in July.

Mrs. Debacher was given a sentence of from two to twenty years in the Detroit House of Correction. Mr. Debacher was given a term of from sixteen months to twenty years in Jackson prison.

Two of the other four men who were implicated with them in the attempt to burn the house were sent to prison for a period of six months to two years. The others were discharged for lack of sufficient evidence to convict them.

The three daughters of the Debachers have been taken to the home of a relative in Jackson. The two boys were taken to the home of an uncle in Ohio. The oldest boy was returned to Cement City the first of this week, his uncle being unable to control him. His case has been referred to the Probate Court at Ann Arbor and he may be sent to the reform school.

Business Places To Close For Fair

According to W. B. Daniels, village president, next Thursday has been designated as Chelsea Day at the Washtenaw County Fair, and he asks that business be suspended here at 12 o'clock noon on that day so that all who wish to may attend the fair.

Closing of stores for a half day during the County Fair has been the custom in Chelsea for several years and many business men have expressed a desire to close Thursday afternoon next week so that they and their employees will have the opportunity to attend the fair.

The Chelsea Independents will play Whitmore Lake Thursday afternoon at four o'clock, or immediately following the free acts. Four teams are entered in a tournament, Salem and Dexter playing Wednesday afternoon. The winners of the Wednesday and Thursday games will play Friday afternoon for first money which is being offered the winning team by the Fair Society.

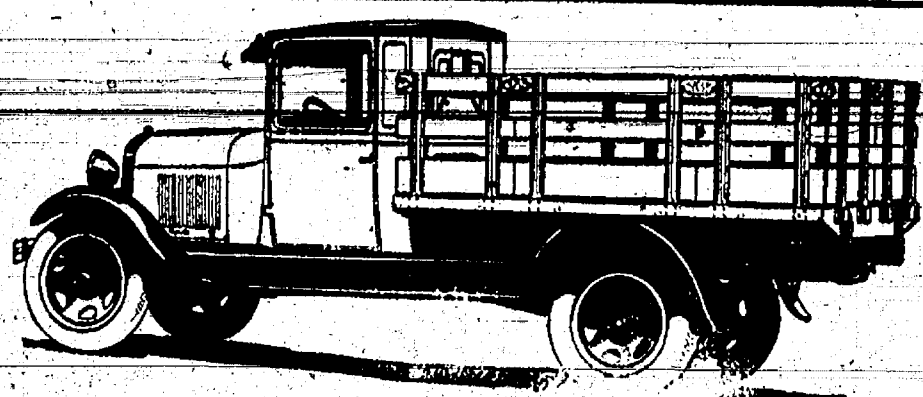

So remember the date, and do your trading before noon next Thursday, August 29. Let's boost our fair by attending!

G. J. Diekema New Minister To Holland

According to an Associated Press dispatch from Washington, dated August 20 and published in daily papers of that date, G. J. Diekema of Holland, Michigan, has been appointed minister to Holland to succeed the present minister, Richard M. Tobin of California. Mrs. Diekema was formerly Miss Leona Belser of this place.

NELVIN H. COOK

Nelvin H. Cook, aged 71 years, died suddenly about 11:30 this (Thursday) forenoon. Mr. Cook had returned home about 30 minutes before his death from an auto ride with O. C. Burkhardt and was stricken while sitting in a chair on the porch at his home. He had resided in this community many years and was a member of the Masonic and K. of P. Lodges. He is survived by one daughter, Mrs. Otto Hinderer, and one grandson.

THE NEW FORD 1 1/2-TON TRUCK

... gives service ...
long and dependable
at low cost

IN THE new Ford truck are many features which make it unusually economical to operate, and which contribute to long, reliable service. Perhaps the lubrication system has a greater influence upon the life of an engine than any other factor. In the Ford, the advantages of pump, gravity and splash systems are combined.

Oil is first pumped to the valve-chamber. From there it flows by gravity to all main crankshaft and camshaft bearings. It also flows to troughs into which the connecting-rods dip. This not only lubricates the connecting-rod bearings, but causes oil to be splashed on all other moving parts. There are no costly drilled shafts and pressure oil lines. The only moving part is the pump.

Simple and sure as water running down-hill.

Why not come in today and let us show you the other features of the new Ford truck which add so greatly to its value?

Let Your Figures Tell Which Feed to Use

WE OFFER you Purina Chows on just one basis—they must make more money for you than anything else you can feed to your poultry or live stock. Unless Purina does this, you don't want to buy it.

Put Purina to the test of the record sheet and the scale—right out on your own place. Keep track of your feed cost—of your income—of your profits. Purina may cost you a little more in the sack—but the extra eggs, milk, pork or beef will more than offset that. After all, it's the results in the pocketbook that you're interested in.

Ask us for free record sheets and the loan of a milk scale. Let us send you enough Purina to prove its value to you. Phone us—or drop in.

Buying inferior
tires is an easy
way to waste
money.

You can't buy purebred livestock at the price of "scrubs."

Tires can be built to sell at any price you want to pay, but below a certain price they can't be good tires. Remember that the next time you are tempted to buy bargain tires.

