

FOR POULTRY WORMS

Dr. Hess VERMITROL is a flock treatment given in the feed. It will not throw pullets or hens off egg production, nor cause setbacks to younger birds. It is ideal for this twice-a-year program.

Eastern Star Plans Production 'Wake Up'

Chelsea's Olive Chapter, No. 108, O. E. S. is sponsoring a community "home talent" play "Wake Up", at the high school auditorium Thursday and Friday nights, November 19 and 20.

"Wake Up" is a three act production, featuring girls' choruses and opening with a children's pageant. The "Blushing Beauty" chorus, another feature, will be made up of business men appearing in the roles of their favorite screen stars. The committees of the Eastern Star and the director of the Alverkeith Producing Company have been busy choosing a splendid cast and rehearsals are in progress daily at the hall furnished through the courtesy of Wm. Kolb, with prospects of one of the most successful presentations of local talent ever given in Chelsea.

Some of the leading characters will be played by the following popular members of the community:
Jack Weber Keith Stone
Mrs. Dorothy Lück, Virginia Stevens
Jay Weinberg Richard Croud
Madeleine Bolore Nancy Dupe
Rev. Albert E. Potts H. H. Doud
Austin Faist Henry Horatio Andrew Jackson.

Donald Adam Bill Flynn
Mrs. Helen Plankell Mrs. Jones
F. E. Storms McDonald
George Atkinson Jake
Donald Dancer Mr. Gregory
Mrs. Marie Shaver Mrs. Gregory
Florence Yager Mrs. Cummings

Watch the next issue of The Chelsea Standard for a complete cast of characters and specialties.

Chelsea High Squad Leads Huron League

By High School Scribe
Chelsea again seems certain to win the Huron Valley League football championship, because of their smashing victory over Roosevelt High of Ypsilanti. The Chelsea griders have one more game to play which, if they win, will make them the Huron Valley champs for the second consecutive year.

Displaying a powerful attack in two fast backs and a hard working line, Chelsea scored 25 points, holding Roosevelt to 2 points. These 2 points were the first points scored against Chelsea in two years by a league opponent, which came as the result of a Roosevelt fumble recovered by Chelsea behind their own goal in the last quarter.

The first touchdown came in the middle of the first period on a plunge through center by Schneider, scoring ace of the league. The attempt to convert the point was unsuccessful.

The second touchdown came early in the second quarter as a result of a Roosevelt fumble recovered by Chelsea, and an end run of 18 yards by McLaughlin, speedy back and runner-up to Schneider in league scoring. Another fumble by Roosevelt and a scoring march with Schneider scoring just before the half ended.

In the second half an intercepted pass by Chelsea paved the way for the final touchdown which was scored on a short pass, Kern to Schneider. This time Chelsea was successful in the attempt for the extra point.

In the last quarter Roosevelt fumbled near Chelsea's goal and Chelsea recovered behind the goal, giving Roosevelt their two points. Final score was 25 to 2. This victory was the fourth straight in the league for Chelsea and the first defeat for Roosevelt in four starts.

Line-up:
Roosevelt Chelsea
Walton LE Keezer
Moore LT J. Panarites
McFarlane LG Hutzel
McKenny C Adam
McCalla RG Lixey
Zimmerman RT W. Seitz
Burke RE Ellsworth
Greenstreet QB Kern
Lyons LH McLaughlin
Johnson RH Mayer
Stump FB Schneider

Score by quarters:
Roosevelt 0 0 0 2-2
Chelsea 6 12 7 0-25
Substitutions: Roosevelt: Blair for McFarlane. Chelsea: Bycraft for Keezer; J. Seitz for W. Seitz; Niehaus for J. Panarites; N. Panarites for Lixey; West for Kern; Novess for Mayer.
Touchdowns: Schneider 3, McLaughlin. Point after touchdown: Schneider (place kick). Safety: Kern.
Referee: Drake (M. S. N. C.). Umpire: Rabe (Georgetown, Ky.)

Next Friday Chelsea will journey to Saline for the final game of the season. If they defeat Saline it will mean the Huron Valley League championship for the Purple and Gold.

LOCAL WOMAN HONORED
At the meeting of the Washenaw County Association, O. E. S., held in Ann Arbor on Tuesday, Mrs. Clarence McBride was elected 2nd vice-president of the Association.

ARMISTICE CELEBRATION OUTSTANDING SUCCESS

Celebration of Armistice Day in Chelsea without a doubt equalled, or perhaps eclipsed, any event of its kind ever attempted in this village. Many hundreds of people from this community and surrounding towns gathered to witness the events which had been so carefully planned by the American Legion for the celebration.

A football game between Harold Spaulding's Independents and Manchester Independents opened the afternoon events at 1:30. A large crowd gathered to witness the game, which resulted in victory for Chelsea, 19 to 0. An especially interesting feature of this event was the Manchester Rube Band, which led their home team onto the field in pompous style.

