Pontiac Woman Dies As Result Of Accident

An accident on US-12 about six
miles west of Chelsea, which occurred
about five o'clock Friday afternoon, re-
sulted in the death of Mrs. Charles
Markham, 51, of Pontiac, and injuries
to her daughter, Miss Hilda Mark-
ham, 20, and Miss Mary Leckrone,
both of whom are teachers in Battle
Creek.

Miss Markham, driving toward Pon-
tiac, lost control of her car when the
vehicle skidded on the wet pavement,
struck an embankment and overturned.

Mrs. Markham sustained a fracture
of the skull and was taken to Univer-
sity hospital, Ann Arbor, where she
died early Sunday morning without re-
gaining consciousness.

Miss Markham and Miss Leckrone,
suffering from cuts and bruises, were
brought by passersby to Chelsea Pri-
vate hospital, the former leaving for
Pontiac Monday afternoon. Miss
Leckrone left Tuesday for her home
in Brethren, northern Michigan.

Florists Practice Own Preaching This Week

Mayors of over a thousand cities
in the United States and Canada re-
ceived flowers on the opening day of
the 11th National Flower Show which
is being staged this year in Minneapo-
lis, Minnesota. This week is recog-
nized each year by florists throughout
the land practicing what they preach
and "Saying It With Flowers."

Mayors, hospitals and newspaper
editors are among those who are fa-
vored. This year these flower gifts
bear the following card which has the
personal signature of Mayor Kunze
of Minneapolis: "Greetings. Upon
this occasion, the opening of the 11th
National Flower Show in our city, al-
low me to express the good will of the
people of Minneapolis to the people
of your city by saying it with flowers
by wire, 'the mercury way.' This
flower token was made possible
through a world-wide organization of
5,000 bonded members of the Florists'
Telegraph Delivery Association, Inc."
Mr. and Mrs. W. R. Daniels, the
Chelsea Private hospital, and Mr. and
Mrs. M. W. McClure received beauti-
ful plants from Mayor Kunze, deliv-
ered through the courtesy of Mrs. El-
vira Clark-Visel of the Chelsea Green-
houses, member of Florists' Telegraph
Delivery Association.

Birthday Anniversary Party Pleasant Event

Mrs. Chas. Messner was pleasantly
surprised Saturday evening when
about fifty relatives and friends gath-
ered at her home in celebration of her
52nd birthday anniversary.

Progressive euchre furnished the di-
version for the evening, with eight
tables in play. High honors were
awarded Mrs. Norman Klingler and
J. W. Green. Miss Ella Kaercher
and Reuben Lindemann received con-
solation prizes.

A sumptuous pot luck supper was
served, after which Mrs. Messner was
presented with a beautiful table lamp
as a souvenir of the occasion.

Out-of-town guests attending the
party were Mr. and Mrs. Waldo Eise-
mann and Mrs. J. Willard
Green, of Ann Arbor, Mrs. Bertha
Knapp and daughter Margaret, of To-
ledo, Mr. and Mrs. Norman Klingler
and Mr. and Mrs. Herman Wellhoff
of Jackson, Mr. and Mrs. G. Lesser,
Mr. and Mrs. Wm. Beach, Jr., Hilda
and Alton Lesser, of Dexter.

P. F. A. Entertained At Reuben Grieb Home

The Parent-Teacher Association of
School District No. 7, Sylvan was en-
tertained Friday evening at the home
of Mr. and Mrs. Reuben Grieb.

A recitation, "The Charge and the
Cause," by Earl Grieb, and a song by
Wm. Coo, were features of the pro-
gram.

Progressive euchre furnished the
amusement, Wm. Pritchard and Miss
Dorothy Pritchard receiving high
score. Miss Alvin Hatt and Clarence
Trinkle the consolation. Supper was
served.

ELECTED PRESIDENT B. OF C.

In the Pontiac Daily Press, issue of
Tuesday, March 25, appeared an ar-
ticle, accompanied by his photograph,
telling of the election of Emmett L.
Page, formerly of Chelsea, to the
presidency of the Pontiac Board of
Commerce. Mr. Page is well known
in Chelsea, and his many friends here
will be pleased to learn of his popu-
larity in the business life of Pontiac.

BASE BALL MEETING

A meeting of base ball fans inter-
ested in the organization of a soft ball
twilight league for this season will be
held at Miller Bros. barber shop
Thursday evening, April 10, at 7:30.
Organizations desiring to enter the
league should have a committee of
three present at the meeting.

LARGE VOTE EXPECTED AT SYLVAN TOWNSHIP ELECTION APRIL 7TH

Complete Tickets And Competition Of
Sticker Candidates Creates
Interest In Election.

Although there are no major issues
to be voted upon at the Sylvan town-
ship election next Monday, a large
vote is predicted. The principal rea-
son for this prediction is the fact that
both the Republican and Democratic
tickets, with one exception, are com-
plete, and two men who lost by a
small margin in the Republican cauc-
us have announced their intentions
of running as sticker candidates.

George S. Davis, who has held the
office of township clerk for more than
nine years, is a candidate for re-elec-
tion on the Republican ticket, and is
the only candidate who has no oppo-
sition.

Joseph Liebeck is the sticker candi-
date for highway commissioner, opo-
sing W. C. Pritchard on the Republican
ticket, and Dorr Whitaker is sticker
candidate for overseer of highways,
opposing Leonard Loveland on the Re-
publican ticket.

With the entry of the sticker men
in the race, the picture is transformed
into a three-cornered race for these
two offices, with Manfred Hoppe as
Democratic candidate for highway
commissioner, and Gottlieb Bollinger
candidate for overseer of highways on
the Democratic ticket.

The names of the Sylvan candidates
appearing on the ballot at next Mon-
day's election are as follows:

Republican Ticket—
Supervisor—John B. Cole,
Clerk—George S. Davis.
Treasurer—Walter F. Kantlehner.
Commissioner Highways—William
C. Pritchard.
Justice of the Peace—Walter Rie-
menschnider.
Member Board of Review—Fred
Kalmbach.
Overseer of Highways—Leonard
Loveland.
Constables—George A. Young, John
Frymuth, George Zeeb, Edwin H.
Chandler.
Democratic ticket—
Supervisor—George W. Beckwith.
Clerk—No candidate.
Treasurer—Ehert J. Notten.
Commissioner Highways—Manfred
Hoppe.
Justice of the Peace—Fred W. Not-
ten.
Member Board of Review—Conrad
Lehman.
Overseer of Highways—Gottlieb
Bollinger.
Constables—Max Hoppe, James
Dann, John Liebeck, Harry Savage.

To The Voters Of Sylvan Township

There has been a number of state-
ments circulating in the township of
Sylvan recently reflecting on my hon-
esty, honor and ability to act as High-
way Commissioner.

There is no doubt but that they were
circulated for the purpose of injuring
my character and lessening my
chances of being re-elected to the of-
fice of Highway Commissioner.

Will say that all such statements
are absolutely false and untrue, and
can very easily be proven so.

It should be very essential that a
person have recent experience in re-
gard to road building, in order to ac-
complish the most for the least ex-
pense.

I have been able to reduce the cost
of constructing and graveling roads
nearly fifty per cent in the last two
years, and by knowing every road con-
dition and being thoroughly familiar
with the people that I have to work
with.

By having the hearty cooperation of
most of the farmers and the approval
of the residents of Chelsea, and the
full support of the Township Board
and by the able help of my Overseer
we have advanced Sylvan Township to
the very top in Washtenaw County
in respect to good modern improved
township roads.

I wish to thank the voters of Syl-
van Township for their most liberal
support in past elections, and would
appreciate it very much if you see fit
to support me in the same manner at
the polls next Monday.

And if re-elected I will promise as
far as it is in my power to see that
the taxpayers' money is evenly dis-
tributed and spent where it will do
the most good.

Yours very truly,
(Signed) W. C. Pritchard

ANNUAL EGG SUPPER

The men of the North Lake church
will serve their annual egg supper at
the North Lake M. E. church house
Friday evening, April 4th, beginning
at 7 o'clock, until all are served.

