Here is a tip on Batteries

There is a measure of value in storage batteries that is even more important than the number of plates. It is electrical size—the measure that car builders use in specifying and buying batteries. All Willard batteries have their electrical size branded on the case.

Multiple Hitch Will Be Demonstrated Tuesday

A multiple hitch for four, five and six horse teams will be demonstrated at the farm of Fred Kennedy, one mile southeast of Chelsea, next Tuesday, April 22, by H. F. Moxley, animal husbandry specialist, Michigan State College.

The purpose of this demonstration is to show the practical use of these hitches in utilizing horse power on the farm. The arrangement of the hitches make it possible to eliminate the side draft, and allow the horses to work straight forward with ample air space, which is very desirable in warm weather. Only one set of driving lines is used on any of these hitches. The horses are connected by means of tie chains and buck ropes. All horses are under control at all times, and each horse is so adjusted that he has to do his share of the work.

The chains and buck ropes, as well as the harnesses, can be made by any farmer, or purchased for a few dollars. Plans for making these, and the sources of material, will be distributed at the demonstration next Tuesday.

This demonstration is the second to be held in Washtenaw county this spring. A similar one was held at Manchester a few weeks ago, which was attended by 250 farmers. A large number of requests for the plans for making the buck ropes and tie chains were distributed by County Agent Osler, and a number of the farmers have already used the hitch in their spring work. Frank Hogan, southeast of Manchester, reports that he is especially well pleased with the four horse hitch which he has been using the past few weeks. Henry Forshee, northeast of Ann Arbor, started to use one of these hitches last year, and also is well pleased with it.

The hitches are simple, practical, and makes it possible for a farmer to use larger units of farm machinery and labor to the best advantage. County Agent Osler says that \$200.00 annually can be added to the net profits by working horses in the largest possible teams adapted to the size of the farm. Practical features of the hitch are the elimination of the side draft, equalizing the load, allowing each animal plenty of room for work. The hitches will be demonstrated on a gang plow on Mr. Kennedy's farm next Tuesday, and will afford the farmers in the central and northwest part of the county to obtain correct information on making and adjusting the different kinds of multiple hitches. The demonstration will start at 1:00 o'clock.

Retiring-Worthy Matron Is Honored By Officers

Mrs. Lionel E. Vickers, retiring Worthy Matron of Olive Chapter No. 108, O. E. S., was pleasantly surprised Friday evening when about twenty-five of her past officers and their husbands gathered at her home in Lima township, where bridge and coffee furnished the diversion for an enjoyable evening.

In behalf of the assembled guests, and as a token of appreciation for her service during the past year, Mrs. Albert Schröder presented Mrs. Vickers with a beautiful mirror. A pot luck lunch was served.

Mr. and Mrs. Stanley Vickers of Ann Arbor and Mr. and Mrs. Harry Serviss of Grass Lake were out-of-town guests.

NORTH SYLVAN GRANGE

The North Sylvan Grange will be entertained at the home of Mr. and Mrs. N. W. Laird, Thursday evening, April 24. The following program will be given:

Closing song.

ECORSE KIWANISANS HERE

Five members of the Ecorse Kiwanis club were present and furnished the program for the Monday evening meeting of the local Kiwanis club. M. A. Chaffee, pianist, rendered several selections and C. J. Miller, superintendent of schools at Ecorse, gave a splendid talk, taking for his subject, "Misleading Advertising." Other members of the visiting club present were Rev. Ralph A. Armstrong, Chas. McLaughlin and N. J. Strassner.

The Chelsea club will join the other clubs of this district in a ladies' night affair at the Women's League building in Ann Arbor next Tuesday evening, and will hold no meeting here Monday.

LARGE CROWD HEARS CANTATA

A capacity crowd was present at St. Paul's church Sunday evening to hear the rendition of the beautiful Easter cantata "Bright Easter Morn" by the church choir of twenty-two voices, under the direction of Paul F. Niehaus, with Miss Oleta Seitz at the piano.

SCHEDULE ANNOUNCED FOR TWILIGHT LEAGUE COMMENCING MONDAY

St. Paul's And I. O. O. F. Teams To Play First Game, Starting At 6:30 P. M.