Promptly at 3:30 the big parade started from the public school. And what a parade! A total of 54 floats, 4 private and 45 business displays, were entered in the line of march, in addition to the Chelsea High School Band, beautifully outfitted in their new uniforms of purple and gold, and the Manchester Rube Band.

Five judges, majestically mounted on a stand at the corner of Park and Main streets, reviewed the parade, and selected the prize-winning floats, both in the business and private class. Many of the floats were so luxuriously decorated that it was difficult to select the winners, according to the judges, and which opinion would be agreed to by all who saw the display.

Weinberg's Dairy won first prize in the business class, with a truck featuring their dairy products, even one of their prize Jersey herd, Jones Garage, with a float representing a traveling cruiser named "Memories" won second prize in this class. The float was mounted on an Essex coach. These two prizes were awarded by the Legion.

St. Mary's school was awarded the blanket donated by the Chelsea Standard for the best private float. This patriotic float portrayed the United States soldiers, sailors, Red Cross, and Columbia. The all-white float of the school carried a gold eagle, the U. S. emblem.

Mrs. H. E. Canfield, Mrs. A. L. Steger, Conrad Lehman, D. Edw. Beach and J. E. McKane presided as judges. Winners were announced following the supper.

Assisted by the Ladies' Auxiliary and Wm. Kolb, Mess Sergeant, the Legion men served a sumptuous supper to four hundred people at the public school auditorium, serving from 5 to 7 o'clock. Twenty-five prizes, donated by the Chelsea Milling Company, were distributed to holders of lucky numbers following the supper hour.

The final event on the day's program was a dance, from 8:30 to 12, when a large crowd gathered to enjoy the closing of a truly great day of celebration for Chelsea.

Sincere appreciation is extended by the Legion to all who so willingly cooperated in making all of the events such a decided success. Especially do they thank the board of education for the loan of the football suits and use of the auditorium, and to Manchester for their neighborliness in doing their bit toward the success of the occasion.

Fire Siren Will Not Warn Of Rural Fires

Due to the confusion that has resulted in the sounding of fire alarms here, orders have been issued by village officials to the effect that the siren will not be sounded for country fires. Upon advice from the fire chief or village president, the fire department will be sent to the rural districts when called. Inasmuch as only three firemen are sent on country calls, these men can be quickly notified.

Therefore, the following rules will be in effect:
One long blast of the siren denotes a fire in the business section.
One long and one short blast for Ward 1—The district east of Main St. and north of Park St.
One long and two short blasts for Ward 2—District east of Main and south of Park.
One long and three short blasts for Ward 3—District west of Main and south of South St.
One long and four short blasts for Ward 4—District west of Main and north of South St.

ISSUE DEER LICENSES

Deer hunting licenses have been issued by Merkel Bros. to the following men, who will leave within the next few days for northern camps for the deer hunting season which opens on November 15: Stanley Miller, Brewster H. Shay, August Tirb, Wilber Hat, Lester Hat, Alvin Hat, Rev. M. W. Brueckner, Ralph Wood, Ray Yocum, Ulysses Alvord, Roy Alvord, Nelson Peterson, Geo. Zeob, Harold Conk.

Court Of Honor Held By Local Boy Scouts

A board of review and court of honor of Troop 1, Chelsea Boy Scouts, was held last Thursday evening in the public school auditorium.

About 45 witnessed the program, the main feature of which was the awarding of Scout badges and honors by the court of review: Rev. Albert E. Potts, Dr. Andros Gulde, A. K. Richards and M. H. McGaffigan.

The singing of "America" opened the program, followed by the Scout oath and a group of Scout songs. Scout Executive Wallace F. Watt, head of the Washtenaw Council, gave a short address, on the "Development of Scouting," complimenting the boys on their work during the year. The eagle rank, the highest rank of scouting, was awarded Andros Gulde, Jr., of Chelsea, and Edward Hicks of Dexter. Foster Beissel, senior patrol leader, received the Gold Palm. These awards will be presented by the National Council of Scouts.

Merit badges for first class scouts were awarded Kenneth Gilbert, Paul Rogers, Charles, James and Nicholas Panarites. Andros Gulde and Manning Richards received five merit badges, having completed three months of satisfactory service. John Brunner, Nick Panarites, Manning Richards, Bennie Bacon, Glenwood Novess, Charles Panarites, Herbert Wallace and James Panarites each received stars. Kenneth Gilbert received a life scout badge.

New candidates were: Tenderfoot, Kenneth Allshaus; second class, Royal McBride and Frederick Strieter.

Moving pictures showing scout activities at Camp Newkirk, were shown at the close of the program. Saturday, November 14, is "Scout Day" at the Michigan stadium, when all registered scouts will be admitted free, whether in uniform or not, to the Michigan State University of Michigan football game. Groups not ushering should plan to arrive at the stadium not earlier than one o'clock, while those ushering will receive passes at the Baptist church, where they will eat dinner at 10:45.

