Frank Abdon Suffers Injuries While Hunting

Frank Abdon, of Railroad street, was seriously injured Tuesday forenoon while hunting in the woods on the McGuire estate northeast of Chelsea, in Lima township.

Mr. Abdon was apparently looking up in the trees when he stumbled and fell, striking on his face and injuring his back so that he was unable to rise. The accident happened about 11 o'clock and he was not discovered until four, when Christ McGuire noticed Abdon's dog running back and forth, and followed him into the woods.

An ambulance was called and Mr. Abdon was taken to St. Joseph's Mercy hospital, Ann Arbor, where he was found to have sustained a fractured pelvis and fractured ribs. He was reported as resting comfortably today.

Kiwanis Speaker Tells Of Russian Conditions

Leonard B. Orloff, of Island Lake and Detroit, addressed the local Kiwanis club at their Monday evening meeting, held in Kolb's hall. Mr. Orloff chose for his subject "Capitalism vs. Communism."

A native of Russia, Mr. Orloff has made a life study of economic and political conditions confronting the world and is an accepted authority on the subject upon which he spoke. He left the land of his nativity when he was twenty-four years of age and came to Ann Arbor, where he was graduated from the University of Michigan a few years later.

During the past few years Mr. Orloff has traveled extensively and visited Russia three years ago. At that time he spent several months observing conditions in that country. He stated that millions of common people there are just as destitute as they were at the time he came to America and that conditions are not as pictured by so-called "coo-coo birds" who spend a few weeks there as guests of the government and are shown only the bright spots of the country's development.

The speaker stated that the poor classes are forced to eat nothing more than black bread, soup and tea, preserving the goods that can be exported to other countries, the aristocracy reaping all of the benefits, leaving nothing for the ones who do the real producing.

Mr. Orloff is forceful in his condemnation of Communism, frequently appearing in public debates against this menace in Detroit and other cities. He maintains, however, that our system of capitalism is not without serious shortcomings, and that this country must awaken and face the present crisis with some constructive program of government reform.

TO RESUME EUCHE PARTIES

JOINT BOARD MEETING

A joint meeting of the township boards of Sylvan and Shanon will be held in the schoolhouse, District No. 5 fr., Sylvan and Sharon, at 7:30 o'clock Friday evening, October 30. The purpose of the meeting is to transfer the south half of the southwest one-quarter of section 32, Sylvan, consisting of 80 acres owned by Oscar Widmayer, from school district No. 5 fr. to school district No. 6 fr., Sylvan and Grass Lake. The meeting is called for the purpose of acting on the petition of Mr. Widmayer, requesting that such transfer be made.

American Legion Plans Celebration

Plans are being formulated by the local American Legion for a big celebration in Chelsea on Armistice Day, November 11. Arrangements are being made for a mammoth parade in the afternoon, and very business place is invited to enter a float. The High School Band will lead the parade and perhaps another band will appear in the line of march. A prize of \$5.00 will be given for the best float appearing in the event, with a second prize of \$2.50.

The exact time for the parade has not been announced, but full information will be given at a later date. A public supper will be served at the public school auditorium from 5 o'clock to 7:30. Legion men, their wives and families will prepare and serve the supper. Beginning at 9 o'clock one of the biggest and best dances ever staged in Chelsea will be held, with extra good music.

As a result of an Act passed by the last legislature Armistice Day is now a legal holiday in Michigan and it is expected that practically all business will be suspended, during the afternoon and evening at least. This holiday is perhaps the most significant of all patriotic holidays to the present generation, and its observance should be granted in honoring the men who so faithfully served their country.

Two People Injured In Nearby Accidents

A car driven by V. Hine of Ann Arbor was crowded off the US-12 pavement near Fletcher road about one o'clock Saturday morning and struck a telephone pole. Miss Catherine Fohey, also of Ann Arbor, a passenger in the car, suffered a fractured thigh. After receiving first aid at the office of a local physician, she was taken to St. Joseph's hospital, Ann Arbor.

Peter Nelson of Galesburg, Ill., suffered painful facial injuries about 10 o'clock Tuesday morning when the car in which he was riding, driven by his daughter-in-law, Mrs. Mackinder of Jackson, collided with a car driven by Geo. Beutler of Sharon at the intersection of Wilkenson street and US-12. After receiving treatment at the office of a local physician, Nelson and his daughter-in-law proceeded on their way to Ann Arbor. Beutler's car was badly damaged.