Sylvan Home Scene Of Pretty Wedding

The home of Mr. and Mrs. Fred
Notten in Sylvan township was the
scene of a pretty wedding Saturday
evening, March 29, when Miss Leona
Mae McCoy became the bride of Lloyd
R. Heydlauff, son of Mr. and Mrs.
George Heydlauff of Sylvan.

The beautiful ring ceremony was
performed at seven o'clock by Rev.
Henry W. Lenz, pastor of Salem M. E.
church, Francisco. The wedding march
from Lohengrin was played by Mrs.
Walter Kalmbach, sister of the groom,
and preceding the ceremony, "I Love
You Truly," by Carrie Jacobs Bond,
was rendered by Walter Kalmbach.

The bride was gown in heavenly
blue crepe de chine, with shirred bod-
ice and full skirt with irregular hem
line. She carried an arm bouquet of
Fernet roses and hyacinths. Miss
Mildred Hayes, who attended as maid
of honor, wore a dress of yellow
georgette, with ruffled skirt and un-
even hem line, and carried Premier
roses and stock. Elden Weinberg at-
tended the groom as best man.

A color scheme of pink and white
was used for the occasion in the din-
ing room, where a two-course supper
was served to twenty-five guests.

The groom is a graduate of Chelsea
high school and Cleary college, and
has a position with the Young Elec-
tric Co., Ann Arbor. Mr. and Mrs.
Heydlauff are at home to their friends
at 710 Miller Ave., Ann Arbor.

Legion Sponsoring World War Picture

A special benefit performance, "Be-
hind The German Lines," will be given
at the Princess Theatre, Wednesday
and Thursday, April 9 and 10, for the
benefit of Herbert J. McKune Post,
The American Legion.

This is the only official war pro-
duction made during the World war for
the German government, actual pho-
tographs of the German army and
navy in action. Such personalities as
the Kaiser, Crown Prince and Hinden-
burg are shown in the picture.

The picture includes scenes of the
Krupp works at the height of its ac-
tivity, cutting of the dykes in Bel-
gium, animated maps, showing move-
ment of all armies, and views taken
from the decks of submarines at sea
showing sinking of vessels, etc.

According to local Legion officials,
the picture is really extraordinary,
and the public is invited to see the
show, which is being brought here to
be shown at the nominal charge of
10c and 25c.

Local People Guests At Party In Lansing

Mr. and Mrs. Charles Mohrlock, Mr.
and Mrs. Julius N. Strieter and sons,
of Chelsea Mr. and Mrs. Emanuel
Wacker and son Lawrence, of Lima,
and Mrs. Daniel Strieter of Ann Ar-
bor attended a party in Lansing, Sun-
day, given at the home of Mrs. John
Schoettle in honor of the 70th birth-
day anniversary of her father, Daniel
Wacker.

Dinner was served to twenty-five
guests, a birthday cake centering the
table, the appointments of which were
carried out in Easter colors, yellow
and white.

During the afternoon an original
poem, written for the occasion by Mrs.
George Wacker, was read by her
daughter, Doris and several musical
selections were rendered by the grand-
children. Mr. Wacker was presented
with many gifts.

Mr. and Mrs. Wacker and family
were former residents of Lima town-
ship.

TOM MIX AND TONY

Tom Mix and Tony, the wonder
horse, are in town again. These two
pals have been together now for many
years and are undoubtedly one of the
best known combinations in the world.
Wherever films are shown, kids and
grownups too have thrilled to the
sight of Tom and Tony tearing down
a mountain side or across boundless
plains. In "Outlawed" which will be
shown at the Princess Theatre, Sat-
urday afternoon and evening, their
myriad of pals have a chance to see
them at their best.

On Sunday night William Haines
will be starred in "Navy Blues" with
Anita Page and Karl Dane. "Navy
Blues" was made in co-operation with
the U. S. destroyer fleet. A dramatic
story of a sailor and his love affair
with the laughs, life and loves of the
gobs ashore and afloat.

PURCHASES CADILLAC V-16

M. J. Dunkel has entered his order
for a custom-built Cadillac V-16 5-
passenger sedan, and expects to ac-
quire delivery of the new car some time
this month. The new car will be
equipped with 6 wire wheels, fender
wells and a folding trunk rack on the
rear. The sedan, which will be fin-
ished in Cromwell blue, will be 222
inches from bumper to bumper, 148
inch wheel base.

Mr. and Mrs. James Cadwell were joined by Miss Tina Weippert of Grass Lake and were Sunday dinner guests of Mr. and Mrs. Clyde Gady, near Napoleon.

Mrs. James Richards spent Monday with her daughter, Mrs. Rex Dorr of Grass Lake.

This Week

by Arthur Brisbane

Where Are the Passengers?

Germany's Victory.

Surprising the Greek.

The Billion Dollar Age.

San Diego, Calif.—Officials of the Santa Fe road, gathered in convention, were told by their president, Mr. Storey, that something is happening to railroad passenger business in the United States.

In 1922 the Santa Fe carried 15,000,000 passengers. In 1928 the number had dropped to 4,200,000.

That means a good deal to railroads, to owners of railroad stocks, and to the automobile industry.

Automobiles, privately owned, and public automobile bus lines, have made the change.

And Mr. Storey's figures will change again soon, when fully developed air travel takes 90 per cent of long distance travel from railroad and motor bus lines.

Do not hurry to sell your Santa Fe or other sound railway stock, however. Railroadings now is really railroadings, not stock jobbing. And better methods, bigger locomotives, longer trains, better yards and a thousand improvements, including, especially, loyal co-operation by railroad union workers, have more than made up for the drop in passenger travel. Freight is the thing now, and that depends on prosperity.

Germany lost the war, but wins in other directions. Recently the German Bremen, lowering the record across the Atlantic, took the "blue ribbon" from the British.

Now the North German Lloyd liner Europa has beaten the Bremen's record.

The Europa, magnificent 50,000-ton ship, according to builders here and in Britain, would be too expensive for American or British lines. The investment of \$50,000,000 could not be profitable.

Germany, beaten, is able to do what the winners of the war cannot do.

A Greek philosopher was exiled because he said the sun was probably bigger than all of the Greek islands. We know now that the sun is a million times bigger than the earth, and in distant space other suns are a million times bigger than ours, making them one million million times bigger than the cosmic grain of sand we live on.

An Italian Professor, Bendaui, announces discovery of the fact that our solar system is fifty times bigger than astronomers thought. What would the old Greek have said to that?

This is the billion dollar age. The old plain million, once revered, is as unimportant as the extinct bannan cab.

Gen. W. W. Atterbury, president of the Pennsylvania railroad, foresees expenditures by his company in the next ten years amounting to ten billions of dollars.

Ten thousand millions is a good many dollars. The Pennsylvania has already spent six thousand millions.

The running time from New York to Chicago will be cut to fourteen hours within a few years.

Trains will carry passengers' automobiles with them as ocean steamships now carry them. Radiophones will enable travelers to talk to their offices and to their homes.

The house of representatives voted to increase the national contribution to good roads from \$75,000,000 to \$125,000,000 a year for three years, beginning next July.

This will mean, in three years, \$375,000,000 for better roads alone, good news for all citizens, for the automobile industry, its employees and for the unemployed.

On April 6 the Mormon church will be one hundred years old. Plural marriage has gone, but the church remains powerful, with numbers increasing after a century of struggle and opposition. Nearly one million Mormons will celebrate the day; the main celebration at Salt Lake City, others all over this and nearly all European countries and in Mexico, Australia, Hawaii and the South Sea Islands.

The late Lord Balfour was powerful in establishing and guaranteeing Jewish rule in Palestine. To honor his memory, every Jewish child born in Rumania next week will be named for him, the boys Balfour, the girls Balfouria.