Following the game there will be a big swim at the Intramural pool, and at 7 o'clock a most interesting program has been planned for the annual Camp Newkirk reunion, which will be held at the Ann Arbor high school.

An investiture by Troop 39 of Jackson, movie comedies, presentation of camp emblems, stunts and camp songs, will keep the scouts, parents and friends intensely interested until the close which will be about 9:00 o'clock, in order that boys may be home at a reasonable hour.

Red Cross Campaign Opened In Chelsea

The local Red Cross campaign opened on Armistice Day and will continue until Thanksgiving Day. On Saturday of this week young ladies will be stationed in both banks and in the postoffice to receive memberships.

Attendants will be on duty at Firemen's hall on Saturday to receive donations of clothing which the local chapter of the Red Cross needs to carry on their work among needy of the community this winter. Many requests for aid are being received daily and it is hoped there will be a good response in the way of apparel donations.

For the benefit of those who may not be solicited for membership in the Red Cross on Saturday, a blank form is printed below so that anyone desiring to do so may mail their subscription to Mrs. A. L. Steger.

Mr. and Mrs. Herbert A. Earle of Bloomfield Hills visited their aunt, Mrs. Emma Rowe, Wednesday afternoon.

Dr. and Mrs. W. J. Palmer are planning a trip to Port Huron to visit their daughter and family. They expect to go on Wednesday and may spend a few days. This pleasant weather attracts them and they want to take advantage of it while it lasts.

Mrs. Mary Dillon of Hudson spent Saturday with Mrs. Carrie Gowing. Mrs. Gowing spent her spare time decorating and improving all kinds of cards for the children of the Mission schools in Burma and Mrs. Dillon brought her quite a selection for her work. Mrs. Gowing will be very thankful for a supply from anyone.

Rev. and Mrs. W. M. Ward of St. Clair were visitors Tuesday. They have a son in the hospital at Ann Arbor with a broken back and they were visiting him and made this visit in their itinerary.

Conrad Turrell of Romeo and Hamilton Magahay of Utica called on the

members from those two places on Tuesday. Rev. and Mrs. Joseph Blackmore of Washington called Thursday on the members of the Home from Washington and Davis.

John Lowe is in Detroit trying to get relief for his dislocated shoulder. He is hoping that he will succeed. Meadmore J. O. L. Spracklin and H. C. Eastman of Midland were callers of Mrs. Addie Cook and Mrs. Emma Bedan on Monday.

Mrs. S. A. Danson entertained her grandson and wife, Mr. and Mrs. Milford Danson, Monday afternoon. They found their grandmother in poor health.

Mrs. E. R. Reed enjoyed a call Sunday from her nephew, Russel D. Palmer of Saginaw.

Mrs. Hollapater received a visit from her daughter, and husband, Mr. and Mrs. L. H. Martin of Flat Rock.

Mrs. Frances Robtoy's guests Sunday were Mr. and Mrs. J. A. Carr and two children, Mrs. F. H. Ellis and Miss Margaret Valler, all of Detroit.

George Hunt entertained a grand nephew Saturday, William Brown, of Iron Mountain. He is taking a course in the Kalamazoo Normal school. Mrs. Margaret Bliss has been indisposed the past few days and is under Dr. Palmer's care.

Mr. and Mrs. George E. Curtis of Ionia were visitors of friends in the Home on Wednesday. They were accompanied by Mrs. K. F. Clary of Lansing.

Mr. and Mrs. Manley Brown and Mr. and Mrs. W. C. Gregg, both of Hillsdale were guests of Miss Minnie Spence on Wednesday.

Mrs. M. E. Austin and daughter, Miss Roberta Austin of Detroit enjoyed a short visit with Mrs. S. A. Danson, Sunday.

Miss Cordeja Emmons is sampling some of the doctor's bitter medicines these days. Hope the bitter doses will prove effective.

Mrs. Albert Winchell, Mrs. Reeve and daughter, Miss Florence Reeve of Jackson visited with their sister, Mrs. Addie Cook.

Mrs. Susan Danson entertained her grandson and wife, Mr. and Mrs. Milford Danson, Monday afternoon. They were accompanied by Miss Mary Zurawic, all of Detroit.

Mrs. Willard Drake has not improved any the past week and is still under the doctor's care.

Fage Guldbrandson and Mrs. Jennie Pierce of Ann Arbor were inspecting

the Home Sunday. They expressed much satisfaction with all they saw and learned.

Mrs. Mead entertained her son Franklin from Albion, Friday.

Word received the past week from Mrs. Gilchriese gives the particulars of a serious acute accident in which her only granddaughter received serious injuries to her head, scalp and eyes. It required 38 stitches by the surgeon to close the wounds. A party of three (one gentleman and two young ladies). The other lady has since died. Mrs. Gilchriese's granddaughter at last reports was improving. As a result of the accident Mrs. Gilchriese has abandoned her contemplated winter trip to Honolulu. The sympathy of the whole family is extended to Mrs. G. as the result of the affliction to her kin.