As a result of two meetings held during the past week, at which representatives from organizations desiring to enter teams were present, the Twilight Ball League has been reorganized for the 1930 season, and the opening game will be played next Monday evening, April 21.

The first meeting was held in Miller Brothers' barber shop last Thursday evening, at which time Clarence McBride was elected president of the league, and Chester Miller, secretary-treasurer. Representatives of six teams were present at the meeting and it was voted to confine the membership of the league to the six teams represented there.

A second meeting was held at the same place Tuesday evening of this week and final arrangements were completed for the official opening of the season next Monday. Games will be played at Holmes Field on McKinley street, starting promptly at 6:30 o'clock, on Monday, Tuesday, and Thursday evenings of each week. Postponed games will be played on Friday evenings.

The schedule as arranged calls for forty-five games, divided into three series of fifteen games each. The winners of each series will play off at the close of the season to decide the winning team.

Teams entered in the league are St. Paul's, I. O. O. F., K. of P., American Legion, Methodists and Masons. St. Paul's will oppose the I. O. O. F. team in the first game, Monday night. The K. of P. team will play the American Legion Tuesday, and the Methodists and Masons will play Thursday evening next week. Chas. Meseriva will act as official umpire, and Ed Miller, official scorekeeper for the season.

As an added incentive for the participating teams to put forth their best efforts throughout the season, a silver baseball trophy will be donated by The Chelsea Standard, to be presented the winning team at the close of the season.

The usual custom of free admission will be carried out this year, and baseball fans of Chelsea are urged to attend the games and boost their favorite teams. Don't forget—the opener will be played next Monday at 6:30 p. m.

Sylvan Man Honored At Birthday Party

About thirty neighbors and friends gathered Saturday evening at the home of Mr. and Mrs. Fred Gentner in Sylvan township in celebration of Mr. Gentner's birthday anniversary.

Progressive euchre furnished the amusement for the party, after which refreshments were served. Mrs. Geo. Chapman and George Crumm won high honors, and Mrs. J. Willard Green and Leroy Satterthwaite consolation.

In remembrance of the occasion, Mr. Gentner was presented with an electric percolator.

Special Service At St. Mary Church Friday

The Stations of the Cross will be held at 2:30 on Friday afternoon, at St. Mary church.

There will be no other exercises during Holy Week.

BUSINESS PLACES TO CLOSE

Following the usual custom of the appropriate observance of Good Friday, business places of Chelsea will close from 12 noon until 3 o'clock p. m. tomorrow, in accordance with a request issued in a proclamation by W. R. Daniels, village president, last week.

P. T. A. FINAL MEETING

The Parent-Teacher Association of School District No. 4 fr. Lima, will hold their final meeting of the year this evening at the school house. A talk will be given by Ransom Armstrong, relating incidents of his trip in the South.

ATTEND TESTIMONIAL DINNER

Dr. Faye Palmer, Dr. A. L. Brock and Dr. A. L. Steger were in Ann Arbor, Tuesday evening, where they attended a testimonial dinner and program given at the Allen hotel in honor of Dr. Walter H. Jackson, who is the oldest practicing dentist in Ann Arbor.

4-H CLUB TO MEET

A meeting of the Lima 4-H club will be held Thursday evening, April 24, in Lima town hall, with Mrs. Adolph Gross as hostess.

Union Service To Be Held Good Friday

The order of worship for the union Good Friday services to be held at the Congregational church Friday at 1:30 will be as follows:

Organ Prelude; Hymn; Invocation; Lord's Prayer; Gloria; Responses; Special Music; Scripture Reading; Rev. P. H. Grabowski; Hymn; Pastoral Prayer; Rev. Henry W. Lenz; Response by Choir; Sermon, "It Is Finished"; Rev. F. L. Walker; Hymn; Benediction; Postlude.

The participating churches are the St. Paul's Evangelical, First Methodist Episcopal, and First Congregational, of Chelsea; Salem M. E. church, near Francisco, and the Evangelical church of Francisco.

The business of the village will observe the three hour devotional period, and the public is cordially invited to attend the union service.

