CLUB MEMBERS WILL EXHIBIT PRODUCTS AT TOWN HALL SATURDAY

Judging And Other Activities To Feature Day's Events; To Banquet Monday.

The Chelsea Kiwanis club will hold their annual round-up for 4-H club work in the Chelsea trading area, Saturday, October 26, and Monday evening, October 28. All 4-H summer club members in the Chelsea area will make an exhibit at the annual show in the Town Hall on Saturday. All exhibits will be in place at 9:30.

Poultry club members will be expected to make an exhibit of four pullets and one cockerel. Potato club members will exhibit 32 potatoes. Garden club members will exhibit a variety of garden products from their own gardens and will follow the requirements as to amount of each vegetable shown in the county fair premium book for 1929. Canning club members will exhibit, according to the following requirements: First year, six jars of canned products—four vegetables and two fruits. Second year, four vegetables and two fruits. Third year, two vegetables, two fruits, two jellies, and two vegetable mixtures.

Fourth, fourth and fifth year members will exhibit ten jars of canned products—two vegetables, two fruits, two jellies, two vegetable mixtures, and two meats.

Fourth year members will exhibit posters, or make other exhibits, representing their livestock club work, such as a feed ration for one day for an animal; a picture pedigree of their animal; pictures of outstanding animals in the breed of livestock which they own, etc. Food study club members will exhibit a set of posters for each club showing a good breakfast, a good noon meal and a good evening meal. In addition to this third year members will be required to exhibit bread and rolls.

Ribbons will be awarded to individuals in each class of exhibits with medals in each club. Championship ribbons will be awarded to each project club showing the best project exhibit, such as the best poultry club, best canning club, etc. A small silver loving cup will be awarded to the community club putting on the most attractive exhibit.

Individual championship awards will be made to the best individual exhibitor in each project.

At 10:30 a crops judging contest will be held in which all garden and potato club members will participate. (Continued on back page.)

Kiwanians Hosts To Plymouth Club Tonight

Kiwanians and their ladies to the number of one hundred twenty-five will gather at the public school auditorium tonight, when Chelsea Kiwanians will be hosts to their ladies and the Plymouth club and their ladies, at a Halloween party.

A banquet will be served by the high school at 7 o'clock, during and following which community singing will be led by P. R. Niehaus. Katherine Fletcher will render several xylophone solos, accompanied at the piano by Mrs. P. R. Niehaus. Toasts will be given by the members of both clubs. Following the program, dancing and cards will be the diversion. Fast-lake's orchestra, of Ann Arbor, will furnish the music for the dance.

Fourth Boxing Show To Be Held Tuesday

M. Hoffman, local boxing promoter, announces that the fourth boxing show of the season will be held at the town hall, Tuesday evening, October 29th.

According to the promoter, there will be at least five bouts, and an effort is being made to secure a sixth bout. The show will be made up of good boxers from Ypsilanti, Saline, Ann Arbor and Chelsea.

Good clean boxing has characterized the shows which Mr. Hoffman has promoted so far, and another good show is promised the boxing fans of Chelsea and vicinity for next Tuesday evening. Robes and sweaters will be awarded the winners of the bouts.

BURG TO HOLD 1c SALE
On Thursday, Friday and Saturday of this week, J. V. Burg will have another of the popular Penslar One Cent sales in his store that the buying public of this vicinity have taken advantage of since he established the first one several years ago. The goods that are included in this sale consists of staple and fancy articles which the entire family use almost every day, and at a price that is much lower than is usually charged for the articles when purchased singly.

Next Lyceum Number Here November 15

The committee in charge of the local lyceum course announces that the Filipino Collegians, the number which was scheduled to appear here next Wednesday evening, as the second number on the season course, will not appear, but that the Light Opera Mirror Company will appear Friday evening, November 15th as the second number.

This change of date has been asked by the committee, due to the fact that on Wednesday evenings when the stores are open it is almost impossible to attract a crowd to any entertainment feature which may be offered. The Filipino could not be booked for any other date, so the Light Opera Mirror Company, a much higher priced feature, was offered by the Redpath Bureau as a substitute on the above mentioned date.

It is the desire of the Senior Class of C. H. S. to at least sell enough tickets to pay for the course, and this cannot be done unless a larger crowd is present at the next two numbers. As an inducement to sell tickets and on account of the change of date, tickets will be offered for the two remaining numbers at \$1.00 each.

Further details of the entertainment to be furnished on November 15th will be published later.

NUPTIAL VOWS TO BE SPOKEN IN CEREMONY AT WATERLOO HOME

Vera Harvey and Lawrence Haschke To Be Married At Home Of Bride's Parents.

In the presence of the immediate families, Miss Vera Lucille Harvey, daughter of Mr. and Mrs. Herbert Harvey, will be united in marriage this afternoon to Mr. Lawrence George Haschke, of Manchester. The ceremony will be performed at six o'clock at the home of the bride's parents in Waterloo township, Rev. H. S. Van Rigue, pastor of Emmanuel Evangelical church, of Manchester, reading the impressive ring service.

The attendants will be Mr. and Mrs. Millard Harvey of Chelsea, brother of the bride and niece of the groom. The wedding march from Lohengrin will be played by Miss Theodora Heimerdinger of Ypsilanti.

Brown transparent velvet with cream lace trimmings has been chosen by the bride for her wedding gown, and she will carry a bouquet of Premier roses. Mrs. Harvey will be attired in maroon crepe and will carry Ophelia roses. Both will wear accessories to match their gowns.

Immediately following the ceremony a wedding supper will be served to twenty-five guests. Pink and white chrysanthemums will decorate the rooms and tables.

The bride is a graduate of Chelsea high school and Cleary business college and for two years has been employed in the office of Schriener Hardware Co., Ann Arbor. After November 1st, Mr. and Mrs. Haschke will be at home to their friends in the Hall-Drye subdivision, Ypsilanti.

Out-of-town guests who will attend the wedding are Mr. and Mrs. Clayton Goske and daughter Regina; Mr. and Mrs. Leroy Heimerdinger and daughter Maxine of Manchester; Mr. and Mrs. Fred Heimerdinger and daughters Theodora and Helen, of Ypsilanti; Mr. and Mrs. Lyle Harvey and Mr. and Mrs. Ashley Holden of Detroit.

In compliment to Miss Harvey, Mrs. Clayton Goske of Manchester, was hostess at a miscellaneous shower Friday evening. About forty guests were present. Games were enjoyed and lunch was served.

Saturday afternoon the Ladies' Aid Society of Salem M. E. church gave a shower in honor of the bride-elect at the home of Mrs. Hazen Telgman. A hot luck supper was served and many beautiful gifts were received by Miss Harvey.

