Princess Watassa To Talk In Local Schools

The Washtenaw County Branch of the Michigan Tuberculosis Association will bring Princess Watassa to Chelsea next Monday, when she will give interesting health talks in the local schools. She will talk at St. Mary's school at 115 and at the public school at 215.

She brings fascinating health stories based on Indian legends, and her name translated into English means "bearer of happiness," and she is that and more to the thousands of children who hear her health message.

Watassa, in presenting her program draws generously upon the colorful features of Indian life that make the Red Man an everlasting source of interest to school children. Her stories are tales of strife and conquest, of life in the open as led by the Indians before the White Man came to this country. Her costume is of buckskin, painted with Indian characters. She wears beaded moccasins, buckskin leggings, a symbolic headband, and a necklace made by an Indian squaw of animal teeth, beads and dried seeds. She carries with her a tom-tom, rattles, dolls, and other interesting Indian trinkets.

Ingeniously woven into the Princess' stories are sterling health morals and truths. Almost unconsciously, children both of grade and high school age, learn the importance of sleeping with windows open, eating fresh fruits and vegetables, drinking plenty of water and playing out of doors. Just as Indian children used to do.

Officers Are Elected By Lafayette Grange

At the October meeting of Lafayette Grange the following officers were elected:
Master, Olney Outwater; Overseer, Geo. Wiseman; Lecturer, Frances English; Steward, Peter Osterle; Asst. Steward, Albert Plesonier; Chaplain, Angie Osterle; Treasurer, Mina Wiseman; Secretary, Otto Webb; Doorkeeper, John Hecker; Ceres, Ollie Outwater; Pomona, Myrtle Pierce; Flora, Lillie Cooper; L. A. Steward; Pauline Plesonier.

The new officers were installed at the home of Mr. and Mrs. John Liebeck Thursday, November 7. Mr. and Mrs. Philip Riemenschneider were the installing officers, and gave an excellent report of the State Grange held at Ionia.

CHELSEA ASSURED OF MORE UNIFORM SUPPLY OF ELECTRIC CURRENT

New High Tension Line Nearing Completion; Additional Transformers Being Installed.

Work on the new high tension line which Consumers Power Company is erecting between their sub-station on South Main street and the local distributing plant on North Main street is progressing rapidly and it is expected that the line will be complete within the next few days.

The new line, when completed, will extend from the sub-station west along the D. U. R. right of way to Wilkinson street, north to North street and east to the plant. The line is much larger than the one which carried the power to the local plant and will insure a larger supply of current to the plant.

The power was shut off Sunday morning from 1:00 until 5:00 o'clock while hook-ups necessary to supply the plant from the new line were being made, and it is expected that Chelsea will experience another lapse in electric service within the next few days, while the final hook-up is being made. It is reported that this work will be done during the daytime so as to minimize the inconvenience to users of electricity.

Considerable complaint has been registered by people in some parts of the village that voltage was so low that they were inconvenienced to a great extent during the evening hours. With the new high tension line being an added bond to the municipal plant, and with the installation of additional transformers which are being placed about town, local officials are of the opinion that electric service will be much more satisfactory in the future.

Installation of hundreds of new electrically operated heating units, radiators, refrigerators, etc., has greatly increased the use of electricity and is given as the reason for the low voltage reported.

LOSERS FINGERS IN HUSKER

Clarence Wahl of Lima caught his hand in a corn husker last Wednesday, necessitating the amputation of three fingers. He was brought to Chelsea Private hospital.

Rural Residence Is Damaged By Fire

The home of Mrs. Elvira Clarke Visel at the Chelsea Greenhouse was badly damaged by fire last Thursday noon. The family had just finished dinner when they smelled smoke and, upon investigation, found that a clothes press on the second floor was in flames. The blaze was kept under control with a fire extinguisher and the greenhouse water system until the arrival of the rural pumper from Chelsea, and the fire was completely extinguished after an hour's work by firemen.

The second floor of the house was badly burned, especially in the southwest corner. John Ballard lost most of his clothing and all of his personal property in the fire. Some of the rafters and studding will have to be replaced, all of the rooms redecorated and floors refinished, and some of the rooms replastered. The amount of the damage and the cause of the fire has not been ascertained.

