Chelsea High Defeats Saline For Grid Title

By Hi School Scribe
Chelsea High clinched its second Huron League football championship in as many years, at Saline last Friday afternoon, when they defeated Saline, 13 to 0.
Saline put up a good battle, both teams being handicapped by a heavy field. For the first time this year, Carl Schneider, fullback, was stopped without scoring, which ends his season's total of 97 points.
Chelsea scored early in the first quarter when Kern caught a punt on Saline's 40-yard line, twisted and dodged his way through the entire Saline team for a touchdown. He was aided by excellent blocking by his teammates. McLaughlin scored the extra point on an end run.
Chelsea scored again in the fourth quarter when, on a double pass behind the line, McLaughlin went around his own right end for a touchdown. Schneider's attempted kick was blocked.
The remainder of the game was played on fairly even terms.

Bluegills Received For Nearby Planting

The local fishing club (Superspad) radiated Order Of Whippers, received another consignment of thirty cans (15,000) five months old bluegills on November 12 from the Fisheries Division of the Department of Conservation, which were planted as directed by that Department, in nearby lakes.
This is a commendable effort on the part of the Conservation Department and the local club to replenish our heavily fished lakes.
Michigan's beautiful lakes and splendid fishing brings recreation and sport to many home folks and to a rapidly growing number of out-state tourists and adds many dollars in a financial way.
What "S. O. O. W." stands for: "Save the little ones by careful handling, and never destroy."
"Obey the law to the letter, as it means better fishing."
"O'rate on conservation, conserve fish and game and enjoy nature's beauties."
"Why? So coming generations may enjoy the sport we love so much."

FOR SALE!
Thanksgiving Baking
The Chelsea Child Study Club will give a bake sale at Hinderer Bros. grocery on Wednesday, Nov. 25 at 2 p. m. The proceeds will be devoted to charity, under the direction of the Chelsea Red Cross.

DOLLAR DAY EVENT IN CHELSEA ON SATURDAY

On Saturday of this week, November 21, merchants of Chelsea will stage one of the greatest bargain events in the history of the town. This event, primarily planned as a Dollar Day, will also include countless numbers of bargains not listed as "One Dollar" specials.

Regular prices quoted by local merchants this fall have been the lowest in many years, and now, right in the middle of the fall season, when stocks are complete in every line, comes the news of further drastic reductions in almost every line of merchandise.
In addition to the regular stocks of merchandise now on hand, many merchants have made special purchases which will be offered in Saturday's event, at prices far below their true values.
Merchants who are participating in the Dollar Day offerings are advertising their products and special prices in this issue of The Standard. And such bargains!—read them over carefully, check the items you are interested in buying—and come to this great shopping center on Saturday of this week!

Cong'l Secretary Tells Of Missionary Work

Last Friday evening, Miss Ruth Seabury, one of the national secretaries of Congregational churches in the United States, was guest of honor and speaker at the quarterly birthday dinner held in the basement of the local Congregational church, at which about one hundred people were present.

Two years ago Miss Seabury was selected by the National Council of Congregational churches to visit and make a survey in the mission fields of seventeen foreign countries.

With remarkable clarity and detail Miss Seabury described present conditions in Turkey, India, Japan and China. Her description of Modern Turkey was most interesting. One of the most radical reforms which has taken place in that country is replacement of the old Arabic alphabet with the alphabet used by the Western world, which brings to the Turkish people the key to all of our literature. Her prediction was that Turkey would, through the reading of our literature, soon possess the Western point of view. She also stated that the Mohammedan religion in Turkey is, to all intents and purposes, a dead issue, which makes Turkey a most fertile field for Christian missions.

Her trip to India brought her in personal contact with India's sainted leader, Mahatma Gandhi. Her claim is that Gandhi is truly spokesman for India's millions, and that his leadership may be trusted by all the world. Her one request of him was: "Give me a message to the people of America." His answer was: "Jesus Christ has given to America as well as all the world, the only message worthy to be spoken, which is the Sermon on the Mount."

Miss Seabury gave some interesting information regarding the situation in the Manchuria Province, stating that there was something to be said for both sides. First, China is right in striving to preserve intact her territory and her National Sovereignty, while Japan, because of her limited territory and an overcrowded population is compelled to seek new avenues of wealth and territory, Manchuria affording her the best opportunity. The situation is, as is generally known, more serious because Russia is striving to make capital out of the quarrel to further her schemes for world revolution.

On the whole, Miss Seabury gave information which makes the entire Christian missionary movement seem very much worthwhile, and demonstrated that missionaries were men and women of the very best examples of intelligence and moral character.

Out-of-town guests at the meeting were Mr. and Mrs. Victor Brown of Ann Arbor, Rev. and Mrs. Berquist and several of their parishioners from the Pinckney Congregational church.

Annual Catholic Fair Will Start Monday

150 Attend Masonic Meet Here Tuesday

At a special meeting of Olive Lodge, No. 156, F. and A. M., held Tuesday evening, about 150 were in attendance, including representatives from Livingston Lodge, No. 78; Pinckney; Clinton Lodge, No. 175; Clinton; Williamston Lodge, No. 153; Williamston, and the Stockbridge Lodge.

A roast beef dinner was served at 6:30. The invocation was given by Rev. Albert E. Potts, after which a standing vote of welcome was given to George Ward, one of the charter members of the lodge, who for several years has been detained at his home by illness.

