Former Chelsea Man Married In Detroit

The marriage of Miss Carolyn Van Poppelen and Mr. John C. McKernan, both of Detroit, was solemnized at nine o'clock Monday morning, April 21, at St. Theresa's church, Detroit, Rev. Father Higgins performing the ceremony.

The bride was lovely in a gown of ivory satin, her long tulle veil fastened to a bandeau of lilies of the valley, and she carried a bouquet of Madonna lilies. Her sister, Miss Celesta Van Poppelen, as bridesmaid, was dressed in yellow chiffon and carried a shower bouquet of sweet peas. Edward Spires attended the groom as best man.

Following the ceremony, a wedding breakfast was served to the immediate relatives at the home of the bride's mother, Mrs. Marie Van Poppelen, on Lawrence Ave. A large bowl of Easter lilies centered the table, the appointments of which were in pink and white.

The groom is the son of Mr. and Mrs. Eugene McKernan of Wyndon township and for the past six years has been employed in Detroit.

Mr. and Mrs. McKernan will be at home after May 1st at 8627 Dunbar Road, Detroit.

Parent-Teacher Ass'n Holds Final Meeting

The Parent-Teacher Association of School District No. 4 (Chelsea), held their final meeting of the year last Thursday evening at the school house. Officers elected are:

President—Mrs. Jacob F. Alber.
Vice President—Mrs. Fred Kennedy.
Secretary—Mrs. Inez Runk.
A talk by Ransom Armstrong was the main feature of the program. A story, "Little Black Sambo Visits the Jungle," was given by Maynard Outwater, and verses written by the school children were read by Walter Gage.

Lunch was served by the committee in charge.

Easter Program Is Feature Of Meeting

The weekly meeting of the S. P. T. was held Monday evening, with Miss Lillie Wackenhut as hostess. The following Easter program was rendered:

Roll call—Easter Greetings.
The Dates of Easter—Alberta Schroder.

April Fool and Easter—Mary Potts.

Easter Flowers—Olga Strieton.

Easter Hats and Togs—Louise Williams.

Easter Rabbits—Mary Schneider.

Piano Duet—"Return of the Heroes"—Olga Strieton and Katherine Kus-taver.

Easter Story—Lillie Kaercher.

Easter Eggs—Lillie Wackenhut.

The First Easter—Amanda Koch.

The Resurrection Story—Katherine Kusterer.

Easter Game—Blanche Palmer.

Easter Poems—By the members.

Following the program the guests were invited to the dining room, which was attractive with Easter decorations and each was presented an Easter nest and a gift.

LET DRAIN CONTRACT

Bids for the construction of the Pleasant Lake drain were opened by County Drain Commissioner Clayton E. Deake at the home of Emanuel Scott, Pleasant Lake, Tuesday afternoon. The contract was awarded to C. Fosket & Son, Howell, who were the low bidders, taking the contract for \$16,000.

The drain will be about nine miles long, the drainage district including the townships of Sylvan, Lima, Freedom and Sharon, and it is to be completed by January 1, 1931.

MAKING GOOD IN BASEBALL

Bennie Frey, former resident of Chelsea, is making a mark for himself in big league baseball, according to results of games in which he pitches for the Cincinnati Reds. In a game last Saturday between the Reds and Chicago Cubs, Frey held the Cubs to five hits and defeated them with a 2 to 1 score. Young Frey was obtained by the Reds from Nashville last summer.

Mr. and Mrs. Peter Frey, parents of Bonnie, are residents of Jackson, moving there from Chelsea several years ago.

4-H CLUB ELECTS

At the annual meeting of the Sylvan 4-H club which was held recently at the home of Mr. and Mrs. J. P. Cook, the following officers were elected:

President—Melvin Lessor.

Vice President—Gerald Cook.

Secretary—Mervyl Hatley.

Treasurer—Virginia Liebeck.

Potato Club Leader—Fred Hatley.

Poultry Club Leader—Mrs. J. P. Cook.

PROPOSE CONSTRUCTION OF STATE HIGHWAY OVER NEW ROUTE TO UNADILLA

M-92 Will Be Turned Over To County For Improvement If Recommendations Are Okayed.

The proposition of turning the stretch of M-92 trunk line highway running from the Washtenaw county line to the junction of that highway with the North Lake road about two miles northwest of Chelsea over to the county has been submitted to the state administrative board by the highway committee of that body.

This will probably result in the construction of a state road from the junction of the two highways northwest of Chelsea to Unadilla, an estimated distance of about 9 miles. The county in turn will improve M-92, \$10,000 having been appropriated to start on the work of improving either the North Lake road or M-92 this year.

The recommendation of the highway committee to the administrative board clarifies the situation and will permit the county road commission to proceed with the improvement of M-92. At a hearing which the county road commission and a committee of local business men expect to have with the administrative board during the next few days, it is expected that body will give the information as to their plans in connection with the construction of the new highway to Unadilla.

Although the amount at the disposal of the road commission for expenditure on M-92 this year will not be adequate for improvement of a very long stretch of the road, it is expected that enough money will be appropriated to finish the project within the next year or two.

It is the intention of the county authorities to preserve the natural beauty of M-92 through the hills northwest of Chelsea as much as possible in their construction work. However, the worst curves will be straightened to make the highway safer for travel, and motorists in this vicinity as well as through traffic will benefit by the improvement.

Newlyweds Honored At Sunday Dinner

Mr. and Mrs. Wm. Atkinson entertained at a family dinner Sunday for the pleasure of their daughter and husband, Mr. and Mrs. Max Friedrich of Flint.

The table was centered with a bowl of red roses, and the appointments were in keeping with the Easter time. Those present at the dinner were Mr. and Mrs. Adolph Alber and family of Sharon, Mr. and Mrs. Harry Love of Jackson, and Miss Ruth McClure, of Chelsea.

Entertains At Birthday Party Sunday Evening

Mrs. George Satterthwaite was hostess at a six o'clock dinner Sunday evening, given in honor of Mr. Satterthwaite on the occasion of his 49th birthday anniversary.

A birthday cake in pink and white centered the table, where covers were laid for the following guests: Mr. and Mrs. George K. Chapman, Mr. and Mrs. Leon Chapman and daughter and Mr. and Mrs. Henry Orthing and family, all of Sylvan township.

ATTEND INTER-CITY MEETING

Chelsea Kiwanians, their wives and guests to the number of about fifty attended an inter-city Kiwanis ladies' night affair, sponsored by the Ann Arbor club, at the Wagona League building in Ann Arbor, Tuesday night.

Following the banquet which was served at 7 o'clock, a short address was delivered by Rev. Wm. Chapman of Traverse City, Governor of Michigan District Kiwanis International, after which the party enjoyed the presentation of "The Cardboard Lover" at the Lydia Mendelssohn theatre in the League building. Following the theatre party dancing was enjoyed in the ball room.

Warning!

Notice is hereby given that Deputy Sheriff Wm. Atkinson has been authorized to place under arrest anyone found trespassing or molesting the property of the Peat Company, located in the south part of Chelsea. Some people, whose identity is suspected, have been carrying peat from the building on the premises, and the building has been greatly damaged by culprits who have no regard for law and order. This practice must be stopped or the guilty parties will have to suffer the consequences.

Arner Rubach, Owner, Detroit, Mich.

Eastern Star Officers Were Installed Friday

Installation of the recently elected officers of Olive Chapter, No. 108, O. E. S. took place at a special meeting held Friday evening. The meeting was opened in form, after which the following program was rendered:

Piano solo—"Paderewski's Minuet"—Frances Kantlehner.

Vocal solo—"The Easter Rabbit"—Jeanne Meserve.

Reading—"The Sorry Hostess"—Ruth Schenk.

Vocal solo—"Forgotten"—Ruth Fletcher.

The following officers from Bellevue were in charge of the installation:

Worthy Matron—"Grand Esther", Vivien Beers.

Marshal—Margaret Rouse.

Chaplain—Minnie Green.

Organist—Anne Porter.

Other visitors from Bellevue were Mr. and Mrs. Leslie Wilson, Mr. and Mrs. Raymond Egner, Mrs. E. Shaler, Mrs. C. Andrews and Mrs. L. Taylor. Refreshments were served.

American Legion Wins From K. of P. Tuesday

Members of the American Legion baseball team are boasting of their position at the top of the list in the Twilight Ball League, having won from the K. of P. team by a score of 6-3 in the first completed game of the season at Holmes field Tuesday evening.

The first game of the series scheduled was to have been played by the Odd Fellow and St. Paul's teams Monday evening, but the game was called on account of rain after the second inning had been played. This game will be played Friday evening of this week.

Other games scheduled for the coming week are as follows: Tonight (Thursday), Methodists vs. Masons; Monday, April 28, I. O. O. F. vs. American Legion; Tuesday, April 29, K. of P. vs. Masons; Thursday, May 1, St. Paul's vs. Methodists.

Jurors Named For May Term Of Court

The jurors for the May term of the Washtenaw county circuit court were drawn Saturday. The court will open on Monday, May 5 and the jurors will report for duty on Tuesday. The list is as follows:

George Klink, Lyndon; George Warster, Manchester; Jay Mantell, Northfield; C. L. Cramer, Pittsfield; William Cole, Salem; Albert Gus, Saline; Ottmar Kaercher, Selco; Gus Lidke, Superior; George Chapman, Sylvan; John Walsh, Webster; H. H. Moorehead, York; Roy W. Austin, Ypsilanti township; Mrs. E. R. Beal, Ypsilanti, first district; Elmer J. Hunter, Ypsilanti, second district; Walter Garthe, Ann Arbor, first ward; Fred Wolf, Ann Arbor, second; William Ziemke, Ann Arbor, third; Elias Sadler, Ann Arbor, fourth; Albert Kempfert, Ann Arbor, fifth; Esther S. Wilson, Ann Arbor, sixth; George Whaley, Ann Arbor, seventh; Geo. Parker, Ann Arbor township; H. C. Snowball, Augusta; Oscar Raab, Bridgewater; Reuben Lindemann, Dexter; Charles Grieb, Freedom; George Herter, Lodi; William Beach, Jr., Lima; Alfred Drew, Lyndon.

LAFAYETTE GRANGE

Lafayette Grange will meet at the home of Mr. and Mrs. John Liebeck Thursday evening, May 1, 1930. Program:

Song by Grange.

Roll call—Miscellaneous.

Reading—Mina Wiseman.

Instrumental music—Virginia Liebeck.

Song—Wayne Wiseman.

Reading—Peter Oesterle.

Instrumental music—Ruth Liebeck.

Topic—Lessons I have learned in sheep feeding—George T. English.

Closing song.

Supper lunch.

ENTERTAIN FOR MOTHER

Mr. and Mrs. David Alber entertained at a family dinner party Sunday in honor of Mrs. Alber's mother, Mrs. Hannah Taylor's 87th birthday. They also celebrated the birthdays of Mrs. Arthur Young, Mrs. David Alber and Miss Celesta Alber.

The table was centered with three beautifully decorated birthday cakes. Out-of-town guests were Mr. and Mrs. Haze Bennett, Mrs. Jean Winslow of Detroit, and Mr. and Mrs. Arthur Young and family of Lima.

Taylor received many lovely gifts.

SPENT EASTER HERE

Mr. and Mrs. Julius H. Niehaus and son Robert, of Ann Arbor, Mr. and Mrs. Wm. L. Kuebler and daughters, Jean and Katherine, of Manchester, Mr. and Mrs. Glenn H. Barbour, daughter Virginia, and son Paul, of Lima, and Mr. and Mrs. E. J. Bahnmiller and daughter Loretta, of Chelsea, were Easter guests at the home of Mr. and Mrs. John Koch.

NEW TARIFF LAW IMPORTANCE

When the tariff law is finally revised, passed by Congress and signed by the President, is out of the way a great uncertainty will have been lifted from the business interests of the country. There is not a business of any kind that will not in one way or another be affected by a tariff. The man who believes in a protective tariff is afraid to make any move in business so long as he is uncertain what the bill will be. The man who believes in free trade is equally uncertain as to what move he should make until he finds what the tariff bill is going to be like.

