All Ford Models On Display At Palmer's

Palmer Motor Sales, local Ford agency, announce a Fall Auto Show, to be held in their garage from October 16 to 26. This is the first time all models of the Model A Ford cars have been on display in the show rooms of the local agency at one time.

The models on display include three sedan models: Town Sedan, Three Window Sedan and Tudor Sedan; four coupe models: Sport Coupe, Cabriolet, Business Coupe and Standard Coupe; Sport Roadster; Pick-up and Two-Ton Truck.

The garage has been especially decorated for the show, which opened last evening, and everybody is cordially invited to attend the display. Special music is being furnished by the agency and souvenirs are being given those who attend.

Mr. Palmer reports a steadily increasing demand for Ford automobiles in this vicinity, his sales for the year being very satisfactory, and he expects that the showing of all models will further increase the demand for fall delivery of cars.

Artist Is Honored At Farewell Party

Honoring Carl Arthur Paille, artist, who has been painting at different points in this vicinity since last February, a number of his friends from Chelsea gathered at his cottage on the Lindley farm in Lyndon last Friday evening for a farewell party.

The evening was cool and damp, and a glowing fire in the huge fireplace in the cottage added greatly to the comfort and congeniality of the party who had gathered there to spend the evening. The fire was allowed to burn down to a glowing bed of coals and then the real feature of the evening was on—a weiner and marshmallow roast, with all the trimmings. Needless to say, the entire party did justice to the delicacies set before them.

Following the meal the floor in the spacious living room was cleared, the Victrola tuned up and dancing, both old time and modern, was enjoyed by everyone. At intervals between dances the party would gather about their host who entertained with tales of the experiences he encountered during his climb to the fame he has achieved for himself in his chosen work.

Mr. Paille left Saturday morning for Indianapolis, Pittsburgh and New York City where he will transact business in connection with the exhibition of his paintings. Returning to Indiana from New York he will do some painting in that state before going to his home in San Diego, California for the winter.

Haselwerdt To Sell Graham-Paige Cars

Graham-Paige Motors Corporation, of Detroit, this week announced the appointment of J. W. Haselwerdt as local dealer for their line of motor cars in this vicinity.

The Graham-Paige line of motor cars, manufactured by the three Graham brothers, pioneer automobile manufacturers, has gained wide popularity and it is expected the motor buying public of Chelsea and vicinity will be pleased to learn of the establishment of a local sales agency for this line of cars.

Mr. Haselwerdt has been in the automobile sales business here for several years, is well acquainted with the local situation and the Graham-Paige company feel very fortunate in securing him for their local representative.

New 1930 models are now on display at the Haselwerdt show rooms and Mr. Haselwerdt extends an invitation to the public to call and inspect them.

MRS. E. K. WHITE

Mrs. E. K. White of Marion, Ind., passed away suddenly at the home of her daughter, Mrs. H. S. Holmes of Chelsea, Sunday morning, October 13, 1929, while she and Mr. White were visiting their daughter.

Mrs. White was the daughter of John C. and Mary Nicol and was born in Marysville, Ohio, on November 21, 1861. She was married to Mr. White on April 27, 1885. Of this union two daughters were born, Estelle White of Marion, Indiana, and Mrs. H. S. Holmes of Chelsea.

Funeral services were held at the home of Mrs. White's brother, A. C. Nicol in Troy, Ohio, on Tuesday afternoon and interment was made in Wood Hill cemetery, Franklin, Ohio.

MILK PRODUCERS MEET

A meeting of the Milk Producers' Association of Chelsea and vicinity was held Tuesday evening at Sylvan town hall. Officers were elected as follows:

President—Harry Knickerbocker. Vice President—Geo. K. Chapman. Secretary—Roy Ives. Delegates to annual meeting at East Lansing—E. O. Outwater, Edw. Grubbs, Joseph Juergens.

WOMAN KILLED WHEN TRAIN STRIKES AUTO AT NOTTEN CROSSING

Other Occupants Injured When Fast Train Crashes Into Car; Were Returning To Jackson.

Mrs. Sarah Ophelia Owen, aged 77, of Muskegon, was instantly killed and her daughter, Mrs. William Stocking, of 709 West Franklin St., Jackson, sustained serious injuries Sunday afternoon when the automobile in which they were riding was struck by passenger train No. 8 at the Notten crossing of the Michigan Central railroad, about six miles west of Chelsea.

The accident occurred about 4:30, as Mr. and Mrs. Stocking and the latter's mother were en route to Jackson from their summer home at Cavanaugh Lake. After waiting for a west bound train to pass, they drove onto the tracks directly in front of the east bound train. Mrs. Owen, who was sitting in the rear seat, was thrown 150 feet from the scene of the crash.

