G. C. Raviler & Son To Construct Greenhouse

G. C. Raviler & Son, owners of Wayside Gardens, located south of Chelsea on U.S. 42, have announced their intention of entering the greenhouse business, and have started construction on two new buildings at their premises.

A service building, 15x50 and a greenhouse building, 15x100, will be constructed at this time. The heating plant, which will be placed in the service building, will be of sufficient capacity to heat twelve greenhouses. The size of the one being constructed, and the Ravilers plan to add new buildings as they are needed.

Both wholesale and retail business will be conducted by the new greenhouse firm. Potted, bedding and vegetable plants will be marketed the first year, more extensive lines being grown in operation before Christmas. The extensive growing of asparagus will also be continued at Wayside Gardens.

Mr. Raviler and son, George, are experienced in the greenhouse business, having operated a plant in Plymouth prior to coming to Chelsea more than four years ago.

Plymouth Kiwanians Entertained Thursday

One hundred twenty-five were present at the Kiwanis ladies' night affair which was held in the public school auditorium last Thursday evening, when Chelsea Kiwanians were hosts to their ladies and the Plymouth club and their ladies.

The banquet was served by the senior class of the high school. The tables were attractively decorated in Halloween colors, and arranged to form a letter "K". Halloween favors and game and music were furnished by local Kiwanians for the occasion and all enjoyed a round of merriment before the program started.

E. E. Storms, president of the local club, acted as toastmaster. Short talks were given by Mr. Luther Peck, president of the Plymouth club, G. J. Joliffe, of Plymouth, Kiwanis governor of this district, and Rev. A. E. Fotts. Katherine Fletcher rendered several xylophone solos, accompanied by Mrs. E. E. Moheaus at the piano.

Following the program, dancing and cards were enjoyed. Partners orchestra, Ann Arbor, furnishing music for the dances.

Telephone Employees Entertain At Party

The employees of the local telephone exchange entertained their friends at an enjoyable Halloween party Monday evening, at the home of Miss Clara Hutzler. Twenty-one guests were present. Several musical numbers by Mrs. Lewis Flood contributed to the evening's entertainment. Games and cards were played, prizes being awarded to Lewis Flood and Mrs. Eliza Ziegler.

A delicious lunch was served by the hostesses and the rooms and tables were attractive with Jack-O'-Lanterns and other Halloween decorations.

Fourth Boxing Show Is Interesting Event

On Tuesday night a good attendance of local fans witnessed the fourth boxing show of the season at Sylvan town hall. The show, as usual, was an interesting event. Five fast bouts made up the evening's entertainment.

The opening bout was between Hobby Gordon of Ypsilanti, and Ockie Buckles of Ann Arbor. These boys fought hard from the start to the close of the third round. Gordon proved to be the superior, by winning two of the three rounds.

The promoter was forced to substitute in the second fight, due to illness, Peter Koneski, a local boy, desirous of staging a comeback, was put in the ring against George Marcus, a student at Ypsilanti. Koneski fought gamely throughout the three rounds, but by aggressiveness and clever defense, Marcus was awarded the decision.

Bruce Gordon, of Ypsi, the older brother of Hobby Gordon, was matched with a lad of about his caliber, Stauch, of Ann Arbor. These boys fought toe to toe the opening round, but a terrific left hook delivered by Gordon landed squarely on Stauch's jaw and opened a cut on his opponent's lip. The bout was called at this stage of the fight.

Rex Carson, the restaurant lad, from Ypsilanti, and Forest Havens of Ann Arbor offered three good rounds of entertainment. Havens' aggressiveness won him the decision.

The final event of the evening supplied a smashing finish of the show. Chuck Layman, the athlete from M. S. N. C., jumped into some strong opposition when he was put against Merrill Richards of Ann Arbor. The bout was fast throughout. Richards was given one round while the judges awarded two to Layman.

A good batrach was awarded to the winner of each of the bouts.

Chickens Perish In Fire At Raviler's

The fire department was called to the home of G. C. Raviler, Wayside Gardens, on U.S. 42 last Thursday noon, when the chicken house on the premises was discovered to be on fire. The department arrived in time to save nearby buildings, but the flames destroyed the chicken house and about two hundred chickens perished. It is thought the fire started from a stove which was located in the work shop in one end of the building. The loss is partially covered with insurance.