TOM MIX PICTURE AT PRINCESS

On next Saturday afternoon and evening the management of the Princess theatre offers as its main attraction the ever popular Tom Mix and Tony with Bernard Boden and his white mule, "Uncle Sam", in "The Drifter". In the saddle and now in the air, Tom is there with old thrill wallop that has made him America's favorite. A thrilling tale of war on the air pirates, battling in the clouds, on horseback and back of a pair of flaming six-guns.

A new Serial, "Tarzan the Tiger" will start Saturday, featuring Frank Merrill and Natalie Kingston, who starred in "Tarzan the Mighty", which was shown here some time ago. This play is from the story "Tarzan and the Jewels of Opar", one of the best of the Tarzan series written by Edgar Rice Burroughs.

On Sunday, April 20, there will be presented "The Red Sword", flaming romance of old Russia, of raging Cossack Hordes, timorous music and startling romance. A startling drama of days that stunned the world, with Marion Nixon, William Collier, Jr., and Carmel Myers playing the stellar roles.

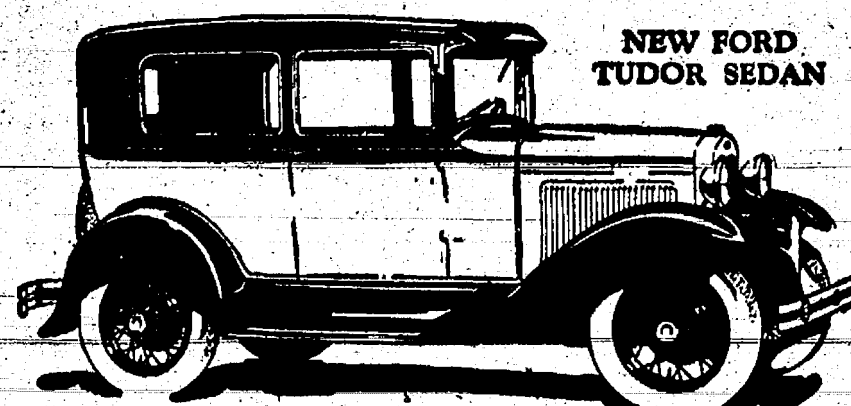

A comedy and news weekly are also on the bill.

DINNER GUESTS

Mr. and Mrs. Herbert Paul and children and Mrs. Anna Paul attended a confirmation dinner Sunday at the home of Mr. and Mrs. Oscar Staebler.

Ann Arbor, given in honor of their daughter, Angeline.

A New Grace of Line and Contour

fences with

RED TOP STEEL DRIVE POSTS

In a single day one man unassisted can drive 1200 to 300 Red Top posts—and align them perfectly. They reduce a week's fencing job to a single day. Eliminate the back breaking post hole digging and make fence building and repair a one man odd-time job.

And Red Tops last long in the fence line—have more strength than you will probably ever need—are made of the same tough steel used in railroad rails and are properly designed to hold the fence in steady security year in and year out.

Come in and let us show you on an actual post the exclusive features that make Red Top the best steel post your money can buy—the reinforcing rib running the full length of the post for extra strength—the accurately placed, prominent studs that prevent the fence from being rooted up or ridden down—the easy driving triangular anchor plate which furnishes a firm underground foundation for the post and the rust-resisting aluminum metallic finish which is baked on for permanence.

The Red Top is your assurance of extra value—it identifies a post good enough to guarantee.

Prominent studs provide a proper seat for the wire. The Red Top fastener holds wire to the post with a vice-like grip.

Easy driving triangular anchor plate secured by case underground anchor, not subject to removal at point of greatest strain.

Brooklyn—The resignation of Dr. J. J. Preston as rector of All Saints church here is received with regret, not alone by parishioners but by the community. Dr. Preston, with parishioners at Teunisch and Clinton has given only part time to Brooklyn but has been able to make himself felt on the side of spiritual and community betterment throughout this area. He expects to go to Alma in May to take charge of St. John's church. Opponent.

for Economical Transportation

it's wise
to choose
a SIX!

There is one sure way to get greater value in a low-priced car today—choose a Six!

This greater value is instantly obvious when you drive a Chevrolet Six. You notice first of all its greater smoothness. There is no tremor in the steering wheel—no rattle in the floor boards—no rumble or drumming in the body.