Mrs. Stocking's right leg was fractured and she suffered internal injuries. Mr. Stocking received cuts about the face. They were taken to Mercy hospital, Jackson. The body of Mrs. Owen was brought to Staffan's funeral home, and was later taken to Carson City for funeral services and burial. Besides her daughter, Mrs. Stocking, Mrs. Owen is survived by another daughter, Mrs. Grace Risk of Muskegon, and a son, Ray B. Owen of Carson City.

This is the second fatal accident at the Notten road crossing in the last two years, the late Mrs. E. J. Notten having lost her life in a similar accident there during the summer of 1927. It has been reported that the Michigan Central is making plans to erect a warning signal at this point in an effort to avoid further accidents at this dangerous crossing.

Christian Endeavor To Hold Banquet

The fourth annual Christian Endeavor banquet will be held at the Congregational church Friday evening. The Endeavor will entertain the high school faculty and the high school football team.

Rev. Allison Ray-Heaps of Ann Arbor will give an illustrated talk. Rev. Heaps entertained the Kiwanis club one evening last winter, and the Kiwanians voted it one of the season's finest attractions.

The Congregational Brotherhood is sponsoring the banquet.

S. P. I. Elects Officers At Monday Meeting

The S. P. I. was entertained Monday evening at the home of Mrs. Lester Winans. A miscellaneous program was given after which officers for the ensuing year were elected as follows: President—Miss Lillie Wackenhut. Vice president—Mrs. Ray Schröder. Recording Secretary—Mrs. Faye Palmer. Corresponding Secretary—Mrs. Lester Winans. Treasurer—Mrs. Julius Strieterv.

TO THE PEOPLE OF CHELSEA

As there are quite a number of cases of chicken pox in the village, the village board of health request that the citizens of the village assist the board of health by reporting known or suspected cases of chicken pox to the health officer so that necessary steps can be taken to stop the spread of this disease.

The laws of the State of Michigan make it mandatory that any contagious disease must be reported to the health officer, and in the case where no physician is employed it is the duty of the parent or guardian to make such a report of known or suspected cases.

People who fail to do this are subject to prosecution. The board of health of Chelsea feels that the citizens will co-operate without recourse to the law.

The Village Board of Health.

TO GIVE RECITAL

The pupils and rhythmic orchestra of Mrs. P. M. Broesamle of Chelsea and vicinity will be heard in a recital at the Methodist church, Friday evening, October 18, at 7:30 o'clock.

The pupils and orchestra of Grass Lake and vicinity will be heard one week later, October 25 at the Grass Lake Methodist church at 7:30 o'clock.

CELEBRATE ANNIVERSARY

Mr. and Mrs. Elmer J. Weinberg celebrated their silver wedding anniversary last Sunday by having dinner in Detroit. Mr. and Mrs. Weinberg were remembered by their friends with many gifts of silver.

County Officers Make Reports To Supervisors

Reports of county officers were the special matters of business listed on the program of the board of supervisors which opened its annual fall meeting in the county building Monday.

After hearing the report of County Clerk Clarence L. Pray, Monday morning and transacting several matters of miscellaneous business, the board adjourned at noon until 1:30 when reports of John S. Cummings, register of deeds; Frank H. Ticknor, county treasurer; and Clayton E. Deake, drain commissioner, were scheduled to be heard.

The county clerk reported that his department has collected \$21,992.47 during the past year, a large part of which was costs assessed in circuit court. This item amounted to \$9,570. Other large items listed in the report were law and chancery entry fees which amounted to \$2,663; hunting licenses, \$5,942.75; decree fees, \$441 and judgment fees, \$317. Miscellaneous items accounted for the remainder of the amount collected.

The board this morning also accepted the invitation of the superintendents of the poor to take dinner Thursday noon at the county infirmary. This visit will afford the board an opportunity to inspect the part of the infirmary which has been remodeled to provide a place for the care of indigent persons who have reached the convalescent stage after treatment in University hospital.

The board appropriated \$1,000 for the Michigan Children's Aid society and listened to the report of the jail inspectors before adjournment.

Celebrate Silver Wedding Anniversary

About 65 guests assembled Sunday at the Holden farm in Sharon township as a surprise for Mr. and Mrs. Ashley Holden of Detroit in celebration of their twenty-fifth wedding anniversary.

A spot lunch dinner was served at one o'clock and the honor guests were presented with several pieces of silver and a purse of money in remembrance of the occasion.