A number of high school boys followed the pumper to the scene of the fire and through their efforts the furniture was carried from the first floor.

Mrs. Visel wishes to express her thanks to the Chelsea firemen for their efficient work in fighting the fire. There is no doubt but that the house would have been completely destroyed without their aid.

Convict Is Captured South Of Francisco

Freedom was short lived for Arthur Sheehan, 19-year-old life inmate of the Michigan State Prison, who escaped early Saturday evening over the south wall of the new prison at Jackson.

Sheehan was captured "in 11" a. m. Sunday, about one mile south of Frankfort, by Capt. Bud Freeman and Officer Harry Warner, of the old prison guard force, after a chase of about a half mile in which the guards fired 15 shots at the fleeing prisoner. None of the shots took effect but Sheehan finally fell exhausted and submitted to capture without resistance.

The guards found the escaped man entirely by accident as no word as to his whereabouts had been received. Captain Freeman was driving Warner to a road intersection south of Frankfort where the officer was to be posted as a lookout. A short distance out of the village, the two saw the sight of Sheehan in a field and stopped their car. The convict immediately started running and the guards drove around behind him, checking his escape from the rear. His surrender followed with his collapse from exhaustion.

Sheehan was sentenced at the age of 16 on July 21, 1920, from Recorder's Court, Detroit, to serve life for first degree murder. He was a member of a notorious hold-up gang in Detroit and had a particularly bad record.

North Sylvan Grange Elects New Officers

Dates Announced For Annual St. Mary Fair

Dates for the annual St. Mary's Fair have been set for Monday, Tuesday and Wednesday, November 26, 27 and 28, and plans are being made by committees in charge for one of the best events of this kind ever held by the local Catholic church.

All kinds of novelties, produce, fancy articles, blankets, novelties and candy will be on sale each evening, and there will be fun and entertainment for everyone.

The ladies of the church will serve a chicken supper on Monday evening, November 25, from 5:30 to 8:00.

County Eastern Star Honors Local Lady

At a meeting of the Washtenaw County Association of the O. E. S. S. Mrs. Iza Guerin of Chelsea was elected chaplain for the coming year. Those attending from the local chapter were Mesdames Helen Baxter, Vivian Parks, Alberta Schroeder, Iza Guerin, Theresa McElride, Tania Neals, Alma Meserava, M. Van Horn, Albert Ashfall, Ruth Schenk and Anna Hoag. Mr. and Mrs. H. Serviss and Miss Nellie Maroney.

Your Ford dealer offers solid values in USED CARS

WHAT do we mean by "solid values"? Simply this:

When you buy a used car from us you pay just what that car is worth. There has been no inflation in the resale price to take care of an unreasonable trade-in allowance. The price of the new Ford is very low, and the value high; there is no leeway for excessive trade-in allowances. That is why you can buy a used car from us knowing the

price you pay is for the service that car will give, and nothing else. Our used car department is based on a spirit of fair-dealing. We would hardly care to risk our reputation by acting otherwise. Come in today and see some of our bargains in unused transportation. There are several makes now on display. Model T Fords are thoroughly reconditioned, and carry a guarantee.

Kelly-Springfield Tires!

Kelly-Springfield Tires lower operating costs by giving unusually long, trouble-free mileage. This long mileage is the natural result of correct design, high quality materials and skilled workmanship.

The tread is so designed that as the tire wears the non-skid qualities are increased. The heavy center running strip increases the tire's mileage and affords additional protection against cuts and bruises.

The side walls are protected and reinforced by heavy curb rings and the head is of the strongest possible construction.

If you want exceptional tire service whether it be for trucks, busses or passenger cars, you will find it in Kelly-Springfield tires.