Numerous Thefts Are Reported By Farmers

Numerous complaints are being made by farmers in this vicinity who state that no respect for the privacy of their premises is being shown by people from cities and towns who insist on helping themselves to whatever seems to be loose about the farms.

Although this condition has existed to some extent for many years, it is stated that the practice is becoming more general and that some step must be taken to protect the rural properties. Reports being made are of the theft of nuts, apples, vegetables, chickens and other fowls, and even hogs and cattle are being killed and taken in raids throughout the country.

"What can be done about it?" is the question that is in the mind of every farmer who has been molested in this way. A plan which has been suggested and which would no doubt aid would be the deputizing of every land owner so far as protection of his own premises is concerned. Arrests could be made when the culprits are apprehended and prosecution should be fast and severe for anyone resorting to such a means of livelihood.

The land of the farmer should be considered, and is, just as much private property as any place of business in town and anyone who has the idea this is not true should be taught the lesson that he deserves.

Poultry Questions Will Be Discussed

Through the cooperation of H. S. Osler, County Agricultural Agent, and Klager Hatchery of Bridgewater, a meeting will be held at the hatchery Friday morning, October 23, at which time questions of poultry disease control will be discussed.

J. A. Hannah, poultry department, Michigan State College, will be present at the meeting. Mr. Hannah is said to be the best posted poultry authority in Michigan, and everyone interested in the problems regarding raising of poultry are invited to attend the meeting.

MRS. GIESKE HONORED

Mrs. Katherine Gieske was pleasantly surprised Wednesday afternoon when about 75 neighbors and friends gathered at her home in North Francisco for a party in honor of her 76th birthday anniversary. The guests included members of the Salem Methodist church and also the Rebekah lodge of Chelsea. With Mrs. George Heydlauff presiding as toastmistress, the following program was given:

Community singing, led by Rev. Henry Lenz, with Mrs. P. M. Broesamle at the organ.

Reminiscences by Mrs. Mary V. Depew, Miss Elizabeth Depew, and Mrs. P. H. Riemenschneider.

Reading—"The Prodigal Son"—Mrs. J. Nelson Dancer.

Musical selections by Mrs. Broesamle.

Reading—"The Model Church"—Mrs. Helen Schatz.

Following the program, Rev. Lenz, in behalf of the assembled guests, presented Mrs. Gieske with a purse of money as a souvenir of the occasion.

Mrs. Gieske responded, relating many interesting anecdotes of bygone years. A delicious pot luck supper was served.

RECEIVES APPOINTMENT

E. E. Brown of Ann Arbor, former publisher of The Standard, was chosen chairman of the county-wide unemployment committee which was organized last week at a meeting held in Ann Arbor for that purpose. Mayors of cities, presidents of villages and the county board of supervisors were present at the meeting. Supervisors will represent their respective townships on this committee.

Nothing less

can give you
built-in
smoothness

CHEVROLET The whole question was settled long ago—as to how many cylinders it takes in a motor car engine to give satisfactory smoothness. Science definitely established the fact that at least six are necessary. And today, the public accepts the multi-cylinder engine in the same way that it accepts 4-wheel brakes, parallel-mounted springs and every other principle of proved and acknowledged superiority. Everybody knows that nothing less than a six can give you built-in smoothness.

Today, six-cylinder smoothness is within reach of every new car buyer. For Chevrolet has produced a quality car, powered it with a firmly-mounted six-cylinder motor—engineered it to run with unsurpassed economy—and priced it down among the very lowest-priced cars in the market.

Our Brother's Keeper

(Los Angeles Times)

This period through which the world is struggling is more than an economic crisis. It involves more than a study of strategic plans to ambuscade the dollars which fled.

Humanity itself is on trial. The civilization which we have evolved is undergoing the supreme test.

If there is such a thing as brotherhood among men, now is the time to show it.

Drunk with wealth, we have strayed a long way from the fundamental and eternal truth. We have been living in a house stuck upon golden stilts. And it has crashed.

In our agony and suffering we have discovered that Jesus Christ meant what he said. The Golden Rule was not a pleasant homily intended for reward-of-merit cards with silk fringe on the edges and diamond dust shining on the snow scenes. It was a simple statement of the eternal law, the same law that keeps the stars in the skies and the world turning on its axis.

We speak of breaking the law and commandments. You can break them; but they break you. "Love-one-another" was more than an admonition to light the path of virtue. It was the statement of an eternal principle upon which all law, all philosophy, all business, all ethics, all civilization rests. Like all the doctrines left by the Christ, this was the sublimity of common sense—the finality of practicality—the only sure foundation upon which civilization can rest.