Johnstons Purchase Ypsilanti Laundry

James Johnston & Son, owners of the Trojan Laundry of this place, have purchased the United Laundries, Inc., of Ypsilanti, and are now operating that plant.

Some weeks ago the Johnstons announced their intention of moving their laundry to Ypsilanti, but were unable to obtain the building for which they had negotiated, and a deal was finally consummated whereby they purchased the United interests.

The Trojan Laundry will be moved to Ypsilanti in the near future, where the plant will be merged with the newly acquired property, and the combined plants will be known as the Trojan Laundry.

CHELSEA HIGH WINS FROM SALINE SQUAD IN WELL-PLAYED GAME

Outplay Rivals At Every Stage Of Game; Pile Up Final Score Of 31-6.

Chelsea High continued with their string of football victories last Friday afternoon at Holmes' field when they defeated Saline with a 31-6 score. Following is a detailed report of the game as written by the high school sports reporter:

Saline kicked to Chelsea for the opening play of the game, then the Chelsea squad advanced the ball by end runs and off tackle plays to a number of first downs until the first touchdown was made in 2 minutes and 40 seconds. The goal point was scored, following the touchdown, making the score 7-0.

Then Chelsea kicked off to Saline on their 40-yard line and Saline, after trying to advance the ball was forced to kick. Chelsea fumbled the kick and Saline recovered the ball. They showed fight and spirit and Saline failed to advance the ball a yard. Saline kicked the ball out of bounds on Chelsea's 1-yard line. Chelsea returned the kick on the first down. The punter got off a perfect kick and Saline got it on Chelsea's 40-yard line, just as the whistle blew, ending the first quarter, score 7-0.

Saline then tried to run Chelsea's end. This seemed to be fruitless, however, because not one run did they gain over five yards. Saline kicked to Chelsea on their 5-yard line and the ball was run through the line a few times and then with wonderful interference Chelsea took the ball and made a run the length of the field for a touchdown. The kicker failed to make the kick, the score now being 13-0.

Chelsea kicked to Saline on their 25-yard line, and after trying to advance the ball was forced to kick. Chelsea got the ball on the 40-yard line, and after a line play, passed. The pass was not completed and an end-run gave them the first down as the whistle blew for the half. Score, 13-0. The boys all worked down to one end of the field and coach Spaulding gave them a few pointers as to where they had made a few minor errors.

Chelsea kicked to Saline at the beginning of the second half on their 15-yard line. They tried time after time to put the ball through Chelsea's line. They were unable to do this and then kicked to the 50-yard line. After many line plays the team was able to bring the ball down towards the goal.

(Continued on back page.)

Houses Threatened By Peat Marsh Fire

The fire department was called out Saturday afternoon when fire in the peat marsh threatened property on Washington street. Fanned by a south wind the blaze was making rapid headway toward the Christwell and Schenk residences. The firemen and other volunteers soon had the fire under control and no great damage was done.

The department was again called out about 8:30 Monday evening when the burning in the peat marsh building was purposely burned out by O. D. Schneider, owner of the building. It being a rainy night there was no danger from the blaze, but someone turned in the alarm, not knowing the cause of the fire and clouds of smoke which could be seen above the building.

County Will Improve North Lake Highway

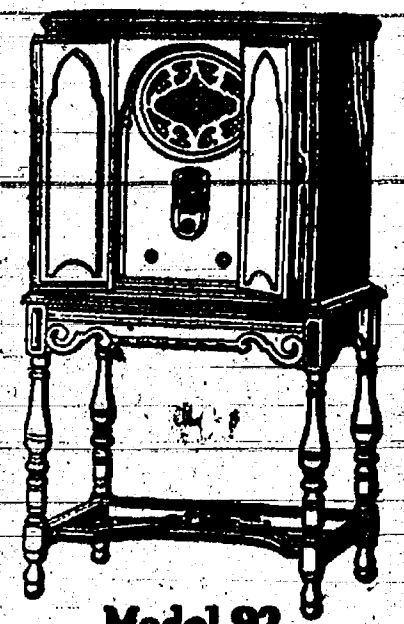

At the meeting of the County Board of Supervisors, Tuesday, a resolution was passed taking over several highways as recommended by the Washtenaw County Road Commissioners. It calls for an expenditure of \$212,000, a sum equal to a two-mill tax on the assessed valuation.

The budget for the year 1930 is as follows: \$75,000 for laying dust on 100 miles or highways and surface treatment of 40 miles; \$185,500, construction program. The Fletcher road in Lima and the Lyndon road (North Lake highway) is included in the list to be improved in this part of the county.

SERIOUSLY INJURED IN FALL.
Mrs. Elizabeth Walz, of Detroit, formerly of Chelsea, met with a serious accident last week, when she fell down the basement stairs at her home, fracturing her right wrist and sustaining injuries about the head. She was taken to Highland Park hospital. Mrs. Walz is the mother of Mrs. Wilbur Riemenschneider of this place.

Warning to Arabs
To Improve Marriage
Pittsburgh's Big Day
Wise Young Dinosaur

Britain has made the Arabs understand that murder is not a safe pastime under a British mandate.

At Hulla three Arabs were sentenced to death by Chief Justice Sir Michael MacDonnell for causing the death of Isaac Mannan.

The men convicted and Arabs witnessing the trial called upon Allah to assist them.

Allah didn't say anything.

He was missing from the scene, as angels were once missing in Constantinople. Christians had been assured that at the last moment if the Turks took Constantinople angels would appear in the square before the Church of St. Sofia and smile them.

Turks took Constantinople, have held the city through all the centuries since. No angels have appeared.

Moment if you want anything done don't depend on Allah.

Great Britain proposes to bar from marriage the "mentally unfit." This might improve the human race. If you could identify the mentally unfit with certainty.

Some unit will be exempt from matrimonial ostracism because they possess fortunes or important titles or names.

Others mentally unfit will escape because they are only dull, belonging to the negative class that Dante put into one of his disgusting compartments.

Pittsburgh held a big celebration and for good reasons.

Fifty years ago you could wade across the Ohio river in many places with water no higher than your knees.

Now the government has built fifty dams, costing \$118,000,000, giving at least nine feet of water, enough for large boats, all year round throughout the 1,600 miles of stream between Pittsburgh and the Mississippi.

Ohio river traffic has increased in twelve years from 4,000,000 to 20,000,000 tons.

The river now makes possible a saving of \$20,000,000 a year in freight charges.