America's answer to humanity's challenge

The local committee in charge of Red Cross work in Chelsea announces that the annual Roll Call will be held here Saturday of this week. Young ladies will be stationed in the post-office and in both banks to accept memberships, and it is hoped that all citizens of the community will enroll to help in the work which is being carried on by the Red Cross organization. Disaster relief work, service to disabled veterans and their families, public health work and its many other activities caused expenditures of \$11,064,000 by the American Red Cross for the year ended June 30, 1929, according to the annual report of the organization. This work by the Red Cross is supported by the annual Roll Call for members, which is held throughout the country from Armistice Day to Thanksgiving Day.

The local committee consists of Mrs. A. L. Steger, Mrs. D. H. Wurster, Mrs. J. E. McKinn, P. G. Schallie and H. D. Withereil. They have always been active in carrying on Red Cross charity work in this community, as well as contributing to the American Red Cross fund, and all are urged to contribute to this worthy cause.

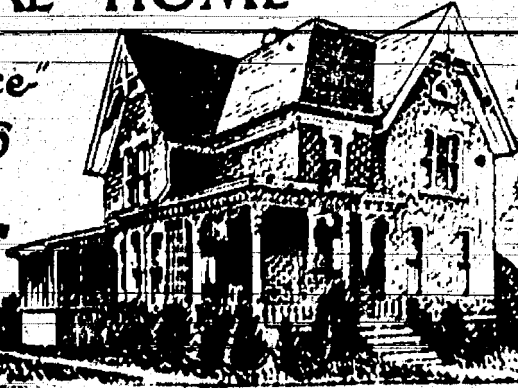

The First Forty Years With Webster Pioneers

PERHAPS one of the earliest moves toward prohibition in the United States was at a meeting called for that purpose in Webster township in 1829. Here a temperance society was organized, and a pledge against use of strong drink was adopted. The meeting was held at the home of a Mr. Boyden.

Former Waterloo Man Quoted In Free Press

In an article accompanied by his picture, which appeared in last Sunday's Detroit Free Press, Dr. F. R. Gorton, professor of physics at Michigan State Normal College, Ypsilanti, comments upon man's exploration of the atmosphere and interior of the earth. Mr. Gorton, a former Waterloo resident, is a brother of L. L. Gorton of that place. The article follows:

"Man's exploration will never go beyond the atmosphere of the earth—he will never be able to reach the planets."

Dr. Gorton bases his deduction on the fact that vacuum exists outside of the earth's atmosphere; the earth's atmosphere is approximately 200 miles in depth and beyond this lies many thousands of miles of vacuum space to the nearest planet.

"A projectile hurled in the direction of a planet would lose a sense of direction and controlling capacity as soon as it had passed beyond the atmosphere of the earth," he said. Several attempts have been made to send rockets to the moon, but each venture has failed because of the motion of the rocket was dependent upon the success of the successions of the rocket which would be useless when the projectile encountered a vacuum.

"Man's next territory of exploration will be under the earth's crust, in the ocean's depths, and up in the earth's atmosphere."

"Under the crust of the earth man has about 5,000 miles of depth to explore. What he will find remains to be seen, but as time goes on man will delve farther and further into the depths of the earth's formation. To date his depth of exploration has not exceeded four miles. This is, comparatively speaking, upon the earth's crust."

"Man has just skimmed the surface of the ocean and new worlds may be found within its depths."

Tourists' Bureau Open For Winter

Complete information on local, state and national road conditions is now being offered by L. G. Palmer through the courtesy of the Auto-Owners Insurance Company of Lansing. All motorists, whether insured with the Auto-Owners company or not, have been asked to make use of this new service.

Mr. Palmer's equipment for answering requests for road condition information consists of special maps, atlases, guides and a bulletin service. This is identical with each of approximately 200 divisional touring bureaus operated throughout the state by the Auto-Owners company.

According to Mr. Palmer, all information on Michigan road conditions given out from his office will be taken from the official Michigan state highway department detour bulletins. National and Canadian road condition information which is also on file here is compiled by the Auto-Owners home office touring bureau from similar official sources and sent out to the Palmer agency as changes occur.

"Special efforts have been made to prepare for southern tourist traffic this winter," Mr. Palmer said. "We can obtain on short notice descriptive literature on practically any southern or western tourist attractions for those requesting it. Policyholders may in addition take advantage of a special routing service made up for them at the Auto-Owners home office touring bureau."