Guests were present from Detroit, Woodland, Munith, Ann Arbor, Waterloo and Chelsea. Those attending from here were Mr. and Mrs. Henry Musbach, Mr. and Mrs. W. K. Guerin, Mr. and Mrs. Millard Harvey and Mr. and Mrs. Ray Whipple.

Enjoyable Party Held At Clear Lake Lodge

Alvin H. Pommerening entertained at a most enjoyable dinner Thursday evening at his summer home, Clear Lake Lodge, with Max Blaes, Arch Wilson and J. Edgar Dwyer assisting as hosts.

Following the repast, cards furnished the diversion for the evening, while a musical program given by Melody Singers, a double male quartet with male chorists contributed to the entertainment.

The guests included Wm. Pommerening, Julius H. Niehaus, Dr. Sam Donaldson, Fred Hadley, Ernest Gaviner, Dr. A. D. Wickett, Dr. Sidney La Fèvre, Otto Pommerening, Karl Kern, Will Marsh, George McCallen and Dr. Ralph F. Sommer of Ann Arbor; Paul G. Schaible and Paul F. Niehaus of Chelsea.

MRS. EDWARD GORMAN

Catherine Gorman died at her home in Detroit, Saturday, October 12, 1929, after a lingering illness.

Mrs. Gorman was about 86 years old and was the daughter of Thomas and Rose Young Clark. She was married to Mr. Gorman in 1870 and they lived in Lyndon township until 1906 when they moved to Detroit. Mr. Gorman died May 7, 1920.

Mrs. Gorman is survived by six children: George of Chelsea, Thomas of Timber Lake, South Dakota, Mrs. Edith Chase of San Francisco, Mary, Walter E. and James of Detroit, several grandchildren and one sister, Mrs. Anna Whitaker of Chelsea.

Funeral services were held Tuesday morning at nine o'clock from Jesuit church, and interment was in Mt. Olivet cemetery, Detroit.

ASSOCIATION TO MEET

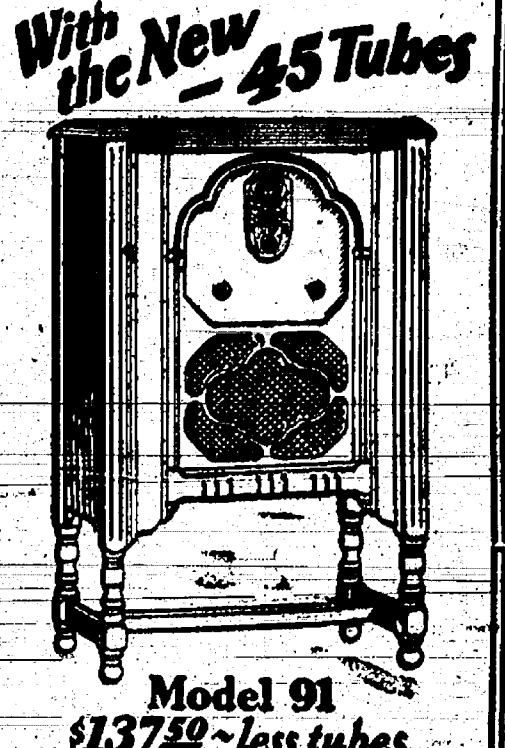

The Jackson Association of Congregational churches will meet Tuesday, October 22, at the Plymouth Congregational church, Jackson. Rev. A. E. Potts, pastor of the local Congregational church, is Moderator, and will deliver an address, taking for his subject, "That I May Save Some."

VISITING MOTHER HERE

Fred Ahnemiller of Los Angeles, California, arrived here Friday to visit his mother, Mrs. G. Ahnemiller, who celebrated the 87th anniversary of her birth on that day. Mrs. Ahnemiller makes her home with her son, Henry and family.

Test Shows Dairy 20 an Economical Feed

Of far reaching importance to the farmers and dairy-men of this community is the announcement published two weeks ago of the results of the competitive feeding test conducted by F. W. Schaffer at his dairy farm near Grass Lake.

The results of this test prove conclusively that "Dairy 20," manufactured by the Grass Lake Farmers Elevator Co., is not only well balanced, but the most economic feed you can buy for your cattle.

Why experiment with other feeds when you can buy "Dairy 20" right here at home and know that you cannot buy a better feed at even a higher price.

CHELSEA, MICH.

WHEN BETTER AUTOMOBILES ARE BUILT

BUICK WILL BUILD THEM

The Marquette is sweeping to nationwide success with an array of features that distinguish it at once as the most outstanding value in the moderate-price field.