Overwork is not so dangerous but violent emotion is extremely dangerous, says Dr. C. P. Emerson, learned student of the human body. "A strong emotion can inflict a physical injury, just as truly as can a knife," says the doctor.

However, a life that amounts to anything is made up of strong emotions.

A giant turtle on the Galapagos Islands never has strong emotions and lives five or six hundred years. But who would be a Galapagos turtle? Better be Keats, Alexander, or Napoleon.

Samuel Insull, Jr., following in his father's industrial dinosaur tracks, as president of the Midland United Company of Chicago, tells the American Gas association that to boom the gas industry and increase sales they must cut prices, and use "persuasive advertising and proper salesmanship."

If young Mr. Insull follows out those ideas he will be a big industrial dinosaur some day.

Mr. Lamont, "the" Mr. Lamont, says business is good and will continue good. Gerard Swope, president of General Electric, says "Amen!" and merrily. Orders received by his company for the three months ending September 30 were \$116,088,014, against \$90,828,608 in the same period last year. That increase of 29 per cent has prevailed throughout the entire year.

Madame Curie, who helped the discovery of radium, comes here to accept for the new Radium Institute at Warsaw, one gram of radium, costing \$50,000, paid for by American women. You could put in a small valise radium worth more than all the wealth of Rockefeller, Ford, Secretary Mellon and George F. Baker combined, if such a radium quantity existed.

Our sun, with its source of terrific energy only guessed at by science, may contain millions of tons of radium. We can't get at that. But we might give more poor children the benefit of the sun's light, which is accessible and costs nothing.

Dr. Frederick Tilney, professor of neurology at Columbia university, warns you that a headache is a serious thing. There are sixteen different kinds of headaches, all requiring particular care and understanding.

Headaches often come from anxiety, and you should be cautious about taking medicine to kill a headache.

It may kill the headache, while the forces that cause the headache continue working to kill you.

In Canada, Ramsay MacDonald, member of the Socialist party, addressing labor unions, tells them that changes must be made by evolution, not by revolution. That's how they have been made in the past.

(©, 1929, by King Features Syndicate, Inc.)

Must Secure Permit To Import Animals

The importation into Michigan of game birds, game and fur-bearing animals, now requires a permit from the Department of Conservation.

During recent years rabbits from Kansas, coyotes from Ontario, pheasants from Wisconsin, Illinois and Pennsylvania, quail from Mexico and California, partridge from Europe, muskrats from Louisiana and Maryland, elk from Wyoming, reindeer from Lapland, and nobody knows what else have been brought into and turned loose in Michigan without hindrance. But under the new game law such introductions can now be made only under permits obtained from the Director of Conservation. There is no charge or fee for these permits.

The need for some sort of control over imported animals has been increasingly evident. Tularemia, for instance, is a disease which the public health authorities are especially anxious to keep out of the state. This is a disease found chiefly in rabbits but which can be contracted by human beings as well as by various game birds and fur-bearers. The disease is fairly common among the rabbits of certain states and Michigan should not risk bringing in rabbits from districts known to harbor the disease.

A recent government bulletin on the introduction and transplanting of wild birds, lists case after case where the introduction of strange birds has failed or subsequently made trouble.

Only last year the Department was urged to introduce the European Field Hare which is reported to be increasing in Ontario and supplying a good sport. But inquiry of the authorities in Ontario and farther east, where other introductions of this animal had been made, brought reports that the big rabbit was proving very destructive to fruit trees and gardens, and the Department decided that, for the

present at least, it would be very poor policy to bring in and release an animal which might presently become at least a nuisance.

Under the old law, anyone might have brought in and released these hares.

With the new law in effect birds or animals imported without permit, are subject to confiscation, and the individuals responsible for the introductions are subject to fines.

The Department of Conservation emphasizes that there is no intention to interfere with reasonable importations and the experiments, but it hopes to avoid the introduction of serious pests and to prevent the spread of new wild animal diseases into Michigan.

Applications and permit forms are now being prepared and will be ready soon.

New Product Enters Michigan Hort Show

Products of Michigan orchards, gardens, and apiaries will have to move over and make room for a new entrant at the twenty-first annual State Horticultural Show, November 15, 16, 17, when all species of nuts native to the State will compete for prizes for the first time.

The Show will be held in Demonstration Hall, Michigan State College, and the two main rooms will be used to give space to entries of fruit, flowers, vegetables, honey, and nuts.

Two contests, vegetable judging and identification and judging of apples by Smith-Hughes students, will be conducted during the Show. An educational exhibit prepared by the State Department of Agriculture will be on display.

Students in the horticultural department at Michigan State College are in charge of the local arrangements for the Show. H. E. Chickering, Belding; M. J. Backofen, Battle Creek; and G. H. Poesch, Monroe, are the officers of the students' horticultural club. Committee chairmen for the Show are L. A. Zillman, South Haven; R. B. Tolson, Romeo; W. J. Woodman, Paw-Paw; H. E. Chickering, Belding; and F. E. Dorman, Cedar Springs.

Don't forget the Big Penslar Sale at Borg's this week Thursday, Friday and Saturday. You'll get twice as much for your money.

Outline of Success
Our definition of success is unorthodox. We claim that any man who is honest, fair, tolerant, kindly, charitable to others and well behaved is a success, no matter what his station in life.—Jay E. Howe, in the Philadelphia Public Ledger.

He's Death On Poor Stomachs

"There is nothing so depressing as a poor stomach," says E. C. Vogt of Escanaba, a druggist of 43 years practical experience. He suffered with acute stomach trouble for years, tried all kinds of treatment, also two world famous clinics and got no relief. He got busy in his own laboratory and produced a combination entirely different from anything before tried and the results were astounding. Others hearing of his results came to him and got the same gratifying results.

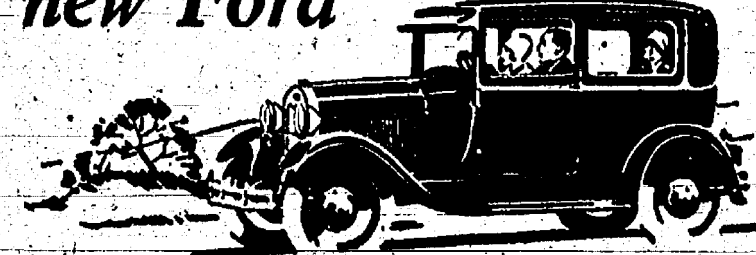

He decided to give it to the public under the name of Voco Stomach

Preparation and it is now on the market at one dollar per box. It instantly relieves any form of stomach trouble and is healing to ulceration, not maybe but positively, it's different.

If you will write to Mr. Vogt at the Vogt Laboratories in Escanaba, Michigan, he will be glad to send you a three days FREE trial package.—Adv.