During these money-glutted years we have tried each to go our own way

alone. Years of greed and money lust have ended with this terrible lesson: That wealth evaporates and leaves men stark and with naked hearts.

It is for us to see that this terrible rebuke has not been in vain. For us to see that we rebuild the fallen structure on the rock of brotherhood. This winter will be a period that calls for all men to have fortitude, strength and sympathy. It is, for once, clear to the dullest mind that we can only help ourselves by helping others.

Out of this period of re-adjustment we can regain our souls. It can be a better world because of this period of hunger and sorrow—a stronger America and a sounder civilization if it brings to us a realization we are given the privilege of being our brother's keeper.

The remedy for our financial crisis lies not in laws, federal commissions, in panics or financial errors.

The sound and practical answer was told two thousand years ago in a sermon spoken on a mountain in Palestine.

Miss Dorothy Rapp, a teacher in a Jackson school, was a dinner guest of Dr. and Mrs. Balmer and their daughter, Mrs. Colegrove, on Sunday.

Mr. and Mrs. T. V. Coughlin and son, Miss Ellen Atwell and C. F. Atwell, all of Holloway, were visiting Miss Esther Fish, Sunday.

Miss May Collins, Mrs. B. O. Corbett and Harold Porter of Blissfield were Sunday-callers of Miss Esther Fish.

Saturday afternoon the Home enjoyed a visit from two old time friends, Dr. Edward Ninde and his sister, Mrs. Mary Ninde Gamwell, son and daughter of the late Bishop Wm. X. Ninde. Dr. Ninde will be remembered as a former pastor of our Ann Arbor Methodist church, immediately preceding the 25 year pastorate of the late Dr. Arthur W. Stalker. Mrs. Gamwell was for many years with her husband, a missionary in China. They were there during the Boxer movement and were among the heroic leaders who helped protect the missionaries from the death-dealing wrath of the native uprising. Dr. Ninde and Mrs. Gamwell were on a leisurely trip through Michigan, revisiting the friends and scenes of other days. The entire Ninde family have always been interested in the welfare of our Home family.

Mrs. Atwood McAndrew and daughter, Miss Mary Alice, accompanied by Miss Shultes and Miss Emma Miner, all of Ypsilanti, were guests of Mrs. Brabb and Miss Brown on Thursday, also calling on Mrs. Chapin, Mrs. Robtoy and Mrs. Neff.

On Saturday, Mr. and Mrs. E. B. Reed and Mrs. Ella Baldwin were supper guests of Mrs. Brabb and Miss Brown, honoring Mrs. Reed for her birthday anniversary.

Mrs. Gorton is in receipt of a recent letter from her granddaughter, Miss Frances Gorton, remembered as our round-the-world correspondent. She is now in Milan, Italy, and is charmed with its beauty but, of all the cities visited by the troop, Berlin is counted as the finest, their reception throughout Germany having been especially enjoyable and notable.

Members of the Home family are supposed to be staid and steadfast, but sometimes the lure of the world leads them to the unusual and such was the recent experience of Mrs. Margaret Bliss. She was a guest of her grandson, H. J. Bliss, in Akron, Ohio and, because of his connection with the construction of the great S. S. Akron, she was privileged to witness the taking off of the ship, for one of its test flights, and its return to the mooring post, also sailing away herself, to 1000 feet above the ground in a "Blimp", one of the smaller

craft, owned and operated by the same company for such service, as only "men" are admitted inside the giant airship.

True to their flower-loving nature, many women of the Home take over plots of ground for their cultivation. Some are enthusiastic in springtime, but lose out and give up to the weeds later on. Not so with Mrs. McGregor, who has a fine display of blooms for all the season in her allotted portion, on the circular driveway. Her supply is so large that she furnishes bouquets for inside decoration.

Another equally zealous care-taker is Miss Bidwell, on another portion, whose flowers have delighted beholders in their profusion. Miss Daniels has her allotment along the same drive. Mrs. Snowden and Miss Dell have taken pride in a large basket-shaped receptacle for vines and flowers, in the rear of the building.

A giant castor bean, about 12 ft. in height, with leaves measuring 2 ft. across, and heavy spikes of blooms and seed pods, has attracted much attention, the seed coming from California and this tropical plant the especial pride and care of Mr. Reed who, 2 years ago, brought a root of the great bamboo that furnishes the well known fishing poles, from Lowell, Mass., which is making a fine growth and showing a real novelty in its profusion of bloom.

