Fire Destroys Farm Home Of J. L. Sibley

Fire of undetermined origin destroyed the farm residence of Joseph L. Sibley, northwest of Chelsea, and its entire contents, Sunday morning. Mr. Sibley was aroused at two o'clock by the smell of smoke, and upon investigation found the blaze had started in the furnace room, although there had been no fire in the building for several days. As he opened the door, smoke rushed out, completely filling the rooms and making it impossible to remove any of the contents. The Chelsea fire department responded to a call and prevented the blaze from spreading to the outbuildings. The house, which was erected about 40 years ago, was occupied by Mr. Sibley, his hired man, Norman Hullson and the latter's family. The loss, estimated at \$7,000, is partially covered by insurance. Mr. Sibley is planning to erect a residence on the site in the near future.

District Legion Men Convene In Jackson

Carl J. Mayer, Paul C. Maroney, Clarence O. Bahnmler, George W. Walworth, Elmer Sculler, Edward Miller, Floyd Rowe, Julius Eisele and John Hummel, representatives of Herbert J. McKune Post, No. 31, American Legion, attended the convention and banquet of the Second District held Sunday at the Masonic Temple, Jackson. The convention was sponsored by Richard F. Smith Post, No. 29, assisted by Troops 1 and 13 of the Sea Scouts.

During the afternoon the visitors were taken through the new Michigan state prison, after which dinner was served to nearly 500 members from Plymouth, Ann Arbor, Jackson, River Rouge, and other posts in central and eastern Michigan. Mayor Milo M. Hullberger of Jackson welcomed the visitors and introduced Maxwell F. Badgley as toastmaster. Speakers on the program were Gilbert T. Shilson, of the Associated Press Bureau, Lansing; Harry Barnard, state representative from Jackson; Geo. Stoner, vice commander of the state department, American Legion; Joseph Gillis, assistant attorney general of Michigan, and Carl Gibson, second district committeeman. Raymond Kelly, past commander of the Michigan department, spoke as the representative of Mayor Frank Murphy of Detroit, who was unable to be present at the meeting.

Charles Schultz, state commander of the American Legion, outlined the work being done for the National Legion gathering which will be held in Detroit next September, when more than 100,000 delegates are expected to be present. The Jackson police band and the police quartet entertained the delegates during the banquet, and selections were given by Frank T. Titus, Jackson virtuoso, Mrs. H. A. Barnes, soloist, and the Dix trio, of the Jackson Sea Scouts.

Twilight Ball League Season Opens Tuesday

The Twilight Ball League season will open on Tuesday evening, April 28, when the American Legion will oppose the Masons in what promises to be a real game, as both teams, as well as other teams entered in the league, have been spending plenty of time on the field in practice games. St. Paul's will oppose the Oddfellows next Thursday evening.

Entertainment will be furnished for the fans at the opening game by the Chelsea High School Band, under the direction of Wesley Smith. Paul C. Maroney, village president, will throw the ball which opens the game beginning a schedule of thirty games for the present season. All games will commence at 6:30, and will be played at Holmes field, McKinley street.

Pythian Sisters Will Entertain Convention

Chelsea Pythian Sisters will entertain the district convention of the Order at the public school auditorium on Thursday, April 30. A special feature of the convention will be a public installation which will be explained by East Side Temple, Jackson, and to which the public is invited. Dinner will be served at the Methodist church at noon, and preparations are being made to serve two hundred members of the Order from Manchester, Ann Arbor, Ypsilanti, Plymouth, Milan, Dundee, Saline, East Side Jackson. Several state officers will be present at the gathering.

TO BUILD RESIDENCE Roy Ives is making arrangements to have a new residence built to replace the one recently destroyed by fire on his farm in Sylvan. He expects to start the work about the first of May.

An Editorial

Through developments which have been happening in Chelsea school politics during the past few days, the good name of the town is becoming besmirched in one of the most scandalous conditions in its history.

Although this village has been well advertised for its spirited civil wars at frequent intervals in its history, the controversy which now darkens the skies promises to drag in the names of many of our most respected citizens unless some unseen hand descends and takes charge of a serious condition and reconciles the opposing factions of a fight that is a fight and is being promised a fight to the finish.