You cannot buy better tires than Kelly. Springfield at any price. You cannot buy tires as good for any less.

Scrub stock doesn't pay. Neither do scrub tires. It does pay to buy Kellys.

Mrs. Anna Buck

"I was sick, worn out and rundown all over," said Mrs. Anna Buck, 60 West Forest street, Detroit, Mich. "I was intensely nervous, had frequent dizzy spells, sharp pains across the back, had to get up time after time every night, and my digestion was just about everything it should not be. My system was filled with poisons."

"Konjola came as a blessing into my life. Six bottles in six weeks made a new person of me. I can eat and digest any food, gone are the terrible neuritis and kidney pains across my back. I do not have to get up any more at night, and my general health has improved so that I feel as though I never had a sick day in my life. Konjola is simply marvelous."

Konjola is sold in Chelsea at Burg's drug store and by all the best druggists in all towns throughout this entire section.

Why you get more with DUNLOPS

YOU may think all standard tires are about the same. We did, too, until we checked into the tire business. Then we found that Dunlop had pioneered almost every important tire improvement... that Dunlop founded the pneumatic tire industry 41 years ago... that Dunlop has \$195,000,000 in resources... employs over 45,000 skilled craftsmen. Once we studied tires, we knew Dunlops were better.

Built to stand even abuse

Dunlop is the one manufacturer who uses only long staple Egyptian cotton. This extra strong cotton is woven into cords in Dunlop's own mills. Combine this sturdy tire base with the Dunlop Tread—the toughest rubber compound known... and you have two reasons for Dunlop's longer life. At every step of production Dunlop's greater experience... Dunlop's skilled workmen... combine to produce tires that will stand even abuse.

Plymouth excels in motor car Essentials

THE four things to consider most in selecting a motor car, are: The body, wherein you ride; the engine, which makes the car go; the brakes, on which your safety depends; the first cost and the economy of operation and maintenance affecting your purse.

ROOMIEST BODIES

Plymouth bodies are full-size—out-measuring the entire low-priced field in leg-room, elbow-room and head-room.

SMOOTH, QUIET ENGINE

The Plymouth power plant follows throughout the basic principles of Chrysler engineering—with Chrysler-like results. The full-size Plymouth is by far the most low-priced car. It is the only low-priced car with equalized Chrysler weatherproof four-wheel hydraulic brakes.

LOW UPKEEP COST

The Plymouth is America's lowest-priced full-size car. Its simple, rugged and efficient engine uses gasoline sparingly.

MAY REUNION
About 65 people attended the annual May reunion which was held Saturday, Aug. 17 at Hadley grove, Bruin Lake near Unadilla.
Relatives were present from Detroit, Lansing, Jackson, Pontiac, Chelsea, Stockbridge, Gregory and Unadilla. Features of the gathering were a picnic dinner, quail pitching, bathing and a luminous session.
The following officers were elected for the ensuing year: President, Ed. Cranna of Unadilla; secretary, Mrs. Wm. Audus of Jackson, and treasurer, Mrs. Wm. Crowneover also of Jackson. Several interesting letters were read and especially concerning Howard and Earl May.
The rest of the day was spent in visiting and the good-byes were said at 5:30 with hopes expressed that all might meet and have as pleasant a time at the next reunion.

Entertains For Daughter
Mrs. Lyle Chriswell entertained a company of little folks Thursday for the pleasure of her daughter, Mary, on her third birthday anniversary. Covers were laid for 11 guests.

CARD OF THANKS
I wish in this way to show my appreciation to the people of Chelsea for the many acts of kindness shown me during Lorenz's long and painful illness. I wish to thank Rev. Bulmer for his comforting words. I wish to especially thank Mr. and Mrs. Conrad Schanz and family, Mrs. Aichele, Luella Whipple, Mrs. Ray Whipple, Glad Whipple, Mason Whipple, Louise Bagge, Emma Leach, Mrs. Frymuth and Leah Behanz, who so kindly assisted in caring for Lorenz in the hospital. Also the Lytham Sisters and K. of P. Brothers for their generous help and beautiful flowers, the Chelsea Sewing Co., Rev. Potts for his kindly calls and the Congregational church and Sunday school for the beautiful flowers sent both Lorenz and myself.
Inez M. Bagge and Fay.

Visits Friends Here
Carlton H. Runciman of Lowell called on friends here Friday en route from Pittsburgh, Pa. His mother, Mrs. Elizabeth Runciman accompanied him, also his daughter, Jane, who had been visiting here for several days.

TWAMLEY-BIRD REUNION
The Twamley-Bird reunion was held August 17th at Eisenbeiser grove, North Lake. Members were present from Royal Oak, Highland Park, Detroit, Dearborn, Wayne, Romulus, Milan, Chelsea, Webster, Lima and Toledo. A bountiful dinner was served, and the afternoon was spent playing ball and swimming. It is an annual event, to celebrate Mrs. Ella Burkhardt's birthday.