Running through every avenue of employment on the farm, in the factory, in the store and in the office, a tariff bill so long as it is before Congress is a deterring influence on employment and on everything which goes into business progress of the country. It is, therefore a matter of profound congratulation that we are reaching the end of the tariff discussion, for it cannot much longer continue to claim the attention of Congress. It will soon be definitely known what the tariff is and the influence it will have upon business. It may not be thoroughly satisfactory in every respect, but from present appearance, the Manufacturers Record believes this tariff will be one of the best ever enacted in this country for the progress and prosperity of America.

It will not hurt our foreign trade. We will continue to buy from other lands the things that we have to have, and they will continue to buy from us. It has long been proven that a protective tariff does not prevent the interchange of foreign commerce, but a protective tariff does safeguard this market from being flooded to an enormous extent with the products of the cheap labor of other lands. Benjamin Harrison when president wisely said in his plea for a protective tariff against the cheap products of foreign lands that "a cheap coat makes a cheap man." Profitable pay to the laboring man, whether on the farm or in the factory, helps to create prosperity for all.

President Lincoln has often been quoted in favor of a protective tariff by saying that when we buy rails from England, England has the money and we have the rails, but that when we make the rails at home we have both the money and the rails. Simple as that statement is, it carries a great truth.—Manufacturers Record

BE SAFE AT HOME

Home is not always a safe place. We refer, not to the violence of husband or wife, but the fact that many an accident occurs in the home and it is a good place to be careful.

The National Safety Council reports that there were 4,000,000 accidents in homes in 1929 and 24,000 of them were fatal. Most of the serious accidents were falls. They doubtless came when mother was dusting and father was hanging up a picture. Five hundred serious accidents were caused by falling in the bath-tub. There were many other causes and if you should be safe at home the following things should be particularly recommended:

Do not start a fire with gasoline or coal oil.
Do not attempt gymnastic stunts in the home—such as standing on ladders, chairs and window sills—unless you have a firm foundation or are otherwise protected from falling.

Keep your medicine chests inaccessible to children and never take any medicine yourself from a bottle in the dark.

Do not start your automobile in a closed garage.

Do not point a gun at anyone, even

though you are sure "it isn't loaded." Use reasonable care and caution in performing your daily chores and duties.

SPRING FEVER

Spring fever is not difficult to diagnose. One doesn't have to be a physician in order to do so. The course followed by the disease in different individuals is involved and often baffling. There is the man who shows all the earmarks of sleeping sickness—he is greatly to be pitied. Just imagine sleeping through the excitement, the invigoration of springtime.

Then there is the lover who concentrates all his attention, all his thoughts—even, upon his adored. He is often envious, but after all, think what he misses—the first robin, the fragrance, the sunrises and sunsets. He is not to be pitied too much, however, for will he not come next spring, to be able to enjoy the manifold beauties the same as the rest of disillusioned humanity?

The hardest of all to understand is the grouchy, the depressed person, to whom spring is no more than a helping of potatoes. He is most to be pitied, for while the other ailments are undoubtedly the results of spring he is impervious, encased in a cast iron mold through which no breath of spring can hope to waft. All wives, sisters, mothers of such cases should put them under the care of physicians. What they need is a general overhauling—something needs to be fixed up, then perhaps there will be hope for them next spring.

And there is an idea isn't spring the time for physical checking up for all of us? Perhaps winter, advises the Michigan Tuberculosis Association, has given us a rough handling—many coughs, much catarrh, the flu, and who knows what follows in their wake. A visit to the doctor may give new meaning to the springtime months.

TIME IS REQUIRED

The trouble with most people and most business enterprises is that they wish to grow too fast.

This growing process is one that requires time. That is true in nature. In the human body there must be a sound development of bone, tissue, blood and brain—or else there is deformity. When a tree grows it must expand its branches, trunk and roots in some relative proportions or the winds and the storm beat down in the night the growth of many years.

So it is with human enterprises of all kinds. Those who aspire to become great students, learned men and women, cannot achieve their ideals in this respect in a few years at school or college. The process demands time. Those who would become hardy and strong physically must exercise, eat and sleep properly for years. Those who build fortunes in the world of business first lay the foundation of ability, experience and industry and build soundly upon a good start.

Some people of unusual ability make rapid progress. Some business enterprises, especially in new fields, grow with great rapidity. But the most successful individuals and companies are those with a background of struggle, hardships and constant growth. Build upon a good foundation. Do not be in too much of a hurry.—Grand Rapids (Minn.) Herald-Review.

KNOWLEDGE

Pleasure is a shadow, wealth is vanity, and power is pagan; but knowledge is ecstatic enjoyment, perennial in fame, unlimited in space, and infinite in duration. In the performance of its sacred offices, it fears no dangers, spares no expense, looks in the volcano, dives into the ocean, perforates the earth, wings its flight into the skies, explores sea and land, contemplates the distant, examines the minute, comprehends the great, ascends to the sublime—no place too remote for its grasp, no height too exalted for its reach.—DeWitt Clinton.

Brooklyn—The Tullar Secret Service is to make Brooklyn headquarters for lake patrol, resort protection and other special service according to Jas. E. Gilbert and Ray E. Anger, lieutenant and inspector, who have already come to Brooklyn to reside. The men wear uniforms and are deputized under state authority.—Exponent.

Grass Lake—A reunion of the old time pupils and teachers of the Nineveh district school is being planned for some time in July. Date cards will be sent out later. There will be singing by the Austin family, who used to live in the district and early day recollections by former residents.—News.

This Week

Leprosy Conquered

Eat Vitamin D

To Europe for \$6, Maybe

Women May Preach

Doctor Dostal, bacteriologist of Vienna, isolates leprosy germs and produces an effective serum. Once that would have comforted millions of people and those living in fear of leprosy.

It means "little today."

Leprosy is one of many "fifth" diseases, dying out as civilization and soap-distribution progress. Cleaning up a stagnant pond will free a neighborhood of malaria.

Cleaning up the world's fifth spots would free the earth of many diseases.

If nations that recently spent hundreds of billions killing each other would spend a few billions to rid the earth of mosquitoes, flies, rats and mice, the worst diseases would vanish.

Doctor Price, scientist of Cleveland, says vitamin D prevents diseases called "degenerative," such as cancer, heart disease, influenza and pneumonia.

Dairy farmers will be interested to hear that Doctor Price recommends spring butter from the milk of cows grazing in the sunshine. This vitamin D he calls the "sunshine vitamin."

Cows get the vitamin, stored up by the sun, in spring grass, and return it in their milk.

Here is real flying news, important to all interested in moving about the earth.

Henry Ford has perfected an all-metal airplane driven by three Packard Diesel motors, burning crude oil.

The machine is expected to carry eleven passengers one hundred miles at a fuel cost of \$2.10. This means that the fuel cost of taking eleven passengers across the continent or across the ocean would be \$84.80, less than \$8 each. There is no cost for right of way, little for terminals and for wear and tear.

What is more important, in Ford's opinion, is the fact that fire hazards, explosions, carburetor adjustments, electric ignition, all dangerous elements in flying, are eliminated.

The pilot sits in front of an instrument board like that of an automobile and talks over a radio phone without interference from the motors.

Concerning flying, it is apparently true that "We haven't seen anything yet."

The presbytery of New York voted the other day, 51 to 29, admitting women to Presbyterian pulpits. Reverend ladies will now proceed to prove that Samuel Johnson was wrong when he said a woman preaching was like a dog standing on its hind legs. It is not that she does it well, but you wonder that she does it at all.

Good preaching depends on sincerity, and that is woman's specialty.

Russia lauds its "best poet," Vladimir Mayakovsky, who killed himself recently, leaving his brain to the "Soviet Institute of Brains." It was dissected, studied, found to weigh 1,700 grams and put away with the brains of Lenin and others.

It was a big brain, heavier by 400 grams than the average, but not wise enough to keep the poet from killing himself.

The poet's farewell letter requests the "communist government" to take care of his mother and sister, also "Leila Brk and Veronika Polonskaya."

The last two ladies both loved him, at least he thought so, and he killed himself because he couldn't decide which of the two he liked better.

All poets are more or less queer. Russian poets probably the queerest.

After Germany launched the great steamship Bremen, it was said that British and Americans could not afford a 50,000-ton ship. It would cost more to build and run than it could earn.

But launching of the German steamship Europa has stirred up the 600 Canard line and it will build two passenger ships of 70,000 tons each faster than any passenger ship on the ocean.

The first one will be ready in 1933. The British do not mean to lose control of ocean traffic.

Mr. Mitchell, attorney general, warns the senate judiciary committee that "further stimulating activities of prosecution under any law will get us into difficulties." He told the committee that in the last nine months the number of federal prisoners has increased by 8,277.

It will comfort bootleggers and their associates to know that if more of them are locked up, the government will hardly know what to do with them.

Lack of employment is said to be increasing throughout the world. You are surprised to find that Russia, with a bigger population than ours, making social experiments expected by capitalism to end disastrously, has fewer unemployed than we have, by far. The richest, most prosperous and, industrially, the most highly developed nation should be able to keep its men at work.

(© 1930, by King Features Syndicate, Inc.)

FRANCISCO

Mr. and Mrs. Truman Lehman, accompanied by Mr. and Mrs. Henry Kalmbach of Sylvan, were in Jackson Saturday afternoon to see Earl Kalmbach, who is ill. In that he is not recovering as rapidly as his physician wishes, it was thought best for him to go to the city hospital for a course of treatment.

Mr. Cotterman of Ohio spent a few days and Easter with Jess Kaiser, north of town.

Guests Saturday at the Mrs. Bertha Benter home, were Raymond Hamill and family of Jackson.

Mr. and Mrs. James Richards were in Chelsea, Sunday.

Mr. and Mrs. Wm. E. Sanderson entertained Sunday at a family dinner. There were twenty relatives present.

An Easter party was enjoyed Friday afternoon by the pupils and teacher of our public school.

Week-end guests at the Cadwell home were Sheldon H. Frey and family of Detroit. Sunday visitors were Mr. and Mrs. George Mahrie, Mrs. Agnes Frey, Mr. and Mrs. Carl Wurth of Jackson.

Edward Willy of near Manchester was home to spend Easter with the home folks.

Mrs. Martha Taylor was in Jackson Monday on business.

Arthur Frey of Ann Arbor is at the home of his grandparents for a few days.

The Easter program at Salem M. E. church was excellent, each one taking his part well. The church was beautifully decorated for the occasion. A good sized audience was present, notwithstanding the inclement weather.