Cabbage Long Popular
Though scientific opinion of cabbage has proved inconsistent, popular opinion apparently has changed little. Even in the time of Pliny it was the vegetable of the people. "In great request in the kitchen and among our riotous gluttons."

Houdaille Shock Absorbers are just one of the features of the new Ford

THE new Ford has four Houdaille hydraulic shock absorbers as standard equipment. They are the most efficient type of shock absorbers made and are unusually simple and effective. Combined with the low center of gravity, the minimum unsprung weight, and the transverse springs, they make the new Ford one of the easiest-riding cars on the road today. Come in and arrange for a thirty-minute demonstration. It will be a revelation.

Roadster, \$450. Phaeton, \$460. Tudor Sedan, \$525. Business Coupe, \$525. Coupe, \$550. Sport Coupe, with rumble seat, \$550.

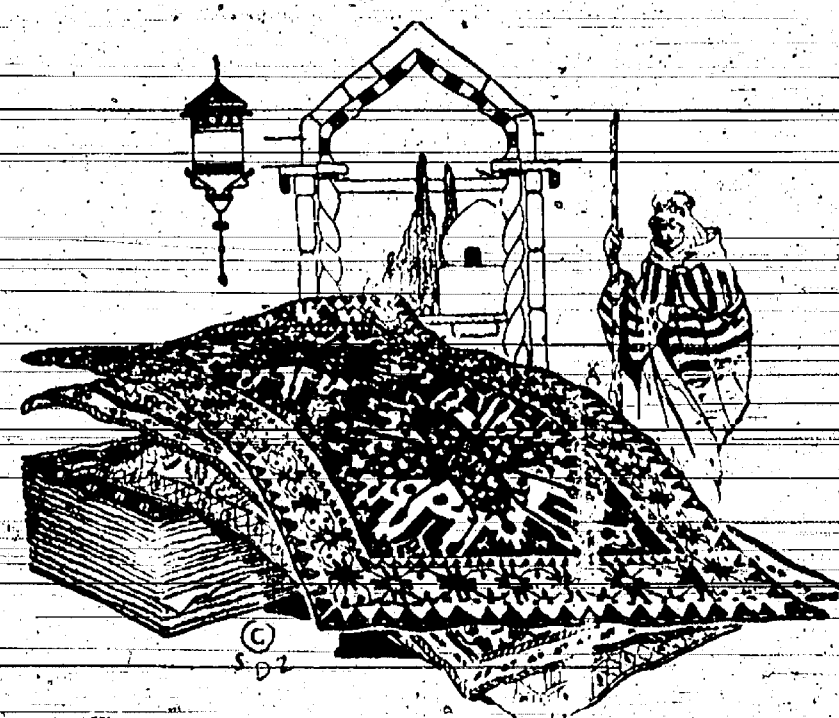

Fordor Sedan, \$625. (All prices f. o. b. Detroit, plus charge for freight and delivery. Bumpers and spare tire extra.)

NOTICE—Our Fall Show runs until Saturday, the 26th. You are invited.

Michigan
Happenings

Arthur C. Rich, of Battle Creek, will remain in the Michigan State Prison, where he is serving a life term for an attack on Miss Louise King, while she was a co-ed at the Battle Creek College. His plea for clemency has been denied by Gov. Green and Arthur D. Wood, commissioner of pardons and paroles. The refusal to open the doors of the prison to Rich was made known after the prisoner's father, George H. Rich, Battle Creek manufacturer, had called on Gov. Green at Lansing. Miss King now is living in Pennsylvania.

The largest catches of whitefish and lake trout made in many years are being brought into Charlevoix by Beaver Island and Charlevoix commercial fishermen. The Beaver Island mail boat made a special run from the island recently with 17,000 pounds. William J. Gallagher, of St. James, lifted 5,000 pounds of whitefish from one pond netting, the largest catch recorded in years. The excellent lifts are welcomed after one of the poorest summer fishing seasons experienced here in many years.

"What ye sow, so shall ye reap," Mrs. Wanda Beka, living near Warren, at Thirteen Mile and Utica Junction roads, discovered the truth of the old saying when she found a signet ring which had been lost last year at potato planting time. True to the adage, Mrs. Beka dug up her ring when the time came to harvest her potatoes. It was found lodged snugly around a freak finger of the potato that had been caused by the pressure of the ring during the potato's formative period.

A permanent memorial to be awarded annually to the citizen known to have done the most for the city during the year was voted by the Lions club of Battle Creek. The mayor, secretary of the chamber of commerce, president of the business and professional women's club and the editors of the two afternoon newspapers are to be the judges. The vote to make the award was unanimous. The first honor will be awarded in 1930.

James Martin, of Detroit, 18 years old, found a well-turned bit of metal which he thought could be used to repair the electric horn on his car. He attached it, pressed the button and the resultant explosion wrecked the car and seriously injured his face and hands. He was treated at the Receiving hospital for burns, cuts and bruises. The bit of metal was a dynamite percussion cap.

The Ninth Michigan Infantry, a Civil War unit composed of Branch County men whose heroic deeds grace the military history of Coldwater and community, met in convention there recently. The assembly numbered only three, all that is left of the famous outfit. Those who survive are Dr. George Montlon, Dwight Holster and Eberhardt Robinson.

The Oakland County supervisors have voted to limit or curtail conservation officer who will spend all his time in that county although he will be under State officials. The salary has been placed at \$3,500 a year to be paid by the county. It is stated that Robert McClure, of Royal Oak, who is the present State conservation officer, is slated for this new job.

Urgelle LaBonte, of Spaulding, was fined \$128.50 and his trapping license was revoked when he pleaded guilty in Justice Court at Oscoda to illegal trapping. He was arrested by conservation officers. Proceedings were started to confiscate LaBonte's automobile, in which one beaver and nine muskrats were found.

While making an inspection of No. 1 fire engine house in Jackson, with a group of girl scouts, Margaret Poelker, 11 years old, accidentally stepped into a pole hole on the second floor of the building. She fell 15 feet to the floor below. She suffered a broken shoulder and fractured arm.

Edwin King, Ithaca farmer, was killed while walking on M-46, near Merrill. He was struck by an automobile driven by H. P. Hall of Elm Hall. The driver said King stepped directly into the automobile's path.

Walter Helkine, 25 years old, was killed and John Nunn, 12, was injured seriously when a portable saw broke. A fragment of steel penetrated Helkine's right shoulder and head. Both men lived in Calumet.

The Muskegon Traction and Light Co. has suspended street car service in Muskegon. Buses have taken the place of the cars.