KAPPLER-WALZ REUNION
Members from Jackson, Lansing, Ann Arbor, Brighton, Chelsea and Waterloo attended the Kappler-Walz reunion held Sunday at Pleasant Lake, Freedom township. Officers elected were: President, Jacob Lehman, Chelsea; secretary-treasurer, Mrs. Homer Davis, Jackson.

Odd Fellows Win Series.
In a game played between the Masons and the I. O. O. F. Monday evening to decide the championship of the second series games in the Twilight Ball League, the Odd Fellows emerged victorious by a score of 8 to 3. The Odd Fellows were also champions of the first series.

SPAULDING-UPDIKE REUNION
The Spaulding-Updike reunion was held Tuesday at Straub's landing at Clear Lake. Forty guests were present from State College, Pa., Grand Rapids, Ann Arbor, Mason, Chelsea and Grass Lake. A program was given and the remainder of the afternoon was spent in visiting. A potluck dinner and supper was served. The following officers were elected: President, Mrs. William Davidson; vice president, Roy Davidson; secretary, Mrs. Walter Spaulding; treasurer, Warren Spaulding.

HARLAN DEPEW WEDS
Announcements have been received here of the marriage of Harlan Armstrong Depew to Miss Mary Louise Gardner at Baldwinville, N. Y. on August 17, 1929. Mr. Depew is a former Chelsea resident and is a nephew of Miss Elizabeth Depew.

Officiates As Bridesmaid
Mrs. Katherine Koebbe and daughter, Miss Evelyn, were in Manchester Saturday where Miss Koebbe officiated as bridesmaid at the wedding of her cousin, Vera L. Steinway and Leroy Paul of Ypsilanti.

Interesting Events At Sylvan Estates

In honor of their fifth wedding anniversary, the members of Sylvan Estates Country Club gave a surprise dinner dance for Mr. and Mrs. A. L. Lowry, founders of the club.

The party was seated at a long table in the dining room in the center of which was a large wedding cake. The table was beautifully decorated with gladiolus and larkspur. Harry M. Lewis of Detroit as master of ceremonies, presented Mr. and Mrs. Lowry with a gift in behalf of the members. Following the dinner was an informal dance and light refreshments were served late in the evening. The occasion was planned by the members, not only for the anniversary, but as a token of their appreciation of what Mr. and Mrs. Lowry have done and are doing for the club.

The women of Barton Hills and Huron Hills were guests of Sylvan Estates Country Club on Ladies' Day, Tuesday, August 20.

A very successful blind bogey tournament was held in which Mrs. Norris carried away the prize for Barton Hills, though Mrs. Dimmock held low score for her club, while Mrs. Lewis brought the honors to Huron Hills. Mrs. Robert Gange was winner for Sylvan Estates.

Following the luncheon at which places were set for nearly fifty, bridge was played. Mrs. Dimmock of Barton Hills was winner at bridge for her club, while Miss Goddard held high score for Huron Hills, and the Sylvan Estates prize went to Mrs. George P. Staffan, Chelsea.

Among the out-of-town ladies present were Mrs. C. P. Holt of Stockbridge and Mrs. Sumner Hall of Charlotte, N. C., who were guests of Mrs. George P. Staffan. Because the ladies guest days have been so successful this year, the club plans to have more of them on the program next season. Besides the Jackson and Ann Arbor clubs, it is hoped that the Sylvan ladies will be hostesses to several clubs in and around Detroit.

The Sylvan Estates club championship tournament which is approaching its final round, promises some exciting matches within the next few weeks.

L. G. Palmer and B. B. Turnbull of Chelsea will clash in the semi-finals, having defeated their respective opponents, Hiram Ash of Detroit and J. E. Schmidt of Ann Arbor. John Fletcher and Howard S. Holmes of Chelsea will meet to determine which will play the winner of the match between A. J. Maguin of Detroit and Dr. A. A. Palmer of Chelsea in the semi-finals.

In the father, son and relative tournament, Carl H. Weeks and son of Ann Arbor have entered the second round by defeating A. H. Lindley and son of Detroit, while Donald C. Gander and daughter of Detroit eliminated A. J. Maguin and his nephew in a close match last Sunday.

Four interesting golf tournaments between the Ann Arbor and Chelsea Kiwanis clubs featured the regular meeting of the Kiwanis Monday, August 19.

Prizes for low medal score were taken by Dr. L. P. Fisher of Ann Arbor and L. G. Palmer of Chelsea, each turning in a 39, and L. W. Fry of Ann Arbor who was a close runner up with a 41. In the hidden hole tournament, J. H. Boyd of Chelsea had a score of 15 for the hidden holes three, six and nine.

Those who were successful in the highers tournament were H. L. Spedding, F. A. Sargent, L. L. Holloway, and C. Whitcomb of Ann Arbor and Dr. A. A. Palmer of Chelsea.

The prize for the count-your-putts tournament went to B. B. Turnbull with the unusual score of only fourteen putts for the entire round.

Important!
On Monday, August 26, the Southern Ontario golf professionals will visit Sylvan Estates as guests of the club. William Fox, the champion of Southern Ontario will be among the prominent players. Other well-known Ontario golfers who are expected are Jack Burns of Essex Country Club, and "Bob" McKelvie of Beach Grove. The professionals will play a pro-amateur tournament with low ball taking the purse. All members of the club are urged to attend this interesting exhibition.