In addition to the finer performance of its six-cylinder motor, the new Chevrolet gives you truly remarkable economy.

Its six-cylinder smoothness saves the entire car from the strain and wear of vibration. This, of course, lowers the cost of maintenance and assures a longer-lasting, longer-satisfying automobile.

From the standpoint of operating expense, Chevrolet is equally economical. No other automobile consumes less gasoline and oil. No other shows a lower expense for tires. And

no other car costs less for service. Because of its modern engineering, Chevrolet also assures a high resale value.

Chevrolet gives you fully-enclosed, weather-proof, 4-wheel brakes; a modern fuel system—with the gasoline tank mounted in the rear; four long semi-elliptic springs, mounted lengthwise in the direction of car travel. It gives you beautiful Fisher bodies built of combination hardwood-and-steel. It gives you a heavy, rigidly-braced channel-steel frame. And it gives you a full ball bearing steering mechanism.

Before you decide on any car in the low-price field, see and drive the Chevrolet Six. The more thoroughly you investigate, the more certain you are to conclude that it's wise to choose a Six—for value, for performance . . . and for economical transportation!

Proso Is Millet

With A New Mask

The values of Proso, which has recently been exploited as a wonderful new grain and feed crop, have been greatly overestimated, according to statements by members of the farm crops department at Michigan State College.

A great deal of the present interest in Proso will disappear when farmers realize that it is only hog-millet or broomcorn millet masquerading under a new name.

Farmers Bulletin number 1162 published by the United States Department of Agriculture states that both Hungarian and German millet are superior as crops to the millet now advertised as Proso. The normal feed crops, such as oats and barley, yield more pounds of feed per acre than Proso.

The value of Proso as a poultry feed is less than the ordinary grains used for such purposes, members of the poultry department at the College state. They also say that Proso is less palatable than the usual grains used in poultry rations.

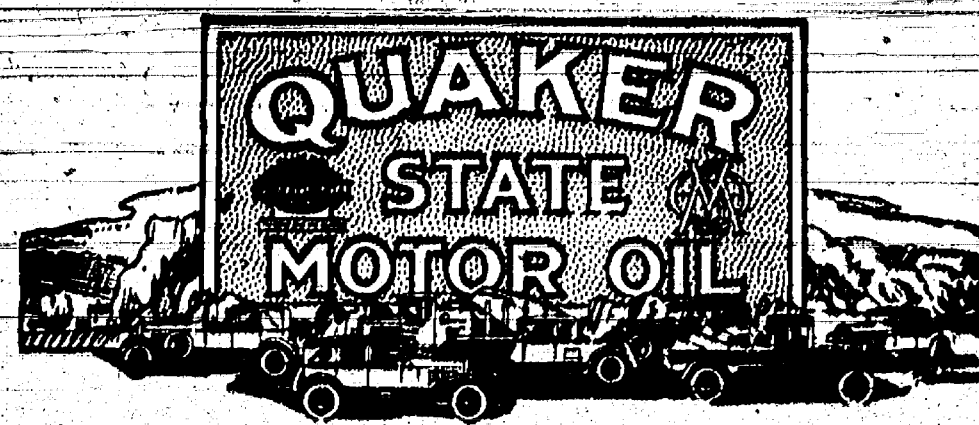

Advertisements which claim that Proso will yield 10 to 20 bushels of grain on tenth-acre plots should be checked against the statement of the College crops men who say that, under exceptionally favorable conditions, Proso has yielded as high as 60 to 70 bushels per acre. The normal yield, as estimated by the crops specialists, is 10 to 30 bushels.

GIVE SUPER-POWER TO YOUR MOTOR . . . with this SUPER-Refined Motor Oil

If you want 100% power-performance from your motor you must give it an oil that is all lubricant—100%. For ordinary motor oils contain 25%, or more, of harmful, non-viscous matter which is only too likely to fail just when your engine needs lubrication most. But Quaker State Medium—starting where the refining of other oils stops—removes in special super-refining stills and filters this deleterious matter and gives you in its place an extra quart of useful lubricant in every gallon which makes it the most economical, as well as the highest grade, oil you can buy.