Andrew Mellon, now seventy-five years old, is the head, through ownership of half a dozen of the greatest corporations in the world. Under three presidents he has shown himself to be one of our greatest secretaries of the treasury, reducing the public debt by thousands of millions each year.

If Mr. Mellon were a railroad conductor they would tell him he was too old and he would have to give up his job.

If he were a workman, seeking employment, he would have to get his hair dyed black and lie about his age.

The best years of a man's life, for useful work and for intellectual enjoyment, should come after seventy. At ninety, a man should rest.

(© 1930, by King Features Syndicate, Inc.)

UNADILLA

Roland Gorton was in Jackson on Tuesday.

Earl Wheeler was called to Barrington on Monday by the death of his father.

Mrs. Claude Rose entertained the "Be Yourself Club", on Thursday.

Mr. and Mrs. Gordis Lambrecht of Detroit, spent the week-end with relatives here.

Vernon Richmond who spent the past week here, returned home Saturday.

Mr. and Mrs. Emmet Hadley spent the week-end at the Richmond home.

Paul and Virginia May spent a part of their vacation with Mr. and Mrs. W. B. Marshall.

Miss Virginia Palmer of Eaton Rapids, spent Saturday and Sunday with Vivian Kalmbach.

Friends here received the announcement of the birth of a daughter to Rev. and Mrs. Leigh Hagle of Royal Oak.

Rev. Hagle was a former Methodist minister here.

Mr. and Mrs. Max Kalmbach spent Saturday evening with Mr. and Mrs. Cecil Teachout.

Mr. and Mrs. Clarence Cranna were Howell visitors on Wednesday.

NOTTEN ROAD

Mrs. Lina Whitaker returned home from the Chelsea Private hospital, Sunday, much improved in health.

Lewis Kilmer returned home Tuesday, after spending the winter with his daughter, Mr. and Mrs. Foster of Idaho.

Mr. and Mrs. Floyd Schweinfurth spent Sunday with Mr. and Mrs. Henry Notten.

Mr. and Mrs. Chas. Riemenschneider and son Lawrence called on Miss Rieka Kalmbach, Sunday.

Mr. and Mrs. P. H. Riemenschneider called on Mr. and Mrs. Henry Gleske, Sunday.

Mrs. Hollis Freeman, Mrs. John Kalmbach and little grandson, Roland, Junior, of Chelsea, called on Mr. and Mrs. Fred Notten, Monday.

Mr. and Mrs. Wm. Broesamle called on Mrs. Henry Kothe of Manchester, Sunday.

WALLACE WILLIAMS

E. W. DANIELS, Auctioneer

OUR NEIGHBORS

UNADILLA—Mrs. Nina L. Miller has been appointed as the census enumerator for this township.

MANCHESTER—The County Convention of the W. C. T. U. will be held at Manchester, Tuesday, April 17.

SALINE—Those fortunate enough to get in on it witnessed a pretty sight Wednesday morning, when 19 airplanes passed over Saline in a group in a southwesterly direction.—Observer.

BROOKLYN—"Too fast driving" admits Kenneth Prentiss who failed to make the turn from Marshall street to Main Sunday evening. He missed the trees but jumped the walk and crashed against the north corner of the Guild hall. His right eye was badly cut and one rib cracked. His Whippet roadster being entirely demolished.—Exponent.

DEXTER—Beginning Sunday, April 8th, a mission of one week will open in St. Joseph's church. The services will be conducted by Rev. George P. Sunday, C. S. R., of the Church of the Most Holy Redeemer, of Detroit.

DEXTER—Work on the new county road in Webster township from Armstrong's corner to the Huron river bridge at the foot of C street, started at the corners Monday morning.—Leader.

CLARK LAKE—Clark Lake has a new troop of Boy Scouts organized Tuesday evening of last week, when H. C. DuBois, scoutmaster of Brooklyn, met with the group and aided in the organization. Eight boys were present at the first meeting and a dozen are assured in the troop. E. T. Blake will be scoutmaster and the commissioners C. N. Burns, B. A. Hood and C. L. Hatch. Meetings will be held each Wednesday evening. The Clark Lake Old Fellows lodge is expected to sponsor the troop.

PINCKNEY—St. Mary's parish is again without a pastor. Rev. Daniel Forster having tendered his resignation Sunday. Rev. Forster was appointed last July succeeding Rev. Leo Dorsey, who was transferred to Bad Axe. Previous to coming here Rev. Forster had been in poor health and had not been able to preach for several years. He has recently suffered another nervous break down and is taking treatment in a Detroit hospital. Rev. Fr. Fedewa of Howell preached here Sunday and there will also be services next Sunday. We understand another priest will be appointed at once.—Dispatcher.

BRIGHTON—After having operated the plant of the Brighton Argus for the past two years, or since Feb. 1, 1928, Mr. and Mrs. Valdo Harman have sold the plant to Mr. and Mrs. Elmer Evans of Onawa, Iowa. Mr. and Mrs. Evans will take charge of the plant April first. Mr. Evans who has been affiliated with the Congregational Church for the past 25 years, is making his initial entry into the newspaper profession in Brighton. He has been closely associated with newspapers for many years and has spent considerable time editing and writing for the newspapers. Argus.

MILAN—Fire broke out early Wednesday morning in the Palmer Gasoline Station on the corner of Dexter and County streets. More than forty empty birds which were on display in the station were killed by the smoke and heat. Mr. Palmer has been raising the songsters for more than a year and it is said to have a fine display of high class birds and these were on sale in the station. The cause of the fire could not be learned and aside from the loss of the birds which were valued at more than two hundred dollars, the loss was slight, only some of the furniture and desks being scorched.—Leader.

RADIO AMATEURS

By One of 'Em.

One Friday afternoon about six o'clock I called CQ just to pass the time away, and who should I hear answering but W8CVU. He came through with a beautiful de note and a fine flat, in fact when I learned that it was Walter Mayer of Chelsea and that he is a beginner I was very surprised, and still doubt if that was his first experience. The note was so clean and the sending so steady that it might easily be that of an old-timer.

Chelsea is certainly coming to the front in the Amateur world. W8CVU makes two hams in Chelsea and I am told that there are about five more "potential" hams.

In time of emergency, it may be that W8CVU will be Chelsea's only means of communication with the outside world, or it might be that they would form a valuable link in a chain of Amateur stations acting to save the lives of many. The reason I make this comment is to encourage the use of battery operated transmitters. When a storm takes down the electric lines and puts the telephone out of business it is only the battery operated transmitter that will function. For what good is a powerful transmitter using alternating current when the lines are down?

On the short waves the power of the transmitter has very little to do with its effectiveness. Night after night I keep a schedule with a station

seven hundred miles away, and he is using a ux 201-A to transmit with. W8BDI works stations three thousand miles away with a 171-A tube and W8APQ down in Penna handles large amounts of traffic with a 171-A tube. The other day I QSOed W8BJI in Lowville N. Y.—his sigs are about as loud as the rest and not much more readable, and he is using 250 watts with 2000 volts on the plate of a 204-A tube. W8ANR in Chicago used 275 watts when he talked to me and I am sure that his signal is no louder than W9FJV with his 201-A tube.

Economical operation comes from the use of low power tubes. The 171 tube drawing only thirty milli and the 201-A draws less. The DC note is established as the best DX getter and certainly lives up to its reputation. Pure DC comes from the use of "R" batteries and is about the most pleasant note for the other fellow to copy. So take it from an old-timer de beats as by about 10,000 miles and is a lot cheaper. That's one case of where the cheapest is the best.

"QSA" and "R"—If a fellow gives you a report qsa 4 he means that he can read you well and that he can get all your sayings even though your sigs may be as weak as r-2. Also there are times that your signals are very loud at the receiving end, maybe as loud as r-8 to 9, but there is a lot of QRN or M, and possibly your signals are almost unreadable in spite of their loudness then the report would be qsa-2 r-9. Sound funny I'll admit but I have given such reports. So don't blame the other fellow if he can't hear you even when you use QSA. QSA refers to Readability and the R sigs refer to Audibility. Don't by any means confuse the two. Many hams are using QSA in place of R but that is not right. Use the Q signals as they are designed to be used and the fellows that you QSO will put you down as a real operator. Nothing shows up a beginner or a careless operator as much as the wrong use of a Q signal.