BREITENBACH REUNION
The Breitenbach reunion held Sunday at Big Silver Lake near Pinckney was attended by about 60 relatives from Battle Creek, Lansing, Jackson, Detroit, Chelsea and Lima. The committee chosen to arrange for next year's reunion is Mrs. Henry Wolf, Jackson, Mrs. George Newcomb, Detroit, and Mrs. A. L. Steger, Chelsea. Those attending from Chelsea were Dr. and Mrs. A. L. Steger, Mr. and Mrs. Fred Barth and Mrs. Ella Sumner.

Entertained At Cavanaugh
Mr. and Mrs. Harry Hoch and daughter, Jean, and Miss Hazel Wiles of Chicago, Pa. Mrs. Carl Hoch of Sistersville, W. Va., and Mr. and Mrs. F. W. Staffan of Ann Arbor were guests of Mr. and Mrs. Geo. P. Staffan at Cavanaugh Lake, Sunday.

E. L. Clark In Hospital
Supt. E. L. Clark is a patient in U. of M. hospital, Ann Arbor, where it is expected he will undergo an operation for removal of an internal goitre today.

Rebekahs Picnic
About eighteen Rebekahs with well filled baskets motored to Crooked Lake on Thursday and invaded the pleasant summer home of Mr. and Mrs. Rha Alexander, where they were royally welcomed by Mrs. Alexander. After disposing of the contents of the baskets, a most enjoyable afternoon was spent on the lawn and lake, playing games, boating, etc.

Entertains In Honor Of Mother
Mrs. Geo. C. Hafner entertained the Misses Elizabeth and Thelma Feldman, Miss Marie Trudean and Miss Margaret Zimmerman last Thursday in honor of her mother, who has been spending some time with her.

Contest Will Show Quality Of Butter

A novel butter-making contest in which all commercial buttermakers in Michigan are invited to compete has been initiated by the bureau of dairying, State Department of Agriculture, and Michigan State College.

Each buttermaker who enters the contest tests and scores a sample of butter he has manufactured and then sends a similar sample to the official judges to be scored by them. Simon H. Hagdorn, Lansing; P. S. Lucas, and G. M. Trout, East Lansing, are the judges.

The judges report to each contestant the score made by the sample submitted and inform the buttermaker the reasons why the butter has not scored higher. The contest will be continued until the end of the year.

This will permit the buttermaker to correct errors in manufacture which reduce the score of his butter. The winner of the contest will be given the title of Michigan Master Buttermaker for 1929.

It is planned to repeat the contest to enable all buttermakers to avail themselves of the chance to have their product scored over a long period of time.

When the Scum Rises

In seasons of tumult and discord and men have most power: mental and moral excellence require peace and quietness.—Thucydides

Late Seedings Need Food To Aid Growth

The warning that late seedings of alfalfa are more subject to winter damage is made by the members of the soils department at Michigan State College who advise the use of fertilizers on seedings which have been delayed by the extremely dry weather this year.

The fertilizer should be placed in the ground to a depth of at least three inches and the soils specialists advise the use of a drill with a fertilizer attachment when it is possible to secure such a drill. The fertilizer may be sown broadcast and worked into the soil if a suitable drill can be obtained.

On sandy soils, the use of a fertilizer rich in both phosphoric acid and potash is recommended. On land where no manure has been used recently, the use of 0-20-20 or 0-14-14 analysis is advised.

Fertilizers with an analysis of 0-12-8 are satisfactory on heavier soils which are low in humus. If the heavy soil has received applications of manure within the past two years, 20 per cent superphosphate will furnish the needed additional plant food.

Alfalfa is one of the heaviest feeding crops grown on the farm and 300 pounds of fertilizer per acre will be needed to hurry along the late seedings.

A mellow well fitted seed bed will aid the alfalfa seedlings in getting well started before cold weather stops plant growth.

You Can't Beat It for Farm Work!

JOHN DEERE FARM TRACTOR

In no other tractor for your work can you get the many advantages found in this light weight, powerful John Deere.

You get ample power to do your work, with plenty of surplus to meet emergencies.

You get simplicity and strength—a tractor of fewer, sturdier parts.

You get light weight—an advantage which enables you to get into your fields under weather conditions that keep other tractors idle.

You get a tractor that's surprisingly easy to handle, both in the field and with belt machinery. All controls are easily reached from the seat.

Above all, you get economy and long life—a tractor that will work for you at a profit for many years to come.

Because it brings you all of these advantages, the John Deere is today the outstanding value in the tractor field.

This we honestly believe, but we want you, too, to know what the John Deere will do. Give us the opportunity to show you.

Do you know any car of its price that matches America's finest medium-priced automobile?

Read the chart comparing today's Oakland All-American Six with twenty other leading medium-priced cars.