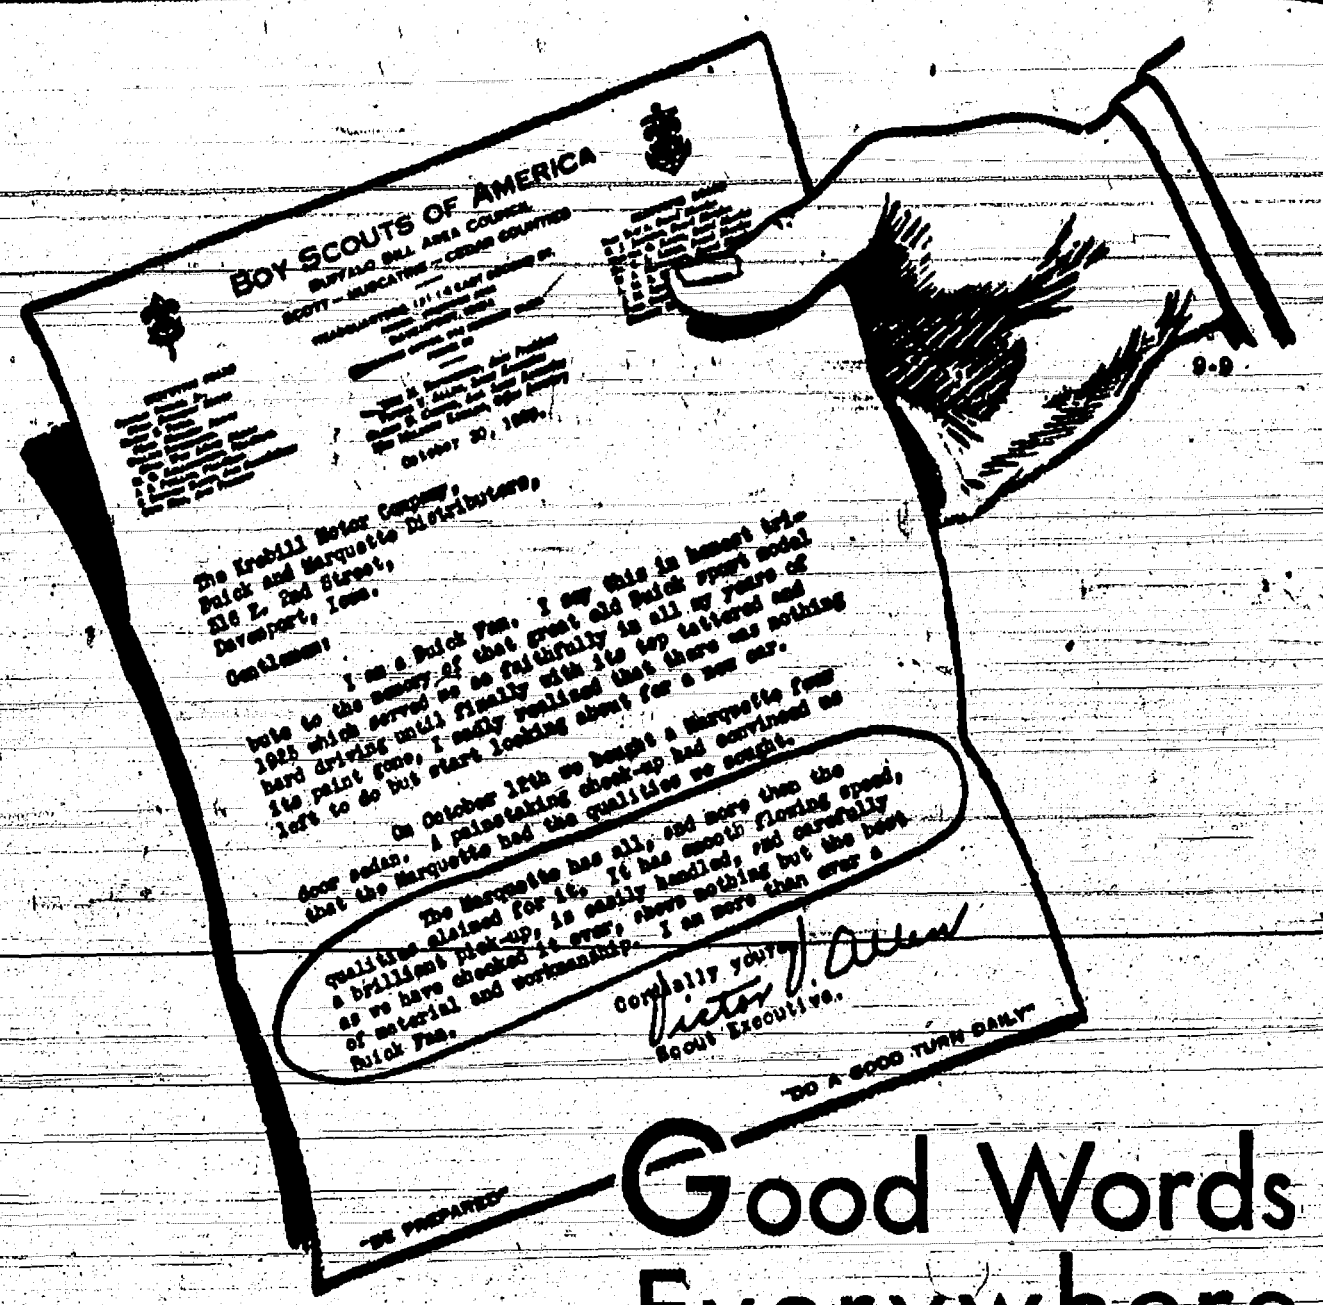

Mr. and Mrs. Raymond Hamill and daughters of Jackson visited at the Mrs. Bertha Benter home Saturday.

Unadilla—Roy F. Placeway and wife have sold a parcel of land in section 24, this township, to Edwin S. George.

Webster—The work of grading the two miles of road in Webster township extending from John Hoes's corners to the northwest territorial road is progressing nicely.

Sharon—Some of the farms in Sharon that were bought by the Ann Arbor parties and have been idle the past year or two, are being plowed this spring and the neighboring farms are happier.

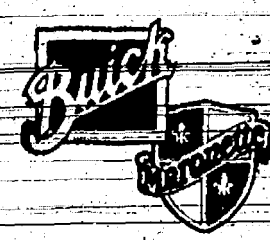

Saline—John Patterson and son of Plymouth have been awarded the contract for Saline's new school building. The heating, plumbing and ventilating has been let to C. A. Kaiser of Ann Arbor, and contract for the electric work went to the Corbett Electric Co. of Plymouth. The old building will remain until the new structure is completed, when it will be razed.—Observer.

Lima Girl Candidate For 4-H Club Camp

Katherine Outwater of the Lima 4-H club and Cyril Spike of the Korrer 4-H club have been selected as the candidates from Washtenaw county to compete for the honor of representing Michigan at the 4th national camp at Washington, D. C. in June. They won this honor in competition with eleven competitors in Washtenaw county.

The girls and two boys from the county were selected for this camp each year in 1927. Leona Gale of Superior township, Washtenaw county, was one of the representatives. In 1928 Ray Grubich, Saline township, Washtenaw county, was a representative.

Following is the story submitted in contest by Katherine Outwater, entitled "My Experience as a 4-H Club Member":

In the fall of 1922, nearly eight years ago, I first joined the sewing club under the able leadership of Miss Mildred Walsh. I was only nine years old and younger than the other girls in the club. I know just as interested. So you can imagine how happy I was when I received third placing in the club at achievement day. The second and third years were harder and promised about the same results in placings for me, on the other hand very rich and valuable in experience. By the third year there were only two of us left who had started from the beginning together. In order to build good you must have the right kind of foundation, which I believe I had in the Needle Club.

I managed to complete five years of work in this club, although practically all of the last two years were in our new home, since we had moved to a new locality. I was very disappointed to find that no clubs were organized in this community. That same summer, however, a food study club was started but lasted only one year, chiefly because the girls were

not interested enough to keep it going. At the end of both the fourth and fifth years of clothing work I was county champion and was given a trip to East Lansing for State Club Week. It would take too long here to tell of the good times and good inspirations I received there. It is sufficient to say that these trips roused me with the feeling that there was no reason why we couldn't have a 4-H club in our community and we needed it.

Therefore when the boys organized in the spring of 1928, we girls joined in with them, uniting all into a community club, although we had our separate project meetings beside. The girls asked me to be leader. I was very inexperienced in that type of work and even younger than most of the girls but I was determined to do my best. The Chelsea Kiwanis club sponsored our work, gave us a "starters" banquet, and boosted us on to bigger and better results.

Besides being leader I carried on food study and canning projects. With the exception of one girl, the rest were not able to do demonstration work, so together with my team-mate, I trained a team which won in both county and state contests. As a reward, we were sent as delegates to the National Club Congress at Chicago. It would be impossible for anyone going there not to become enthused and feel proud that they are a 4-H'er. So it was only natural that after this trip I should want others to have the same opportunities. I succeeded in getting twelve girls into the club the following spring while our community club numbered approximately forty. A required part of our work is the making of notebooks and posters. The notebooks ranged through three different years of work and represent the chief work of the girls in the food study project. The posters are the fair exhibit of all the girls. In 1928 we won first prize at the state fair and this past year second place. One of my club was county and state champion this year in second year work.

trained two teams in demonstration work and won the county contest in canning judging as well as the county fair contest. In spite of difficulties my club finished 100 per cent and our community club won a large silver cup awarded by the State Savings Bank of Ann Arbor to the best club in Washtenaw county.

I think that one type of club work which should be emphasized is the social side. We hear a lot about club work but not so much about p-l-a-y. Part of our annual program is entertaining or being entertained by other 4-H clubs. This is a great help because it helps individual members to learn from the experience of others and to learn cooperation. More than half of my girls have attended county camp, our annual outing which brings into prominence our 4th H in our club emblem—Health. I have myself attended five years and enjoy it more each year.

Last summer while enjoying another week at State Club Week, I was elected to the Michigan 4-H Service club, our state organization. I have also been elected as one of the directors of our Washtenaw County Council of 4-H clubs, our county organization. Through these I have become acquainted with county members and leaders from all over the state. Some of the other championships I have won include a first and second state championship in clothing club work and the same in food study work, while in canning I have a county honor.

The one thing I prize above all else as a result of my club experience is the scholarship from Michigan State College. It has decided for me my ambition to keep on with club work and the projects it teaches. I have tried to live up to the 4-H club pledge, signifying—the head to clearer thinking, the heart to greater friendship and loyalty, the hands towards service and achievement and the health to learn the joy of living. I feel that I owe a great deal to all who have helped me in achieving what I have in my club experiences, in preparation for the bigger and increasing problems of life. If I, in turn, can pass some of these things on to others, I will feel that I have done my little bit in striving to live up to the ideal expressed in our national emblem and pledge.

METHODIST HOME

Miss Ella MacEnaney and cousin, James Kelley of South Lyon visited her aunt, Mrs. Elizabeth Atchinson, Sunday afternoon.

J. W. Morrison, wife and child of Highland Park, and T. R. Morrison of Ann Arbor called on their grandmother, Mrs. Jennie Wood, Sunday.

Mrs. Sarah Ackerman fell one day last week and is confined to her room as a result.

Mr. and Mrs. Jessie Patterson of Charlotte were callers on Mr. and Mrs. C. E. Park, Wednesday.

Joseph Gibson received a visit from his daughter from Detroit, Sunday.

Mrs. P. C. Snell of Tecumseh, and her daughter and husband, Mr. and Mrs. James Davis and their daughter of Ann Arbor called on Mrs. Amelia Lewis, Miss Emma Rogers, Mr. and Mrs. George Bangs and Mrs. Myra Gage, Sunday.

Roscoe Roberts of Detroit called on his grandfather, Francis Roberts, Sunday. He was accompanied by Mr. and Mrs. Moriarty and Clayton Russell.

Mrs. Hollapater received a visit Sunday from her children, Mrs. L. H. Martin of Flat Rock and Harold Hollapater of Lincoln Park.

Mr. and Mrs. John Perrin and Miss Helen Perrin of Ann Arbor were guests of Mrs. Frances Robby, Sunday.

Reed Giddings does not improve much and is still confined to his room.

Mrs. Elvin Green tripped on a rug and fell one day last week. She is confined to the bed nursing a bruised knee.

Mrs. Delia Smith of Jackson spent a couple of days visiting her cousin, Mrs. E. R. Reed.

Mrs. Alice Chapin is indisposed and unable to join in the family circle.

Mrs. Sarah Rogers was taken to a sanatorium last Friday for treatment.

A great many Easter flowers were received by members of the family from friends.

Friday evening, Mrs. Amelia Lewis entertained her daughter, Mrs. Nellie Mead of Ann Arbor.

Mr. and Mrs. Alex Mann of Port Huron called on Miss Cordelia Emmons, Sunday.

Mr. Lander of Jackson was a caller Friday.

John O'Connell received a visit Sunday from his daughter and her husband, Mr. and Mrs. Harry Martin and young son of Detroit.

Miss Lizzie Brown and Miss Rose Farrings called on Mrs. Frances Robby, Monday.

The next arrivals to join the family circle are to be Mrs. Bedan from Midland and Mr. and Mrs. Drake from near Ypsilanti. Probably about the first of May will find them here.

A company of Stockbridge ladies called at the Home Monday afternoon: Mrs. Dora Nixon, Mrs. C. H. Whitney, Mrs. E. E. Kistler, Mrs. F. E. Lady and Mrs. Mary Carpenter.

Mrs. Susan Danson entertained Mr. and Mrs. Arthur Wade and Miss Delia Palmer of Detroit, last Thursday.

to run. This is important, especially on heavy soils where phosphate fertilizers will not work down into the soil if they are placed on the surface.