The residence and barn on the farm of Delo D. Curtis, near Owosso, former supervisor of Fairfield township, were destroyed by fire early one morning. The loss is placed at \$20,000. Mr. and Mrs. Curtis were awakened by the crackling of flames and escaped just before the roof caved in.

Anthony Stenikewicz, of Saginaw, 51 years old, is dead. He got the wrong bottle from his medicine cabinet and drank disinfectant. He died at St. Mary's Hospital.

One man was killed, another is believed to be fatally injured, and a third received a broken leg when a flat car under which they were sitting to avoid a downpour of rain was bumped by a loaded train in the switching yards of the Cadillac Lumber and Chemical Co. at Sault Ste. Marie. Levi Leach was crushed and died at the War Memorial Hospital a half hour after the accident. Victor Dahl, of Cedarville, is in a critical condition with crushed legs and chest. Charles Carlson escaped with a broken leg.

Roy Sharkey, 4-year-old son of Mr. and Mrs. Henry Sharkey, 1309 Marquette avenue, Bay City, died at Mercy hospital from pneumonia resulting from inhaling smoke and flames when he was trapped in a dog kennel which caught fire. The kennel was under the porch at the Sharkey home and it is thought the boy was playing with matches and set the small building on fire. Firemen found it necessary to tear one side off the dog house to get the child out.

Two major highway projects have been approved by the highway committee of the State Administrative Board at Lansing. Both will be undertaken by the construction division of the State Highway Department at the opening of the 1930 construction season. Concrete paving, 20 feet wide, will be laid on U. S. 27 between Mt. Pleasant and Charlevoix and on M-9 between Lansing and Eaton Rapids.

When Arthur Taylor, Grand Rapids, was called to the home of William Gardner to investigate a gas pipe leak, he struck a match which resulted in an explosion, blowing out a basement wall, setting fire to the house and burning his face. Firemen quickly extinguished the flames, which was accompanied by minor explosions, and Taylor was treated at St. Mary's hospital.

"They say an apple a day keeps the doctor away. Maybe a day an apple will keep the thieves away," Justice Henry W. Harper, of Pontiac, commented as he sentenced Wilfred Smith, 18 years old, 2338 Franklin road, to serve five days in the Oakland county jail for stealing five apples. Smith took the apples from the orchard of Ada Siv, West Maple Road, near Birmingham.

A club without a name, officers, by-laws or dues is Muskegon's oddest organization. The club, composed of 13 business and professional men, drawn together by a common interest, is devoted to a study of philosophy and history. It is 32 years old. Although without a name, the organization is generally known as "The Club." It meets twice a month, eight months a year.

There will be many thirsty residents of Monroe County this winter, on account of the grape crop failure. There was a small grape harvest by farmers in the southwestern portion of the County who owned vines along the shores of Lake Erie. The grape industry as a whole in Monroe County, however, suffered a loss fixed at from \$65,000 to \$75,000.

The Secretary of War at Washington, D. C., has approved an allotment of \$25,000 to be used in rendering the two breakwaters at Mackinaw City. The breakwaters were completed in 1914 and no general repairs ever have been made. Recurrent storms have caused settlement and displacement of stones to a serious extent.

Eleven men were arrested recently by members of the Michigan State Police and Lenawee County conservation officers charged with illegal hunting. Five had shot squirrels ahead of season, three had no license and three had exceeded their quota of rabbits. All paid fines in Justice court at Adrian.

Doos and town outNUMBER bucks by about five to one in Schoolcraft County, according to Conservation Officer V. Deemer, of Manistique. Victor H. Cahalane, of the State Conservation Department, and Deemer took the deer census in Schoolcraft County. Cahalane will begin a similar survey in Delta County.

Mrs. Robert Redell Bancroft of Owosso, is happily united with her family after having been separated for more than 50 years. Through the help of a Vassar newspaper, Mrs. Redell found her lost family in the same town where she became separated from them at the age of three.

Charles Burdick, 76 years old, of Oxford, has begun a year's term in the Oakland County Jail at Pontiac. He was sentenced by Circuit Judge Frank L. Covert as the operator of a blind pig. It was his third conviction.

Danald Nell, 25 years old, a Flint laborer, was crushed to death when the walls of a sewer caved in. The accident occurred at Mt. Vernon avenue, near the new Lowell school.

A walking stick made from a plank from Admiral Perry's flagship has been given to A. M. Minty, Battle Creek resident, by E. H. Willis, son of a pioneer. Senators Jim Reed, Hiram Johnson and William E. Borah are said to be owners of canes made from the same timber of the historical ship.

Mr. and Mrs. ... for 48 years resident of Grand Lake recently celebrated their fifth wedding anniversary at their home there.

CHECK BUICK'S CHASSIS
-note its distinctive construction
.. then you'll know why more than 2,000,000 people have bought
BUICKS

The world-famous Buick chassis and Buick's smart new Bodies by Fisher! An unrivaled combination! Providing the highest degree of motor car performance and all-round motoring satisfaction, over the greatest number of miles!

The more thoroughly you compare Buick with other cars, the more clearly you will understand why more than 2,000,000 people have bought Buicks—why men and women are buying from two to five times as many Buicks as any other automobile priced above

\$1200—and why they have purchased more Buicks during the few weeks this brilliant new car has been on the market than in any like period in Buick history.

See the new Buicks and arrange to buy one. Six of the 14 luxurious body types, incorporating all the famous Buick superiorities, are available at prices ranging from \$1225 to \$1295, f.o.b. factory. All available on the extremely liberal General Motors Time Payment Plan.

Buick's 99-horsepower Valve-in-Head engine is the most powerful engine of its size in the world. It is famous, too, for unrivaled smoothness, economy and stamina. It incorporates such engineering advancements as counterweighted crankshaft with torsion balance, carburetor heat control, positive pressure gas pump, and triple seals against wear.

Buick's Controlled Servo-Enclosed Mechanical Brakes provide the most perfect control ever devised for any automobile. They are smooth, sure, silent in operation, and achieve positive results with minimum pedal pressure. And because they are enclosed, fully protected against dust, dirt and water, they insure maximum braking efficiency in any weather.

New, longer rear springs, in conjunction with four new Leafy-Draulic Shock Absorbers, impart a superior degree of riding comfort. These two vital comfort factors work together in perfect harmony to check both bumps and rebound over the roughest roads.

*The engine in the 324- and 332-inch Buicks develops 99 horsepower, and that in the 118-inch Buick 80-horsepower.

P. T. A., Lima District—
No. 4, Meets Friday

The October meeting of the Parent-
Teacher Association of District No.
4 fr., Lima, was held Friday evening
at the home of Mr. and Mrs. Ella
Gage, with an attendance of forty.