BUILT BY BUICK—The Marquette alone in its class can offer the priceless advantages of Buick engineering, Buick craftsmanship and countrywide Buick service facilities.

PERFORMANCE—Brilliant pick-up—to 100 miles an hour in 31 seconds—dashing speed—60 or 70 honest miles an hour—and a wonderful fund of smooth, flexible power!

PISTON DISPLACEMENT—The marvelous power plant has a larger piston displacement (218.8 cubic inches) than any car at its price!

ECONOMY—Even with larger piston displacement, this remarkable engine operates in the normal driving range with appreciably lower fuel consumption! Tire mileage is phenomenal. Service needs are at an absolute minimum.

COMPLETENESS—Throughout the Marquette you will find a full complement of the best features. Nothing but the very best has been good enough!

ROADABILITY—So perfect are its noise and balance that, at every speed, riding qualities and roadability are amazingly superior to those of many cars of much higher price!

UPHOLSTERY—The Marquette stands in the moderate-price class is upholstered with a wonderful new water-proof, dust-proof, wear-proof material.

INDURANCE—Built-built cars are famous for sturdiness. The Marquette delivers many thousands of miles of brilliant, uninterrupted service over every kind of road.

EXTRA VALUES—Buick's immense resources and great facilities provide in the Marquette extra goodness in every part—extra snap and sparkle in performance—extra value, unapproached at the price.

STYLE—The Marquette is as distinguished in appearance as in performance. Its hand-tailored bodies by Fisher challenge comparison with the smartest cars on the road!

See the Marquette. Take the wheel and discover performance that knows no rival in the moderate-price field!

Dexter—The Forty Hours devotion will begin in St. Joseph's church with solemn mass on Sunday, October 20th, at 10 o'clock. The services will be concluded on Tuesday evening, October 22nd. The Rev. William H. Reintjes, C. S. R. of Holy Redeemer church, Detroit, will be in charge.—**Leader.**

Howell—St. Joseph's parish of Howell is making plans for a large bazaar and fair to be held Friday and Saturday afternoons and evenings, November 15 and 16, at the Knights of Columbus club rooms.

Saline—Nearly fifteen hundred people were attracted to the airport near the pumping station in Pittsfield, Sunday afternoon, to witness a 2,000 feet parachute drop from an airplane by an aviation student from the University. Regardless of the strong wind which was blowing, both the ascent and drop were perfect. Some excitement was manifest when he made the jump from the plane as his chute did not open until he had descended about 1,500 feet.—**Observer.**

Mason—Theft of a sheaf of six signed checks has already cost the Producers Elevator company of Williamston \$344.00 and the other five checks have not as yet been accounted for. A check was cashed by the Holt State bank several days ago when presented by a man who gave his name as Frank Beach. The check was properly signed by Joe Glaser, manager of the elevator company. Mr. Glaser recalls having signed six checks in blank but did not know that the six checks were stolen until the check for \$344.00 was returned to him.—**News.**

Brooklyn—State police are trying to aid farmers in the protection of their crops from pilage. Frano Osage of Toledo was arrested Sunday by members of the Tipton post on charge of stealing walnuts from a farm. He deposited \$10 with the officers for his appearance in local court.—**Exponent.**

Brooklyn—Of a big bunch of carrier pigeons recently turned loose at Adrian by Detroit fanciers, not all have apparently returned to the city. One of the birds was picked up last week by Chas. T. Greene and encouraged by good treatment stayed around for several days. Another came to the home of Dick Knapp at Stony Lake and likes the place well enough to stay. The birds are so tame that anyone can pick them up. In fact they are too tame for wily country cats which will probably be their end.—**Exponent.**

Pineknay—One day last week when some St. Vincent children who are staying with Louis Shehan were out for a walk, they found a Peerless sedan in a barn on the old Quinn farm which is off M-40 just north of the Whitcomb cemetery, about two miles from Pineknay. This farm is on a cross road which is so overgrown with brush as to be almost impassible. The farm has been uninhabited for the last ten years. The car was minus two tires and license plates but was nearly new. It had apparently been in the barn for a week or more. One end of the barn had been removed to admit the car and then replaced. The sheriff's office was notified and will endeavor to find the owner by means of the engine number.—**Dispatch.**

Brighton—Real estate loans in Livingston county totalled \$32,622.00 during the month of September, according to figures compiled by Register of Deeds Frank D. Bush. The September total was approximately 77 per cent of the preceding month when loans totalled \$41,815.00. Loans for the month were divided as follows: by individuals, \$20,022.00; by banks, \$12,600.00. The mortgage tax received by County Treasurer Clara F. Burden during September amounted to \$268.56.—**Argus.**

Grass Lake—The installing of the two new signal lights at the railroad crossing was completed Monday. They are said to be the first of their kind installed. They stand on large cement abutments striped black and white. At the top is the usual white cross bearing the words "Railroad Crossing" in black letters. Four horizontal red lights bearing the word "stop" light at the approach of a train. On either side are the two red lights which flash off and on. Just above the abutment is a small red light that burns continually.—**News.**

TUNING IN

On a Perfect Meal...