Those wishing to take advantage of this touring service may secure it by phoning or calling at 222 S. Main St.

Chevrolet Sets New Production Records

All October production records in the history of the Chevrolet Motor Company were broken last month with an output of 85,015 cars and trucks. It was announced at the central offices here today.

Compared with the output of 65,052 units for October of last year, the 1929 October manufacturing volume shows a gain of more than 20,000 units. It indicates an increase of more than 300 cars and trucks a day over the showing for the corresponding month of a year ago.

Chevrolet's record October performance brings output up to 1,275,778 units as of November first. This is more cars than Chevrolet has ever built in an entire year and is nearly five times the number of any other six-cylinder car built in an entire year. Due to the continued demand, Chevrolet plants are working on the big-

gest November schedule on record. An indication of the volume of business that Chevrolet is doing is seen in the report for the last ten days of October which shows a gain of 40 per cent over the corresponding period of last year. The figures for the period are 36,040 for the last ten days of this October as compared with 24,580 for the corresponding period of 1928.

ANN ARBOR

METHODIST HOME

Leonard Lewis of Sarnia who has been visiting his sister, Mrs. W. J. Palmer returned to his home, Monday.

Mrs. Jennie Wood has the sympathy of all the members of the Home in the death of her only daughter, Mrs. Bertha Morrison in Ann Arbor last week.

Word received from Mrs. Ellie Elmes says that she accepted a position in the General Hospital in Saginaw. Her many friends here will be pleased to learn the above fact.

Miss Alice Bird of Detroit is spending a few days visiting friends in the Home.

Mr. and Mrs. S. D. Graham, their daughter, Margie and Miss Margaret Neal of Detroit were guests of Mrs. Joe Gorton, Sunday.

Mrs. George Truesdale of Belleville was a guest of Mrs. Amelia Lewis and Mrs. Joe Gorton, Saturday.

Mrs. Nellie Rumford spent the week-end with her children in Detroit.

The High School League of Belleville are expected to visit the Home next Sunday afternoon. Exercises will be in the auditorium at 3 p. m.

Last week we made mention of Miss Emmons of Port Huron coming to join the family. J. T. Shields of Detroit is the next one expected, and will be followed by Miss Rambeau of Milan. This will bring our number up to 83, the largest membership since the organization.

The management is trying to solve the riddle what to do with them all as at present every corner is filled. The Standard would suggest rubber side-walls to stretch indefinitely or cages to hang under the eaves.

Mrs. Susan Baldwin entertained a couple of old Morénci friends last Thursday: Mrs. C. C. Pauver and Mrs. Blanch Wilson.

Mrs. Laura Smith of Salem visited with Mrs. Elizabeth Atchinson, Saturday afternoon.

Mr. and Mrs. Robert H. Richards and Mr. and Mrs. Acker of Detroit called on Mrs. Mary Howe and Mrs. Sarah McGregor, Saturday afternoon.

Mrs. Sarah McGregor's callers the past week were Mrs. Jack Lamb of Detroit, Mr. and Mrs. G. W. Phelps.

Mr. and Mrs. Charles L. Parks of Royal Oak.

Rev. C. S. Riley and C. S. Fouts of Ridgeway accompanied by their wives, visited Miss Abbey Carey and other friends last Thursday.

Mrs. Sarah Ackerman returned Saturday from a two week's visit with children in Detroit.

Mrs. Jennie Wood entertained her grandchildren Sunday afternoon. Mrs. Wood's health did not permit of her attending the funeral services of her daughter which was held that day and the grandchildren came out to see her. They are Joseph Morrison and wife of Highland Park, Mrs. Ralph Dystant of Kansas City, Mo., and T. R. Morrison of Detroit. A very commendable visit of the children.

Mrs. Stanley Swain and son, Keith, and her sister, Mrs. Byron Sanso of Manchester visited their mother Sunday, Mrs. Myra Gage.

Mrs. Sophia Elliott's callers Tuesday were Mrs. Erwin Rude of Ann Arbor and other friends.