The present crisis has been brought about through the attempted disqualification of three members of the board of education. Through his election to the office of Sylvan township treasurer, Fred G. Brosamle has been declared disqualified as a member of the board. During the past week charges of illegal sale of insurance to the school district have been filed against John Kalmbach, and like charges of sale of coal to the district by a local firm of which Howard Holmes is a member is said to disqualify him as a member of the board.

John Kalmbach, Fred Brosamle and L. P. Vogel were in Lansing on Wednesday and were advised by the attorney general and E. L. Goodrich, Deputy Superintendent of Public Instruction, that Kalmbach, Brosamle and Holmes should resign from the board for the above stated reasons, and gave them the required resignation forms to be signed by the three men and sent to the state office.

With only two members remaining on the board, L. P. Vogel and Geo. W. Walworth, the district will be forced to hold a special election for the purpose of electing three trustees. Notices for this special election will be posted immediately following the resignations, and the election must be held not sooner than six days nor later than twelve days after posting of the notices.

According to reports and records, illegal sale of products to the district by school board members has been a common occurrence for several years, and the same is true in village affairs, all of which is promised a thorough airing as the battle proceeds. The charges against officials making these sales do not intimate corruption in any form but are simply a technical violation of a state law which governs such cases.

It is to be regretted that two groups of individuals with the intelligence credited to members of the opposing factions in this disagreement of the conduct of school affairs have allowed this condition to reach its present state of seriousness. It seems that steps should and could be taken immediately to remedy the condition, for the good of all concerned.

As a newspaper we have assumed a neutral attitude in the matter and any communication which has or will enter our columns for either faction in the matter must bear the signature of the individual or individuals whose ideas are expressed.

The editor who places himself or his newspaper under obligations to any group, whether it be a political party, a church, an industry or an individual, has disqualified himself and is not capable of giving to any community the kind of newspaper service it is entitled to.

Baseball Season To Open Here Sunday

The Chelsea Baseball Club announces its first game of the season for Sunday, April 26, at 3 p. m., at Wilkinson field. The Dexter Indians will be the opponents for this game, which promises to be full of thrills for local fans.

According to George Ankney, manager of the team, intensive work-out has been in progress for several weeks, and he expects to enter a strong line-up against the visitors in the opening game. The field is in good shape and a new backstop and grandstand have been erected, as well as dug-outs for both teams.

On Friday evening of this week a benefit dance will be held at the public school to raise funds for the team. Jackson Ramblers' orchestra will furnish music for the event.

TO PRESENT PLAY

Pupils of St. Mary's school will present a play, "The Hottentot," at their hall Sunday afternoon, April 26. The cast includes Anthony Juergens, Anna Doody, Wayne Rosbach, Evelyn Sanford, Gertrude Hindelang, Richard Lyons, Albert Forner, Ambrose Dreyer, Joseph Lyons, Francis Visel, Carl Swickherath.

BAKE SALE

The Ladies Aid Society of St. John's church, Rogers Corners, will hold a Bake Sale at Loeffler's Meat Market, Apr. 25.

Dr. A. Gulde Issues Local Health Report

For the year ending March 15, 1931 there occurred in the village of Chelsea 186 cases of communicable diseases, as follows:

Chicken Pox	19
Diphtheria	1
Measles	59
Mumps	104
Scarlet Fever	8

Total . . . 186

From March 15, 1931 to April 20, 1931 there have been reported 18 cases of mumps and one case of chicken pox.

The spirit of co-operation shown by the parents and the patients in reporting these cases and in the observance of the rules governing isolation and quarantine is to be highly commended. In only two instances was any disinclination shown to conform to the regulations laid down by the State Health Department.

Andros Gulde, M. D., Village Health Officer.

4-H Forest Rangers Will Plant Trees

8150 forest trees were delivered to 4-H forest rangers in Washtenaw county during the past week. These will be planted by first year forest rangers who are required to plant at least 500 trees each. All of the boys who are carrying on ranger work for the second year will plant shade trees or wind breaks on their home farm, and those enrolled in third year work will sow a seed bed of forest trees.

J. J. Bird, extension specialist in potatoes, Michigan State College, will be in Washtenaw county next Saturday, April 25, to begin several experimental plots for 4-H potato club members of the county. He will try to establish at least one plot in each section of the county where it can be visited and observed by members in those sections.