Besides these and other recent additions to the grounds, the six porches and even the "hurricane deck" have a fine display of hanging baskets, climbing vines and flower boxes, in all their summer glory, being cared for by others of the family.

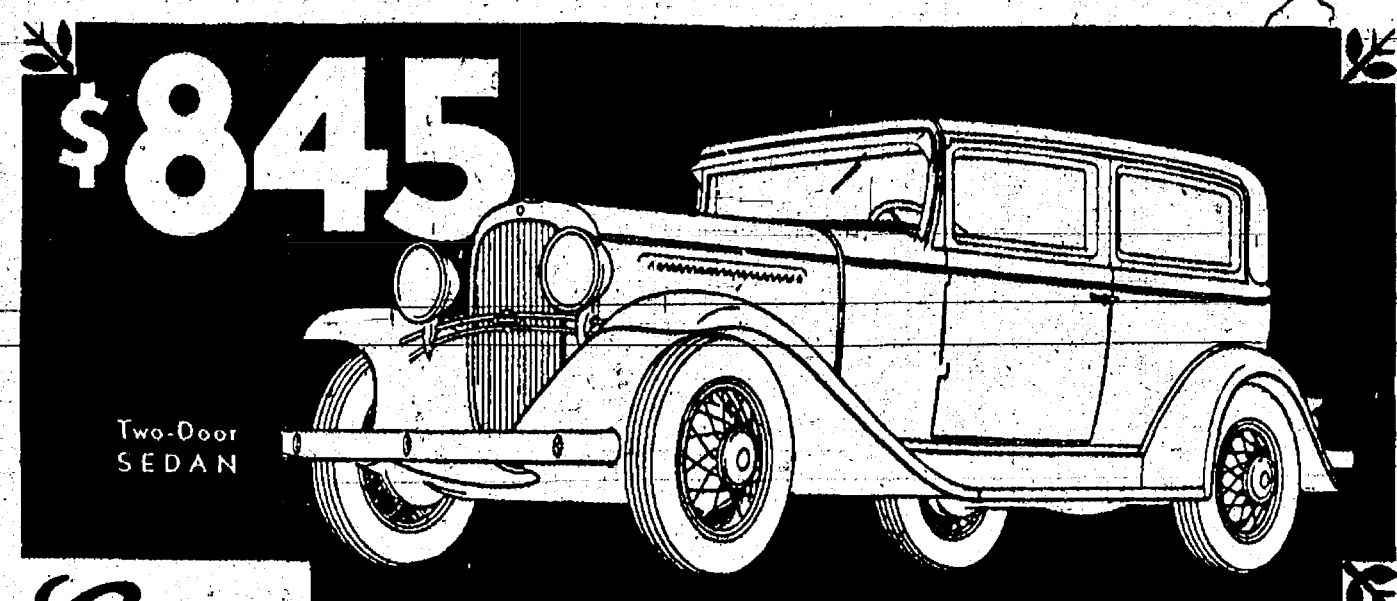

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment." Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast—an 85 cent bottle lasts 4 weeks—you can get Kruschen at Henry H. Fenn's Drug Store, Burg's Corner Drug Store—or any drug store in America. If not joyfully satisfied after the first bottle—money back. Adv.

BROOKLYN—Charles Foltz and several other farmers in this locality have lost cows from turning them in to eat fresh fall feed. Something about the new growth causes them to bloat with a form of indigestion, and the amount the animals can safely consume is hard to estimate.—Exponent.

MASON—A badger, weighing about thirty-five pounds, was killed by an automobile last Thursday night on the trunk line between Mason and Holt. The badger, once common in this section, is now nearly exterminated and the specimen killed last week is the first one seen near Mason in several years.—News.

PINCKNEY—Earl Baughn is all "hot" up over this early season hunting. Some miscreant with a gun shot and killed five of his choice turkeys for him Sunday which he was fixing to raffle in the fall. Now it is liable to be just too bad if Dutch catches anyone hunting on his farm without permission.—Dispatch.

Conservation Dept. Asks For Information

Lansing, Oct. 21.—In order to have as long and frequent open seasons on partridge, prairie chickens and pheasants as the supply will justify, it is essential that the Department of Conservation be informed as to local game conditions and the success of hunters in each part of the State.