Mrs. Nellie Rumford entertained her sister, Mrs. H. W. Venners of Detroit. She was accompanied by Mrs. A. L.

Venners, Mrs. Scott McCormick, Mrs. B. Boulware and Mrs. P. L. Ahrens, Friday.

Miss Mabel Collins entertained her cousin Friday, Mrs. Agnes Runeman of Lansing.

A goodly number of the Epworth League of St. Paul's church of Highland Park visited the Home Sunday.

They gave a very creditable and acceptable entertainment in the auditorium in the afternoon. They have been here before and will always have a welcome to come again.

Mr. and Mrs. H. V. McIntosh of Detroit were callers on Mr. John A. Cape Sunday.

P. M. Roberts spent a couple of days in Detroit last week.

Miss Reba Burrell left Friday for a visit in Denton. She may get lost in the busy, noisy congestion of that city.

TWENTY-FOUR YEARS AGO

Thursday, November 9, 1905

Word was received here Tuesday morning announcing the death of Fred Mensing that morning at the home of his daughter, Mrs. J. W. Notten of Ventura, California, in the 84th year of his age. The remains will be brought here for burial. The funeral will be held in Salem German M. E. church, Sunday.

Andrew Barth was born in Hufenhard, Germany, October 9, 1882 and died at his home in Sylvan, Friday, November 8, 1905. The funeral was held in St. Paul's church, Sunday morning, being conducted by Rev. A. A. Schoen. Burial, Vermont cemetery, Sylvan.

Three thousand dollars was raised for the proposed new school building, that is to be built by the parish at the close of the mission service in St. Mary's church, Tuesday evening.

THIRTY-FOUR YEARS AGO

Thursday, November 7, 1895.

Seven members were added to the membership roll of the M. E. church last Sunday morning.

Supervisor Lighthall of Sylvan, chairman of the county board of supervisors, gave the members of the board a supper in Ann Arbor, Friday evening.

The residence of Frank Forner of Sylvan was destroyed by fire Sunday afternoon. None of the contents were saved.

Announcement has been made of the engagement of Miss Myrta H., daughter of Mr. and Mrs. C. H. Kempf, and Mr. Clarence J. Chandler.

Married on Tuesday, October 15, 1895, at Montezuma, California, Miss Emma Kilmer formerly of Chelsea to W. O. Cairns.

James Ackerson was called to White Oak last week by the death of his father.

Rev. W. P. Conditine, pastor of St. Mary's church, will have completed ten successful years of service as pastor of the church on Friday evening, November 15. The members of the parish will serve a supper followed by a program to commemorate the event.

Saturday evening Mr. and Mrs. Geo. P. Glazier were thrown from their carriage on South street when the team they were driving ran away. The horses sprang into a run when a brittle brake.

The vehicle was thrown against an iron post in front of the residence of Mr. and Mrs. J. G. Hoov-

Camels are for knowing smokers!

It's just too bad if any smoker because of misinformation denies himself or herself the pleasure of CAMELS.

New smokers are not always in a position to have a real preference in cigarettes. But when they acquaint themselves with Camels they develop that sense of discrimination that leads to real smoking pleasure. Camels are made so carefully and of so good a blend of choicest cigarette tobaccos that even those with inexperienced smoking taste quickly recognize their superiority. They are for those who appreciate the taste of choice tobaccos, the fragrance of a perfect blend and the soothing mellowness of a really satisfying cigarette.

Railways and The Telephone

A freight train puffs quietly on the siding—waiting—the outlines of the cars showing dimly through the darkness. A minute passes—two—three. Then over the night air floats a muffled whistle. Far down the track a light appears. The rails begin to hum, the light grows bright, and a passenger train roars past, windows gleaming. Then the freight comes to life and the long, shadowy outline moves away.

Four million persons in Michigan are served by this steam transport system—four million persons rely upon it, and upon its worthy partner, the electric railway lines. Michigan desires the prosperity of these efficient and progressive railways, for only as they prosper can they serve.

Over hill, across valley—paralleling the rails or following the highways—go the telephone wires, freighted with the spoken commands of industry, agriculture, finance and business.