Thirteen of these cars are higher-priced than Oakland. Yet despite this fact, in 1929 individual comparisons Oakland is definitely superior on 451 or 51.37 per cent. And the competing cars, all combined, are able to equal Oakland on only 384 or 43.50 per cent.

Let us show you the detailed results of these comparisons—all serving to substantiate the statement that today's Oakland All-American is America's finest medium-priced automobile.

What these features mean to you

Large piston displacement is needed to develop high power at moderate engine speed. Moderate engine speed is an important factor in the life of a car.

How Oakland compares with the field

Oakland's 228 cubic inch piston displacement is greater than 12 of the 20 cars in its price field. Of the 8 remaining cars, 7 are higher priced than Oakland.

Only Oakland and two other cars in the field offer bodies by Fisher. Fisher bodies are famous for style, luxury and roominess. In addition, they hold such advantages as sturdy composite hardwood and steel construction, VV windshield, side cowl ventilation and adjustable drivers' seats.

Only one car as low priced as Oakland has a wheelbase as long as Oakland's. That car requires a turning circle to the left of 42 feet as compared with Oakland's 36 feet. Six higher-priced cars have shorter wheelbases.

Oakland All-American Six, \$1145 to \$1275, f. o. b. Pontiac, Michigan, plus delivery charges. Spring covers and laundry hydraulic shock absorbers included in list price. Bumpers and your favorite guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobiles. Oakland's lowest delivered price includes only reasonable charges for handling and for financing when the U. S. N. A. C. Time Payment Plan is used.

ALL-AMERICAN SIX PRODUCT OF GENERAL MOTORS

Pharm—The extension of what is called the Pleasant Lake road, from corner to just west of the farm hall is nearly completed. The matter of grading was something of a disappointment to some farmers of the neighborhood, but most differences were adjusted and everybody will be glad that the highway has been improved, and hope that the work will be extended through the "hollow" and over to the Manchester-Jackson road, M-11.

Tecumseh—A barn and silo were blown down and trees were uprooted in a severe wind and rain storm which swept through this vicinity late Tuesday afternoon. The most serious damage resulted on the Margaret Langthorn farm about two miles north of here on the Newberg road, where a large barn filled with hay and farm implements was torn from its foundation and hurled to the ground.—Herald.

Question And Answer Dept.

NOTICE—If your question does not appear below, it is because it is awaiting its turn, and will be published eventually.

Ques.—I would like to know if there is a Michigan law which requires manufacturers of cement burial vaults to use any certain formula in the manufacture of their product. I will appreciate an answer in your interesting question and answer department.

Ans.—The Attorney General of Michigan says: "We are unable to find any statute which requires the use of any particular formula in the manufacture of cement cemetery vaults. The highway laws make requirements in regard to the quality and amount of cement in highway construction, but this does not apply, of course, to cemetery vaults. There seems to be no such statute so far as we have been able to find."

Ques.—Can you tell me in your question column which side of a highway a pedestrian should walk? Also whether he should step to the left or right when meeting a car?

Ans.—If there are sidewalks or a path usually used by pedestrians he should walk on the right-hand side of the highway with reference to the direction in which he is walking. If he walks on the part of the highway usually used by automobiles he should keep on the left side. When meeting a car or any other vehicle he should step to the left and off the road entirely. This is not a standardized rule, but a safe one and one that is approved by the A. A. A.

Ques.—I have always been very curious to know why Catholic clergymen and a few other clergymen wear round collars. Can you explain?

Ans.—The clerical collar, which fastens in the back, often called the Roman collar, is of modern and secular origin. It was probably adopted by the clergy of certain churches because of its simplicity.

Ques.—I have been told that no ship will sink to the bottom of the ocean because of the water pressure. Is that true?

Ans.—No. A ship that will sink below the surface will go all the way to the bottom, no matter how deep the ocean. The water pressure has nothing to do with it.

Ques.—Can you tell me what is the difference between a star route and a regular rural free delivery route? And why are they called "star" routes?

Ans.—In sparsely populated parts of the nation there are many post offices to which mail cannot be sent by railroads, steamboats or other ordinary means of transportation. Such mail is carried by independent contractors over what is known as "star" routes. A star or asterisk marks such places on the postoffice chart, and from this it is known as a "star" route postoffice. The star-route carrier contracts to carry the mail to certain postoffices regularly, safely and expeditiously, but the means of transportation is not specified. Often the mail is carried on horseback, or even on foot. In some instances the star route carrier performs the functions of a regular rural free delivery carrier by placing mail in individual boxes along the way of travel.

Ques.—Why is it easier to swim in water 100 feet deep than it is 10 feet deep?

Ans.—It isn't. The buoyancy of the swimmer is not changed by the depth of the water below him. It is just the same to swim in water 1000 feet deep as it is to swim in water 10 feet deep if all other conditions are equal.

Ques.—I have a friend who says that astronomers are not agreed about the sun, claiming that some of them say the sun does not move, and others say it does. Can you say?

Ans.—The astronomers are all agreed that the sun moves just the same as the rest of the stars. The sun moves through space at the rate of thirteen miles a second. The earth, of course, and the entire solar system move with it. In this gigantic orbit the earth is continually revolving around the sun once every twenty-four hours.