Just a turn of the dial to the exact temperature desired—it's as simple as getting a station on the radio.

No longer need you stand over a hot stove, guessing, testing with straws, looking into the oven at worried intervals, only to have your hopes collapse with the sound of a slamming door. Simply regulate your oven heat and banish the thought of baking from your mind. The heat will be automatically cut off when it's finished.

Yes, it's as easy as that when you have one of the modern gas ranges equipped with oven heat control. You will be amazed at the excellent results obtained, and the enormous saving in time and energy.

Let us tell you about our convenient payment plan. Call or phone.

Improvements in Telephone Service

EVERY effort of the Michigan Bell Telephone Company is being made toward constantly improving telephone service with the result that:

1. During 1928, operating errors were materially reduced.
2. The average time for handling calls to out-of-town points has been reduced.
3. The great majority of all Long Distance calls are handled while the calling party "holds the line."
4. Clearness of voice transmission, over both local and long distance lines, is improving continually.

This company always will endeavor to provide for Michigan a more efficient telephone service and one more and more free from imperfections and delay.

Our policy—"To continue to furnish the best possible telephone service at the lowest cost consistent with financial safety".

Clear The Field For "The Flying Fool"

Clear the field for "The Flying Fool!" He will slide slip into the Princess Theatre on Wednesday and Thursday, October 23-24 for a series of dramatic loops and tail spins. It is none other than William Boyd, Pathe star, in a thrilling air drama. "The Flying Fool" is a comedy drama dealing with the exploits of a dare-devil stunt flyer whose principal weakness is women. "Pursuing" his policy to "find 'em, fool 'em and lose 'em," Boyd mixes his shells between the ladies and the air and pursues his heavy, reckless way until his kid brother falls for a cabaret singer. The kid thinks she is the most won-

SCHOOL NOTES

It is a real pleasure for school kids to know when Tuesday rolls 'round that there is something in store for them. Chapel period is one time when everybody can use their voices to the full extent, meaning that a few selections were rendered by the assembly. Miss Cornman read to us from the Scripture and Mahlon Dunkel had brought his Cine Kodak to show us more of the scenery pictures taken during his recent trip West. We enjoyed them immensely.

Dundee vs. Chelsea, Friday, Oct. 11—Dundee kicked off to Chelsea. Chelsea took the ball on their 35 yard line and returned it 30 yards. Then with a series of off-tackle plays and end runs made a touchdown in the first three minutes of play and then placed the ball for the extra point.

Chelsea then kicked off to Dundee and after failing to gain, Dundee punted from their 40 yard line to Chelsea's 20 yard line where the ball was downed. After making two first downs, then with inches to get a fourth down, Chelsea punted to Dundee on their 10 yard line. After one line play they punted to Chelsea and the ball remained in their possession at the end of the first quarter.

The second quarter again showed the power of the Chelsea backs behind a fast charging line. After a series of line plays, Chelsea scored another touchdown by a brilliant end run. Chelsea again tallied another point after touch-down. The half ended with the ball far down in Dundee territory. Chelsea kicked off to Dundee who played better ball in the last half but were unable to get through our wonderful line. Largely due to this line the Chelsea boys gained another touch-down in the third quarter again followed by a point after touch-down.

With a 21-0 lead the coach in order to give the subs a chance and save his material for a hard game with Saline this week, made many substitutions. In the final quarter with a team made up of mostly subs the Dundee team put all they had into the game and by completing two passes and a brilliant end run by their quarterback scored a touchdown. Their try for extra point failed and Chelsea's splendid spirit held them to that one touch-down the rest of the game. They were really a very hard-fighting team, but Chelsea had the right spirit and won the game.

Michigan Happenings

Belief that the University of Michigan will play before six capacity crowds was in evidence at ticket headquarters at Ann Arbor when it was announced that all but box seats had been sold for the Ohio State game. If this happens, Michigan will end the season by appearing before just a half million people. Sell-outs for the next five games are assured with the Iowa game the only one still in doubt. Granting a sell-out for the Iowa game, Michigan's attendance for the year will be 561,260.