Railways and wireways traverse the land as partners in progress. Upon the one you depend for the transportation of yourself, your family and your goods. To the other you give your voice to be flashed immediately, one mile or thousands, from your home or your office.

The great rail transportation systems and the universal service of the telephone are vital factors in this country's development and prosperity.

Our policy—"To continue to furnish the best possible telephone service at the lowest cost consistent with financial safety."

Stock-Reducing, Money-Raising Auction Sale!

Starts Thursday, November 14
at 2 and 7 o'clock P. M.

Now Buy Your Furniture at Your Price!

FRIENDS AND CUSTOMERS:

Our policy has always been to give you better furniture at the lowest possible cost. Our organization and factory connections have made this possible. Now, because of an overstocked condition we must take drastic steps to fulfill our factory agreements. Our store, garage, and two warehouses are loaded to capacity. We have several loads for immediate delivery. We must sell a large amount of furniture immediately.

We are here to stay, our lease extends ten years and during the remainder of this time we will continue to give you better furniture for less money always.

CHAS. WUERTH & CO.

A. S. Schmidt.

Look! - - Read!

This is more or less of an experiment. Never before has there been a beautiful, complete, high quality stock of furniture like ours sold at auction. Only with your co-operation can the sale be successful.

Folks, can you imagine selecting furniture from the largest, most complete stock of high quality, guaranteed furniture in Ann Arbor and then having it put up at auction? Why, it's an opportunity of a lifetime! We expect hundreds of people in the store Thursday and we'll have salesmen on the floor to help you make your selections—Remember, nothing will be sold until 2 p. m. Thursday. Most of you know what kind of furniture we sell and also know that our prices are right. We urge those who are not our regular customers to join the crowds that will save money at this opportune auction sale! Everything will be sold for cash! A suitable deposit will hold any article a reasonable length of time.

Your patronage will mean lower furniture prices in Ann Arbor. We'll prove to you conclusively that it's not necessary to go to Detroit for real furniture bargains! Remember, the Auction Sale starts Thursday p. m. at 2 and 7 o'clock and continues until further notice. No reservations—any piece you want will be sold.

FREEZE with heat. It sounds
impossible. But that's just
what is done in the new Gas
Refrigerator. The Electrolux has
no machinery to get out of
order or need attention and no
moving parts to make the slight-

SCHOOL NOTES

Armistice Day did not pass unob-
served in the Chelsea High school. The
High school assembled and sang sev-
eral patriotic songs. Mr. Clark then
introduced our first out of town speak-
er, Rev. Richard, a comparatively young
man, told of his experience in the
famous Palestine campaign of the
World War. He enlisted at the early
age of 19 and served under General
Allenby in the capture of the city of
Jerusalem. Rev. Richard is a native
of England, and he is very interesting,
captivating the attention of everyone.
His closing phrases were words to
the effect that the boys and girls to
whom he was talking, on November
11, would be the boys and girls to fight
in a next war. He asked that God
forbid the experiences he had under-
gone and prayed for the dawn of a
day when the cruelty and horror would
be completely banished.

Chelsea—Saline Football Game
With a determination of another
victory in sight, the Chelsea squad
journeyed to Saline last Friday to de-
feat the Saline High boys 24-0. This
is the seventh straight victory for the
Chelsea boys and still going strong.
Although Chelsea's two regular
ends were on the bench with injuries,
Chelsea outplayed Saline in all ways.
Chelsea made 17 first downs in com-
parison with Saline's 4. Chelsea's
punting and returning of punts was
more than Saline's.

The only ground-gainer on the Sal-
ine squad was the lanky fullback who
stopped at the line most of the time.
The Chelsea backfield and line were
working very good and new plays were
tried and proved successful. Chelsea
after winning the toss marched stand-
ingly down the field for a touchdown,
making three more in like manner.
A hard game is faced by the boys
Friday at Wayne. Remember the
Thanksgiving day game at 10:00 with
Milan.

MRS. CHARLES CARPENTER
Mrs. Charles Carpenter, aged 65,
died Friday, November 8, at the fam-
ily home, 700 Avalon Ave., Highland
Park.

