"Out Of The Maelstrom" Coming To Princess

The Herbert J. McKune Post, No. 81 has scheduled the American Legion's film, "Out of the Maelstrom," to be shown at the Princess Theatre, through the courtesy of the managers of the theatre, on Friday and Saturday, May 15 and 16. This two-reel picture, which depicts the lives of the American Legion's small wards at the Otter Lake Children's Bilet, will be shown in addition to the regular show.

The Children's Bilet is located at Otter Lake, Michigan, where Michigan Legionnaires have built a modern hospital and a group of cottages on a 97-acre tract of land. It is home for some eighty children, who otherwise would be having a pretty tough time of it in this world. Some of these children are orphans—children whose fathers, war veterans, and mothers are dead; others are the children of veterans who have run into tough luck. Perhaps the father was left a cripple by the war. The mother, in some cases, is dead; in other cases, the father is dead and the mother unable to support the children.

If one or both parents are alive the Legion does what it can to make it possible for a normal home life to be resumed. Wherever it is possible things are arranged so that the children's stay at Otter Lake can be short, but where both parents are dead, or the home for any other reason is hopelessly shattered—then the Legion sets itself to give the children a break throughout childhood.

INJURED IN FALL

Frank Cate is confined to his home in Sylvan township with injuries received Friday forenoon while engaged in trimming trees at the Levi Palmer farm at Clear Lake. A limb on which he was standing gave way and he fell to the ground, a distance of about 30 feet, suffering a badly injured left ankle and bruises about the face.

ENTERTAINS ALTAR SOCIETY

Mrs. H. E. Canfield was hostess to the members of St. Mary's Altar Society on Thursday evening, the guests including Mrs. Margaret Wilson of Jackson. Honors in "500" were awarded Mrs. Howard Gilbert, Mrs. Katherine Kolb receiving high score in "Bingo." Mrs. W. B. Birch received the attendance prize. Seven tables were in play, and lunch was served after the games.

FLETCHER, MOHRLOCK AND DUNKEL ELECTED AT SPECIAL MEETING

Mohrlock, Is Named Secretary, And Dunkel, Treasurer, At Organization Meeting.

A heated campaign which resulted in the largest attendance at a school election in the history of Chelsea came to a close Tuesday night when almost seven hundred qualified voters were present at the public school auditorium to cast their ballots at the special election called for the purpose of electing three members to the board of education to replace Howard Holmes, John Kalmbach and Fred Broesamle, resigned.

The meeting was called to order by L. P. Vogel, one of the two remaining members and president of the school board. After reading the qualifications necessary to be eligible to vote at the election, Mr. Vogel appointed Dr. Andros Gulde to preside as secretary of the meeting, and tellers named were Howard Brooks, A. E. Winans, D. H. Wurster and Ed. Keusch. O. J. Walworth and Jabez Bacon were named to act as challengers.

Nominations were then called for, and the name of Mrs. J. E. McKune was presented. J. L. Fletcher was nominated as her opponent. The total vote cast for these two candidates was 590, Mrs. McKune receiving 217 and Mr. Fletcher 416, with 27 scattering votes.

The names of D. E. Beach and David Mohrlock were then presented, and 621 votes were cast, of which Mr. Beach received 226 and Mr. Mohrlock 391, 4 scattering.

L. T. Freeman and M. J. Dunkel were candidates in the third balloting. Mr. Freeman receiving 208 and Mr. Dunkel 391, with 4 scattering.

An organization meeting of the new board, which consists of the three members elected Tuesday, George W. Walworth and L. P. Vogel, was held last night, and David Mohrlock was elected secretary and M. J. Dunkel, treasurer, Mr. Vogel retaining the office of president.

Minutes of previous meetings of the former board were approved and action taken at those meetings will be upheld by the new board, according to a statement issued by Mr. Vogel this morning.

Pythian Sisters Hold Annual Convention

The annual Pythian Sisters convention of District No. 8, held Thursday in the Chelsea public school auditorium, was attended by more than 200 representatives from Ann Arbor, Ypsilanti, Plymouth, Milan, Saline, Manchester, Jackson and Brooklyn.

The morning session, which convened at 10 o'clock, was called to order by Minnie Mix, District Deputy Grand Chief of Lapeer, and opened with singing and prayer. Evelyn Smith, of Chelsea Temple, welcomed the visitors, and the response was given by a representative from Brooklyn. This was followed by the introduction of Grand officers and reports of delegates. Vocal solos, "The Little Damozel," and "Sweet Mystery of Life," by Katharine Fletcher, accompanied by Nina Belle Wurster, a reading by Nellie Wright of Plymouth, and a talk about "Sunshine Girls," by Maude Steidle, concluded the morning program.

Dinner was served at 12:30 by the ladies of the Methodist church.

Northville Temple conducted the opening exercises at the afternoon meeting, part of which was open to the public. Memorial services were given by Huron Temple, Ypsilanti, and Draping of the Charter, by Plymouth Temple.