The board of directors of the Washtenaw County Council of 4-H clubs held a meeting at the agricultural extension office, Court House, Saturday afternoon, April 18. They made complete plans for the achievement day, which will be held at Yost Field House on Friday, May 1, for all clothing, handicraft and not lunch club members.

They also made some minor changes in the constitution. In addition, they went over plans for the year's program in 4-H club work in the county.

Prof. and Mrs. Randall Are Seriously Injured

Prof. Harrison M. Randall, director of the physics laboratory of the University of Michigan, and Mrs. Randall, of 1208 Prospect St., Ann Arbor, were seriously injured Monday morning in an accident on US-12 about 4 miles west of Ann Arbor, when the automobile in which they were riding collided with a heavy truck and trailer driven by Gordon Hill, an employee of the United States Trucking Co., Detroit.

Prof. Randall received a fracture of the wrist and one leg, also injuries to the chest and lacerations of the face. Mrs. Randall has been in an unconscious condition practically ever since the accident, and the extent of her injuries has not been determined. Both are critically ill at University hospital, where a late bulletin reported their condition as unchanged, with neither patient out of danger.

The accident occurred at a point about four miles west of Ann Arbor, as the Randalls were returning to their home from Cavanaugh Lake, where they had spent the week-end at their cottage.

Mr. Hill, driver of the truck, said the Randall car skidded as it approached him at a distance of 50 feet, and backed across the road into his truck. The Randall car was demolished and completely crushed beneath the motor of the heavy truck. The truck was badly damaged and the trailer thrown crosswise on the highway. It is believed the accident happened because of the slippery condition of the pavement.

Mr. and Mrs. Randall have, for a number of years, spent their summers at Cavanaugh Lake, and have many friends in this vicinity.

CELEBRATES 88TH BIRTHDAY

Mr. and Mrs. David Alber entertained at a family dinner on Sunday in honor of the latter's mother, Mrs. Hannah Taylor's 88th birthday. The table was beautifully decorated with roses and snapdragons and was centered with a large birthday cake bearing 88 candles. The guests included Mr. and Mrs. Haze Bennett and Mrs. Gene Winslow of Detroit, Mr. and Mrs. Arthur Young and family and George A. Young of Chelsea. This occasion also celebrated the birthdays of Mrs. Arthur Young, Mrs. David Alber and Miss Celesta Alber.

Body by Fisher . . Chassis by Buick a combination which is winning 50 out of every 100 buyers of eights in Buick's field

The Eight as
BUICK
Builds It

Owing to their popularity, the present models of 1931 Buick Straight Eights will be continued throughout the coming summer and fall.
Consider the delivered price as well as the list price when comparing motor car values.

Body by Fisher, chassis by Buick . . . a combination of luxury, safety and fine performance which wins for Buick alone more sales than the 13 other eights in its field combined.

The beauty of Fisher styling and the enduring strength of Fisher composite wood-and-steel construction inspire true pride of ownership, as well as a feeling of complete security throughout the months and years you drive a Buick.

And, just as Fisher builds for surpassing beauty, luxury and durability, so Buick builds each chassis to give you exceptional performance and reliability. All four series of new Buicks have the powerful Valve-in-Head Straight Eight engine. All have silent-shift Synchro-Mesh transmission, which makes Buick drivers expert at non-clash gear-shifting. All have Torque Tube Drive, the secret of Buick's extreme steadiness on the road and ease of control.

Body by Fisher, chassis by Buick . . . together they form a combination de luxe . . . a motor car of such outstanding value that it will pay you to examine and drive the new Buick Straight Eight before buying any car.

KROGER BRANCH MANAGERS MEET IN CONVENTION

Mrs. Christine Fredericks, author of "Selling Mrs. Consumer" and nationally known authority on the viewpoint nad needs of the American housewife, addressed the convention of Kroger Grocery and Baking Co. branch managers and executives which began Sunday night, April 19, and continued through Wednesday, at the French Lick Springs Hotel, French Lick, Ind.

Branch managers from all the territory served by the Kroger company and the executives from the general offices of the company discussed various subjects pertaining to the operations of the organization as well as the Kroger Food Foundation and the newly instituted 24-hour food delivery to Kroger stores.