The analyses to use for corn vary with the type of soil and the care it has had in previous years. For light soils in poor condition use 4-16-4; on light soils in fair condition use 2-10-2 or 2-12-6; and on good light soils use 2-16-2.

The heavier soils do not require fertilizers as high in nitrogen and potash. The analyses recommended for these soils are: poor heavy soil, 2-16-2; fair heavy soil, 2-16-2 or 0-20-0; and good heavy soil, 0-20-0.

NOTTEN ROAD

Easter services at the church were well attended. The program given by the young people of the Sunday school was well received by all present. The following visitors were present and spent the day in the vicinity: Dr. and Mrs. L. V. Riemenschneider of Detroit, Mr. and Mrs. Ezra Heininger of Lima, Henry Heininger and Mr. and Mrs. M. W. McClure of Chelsea, Mr. and Mrs. Lyle Harvey of Highland Park, Mr. and Mrs. Millard Harvey of Dexter, Mr. and Mrs. Lawrence Hasche of Ann Arbor, Adam Mohrlock of Chelsea, Henry Lehman of Waterloo.

Owing to sickness and bad weather the services at the church the past week were not as well attended as could be desired.

Mr. and Mrs. Henry Kalmbach and Max Hoppe were in Jackson, Sunday, where they visited Earl Kalmbach, who has been seriously ill for some time.

Mr. and Mrs. Lloyd Heydlauff of Ann Arbor spent over the week-end here.

Mr. and Mrs. Oscar Kalmbach visited their parents, Mr. and Mrs. Fred Kalmbach, Sunday.

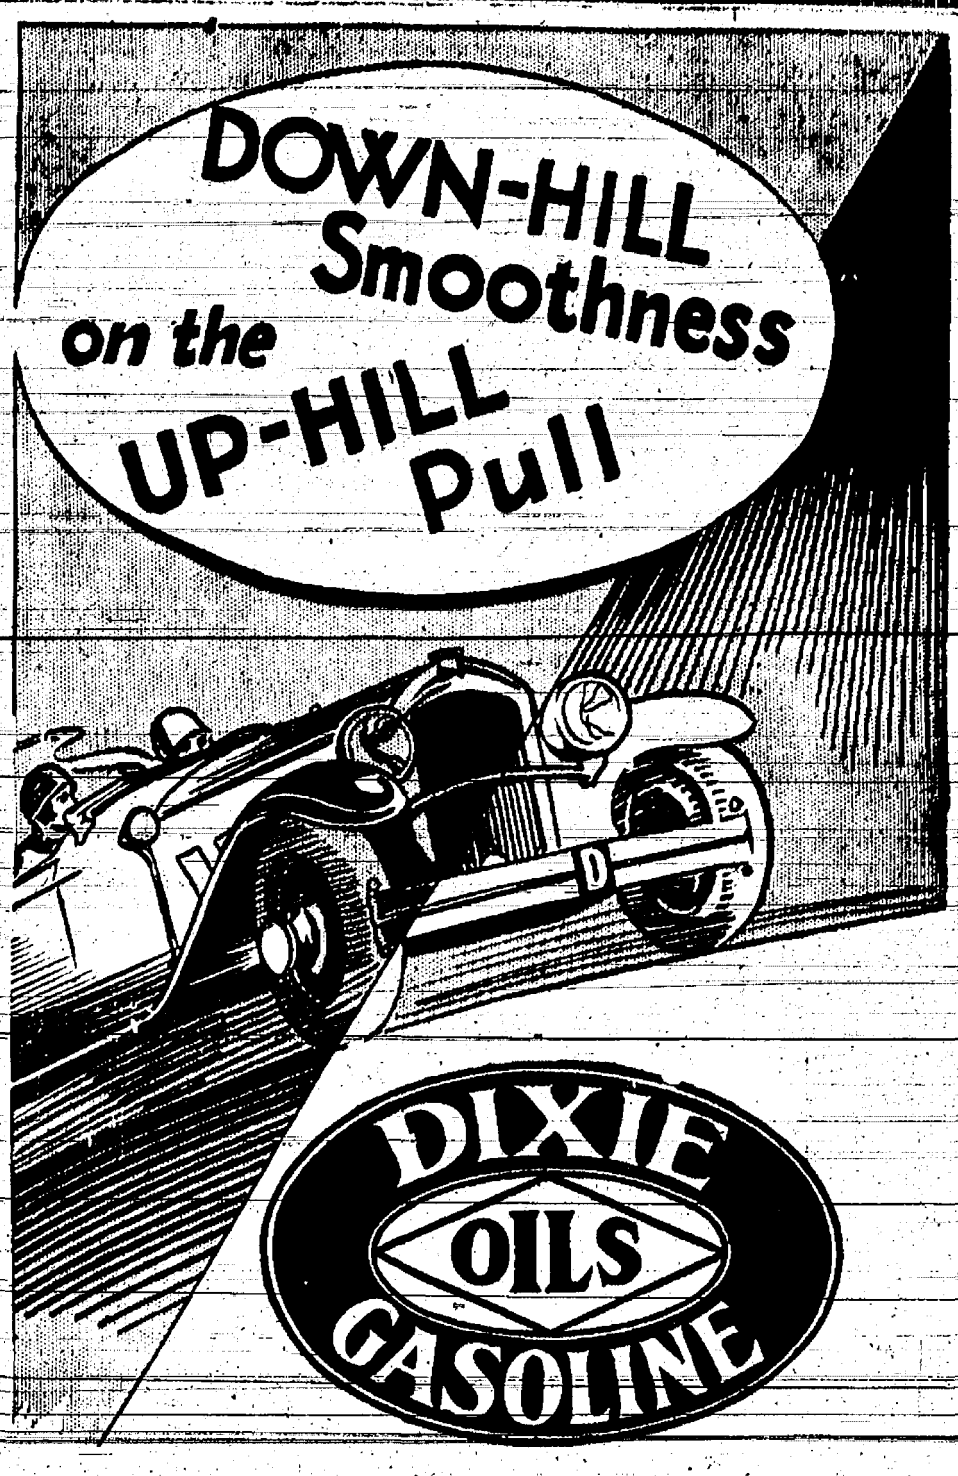

The census enumerator and Supervisor Beckwith were in this vicinity Monday.

Mrs. Lina Whitaker entertained her daughter, Mrs. Henry Glazier and family of Ann Arbor, Sunday.

The 20th Century Limited on the D. U. R. has been setting numerous small fires along the right of way.

Northville—There is going to be a Fourth of July celebration in Northville this year—a celebration which includes both trotting races as well as all the other sports and contests which go to make up a day of real fun for everyone.

Dexter—A free open air concert by the Boys' Band of 31 pieces of St. John's school, Jackson, will precede the showing of "Uncle Rube," a comedy drama in four acts to be given by the boys of St. Joseph's school on Friday evening, May 2nd.—Leader.

Howell—Announcement is made by Superintendent John S. Page of an essay contest to be conducted in the 7th, 8th, and 9th grades from April 28 to May 2, in cooperation with the Michigan Tuberculosis Association, on the topic "Protecting Health in Youth."

The relation of health to success in life, and its value in the prevention of tuberculosis is the subject matter upon which the students will write.—Republican Press.

State Park Planned For Monroe County

When suitable land along the River Raisin in Monroe County can be acquired, it will be accepted by the Conservation Commission as a state park.

The Conservation Commission at its April meeting voted unanimously to accept such a park when it can be acquired.

In a letter to the Commission, P. J. Hoffmaster, superintendent of state parks said that such a park would be accessible within a two hours' drive to approximately three million people, including Detroit, Toledo, and nearby cities.

"In Monroe County, the writer looked over several pieces of property with the idea of establishing a park in that county on the River Raisin," Mr. Hoffmaster's letter to the Commission said. "There are a number of citizens and clubs interested in the establishing of a park in that part of the state. In talking with several groups about this, they were advised that there was no money available for the purchase of land at this time for park purposes. Before any effort is put forth toward acquiring land for such a park, I believe it advisable first to have action taken by your Commission to determine whether or not you wish to establish a park in that vicinity of the state."

"My personal opinion is that every effort should be spent toward getting a park of a goodly acreage and a generous frontage on this very desirable river in a county which has across it four federal aid roads and has within two hours' drive, approximately three million population," he said.

This tag is your assurance of Quality and Dependability

only Chevrolet Dealers sell

USED CARS

"with an OK that counts"

There's no greater assurance of used car value than the Chevrolet red "OK that counts" tag, found only on the used car stocks of Chevrolet dealers. This tag guarantees that the car bearing it has been carefully checked and thoroughly reconditioned by expert mechanics. If you want reliable transportation—insist upon a used car "with an OK that counts."

2 OF THE SPECTACULAR VALUES

The great reception accorded the new Chevrolet since its introduction, January 1st, has brought unusually large numbers of fine used cars to our showrooms. To make room for these trade-ins we must clear our stocks at once. Therefore we are offering these spectacular values for 3 days only—typical selections from our used car stocks. Buy now and profit by these extraordinary savings!

Corn Pays Dividend On Fertilizer Cost

Although a recent survey shows that for every dollar's worth of fertilizer used on corn the farmers of the United States get a return of \$2.38, only 24 per cent of Michigan corn growers use fertilizer in producing a crop of corn, according to statements of the soils department at Michigan State College.

Fertilizer applications for corn may be made with either a corn planter or a grain drill. If the planter is used, 150 to 175 pounds per acre of fertilizer should be used. Applications of approximately 250 pounds per acre should be made with the grain drill. The drill should be set quite deeply and all the hoes should be permitted

"LESS CARBON DEPOSIT"

...a common enough claim...now supported by real evidence

ACTUAL AMOUNTS of carbon deposited by 4 different oils in 50 hour tests in the same motor. Carbon from New Iso-Vis Motor Oil at extreme right.

NOTICE the comparison between the amount of carbon formed by three premium-priced motor oils and New Iso-Vis on the right.

In the high compression motor, this difference in carbon is particularly important. It not only means a difference in repair bills, but a noticeable difference in the way your car performs.

In addition, tests show this new oil resists dilution and will not thin out in the crankcase. Its "body" is as heavy the day you drain it off as the day you put it in. This means greater protection for your motor every mile you drive.

New Iso-Vis also has what engineers call a "wider viscosity range". It stands up under intense heat yet gives quick and effective lubrication at low temperatures.

You can get New Iso-Vis from any Standard Oil dealer or service station.

New ISO-VIS Motor Oil

STANDARD OIL COMPANY (Indiana)

New Polarine is also affected by our new refining process, giving it an efficiency which is exceeded only by New Iso-Vis. The price is 25 cents a quart.

Sewage Disposal Is Enormous Problem

Lansing, April 23—Enough dry solid pollution is being carried by southern Michigan's lakes and streams to cover every square mile of land south of Townline 20 with six tons every year according to Homer S. Murphy, head of the Pollution Control Division of the Department of Conservation.

Conservative estimates place the amount of dry solid matter dumped into lakes and streams each year at 45 tons per 1,000 population.

Michigan has an estimated population of 4,500,000. Eighty-three and three-tenths per cent of this number lives south of Townline 20, or that section of the state south of the north line of Oceana, Newaygo, Mecosta, Isabella and Midland counties.

Based on these figures, according to the latest available records, there are 3,735,000 people south of Townline 20. This section of the state contains 25,968 square miles. On the basis of 45 tons of dry solid matter per 1,000 population, the streams and lakes of Southern Michigan into which sewage is being dumped are carrying annually 168,075 tons.

The Detroit area alone is dumping 71,005 tons annually into the Detroit River.

"These figures show the enormity of the sewage disposal problem in Michigan today," Mr. Murphy said.

"When we consider that about 13,000 tons of dry solid matter is being dumped into the Grand River alone every year, and with conditions just as bad in many other streams, the necessity of some system of sewage disposal is evident."

"Michigan's streams are going to be free from municipal and industrial waste, but not until the people have become familiar with the enormous amount of sewage that is being daily added to health hazards."