Ques.—Why is it that when a train is moving 60 miles an hour a fly can fly around in the car and yet the train never passes the fly? Also when birds are high in the heavens for hours, the earth never leaves them behind in its terrific speed around the sun? I cannot understand it. Can you answer?

Ans.—In the case of the fly it is because the air in which the fly is moving is part of the car; it is moving along with the train. It is the same with the bird. The air in which the bird is travelling is moving with the earth. This atmospheric blanket is a part of the earth.

Ques.—I wish to know if a person—man or woman—can be a citizen of any two countries at the same time?

Ans.—No. Two countries may claim a person as a citizen at the same time, but in such case his citizenship would be undecided.

Ques.—With these days of feminine fashions and fads how is a man to tell a mother from her daughter?

Ans.—Make an effort to find out which one is impudent.

Tested Herds Show Increasing Profits

Records from 77 Michigan hard improvement associations indicate that the dairy methods used by members are resulting in a marked increase in the profits from their herds, is the announcement made by members of the dairy department at Michigan State College.

Nine of these Michigan herds produced an average of 500 or more pounds of butterfat during the past year. This is five more herds of such high producing ability than were found by the testing done the preceding year.

Ninety-five herds produced between 400 and 500 pounds of butterfat per cow, and 383 herds averaged between 300 and 400 pounds. The food needed for body maintenance is not much more for a high producing cow than for a poor one, and the extra feed given to the good cow is turned into butterfat.

The dairy specialists say that profits from dairy cattle increase rapidly as the amount of butterfat produced increases. Labor costs and housing equipment needed are about the same

for the good cow and for the poor one. The nine high herds for Michigan the past year were owned by Doan Straub, Berrien county; O. J. Becker, Ingham; H. M. Atwater, Allegan; Henry Meyers, Oceana; O. O. Dunham, Berrien; J. D. Wedge, Allegan; Otto Olimore, Hillsdale; George Kasper, Menominee; and Carl Hansen, Menominee.

Norvell—The township board has granted a franchise to the Consumers Power Co., to construct a line to supply electricity to property owners in the township.

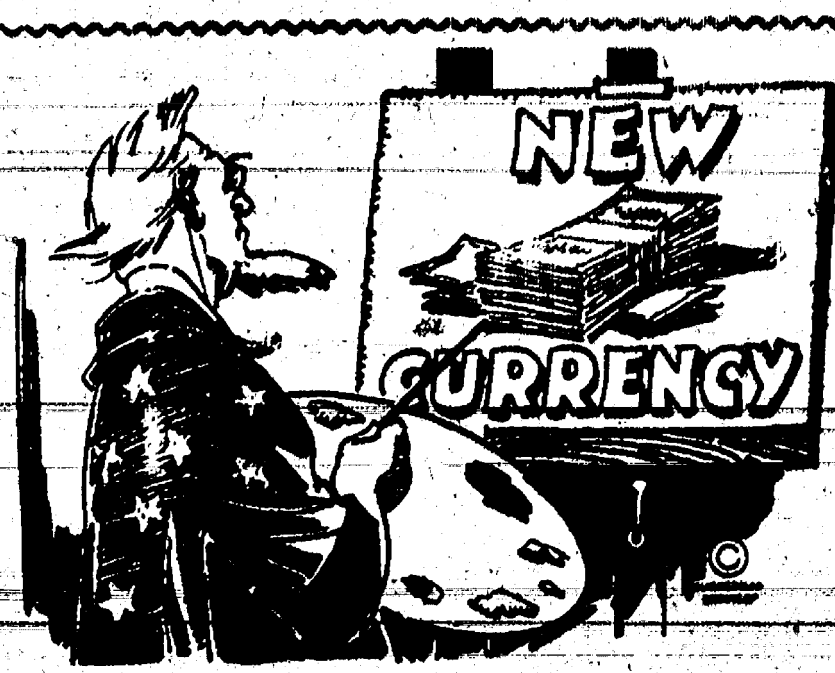

Milan—Motorists, local and transient, will have to toe the mark in Milan from now on according to the announcement of the Safety Committee and Thurlow E. Stanford, president of the village. The city fathers intend to make everyone toe the mark literally and not figuratively. According to the plans of the honorable gentlemen who form the governing body of the village, the parking lanes have been widened and plenty of space is given for parking cars easily. Drivers violating the signs will be invited to spend a few minutes with a justice of the peace.—Leader.

OUR NEIGHBORS

Plymouth—Chief of Police Springer was standing on the street the other day, when he overheard a conversation between two men, which eventually solved the mystery of the theft of sixty-five chickens on the night of August 2nd, from the home of Orano Doughtine, one-half mile north and east of Salem in Washtenaw county, and led to the arrest by Chief Springer.

er and Deputy Sheriff Frank Boyle of Salem township, of John Hall and Lloyd Hamilton of Northville; Dolph Major and Charles Chapman, both giving their residences as Detroit. There are two more implicated in the deal, according to the chief.—Mail.