A fire in a clothes press at the home of Mr. and Mrs. Geo. Haffey on South Street was cause for another alarm being sounded last Thursday evening.

Mr. Haffey had the fire partly subdued when the firemen arrived. A quantity of clothing was destroyed and two or three rooms were badly damaged by smoke. The loss was covered with insurance.

State Farmer Plans To Beat Hog Record

Most Michigan farmers are well pleased when they are able to market 20 good pigs a year, but Karl Smith, Okemos, plans to increase the number of good sows on his farm so he can beat his record for this year when he sold 207 pigs which weighed 172 pounds at six months of age and retained 60 good gilts.

Mr. Smith valued these pigs from 44 brood sows so the average litter size was 8.1. The pigs were farrowed in late February and early March, and they were sold September 13.

The pigs were started on middlings and corn, which was fed in a crop feeder, when they were from two to three weeks old, and they were immunized against hog cholera when four and five weeks old.

At 10 weeks, the pigs were weaned and were fed a ration of corn, middlings, and tankage. Clean alfalfa pasture was used after the pigs were two months old. Salt was kept before the pigs at all times but no other mineral was fed.

Two crops of pigs are raised on the Smith farm each year, and the second litter from the 44 sows will be sold on next spring's market. Twenty-five of these sows were entered in the Michigan pig crop contest conducted by the animal husbandry department at Michigan State College.

MICHIGAN TOLL CALLS
SHOW LARGE INCREASE

During the past four years there has been a growth of approximately 75 per cent in the number of toll messages sent over the Bell lines in the state of Michigan. In 1924, the total of such messages reached the then high water mark of 15,000,000, and in the four years since then it has increased to 26,000,000 for 1928. With this great growth in the number of toll messages there has been a corresponding increase in the number of toll users.

There are now over 650,000 toll telephones in the state and adding thereto the number of connecting telephones makes a total of over 730,000 interconnected telephones that can be reached alone in the state of Michigan. The number of toll telephones in the state has more than doubled since 1920, while in the same period the number of miles of telephone wire has more than tripled. This wire mileage now comprises about 3,400,000 miles, of which over 2,800,000 is in underground cable, more than 1,000,000 in aerial cable and the balance, or nearly 800,000 miles, consists of open wire. About 21,000 miles of pole lines are employed by the Bell System in the state of Michigan to carry the aerial cable and open wires.

HENRY H. FENN DRUG STORE, Chelsea

Saturday, November 2, 2 p. m. to 4 p. m.

MUL-SO-LAX IS A SCIENTIFIC REMEDY

for chronic constipation, chronic appendicitis, gas and sour stomach, indigestion, colitis, piles, backache, headache, rheumatism and all affections of the stomach, bowels, kidneys and liver. Take Mul-So-Lax regularly as directed and it is bound to bring you substantial relief.

MRS. GEO. D. McMEEKAN

I would not be without Mul-So-Lax in the house for anything, says this lady.

Mrs. Geo. D. McMeekan, R. F. D. Recreation Park, Kalamazoo, was much overweight and suffered continually with chronic constipation, stomach trouble and sugar diabetes which caused frequent bleeding.

She says: "My husband was taking Mul-So-Lax and had received marked benefit, having been relieved entirely of constipation and indigestion and suggested I try it too. I began using it regularly and after taking several bottles I am now entirely free from constipation, bloating and stomach trouble and am back to normal weight."

My physician was surprised at my improvement and he now recommends it also. I am glad to add my praise because it certainly has made life worth while to me again."

DETROIT LADY PRAISES

MUL-SO-LAX

Mrs. F. J. Booker, 2732 Grand Ave. West, Detroit, says, "I have used Mul-So-Lax for the last two months and it has put me in the pink of condition. Before my baby was born I was bothered greatly with constipation, and it surely helped me wonderfully. My physician told me I owed my easy time when the baby was born to the use of

MRS. F. J. BOOKER

Mul-So-Lax. I also gave it to my two year old boy, and it had entirely relieved him of chronic constipation. I am mighty glad to recommend it to the whole wide world."

"WONDER OF WOMEN"

With Lewis Stone, Peggy Wood and Leila Hyams. Sudermann's great novel has now been made into a dramatic screen sensation.