ANNOUNCEMENTS

The Ever Ready circle of the Methodist church will be entertained at the home of Mrs. Bert McLain, Tuesday afternoon, April 29th. A pot-luck supper will be served at 6:30 and all members are urged to be present and bring a friend.

A Flying Radio Laboratory For Use of Bell Scientists

Showing One of the Two Laboratory Benches With Which the Plane Is Equipped.

A FORD tri-motor all-metal monoplane of a type having a rated capacity of fourteen persons has been added to the facilities of the Bell Telephone Laboratories in New York City. This is the largest and most complete flying radio laboratory in the world and its purchase by the Bell Laboratories follows its established policy of making pioneer studies in all phases of electrical communication.

The plane has been specially designed to adapt it to research work and will be used for the development of radio apparatus for aircraft communication from the earliest experimental stages through to the final testing of the apparatus under actual flying conditions. It has been equipped with two large laboratory benches for the convenience of the men who will carry on development studies and has a variety of antennas, including two trailing-wire antennas and two streamlined vertical

cal rod antennas mounted on the plane. Supports have been erected on the wing-tips for the mounting of various experimental types.

The motors of the plane are arranged so that engine-driven generators may be used for supplying power either directly to the apparatus or to storage batteries. Suitable mountings for wind-driven generators have also been provided, as well as a Western Electric Company two-way radio telephone system for communication with ground. This latter apparatus is capable of operating anywhere on the frequency band from 1500 to 6000 kilocycles. The plane also will have a low frequency receiver to operate on a 250-500 kilocycle band.

In addition to developing radio apparatus, the plane will be used to measure the strength of radio signals under various conditions. To make the plane more useful for the purposes for which it is designed, several special features have been built into it. The plane also is equipped with an intercommunicating telephone system to permit people in various parts of the plane to talk with one another as well as with ground.

Who Can Resist These Lovely New Frocks?

Of course you can't. And neither can we resist from announcing this very special event.

Mr. and Mrs. Edward Chandler and son, Carl Chandler, and Mrs. B. B. Turnbull were Detroit visitors Wednesday.

MRS. THOMAS E. RANKIN
Mrs. Thomas E. Rankin, 53, wife of Prof. Rankin, head of the English department at Carleton college, Northfield, Minn., and formerly of University of Michigan faculty, died late Saturday evening at the family home in Northfield, according to word received in Ann Arbor. She has been ill since February.

Mrs. Rankin formerly was Miss Jennie Morgan Woods of Ann Arbor, and was married June 19, 1902, to Prof. Rankin. She was born in Chelsea and came to Ann Arbor when 15 years old. She was actively identified with various club organizations in Ann Arbor, and was a member of the American Association of University Women, the League of Women Voters and the Faculty Women's club. She established the international relations groups of the Ann Arbor branch of the American Association of University Women, and was a member of the boards of both the city and University Y. W. C. A. She was identified with similar organizations in Northfield.

While a resident of Ann Arbor she was a member of First Congregational church. She had often been selected as a delegate to the national and other conventions of the groups with which she was affiliated.

Prof. and Mrs. Rankin left Ann Arbor in August, 1928, to make their home in Northfield. They returned here last summer while Prof. Rankin was a member of the summer session faculty, and the family resided at their cottage at Cavanaugh Lake.

She is survived by her husband, four daughters, Mrs. Edgar Riley of Youngstown, Ohio, formerly Miss Ruth Rankin, Miss Bertha Rankin of Ann Arbor, and Misses Helen and Marian Rankin of Northfield, Minn.; her mother, Mrs. H. M. Woods of Northfield, Minn., and two brothers, George W. Woods of Ann Arbor, and Walter Woods of Detroit.

Funeral services were held at 2:00 o'clock Tuesday afternoon in Northfield, where burial also took place. Ann Arbor Daily News.

JOHN CHARLES BUSS
John Charles Buss, 57, died Sunday in Sharon township, which had been his home for many years. He was born in 1843 in Freedom township, and was married in 1873 to Miss Sophia Wacker, who died in 1906.

Mr. Buss is survived by three daughters, Mrs. Carlos Dorr of Bridgewater, Mrs. Louis Bauer of Manchester and Mrs. Joseph Buccos of Adrian; four sons, Edward and Albert of Manchester, Oscar of Freeport and Charles of Sharon, and one sister, Mrs. Caroline Ernst of Sharon.

Funeral services were held at 1:30 Wednesday afternoon at the home and 2 o'clock at Emanuel church, Manchester, Rev. Von Rogum officiating. Burial was in Oak Grove cemetery, Manchester.

THOMAS M. HAWLEY
Thomas M. Hawley was born March 9, 1855 at Newport, Monroe county, Michigan, and died April 21, 1930 at the home of his daughter in Jackson.

He was united in marriage to Miss Mary Monks in August, 1880. To this union seven children were born, two of them died in infancy and one son, Fred, passed away ten years ago.

He is survived by two sons, William of Lake Orion, Mich., and George, of Sharon; two daughters, Mrs. Lewis Dingman of Ypsilanti and Mrs. Elmer Klump of Jackson; and seven grandchildren. Also two sisters, Mrs. Margaret Hensien and Mrs. Carrie La Bow of Detroit.

Funeral services will be held today (Thursday) at two o'clock p. m. at Foster's funeral chapel, Grass Lake. Interment in Sylvan Center cemetery.

ECONOMICS CLUB MEETS
A meeting of the West Lima Home Economics club was held Wednesday afternoon at the home of Miss Mantle Spaulding, with thirteen members and six visitors present. Final reports were given and officers were elected as follows:

Leaders—Mrs. Harry Prudden and Mrs. Walter J. Beutler.
President—Mrs. Jacob F. Alber.
Secretary and Treasurer—Mrs. Fred Kennedy.

The annual Achievement Day will be held Saturday, May 10, at Women's League Building, Ann Arbor. Anyone wishing tickets please call Mrs. W. J. Beutler.

MRS. MINNIE WILLS
Mrs. Minnie Wills, 76, died last week Thursday morning at the home of her daughter, Mrs. Charles Neff of Webster township.

She is survived by three daughters, Mrs. Hattie Briggs of Seattle; Mrs. Carrie Kautz of Wayne, and Mrs. Neff. The body was taken Thursday evening to Chicago for services and interment.

DON'T FORGET Butz's Anniversary
Sale on Saturday, May 3rd. Something for nothing, and bargains for everybody. See advertisement on back page. Adv.

STATE NEWS

Michigan will receive Federal funds to the extent of \$3,666,862 for this year's road construction program. Arthur M. Hyde, Secretary of Agriculture at Washington, D. C., apportioned among the 48 states \$48,750,000 of the additional \$60,000,000 authorized by Congress, and of this sum Michigan is to get \$1,466,785. The rest of the Michigan allotment, \$2,200,177 comes from a \$75,000,000 appropriation previously approved by Congress and apportioned in December.

Because in an idle moment he caught a stray cat in the Grand Trunk railroad yards at Pontiac, and cut its ears off, Frank Nicken, 30 years old was sentenced to 10 days in the county jail. He pleaded guilty to cruelty to animals before Justice Henry W. Harper in municipal court. Nicken was arrested by Railroad Detective Perry Aspinwall on complaint of fellow employees who witnessed the slashing of the cat's ears.

Thomas Lockart, house painter, Ferndale, escaped with a fractured leg when the automobile he was driving was struck by a Grand Trunk passenger train at the Campbell road crossing. Seeing a crash was imminent, he swerved his car so the locomotive struck a corner of the car. Lockart was thrown out of the machine. The automobile was filled with paint, which was smeared over the locomotive.

On motion of John S. Haggerty, secretary of state, the State Administrative Board at Lansing voted to split its gasoline business equally between the Standard Oil Co. and the White Star Refining Co. Each company has agreed to supply the State at four and a half cents a gallon less than the market price, less gasoline tax.

Due to the tendencies of citizens to migrate to large cities, several villages of Kalamazoo County have shown a decided decrease in population in the last 10 years. The complete preliminary census figures for Boardman village show the population has decreased from 311 in 1920 to 159 this year.

James H. Elliott, of Jackson, was found dead in the garage at the rear of his home. Dr. Jason B. Meade, coroner, announced carbon monoxide caused death.

Try Standard Liners—only 25c.

Maybe He Never Saw It
What a man that man was! He said in his youth innocence and ignorance that he ever lived to see the day of this and so he would die content. And here he is still hanging on and grinning, and that day is far in the past.
—Knickerbocker Press.

Dundee—The teaching staff of the Dundee public schools that will have charge of the activities next year in the new building is complete as announced by the board of education through the superintendent of schools. Among the staff are two new teachers: William H. Tufts of East Lansing, who will have charge of the instruction in agriculture and the coaching; and Shirley Kline of Grand Ledge, who will have charge of the home economics department in the high school. The completed staff consists of fifteen teachers.—Reporter.

Plymouth—The new Plymouth Riverside Park which the Wayne County Park Commission are constructing on the property turned over to them by the village a year or more ago, is a busy place these days, and the visitor to the park will scarcely recognize the place because of the many changes that have and are taking place. The commission has a large force of men engaged in transforming this natural beauty spot into a recreation park that will, when completed, be one of the finest in the county.—Mail.

in the Red Rocket demonstrator... learn what fine performance this low-priced six provides

Hail the driver of the car with the RED ROCKET. Ask to ride in and drive this New Series Pontiac Big Six. Learn what splendid performance Pontiac now provides.

SPEED, PICK-UP, POWER—Pontiac's high speed, quick pick-up and abundant power for climbing are made possible by its sturdy 60-horsepower engine, with 200 cubic inches piston displacement. It is the largest engine in any six of Pontiac's price.

UNUSUAL SMOOTHNESS—This engine is also unusually smooth due to new type rubber mountings—a more rigid crankcase—and the Harmonic Balancer which overcomes torsional crankshaft vibration.

EASY RIDING and DRIVING—Pontiac's riding ease is increased by Lovejoy Hydraulic Shock Absorbers (standard equipment at no extra cost), and by large, comfortable Fisher bodies. Driving too is easier and safer due to Pontiac's new steering system acting on roller bearings and its new non-glare windshield.

Ask to drive the car with the RED ROCKET. Or come to our salesroom and receive a special demonstration. You'll find this finer Pontiac an exceptional "buy" at its low price.

Prices are f. o. b. Pontiac, Mich., plus delivery charges. Shock absorbers standard equipment. Bumpers and spring covers at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Charges for freight and delivery and the charge for any additional accessories or financing desired.

Question And Answer Dept.

Ques.—Will you kindly tell me in your question and answer department which is the proper way to hang up a horseshoe when hanging it over the door.

Ans.—The approved way, according to the superstitions, is to hang a horseshoe with the toe down to "keep the luck from running out."

Ques.—I want to ask in your question column what is the origin of the expression "the goose hangs high?"

Ans.—Of course, you know this is a slang word meaning that "all is well," or "the prospect is good." Its origin is obscure. Lexicographers explain that the expression is a corruption of "the goose hangs high," referring to the noise made by the geese in flight.

Ques.—To settle an argument with you please decide for us if "fortnight" is a proper word or a slang word?

Ans.—Yes. "Fortnight" is a good English word which means two weeks. It is a contraction of the two words "fourteen nights."

Ques.—Can you answer in your good question column how many grains there are in a \$6-gold piece—that is, I mean what does it weigh?

Ans.—The five-dollar gold piece contains 116.10 grains.

Ques.—I want to ask if there is such a place as "Hell Gate"?

Ans.—Yes. Many years ago there was a dangerous passage in the East river between Manhattan and Long Island. It was called "Hoellgat" by the Dutch, which means "whirling gut." Later Hoellgat was corrupted into "Hell Gate," and by which the place is still known, notwithstanding that in 1885 the channel is no longer dangerous, and was widened and now navigable by large vessels.

Ques.—If you are good at answering questions will you tell me if the United States recognizes the Soviets?

Ans.—Yes. By their whiskers.

Ques.—We are having a little controversy over the correct way to pronounce the words "Italian" and "coupon." Will you please favor us with an answer we can depend upon?