"QRU" and "QTC"—Qru means I have no message for you, and QRU followed by a question mark means "have you any messages for me?" Many hams confuse this with QTC which means how many messages have you sent, or if you have a message for the other station you may say QTC but that is its only use. QTC followed by a question mark does NOT mean "have you any msgs fr me" as many operators seem to think.

The farm home of the man whose mantel fury brought Michigan its greatest tragedy has been sold. The 80-acre farm of Andrew Kehoo, who blew up the Bath schoolhouse May 18, 1927, killing 45 children and maiming others for life, was placed on the auction block at St. Johns. Mrs. Julia A. Price, of Lansing, holder of the mortgage, obtained the property for \$4,800. Kehoo, a member of the village school board, killed his wife and then set fire to his house, planted with dynamite, just before the school house tragedy.

A. E. F. VETERAN ENTHUSIASTIC OVER KONJOLA

Modern Medicine Relieves Ailments Of Man, Who Suffered Since Service In France.

MR. ALBERT THOMPSON

"Six bottles of Konjola ended all my health troubles, and built me up in every way," says Mr. Albert Thompson, A. E. F. veteran, 1320 Rademacher street, Detroit.

"Ever since I returned from France I was miserable with catarrh, pains in my stomach and head, kidney trouble and a faulty liver. I tried medicine after medicine, but with the same result—failure. Then Konjola was recommended to me, and how glad I am that I took the advice to try this new and different medicine. In all I took six bottles, and in six weeks Konjola had brought complete relief. No wonder Konjola is a household word in thousands of American homes."

This is just one of tens of thousands of such victories as Konjola wins, even when all else tried has been found wanting. Konjola is designed to make good, and does it.

Konjola is sold in Chelsea at Turk's drug store, and by all the best druggists in all towns throughout this entire section.

Fishing Law Digests Being Distributed

Lansing, Mich., April 2 — Three hundred thousand Digests of Fishing Laws of Michigan are now in the hands of all conservation officers, county clerks and other agencies and are available to the public.

The 1930 digest lists all changes in the inland fishing laws as provided by the last session of the legislature and enumerates all designated open trout streams, smelt streams, trout and pike lakes, and other local provisions.

For the first time game fish are specifically listed in the new digest, as they are listed by the legislature. Some new features in the 1930 regulations are as follows:

Only non-game fish, except Great Northern and Grass Pike, may be taken in the non-trout rivers and streams during April and May by hook and line or spearing. Great Northern and Grass Pike (pickeral) although listed as non-game fish, may be taken in this manner only during the month of May. The trout season opens May 1st as in previous years. Porch and wall-eyed pike may be taken after May 1st from all designated pike lakes and from all rivers and streams.

The general fishing season this year will open June 25 instead of June 10 in the lower peninsula and July 1 in the upper peninsula as was in effect last season.

The old law permitted the use of dip nets to take suckers, carp, mullet and rock bass in March and April in the rivers of the lower peninsula, and until May 15 in the upper peninsula. Now dip nets may be used in non-

trout streams for taking suckers only from April 1 to May 31.

Changes made in license requirements and fees by the last legislature are now in effect. All trout anglers over 18 years of age, both men and women, are now required to have a license which costs \$1 a year.

All non-residents over 18 years of age, fishing in Michigan's inland rivers and lakes must have a license costing \$3. Formerly two forms of non-resident licenses were issued; one

permitting the catching, in season, of all species; the other, all kinds of fish except trout and black bass.

The new law makes it necessary for anyone over 18 years of age, taking minnows for commercial purposes to have a license. This license, costing \$10 is sold only at the Department of Conservation offices at Lansing.

Those who cannot secure a copy of the Digest locally, may obtain one by writing to the Fish Division, Department of Conservation, Lansing, Mich.

THRIFT..

Nature's Own Scheme

It is a part of Nature's plan for her creatures to save. Witness the dog bury the bone in order that he may not have to go hungry on the morrow! Watch the squirrel hide away acorns for the winter! Notice how the bees work industriously, storing away honey!

Nature instilled the habit of thrift into these lesser creatures. We call it instinct.

But Nature endowed us with intelligence, hoping we would realize the need for thrift instead of being driven to it by instinct.

Are you choosing to do the thing Nature requires the lower creatures to do? If not, you should begin saving now!

Make It A Habit To Meet Your Business Friends Here

THE GRAPHIC STORY

of what this new type oil does for your car

"Some oils lubricate effectively at high engine temperatures but do not work well when the motor is cold. Others reverse this condition. New Iso-Vis gives good results at either extreme."

NEW ISO-VIS does not "thin-out" or "break down" in your motor. You will find that its body is as heavy when you drain it off as it was the day you put it in your crankcase. It will give you a new idea of the type of lubrication it is now possible to put into your automobile.

New Iso-Vis also gives what engineers call a "greater viscosity range". It not only stands up better at high engine temperatures but it gives more effective lubrication when the engine is cold.

In addition, there is a radical reduction in carbon deposits. Both labora-

THIS INTERESTING experiment proves definitely that New Iso-Vis does not "break down" in the automobile crankcase, regardless of miles of driving. The engineer in the illustration is pouring used New Iso-Vis through a special filter. The filter removes the crankcase dirt and the oil itself is exactly the same as when freshly distilled.

tory and road tests with New Iso-Vis show a carbon residue far below most premium-priced oils.

New Iso-Vis marks an important step forward in motor lubrication. It is now available at all Standard Oil dealers and service stations. This improved motor oil is worth trying. Drain, flush and fill up your crankcase today with New Iso-Vis.

SCHOOL NOTES

The Carnival is over and spring vacation is here!

The Carnival was a success, the Juniors making approximately \$225.

On entering the gym, everyone was dazzled by the color of the decorations and the pirate costumes worn by the Juniors. After recovering from the first effect one could make out many attractive booths in charge of members of the various classes.

In the lower hall were side shows, consisting of the Style Show, the Pickaninies and the Minstrel show. Upstairs the class stunts were in progress all evening.

Entertainment was provided for everyone, making it a merry evening. The Juniors are all grateful for the patronage of the townspeople.

MRS. DOROTHY MOECKEL

Mrs. Dorothy (Mayer) Moeckel, 81, a life-long resident of Waterloo township, died Wednesday evening, March 26, at the home of her daughter, Mrs. Aaron Hannewald, Munith.

Mrs. Moeckel was born in Waterloo, August 17, 1849 and was married February 16, 1869 to Chas. Moeckel, who died in 1919. Since the death of her husband, Mrs. Moeckel had made her home with her children.

She is survived by four daughters, Mrs. John Harr and Mrs. Aaron Hannewald of Munith, Mrs. Wm. Artz of Waterloo, and Mrs. Elton Curry of Tampa, Florida; three sons, Aaron and Walter Moeckel of Munith and Ottmar Moeckel of Stockbridge, and several grandchildren.

The funeral was held at 11 o'clock Sunday forenoon at St. Jacob's Lutheran church, Waterloo, Rev. Koch officiating, and burial was in St. Jacob's cemetery.

MRS. ELLEN RACHOR

Mrs. Ellen Rachor died at her home in Laporte, Ind., on March 14. She was Ellen Walsh, daughter of Patrick Walsh, one of a family of twelve born in the township of Dexter in December, 1845. Her home has been in Laporte since 1895.

Mrs. Rachor is survived by one son and two daughters, several grandchildren, two sisters, Sister M. Agatha, at the convent in Monroe, Mrs. Margaret Murray, and a brother, Martin Walsh of Mt. Pleasant, and a number of nephews and nieces.

Her husband, Voltaire Rachor, and two daughters, Mrs. Mary Bowes and Mrs. Ellen Hanna died some years ago.