Manchester—Have you noticed how nicely the bank on the east side of the pond has been graded and reinforced with cobblestones? When the bridge is finished and the mill gates closed

and water in the pond is at its usual level, you will declare that a grand improvement has been made.—Enterprise.

Croswell—The Croswell fair will be held this year on August 27 to 30, inclusive.

Saline—The sheriff's force raided a few places in York township Monday and took into custody a Mr. Backman, tenant on the Sherm Cook farm, and a Mr. Cox, on the Kelsey farm, both accused of being booze runners.—Observer.

Duckert—A cottage owned by Mrs. Barbara Tessler at Lakeland, which stood just west of the ice house caught fire and burned to the ground Monday morning. It was occupied by a party of campers who were on the lake when the fire started. The first story was of cement blocks and served as a garage. The loss is \$3,000 partially covered with insurance.—Dispatch.

Mason—Dr. George A. Moody of Mason has the distinction of being the oldest practicing veterinarian in the state and has the added distinction of being the second oldest in the United States. He is eighty-five years of age and his health has been so good that he still practices extensively. This spring and summer he has been very busy working for the state and county in bovine tuberculosis eradication work.—Mason.

Brooklyn—The Businessmen's annual picnic was held at Eagle Point, Clark Lake, Thursday. All of the business places in the village were closed for the day and as in years past the event was a success.

Brooklyn—A storm of some violence passed to the south and east of Brooklyn Tuesday afternoon. Hall shredded corn along the pike and at Wampers Lake some damage was done to cottages. The electric line there was put out of service and at one point a large tree was blown across the highway. Hearing of the storm damage, Ival Antcliff drove out to see it and accidentally crashed his Ford touring car against the fallen tree, doing no damage except to the car.—Exponent.

Dexter—Twenty-two head of cattle owned by Robert Eck were killed late Friday afternoon when struck by an engine while crossing the railroad tracks east of Dexter. Eck was driving about 100 head of cattle to his farm west of Dexter, and was attempting to get them across the track when the accident happened.

Stockbridge—The plans for the three-day Homecoming celebration to be held here August 31 and September 1 and 2 are under way and several of the attractions have been booked. Williamston—The Williamston News has been purchased by Theor A. Thompson and will be consolidated with the enterprise which is owned by the Thompson family.

Where Difficulty Lies
Quite a book might be written on the uninteresting pasts of interesting men. A sequel, more readable, could be on the interesting pasts of uninteresting men. It may be true that the inclination of the tree owes itself to some earlier twig-bending; but the difficulty lies in the fact that every twig receives so many bendings that you never know which bend will become the ultimate inclination.—Boston Herald.

THE New BUICK

The Greatest success in all Buick history

More people have purchased New Buicks during the past two weeks than in any similar period of any previous year

The New Buick with Body by Fisher has met with a veritable landslide of public demand; many purchased before ever seeing the car—many thousands of others placed their orders the first few days it was on display—other thousands have been taking demonstrations and then making Buick their choice.

More Buick owners have entered orders—more men and women who owned other cars have turned to Buick—more people who formerly paid from \$1000 to \$2000 higher for their automobiles have purchased Buicks—than

ever before during a similar period in Buick's twenty-six year history.

The total demand during these two weeks is from three to five times as great as that for any other automobile priced above \$1200.

Popularity so overwhelming carries an unmistakable message to every prospective motor car buyer: See the new Buick—drive it—compare it—and you'll quickly discover that it's the greatest dollar-for-dollar value in the entire quality field.

Enter Grain Fields

For Special Prizes

The Ira Butterfield Memorial prizes for high grain yields, which are offered at the Michigan State Fair for crops of wheat, oats, and barley grown in the State this year, are already attracting entries from grain producers, according to members of the farm crops department at Michigan State College who will assist in judging this year.

Both quality and quantity count in this contest. Production records for at least five acres of any one of the grains are required to enter the contest. A peak sample of the grain is also for exhibit.

Prizes are awarded on the basis of the gross value of the grain per acre. The value is determined by the worth of the grain for feed or milling purposes, and hand picked or cleaning samples to be exhibited will not increase their chances of winning.

Contestants competed in this class for the first time last year and proved Michigan still produces excellent crops of grain, and that proper handling of the soil and the crop enables grower to produce yields which are not exceeded in quantity or quality by those grown by pioneers on old soils.

This contest was begun as a memorial to the late Ira H. Butterfield, who was intensely interested in all means of calling attention to the agricultural wealth of Michigan.

3-Window Fordor

Latest Ford Car

"The new three-window type Fordor Sedan is proving to be a popular family car because of its pleasing appearance and simplicity," said L. G. Palmer, local Ford dealer.

"The car has created considerable comment wherever exhibited. In exterior appearance it is similar to the Town Sedan, long, low and straight, with French roof quarters and belt molding running back from the radiator around the body.

"The interior is very attractively finished. The plain style of trimming is in exceedingly good taste and heightens the feeling of luxurious comfort afforded by the wide, deeply cushioned seats, upholstered in lounge effect. The trimming is in durable woven cloth.