There's a good garage or service station near you that displays the green and white Quaker State sign. Drive in, and have your crankcase filled with Quaker State. Then

see how an engine can run when every bearing is cushioned against friction by a 100% lubricant that holds its body under high temperature and heavy service. . . . The price is 35c per quart.

Official Lubricant of the Ford Motor Co. and the Chrysler Corp. Permit No. 52.

The point
where our audiences
get out of their chairs

This classroom picture shows the demonstration which proves definitely that New Iso-Vis does not "break down" in the automobile crankcase.

FOR SEVERAL WEEKS we have been demonstrating New Iso-Vis Motor Oil in our laboratory lecture room to groups of engineers and others. One of the experiments made is this:

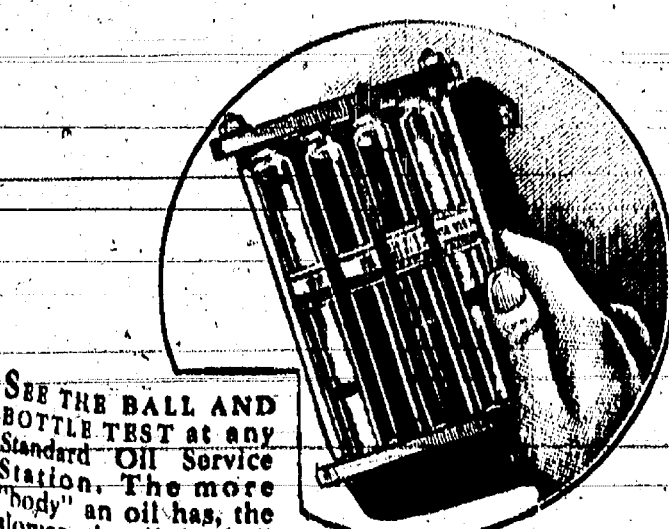

A quart of "used" Iso-Vis oil that has gone hundreds of miles in the crankcase of a car—is strained through a special filter.

In goes the used oil, black with road dust and crankcase dirt . . .

And then our audience generally gets to its feet in astonishment. For out of the filter comes a quart of oil that is exactly the same as if it had come from the refinery. Not just the same clear amber color but the same heavy body, the same oiliness, the same lubricating quality!

Before their eyes is the unmistakable, dramatic proof that New Iso-Vis Motor Oil does not "thin out" or break down. However, it must be changed at reasonable intervals to get rid of the dirt it accumulates in the crankcase.

Try New Iso-Vis today. You can get it at any Standard Oil dealer or service station.

SEE THE BALL AND BOTTLE TEST at any Standard Oil Service Station. The more "body" an oil has, the slower the little ball falls in the tube. Notice the difference between used Iso-Vis and any other oil drained from the crankcase. Iso-Vis does not thin out in your motor.

Northville.—With the entire country passing through one of the greatest periods of depression ever known and thousands of working men out of employment and with charity organizations making more urgent appeals than ever before, Northville township taxpayers will this year be called upon to vote only \$100 for its poor fund.—Record.

News of supreme importance to every farmer in Michigan who figures on his wool shearings as part of his income is contained in an announcement just made by the Michigan Cooperative Wool Marketing Association, who have offices at 1048 Beaubien St., Detroit.

The Federal Farm Board has just appointed this association as its official Michigan representatives to receive fleece wool and to market same for the farmers. Through the government financial assistance offered it is possible for the association to advance 16 to 24 cents per pound for all fleece wool delivered to designated United States government warehouses.

In these warehouses the wool will be graded after delivery and the owner will receive his money with very little delay over red tape facilities. The association also will provide wool sacks for those wool owners who request same.

The cash advance of from 16 to 22 cents per pound are arranged as follows:

Michigan Three-eighths-Combing 22 cents per pound.

Michigan Halfblood-Combing 22 cents per pound.

Michigan Quarter-Combing 20 cents per pound.

Michigan Delaine-Combing 19 cents per pound.

Three-eighths-Clothing 21 cents per pound.

Halfblood-Clothing 20 cents per pound.

Quarter-Clothing 19 cents per pound.

Fine Clothing 16 cents per pound.