Ans.—The word "Italian" is pronounced with a short "i"—just as though it was spelled "it-alyan" with the accent on the second syllable. "Coupon" is pronounced "koo-pon" with the accent on the first syllable. Many people erroneously pronounce it "cue-pon."

Ques.—Did Henry Wadsworth Longfellow have any children? If he had, are they still living? Where did Longfellow live?

Ans.—Yes. Longfellow had children, two of whom are still living. They are Miss Alice Longfellow and Mrs. Annie Longfellow Thorp. Both live in Cambridge, Mass., where the poet lived at the time of his death.

Ques.—Will you please tell me what causes the dark and light shades on the moon which make it resemble a human face?

Ans.—Astronomers say these shadows are caused by mountain ranges and plains on the surface of the moon. It is just a peculiar co-incidence that they happen to resemble a human face.

Ques.—What was the cost of the Revolutionary War to America? Also to England?

Ans.—It is not definitely known what the cost amounted to in dollars. America's cost was between \$18,000,000 and \$20,000,000, while that of England was about \$35,000,000.

Ques.—Who was the first successful woman flier that flew across the Atlantic ocean?

Ans.—This feat has not been accomplished yet. Miss Amelia Earhart flew across the Atlantic ocean, but she was not at the controls of the airplane. Although she was a licensed pilot, Ruth Elder piloted an airplane that made the attempt, but she was forced to come down before reaching the European shore. She and her companion, landed in the ocean near the Azores Islands, and were picked up by a tanker and taken to Europe.

Ques.—I see you answer questions so I would like to ask you if the Federal Farm Board is going to do anything for the farmer?

Ans.—We do not know, but it doesn't seem to us they are going to play the role of Santa Claus.

Ques.—Could you please tell me in your "Question and Answer Dept." the names of three humanitarians now living?

Ans.—This is hardly a proper question, as we have no basis on which to proceed in looking up the answer. We could name dozens of humanitarians, but none of them may be the ones you want.

Oldest State University
The state legislature of North Carolina provided for a state university in its constitution, 1770. The money was not appropriated, however, until 1789, and it was opened in 1793. This is believed to be the oldest.

TWENTY-FOUR YEARS AGO

Thursday, April 19, 1906

Eljah H. Keyes, a resident of Lima for 72 years, died at his home in that township, April 14, 1906. He was born in New York state, September 22, 1828. He is survived by his wife, one daughter and two granddaughters. Gov. Warner has designated April 27 as Arbor Day.

Wm. Gilbert died at his home at North Lake, Saturday. He is survived by his wife, three children, his parents, four brothers, one sister. The funeral was held Monday, Rev. Wright officiating. Burial in North Lake cemetery.

John Young, of Lyndon, sold a fine span of horses to Ionia parties the past week at a very fancy price.

The annual reunion of the 34th Michigan regiment will be held at Adrian, May 17.

Supervisor Jacob Hummel is taking the annual assessment of personal and real estate property in Sylvan this week.

L. T. Freeman has purchased the property on North street at present occupied by Perry Haner.

Howard F. Brooks has tendered his resignation as Chelsea village marshal to take effect as soon as his successor is appointed.

Fred Riemenschneider is drawing the lumber for a new residence he will have built on his farm in Lima.

At the last meeting of Cavanaugh Lake Grange the members of the organization presented P. H. Riemenschneider with a handsome oak rocking chair as a token of their gratitude for his services as secretary for the last three years.

John Miller has rented the hotel at Cavanaugh Lake and will soon have the place in order for the opening of the camping season at the lake.

Geo. Eder has sold the property formerly owned by the late Andrew Allison, to L. T. Freeman.

John Walsh of Sylvan has purchased a portion of the James Hatt farm located in that township.

E. J. Foster of Grass Lake is having a cottage built on his property at Cavanaugh Lake.

Born, on Friday, April 19, to Mr. and Mrs. Ellsworth Fletcher of Lima, a daughter.

F. H. Sweetland has purchased the residence of Hon. G. S. Winans on South street.

THIRTY-FOUR YEARS AGO

Thursday, April 23, 1896

The graduating exercises of the Lima Center school will be held on Thursday evening, April 30.

Four residents of Lyndon were placed under arrest Saturday night, charged with illegal fishing.

The market is: For red and white wheat, 65c; rye 35c; oats 21c; barley 50c; clover seed \$4.50; potatoes, no market; onions 25c; eggs 9c dozen; butter 12c; beans 65c bushel.

A number of Chelsea Macabees were in Manchester Wednesday where they attended the funeral of Ira Glover.

Rush Green is acting as marshal during the time that the common council is deciding whom to appoint to the office.

Hiram Lighthall has decided to run for sheriff at the November election, on the democrat ticket.

A class of 64 received the sacrament of confirmation in St. Mary's church Tuesday morning. Bishop Foley and a number of priests from neighboring parishes were present and assisted in the services.

The tenant house on the farm of Wm. Fletcher of Sharon was burned to the ground Sunday morning. The occupants of the dwelling had moved in on Saturday.

Monday morning about 8 o'clock, while Freeman Tucker was driving a team of colts on East Middle street, they began to run and crossed Main street at a terrific rate of speed. When nearly opposite the Sylvan town hall, Mr. Tucker was thrown to the ground and dragged for a distance and at last was thrown against a hitching post with considerable force. His right leg was broken in several places, his head and body was badly bruised and he died about one o'clock in the afternoon.

For the last 13 years he had resided on his farm near Grass Lake, moving there from Sylvan where he had resided for many years. About three weeks ago he moved to the home in Chelsea which he had recently purchased. His wife, three sons and three daughters, mother, three brothers and two sisters survive him. The funeral was held from the Congregational church Wednesday morning, Rev. Thos. Holmes officiating. The Masonic order conducted the services at the grave.

Michigan is faced with the largest deficit in history because of increased tax delinquencies and the decision of the administrative board to proceed with the mammoth building program, according to Auditor General O. B. Fuller, at Lansing. Fuller revealed that the business depression, following the stock market crash, has resulted in more delinquent taxes than ever before and he estimated that instead of \$29,500,000, as anticipated, the state may not receive more than \$25,500,000 from the property tax.

SLAT'S DIARY

Friday—well tonight when pa came home from work why he give ma a nice present all

tyed up with ribbons and things and set when she snatched it why there was a nice fir coat which she has been admiring often on for a couple yrs. more less. When Mr. Gillem seen pa he sed: What did you get her a fir coat for at this time a yr. becuz she wont need it to keep her warm at this time a yr. Pa replied and

sed: No she wont need it to keep her warm but I didnt get it to keep her warm I got it to keep her Quiet.

Saturday—Jim Slat has got a lot of animals stuffed and his wife told Ant Emmy tonight that every time he looks at her she do believe he is wondering how she wood look stuffed and mounted on a board of nice wood. I think shed look about as good as now.

Sunday—On our way home from Sunday school Jane and me was a talking about kissing that is she was and I seen a fite and went and got in it and when I cum back she woodnt walk no more, she sed she had new for a long time that I was a Coward. Musta ment outside the fite, but what.

Monday—I tuk sum candy to school today and I give sum to Jane and told her I had boughten it a speshully for her and when she found out I had gave sum to a lot of the other girls she got about one half sore. But then I shud wirry, a man has got to be ficekel once and a while in this day an age.

Tuesday—well we got a test in Joggery today and I drew a low grade. I was a talking to Elay and ast her what cud I do to keep from getting such low grades in tests and she sed: Well you mite be all fite if you cud find sum way to get out of taking tests. Well I am willaming.

Wednesday—The teacher was talking about orapilans and sed men was getting to be just like birds and Blisters sed: They is I thing they cant do yet like birds can and she sed what is that and he replied and sed they cant set on a bob wire fence yet.

Thursday—Unkel Hen-giv Ant Emmy a bird today and she called it Joe. I ast her witch it stood for Joseph or Josephine and she sed she didnt no witch it stood for she was just playing safe.

"Hard" and "Soft" Woods
In the timber trade all coniferous trees are called soft woods and all broad-leaved or dicyledonous trees are hard woods. Notwithstanding the fact that some coniferous trees have exceedingly hard woods, while the wood of the tulip tree is as soft as the white pine the classification holds good.

ILL 20 YEARS; THEN KONJOLA BROUGHT HEALTH

Lady Almost Helpless With Rheumatism—Now And Different Medicine Solves Problem.

MRS. ALMA VALLEAU

"Konjola is the medicine that brought relief to me after I had suffered for twenty years with rheumatism," said Mrs. Alma Valleau, 19262 Gainsborough road, Rosedale Park, Detroit. "For three years I was almost helpless, and my limbs, feet and ankles were so badly swollen that it was almost impossible for me to move about. I had no appetite; I was badly run down and I was just about a nervous wreck."

"I had despaired that there was a medicine to help me, but there was—Konjola. I had taken only four bottles of this medicine when I found myself feeling like a different woman. The swelling in my limbs had gone down; my appetite improved, and I felt better in every way. I certainly can and do recommend this wonderful medicine."

Konjola, the new and different medicine, is of 32 ingredients, 22 of them are the juices of roots and herbs. Even one bottle may give remarkable results, but a treatment of from six to eight bottles is recommended.

Konjola is sold in Chelsea at Burg's drug store, and by all the best druggists in all towns throughout this entire section.

Improved Farming Methods

The Kempf Commercial & Savings Bank is an advocate of scientific farming, the rotation of crops, the control of acreage.

It is an advocate of better breeds of cattle, hogs, and chickens.

It is an advocate of cooperation among farmers in planting, harvesting, and marketing.

In short, it is an advocate of all things which are merely common sense.

It endeavors to favor farmers who practice the best farming methods because it knows that those men are the ones who prosper even under adverse conditions.

If you are a progressive farmer, you will find the greatest cooperation at the Kempf Commercial & Savings Bank.

May Festival Program
Features Many Soloists

Brilliance and variety will characterize the six programs of the Thirty-Seventh Ann Arbor May Festival, which will be held in Hill Auditorium, May 14, 15, 16 and 17. Fifteen of the world's greatest virtuosi will participate as soloists, while four distinguished conductors with the University Choral Union, the Chicago Symphony Orchestra, and a large Children's Chorus will furnish the general background while outstanding choral works including the monumental "King David" of Honegger, the ever welcome "Magnificat" by Bach and Verdi's triumphant "Requiem".

Nanette Guilford, prima donna soprano of the Metropolitan Opera Company, Claire Dux, prima donna soprano of the Chicago and European Opera Companies, Dusolina Giannini, of European Opera fame and Ethyl Hayden, distinguished American oratorio singer will represent the sopranos; while the contralto field will be represented by Kathryn Meisle of the Chicago Opera Company and Merle Alecock of the Metropolitan Opera Company.

The outstanding tenors will be heard: Dan Gridley, a new American singer who has attracted wide attention and Paul Althouse, distinguished performer at the Metropolitan.

Richard Bonelli, leading baritone of the Chicago Opera Company, and Chase Baromeo, bass of the same institution will be heard. The role of "narrator" in Honegger's "King David" will be read by Paul Leyssac, the distinguished actor of the New York Civic Repertory Theatre.

The field of instrumental music will be richly represented by Ruggiero Ricci, the distinguished nine-year old boy "wunderkind" violinist, who is looked upon as the greatest find of the generation. He is said to play like a Kreisler and to possess an almost uncanny knowledge of music values and of artistic performance.

Percy Grainger, the Australian pianist, whose triumphs throughout the world of music have been so pronounced will appear at the opening concert with the Chicago Symphony Orchestra, while at the Saturday afternoon concert, Guy Maier and Lee Pattison, the inseparable two pianists will for the first time contribute under the guidance of Mr. Stock with the Chicago Symphony Orchestra, selections for two pianos.

Paul V. Moore, Musical Director of the Festival will offer with the Chicago Symphony Orchestra and the University Choral Union, two evenings of choral music, on Thursday evening, when Honegger's "King David" and Bach's "Magnificat" will be performed and on Saturday evening when Verdi's "Requiem" will be heard.