Mrs. Carpenter, formerly Miss
Lottie Mary Swarthout, was born in
Chelsea, January 16, 1864, the daugh-
ter of Theodore and Mary Swarthout.
She was united in marriage to Charles
Carpenter on November 7, 1882, and to
this union were born four children,
two sons, Harold and Charles, prede-
ceding their mother in death. Mr. and
Mrs. Carpenter were residents of Chel-
sea until 1916, when they moved to
Highland Park. Mrs. Carpenter was a
member of Corinthian chapter, G. E. F. S.

She is survived by the husband; one
son, Emmet, one daughter, Mrs. Ernest
Cook, and eight grandchildren, all of
the Highland Park; two brothers, Fred
and Frank Swarthout, of Jackson, and
two half-sisters, Mrs. Arthur Peters
of Battle Creek and Mrs. Reuben Hies-
ler of Chelsea.

The funeral services were held at
10 o'clock Monday forenoon at the
residence, Rev. William Colman, pas-
tor of the First Baptist church, at-
tending, and the body was brought
to Chelsea and placed in the vault at
Oak Grove cemetery.

ENTERTAIN AT BRIDGE
Mrs. J. S. Cummings, Mrs. A. L.
Steger and Mrs. R. E. Jolly were hos-
tesses at a beautifully appointed bridge
luncheon given at the Hamilton Tavern
in Ann Arbor, Tuesday afternoon.
Covers were laid for 40 guests. The
rooms were prettily decorated with
gallow helleboms and yellow tapers.
A delicious two-course luncheon was
served.

OUR NEIGHBORS

Dundee—The village council has
plans for holding the special election
whereby the tax payers may vote on
the question of issuing bonds for the
building of a filtration plant and water
softener. The date decided on for the
special election is Monday, December
16th.

Northville—Rats—hundreds and
hundreds of them—have made an in-
vasion of the west side of Northville,
according to a complaint made Mon-
day night before members of the vil-
lage commission. The invasion has fol-
lowed the erection of a dump on a lot
on West Main street just west of
Rogers street, according to residents
in that locality. Record.

Hanover—A 74-foot derrick has been
built and workmen are now busy plac-
ing the machinery for the drilling of
the oil well east of Hanover. A derrick
of this height will permit drilling
to a depth of 2,000 feet and can be
easily seen on the north side of the
road adjoining the property. Visitors
will be welcome as soon as drilling
operations commence, which will be
within a week, but all who come will
be responsible for their own safety in
case of accident. Local.

Mason—One of the largest ship-
ments of livestock ever made from the
local station was assembled here Wed-
nesday of last week for delivery to
the Detroit market. Claude Edgar, sec-
retary of the Mason Co-Operative
Shippers Assn., reports eight decks
of excellent stock leaving the yards
over the M. C. & N. Included in the
shipment were 700 head of fat lambs;
90 finished hogs; 52 veal calves and 18
head of fat cattle. News.

Saline—Thieves are again at work
in our vicinity. Saturday night two
pigs and three sheep were stolen from
the David Sloss farm, west of town.
Thieves opened the gates at Ford
Cross farm and let out horses; one of
which was killed by the Wenzel car
Sunday morning. Observer.

Howell—The United States postal
department has notified the postmaster
of this city that the six rural mail
routes here are to be consolidated into
five routes.

WHY SUFFER WITH COLDS

WHEN IT IS SO EASY TO PRE-
VENT THEM?

Colds are serious because they so
often develop into La Grippe and pneu-
monia. But it is easy to keep from
catching cold even though one is obli-
ged to work in the same room with
someone who is sneezing and cough-
ing. Many people have found that
keeping the digestive system in good
condition and the bowels open enables
them to throw off colds before they
even get started. Mul-Sol-Lax is a
scientific preparation endorsed by phy-
sicians and used by hospitals. It lu-
bricates and cleanses the entire intes-
tinal tract, ending constipation and
bringing about natural movement of
the bowels. Take Mul-Sol-Lax as di-
rected and see how much better you
feel this winter. Get a full pint bottle
today for \$1.25 at Penn's drug store.