It is understood that the various wool pools throughout the country will obtain 100 million pounds of fleece this year. Of this some 64 million pounds already are under contract. Stabilizing this market is of supreme importance to every flock owner. Officers of the association say it is of advantage to Michigan sheep men to ship to the Michigan pool as they can see their own wool graded and get an advance at once. If shipped by freight to pools outside of Michigan, they say, transportation charges are higher, which are charged to the flock owner. The government selling agents are the same for the pools.

The Red Rocket

a demonstrator
of Pontiac's finer
performance

BEGINNING today, the New Series Pontiac Big Six marked with a RED ROCKET will be on the streets of this city. Notice its speed, quick getaway, smoothness and easy handling. Ask for a demonstration—anytime, anywhere you see this car.

SPEED AND POWER. A 60 horsepower engine, the largest in any six of Pontiac's price, accounts for this car's great power, speed and acceleration.

SMOOTHNESS. The engine is very smooth due to new type rubber mountings and the Harmonic Balancer which counteracts crankshaft vibration.

EASY HANDLING AND RIDING. A new roller bearing steering system and improved four-wheel brakes make the car delightfully easy to handle. And riding ease is increased by comfortable new Fisher bodies and improved Lovejoy Hydraulic Shock Absorbers.

Ask to drive the car with the RED ROCKET. Or come to our salesroom and arrange to learn what splendid performance Pontiac now is offering at low cost.

Pontiac is a V. B. Pontiac, Mich., plus delivery charges. Shock absorbers standard equipment. Bumpers and spring covers at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (U. S. S. I.) price when comparing automobile values. Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.

Question And Answer Dept.

Ques.—What is meant when a man is referred to as a "cake-eater"? And how did it originate?

Ans.—H. L. Mencken in his dictionary of "American Language" defines "cake-eater" as a "poor young man who frequents teas and other entertainments, but makes no attempt to repay his social obligations." This undoubtedly was the meaning of the slang word when it came into vogue a few years ago. Now the word signifies a dissipated, pop-drinking, dissipated, effeminate young man whose chief occupation is to keep up with the fashions in clothes. It is the antonym of "teetotal."

Ques.—I wish to ask in your interesting question department how fast do wild ducks fly? Also what is the speed of the fastest flying bird?

Ans.—The speed of wild ducks varies from 60 to 100 miles an hour. The average is about 75 miles an hour when in full flight for a long distance. The fastest flying bird is what is known as the Indian swift. It is capable of maintaining a speed of 200 miles an hour.

Ques.—Isn't it showing a lack of reverence when a preacher, preaching a funeral sermon, refers to the corpse as "the shell" of a man or woman as the case may be?

Ans.—Not if the nut is gone.

Ques.—I understand the large pressing iron used by tailors is called a "goose". Will you kindly tell me if the plural of that is "geese"? It will settle an argument.

Ans.—No. The plural of "goose", a tailor's pressing iron, is "gooses".

Ques.—Our club is discussing this point: If a rifle ball shot meets a cannon ball squarely will the rifle ball make a full stop when it is carried back by the force of the cannon ball. In other words, when the cannon ball does not stop how can the rifle ball stop when reversed by the cannon ball?

Ans.—Theoretically the rifle ball will stop for an infinitesimal instant before starting in the opposite direction, notwithstanding the cannon ball does not stop. Theoretically the cannon ball will be slowed up some by the impact.

Ques.—I am writing to ask you what is meant by the Bertillon system which is given to criminals?

Ans.—This system is a set of measurements not only for criminals, but for the identification of any individual. It embraces anthropometric measurements, personal characteristics, color of the hair, eyes and complexion, finger prints, thumb lines, scars, deformities and photographs. The system was devised by Alphonse Bertillon (pronounced "Bortee-yon"), a French anthropologist who died in 1914.

Ques.—What is the correct pronunciation of the word "column"?

Ans.—"Column" is pronounced like as if it were spelled "col-lum", with the first syllable accented. Many people erroneously say "col-yum".

Ques.—I want to ask in your good paper why college girls are called "co-eds"?

Ans.—"Co-eds" is a contraction of "co-educational". Originally men and women were educated in separate colleges. When co-educational schools were established the word "co-ed" was applied to the girls only.