EDWARD WOLFF

Edward Wolff, 10-year-old son of Mr. and Mrs. Frank Wolff, of Ypsilanti, died Thursday evening, March 27.

He was born March 30, 1920 in Montana and formerly resided in Chelsea, leaving here for Ann Arbor in the fall of 1927.

He is survived by his parents, one brother and two sisters, Solon and Thelma, of Flint, and Dottie May, at home, also his grandmother, Mrs. Joseph Wolff of Chelsea.

Funeral services were held at two o'clock Sunday afternoon at Staffan funeral home, Rev. W. J. Balmer officiating, and burial was in Oak Grove cemetery.

JAMES K. WARD

James K. Ward, aged 89, died Monday evening at 11:30 at the home of his sister-in-law, Mrs. E. A. Ward, W. Middle street.

Mr. Ward was the son of Mr. and Mrs. Alvin Ward and was born in Sottes Point, New York, April 1, 1841, coming to Michigan when two years of age. He was a resident of Sylvan township for many years, coming to Chelsea in 1918.

He is survived by four nephews and three nieces. Funeral services will be held at two o'clock this afternoon at the Staffan funeral home, Rev. F. I. Walker, officiating. Burial will be in Maple Grove cemetery, Sylvan.

IN MEMORIAM

In loving memory of our dear husband and father, John H. Broesamle, who left us one year ago, April 3, 1929.

Nothing but memories as we journey on. Longing for a smile from our loved one gone.

None knows the depth of our deep regret. But we remember when others forget.

Mrs. John H. Broesamle and family.

SIX CYLINDER..... SENTENCES

By DR. JOHN W. HOLLAND

ooo

Pay as you go, or don't go. Trouble is always on the watch for those who are looking for her.

If men were wise, they would back down often, rather than keep their backs up. When a man's heart plays a comedy of errors, nature writes a farce upon his face.

Watch your daily step: What seems to be a stumbling block may be only a stepping stone.

Children often feel that they are being held down, whose parents are merely trying to hold them up.

(© 1938, Western Newspaper Union.)

RABBIT BREEDERS MEET

The rabbit breeders of Washtenaw county held a meeting Monday evening, March 31, in the court house at Ann Arbor. The meeting was called to order by Chairman George O. Ross. The following officers were elected for the year:

President—Geo. O. Ross, Lakewood Subdivision, Ann Arbor.

Vice Pres.—Arthur Milcher, 307 N. Revena Blvd., Ann Arbor.

Secretary and Treas.—Floyd E. Gentner, 121 Worden Ave., Ann Arbor.

Watch your local paper for time and place of the next meeting.

TO GET STATE REWARD BRIDGE

At the meeting of the State reward committee in Lansing, Monday the reward of a bridge over the Huron river at Hudson Mills on the North Territorial road was authorized. The bridge is to cost \$38,600. This reward is the only one authorized for Washtenaw county.

COMMUNICATES WITH CALIF.

Ezra Heininger received a communication at 8 o'clock Wednesday morning from Roy Fleming at El Segundo, Calif., and had quite a conversation with him. His call number is W6BZS. Mr. Heininger's call number is W8BD1.

WATERLOO

The Aid will serve dinner at the town hall next Monday, election day. Mrs. Kate Walz spent Saturday and Sunday with her son, Arthur and family.

A family by the name of Gott, of Willis, Mich., have rented the Klein, Schmidt farm.

Walter Vicary is driving an Oak land sedan.

Leo Walz has to make twenty-one trips to Ann Arbor, for shots for rabies. A small dog bit him on the little finger last week. Dr. Stowe advised him to take the dog to Ann Arbor for examination, the dog dying on the way. Reports show the dog to have had the rabies.

WELCOME SPRING!

A real-for-sure sign of spring was reported last night—a large number of wild geese were seen flying over Chelsea, heading for the northland. The peeping of baby chicks can now be heard in the village postoffice, which is another sign of the approach of the springtime. Now we're just hoping that we'll soon have some weather conditions which will remind us that spring is really here.

Mr. and Mrs. Clarence Dietle entertained Sunday at a family dinner, the guests including Mr. and Mrs. Edward Dietle of Manchester, Mr. and Mrs. Ray Meyer and Miss Hazel Tripp of Ann Arbor, Mr. and Mrs. Marian Sanford of Detroit, Robert Shutes of Battle Creek, and Allen Kaercher, of Chelsea.

ENUMERATORS BUSY

Census enumerators started their work on Wednesday of this week. Dennis Guinan is counting noses in Lyndon, Fred Reichert in Lima, and Mrs. Inez Yocum in Chelsea and Sylvan township. Mrs. Yocum commenced her work in Chelsea, north of the Michigan Central.

YOUNG PEOPLE SENTENCED

Four young people from Lansing, who were arrested by deputy sheriffs from Ann Arbor at the Geo. Smith cottage at Cavanaugh Lake, one day last week, were sentenced by Judge Geo. W. Sample, Saturday, on a charge of lewd and lascivious association.

Thomas R. Simmons, 21, was sentenced to the reformatory at Ionia for a period of 6 months to one year, and to pay \$40 toward damages to the cottage; Frank Cain, 20, was given the same sentence; Margaret Meyer, 24, and Esther White, 20, were placed on probation for five years and ordered to pay costs of \$50 and \$10 damages toward the cottage.

Men passengers on the buses crossing the Ambassador bridge to Detroit, are being given a surprise by a new search order put in effect by the United States customs officers. They are required to open their coats, "either in the buses or in the waiting room." A majority of them consented to the search being made in the buses.

One of the last wishes of William G. Ramsey, Muskegon veteran of the Spanish-American and World Wars, could not be carried out. In the will of Mr. Ramsey, who died, he provided that he was to be buried upright. A State law prohibits such a burial.

Russell Heacock, son of Edwin Heacock, of Troy Township, near Birmingham, was burned to death when his automobile caught fire after it struck a culvert on Adams road, east of Birmingham.

Michigan Happenings

An especially prized cat which likes nothing better than to take part in everything, gave his Detroit owners a laugh recently when it ate a green onion. The cat sits at the table and insists on a bite of whatever the family eats. The family was eating green onions and the cat made a big fuss for an onion. "We gave him one," his owner said, "and he sat there and ate that onion with the tears running down his face but he wouldn't give up. Nothing could have tempted him to eat an onion on the floor, but he likes to feel he's one of the party."

Cemeteries in which no one is buried are not exempt from taxation, Wilbur M. Brucker, attorney general, ruled in a case involving the Forest Hills Sanctuary Association of Detroit and its properties in Walled Lake Township, Oakland County. The association owns 500 acres which is dedicated as a cemetery. The Union School district of Walled Lake, complained that the land was escaping taxation, although not actually used for burial purposes. Brucker advised the State Tax Commission to put it onto the tax rolls.

After being in operation 20 years, the Beaver Mine, near Bay City, owned by the Beaver Coal Co. has been shut down and is being dismantled. About 200 miners were thrown out of work. During its operation, 1,600,000 tons of soft coal was taken from the mine, it was estimated by Charles A. Correll, of the Gage Coal Co., which controls the Beaver Coal Co. There is only one other coal mine in Bay County, the Wolverine No. 2, owned by a Saginaw firm, which has not been operated for four years.

The federal radio commission at Washington, D. C., announced it has set for hearing application of WBCD, James E. Davidson, Bay City, for modification of his license from frequency of 1,400 kilocycles to 920 kilocycles and an increase in power from 500 watts to one kilowatt. Hearings also will be held on application of Pere Marquette Railroad company for renewal of its license at Ludington, and of the Ann Arbor Railroad company, for renewal of its license at Manistique, Frankfort and Menominee.

A jug of gold was found under an old building on the farm of Charles Budlong, near Marshall, by William Caffrey, employed by Budlong to clean the premises. Caffrey found the jug while tearing down an old shed. His shovel struck the jug and the top broke off, disclosing the gold and silver coins, worth more than \$1,000. The dates on the coins range from 1850 to 1891. Years ago a man named Lee owned the farm. He died supposedly wealthy. Very little of his wealth ever was found.