TWENTY-FOUR YEARS AGO

Question And Answer Dept.

Ques.—How did Moses get out? And why was he there?

Ans.—At the time of Moses' birth the Hebrews were residents of Egypt, where they were oppressed under the laws of Pharaoh. An edict proclaimed by Pharaoh required that the Hebrew children of the male sex should be executed at birth, and to save his life Moses' mother placed him in a basket of bulrushes and hid him among the bushes of the Nile, where he was cared for by his sister Miriam. When the king's daughter, Thermuthis, came to the river to bathe, she found the child in the basket, and being impressed by his beauty caused him to be taken to the king's palace and adopted as her son. Moses' mother, Jochebed, was appointed as his nurse, and he was educated in the princely rank for the priesthood.

Ques.—Can you tell me in your Query and Answer column at what period of time did the Mound-builders die? Also what became of them?

Ans.—Not much can be learned about the Mound-builders. Students of antiquity attribute their existence from about 1000 B. C. to the beginning of the Christian era. Strong evidence has been advanced to support the theory that they were exterminated by savage tribes of the American Indians.

Ques.—I want to ask you if there are any presidents buried in Arlington National Cemetery?

Ans.—Only one president is buried at Arlington National Cemetery—William Howard Taft.

Ques.—I am curious to know if the English walnuts originated in England? If not, why are they called "English walnuts"?

Ans.—They did not originate in England. The English walnut was found in Asia in ancient times and eventually found its way to England. From the latter country they were brought to America about the middle of the sixteenth century. From this fact they became known as "English walnuts."

Ques.—If a person is dishonorably discharged from the army of the United States does he lose his citizenship?

Ans.—No. When he is dishonorably discharged from the army it may take away certain civil rights, such as voting or holding public office, but otherwise he is entitled to the same protection of the United States as any other citizen would be.

Ques.—Why are the rules of the road different in this country than they are in England?

Ans.—It is not known why Americans did not adopt the rule to keep to the left instead of the right in meeting other vehicles. Instead they adopted the rule of most other countries to keep to the right. The reverse to this rule has been in practice many centuries in England.

Ques.—Can you tell me why it is that one usually finds so many magazines in doctors', dentists', and other professional men's offices?

Ans.—Probably it's a good indication that they have helped out a good many canvassers "working their way through college."

Ques.—What became of the city of

Nineveh mentioned in the Bible? Ans.—About one hundred and twenty-five years before Christ Nineveh was destroyed by the allied armies of the Babylonians under Nabopolassar and the Medes under Cayaxares.

Ques.—Will you please answer in your paper who Ajax was?

Ans.—Ajax was the name of two Grecian chiefs of the Trojan War of mythology, one the son of Oileus and the other of Telamon. The latter is represented by Homer, next to Achilles, the boldest of the Greeks. Ajax of Telamon claimed the armor at the death of Achilles, but it was given to Ulysses, which so grieved him that he committed suicide. His sad death is made the basis of the tragedy of Sophocles, entitled "Ajax."

Ques.—Will you please answer in your question department what the "Alabama Claims" were?

Ans.—The "Alabama Claims" is the name applied to the claims of the United States government against Great Britain, which were settled after extended negotiations at Geneva, Switzerland. Those claims were made on account of damages done by the "Alabama" and other war vessels which were manned and equipped from British ports at the time of the Civil War. The terms of the Geneva treaty gave the United States fifteen and one-half million dollars.

ELSIE MAE NEU

Elsie Mae Neu, daughter of George and Mary Boyce, was born April 18, 1897 at the Boyce home in Lyndon township, Washtenaw county, and passed away very suddenly Sunday morning, November 1, 1931 at her home in Jackson.

She was united in marriage to Andrew F. Neu of Bunker Hill, April 17, 1925. To this union was born one son, Richard DuWayne.

She graduated from Stockbridge high school in 1915, after which she began teaching and was a successful teacher for 14 years.

She leaves to mourn their loss, her husband and infant son, her father, George Boyce of Lyndon; three sisters, Mrs. Francis Wilcox of White Oak; Mrs. Loretta Bott of Lyndon Corners, and Mary Boyce of Lyndon, and one brother, Spencer Boyce of Lyndon, and many other relatives and friends.

Prayer services were held from her late home in Jackson, and the funeral from the United Brethren church in Waterloo, with Rev. O. B. Thurston officiating. She was laid to rest in Mt. Hope cemetery, Waterloo.

CARD OF THANKS

We are deeply grateful to Rev. Thurston for his words of comfort, Mrs. Helen Beaman and Herbert Collins for the beautiful songs, to our relatives and friends for their comforting expressions of love and sympathy, the floral offerings; for their many acts of helpfulness and kindness to us in the death of our beloved wife and mother, daughter and sister, Andrew Neu and son, George Boyce and family.