Mrs. Anna Parker, Kalamazoo laundress, is sadder, wiser and poorer to day. Mrs. Parker withdrew \$262, her lifetime savings, from the bank, wrapped it in a newspaper, and had a religious worker from Joliet mumble some magic words over the parcel. She was told not to open the package for several days and she would be some successful immediately. Upon opening the parcel she found her money had "magically" disappeared. Her advisor is sought.

Elfish H. Watkins of Lincoln, Ill., took his first train ride when he and his wife came to Dearborn, to take up their residence in a home provided by Henry Ford. Mr. and Mrs. Watkins for many years lived in the old Potomac Courthouse at Lincoln, Ill., and when Ford purchased this building and had it shipped to Dearborn for reassembling as part of his "American Village," he provided a new home, near the former landmark, for the old couple.

The order issued by the State Conservation Commission at Lansing last month prohibiting the hunting of pheasants before noon of Oct. 25 was rescinded by the commission. All the members of which acknowledged that the original order never should have been issued. All of the printed literature that has been distributed, including 400,000 game-law digest, carry the 12 o'clock prohibition. This is now invalidated by the new order.

Oakland county led all other communities in July in the number of game and fish law violations. There were 97 prosecutions with 100 per cent conviction. Most of them were for taking undersized fish from inland lakes. Five hunters in other sections of the State had their rifles and shotguns confiscated for carrying them in same cover without a permit.

Saginaw's new water plant, just completed at a cost of approximately \$2,500,000, will be dedicated Armistice Day. It has been decided by the council. The Saginaw American Legion Post, which participated in the ceremonies on Armistice Day three years ago, when the first earth was turned for the new plant, will have charge of the dedication ceremonies.

Figures for traffic passing the Soo canal at Sault Ste. Marie in September show that this year's business is 12,304,357 tons more than for the period to October 1, 1928. A total of 73,974,614 tons of freight has passed the locks there so far this year. Last year the tonnage for the same period was 61,670,257. An all-time record is anticipated this year.

Word has been received at Manton that Lawrence P. Briggs, consul at Neuquén, Cuba, has been transferred to Bahia, Brazil. Consul Briggs is a native of Michigan, having been born at Manton. He was superintendent of public schools at Grand Marais and St. Ignace prior to his graduation from the University of Michigan in 1908.

Mrs. A. Stauffer, of Whitehall, was injured fatally when she was knocked by a train from a railroad trestle, between Whitehall and Montague, into the White River. Members of the train crew pulled her from the river but she died soon afterward. Her grandson, who was walking on the trestle with her, was injured slightly.

The State is entering its annual poverty-stricken period, according to O. B. Fuller, auditor-general at Lansing. Bills totaling more than \$500,000 are on file and some of them will not be paid until the general fund has been replenished. The tight financial condition is usual in the late months of the year. The State property tax does not start to come in until after Jan. 1. During the period preceding the collection of levy the general fund must depend largely upon fees and other comparatively small sources of income.

Standing at the corner of Church and South Main street in Adrian, waiting for traffic to pass, Arnold Schopp, a newboy, 12 years old, was dragged more than a block when his paper sack caught in the bumper of a car driven by Victor Kelp. Unaware of the boy caught on the bumper, Kelp was overtaken by Clarence Cole, Madison township, and the car was stopped. An examination showed no bones broken but the youngster was badly bruised about the body and suffered abrasions on the knees.

A burglar alarm that awakened the village at 5 a. m. frustrated an attempt to rob the Augusta State Bank at Augusta, 17 miles northwest of Kalamazoo. The yegs, who were believed to have planned to blow the safe, fled before Town Marshal James Gerardo and villagers who rushed the scene. Gerardo and Charles McLean, cashier of the bank, found the telephone wire had been cut by the bank robbers and that an attempt also had been made to cut the alarm wires.

News of Dr. Alexander C. Rutten's selection as president of the University of Michigan at Ann Arbor penetrated the wilds of Yunnan. It was learned, when the new executive received a telegram of congratulations from Dr. E. V. Kilder, in charge of the Carnegie Institute's expedition there. Dr. Kilder learned of the appointment while flying over the Caribbean Sea, when he tuned in his radio set on American news dispatches. He is a close friend of Doctor Rutten.

All real estate and rolling stock of the Detroit, Jackson and Chicago Electric Railway, which recently suspended operations between Detroit and Jackson, will be sold at auction at the waiting room of the company in Ann Arbor, Oct. 31, according to an announcement by John F. Collins, Jackson, the receiver. The company operated a passenger and freight business over its 80 miles of track for more than 50 years.