Rose Temple, of Milan, rendered a play "A Good Girl in the Kitchen," which was followed by a public installation by East Side Temple, Jackson. The following numbers were presented by Chelsea Temple, closing the public session:

Selections by the Chelsea High School Band; song, "All the World is Waiting for the Sunrise," by the Girls' Glee Club, Dorothy Miller, accompanist; song and dance, "Gee, But I'd Like to Make You Happy," Margaret Hesseis and Mary Jean Winans, with Eleanor Gilbert, accompanist; solo, "Good-Bye, Sweet Day," Hazel Smith accompanied by Mae Statfan.

Following the intermission, Arbor Temple, of Ann Arbor, exemplified the initiatory ceremonies, which were conferred upon four candidates.

Ballot and Challenge were given by Raisin River Temple, of Manchester. At the close of the session, ice cream and cake were served by the Chelsea ladies. The following Grand officers were in attendance, each of whom was presented with a gift by Josie Johnson, of Chelsea Temple: Louisa Hibbard, Grand Chief, of Ishpeming; Grace Popp, Grand Guard, of Jackson; Maude Steidle, Grand Manager, of Milan; Sadie Price, Grand Senior, of Detroit; Laura Gillette, Press Correspondent, of Ann Arbor; Minnie Mix, District Deputy, of Lapeer; Bertha Lynn, Grand Mistress of R. and C.

The 1932 convention will be held in Milan.

TWILIGHT BALL NEWS

St. Paul's lost to the I. O. O. F. team by a score of 4-3 in the second game of the Twilight Ball League series at Holmes field last Thursday evening. the ceremonies incident to the worship
of Rhea, the mother of gods, in Asia
Minor, prior to the Christian era. The
Greeks and Romans continued it as
the festival of Ilia, which was held
on the Ides of March. This festival
was carried by the Romans into the
Christian church, where the fourth
Sunday in Lent was set aside as a
time for the faithful to visit the
church in which they were baptised—
their mother church. It came to be
known in the Anglican church as
Mothering Sunday, and was a time
when young persons bound out to serv-
ice were allowed to visit their parents.**Do you know.**You can buy a Pontiac, delivered

FORD BRAKES ARE UNUSUALLY EFFECTIVE

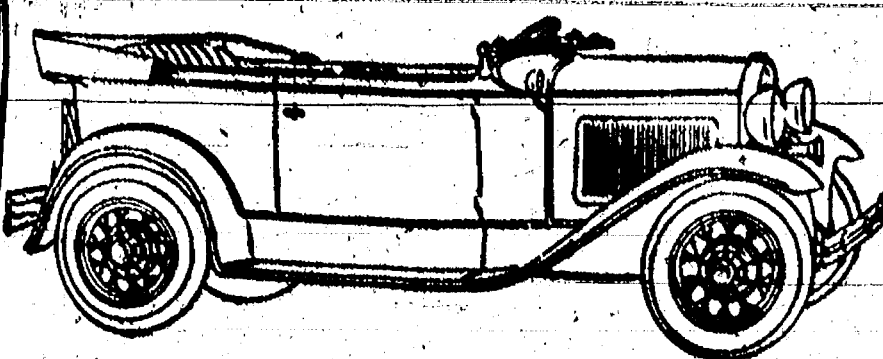

Reliability and safety due to simple design and careful construction

ONE OF the first things you will notice when you drive the Ford is the quick, effective action of its four-wheel brakes.

They are unusually safe and reliable because they are mechanical, internal expanding, with all braking surfaces fully enclosed. This prevents mud, water, sand, etc., from getting between the band and drum and interfering with brake action.

Other outstanding features of the Ford are the Triplex shatter-proof glass windshield, four Houdaille double-acting hydraulic shock absorbers, aluminum pistons, torque-tube drive, more than twenty ball and roller bearings, Rustless Steel, reliability, economy, and long life.

You save when you buy the Ford and you save every mile you drive.

18. When bouillon is served in cups, how should it be eaten?

ANSWERS

1. Yes, and these first calls should be made within ten days. 2. Not unless in an office where relations are exceptionally friendly. 3. Twenty inches. 4. No, except, of course, to her family and close friends. 5. Tea, with thin slices of bread and butter, thin biscuits and cake. 6. Downsiders. If she has no sitting room upstairs. 7. A thick pad of felt. 8. Double-faced cotton flannel. 9. Too great effusiveness and too great abruptness. 10. Yes, it imposes this obligation. 11. The latter method is preferable. 12. No; but he should use good judgment in selecting his ushers, being sure that each can afford the correct attire. 13. Never. 14. No; his place is at the wheel. 15. "Dear Sir" or "Gentlemen." 16. Yes. 17. No; merely so courteous. 18. Within a month. 19. One may drink it or it may be eaten with the spoon.

MASON—Horseshoe pitchers have officially launched the 1931 season. This year a court has been made in the drive on the east side of the court house where the participants and on-lookers can enjoy the afternoon shade. —News.