Question And Answer Dept. Ques.—How did Moses get out? And why was he there? Ans.—At the time of Moses' birth the Hebrews were residents of Egypt, where they were oppressed under the laws of Pharaoh. An edict proclaimed by Pharaoh required that the Hebrew children of the male sex should be executed at birth, and to save his life Moses' mother placed him in a basket of bulrushes and hid him among the bushes of the Nile, where he was cared for by his sister Miriam. When the king's daughter, Thermuthis, came to the river to bathe, she found the child in the basket, and being impressed by his beauty caused him to be taken to the king's palace and adopted as her son. Moses' mother, Jochebed, was appointed as his nurse, and he was educated in the princely rank for the priesthood. Ques.—Can you tell me in your Query and Answer column at what period of time did the Mound-builders die? Also what became of them? Ans.—Not much can be learned about the Mound-builders. Students of antiquity attribute their existence from about 1000 B. C. to the beginning of the Christian era. Strong evidence has been advanced to support the theory that they were exterminated by savage tribes of the American Indians. Ques.—I want to ask you if there are any presidents buried in Arlington National Cemetery? Ans.—Only one president is buried at Arlington National Cemetery—William Howard Taft. Ques.—I am curious to know if the English walnuts originated in England? If not, why are they called "English walnuts"? Ans.—They did not originate in England. The English walnut was found in Asia in ancient times and eventually found its way to England. From the latter country they were brought to America about the middle of the sixteenth century. From this fact they became known as "English walnuts." Ques.—If a person is dishonorably discharged from the army of the United States does he lose his citizenship? Ans.—No. When he is dishonorably discharged from the army it may take away certain civil rights, such as voting or holding public office, but otherwise he is entitled to the same protection of the United States as any other citizen would be. Ques.—Why are the rules of the road different in this country than they are in England? Ans.—It is not known why Americans did not adopt the rule to keep to the left instead of the right in meeting other vehicles. Instead they adopted the rule of most other countries to keep to the right. The reverse to this rule has been in practice many centuries in England. Ques.—Can you tell me why it is that one usually finds so many magazines in doctors', dentists', and other professional men's offices? Ans.—Probably it's a good indication that they have helped out a good many canvassers "working their way through college." Ques.—What became of the city of

Buick Announces New Line Of Eights

Buick's new line of straight eights for 1932 will be formally presented to the public on Saturday next, November 14th, it is announced by E. T. Strong, president and general manager of the Buick Motor Company.

With the presentation, the mysteries of "Wizard Control" declared to be a startling innovation in motor-car operation, will be fully revealed.

While the preliminary announcement contains no details about the new Buick development, it is intimated that an entirely new method of car control is introduced, one that represents the longest step forward in this phase of automotive engineering that has been made in recent years.

Since the close of the inventory period, made in mid-summer by Buick for the first time in many years, little information has been obtainable from the plant at Flint. This has been taken to indicate preparations of unusual importance for the new car that is to succeed the original straight eight, which represented Buick for almost sixteen months.

It is the general opinion in automobile circles that the presentation of the new line will prove the most sensational event of the year. Presentation will take place simultaneously in all cities of the country, shipments having been going forward to these

points since the new car went into production.

Unusual preparations have been made for the event, it is understood, both by Buick factory officials and by the nation-wide dealer organization. This is in the anticipation that unusually large crowds will flock to see the new cars.

This community enjoyed a home talent play, composed by Mary Parker and presented by Easton school Thursday evening of last week. The play was entitled "Tom's Repentance" and took in every child in school. After the play, pumpkin pie, mince and rolls, fried cakes and coffee were sold, which netted them a neat little sum. They made enough last year to decorate the school inside, and add a lot of nice books to the library. This year they are working for a complete library. Let's boost.

Gertrude and Dorothy Zahn spent Sunday evening with Mary Parker.

Miss Leila Seitz, who is taking a nurse's training course in Ann Arbor, spent the week-end with her parents, Mr. and Mrs. Adolph Seitz.

RECEIVES RADIOGRAM

Ezra Heininger of Lima, one of the two amateur radio operators in this county, on Monday night received a message from the Chief Signal Officer at Washington, D. C. The army amateurs are a nation-wide network, organized for the purpose of functioning in case of any emergency that may arise.

Each Monday night is set aside for practice messages and some are sent in the cipher code secret messages.

The message, as received by Mr. Heininger, is as follows:

Washington, D. C. W3CXM, Nr. 10 November 9, 1931.

To all Army Amateurs:

In memory of our comrades who gave their lives to preserve our national integrity, I am sending this greeting to each member of our nation-wide amateur system as a reminder that this extensive system designed for the purpose of mitigating further sacrifice of lives in any national or local disaster that may arise. This system is of inestimable value to the nation and community and I congratulate each of you for your loyal and untiring effort, your sacrifice and patriotic devotion

that has made our system the efficient organization that it is today.

I urge you to continued effort to increase our efficiency for national safety.