With fresh water clam shells bringing 15¢ a ton, the highest price in years, Michigan clam diggers face a prosperous season, but for some reason there are a smaller number of diggers now operating in our southern counties than in years past. Many of the operators claim that clams are getting scarce in the creeks and rivers and that it hardly pays, even at the present high price, to devote time to the industry.

Anna Bentler, 63, and Jared K. Quantrell, 70, childhood sweethearts, are to be married, it was announced in New Buffalo. The bride-to-be is a spinster who has conducted a millinery and dry goods store in New Buffalo for 31 years. Quantrell is a widower. He left New Buffalo 26 years ago and won a comfortable fortune in Alhambra, Cal. New Buffalo is in Berrien county, near St. Joseph.

Although their sedan was wrecked, Mr. and Mrs. Ansel Doud, of Perry, escaped serious injury when their car was struck by a Michigan Central train in Owosso. Witnesses said Doud drove onto the tracks as the gates were being lowered and then stopped in the middle of the track.

The village of Colon possesses an albino sparrow. This is a rarity among the horde of English sparrows that infest the State for the little dusky-coated household visitor seldom reverts to pink eyes and white feathers. It was seen on the streets by Jay Groton, a local barber.

Ant Eats Buildings As Mere Appetizer

The old-time unwelcome guest who was accused of eating his host of house and home now has his record dimmed by the northern white ant which will not only eat houses but has sometimes satisfied its appetite by attacking warehouses and public buildings in Michigan, according to the statement of the entomologists at Michigan State College.

This insect is too lazy to walk to houses or other buildings for its meals and waits till its unsuspecting host carries cornstarch or wood in which it is concealed to the house or barn. Usually, the presence of the ant in the buildings is not suspected until the winged form begins to fly around the basements in late winter or early spring. An inspection of the building will then show where the ants have eaten tunnels in the sill and wood-work.

It is necessary to take immediate measures to control this insect when it once has become established in a building. Liberal amounts of kerosene applied in the nests and in places where the ants are working will kill them.

Several doses of the kerosene will probably be needed to completely rout the insects. Circular bulletin number 83 issued by Michigan State College describes this pest and gives more detailed instructions for its control.

Manchester—The old Erie & Kalamazoo Railroad which in 1886 was completed from Toledo to Adrian, being the first railroad to operate west of Schenectady, N. Y., and is owned by the N. Y. C. held its annual meeting at Adrian, Monday, October 7, and Richard A. Bury, of Ann Arbor, a former Adrian boy, was elected a director in place of Jas. A. McDonald of New York City, deceased. Question And Answer Dept.

Ques.—I am going to a reception. Should I wear white gloves only?

Ans.—If you do you'll probably be arrested.

Ques.—I would like to ask in your interesting question and answer column if Oliver Goldsmith was a Jew. If not, will you please answer what nationality he was?

Ans.—Oliver Goldsmith was not a Jew. He was an Irishman. His birthplace is not known for certain, other than he was born in Ireland. According to the most authentic data we can get, it is probable that he was born at Alphin, Roscommon, Ireland, in 1728.

Ques.—I have sold my radio, but the buyer said he did not want the car. Can you tell me how I can dispose of them?

Ans.—We advise you to keep them;

you could put them on to keep from hearing the neighbors' radio.

Ques.—I would like to know if a "nation" is the same as an "empire," kingdom or republic?

Ans.—A "nation" is an aggregate of individual citizens bound together in an equal and common relation to the state to which they belong. An "empire" is an aggregate of political bodies bound together by a common relation to a central state. A "kingdom" is a government of peoples whose head is a king or queen. A "republic" is a government of peoples whose head is elected by a vote of its citizens, and who have no allegiance to any other country.

Ques.—I wish to ask if a citizen of the United States becomes a citizen of Canada can he afterward become a citizen of the United States.

Ans.—A United States citizen who gives up his citizenship to become a citizen of Canada may subsequently rejoin the United States on the same terms as any other Canadian.

Ques.—Will you please state in your question department the origin of the

gypsies and what language do they speak?

Ans.—It is not known for certain the origin of the gypsy tribe. They first appeared in Europe about four centuries ago and they said they were from Lower Egypt. Therefore, they were called "gypsies," which is a corruption of "Egyptian." The language of the original "gypsies" indicates that they are related to the people of India and it is probable that they originally came from that country. The language of the present-day gypsies is made up of many dialects, dependent upon where they hail from. These dialects are so diversified that the various tribes can scarcely understand each other. All of it, however, has a smattering of the language spoken by the people of India.