Good Feed Needed
By Growing Chick

Although the baby chick is equipped by nature to go through the first 72 hours of its life without feeding, the value of mature birds is often determined by the kind and amounts of feed which they receive from the third day until their growth is completed, according to the poultry department of Michigan State College.

A dry mash made up of 60 pounds yellow corn meal, 20 pounds flour middlings, 10 pounds dried milk, 5 pounds meat scraps, 4 pounds bone meal, and 1 pound of salt is recommended for use until the chicks are four weeks old.

Plenty of feeding space should be provided, so the birds will have a chance to eat, and the dishes on which the mash is placed should be kept clean. After the first few days, the mash can be fed in hoppers to which the chicks have access at all times.

The use of cod liver oil as 2 to 4 percent of the ration aids early chicks or those receiving little sunlight. Green feed should be supplied to chicks which are not running on range.

Scratch grain consisting of equal parts of cracked corn and whole wheat should be fed after the chicks are six to eight weeks old. A mash which can be fed until the birds are ready to go in the laying house is made up of 60 pounds corn meal, 40 pounds bran, 40 pounds ground oats, 80 pounds middlings, 10 pounds meat scraps, 8 pounds ground limestone, 8 pounds bone meal, and 4 pounds charcoal.

Conservation Dept.
Cannot Change Laws

"In the matter of changing the spear and jacklight law, the Conservation Commission is not a law making body and consequently is powerless to take any action, if it desired to, unless an actual emergency existed," according to Director George R. Hogarth of the Conservation Department.

Director Hogarth's statement was made following numerous requests from all parts of the state urging that the Commission exercise its discretionary power authority to ban speering and jacklighting.

"The discretionary power act was created by the legislature to be used only in cases of acute emergency," Director Hogarth said. "No emergency exists today if none existed when the last legislature enacted the present laws. Conditions are no different now than they were last spring when the

inland fishing bill was adopted by the legislature.

"The Department of Conservation had recommended control of the spear, but the legislature saw fit to enact the law now in effect," he stated. "Since the situation has not changed, the discretionary power act cannot be employed to shorten the spearing season or to prohibit jacklighting."

Under the inland fishing act all non-game fish with the exception of Great Northern and Grass Pike, may be speared with or without the use of jacklight, in any of the non-trout streams of the state from April 1 to May 31. The Great Northern and Grass Pike spearing season (with or without a light) in all non-trout streams is from May 1 to May 31.

RADIO AMATEURS
By One of Them

The adoption of the new regulations governing the amateur, which were put into effect this month by the Federal Radio Commission, mark a new era in the activities of American amateurs. The Federal Radio Commission has a rule that from now on the amateur can not use an AC power supply and that an adequately filtered DC power supply or an arrangement producing equivalent results such as crystal control must be used. This is going to be a hard blow to a lot of the gang, since an adequately filtered DC power supply involves some expense. There are a lot of amateurs operating stations who are unable to afford the necessary rectifiers and filters. Unfortunately, these fellows will have to go off the air.

The adoption of these new regulations was inevitable. The government has allotted to the amateur adequate frequency bands. He has over-stepped his limits and interfered with commercial services, and if anybody thinks that he can interfere with the government radio traffic and make Uncle Sam like it, he is quite mistaken. The Federal Radio Commission has a kindly liking for the amateur, which the amateur has taken undue advantage of. So, now it is up to us to pay the price, and believe me, if the fellows do not stay within our assigned frequencies the time will come when we will all have to use crystal control. Probably the crystals will be tested and issued by the Radio Supervisor. While this would be a good thing, it would add considerably to the expense of an amateur station and detract from the pleasure we now have in operating equipment designed and built by ourselves.

It is up to us now to build for the future, to do something to increase our frequency stability, and to operate our stations in a business-like way and to be a credit to ourselves and community in such a way as to justify our existence in the eyes of the Federal Radio Commission. A lot has been said about frequency stability in the past. The Commission has cussed and discussed the activities of us amateurs for a long time. Things are happening in Washington and unless we snap into it and make operators out of ourselves it won't be long before we lose our present frequency assignments.

Lt. Stephenson of W8BUZ, Ypsilanti told me the other night that a definite date has been set for the long awaited Ham Festival and that it is to take place at W8BUZ, in the National Guard Armory, Ypsilanti, Michigan, Sunday, May 4, and that he will be there in person at six o'clock in the morning. All Hams are cordially invited to come at any time during the day. \$1.00 covers the cost of the dinner. This is going to be a fine experience for all of us and we will meet a large number of Hams from Southern Michigan and Northern Ohio and make the personal acquaintance of the men behind the keys of some of our best known local stations. W8CEP, Section Communication Manager for central division; W8UXH, Route Manager for Eastern Michigan; and other Hams prominent in ARRL affairs will be present. All Hams whose calls are listed will soon receive postcard notices of the event.

Walter Mayers of W8CVU, Mr. Longworth of W8CSG, and Mr. Heininger of W8BDI dropped in to look over my junk the other night. These fellows are the Hams that are putting Chelsea on the map. More power and more DX to you O. M.'s!

Peruvian "Amazons"
An explorer reports that among a primitive Indian tribe of the Peruvian jungle the women are "amazons," stronger and more alert and indurated than the men.

Popular Violinist
Heads Music Dept.

The School of Music of the University of Michigan, Ann Arbor, has just announced the engagement of the distinguished violinist, Wassily Besekirsky, as head of the Violin Department, services to begin with the summer session on June 30. Mr. Besekirsky will take the place on the violin faculty made vacant by the resignation of Professor Samuel P. Lockwood.

Mr. Besekirsky came to this country from Russia about fifteen years ago and was prevented from returning to Europe for a heavily booked concert season on account of the war. He was so delighted with America that he immediately took steps to become a naturalized citizen and was granted full papers at the expiration of the requisite time. In America he has won distinction as teacher of large classes of talented students in Boston, New York and Providence and has also won wide recognition as a performer having appeared under the most dignified musical auspices in the great music centers, and as soloist with the Russian Symphony Orchestra with Stravinsky in New York and in numerous appearances under Stokowski with the Philadelphia Orchestra.

Mr. Besekirsky was born in Russia and received his early training under his father, also a distinguished violinist of the Belgian tradition; won wide recognition at the Conservatory at Moscow; was Professor of Music at the Odessa Conservatory and in addition won recognition as a performing artist. When seventeen years of age he attracted the attention of Dr. Carl Muck who arranged a debut concert in Berlin which was so successful that engagements throughout Europe soon followed.

His coming to the University of Michigan will provide valuable addition to its most capable music faculty.

Many Horses Working Out At Fairgrounds

With the advent of spring weather last week railbirds at the state fair grounds were out bright and early morning watching the first race without of the horses which have spent the winter quartered at the Detroit stables.

More than 50 head of thoroughbreds are now quartered at the local oval and more are arriving daily. Veterinarians estimate that more than 100 head will be in training here by the first of May. All of these horses will be campaigned this summer on the grand circuit and fair route.

For the most part all of the horses are at the present time are young and will be sent into competition for the first time this spring. However, several veteran campaigners are also receiving daily workouts.

Outstanding among the veterans are E. M. Stout's horses, Byron McWyn (2:14 and one quarter), winner of the Michigan trot last year, and his three-year-old pacer, Guy Britton (2:09 and one half). McWyn has been nominated in the trotting division of the Hamiltonian while Britton has been named in the pacing division of the same event.

Stout has six others quartered here and being trained by W. M. McElroy, veteran Detroit reinsman. The other six are Unity, by Single G. Calumet, Aggie, by Peter the Brewer; Senator, by the Senator; a two-year-old, Tidy Grace (2:09 and one half); a two-year-old filly, Grace Law (2:14 and one quarter), and General Brewer, by Peter the Brewer, all good prospects.

Dr. E. E. Patterson has his string of trotters quartered at the state track in charge of George Holmes. So far the pick of the Patterson stable is a three-year-old trotter, "Night Signal," by Signal Peter. This bay mare has been showing exceptional speed in all her workouts and is being counted on by Holmes to make a great name on the circuit this summer.

HAS SIX OTHERS

Others in the Patterson stable are The Senator, Abbe Vaughn (2:16 and one quarter), Katherine Marshall, Gentry Brooke, Dale Sika, promising two-year-old gelding by Silk Dale, a yearling filly, Mattie Patterson, by Le Tide.

Beside training the Patterson stable, Holmes has two of his own horses working out, a three-year-old pacer, Ulan Gentry and a bay mare, Belle, by Peter the Brewer. This bay mare has a three year old mark of 2:17 and one quarter.

George P. Johnson, the veteran electric lightman of Detroit, has ventured into the horse racing business for the first time and has two head quartered at the track. A yearling stud by Henry Worthing and a yearling filly by Ulan Brooks, both promising youngsters, compose his stable.

Fred Horn also has two colts working out, a two-year-old trotter and a three-year-old pacer, the latter by Pierlot, who had a record of 2:05 and one half.

TRAINER FOR BULLIN

W. D. Newell is in charge of six head, owned by L. K. Bullin of Detroit. Flying Sign (2:10) has been entered in the 2:18 race at North Randall this summer and in the Kalamazoo feature. Doris Signal, another of the Bullin stable, will make her start in the three year old race at North Randall.

Newell also has in charge Juno Frisco by San Francisco, Guy L. by Addio Guy, a four-year-old trotter, Sonny Boy and Tidy Look by Lee Tide.

Perry Grubaugh has a green trotter working out daily which he claims is the best on the ground. He also has Jack Keneuagh and Grit in training, the latter worked a mile in 2:30 Friday morning.

Jim Pringle is working out a two-year-old gelding by Peter Kester and reports the horse in shape to start the season. Walter Wilcox has a year-pacer, Lil Cadurman and a trotter, Tramp Rose (2:08 and one half). He is also breaking a yearling by Lord Seamore.

George W. Slaughter is expected to arrive the first of the week with a table of 15 or 20, while Dave Wilson will move his stable here within the next few days.

The track has been placed in excellent condition for this season under the supervision of Harry Vanauken, former horse trainer.

Mr. Thomas E. Newton, Board member of the State Fair, and one of the fathers of the harness horse in Michigan, is taking a personal interest in the race program. He is being assisted by John L. McNamara, Secretary, Michigan State Fair.

Both Mr. Newton and Mr. McNamara extend a cordial invitation to all owners and trainers of horses to go with them during the training season. It is the desire of these gentlemen to make the race track at the Michigan State Fair Grounds more popular this year than ever before.

Fowlerville—An easy way for a Fowlerville man to get his wife's opinion of himself is to mention in his hearing that Babe Ruth gets \$80,000 a year for knocking a few baseballs over the fence.—Review.

Manchester—Township highway commissioner Schumacher is preparing to do much road work this year and has \$500 more to spend than he expected. There was \$500 left over last year and he finds that he has \$5,000 on hand which ought to be enough to make a good many improvements.—Enterprise.

COUNCIL PROCEEDINGS

Council Rooms, Chelsea, Mich., April 7th, 1930.

Council met in regular session. Meeting called to order by President Daniels.

Roll call. Present: Trustees Chandler, Lawrence, Harris, Hindelang, Strieter and Palmer.

There was no business transacted on account of Township Election and on account of receiving bids for bonds on Tuesday, April 8th.

Motion made and carried to adjourn.

Herbert G. Loeffler, Village Clerk.

Warren R. Daniels, Village Clerk.

Council Rooms, April 8, 1930.

Council met in special session. Meeting was called to order by President Daniels.

Roll call. Present: Trustees Chandler, Lawrence, Harris, Hindelang, Strieter and Palmer.

Minutes of meetings of March 17th and March 24th read and approved. The following bids were received for bonds in amount of \$38,000 for Sanitary Sewer System.

Braun, Bosworth & Co., rate 5 per cent, premium \$281.00.

Otis & Co., rate 5 1/2 per cent, premium \$178.80.

W. L. Slattery, rate 5 per cent, premium \$182.00.

Hanchett Bond Co., rate 5 per cent, premium \$170.00.

Kemp Commercial & Savings Bank, rate 4 3/4 per cent, premium \$25.00.

The First Detroit Co., rate 4 3/4 per cent, premium \$112.00.