Ques.—To settle an argument will your please answer which makes the most noise—an airplane or a railroad train?

Ans.—Neither one. Some people eating soup has them both beat.

Ques.—I am told that England provides government aid to the farmers. Is that true?

Ans.—Yes. Farmers in England can borrow money from the government up to 75 per cent of the valuation of the land. The loans and interest are payable in payments extending over a period of sixty years.

TWENTY-FOUR YEARS AGO

County Clerk Harkins has issued a marriage license to John Mayer of Freedom, and Clara Haarer of Lima. Assessor J. Hummel on Monday began taking the annual assessment of the real estate and personal property in Chelsea.

Conrad Lehman has purchased a vacant lot on Garfield street and is making arrangements to build a residence on the property.

The woodshed on the premises of

Thomas Murphy on Wilkinson street was destroyed by fire Saturday afternoon. A grass fire was supposed to have started the blaze.

Mrs. Julia Fuller, aged 69 years, wife of H. D. Fuller, died at her home on Jefferson street Tuesday. She was a daughter of Elisha Congdon, one of the founders of Chelsea. She is survived by her husband, one son, two brothers and two sisters. The funeral will be held from the M. E. church Friday afternoon.

THIRTY-FOUR YEARS AGO

Thursday, April 9, 1896

At the annual Sylvan election Monday, H. Lighthall, the Democrat candidate for supervisor, was chosen for constables, S. L. Gage and Elmer Bates, Republican candidates, were tied, and they cast lots and Mr. Gage was the winner.

The county board of supervisors stands to Democrats and 14 Republicans.

Last week Thursday night the tenant house on the farm of James Riggs of Sylvan was burned to the ground. The contents were mostly farm tools.

Irving Storms and family have moved from Chelsea to his farm at Lima Center.

Died, Sunday, April 5, Miss Martha Laubengayer, aged 22 years, daughter of Mr. and Mrs. C. F. Laubengayer, of Sylvan. The funeral was held in St. Paul's church Wednesday, Rev. G. Elson conducting the services.

About thirty young people were entertained at the home of Miss Nettie and Elsie Beach last Friday evening.

The Chelsea Telephone company, the stock of which is owned entirely by local residents, will have their Chelsea exchange in operation by May 1st and the Cavanaugh Lake exchange will be in operation before the camping season opens.

"KONJOLA KEPT ME AT WORK ALL DAY EVERY DAY"

Rheumatism Caused This Man Terrible Agony—New Medicine Brings Speedy Relief.

MR. JAMES EATON

Don't get the idea that there is no relief from rheumatism, no matter what has failed. Put to the test Konjola, the new and different medicine of 32 ingredients, 22 of them the juices of roots and herbs. Read, for instance, the words of Mr. James Eaton, 141 Walker street, Grand Rapids:

"Konjola put an end to rheumatism that for years caused me terrible agony, and that defied every other medicine I tried. Many a day I was unable to leave my bed, my joints were so stiff and sore. But three bottles of Konjola put all my pain to rout; corrected my kidneys and let me go to work all day every day. I endorse Konjola with all my heart and soul."

Thus Konjola works, quickly and thoroughly, going to the very source of the ill—the stomach, liver, kidneys and bowels, and of rheumatism, neuritis and nervousness.

Konjola is sold in Chelsea at Berg's drug store, and by all the best druggists in all towns throughout this section.

County Supervisors Convened Tuesday

The Washtenaw County Board of Supervisors met in Ann Arbor, Tuesday, for the annual April session. Edwin D. Foster of Ypsilanti was elected as chairman, and James C. Herrick of Ann Arbor was chosen as chairman pro tem.

During the morning session two physicians appeared before the board, representing the Leland After-cure farm tuberculosis sanatorium, and made a proposition whereby the county could purchase the sanatorium property of 280 acres, located in this county south of Ypsilanti, now owned by the Detroit organization and used for the treatment of tuberculosis. The price was placed at \$280,000. The proposition was referred to the finance committee of the board, who are to make their report at the June session.

Supervisor Beckwith moved the adoption of the rules of procedure of 1925, which, after a me discussion, was adopted.