Ques.—Is it true that the government has any kind of scheme or device to make it rain?

Ans.—No. Artificial "rain-making" is impossible. However, in the laboratory a small amount of moisture can be precipitated by using special equipment, but there is no scheme for producing rain in the sense we understand it. Drouth is due to lack of moisture in the atmosphere and the absence of other conditions essential to the formation of rain. If there is no moisture on the atmosphere, obviously no device for causing rainfall has any value whatever.

Ques.—I am curious to know why China is called the "flowery" kingdom. If you will answer that I will greatly appreciate it.

Ans.—Many thousand years ago China was known as "Hau-Kuo" in their language. These words translated into English means "flowery kingdom." Originally the Chinese lived in central Asia, which is a barren region, and when they moved eastward to a vastly more fertile country they called it Hau-Ko in contrast to the country they left behind.

Ques.—Will you please publish how many Catholic cardinals there are in North America? And why is it that an Italian is always elected Pope?

Ans.—There are four Catholic Cardinals. They are William O'Connell, archbishop of Boston; Dennis J. Dougherty, archbishop of Philadelphia; Patrick J. Hayes, archbishop of New York; and George W. Mundelein, archbishop of Chicago. An Italian is not always elected Pope. The Pope is elected by the College of Cardinals which is composed of about seventy Cardinals, each of whom has one vote.

Ques.—I would like to know if wild buffalo has become extinct in America, or if there has been anything done to conserve this native animal?

Ans.—The Wild buffalo is practically extinct, but an attempt is being made to introduce them into Alaska to their wild state. Nineteen buffalo were taken to Alaska from a range in Montana and were liberated near McCarty in June, 1928. On last January the herd was located near Jarvis creek, not far from where they were liberated and they were feeding to a large extent on wild vetch. They seem to have adapted themselves to the country and are doing well. In February the herd was located on Clearwater creek, nine miles from McCarty, a stream that has open water throughout the winter and a food growth of grass and brush. Hay has been stored at McCarty to feed the buffalo if necessary, but apparently they are able to take care of themselves. This will probably be the means of propagating the wild buffalo.

Wm. M. Campbell broke his left wrist Wednesday. The ladder on which he was working slipped and he fell on the cement sidewalk.

Leigh G. Palmer has secured a position with the war department corps of engineers and has been assigned to the U. S. survey steamer "Seahawk" with headquarters at Marinette, Wisconsin.

Work was commenced on the Luick drain in Lima this week.

Mrs. Mary L. Boyd left Tuesday morning for Grand Rapids, where she will attend the sessions of the Grand Lodge of the O. E. S.

F. W. Merchant has sold his interest in the Chelsea Roller Flour Mills to E. K. White of Greenburg, Indiana.

Supervisor Jacob Hummel is in Ann Arbor, where he is attending the sessions of the October meeting of the county board of supervisors. He was appointed as a member of the committee on the order of business.

The electric lighting system of St. Mary's church has been changed, which is a decided improvement over the former system.

Mr. and Mrs. Henry A. Wilson of Lima, at the recent meeting of the Pomona Grange were selected as delegates to attend the meeting of the State Grange which will be held in Grand Rapids next December.

The suit of Mrs. Rose Zukle for \$10,000 against the Michigan Central railroad, was taken from the jury Tuesday by Judge Kinne. The action was brought by Mrs. Zukle for the death of her husband, who was killed while acting as watchman on the main street. The case will be taken to the supreme court.

Rev. M. L. Grant last Sunday morning tendered his resignation as pastor of the Dowagiac Congregational church. Rev. Grant has served the church as pastor for the last four years. He has accepted a call as pastor of the Chelsea Congregational church.—Dowagiac Daily News.

5 BOTTLES OF KONJOLA MAKES BIG DIFFERENCE

Suffered Four Years Without Finding Relief Until She Tried New Medicine.

MRS. GERTRUDE SMITH

"My stomach, kidneys and liver were in a very bad condition for the last four years," said Mrs. Gertrude Smith, 2014 Dehoop Street, Grand Rapids, Mich. "I couldn't eat anything but what my stomach would vomit from gas. My liver and kidneys were weak and irregular, and I was always tired and drowsy. I had been in this condition so long without relief, that I gave up hope."

"But I had given up hope too soon. I found this out after taking five bottles of Konjola. Now, all my health troubles are gone. And this, after four years of fruitless search. I wish I had found Konjola in the first place. I am now enjoying better health than I have had for a long time, and I am glad to give Konjola the praise it deserves."

Konjola is sold in Chelsea at Burg's drug store and by all the best druggists in all towns throughout this entire section.