A. A. Carr, Major General, Chief Signal Officer.

DISTRICT NO. 10 P. T. A. MEETS

The Parent-Teacher Association of School District No. 10, Tracy, Sylvan and Lima, was entertained Friday evening at the home of Mr. and Mrs. George Steele. Current events were given in answer to roll call, and the following program was rendered:

Recitation—"Way Down East"—Mrs. E. S. Kennedy. Community singing—"It's a Good Time to Get Together."

Recitation—"What Happened Fifty Years Ago"—Miss Viola Krumm. Reading—"Carry Your Load With a Smile"—Mrs. Fred. Gentner. Male Chorus—"Oh Du Lieber Augustin."

Cards furnished the diversion and a pot luck supper was served. About 45 were in attendance.

And Carry a Knapsack?

Advantages of City Government Discussed

The advantages and disadvantages of the city form of government as against village government were the subject of a three-hour discussion at the regular weekly dinner meeting of the Chelsea Kiwanis club at the Kolb hall Monday evening.

Leading the discussion were Clarence V. Smazel, of the technical staff of the Michigan Municipal League, and Mayor Mark B. Sugden of the new Washtenaw county city of Saline. Geo. W. Beckwith, former township supervisor, also contributed materially to the information brought out at the meeting.

In outlining the subject, Mr. Smazel pointed out that the principal benefits which Chelsea would derive from becoming a city would be:

- 1. Eliminate all township taxes. 2. Secure two supervisors on the Washtenaw county board. 3. Have a better system of government under the city home rule act than under the general village law. 4. Eliminate the nuisance for citizens of having to register in two places, vote in two places, pay taxes in two places, have their property assessed by two different assessing officers, etc.

When a village becomes a city, Mr. Smazel said, it severs all relations with the township, thus eliminating the necessity for paying township taxes. He showed from recent Sylvan township tax figures that this would save taxpayers of the village from \$3,000 to \$3,500 yearly in Sylvan township, about \$1.75 per \$1,000 of assessed valuation, and a small amount in Lima township, where the village also has some valuation.

Mayor Sugden stated that under its new city charter Saline had been able to make an immediate reduction of about 10 per cent in its municipal taxes, and that in addition had had more money to spend for improvements than at any time in recent years under the village government. He expressed the opinion that Saline would be able to cut about 20 to 25 per cent from its tax expenditures as a village, in addition to the saving of \$2 to \$3 per year on each \$1,000 valuation due to elimination of township taxes. This reduction in the municipal tax rate has been made possible by the better governmental organization under the city charter than under the general village law, Saline's mayor said, and proceeded to point out in detail just how it was done.

Mr. Beckwith, while stating that he would not express an opinion one way or another, pointed out the savings in township taxes that would be possible by the change, due to the fact that the village now pays approximately two-thirds of an annual township contingent fund of \$3,000, and one-third of an annual township road improvement fund of about \$6,000. He pointed out also that some advantages the village now has through receiving the larger part of the township poor fund would have to be subtracted from the total advantage due to being a city in order to find the net benefit. He also asked numerous questions that brought out important details of the discussion.

After the main points were brought out by the speakers, the entire club membership and a few visitors participated in the discussion of details.

After looking over the township tax figures Mr. Smazel said, in conclusion, that there was absolutely no doubt in his mind but that Chelsea would benefit materially by the change to a city. This, he continued, was the usual situation in Michigan villages, although there were a few that found it advantageous to remain villages because they received more from the township poor fund than they paid in other township taxes.

It developed in the discussion that the change would not affect the township adversely, due to the fact that township officials would have to take a reduction in salaries, because of the smaller amount of work, eliminating the purpose for which the village now pays taxes into the township contingent fund, and to the fact that the county has now begun to take over the maintenance of all township highways and will complete that work in five years, eliminating most of the expense in connection with township highways.

TUTHMURPHY WEDDING

The marriage of Miss Agnes Tuth, daughter of Mr. and Mrs. Horace Tuth of Windsor, Ont., and Cecil Murphy, son of Mr. and Mrs. Thomas Murphy of Lyndon township, was solemnized Thursday morning, November 5, at Holy Rosary church, Detroit, Rev. E. J. DeKeyser officiating. The bride wore a gown of white satin and carried yellow roses, while Mrs. Alice La May, sister of the groom, as matron of honor, was attired in pink sash and carried pink roses. James Murphy of Chelsea attended his brother as best man. Following the ceremony, a wedding breakfast was served at the home of Mrs. La May. On their return from a motor trip through Canada, Mr. and Mrs. Murphy will make their home in Detroit.

ENTERTAIN TACHEZ

The Tachez club was entertained at the home of Mrs. Celia Sullivan of Lyndon township, on Monday evening. Three tables of five hundred were in play and honors were awarded to Mrs. Josephine Roy and Mrs. Katherine Dorer. Delicious refreshments were served by the hostess.

Quietly and Easily Gandhi Meets the King The Akron More Prosperity News

How quietly and easily the world entered the big war in 1914. How acutely it feels its pains and aches now, while it is passing through the depression caused by the war. Just as quietly and easily Japan, China and Russia may be sliding into another war, its importance to be guessed or its results foreseen.