Struck on the head by a mail crane, while his train was traveling at high speed through Chelsea, Floyd Finch, of Jackson, passenger engineer on the Michigan Central Railroad, was injured fatally. Finch, who was leaning out of the cab window, watching the track ahead, when the accident occurred, slumped forward. The fireman, R. H. Van Order, of Grass Lake, found him unconscious and brought the Detroit-bound train into Ann Arbor. Finch died at University hospital.

Regardless of the failure of the Federal Radio Commission to grant a license, the Michigan state police will go ahead immediately in establishing a state-wide radio hook-up for use in police work, it was announced at Lansing by Gov. Fred W. Green. The government has set May 15 for a hearing on the police application, but by that time the station will be nearly ready for use, the governor said.

The State Department of Conservation through its officers and contracts with individuals, removed 27,160 noxious fish from rivers and lakes in Michigan during the year 1929, according to a report compiled by the fish division. The report shows that 11,751 carp were taken; 8,727 sunfish, 495 darters and 10,687 miscellaneous other noxious fish.

Neither the state nor counties can build sidewalks along the state trunk line roads, Wilbur M. Brucker, attorney general, ruled at Lansing. The Kent County Road Commission had proposed to parallel some of its pavements with sidewalks, to avoid accidents to pedestrians.

Miss Ora Heater, 30, of Lake Odessa, died there as the result of burns suffered when her clothing ignited from a grass fire.

Streptococcal infection contracted some days ago from a pin prick received while treating a patient proved fatal to Dr. Russell V. Gladieux, 27-year-old osteopath who had practiced in Grand Rapids for three years. Dr. Gladieux leaves his wife and two young daughters.

O. E. S. Elected New Officers Wednesday

At the annual meeting of Olive Chapter, No. 108, O. E. S., held Wednesday evening, the following officers were elected for the ensuing year:

W. M.—Mrs. Alberta Schroeder.

Mr. and Mrs. Otmarr Gerstler and family and Mr. and Mrs. John McMahon and daughters of Ann Arbor, and Mr. and Mrs. Emmett Sargent and children of Jackson were guests of their parents, Mr. and Mrs. Charles Lambert, Sunday.

CHEVROLET MOTOR COMPANY INTRODUCES NEW MODEL

DETROIT, April 2.—A further indication of the advantages which accrue to the motorist through the economies of great volume production is seen in the announcement by the Chevrolet Motor Company today of a stylish new closed model—the Chevrolet Special Sedan, with body by Fisher.

Introduction of the new model, with many expensive car features, brings the Chevrolet passenger car line up to nine body styles, three open and six closed. The Special Sedan has been in production for several days and shipments are now going out to dealers.

A leading feature of the new model is its equipment of six wire wheels, with large chrome-plated hub caps. The two spare wheels are mounted in special wells. The exterior color scheme combines smart "Boulevard" maroon on the body with a harmonizing shade of red on the wheels.

Rich appointments found in the interior include arm rests, silk assisted seats, combination vanity case and smoking set, rich upholstery fabrics and wide, deep seats with form-fitting cushions.

Like other passenger models of the 1930 Chevrolet, the car is powered by the 50-horsepower, six cylinder, valve-in-head motor; it has fully enclosed, internal expanding four-wheel brakes, four Lovejoy hydraulic shock absorbers and a bigger rear axle.

The price of the Special Sedan has been set at \$725, f. o. b., factory, Flint, Mich.

WATERLOO

Several in this vicinity are entertaining the measles.

Jacob Hesebechwald spent a few days last week in this vicinity with friends.

Mrs. Vivian Schenk spent the week-end with her parents, Mr. and Mrs. L. E. Gordon.

Extension Work Briefs

Mrs. Marian Wetzel, County health nurse, will conduct a 4-H health contest in connection with the 4-H club achievement day, and rural school field day, in Ann Arbor on Friday, May 2. She will be assisted by doctors whom she will select.

There will be two classes for the girls and boys, and all 4-H members who have been carrying on clothing, handicraft and hot lunch club work will be eligible to compete.

The classes are as follows: Girls under 15; Girls over 15; Boys under 15; Boys over 15.

Those who are chosen as champions in each of these divisions will compete against summer club champions in the same type of contest on Wednesday, June 12.

Those who are finally chosen as the county health champions will go to Michigan State College for Club Week next summer. At that time those over 15 will enter the district contest and the winners in that contest will compete in the state health contest at Michigan State Fair. Winners in the state contest will represent Michigan in the national contest in Chicago, in connection with the National Club Congress, the first part of December.

The health contest has developed into one of the most popular 4-H activities in the county. The national championship in this contest is the most popular championship awarded in all national 4-H events.

The county style show champion will be selected on May 2. She will enter the district and state contests within the state. A special announcement has just been received from the National Committee on Boys and Girls Club Work that there will be a national style show at the National Club Congress next fall. The winner of this contest will, with her state leader, will be awarded a three weeks trip to Paris, and other points in Europe, during the month of June, 1931. Three wrist watches will be awarded to three other winners in the national contest.

The county champion will receive a silver oxidized medal of honor. The state champion will receive a free trip to the National Club Congress where she will participate in the national events.

The next all-county judging practice for all 4-H dairy club members will be held at the P. E. Robson farm, west of Ann Arbor on the Dexter road, Saturday, April 6, beginning at 1:00. The afternoon will be spent in learning to judge Guernsey cattle. George Cooney, manager of The Oaklands, will be in charge.

This is the second of a series of dairy judging practice that will be held before August to determine the Washtenaw county dairy judging team which will go to the district contest at Michigan State College in August.

The Sylvan 4-H club postponed their annual meeting which was scheduled for Wednesday evening, March 26, at the home of Mr. and Mrs. John Cook, because of the bad weather. They will meet at the same place on Wednesday, April 10.

All boys and girls in Sylvan township who expect to join this organization will meet at that time. Mr. Cook's home is one mile west of Chelsea on US-12.

STATE NEWS

Lowell Dufcoy and Cecile Nye, Jonesville high school students who disappeared one night recently, were found dead in Dufcoy's automobile in the cemetery there. The two students, each of whom was 17 years old, had been the object of a countrywide search since they left a football banquet at the high school and failed to return to their homes. Officers said they believed the students had succumbed to carbon monoxide poisoning, as the lights were on in the car and the gas tank full.

"All this talk about fat men being less susceptible to pain than a slim one is largely bosh," remarked a Detroit dentist, "and I ought to know. I have been practicing for 20 years, and during that time I have had fat men and women, slim men and women, and there is no difference when they get in a chair and the old drill starts humming. Fat men are just as tough as slim men, and the same applies to women. One of the worst patients I ever had was a man weighing about 250 pounds."

A concentrated war against crime by the state police at a cost of nearly \$700,000 a year, with the proposed police radio as its nucleus, was outlined by Commissioner Oscar O. Olander, at Lansing. The Commissioner revealed that although he believes his present personnel and equipment sufficient to make the radio war workable, he will seek a permanent appropriation of \$200,000 a year for additional men and automobiles and to finance a more thorough patrol system.

The collapse of a sidewalk in the business district in Grand Rapids injured two women, Mrs. Harry Kelly and Mrs. Fay Chubb, neighbors, who were shopping, clung to the edge of the hole left by the collapse until passersby pulled them to safety. They suffered no injuries. The section which fell was several feet square and left a hole 10 feet deep leading to the basement of a store. It is believed the walk was weakened by water leaking from a main.

NORTH FRANCISCO

Mrs. Anna Lehman entertained a company of relatives Sunday, in honor of her father's seventy-fifth birthday. The guests were: Mr. and Mrs. Frank Grubeck and daughter, Myrtle, and friend, Harold Strobel, of Jackson, Nelson Peterson and family, Ed Peterson and friend of Plymouth, and Mr. and Mrs. Fred Peterson and son Fred of Francisco. A beautiful birthday cake centered the table, which was made by Mrs. Rhonda Peterson. The afternoon was spent in a social way. At a late hour all departed to their respective homes, wishing Mr. Peterson many happy returns of the day.