Among those who addressed the convention were W. J. Donald, managing director of the American Management Association; Charles Meays, expert in problems of advertising, merchandising and retail selling; John Hancock, Albert H. Morrill, president of Kroger, and Alvin Dodd, assistant to the president.

MANCHESTER—It will be remembered that a few years ago, members of the Manchester high school agricultural department were given instruction and were induced to strive for prizes in raising vegetables, etc., in gardens. The matter was really of considerable interest to many outside the student body who watched the test. If we remember correctly there was, at that time, some depression like that of the present time, and it might be well to repeat the experiment.—Enterprise.

TWENTY-FOUR YEARS AGO

Thursday, April 25, 1907

A bill passed by the State Legislature on April 17 gives the Chelsea common council power to limit the number of saloons within the village limits. By the passage of the new law, which becomes effective May 1st, the number of saloons is placed at four.

P. Schweinfurth of Sylvan, Orson Beeman of Lyndon and Emanuel Wacker of Lima have been drawn to serve as jurors at the May term of the Washtenaw County Circuit Court.

At a special meeting held in the town hall Tuesday evening, with but one nay vote the electors of school district No. 3 fr., Sylvan and Lima voted to build a new 18-room school building on the grounds of the present site. The new building is to be 140x90 feet and \$60,000 was voted for the construction of the proposed building.

Married, Tuesday afternoon, April 23, 1907, at St. Paul's parsonage, Miss Freda Hartman and Mr. George M. Seltz. The couple were attended by Miss Rose Seltz, sister of the groom, and Chas. Hartman, brother of the bride. The ceremony was performed by Rev. A. A. Schoen. The couple will make their home in Chelsea.

Mr. and Mrs. John Wortley of Sylvan were called to Lake Odessa on Saturday by the death of a relative.

Mr. and Mrs. Joseph Wellhoff moved to their farm in Sharon the first of this week.

Rev. Seth Reed, superintendent of the Methodist Old People's Home, conducted services in the North Lake M. E. church on Sunday.

Earl Foster, who is in the U. S. postal railway service, expects to be assigned to a run on the M. C. R. R. between Detroit and Chicago. For the past four years he has had a run on the Wabash railway between Detroit and St. Louis.

J. A. Maroney is having a new residence erected on McKinley street.

John Lingane of Sylvan reports that he has in his barn a quantity of bright hay that is 15 years old. He recently sold his last year's crop of hay to D. C. McLaren.

The market: Wheat, 73c; rye, 67c; oats, 42c; beans, \$1.10; steers, \$9.50 to \$5; veal, \$4 to \$6.50; sheep, \$2 to \$6.50; chickens, 10c; potatoes, 35c; butter, 18c to 23c; eggs, 15c.

THIRTY-FOUR YEARS AGO

Thursday, April 22, 1897

Jas. L. Babcock of Ann Arbor has sold a piece of land in Lima to Geo. Steinbach. C. H. Kempf also sold a tract of land in Lima to John Lucht.

The bonds for saloons in the village of Chelsea for the coming year has been placed at \$4,000 by the common council.

The school in Francisco is closed on account of a number of cases of measles.

There is a decided sentiment in Grass Lake in favor of an electric light system.

Saline village pays the marshal at that place \$5 per month. What do you expect of a marshal who is paid such an enormous salary?

Married, on Sunday, April 18, 1897 Mrs. Julia McDonald and Mr. Thomas Jensen.

James Wade has purchased a vacant lot on Congdon street and is making arrangements to have a dwelling built on the property.

The soldiers' monument is nearly ready for shipment and will be erected in Oak Grove cemetery when it arrives here. It will be dedicated on Decoration Day.

Mrs. J. W. Van Riper left for Clare on Monday, where Mr. Van Riper has charge of the branch house of C. J. Chandler & Co. of Chelsea.

GRASS LAKE—Grass Lake is to have another postmaster within the present year. Frank Cole, the present incumbent, announced that he would retire at the expiration of his present term. Applications must be properly executed and filed at Washington prior to April 24. An examination will be held in Jackson and applicants will be notified of the date about 15 days after April 24. The salary of the Grass Lake office is listed as \$2,000 per year with an allowance for an assistant but it is understood that the amount paid is somewhat under the above mentioned sum.—News.