A business session was held and it
was voted to purchase a clock and a
Victrola for the school.

The program of the evening was as
follows:

Opening song—"America".

Reading—"What Every Father
Knows"—Mrs. W. J. Beutler.

Recitation—"Two Foxes"—Mrs.
Mary Faulkner.

Piano solo—"Katherine Outwiter".

Reading—"Our State"—Mrs. Inez
Rank.

Lunch was served. The November
meeting will be held at the home of
Mr. and Mrs. Oscar Lindauer.

Newly Married Couple
Honored At Shower

Mr. and Mrs. George Erke were
pleasantly surprised Friday evening
when about fifty neighbors and friends
gathered at their home in Lima town-
ship and gave them a miscellaneous
shower in honor of their recent mar-
riage. Progressive pedro was played,
honors in which were awarded Mrs.
Walter Eschelbach, Lester Hatt, R. B.
Waltman and Leroy Satterthwaite.

Refreshments were served during the
evening.

meet Tuesday, October 29, at 2 o'clock,
at the home of Mrs. Fred Geutner.

HOLD SURPRISE PARTY
Celebrating the birthday anniver-
sary of Mrs. Wm. Merker, a surprise
gathering was held Sunday at her
home on South Main street. A de-
licious dinner was served, the table
being centered with a birthday cake
decorated in blue forget-me-nots. Cov-
ers were laid for the following guests:

Mr. and Mrs. Lloyd Merker and chil-
dren, Henry Merker and daughter
Yvonne, Mr. and Mrs. Clifford B.
Roberts of Detroit, and Mr. and Mrs.
Henry Werner and family of Chelsea.

MRS. E. H. CHANDLER HONORED
Mrs. Edward Chandler was guest of
honor at a family dinner given at her
home Saturday, in celebration of her
birthday anniversary. A feature of
the dinner was a beautiful birthday
cake, with decorations in yellow and
green. Those present at the dinner

were Mr. and Mrs. Henry Thierman,
of Columbus, Ohio, Mr. and Mrs. Geo.
Tambull, Miss Dora Chandler, Ken-
neth Westcott and Carl Chandler, of
Detroit.

ENTERTAINS FOR SISTER
Mr. and Mrs. R. E. Jolly entertained
at a farewell dinner party Sunday for
her sister, Mrs. J. C. Prohaska, the
guests including Mr. and Mrs. Carl
Schumacher of Detroit, Mr. and Mrs.
Reginald Lavette of Ferndale, and
Mr. and Mrs. W. D. Ross of Webber-
ville. Mrs. Prohaska, who has been
spending several weeks with relatives
in Michigan, will leave Saturday for
her home in Northland, O. gon.

Mr. and Mrs. L. B. Lawrence at-
tended the Meridian family reunion
held Sunday at the home of their
nephew, George Merriam, near Man-
chester.

News Bulletins From Palmer's Auto Show

We print herewith several news
flashes reported at the salesroom of
Palmer Motor Sales, local Ford agen-
cy, where a Fall Auto Show is being
held:

Several hundred people have at-
tended the show and have expressed
satisfaction with the splendid show-
ing of all Ford Model A models. The
daily prizes which are being awarded
by the agency have been won so far
by Henry Luick, Stephen Toth, Her-
bert Rank, Herbert Schneider and
Paul Schneider.

One of the large Ford trim-motored
passenger planes circled low over the
garage last Friday, in recognition of
the Auto Show. The plane flew so
low that its passengers could be seen
very plainly.

John Frymuth is wearing a broad
smile covered with a new hat which
he just won in a sales contest at the
Auto Show.

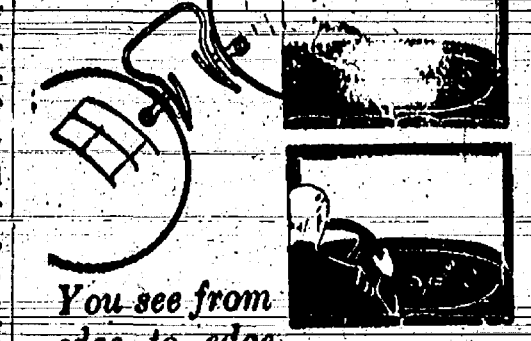

The show closes Saturday, October
26th.

ENTERTAIN AT FAMILY DINNER

Mr. and Mrs. Chas. Mohrlock enter-
tained at a family dinner Sunday the
following guests: Mr. and Mrs. Dan-
iel Wacker, Mr. and Mrs. Walter
Wacker, Mr. and Mrs. John Schottle
son Lee, of Lansing, Mr. and Mrs.
Otto Toney and Mrs. Dan Strieter, of
Ann Arbor.

GOOD GOING AND GOING GOOD--

There's a difference. Sometimes when the weather's fine and the roads the best—when it is good going, your car is not going good! Why? "Oh!" you say, "something's wrong with the thing—it just doesn't work right." What's wrong? Well, the chances are your valves need correction! 85% of motor troubles come from faulty valve action. Bring your car over to our shop—let us look it over—let's test your valves. Let us show you the KWIK-WAY SYSTEM of scientific valve correction that we have just installed. We can set your car to going good and that's what you want. Drive in.

"THE WOLF OF WALL STREET"

The most forceful star on the screen in a mighty drama of America's money market—Wall Street! Fortunes made! Millions lost! And behind it all that super brain, that ruthless fighter, The Wolf and his wife: the woman upon whom he lavishes all his wealth—the woman who uses men like playthings. Don't fail to see this gripping drama.

SIXTY-FIVE AT BANQUET

Members of the Christian Endeavor, public school football squad and the high school faculty, numbering sixty-five, were present at the fourth annual banquet of the Congregational Christian Endeavor which was held in the church dining room last Friday evening.

The banquet, which was sponsored by the Brotherhood of the church, was served at 7 o'clock. Singing and cheering was enjoyed, and short talks were given by Rev. Potts and Margaret Haselschwerdt. Rev. A. R. Heaps, pastor of First Congregational church, Ann Arbor, gave a very interesting illustrated lecture on "The Vanishing American."

CHICKEN PIE SUPPER

The annual bazaar and chicken pie supper of the M. E. Church will be held Thursday, November 7.

Wait for the Original Rexall One-Cent Sale at Fenn's.

NORTH LAKE

Rev. and Mrs. H. G. Pearce have returned from their motor tour thru the mountain districts of Kentucky and Tennessee, visits to Valley Forge, Gettysburg and Washington, D. C.