It portrays in powerful climaxes the struggle in the soul of a musical genius, beaten down by a prosaic marriage, who finds inspiration in a flaming romance with a beautiful singer.

Directed by the man who made "A Woman of Affairs" and "Trail of '98."

Extension Work Briefs

The goals set for 4-H winter clubs, enrolled in Washtenaw county, are as follows: Clothing, 250 members; Handicraft, 150 members; Hot Lunch, 150 members.

The boys' and girls' club work in this county is a part of a state-wide program which, last year, had 19,022 boys and girls, between the ages of 10 and 20 enrolled in 82 counties.

The activities of 4-H club members in Washtenaw county include learning to do the things required in projects for which they enroll; attend meetings, tours, picnics, camps, and other events of an educational and recreational nature.

Each year a four-day program is offered 4-H county champions at Michigan State College. The highest honor that can be won by a 4-H club member is a trip to the National Club Camp at Washington, D. C., each summer.

Only two boys and two girls from each state can attend this camp. Last year, John Converse, Calhoun county; David Bergma, Chippewa county; Ingrid Mattson, Iron county; and Ruth Gilling, Osego county represented Michigan at this camp.

In 1928 Raymond Girbach of Washtenaw county was one of the representatives and in 1927 Leona Gale, also of Washtenaw county, was a representative.

Boys and girls who wish to take up clothing, handicraft and hot lunch club work this winter should discuss the matter with their teachers, or other leaders in their communities who in turn, should bring the matter to the attention of the county agent, Mr. A. E. Hagen.

The following clubs have enrolled for clothing club work this winter to date: Endwell Wee Willing Workers, leader, Mrs. Shirley Suma, teacher in the Hagen school district; President, Rosine Stehle, vice-president, Patricia McAuliffe; secretary, Margaret McAuliffe; treasurer, Mary Jane Taylor.

The clothing and handicraft clubs in the Fowlers Corners school, Superior township; Clothing club leader, Mrs. Marie A. Salsbury; Handicraft club leader, Mrs. J. R. McKee; president, Kenneth Saultz; vice-president, Alfred Lobastack; secretary, Rose Herod; treasurer, Bernice LeFurge; Platina Happy Hour, leader, Mrs. Olenn Sunday; president, Jessie Fredette; vice-president, Yola Fredette; secretary, Betty Mitchell; treasurer, Ruth Mitchell.

Quantity & Quality Handicraft club, Lima township; leader, Olney Outwater; Busy Carpenters club, Lyndon township; leader, Guy Hartman. The Sutherland Stitches, led by Charlotte Kalmbach; president, Madeline Rabber; vice-president, Eva Oshmann; secretary, Helen Harwood; treasurer, Audrey Rabber.

The following wire was received by A. E. Hagen, county club agent, from A. L. Watt, former county club agent of Washtenaw county, congratulating the Washtenaw county 4-H club members on their success in winning second place on Jersey herd at the National Dairy show at St. Louis, Mo.

"Hearty congratulations to you and club members on splendid success at St. Louis." Signed, A. L. Watt, U. S. D. A. Experiment Station, Mandan, North Dakota.

Mr. Watt was one of the pioneers in 4-H club work in the country. He is now director of the experiment station for the United States Agricultural Department at Mandan, North Dakota.

The following brief story of the trip taken to the National Dairy Show at St. Louis, Missouri, by the boys and girls of Michigan, written by Leo Ziegler, who went as the guest of the County Holstein Breeders' association.

"It was awarded the trip to the National Dairy Exposition at St. Louis, Missouri, by the Washtenaw County Holstein Breeders' association for keeping a record of the production of my cow for the past year. This is the greatest dairy show in the world. There were twelve hundred and ninety cattle shown, these coming from Cuba, Canada, and the United States. Ninety-seven of them were from Michigan.

Dorothy Zimmerman, a 4-H club member from Washtenaw county, won third prize on her Jersey cow in the club class.

Lincoln's monument, in Oak Ridge cemetery, under which lies his tomb, which is covered with flowers sent by great men interested in the fifty-five delegates from Michigan. The Mississippi river, the longest in the world, the Illinois state capital, the Lindbergh trophies in the Jefferson Memorial, and the National Stock yards were visited."