"The front seat is exceptionally comfortable, which is particularly appreciated on long trips. And it is adjustable to suit the convenience of the driver, being quickly moved either forward or backward. Three persons may be accommodated easily in the rear seat.

"Also, this is an ideal car for the family of four or five, or a smaller family that delights in trips accompanied by friends. For the quick run to town, shopping, theatre-going, or other errands, the Fordor, like the other Model A types, means easy handling, quick get-away, and inexpensive driving."

"An ordinance relative to the building, alteration, management, control and use of a sanitary sewer system and disposal plant within the village limits.

The Village of Chelsea Ordains:

Sec. 1. The council shall have supervision and control over the erection, use, connections with, management of, and over all rules relative to disposal of municipal and domestic wastes in all sanitary sewer lines and disposal plants now or hereafter to be constructed or operated within the village limits, together with the right to make such additions for alterations, rules and regulations with regards to said sanitary sewer system and disposal plant which said council shall deem necessary to protect the health of individuals or of the public generally.

Sec. 2. That said sanitary sewer system and disposal plant shall be used only for disposal of the liquid and solid wastes, domestic sewage and night soil of such municipality, and that no surface or storm water, overflow from cisterns and water from drains into said system.

Sec. 3. That all connections with said sanitary sewer system shall be made by, under the directions and according to rules, plans and specifications furnished by such municipality or through its duly authorized agents.

Sec. 4. That said council have the right, by resolutions, to pass such rules or further rules and regulations in regard to the use and regulation of said sanitary sewer system, which said council may deem necessary, and may appoint, designate or hire a sewer inspector, builder or superintendent to carry out its rules and regulations herein or hereafter passed.

Sec. 5. Any person, firm or corporation who refuses or neglects to carry out any rules, regulations and supervision hereby or that hereafter may be made by such municipality for the use of said system, and who uses said sewer system contrary to such rules and regulations, shall be deemed guilty of a misdemeanor, and upon conviction thereof before any competent court shall be fined not exceeding one hundred dollars, or imprisonment not exceeding ninety days, or both such fine and imprisonment in the discretion of the court.

Sec. 6. This ordinance to be in force and effect from and after twenty days after its passage and after its publication.

CHURCH CIRCLES

METHODIST EPISCOPAL
Rev. Fred I. Walker, pastor.
We wish to express our appreciation of the rear treat given our people last Sunday morning by Miss Mildred Daniels in her most interesting story of her recent visit to Palestine. All who failed to hear her missed a rare privilege indeed.

The pastor's sermon topic for next Sunday morning will be, "Highways and Byways."

The Sunday school will meet at 11:15.

A cordial invitation is extended to all.

SALAM METHODIST EPISCOPAL
Near Francisco, Mich.
Rev. P. Ross, Pastor.
Sunday, August 25—
Sunday school at 9 a. m.
Morning worship at 11:15. Read Psalm 84.
Our Annual Conference will convene in Evansville, Ind., on September 4.

LIMA CENTER CHURCH
A. E. Kurth, Minister.
9:30—Morning worship. Rev. Otto Kuechel of Pontiac, Michigan will preach the sermon of the morning.

10:30—Sunday school.
7:30—Pictures of the Holy Land. Rev. Edgar S. Faust, pastor of Grand River Ave. Evangelical church, Detroit has recently toured the Holy Land and will show pictures which were taken by himself of points of interest there. These are exceedingly fine pictures and with the address which Rev. Faust will give accompanying the pictures, this evening service should be highly instructive and inspirational. The public is cordially invited.

Attend Anniversary Celebration
Mr. and Mrs. George Koenigster, Mr. and Mrs. Arthur Koenigster, Mr. and Mrs. William Bahmiller and Mr. and Mrs. Emanuel Bollinger were in Blissfield Sunday in attendance at a meeting of the county Lutheran churches, celebrating the 400th anniversary of the publication of the Lutheran catechism. An interesting program was given.

Hold Family Picnic
Mr. and Mrs. William Atkinson, with their children and grand children, held a family picnic Sunday at Wampler's Lake, in celebration of the birthday anniversary of Mrs. Atkinson. Those attending were Mr. and Mrs. Harry Love of Jackson, Mrs. Mildred Miller of Detroit and Mr. and Mrs. Louisa Atter and family of Sharon.

Motorists Favor Travel in Canada

Letters on file with the Auto-Owners touring bureau at Lansing throw a sidelight on the alleged mistreatment of tourists in Canada as recently reported in news dispatches, according to L. G. Palmer, local agent of the Auto-Owners insurance company.

"On the many letters received by this bureau all express entire satisfaction with the routings furnished and not one mentions a single instance of discourteous treatment at the hands of Canadian officials, although 90 per cent of eastern tourist traffic has been routed by the bureau through Ontario and other parts of Canada."

"It seems a little far-fetched that this alleged mistreatment of motorists is actually a fact," said Charles H. Barber, advertising manager of the Auto-Owners company. "We have been virtually flooded with the finest tourists' information obtainable by both Canadian publicity organization and government officials in response to our application; and this material has been made available to our policy-holders and the motoring public through the touring bureau."