SALINE—Work has been completed by the steam shovel which was moved away Friday afternoon and the final grading of the school grounds both in front and behind the building is taking place at present. A layer of gravel will be placed on the grounds back of the school so that a good parking lot will be constructed. —Observer.

DUNDEE—Construction bids for the remodeling and extension of the county jail and bids for the sale of \$50,000 in bonds to pay for the building are to be opened and acted upon by the board of supervisors on Monday, June 15, the next regular meeting of the board. If construction bids are under \$50,000 and satisfactory bids for the bonds are received, the actual work may be started within a few days after that time. —Reporter.

FOUND RELIEF; GAINED WEIGHT

Great Medicine Again Triumphs And Is Gratefully Praised By Former Sufferer

Read the experience of Mr. Philip Korbek, 724 N. Eleventh Street, Philadelphia, who says: "I was weak and my muscles were stiff and sore and I had frequent headaches. One bottle of Konjola relieved me and as I continued the treatment my health troubles all disappeared. It has been eleven months since I took this medicine but I am in excellent health today. I heartily recommend this good medicine."

Now read what Mrs. Sarah E. Green, 2910 Reisterstown Road, Baltimore, has to say: "I suffered from stomach trouble for long time. Medicines and treatments did not help and I kept losing weight. I took Konjola for five weeks and during that time gained eleven pounds. I feel as well as I ever did in my life."

MILAN—Nearly everyone realizes that the winter was most unusual and some tell us they are still waiting for winter to come. That it was unusually mild can be understood when the farmers tell us that when they commenced working the ground this spring they find potatoes in the ground that are firm and good, not having been injured in the least by the frosts we experienced. One farmer remarked that in all the years of his farming he had never had a like experience. —Leader.

FIRE-PROOF?

No building is fire-proof—entirely proof against fire. True, there are fire-resistive buildings. But repeated proofs show the necessity of insuring even that type—the safest type—of building.

Don't resist the prudent thought of carrying adequate insurance on fire-resistive buildings and their contents. It's better to have insurance and not need it than to need it and not have it, isn't it?

Chevrolet

has struck a popular new note

in motor-car styling

Chevrolet's front-end ensemble is a fine example of the latest trend in modern design.

Many factors have contributed to the remarkably wide-spread popularity of the new Chevrolet Six. Among these are smooth performance, low price, matchless economy, exceptional riding ease and driving comfort. But no feature has been more strikingly evident in the enthusiastic public reception of the car than its smart new style.

Fisher Body craftsmen, with their background of fine-car designing, have made this new Chevrolet an exceptionally attractive automobile.

Study it from any angle and you find it extremely pleasing. Look at it from the front and you are impressed by the modish ensemble of deep radiator, large headlamps and arched tie bar—all gleaming in rich chromium plate. Viewed from the side, the long hood, low-slung body

lines, sweeping fenders and massive wire wheels strikingly suggest the car's fleetness and power. And the appeal of Chevrolet's beauty is made more pronounced by the fact that all models are available in a variety of colors.

Interiors, too, are unusual in every way. The upholstery is carefully tailored. Seats are roomy, deeply cushioned and invitingly soft. And the interiors are tastefully appointed.

This modern body by Fisher is a symbol of superior body craftsmanship—evident in the low-price field.

In fact, the new Chevrolet Six is such a thoroughly fine-looking automobile that it has become a very popular choice with every type of buyer. You find it not only the smart family car, but the smart personal car as well—a worthy companion to the expensive automobiles of the two- and three-car household.

FARMALL SAVINGS INVESTMENT PLAN

This New Plan Lets Every Responsible Corn Grower Pay for His Farmall with Just a Part of the Savings the Farmall Will Make

ABUNDANT evidence in the form of actual cost records proves that farmers using Farmall tractors and full Farmall equipment are producing corn for from one-half to one-third the government average for farms with similar yields, the average saving amounting to 27½ cents a bushel.

We are so confident that the majority of farmers can get proportionate results with the Farmall that we are announcing the FARMALL SAVINGS INVESTMENT PLAN, under which responsible farmers can purchase a Farmall and Farmall equipment now and meet the first payment this fall with just a part of the savings made possible by the new equipment in the production of their corn crop—with two more years to pay the balance.

Here is an opportunity for you to take advantage of Farmall savings during the bal-

ance of the corn growing and harvesting season—planting from 20 to 45 acres a day and cultivating 30 to 65 acres a day with 2- or 4-row equipment—and be ready next year to make the maximum saving throughout the entire year. And don't overlook the extra savings you will make in the handling of your hay, grain, and all other crops requiring power.

Every one of these jobs can be done faster and at lower costs with a Farmall and Farmall equipment, effecting substantial savings on every crop. Yet all you pay is part of the savings made on the corn alone as a first payment this fall.

See your McCormick-Deering dealer for full details of the FARMALL SAVINGS INVESTMENT PLAN. A convincing demonstration of the Farmall and reasonable equipment will be made on your own farm on request.