Supervisors from this vicinity who are on the five committees named at the afternoon session are: Finance, Geo. W. Beckwith, Sylvan; per diem, Edwin Schauble, Freedom; county roads, Leigh Beach, Lima; equalization, Gilbert Madden, Dexter.

D. E. Beach of Chelsea was appointed as a member of the county board of election commissioners to succeed the late O. C. Burkhart.

Announces Candidacy For Office Of Sheriff

Jacob B. Andres, who for the past ten years has been actively engaged as a law enforcement officer in Washtenaw county, today announced his candidacy for the office of sheriff at the primary election in September as a nominee of the Republican party.

Mr. Andres' qualifications for office embrace a 10-year service as an officer. He served as resident deputy under the present sheriff, James W.

JACOB B. ANDRES

Robison, and as under-sheriff under former Sheriff Ernest M. Warner. His six years of experience in the Ann Arbor police department saw him promoted from patrolman to sergeant.

He also has had a long affiliation with the International Association for Identification, a world-wide agency for the detection of crime.

"I have become well acquainted with law enforcement problems as they apply to the county as a whole," Mr. Andres said in announcing his candidacy. "I am a firm believer in crime prevention as well as crime detection and I favor a rigid and economical administration with the object of serving and protecting society as well as possible."

Holy Week Program At S. P. I. Meeting

A Holy Week program was given at the meeting of the S. P. I. held Monday evening at the home of Mrs. Blanche Palmer. Rooms were given in response to roll call, after which the seven roads of the cross were repeated in unison. A piano duet, "Peace and Prosperity" was rendered by Olga Strieter and Katherine Kusterer.

The topics for the evening were as follows: Lent—Amanda Kock. Why Called "Holy Week"?—Mary Schneider.

Hot Cross Buns—Lettie Kaecher. Palm Sunday—Katherine Kusterer. Spy Wednesday—Louise Winans. Holy Thursday—Olga Strieter. Good Friday—Blanche Palmer. Holy Saturday—Mary Podas. The Last Supper—Alberta Schroder. Christ in Gethsemane—Lillie Wackenhut.

Candidate Will Open Office Here If Elected

ANN ARBOR, April 16.—Plans whereby he will establish offices in Ann Arbor, Ypsilanti, Chelsea, Milan, Dexter, Saline and Manchester in case he is elected to the office of State Representative were announced today by Philip C. Pack, of Ann Arbor, candidate for the Republican nomination.

"Should I be so fortunate as to be elected State Representative," Mr. Pack said, "I will establish an office and keep office hours at stated intervals in every city and town in Washtenaw county. I believe that, in the past, the relations of State Representative to the citizens of the district have been somewhat impersonal. No candidate that could possibly be elected can understand the problems of the various communities without going right into every district and getting this information firsthand. To serve every section of the county most efficiently demands that the county's representative get just as close as possible to the residents of every locality. It will take time, of course, but I am prepared to give the job all the time needed."

MARTIN STRAUSS

Martin Strauss, 73, died Saturday morning, April 12, at his home in Waterloo township, where he had been a resident for sixty years. He was born in Saginaw, November 29, 1856, the son of George A. and Fredericka (Lutz) Strauss.

He is survived by two brothers, Charles and Michael, and one sister, Mrs. Richard Osler, all of Detroit.

Funeral services were held at two o'clock Monday afternoon at the United Brethren church, Rev. Chas. Moger officiating, with burial in Mt. Hope cemetery, Waterloo.

Refusal of many farmers to answer questions asked by census enumerators brought a threat of prosecution from Lucien F. Sweet, census supervisor for Kalamazoo, Calhoun and Branch Counties. The work of the census takers, which is proceeding smoothly in the city and suburban districts, is facing collapse in some isolated sections, the director declared. Seventy-five per cent of the farmers in one township of Kalamazoo County have refused to answer the questions, he said.

Lylo Hinzard and William Pant, both 20-years-old and of Muskegon Heights, were killed while arguing in the road over responsibility for a minor automobile crash, when they were struck by a third car. Don Yager, of Muskegon, driver of the death car, said he was blinded by the headlights of one of the stalled automobiles and failed to see the men in the road. Raymond Dole and Frank Crevier, involved in the argument, were struck and injured, but will recover.