Mr. and Mrs. Floyd Schweinfurth called at the Henry Notten home Sunday afternoon.

Mr. and Mrs. Glenn Rentschler spent Sunday with their parents, Mr. and Mrs. Leonard Loveland.

Mr. and Mrs. J. A. Lincoln of Jackson called at the Eric Notten home Sunday afternoon.

Miss Arden Loveland is spending a few days in Chelsea.

William Lehman spent Sunday at the home of Mr. and Mrs. Arthur Wahl.

SOUTH WATERLOO
Mr. and Mrs. Chris Selgrist spent Sunday with Mr. and Mrs. John Selgrist.

Mr. and Mrs. Gottlieb Rothman and family spent Sunday in Leslie at the home of his brother, Fred Rothman and family.

Mrs. A. W. Selgrist, Mrs. H. S. Rothman, Mrs. Ernest Moeckel and the Misses Clara Baldwin and Velma Lantz were entertained at a birthday party Tuesday, in Jackson, at the home of Mrs. Harry Way, in honor of Miss Justina Lutz.

Mr. and Mrs. John Wahl and sons were entertained at the home of his brother, William Wahl and family, Sunday.

Mr. and Mrs. Ernest Riemenschneider of Detroit were Sunday visitors at the home of his parents, Mr. and Mrs. John Riemenschneider.

Mr. and Mrs. Elton Katz entertained the latter's parents, Mr. and Mrs. William Wahl, Sunday evening.

Mrs. John Selgrist was a Jackson visitor, Monday.

Mrs. Penrose Weinhold spent Monday in Jackson with her daughter, Mrs. Earl Kalmbach and family. Mr. Kalmbach is in poor health.

Mr. and Mrs. Fred Rothman and aunt, Pauline Walz of Leslie spent Friday evening at the home of his sister, Mrs. Samuel Hays and family.

Misses Gertrude and Electa Hays were Jackson visitors, Tuesday.

Your Car
Will Run Better..

WITH QUAKER STATE MOTOR OIL

Over a million motorists have found that their cars show so much more power and speed, and run so much smoother, with Quaker State that they won't use any other oil.

They have looked into the facts. They know that at least 25% of the volume of ordinary motor oils is made up of non-viscous elements of little or no lubricating value. And they know that in special super-refining stills and filters Quaker State Medium Motor Oil eliminates this undesirable matter and gives you in place of it an extra quart of useful lubricant in every gallon.

Quaker State Medium Motor Oil is all lubricant—100%. It costs slightly more by the gallon than ordinary oils—but it costs a great deal less by the year. There's a good garage or service station near you that shows the green and white Quaker State sign. Drive in and have your crankcase filled with Quaker State. Then try the car out on a stiff hill and see the difference for yourself.

The price is 33c per quart.

Other Quaker State Products Are:
QUAKER STATE HEAVY MOTOR OIL
QUAKER STATE TRACTOR OIL
QUAKER STATE GOLD TEST OIL

CALL THE TELEPHONE BUSINESS OFFICE

**MICHIGAN BELL TELEPHONE CO.****Question And Answer Dept.**

Ques.—If the moon is so much smaller than the sun, how is it that it can at times totally eclipse the sun?

Ans.—Because the moon is so close to the earth as compared to the distance between the sun and the earth. To illustrate, if the distance from the sun to the earth is represented on a diagram as being three feet, then the distance is only one-tenth of an inch.

Ques.—I have been asked what "Mizpah" means, but could not answer. Can you tell me in your good question column?

Ans.—This word means literally "watchtower." It was the name of several towns and places in ancient Palestine. In modern use the word "Mizpah" means a parting salutation. This meaning was suggested by Genesis 31:49. The famous Mizpah prayer appears in the next verse and is as follows: "The Lord watch between me and thee, when we are absent from one another."

Ques.—I once saw your answer as to what a "moron" is, but I cannot recall it. Will you be kind enough to answer again in order to settle it this time?

Ans.—"Moron" is taken from the Greek word "morus," which means "foolish." It is generally applied to a person whose intellectual development proceeds normally up to about the eighth year, after which the mental growth is arrested and never exceeds that of a normal child of 12. In other words, a "moron" is an adult with a child's mind.

Ques.—I would like to ask in your question department where ex-President McKinley's children are living, and if he has any grandchildren, and what are their names?

Ans.—McKinley had only two children, both of whom died in childhood. Both of them were daughters and were named Katie and Ida.

Ques.—Can you tell me the meaning of "D. F." which I have seen after the name of "Mexico"?

Ans.—"D. F." has the same significance as "D. C." after the name of "Washington." Mexico City is located in a federal district which is governed by the republic of Mexico. In this district is the capital of Mexico. The district is therefore called "Distrito Federal," which is Spanish for "Federal District."

Ques.—In speaking of "time" can you tell me why people use the word "o'clock"? Of course I know what it means, but would like to know how it originated?

Ans.—"O'clock" is a contraction of the old phrase "of the clock." In the early days precise talkers would say, for instance, "it is twelve of the clock" if asked for the time at noon.

Ques.—Is it true that the United States offers a million dollars as a premium for the inventor of a practical perpetual motion machine?

Ans.—No. That is a myth. Science and engineering recognize "perpetual motion" as an impossibility.

Ques.—I would like to ask in your interesting question department how the term "potter's field" originated. I mean where paupers are buried?

Ans.—The name comes from the following passages in the 27th chapter of Matthew: "And the chief priests took the silver pieces and said: 'It is not lawful to put them into the treasury, because it is the price of blood. And they took counsel and bought with them the potter's field to bury strangers in.' At that time the potter's field was the place where the potter's clay was dug. Hence 'potter's field' has been handed down through the centuries from this incident of biblical times."

Ques.—When parents have fourteen children are they entitled to a government pension?

Ans.—They surely are, but we know of no appropriation for this purpose.

Ques.—To settle an argument will you kindly answer how far a porcupine can shoot its quills when in battle with an enemy? Also, can the lion, which is known as the king of beasts, conquer a porcupine?

Ans.—A porcupine cannot "shoot" its quills at all, notwithstanding that many people think they do. This belief originated from the fact that a porcupine often loses its quills by fighting in self defense. When attacked it backs up to its antagonist with its quills spread in all directions and when they come in contact with an enemy they have an exceedingly painful sting and penetrating. When

the enemy backs away from this pain and stings the "quills" pull out from the porcupine and not from its foe. The "quills" are much sharper than needles and microscopically shaped like a harpoon, so that when they enter they do not easily pull out. There is no animal can conquer the porcupine, solely because of their defense.

Editor Standard: The members of the Methodist Home are in somewhat of a quandry and ask your aid in solving it.

Where is the western limit of the village?

The original plat as recorded in the office of the Register of Deeds was made in 1849. This plat makes it on the section line between sections 11 and 12, which is where West Middle street turns north and crosses the Michigan Central tracks. The deed from the late Mr. Glazier and wife to the Home was made in March, 1907 and describes land west of that section line in section 11. There has been no record made in the Register's office since then, no extension or alteration. It is reported that at one time the village council extended the limits so as to supply the Home with gas and water. Does such action made for a special purpose by the council carry with it the right of franchise?

If the extension had been recorded it might not be questioned. In case of a contested election some time in the village or county would our having voted be a matter of dispute?

Would we be voting illegally if we vote in the village elections?

E. R. Reed.

Ans.—The following information will, we believe, answer your question satisfactorily. We quote from Local Acts of 1880, Chapter 285, Page 9-11, an Act to re-incorporate the Village of Chelsea.

Section 1. The people of the State of Michigan enact, That all those tracts or parcels of land described as follows, viz: The west half of section seven in the Township of Lima, Section twelve in the Township of Sylvan, and all that part of east half of the southeast quarter of Section eleven that lies south of the Michigan Central Railroad, in said Township of Sylvan, County of Washtenaw, State of Michigan, be and the same is hereby made and constituted a village corporate by the name, style and title of "the village of Chelsea."