Dr. G. B. Smith, Chief, Office of Cooperative Extension Work, United States Department of Agriculture, Ruby Richards, 4-H club girl from Tippecanoe county, Indiana, Sam Reed, Pochantas county, West Virginia, 4-H club boy, and I. W. Hill, field agent for the United States Department of Agriculture in the southern states, will appear on the program of the fourth National 4-H clubs radio program which will be broadcast by the National Broadcasting Company stations on Saturday, November 2 from 1:00 to 1:45 p. m. Eastern Standard time.

Many of the Washtenaw county 4-H clubs will hold special meetings during that afternoon so as to hear this program.

Millions of Miles of Constant Testing

to maintain the outstanding quality and dependability of The Chevrolet Six

In spite of the fact that a million Chevrolet Sixes have already been placed in the hands of owners, and have proved their performance and stamina by billions of miles of service over every type of highway the nation affords—

the Chevrolet Motor Company continues to take new Chevrolet Sixes from the assembly line at the factory and subject them to pitiless testing on the roads of the General Motors Proving Ground!

This passion for proof—this consistent refusal to accept any tests as final—is one of the fundamental reasons for the overwhelming popularity of Chevrolet cars. For in no other way is it possible to make the Chevrolet Six so sound in design and materials—so dependable in performance—and so economical to operate!

If you are considering the purchase of an automobile, come in and see the new Chevrolet. You will find that it is more than a Six in the price range of the four. In every way it is a finer car than you ever thought possible in the low-price field!

Saline—What was probably the largest crowd to ever pass through Saline in one day ended its way to the stadium in Ann Arbor Saturday and saw Ohio State beat Michigan by 7 to 0. At one time the line stretched from the signal light as far south on Ann Arbor street as Merrett Martin's home. It is said that more than 20,000 Ohio people attended the game and we believe at least two-thirds of them passed through Saline, going and coming.

Brooklyn—Jackson county supervisors, park commissioners and the secretary of the East Michigan Tourist Association made a tour of the nine county parks in Jackson county on Wednesday. Laws Explained By Conservation Dept.

In order to satisfy the many inquiries which he received at his store regarding the exact date when trapping of muskrats would be allowed in this part of the state, and an opinion on the Sunday hunting law in the county, F. W. Merkel, local hardware merchant, wrote the State Conservation Department for an opinion. The answer which Mr. Merkel received is as follows:

Mr. F. W. Merkel, Chelsea, Michigan, Dear Sir:

I have your letter of October 8th, and would advise that Township 10 North is the north line of Oceana, Newaygo, Mecosta, Isabella and Muskegon counties. All that part of the state south of that line and in the thumb which is east of Saginaw Bay is open to muskrat trapping from December 1st to December 31st. In all of the territory north of that line and west of Saginaw Bay the season extends from November 15th to December 15th.

The law prohibits Sunday hunting in Washtenaw county on the lands of another. This does not prohibit the owner of land from hunting thereon on Sunday, but does not give him the privilege of allowing others to hunt thereon.

Yours very truly,
G. M. McCann, Chief Clerk
Conservation Dept.

More About Poor Stomachs

As we went along with VOCO Stomach preparation we began to get orders from druggists throughout the entire United States. We then placed it in the hands of the wholesale druggists to supply the demand. Today we are enjoying a wonderful business on VOCO. The letters we receive are most gratifying to us and as we had done no advertising we considered it our duty to let the people know of this wonderful stomach powder, hence this free publicity.

If it were not an absolute Stomach corrector we would not have let it go to the public. You who have taken pounds of Soda and Magnesia can convince yourselves of its value by writing us for a FREE three day treatment. One dose proves it—not to be confused with patent medicines. Setting the pace for all other low-priced sixes

In every phase of performance, today's Pontiac Big Six is setting the pace for all other low-priced sixes. Come in, see this car and learn about its many big car features. Then you will know why Pontiac is outperforming its field—

In Speed. The highest top speed in any low-priced six—proved by the "fifth wheel," the most accurate speed measuring device known.

In Acceleration. The fastest acceleration provided by any low-priced six—also proved by the scientifically-accurate "fifth wheel."

In Power. Sixty brake horsepower developed at 3,000 r. p. m.—the highest power to be found in any low-priced six—produced at moderate engine speed.

In Safety. Because of its non-squeak, internal-expanding four-wheel brakes—its hard-wood-and-steel body construction—its full tread axles, front and rear.