Miss Alice Buhl of Albion and Donald Stamat of Caro spent Saturday at the home of her aunt, Mrs. H. G. Pearce.

Born, Saturday, October 19, to Mr. and Mrs. John Sullivan, a son.

Mr. and Mrs. Leon Shutes motored to Fort Wayne, Ind., Saturday, taking with them Mrs. Fredricka Bush, who has been a guest of her daughter, Mrs. William Eisenbaiser, for the past three weeks.

Mr. and Mrs. Floyd Boyce and family of Jackson spent Sunday with friends in the community.

Mr. and Mrs. Herbert Hudson, Mrs. John Mester and Miss Geraldine Carr visited Mr. and Mrs. Reinhart in Detroit, Sunday evening.

The "A. S. M." met this week. Today to sew on articles which will be sold at the church fair. Date of fair will be announced later.

The attendance at all the Rally Day services, October 20, was splendid.

During the Sunday school session, the Christian flag, procured by the Vacation Bible school, was dedicated. Junior Colby placed the flag on the platform, following him came all the children of the Sunday school, who in turn saluted the flag and took their places on the platform. Officers and teachers of the Sunday school joined this group. After the dedicatory speech by Miss Mildred McDaniels, all present took the pledge of allegiance to the flag. "We've a Story to Tell the Nations," sung by the congregation and prayer by Rev. Hocking closed the exercises. After the sermon by the pastor, many stayed to the pot luck dinner held in the church house.

Church News.

Sunday, October 27, Sunday school at 10:45. The Christian View of Recreation is the lesson title.

11:45—Sermon by Rev. Hocking.

Nov. 1—Friday evening, Halloween social and chicken pie dinner at the home of Mr. and Mrs. E. C. Glenn, near Half Moon Lake. This spacious home gives opportunity for a happy time. The Jubilee Singers, from North Carolina—or some other northern region—have promised to treat the crowd to negro spirituals and melodies. Don't miss them.

Nov. 3—The Wesleyan Guild of Ann Arbor will be present to take entire charge of all the services. This group of thirty-five young people will spend the week-end in the community and are well worth one's acquaintance.

Hymn Written for Children.

The hymn "Now the Day is Over" first appeared in 1801 in "Hymns Ancient and Modern." It was written by Rev. Sabine Baring-Gould for the children of the Sunday school at St. John's, Hotham Bridge, Yorkshire, England, and was then known as "The Evening Hymn for Missions." Rev. Sabine Baring-Gould was born in 1831 and died in 1924.

Chameleon Unique Reptile.

The chameleon is the only member of the reptile family that can focus both eyes upon the same point.

COUNCIL PROCEEDINGS

Council Rooms, Chelsea, Mich., October 7, 1929.
Council met in regular session. Meeting called to order by President Daniels.

Roll Call—Present: Dancer, Lawrence, Stricker, Harris, Hummel and Chandler.

Minutes of meeting of September 16 read and approved.

The following bills were read by the clerk:

General Fund
Wm. Atkinson, 3-2 mo. salary \$50.00
U. S. Bridge & Culvert Co. \$

Loches 6.75
H. D. Witherell, drafting ordinance for sanitary sewer 15.00

Palmer Motor Sales, gas, oil and storage to Nov. 1 21.94

V. Fortney, labor on fire truck Chelsea Standard, printing and advertising 26.10

Schneider & Kusterer, supplies for fire truck and salt 40.74

Howard P. Brooks, McLaughlin, peat marsh, Wheeler, Beach and Chas. Young fires 91.00

Street Fund
Chas. Lambert, 2 wks. salary \$50.00

Order No. 21 \$1,000.00
Order No. 22 1,000.00

Sewer Fund
Geo. Champe, engineering on sewer \$200.00

Van Pamel & Gekiere, partial estimate No. 6 7,427.07

Motion by Harris, supported by Stricker, that the bills be allowed and orders drawn for the amounts. Roll Call—Yeas: Dancer, Lawrence, Stricker, Harris, Hummel and Chandler.

Curried Motion by Dancer, supported by Lawrence, that October 15th be the last day to receive village taxes. Roll Call—Yeas: all.

Mr. Lawrence made the following report on investigation regarding order No. 9847 for the amount of \$100.00 issued to the Village President on March 12, 1929, without the consent of the Council. He advised that this amount was returned March 20. He also reported that the \$50.00 which was supposed to be put up for re-count has never been returned to the village fund. The above report was supported by Hummel, and there was a vote of yeas, all.

Motion made and carried to adjourn. H. G. LOEFFLER, Village Clerk.

Approved: W. R. Daniels, Village President.

Don't forget the Big Penslar 1c Sale at Burg's this week Thursday, Friday and Saturday. You'll get twice as much for your money.

Visible Stars.

The Naval observatory says that recent investigations appear to indicate that there are more visible stars south of the equator than north, but this cannot be stated positively.

Took Soda 20 Years
For Gas—Stops Now

"For 20 years I took soda for indigestion and stomach gas. One bottle of Adlerika brought me complete relief."—John B. Hardy.

Adlerika relieves gas and sour stomach at once. Acting on BOTH upper and lower bowel, it removes old waste matter you never thought was in your system. Let Adlerika give your stomach and bowels a REAL cleaning and see how good you feel.—Henry H. Penn, druggist.

Salt Production.

There are four chief methods of obtaining salt in use today. It may be secured by evaporation of the brine from wells sunk into salt beds, by mining—by evaporation of sea water, and by the evaporation of the brine of natural brine springs.

Farmers Buy Fake
Poultry Medicine

Michigan poultrymen are warned by the poultry department at Michigan State College that at least one man has defrauded farmers of the state by selling a medicine supposed to cure almost every disease which affects poultry.

The salesman claimed to represent Michigan State College when he sold the remedy to one poultry raiser in St. Clair county. At other points in the State, he has posed as a representative of the Michigan Poultry Laboratory.

A sample of the remedy, when analyzed at the College, contained ground bran or middlings, wood charcoal, quassia, limestone, salt, and kerosene salts. None of these ingredients have a marked remedial effect upon diseases of poultry and any of them can be purchased at local stores if they are wanted.

College specialists advise flock owners to call the local veterinarian, the county agricultural agent, or the College department before investing in poultry remedies sold by strangers.

Possibly Just Exercising.
The secret of a Jackrabbit has been published as 36 miles an hour, but it is not known whether he was fully alarmed.—Exchange.

**Question And
Answer Dept.**

Ques.—How can I keep my youth?
Ans.—Don't introduce him to any one.