This description includes the Methodist Old People's Home, therefore residents of that institution are entitled to legally vote in village elections.

SLAT'S DIARY

Friday—well the teacher went and sat me this p. m. if she wanted me to take flasks for the rest of the yr. during the

balance of the school term and ma got skaved white in the face and sed My goodness what is the matter of him now and then she shot a mint and sed No never mind I will tend to that myself.

Saturday—well we got Co. agents tomlite and they spoilt are plans to go & see a good

pitcher show. Ma sed it was just a case of not oughting to go out on the Co. becu you half to be polight once and a wile no matter if you want to or not. Or how much it hurts.

Sunday—More Co. Just as we was a starting for to take a ride in the ford in the Country. This time it was a old friend of pa's wite had spent the day visting sum of his relashuns in Jale.

Monday—Joe Wicher went and cut his toe off down to the mill this p. m. Pa dropped into see him this evening and he was offe chearful about it. he sed Well that duin in groan toe nail went bother me no more now no how.

Tuesday—well I all most mist skool today (shot I should of) on acct. I had a bad cold in my bene. But I gess I am nacherally onlucky becu ma give me a load of Caster Oil and sent me to skool. I was a telling the teacher about it and she sed them cold grims will sneek upon a fellow sum times when he is Unaware of there presents.

Wednesday—ma and pa Including me went out in the country tomlite to see a Concert. I dont no weather it was enny good or not becu one half of my family liked it and the other half that it was pritty rotten. The other half remaned nootrel witeh is a pritty Reed plan now and then on my part I gess.

Thursday—Mrs. Hunt has sent for a coarse in Otto suggestchen becu she

says they are thinking of getting a Otto and she mite meby get a lot of good suggestchens from this coarse. I often wonder what the wimen wood look like if there benes was shaved off clost or meby ball headed like sum men is. Didn't you never wander, dere reader?

SHOE DEPARTMENT FOR YOUR STORE**NO INVESTMENT**

You can now open a shoe department without investing a dollar. We provide stock on consignment basis. Shelving, advertising, and newspaper mats free.

We Pay 15% Commission. Product is of reputable manufacture. Styles staple, prices established as leading values, and line designed for regular family trade. We take full responsibility for items which may not sell. Offer open to those who now operate a store but do not carry footwear.

For particulars write The House of Hubbell, Inc., 648 Huron Road, Cleveland, Ohio.

"Shall I Insure?"

That's been settled long ago! The question now is: "How much insurance do you need?"

The answer is: "Enough Fire Insurance to provide money to replace fully your household goods and furniture." Not forgetting that since 1913 replacement costs have increased 101 per cent.

Be sure you have enough. Let us check your policy. You incur no obligation.

Powerful—yes!

because it has the biggest engine in any six of its price

The New Series Pontiac Big Six engine is the biggest in any six of Pontiac's price. That is why Pontiac can develop 60 horsepower and turn it into such high speed, fast acceleration and exceptional hill-climbing ability.

LARGE CARBURETOR. The power developed by Pontiac's large engine is due in part to a large 1 1/2-inch carburetor, equipped with an accelerating pump and an internal economizer.

OTHER FEATURES. In addition, the power plant has a positive gasoline pump, a large three-port intake mani-

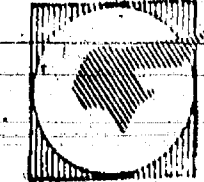

fold of improv design and a positive full pressure oiling system which assures ample lubrication at all engine speeds and results in long life. Come in and arrange to take a New Series Pontiac Big Six for a trial ride. At the same time you can learn how much Pontiac has to offer in comfort, style and durability.

Prices are f. o. b. Pontiac, Mich., plus delivery charges. Shock Absorbers standard equipment. Bumpers and spring covers at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Pontiac delivered prices include only authorized charges for freight and delivery and for any additional accessories or financing desired.

Village To Receive Share Of Road Fund

The Sylvan township board met at seven o'clock Monday evening, in the clerk's office in the Standard building for the purpose of reviewing the annual report of receipts and disbursements during the fiscal year from March 23, 1929 to March 29, 1930. Those present were Supervisor Heck, Clerk Davis, Treasurer Kantielner, Justices of the Peace Walworth and Riemschneider, Highway Commissioner Pritchard. Shortly after the meeting was called to order a committee from the Chelsea common council appeared, consisting of J. N. Strieter, L. Lawrence and Roy Harris, later followed by President Daniels and Clerk Loeffler. After the report was read and the budget for the coming year's expenses of the township was submitted the committee announced the purpose of their call.

They asked for fifty per cent of the highway improvement fund of the amount that was raised by the taxes within the village of Chelsea in 1929. Under the Public Acts of 1926 their request was within the law. After considerable discussion a compromise was reached whereby the township, under the direction of the road officials, will gravel West Middle street, starting at the intersection of the pavement to the M-C crossing at the Methodist home. The estimated cost of the work will be about \$360.

Following is the section of the law on which the village authorities base their claim:

"One-half of that portion of the township highway improvement fund tax which is assessed and collected within any incorporated village, or part thereof, shall annually be expended within the village where collected by the common council of such village, for building, permanently improving or repairing of the highways and bridges now in use in such village, and the township board shall collect and turn over to such village all state award moneys that may be due or owing on account of such building, permanently improving or repairing the highways within the village in accordance herewith."

Highway Department Has 5-Year Program

Lansing, Mich., April 3.—The Michigan State Highway department has a five-year program to which it is now working, directing its energies to that objective. It is believed that planning and working through such a period will give both a more consequential and more economical result than as though the effort were a year by year, piecemeal operation.

The five year plan has been outlined largely with a view to the funds that it is estimated will be available. Keeping a close relationship between funds and performance, it is felt, will eventually deliver to the state a well-rounded system, duly paid for.

The estimate of receipts on which the highway department is basing its constructive program is made up substantially as follows. On the basis of showings made in recent years, it is estimated that the number of motor vehicles to register will increase from 1,530,000, in 1929, to likely 1,810,000 by the year 1935. It is further estimated, on the basis of experience, that the average weight tax will range from an average of \$15.80 in the year 1931 to an average of \$16.35 in the year 1935. Reasoning similarly with respect to the gasoline tax, it is found that the average for 1931 will likely be \$15.85 while in the year 1935 it will be \$15.80 a vehicle. Changing averages per car to expected totals, it is estimated that the weight and gasoline tax will have yielded \$47,700,000 by the coming in of 1931. By 1935 it is estimated the returns from the two sources will amount to \$58,200,000.

While the increase of expected receipts will be considerable during the five year period, yet the fixed charges, which must first be met out of highway funds, will increase as well. Taking into account the fixed charges, it is estimated that there will be left the sum of \$24,200,000 for extension work by 1931. Going on through the five year period it is similarly estimated that there will be left, after fixed charges are paid, at the beginning of 1935 the sum of \$28,950,000. While there will be something of an increase in funds available for construction by 1935, yet in the light of growing needs, such as grade separation, highway widening and the like, the increase will not be at all in excess of the expected need.

Unless the highway laws remain substantially as at present, and unless the department can be left to estimate the funds which will be available, it is asserted that it will be quite impossible to carry out a program to run through a period of years. Unless there can be continuity of effort, the work of one season merging into that of the next, the state highway effort cannot be carried forward with anything like the economy of time, effort and money that results from a program.

Good Brand
Robert does the marketing at the corner grocery for his mother, who demands food of a reputable brand. One day he returned with a shaggy unkempt dog and, asking whether he might keep the dog, said: "I know he is a good brand because the grocer said he wished I would take the dog home with me."

Sylvan Township Annual Report

TO THE ELECTORS OF SYLVAN TOWNSHIP:

We herewith submit the Treasurer's Report of receipts and disbursements of the various township funds from March 23, 1929 to March 29, 1930.