Time After Time Konjola Wins When All Else Tried Proved a Disappointment.

The experience of Mr. Albert Chase, 2805 E. 14th street, Little Rock, Ark., is significant. He says: "I became weak and nervous because of stomach and kidney disorders. For a month my feet were so swollen I could not wear my shoes. I bloated badly after meals and became short of breath. Konjola soon corrected my stomach ailment and the swelling left my feet. I am now able to do light work again."

Mr. Albert Chase

Now consider carefully what Mrs. J. C. Rawls, 217 East Fourth street, Little Rock, Ark., has to say: "I suffered for years with stomach trouble. Constipation and weak kidneys added to my misery. I began taking Konjola and in two months time I felt like another person. Konjola completely relieved me and I shall always praise it."

Demand Konjola and get it; don't be switched to a substitute.

FORD RELIABILITY

Long, hard use shows the value of good materials and simplicity of design

EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.

One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."

Another owner describes a trip of 3217 miles in 95 hours over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."

See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.

LOW FORD PRICES

\$430 to \$630

(F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. You can buy a Ford for a small down payment, on economical monthly terms, through the Authorized Ford Finance Plans of the Universal Credit Company.)

Now You Can Have

a Modern Gas Range

Your Old Range Is Worth Real Money!

We \$1 a Year Allow \$1 as a "Trade-in" FOR EVERY YEAR IN USE

THE OLDER It Is, THE MORE IT'S WORTH!

In spite of its out-of-dateness—its broken down rusted oven—its waste of time—labor and nerve-strain—that old range of yours now has a big cash value.

This unusual offer is made to replace it with a new up-to-date Regulated Gas Range, finished in glistening enamel with rust-proof oven.

Here's Our Proposition!

We will make you a "trade-in-allowance" of \$1.00 for every year you have had your old range in use—\$12 for 12 years—\$18 for 18 years. If you "trade-in" a gas stove less than 10 years old, or any other type of stove, we will allow you \$10.

\$5 Down

HOW TO TELL YOUR GAS RANGE'S AGE

Name plates and numbers will be found on almost every gas range, but the surest and best way to determine the age of your gas range is to have our representative inspect it. He will know its age and will see that you get full "trade-in allowance" for it!

Beutler were each presented with a gift of money as a token of appreciation for their services as leaders of the club during the year.

Communication

M. W. McClure, Editor The Chelsea Standard, Chelsea, Mich.

Dear Sir:

Having read the account of the special school board meeting in your issue of Thursday, April 9, I am prompted to suggest through the medium of The Standard that in my opinion the school board is on the wrong track in the matter of economy. It seems to me that the teachers who have grown up with, and are products of our own school, should be shown more consideration than was indicated by the action of the board. I believe that most people who are closely associated with one school will agree with me that the older teachers, whether married or not, or whether or not they need the position, are worth more to a school system than the younger inexperienced teachers. Especially is this value of the older teacher greater when she has been brought up in the community, pays taxes here on her property and has a real interest in the betterment of the school system.

The boards of education in many localities, both large and small, have been forced to economize in expenditures. In Detroit, where I am a teacher, we expect a three per cent cut in salaries the coming year. Of course, we hope that the economic emergency which caused this reduction will soon have passed and that the regular salary schedule will again be effective. However, economies cannot be effected by depriving teachers of their salaries. Those practiced by boards of education in letting valuable teachers go and hiring others at lower salaries. Good teachers cannot be induced to come to a small town for a small salary.

I hope that as a graduate of our school system, I may be pardoned for thus expressing myself, but I am interested in the continuance of the Chelsea public school.

Yours truly,

Carl C. Chandra

EXTENSION OFFICE BRIEFS

The following spraying information has just been received from the extension horticulturist, H. A. Cardinell, Michigan State College, by H. S. Osler, county agricultural agent.

Unlike 1929 and 1930, apple scab is more than thirty days late in maturing spores, therefore, we have been holding back until a mature spore could be found. Don Cation, Michigan's new fruit disease man, has telegraphed that the first spore has been found in your district. It would be well to cover the new tender foliage of scabbing varieties as soon as possible. Watch weather reports, and do not allow any rain we may receive to catch the foliage without a fresh fungicide.