Let us pray, hope and believe that nobody will drag us into that tempest if it starts. But you can never be sure.

When you read "Tokyo is sending heavy reserves to China because fifteen Japanese have been killed in a Manchurian battle," and read of Japanese and Chinese fighting "in the Russian zone," you may prepare for big news.

Japan has been sending heavy gold shipments through San Francisco for deposit to her credit here. This puzzles France, but should not.

For buying in America, Japan must have gold, and therefore Japanese gold is coming here. Japan will want many things if war starts on a big scale and must use gold in this market.

Mahatma Gandhi met the king of England recently, raising his hands as he approached the royal personage, as though in benediction.

The mahatma, from India's coral strands, wore his loin cloth and shawl, legs and arms bare, sandals on his feet. The king wore a black coat, turned down collar, dark tie, with an old-fashioned pin, formal civilian attire.

Once the representative of Indian power would have come with a long title, elaborate clothing, many jewels.

And the representative of European royalty would have received his visitor, brilliant in color, in a long cloak, lined with ermine, brilliant stars glittering on his breast.

The giant airship Akron flew with 207 human beings on board, a record for any aircraft.

The President and the navy are to be congratulated on investing \$5,000,000 in the Akron. Not enough praise has been given to Mr. Litchfield, president of the Goodyear company, whose enterprise made it possible to build such an airship here in the United States.

And not enough praise has been

given to Admiral Moffatt, who worked hard to push through the enterprise. The Akron, intended for war, will carry five bombing planes, that will leave the mother dirigible, attend to invading floating ships, or submarines; or drop bombs on hostile cities, then come back to the mother ship.

On top, in the middle, and at both ends, the giant Akron carries machine gun nests. It could earn a living carrying fast mail and a few passengers across the ocean in peace time. This country should have a dozen like the Akron, but bigger, and 5,000 heavier-than-air ships as a fighting fleet, also useful in peace.

A sign of prosperity, bigger than a man's hand, is the rising price of wheat. Arthur W. Cutten of Chicago, able grain personage, expects \$1 wheat. That would mean money for farmers, money for farmers would mean buying goods, that would mean hiring men, and that, plus a few other things, would mean prosperity.

Premier Laval, back in France, tells his cabinet what was said and done in the United States, and the cabinet declares Laval a wonderful man. French newspapers applaud him, the Paris public is delighted with him.

They probably know something that we don't know here. One thing is sure, when a French statesman goes anywhere he goes with a plan, and sticks to it.

The observatory at Mount Wilson will have a telescope with an eye, or lens, two hundred inches wide. Twice as big as any other telescope, this wonderful cosmic eye will carry man's sight into space three times as far as it has ever gone before, revealing new nebulae, new marvels, hundreds of millions of "light-years" away.

The eye of man, not the telescope sees. The telescope only supplies to the human eye a wider pupil. The pupil of your eye, not much bigger than the head of a black pin, is nine feet wide when you look into that new telescope, and, being wider, absorbs more light and penetrates space to a greater depth.

Think of an eye with a pupil nine feet wide. The eye itself would be a hundred feet in width, requiring a face as big as the faces of angels that Mohammed saw in Paradise.

Warning for young women trying to look like skeletons, eliminating all fat from the body.

We are constantly bombarded by "ions," minute electrified particles, constantly attacking our tissues. A thin layer of fat protects the body from this harmful bombardment.

Dr. Dark Horowitz of Purdue university proves this, and banting young ladies should take warning. (© 1931, by F. W. Service.)

OUR NEIGHBORS

BRIGHTON—The hero of the Mother Goose rhyme, Tom, the piper's son, who stole a pig and ran away with it, winding up in the calaboose

was badly laid in the shade this week by three miscreants who stole a hundred pigs and topped it off by taking a hundred and fifty chickens to boot, and landing just as Tom did—in the county calaboose. The loser of the pigs and chickens was Michael Catlin of Green Oak. The theft was reported to Deputy Sheriff Charles Conely, Nov. 2nd, who at once got into action and soon rounded up the thieves.—Argus.

MILAN—Contracts have been let to Otto Misch and Co. for the construction of two more buildings for the Ypsilanti State Hospital. Work on the buildings will be started at once, and if weather permits, work will be continued through the winter months. The two new buildings will face the present administration building and will be connected with the units already built. The same general outline and design will be followed in the construction of these buildings as has been followed on the first units. The buildings will cost \$231,213.—Leader.

SOUTH LYON—At their regular meeting Monday night, the village council took steps to remedy the dangerous crossing north of town, where four men have been killed in the past four years. The members voted to have City Clerk Troost negotiate with the Pere Marquette railroad for the installation of a flashlight at the crossing.—Herald.

ACCIDENT CAUSES INJURIES
Mr. and Mrs. Arthur Williams, of 417 West Sutton St., Kalamazoo, and Mr. and Mrs. Herman Vlien of 910 Burr Oak Court, Kalamazoo, were injured about 6:30 Sunday evening, while en route from Detroit, when the automobile driven by Mr. Williams collided with a truck driven by Clyde King of Concord, near the Peter Liebeck farm, four miles west of Chelsea, on US-12.