Ques.—Can you tell in your question column what causes the ridges in many trees to run up and down, while in others it is comparatively smooth?
Ans.—On trees where the bark is inflexible these ridges are caused by the diameter growth of the tree which takes place in the layer beneath the bark. This growth splits the old inflexible bark into vertical lines and produces the ridges. This does not occur in trees where the bark is green and flexible.

Ques.—As you seem to be a wise guy can you answer what is the hardest thing in the world to do?
Ans.—We don't know. But with some people the hardest task is to eat corn on the cob with a set of store teeth.

Ques.—Can you tell me in what year Halley's comet appeared in North America? And also how long will it be before it returns? Where is it now?
Ans.—Halley's comet was visible to the whole earth in 1910. It is traveling in a regular orbit at the rate of one thousand miles a second. This orbit is so large that it requires seventy-six years and ten months to make the round trip, traveling 1,000 miles a second. It will make its next appearance to the earth in 1986-87.

Ques.—Why are the Chinese a rice-eating nation? Haven't they a taste the same as other people?
Ans.—It is a common belief that China is a rice-eating nation, but this is a myth. It is true the poorer class of Chinese eat rice because of its cheapness. But there are at least two hundred million Chinese dependent upon wheat as the basis of their food.

Ques.—I am a reader of your questions and answers and am wondering if you will answer one for me. If so, I would like to ask why a small place is called a "jerk-water" town?
Ans.—In the early days of the railroad the locomotives often stopped at wayside streams to replenish the water supply. This was called "jerk-water" because the water was carried to the engine in leather buckets. As time went on "jerk-water" came to be applied to small towns noted for nothing particular except that trains stopped there to take on water. Hence it is supposed that the original "jerk-water" town was a place where trains stopped to take on water.

Ques.—I am a young unmarried man and take a good deal of interest in radios. I have a good one, but want a loud speaker. Where can I get one?
Ans.—Get married.

Ques.—There is a common expression, "three sheets in the wind." I would like to have you explain its origin? I thank you.
Ans.—The origin of this expression is somewhat buried in mystery. The best authority we have states that the term originated among English sailors. In sea parlance a "sheet" is a rope or chain attached to a sail to regulate the angle at which it is set in relation to the wind. If these "sheets" are loosened the ship will reel and stagger like an intoxicated man. Just what significance the word "three" has, is unknown.

Ques.—I would like to ask in your question column why spider webs are called "cobwebs"?
Ans.—"Cob" is an old English word for "spider." Hence spider webs are frequently called "cobwebs."

Ques.—Can you answer in the good question department of your valuable paper what is the greatest depth in the Pacific ocean, and also that of the Atlantic ocean? Where are they located?
Ans.—The greatest depth of the Pacific ocean known to man is 34,220 feet, in the region of the Philippine Islands. The Atlantic's known deepest point is off Porto Rico, and measures 27,000 feet.

Ques.—Will you please be kind enough to explain what "4-H" means as applied to the 4-H Club?
Ans.—The letter "H" stands for the utilization of "Head, Heart, Health and Hand." And 4-H is a convenient way of writing the four H's. The Head represents a mind to think and plan; the Heart stands for kindness and sympathy; Health is, of course, an important factor in success, and Hand represents skilled labor.

Ques.—May I ask in your interesting question column if there are any women members in the British parliament?
Ans.—Yes. At the present time there are ten women in the British House of Commons.

Howell.—Along with a number of other cities of the state, Howell has been summoned to show reason why the Shiawassee stream is polluted by sewage from this city. This is just a renewal by the State Health Department of the old trouble which this city carried to the Supreme Court. Howell won in that suit—Republican Press.

**TWENTY-FOUR
YEARS AGO**

Thursday, October 19, 1905

Tuesday evening, about 7 o'clock a wreck occurred on the M. C. railway between the home of Jas. Guthrie and the Cavanaugh Lake road. A freight train, eastbound, parted near the Hoppe road and nine cars followed and crushed the remainder of the train. Conductor Ernest Gregg and the rear brakeman were in the waycar and jumped just before the crash.

Edward A. Nordman, who settled in Lima township in 1835, died at his home in that township last Friday. He was born in November, 1829. He was united in marriage with Mrs. Irene C. Horne in 1852. He is survived by the widow, one son and two daughters. Funeral services were held at the family home Sunday afternoon, Rev. E. E. Castor, D. D., officiating. Burial in Dexter village.

The report of the superintendent of the poor made to the supervisors that it costs \$2.25 per week for maintaining the inmates at the farm. This is exclusive of the produce that is raised on the farm.

Dependable Insurance

Chelsea, Mich.

one brother. The funeral was held from the home of her grandparents, Mr. and Mrs. Henry Spoor at 2 o'clock Monday afternoon, Rev. C. L. Adams officiating. Burial in Oak Grove cemetery.

James V. Clark was born in New York, November 6, 1804, and died at his home in Grass Lake, October 6, 1895. He was a resident of Sylvan for many years, and moved from this vicinity to Grass Lake about 18 years ago.

**KONJOLA BRINGS
AMAZING RELIEF
TO SUFFERER**

Entirely Free of Stomach Trouble After A Year of Intense Suffering.

MR. IVAN RICHARDS

"Indigestion pains and gas bloating were a daily occurrence and after every meal there was always a heavy feeling in the pit of my stomach," said Mr. Ivan Richards, 6395 Woodmont Ave., Detroit, Mich. "These gas pains would often center in the upper part of my back and I would suffer dreadfully for more than a half hour. Sharp pains would also strike me under the short ribs on both sides.

"The first relief I had in over a year came when I started on the second bottle of Konjola and from then on I improved rapidly every day. My appetite increased and everything I ate digested perfectly. I no longer suffer from the gas pains in my back and sides and that heavy feeling in my stomach disappeared. I am free of headaches and dizzy spells and my nerves are considerably stronger, thanks to Konjola."

Konjola is sold in Chelsea at Burg's drug store, and by all the best druggists in all towns throughout this entire section.

CHEVROLET SIX

—the Car of Universal Appeal!

SINCE January 1st, over a million one hundred and thirty-five thousand six-cylinder Chevrolets have been produced. Naturally, this is an outstanding industrial achievement. But it is more than that. It is a great public endorsement of Chevrolet's policy of progress: to build a quality automobile whose design incorporates every possible feature of progressive engineering . . . whose beauty is distinctive, smart and satisfying . . . whose reliability is assured by fine materials and precision manufacture . . . and whose price is so low as to be within reach of the great majority of the people. We want you to know what this policy has meant in the development of the Chevrolet Six—the modern car of universal appeal. We want you to know that Chevrolet has brought within the reach of everybody, everywhere, all the advantages of smooth, six-cylinder performance. Come in today!