Within the next week or ten days is the most effective time to control aphids.

We recommend 2 1-2 gal. lime sulphur, or 10 lbs. dry lime sulphur, with 3 lbs. lead arsenate and 1 pt. nicotine sulphate with water to make 100 gal. of spray. This is for scab, aphids, early curculio, and leaf worms.

The sweet cherry buds are in a very effective stage for control of black cherry aphids. Control them with 2 1-2 gal. lime sulphur with one pint of nicotine sulphate to make 100 gal. of dilution.

Nitrate fertilizer should be applied soon while we yet have a little soil moisture.

BUICK PURCHASERS REPORT TO FAVOR NEW 8-50 SERIES

Deliveries to new car buyers of the 8-50 series of Buick straight eights—this is Buick's new low-priced eight, which lists as low as \$1025 at the factory—represented approximately forty per cent of the total retail sales of the four lines of Buicks during January, February and March.

March deliveries of the 8-50's were 9,746; February 8,622 and January 2,306, making a quarterly aggregate of 8,674. As Buick deliveries of all models for the quarter were 21,819, the 8-50 sales represented 39.8 per cent.

"Since last August the Buick 8-50 series, which is built on the 114-inch wheelbase, has held a strong position in total Buick deliveries," says C. W. Churchill, general sales manager of the Buick Motor Co. "The entire Buick deliveries of 1931—straight eights, which include the 114, 118, 124 and 132 inch wheelbase series amounted to 68,824 from July down to the end of March. Sales of the low-price 8-50 Buicks amounted to 21,889 units, or about a third of the grand total."

"The 8-50 line is powered by the Buick straight eight valve-in-head engine and has Buick's dependable mechanical construction. It has ample room—the largest Buick ever offered at anywhere near the same price."

EXCITEMENT
RAN HIGH

on March 17, at the start of the
elaborate lubrication study conducted by the Contest
Board of the A. A. A. on the Indianapolis Speedway

NOTHING approaching this lubrication study in size and scope had ever before been attempted. Months of preparation had worked up to this climax. Drivers waited at their wheels for the word to go. Excitement ran high.

The tests were conducted by the Contest Board of the American Automobile Association. The results when compiled will be certified by it.

Early in May, the test cars will start on long individual tours. They will visit auto dealers to deliver the certified results and to allow inspection. At the same time they will be gathering more lubrication data. Watch for these cars.

By such research methods this company is able to provide you with motor oil that meets exactly the lubricating requirements of your engine.

OUR NEIGHBORS

SALINE—Up to the last election Solah Fitzgerald rounded out 39 years of consecutive service as constable for Saline township. For 12 years of that time he was a deputy sheriff and now since he is no longer a constable Sheriff Jacob Andres has bestowed a deputy sheriff's badge on Mr. Fitzgerald so that he is now beginning his fortieth year in the public service in a law enforcement division.—Observer.

PINCKNEY—The elevator of Thomas Read Sons in this village was broken into last Friday night. Entrance was gained by jumping a door. The safe was blown with nitroglycerine but nothing of value was found. Bills, checks and other papers were scattered around. Disappointed at not obtaining any money the thieves vented their spite on the office fixtures. A check perforator was smashed with a hammer and also a duplicate billing machine.—Dispatch.

MILAN—York township ranks 2nd in the county in the amount of delinquent taxes reported by the treasurer. The total amount in York was \$19,535. In Pittsfield township the amount of returned taxes was \$36,364. The amount in Augusta was \$13,220.—Leader.

BRIGHTON—Lawrence N. Varre, who until this week has been in charge of the East Side A. B. Howard Market has resigned his position with that firm and joined his fortunes with those of K. J. Lehman, who for the last few months has been operating the Quality Market at the corner of Grand River and Main Street. Mr. Lehman was also formerly employed here in the Howard Markets. The new firm, we understand, will probably a little later, add to the meats they are now carrying, a stock of groceries.—Argus.

Mr. Lehman is a son of Mr. and Mrs. Jacob Lehman, of Chelsea. Hunter Hill, a son of Mr. and Mrs. H. W. Hayes, was elected chairman of the board for the ensuing year. It is the first time that this township has been distinguished.