Mrs. Vlien received a severe laceration of the scalp. Mr. Vlien and Mr. Williams, also sustained serious skull injuries, while Mrs. Williams was badly bruised. A daughter of Mr. and Mrs. Vlien, who was a passenger in the car, was not hurt. The injured couples were brought to Chelsea Private hospital.

The accident occurred when the automobile driven by Mr. Williams, falling to return to the line of traffic after passing a car, collided with the east bound truck loaded with hogs, swerved and struck another car, in which were Mr. and Mrs. William Paul of Albion. The latter were not injured. The Williams car was badly damaged.

Hogs, thrown from the truck, roamed about until the following morning.

TECUMSEH—The village council, in regular session Monday evening, formally approved a loan from the Peoples-Wayne County bank of Detroit, the money to be used for carrying on the necessary branches of the local government. The loan at this time was in the amount of \$2,500 but A. B. Boyce, president, said that the bank had indicated that additional money could be secured, should the village desire it.—Herald.

ANNOUNCEMENTS

A special meeting of Olive Chapter, No. 140, R. A. M. will be held tonight (Thursday). Matt D. Blosser of Manchester will take the part of P. S. in the degree work to be conferred on the three candidates.

The Chat 'N' Sea will be entertained at the home of Mrs. Faye Palmer, Tuesday evening, November 17, at 7:30 o'clock.

The P. T. A. of District No. 4 fr. will meet at the home of Mr. and Mrs. Alfred Lindauer on Friday, November 20.

St. Paul's Auxiliary will meet on Thursday afternoon, November 19, at the home of Mrs. Jacob Hinderer, with Mrs. Walter Beutler assisting as hostess.

MORE GOSSIP!

Certain rumors, to the effect that five bugs, responsible for the Lucht and Walz fires, had been apprehended were flying from mouth to mouth in Chelsea last Saturday. Nobody knew anything authentic in the matter, but "I just heard it" was the prevalent expression and the outstanding point in conversation. When the facts became known, there was absolutely nothing to the rumors, no good came from the story, and the reputations of two Chelsea young men were dragged into the mire of malicious gossip. It apparently is the delight of some people to start such gossip, without any reason whatsoever. The remedy for which might be suggested anti-gossip legislation, so that anyone guilty of such injustice might be properly penalized.

RED CROSS RELIEF IN 79 DISASTERS IN YEAR

Forest Fires, Plagues, Storms, Earthquakes, as Well as Drought, Call for Help.

The forest fires which have raged in Idaho and other western sections this year have presented a serious disaster—one of a number, in addition to the enormous drought relief problem, which have been met by the American Red Cross relief forces.

Suffering, faith and courage are contained in a story coming from the Priest River section in Idaho, told by a volunteer Red Cross worker as follows:

"Picture a happy little homestead near the banks of Priest river in northern Idaho. While father, with a little son tagging at his heels, is out tending crops and adding to the clearing, mother is at home making preparations for another arrival. Then comes the first demon, sweeping all in its path. While father fights to protect his little home, the storm announces its arrival.

"Mother and baby are bundled in a quilt and loaded on a truck for the race through the flaming forest. Father drives the truck and the little boy sits at his mother's side, brushing away the sparks which fall like rain upon the improvised litter."

To the Red Cross worker, the mother expressed her anxiety to return to the hills to rehabilitate the little homestead. All they possessed was lost in the forest fires. The Red Cross aided all of the families and is working to help them rebuild their homes.

Altogether, seventy-nine disasters called for Red Cross help and money during the year just closed. Aside from the drought, which required services of volunteer workers numbering more than 60,000, and a drought relief fund of more than \$15,000,000 of which \$5,000,000 came from the national Red Cross treasury, help was given in 22 fires, 13 tornadoes, eight storms and eight floods, six forest fires, four earthquakes and four mine explosions, three typhoons and three epidemics, two cloudbursts and one each hurricane, mine cave-in, and railroad accident.

Aside from a major catastrophe, such as the drought, when the whole

If and large, there is no better housekeeper in the world than the bachelor.—Woman's Home Companion.

Beautiful Attic Sculpture
The so-called "Victory of Samothrace" is the "Goddess of Victory" excavated by French archeologists who were at work between 1863-67. The "Goddess of Victory" was represented by the Greeks as having wings. Her name was Nike. This statue, which was the great prize of the French archeologists, is a beautiful example of the Fourth century Attic sculpture. It was first set up by Demetrius Poliorcetes about 305 B. C.

"No one would ever know you'd been a kid to see you shoot marbles, Uncle Dave. Why don't you do like me—drink a lot of Whitaker's milk and get in condition?"

Chauncey Depew, who says he has lived so long his friends have stopped counting his birthdays, makes milk the principal part of his daily diet.