This is the reason the Department is asking hunters to fill out "bird tally cards" which have been distributed through the field officers.

These cards, which may be obtained from any conservation officer and from many of the Department's license agents, ask hunters for information as to the county in which they hunted, the number of hours of hunting each day, the number of birds seen, and the birds bagged. The record of birds seen is considered by the Department to be more important than the number of birds bagged, since it represents the hunter's opportunities.

Last year several hundred of these cards were returned to the Game Division of the Department at Lansing and much valuable information was given.

If one of the regular tally cards is not available the Department would like to have each bird hunter send a letter giving information about his hunting.

TOM W. MINGAY

Tom W. Mingay, retired printer and newspaper publisher, passed away at his home on East Shawnee street, Tecumseh, at 12:20 o'clock Thursday morning, October 15. His death was the result of a complication of diseases.

Mr. Mingay was born in Shepreth, England, removing with his parents to Stratford, Canada, at the age of 14 years. A year later he entered

the employ of a printing establishment there. In 1878 he was united in marriage to Miss Mary Dugan of Bowmanville, Ontario. In the same year he entered the newspaper business in Bowmanville, publishing his own newspaper in that city.

In 1881, Mr. Mingay came to Michigan and published a newspaper at Flint, later in Ann Arbor and Chelsea. In 1908 the publisher came to Tecumseh, purchasing The Tecumseh News from O. E. Hawkins. Later this newspaper was sold to Frank S. Turner, then the publisher of The Tecumseh Herald, and it was merged with the latter newspaper.

After retiring from the newspaper business, Mr. Mingay operated a commercial printing establishment on South Ottawa street until last January when his health forced him to retire from active business.

Mr. Mingay was one of the best known publishers and printers in southern Michigan, his long association with the newspaper and printing business winning him a wide circle of friends.

Mr. Mingay was a member of Tecumseh Lodge No. 69, F. & A. M., of Tecumseh Chapter, O. E. S., and also of the Knights of Pythias. He was a devoted member of St. Peter's Episcopal church.

He is survived by the widow, one daughter, Mrs. S. C. Taylor of Sault Ste. Marie, one brother, Fred G. Mingay of Stratford, Ontario, and one sister, Mrs. T. P. Charlton of Toronto, Canada.

The funeral was held Saturday afternoon under Masonic auspices. Burial in Tecumseh—Tecumseh Herald.

SCHOOL NOTES

By J. Dancer

Chapel was held Monday morning of this week instead of Tuesday in order that the student body might hear President Hoover, the occasion being the 160th anniversary of the surrender of Cornwallis.

It will be remembered that at Yorktown Lafayette surrounded Cornwallis on the south, Washington on the north and French vessels on the sea prevented the British from aiding Cornwallis so that he was forced to surrender.

In President Hoover's address he made the statement that Yorktown was not so much a victory over the British as it was a step towards the preservation and advancement of liberty and democracy. In other words it was just another step from Magna Charter. This was not only a step towards the advancement of liberty and democracy but it prepared the way for the government of the people, by the people and for the people. New institutions, new ideas and human relationships have been developed. We must remember that our forefathers met and mastered many obstacles. This should be a lesson to all of us that we must have faith, hope and confidence for the future. Hoover carried the statement further by saying that America's greatness is not due to her wealth but to the liberation of man's mind and the spirit of man springing forth into action.

Among those present on the stage with President Hoover were General Pershing and Marshal Petains. Among the listeners were many notable people from all parts of the world.

At the close of President Hoover's address the band played "America." Every school in the U. S. that had radios listened in on the occasion. We closed our Chapel period by singing "America."

What Do They Mean "Extra"

So many other gasolines are "Extra" this or "Extra" something else that sometimes we wonder whether we shouldn't use some fancy phrases ourselves.

And then we realize that all of the things that they call "Extra" are the very things which we consider essential to a really fine gasoline. To describe Dixie in their terms we'd have to tell you that it is "Extra" Gasoline.

We'd rather say it is good—and let you find the extras.

Re-Creation

The note of pleading which runs through all human experience is that which calls for rest. Rest is not a physical matter alone. In the greater sense rest is a mental, social and spiritual matter. It means adjustment to the realities of life.

Jesus appealed to tired people to find rest in Him. Re-creation is found in opening the whole life in the radiance of idealism and consecrating the entire man at the Cross. Worship is the best cure for tired nerves and fatigued minds ever given to the world. The wise man includes it in his plans for balanced, purposive living.