BROOKLYN—After two examinations in justice court at Adrian, Ray Carpenter of Cement City, charged with selling liquor to a member of the state police, Ivan Flanders, has been bound over for trial in circuit court. It has been freely predicted here that on account of the two women that accompanied the policeman in making the purchase that the case would not come to trial, it being inferred that the prosecutor's office in Adrian had reason to keep their identity from becoming known.—Exponent.

MASON—Undernourished children who will return to the Kalamazoo fresh air camp on the high hill four miles east of Mason will hardly recognize the place this year. For the big hill is being transformed into a beauty spot under the direction of Prof. C. P. Halligan of Michigan State college. Prof. Halligan is chairman of the grounds and building committee of the Lansing Kiwanis club, the organization that made possible the establishment of the camp which each year sets scores of undernourished children upon the path to health and vigor.—News.

PINCKNEY—Pinckney will place an independent baseball team in the field again this year. It is planned to use mostly local players. Five members of last year's team will form the nucleus for the team. The season will start about May 17. Several requests for games have already been received.—Dispatch.

FIRE-PROOF?

No building is fire-proof—entirely proof against fire. True; there are fire-resistive buildings. But repeated proofs show the necessity of insuring even that type—the safest type—of building.

Don't resist the prudent thought of carrying adequate insurance on fire-resistive buildings and their contents. It's better to have insurance and not need it than to need it and not have it, isn't it?

Mr. and Mrs. Albert Wiese and little son, and Miss Lucile Washburn of Royal Oak visited their parents, Mr. and Mrs. B. F. Washburn and family over the week-end.

The play "A Minute to Twelve," given at the school auditorium in Grass Lake last Saturday night for the benefit of the Sharon Community church was a success in every way, and the young people taking parts are certainly due a great deal of credit. It is to be repeated in Manchester on Thursday night, April 23, at the Emanuel church hall. Admission 25c for adults and 15c for children under twelve years of age.

Henry Dean spent a day last week with his sister, Mrs. Whitlock in Ann Arbor.

Mr. and Mrs. Roy Davidson and family were Sunday afternoon callers at the home of Mr. and Mrs. Wm. Davidson in Chelsea.

Mr. and Mrs. Cecil Cornwall and Miss Marjorie Kendall of Ypsilanti were Saturday and Sunday visitors at the home of their parents, Mr. and Mrs. Clifford Kendall.

Mrs. Albert Barley of Grass Lake spent Sunday with her parents, Mr. and Mrs. F. C. Ellis.

Mrs. Wilbur Comstock of Manchester spent a day recently with her daughter, Mrs. Reuben Haselswerdt and family.

A Young People's League was organized at the Community church on Sunday, April 19, with election of officers as follows: Pres., Ronald Kendall; vice president, Ethel Raymond; secretary, Menna Esch; treasurer, Donald Davidson. Misses Ruth Washburn and Olga Haselswerdt were elected as the refreshment committee and Miss Ethel Raymond chairman of entertainment committee for this month. Meetings are to be held the first Saturday of each month.

How One Woman Lost 20 Pounds of Fat

LOST HER DOUBLE CHIN
LOST HER PROMINENT HIPS
LOST HER SLUGGISHNESS
Gained Physical Vigor
Gained in Vivaciousness
Gained a Shapely Figure

If you're fat—remove the cause! KRUSCHEN SALTS contain the 6 mineral salts your body organs, hands and nerves should have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw out that waste material—before you realize it—you're growing hideously fat!

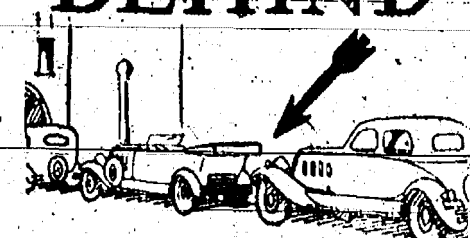

Take half a teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—cut out pastry

and fatty meats—go light on potatoes, butter, cream and sugar—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS at Fenn's Drug Store (lasts 4 weeks). If this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

BEHIND

that car

Danger lurks everywhere for the motorist. Watch carefully for persons darting out from between parked cars, and better—carry Public Liability Insurance with this agency that protects you against any claims for injuries you may unintentionally inflict while driving your car.