Moved by Strieter and supported by Lawrence that the Council award the bonds to the First Detroit Co., they being the lowest bidders and that the bond and coupon attached be approved and the President and Clerk be authorized to sign such documents.

Roll call. Yeas: Trustees Chandler, Lawrence, Palmer, Harris, Hindelang and Strieter. Nays: None. Carried.

The following bills were read by the clerk:

General Fund

Wm. Atkinson, 1-2 mo. sal. \$50.00

Michigan Investor Publishing Co., adv. bonds 20.00

Chelsea Standard, Co. Pro-Mar. 3 and 13 13.20

Verne Pordyce, repairs on fire truck 41.10

J. V. Burg, supplies 4.24

Kolb's Restaurant, 9 meals election board 4.85

Michigan Bell Telephone Co., Brooks and Engine House 4.63

Palmer Motor Sales, storage to May 1, battery, gas and oil 23.09

H. B. Murphy, repairs to bath boxes 10.30

Michigan Municipal League, dues for membership 30.00

Grove Bros., 2 pairs 66

Street Fund

Hart Motor Sales, gas and oil \$3.18

work on street

E. L. & W. W. Fund

Order No. 3 \$1000.00

Order No. 4 1000.00

Sewer Fund

Van Pamel & Gekiere, partial estimate No. 12 \$2571.43

Motion by Harris and supported by Hindelang that bills be allowed and orders drawn for the amounts.

Roll call. Yeas: Trustees Chandler, Lawrence, Harris, Hindelang, Strieter and Palmer. Nays: None. Carried.

Motion made and carried to adjourn.

Herbert G. Loeffler, Village Clerk.

Warren R. Daniels, Village Clerk.

ONE MAN DOES THE WORK OF FOUR MEN

The following letter was received from Mr. W. C. Ryan, of Kenedy, Texas, regarding the six all-purpose tractors he then owned. Since the letter was written, he has purchased four more of these tractors, which speak louder than words as to his opinion of their value. Mr. Ryan has 1500 acres in cotton and 500 acres in other crops.

"We are using six all-purpose tractors and have most all the implements necessary for cultivating row crops and think it all fine."

"I believe the cost of operation is about the same as with mules for the time they are actually in service but, the way I figure, mules or tractor are in actual use about 120 days in making a crop. Mules must have feed the year round and the tractor costs only when in operation. Another big item is the labor. In most work, when using a tractor, one man takes the place of four."

"We are using the two-row implements as our ground is uneven and I do not think that four-row equipment would do so well for our land. We do not use in one day. We cultivate around 80 acres per day per tractor."

"I am highly pleased with my tractor and equipment and hope to see the day when we have a successful cotton picker. Then we will be sitting pretty."—Tractor Farming.

Michigan Happenings

A new trunkline highway extending from U. S. 10 northwest of Pontiac to U. S. 24 and U. S. 45 has been recommended to the State Administrative Board by the Highway Advisory Board. The proposed highway would be about 50 miles long and would run almost directly north and south, crossing U. S. 16, U. S. 12 and U. S. 1312 and joining U. S. 24 and U. S. 25 between Monroe and Toledo. Its construction would enable a large volume of traffic to avoid the congested district around Detroit, the Advisory Board believes.

While Don Budrow, Kalamazoo fireman attached to the Central station, was battling the flames at the Standard Paper company fire, and his wife was a spectator, flames destroyed their home on the M. Oliver road. Because the Budrow residence was outside the city limits, the fire department from the village of Norwood answered the alarm. The loss was estimated at \$4,000.

Construction of a mile of pavement on U. S. trunk line 25 in Port Huron at a cost of \$15,000 has been authorized by the highway committee of the state administrative board at Lansing. The committee also approved a street widening project on three-quarters of a mile on Main street in Lansing, which is part of U. S. 27, and pavement of one-eighth of a mile of U. S. 31 in South Haven.

Plant authorities are searching for a man who has been selling "census slips" to residents of the Chevrolet Park district of Flint, at 25 cents each. Several persons reported to Otto P. Graft, district census supervisor, that the man had told them that by filling out the slips and mailing them to a specified address, they could avoid interviewing census enumerators.

Amos Whiteman of Quincy, failed to see an approaching freight train when he stepped onto the New York Central tracks. When the engineer saw Whiteman, it was too late to stop the train. The engine struck Whiteman, and hurled him into a ravine. Whiteman got up, brushed off his clothing, and walked home, bruised but unharmed.

A street scraper in Jackson restored her diamond engagement ring to Mrs. O. G. Yeager, after she had mourned its loss three years. John Freitag saw the sparkle of the diamond as he was crossing a rebuilt street and picked up the ring. Mrs. Freitag showed the ring to Mrs. Yeager and the latter was delighted.

ORDER FOR PUBLICATION

In the County of Washtenaw, before Joseph C. Hooper, Circuit Court Commissioner.

John B. Osborn and Ida A. Osborn, Plaintiffs,

vs.

Mary A. Maron (Goto Maron), Ladd Brothers and T. C. Wilson, Defendants.

In this cause, it appearing that complaint was filed by the plaintiffs John B. Osborn and Ida A. Osborn for the purpose of recovering possession of the following lands and tenements which the defendants Mary A. Maron (Goto Maron), Ladd Brothers and T. C. Wilson hold contrary to the conditions and covenants of an executory contract for the purchase thereof:

"A certain piece or parcel of land situated in the township of Northfield, County of Washtenaw and State of Michigan, and more particularly known and described as follows: Being the northwest quarter of Section 9, town 1 south, range 6 east, containing 40 acres more or less."

And it further appearing by the affidavit of Florence A. Pollock, duly presented and filed, and to the satisfaction of Joseph C. Hooper, Circuit Court Commissioner, that the summons heretofore issued in the above entitled cause cannot be served upon the defendant T. C. Wilson for the reason that he does not reside in the state of Michigan, but is a resident of Bowling Green, state of Ohio; it is therefore

Ordered, that the hearing on the above entitled cause be held on the 24th day of May, A. D. 1930 at 10 o'clock in the forenoon of said day, before the Hon. Joseph C. Hooper, Circuit Court Commissioner, in his office on the 10th floor of the First National Bank Building in the city of Ann Arbor, Washtenaw County, Michigan, and

It is further Ordered that the said defendant T. C. Wilson enter his appearance in said cause within thirty-five days from the date of this order, and that a true copy of said order be published once a week for three successive weeks in the Chelsea Standard, a newspaper printed and circulating in the county in which the complaint in the above entitled cause was filed; and that a copy of this order be mailed to the said defendant T. C. Wilson at his last known post-office address, registered mail, and a return receipt demanded at least ten days prior to the date herein mentioned for his appearance.

Dated this 19th day of April, A. D. 1930.

Joseph C. Hooper, Circuit Court Commissioner.

OUR NEIGHBORS

Manchester—During the noon hour, election day, the clerk, Walter Schall, read his annual report which included a recommendation that the township raise for the coming year the following: For the contingent and poor fund, \$2,000; road repair, \$6,000; highway improvement, \$1,500; library, \$500; county fair prizes, \$50; a total of \$9,550.00.—Enterprise.

Grass Lake—Business continues active in Justice Crafts' court the past week. One autoist who speeded through the village paid \$5.35 for the privilege; a driver of an overloaded truck left \$13.35 with the court; a speeding truck driver parted with \$5.35 and six drivers with improper license plates paid a total of \$30. The arrests were made by the state police.

Unadilla—Chas. H. Ruciman was elected as supervisor on the Democratic ticket and Claude Rose was chosen highway commissioner on the Republican ticket.

STATE OF MICHIGAN

Circuit Court for the County of Washtenaw, In Chancery.

Henry T. Clark, in his own right and as Administrator of the Estate of Rose Clark, deceased, Plaintiff,

vs.

Hiram Ward, his unknown heirs, devisees, legatees and assigns, Defendant.

TO RUN 100 MILE RACE AT TOLEDO ON MAY 25TH

Toledo, Ohio, April 24.—Having received a sanction from the American Automobile Association Contest Board to run a triple A. Auto Race at Ft. Miami mile track, Toledo on Sunday, May 25, B. Ward Beam, who has handled the track for the past nine years announced yesterday that the event would be 100 miles.

Beam has for some time had under consideration the advisability of running shorter sprint events, having had a number of fans make such request, but he now feels that the response from those opposed to the sprint variety justifies the continuance of the century grinds that have become so popular in the nine years they have been run.

Entry blanks will go in the mail within the next few days and the manager assures the race fans that the greatest array of talent ever to enter the spring classic will be on hand. Many of the Indianapolis Speedway Stars are expected to enter and there will be no increase in prices.

"GANG WAR" AT PRINCESS

The Princess theatre offers as its headliner Saturday, April 26, that mighty epic of the underworld, "Gang War", with Olive Border and Jack Pickford. A scathing indictment of crime that will shake the world, a drama with a message for humanity, a theme that will flame across the world.

"Tarzan The Tiger", the new serial featuring Frank Merrill and Natalie Kingston, started off with a bang last Saturday and thrilled and pleased a large audience. The second chapter will be on the screen the coming Saturday.

The well-known Duncan Sisters, famous as entertainers on the vaudeville stage will star Sunday night in "It's a Great Life." The name "Duncan Sisters" in electric lights has always meant perfect entertainment. You can see them now in a motion picture. You'll laugh, cry, thrill as you see them in this comedy-drama sensation. Gorgeous girls, marvelous spectacular technicolor sequences. This one has everything.

There will also be a comedy and news reel.

STATE NEWS

City of Flint, new Pere Marquette car ferry, arrived at Ludington on her maiden trip from Manitowish, completing what is claimed to be the fastest crossing of Lake Michigan. Time was 3 hours and 7 minutes from pier to pier, distance 60 miles. City of Flint augments Pere Marquette car ferry fleet operating from Ludington to nine vessels. She is second in fleet, sixth on Great Lakes, to have turbo-electric propulsion. Her sister ship, City of Saginaw, made her maiden trip last fall.

The first distillery for the manufacture of N. Y. P. Chinese rice whiskey, ever found in Detroit was wrecked when one of two stills in the attic of a house on Twenty-third street exploded and set fire to the house, according to police. More than \$500 worth of opium, cocaine, morphine and yanshee, ashes from the bowls of opium pipes, were found in the house and confiscated by police, who turned the material over to federal agents.

Winning 14 varsity letters, maintaining a scholastic record at nearly a B average, besides acting as president of the Student Council and the senior class are the achievements which Kenneth Kelly, Royal Oak senior at Mt. Pleasant, at Central State Teachers College, has accomplished during his college career. This spring Kelly will coach two classes in tennis besides playing on the varsity tennis and baseball teams.

Payrolls in Michigan industries have increased 38 per cent since last December, according to an index furnished the state department of labor and industry, at Lansing, by 447 reporting firms. The increase in March, over February, was 0.8 per cent. The number of employees in the reporting industries advanced 2.1 per cent in March as compared with February, and 12.8 per cent as compared with last December.

Lansaw county is to have a new landing field. The field will include an inn and a modern camp for tourists. The airport, now under construction, is located on what was formerly the E. J. Bush farm, near Jasper, at the southwest intersection of the Carlson road west, and the

road to Sand Creek. The farm comprises 119 acres. Ray Allen, licensed transport pilot, is to manage the field.

Four boy scouts, on a hike, found the body of a dog tethered to a tree in the woods, southwest of Buchanan. The brown collie, about a year old, had evidently been left to die several weeks ago. The slender rope was almost gnawed apart in several places and the torn condition of the ground within the range of the rope offered mute evidence of the struggle the canine made to free itself.

Rollo Watterman is too big-hearted, Calhoun County officers declare. A bandit, about 25 years old, visited Watterman's gas station in Adrien, after obtaining \$105 in a holdup at Union City. Snatching the revolver from the gunman, Watterman knocked him down, removed the cartridges, gave the robber a lecture and allowed him to depart with the empty gun.

strike TWO

There's no umpire to call a foul when your car collides with another's. When things are just beginning to open up again, baseball parks, highways and byways—it's a good time to think about safeguarding your peace of mind and the investment in your car with Auto-Owners Auto Insurance.