Following the dinner, Chester Miller, W. M. of Olive Lodge, gave the address of welcome, introducing Rev. Potts as toastmaster. A Gold Medal oration was given by Brother Perkins, of City of Straits Lodge, Detroit, their Worshipful Master, A. Talcott, also responding to a toast. The latter introduced his Senior Warden, who extended to the Chelsea members an invitation to witness the work of the M. M. degree in long form, which will be exemplified by City of Straits Lodge on November 28.

Worshipful Masters Webster, of Williamston, and Collett, of Pinckney, spoke in behalf of their lodges and announcements were made by J. G. Weinberg, S. W. of Olive Lodge.
The company then repaired to the Lodge room, where the M. M. degree was conferred on a candidate for Kismet Lodge, No. 480, Highland Park, the work being beautifully exemplified by City of Straits Lodge, No. 452.

"Wake Up" Ready For Presentation By O. E. S.

Preparations have been completed by Olive Chapter, No. 108, O. E. S., for the production of "Wake Up," to be presented tonight and tomorrow night at the high school auditorium at 8:15 o'clock. This is a big community "get-together," something of interest to everyone and the characters are taken by some of the most popular and talented citizens of Chelsea. This evening's program presents varied forms of entertainment. The opening number is a children's pageant "The Story Hour," presided over by the "Story Lady," to be impersonated by Mrs. Matilda Hinderer. Other specialties are interspersed between scenes of a three-act comedy-drama.

The committees in charge of this presentation are headed by the following members of the Eastern Star under the supervision of Director Willa Howell of the Alverkeith Producing Company:
General Chairman—Mrs. Helen Lindemann.
Cast Committee Chairman—Mrs. Vician Park.
Ticket Committee Chairman—Mrs. Ruth Schenk.
Publicity Committee Chairman—Mrs. Helen Baxter.
Costume and Properties Committee Chairman—Mrs. Theresa McBride.

On another page of this issue of The Standard will be found the complete program, including the names of the Cast and Specialties. Tickets may be procured for the small sum of 40c from any member of the Star and most of the business houses.
Come on! Let's go!

Curbing Assessment Due On December 1st

The Chelsea common council and Board of Special Assessors met Monday evening to review the special assessment roll for curb and gutter on South St., Garfield St., Orchard St. and East St.

The tax is small, considering the improvement, and can be paid in one payment or in three equal annual installments, with interest at six percent on all deferred payments. The first payment will be due on December 1st, this year.

Department of State Michigan WEEKLY NEWS BULLETIN

Frank D. Fitzgerald
Secretary of State

Lansing, Mich., Nov. 18—Approximately \$500,000 will be added to the state's revenues in 1932 through closer supervision of the sale of truck license plates, Secretary of State Frank D. Fitzgerald estimates.

In past years, truck owners have been allowed to use any sort of weight slip in certifying to the weight of trucks when securing license plates. Starting with the 1932 plates, truck owners will be required to use official Department of State weight receipts. Without a department receipt, license plates will not be issued.

In every city where the department has a branch office, one or more scales are to be designated as official and the owners will be supplied with department weight receipts. Before applying for licenses, it will be necessary for owners or drivers to weigh the truck in actual operating condition.

The owner and scale weighmaster then sign the receipt which will be accepted by the department in issuing plates. Last spring, several instances were discovered where truck owners willfully attempted to defraud the state. Almost \$60,000 in additional weight taxes were collected by department investigators from these sources. In addition, it is believed that many others pay less than the legal fee because of ignorance of the actual weight of their truck.

Truck and trailer license plates will be on sale at all branch offices of the department Dec. 1.

"WICKED"
With VICTOR McLAGLEN, Una Merkel, Allan Dinehart. Is woman's love stronger than man-made law? This is the question that confronts the brilliant star, Elissa Landi, in her new picture, "Wicked." How she meets and finally solves this great problem makes for one of the most absorbing dramas of the current season.

NORTHVILLE—Walter Ware has finished a replica of a pioneer's log cabin which Chas. Rogers has placed upon the mantle of his recreation room in the basement of his new home off the Novi road. This unique

decoration is especially appropriate in its setting on the old rock elm beam-mantle piece which was salvaged from the first old barn which the pioneer grandfather of Mrs. Rogers erected on this site.—Record.

Question And Answer Dept.

Ques.—If you can answer all questions will you try this one: On what day of the week will Christmas come 100 years from now?

Ans.—We do not claim to answer ALL questions. However, we can accommodate you on this one. Christmas in 2031 will fall on Wednesday. If you don't believe it, check it up.

Ques.—To decide an argument will you kindly tell which is the right hand bank of a river or stream?

Ans.—The right bank of a river or stream is the right side as you face down stream.

Ques.—May I ask you where was coffee first used as a beverage, and why is it called "coffee"?

Ans.—It is not known for certain, as the history of coffee dates back for more than a thousand years. It is believed that the original coffee tree was found by Arabs at a place known as Kafa and taken to Arabia. The word "coffee" is a corruption of the name "Kafa."

Ques.—I would like to know what most women's conception of heaven is?

Ans.—A place where they can have swell clothes and high culture.

Ques.—Was there ever a bachelor president of the United States?

Ans.—Yes. There were two—James Buchanan and Grover Cleveland. The latter, however, was married "during his term of office."

Ques.—I was born on January 8, 1865. Will you kindly tell me what day of the week that was?

Ans.—January 8, 1865, was on Sunday.

Ques.—I wish to ask you where pearls come from?

Ans.—Pearls are found mostly in oyster shells. They are the abnormal calcareous concretions formed on the interior of the shell. The exact cause of pearls is not known.

Ques.—Can you tell me in your question column who is the best rifle shot in the world?

Ans.—Several men and women lay claim to this distinction, but there are no authentic records as to who is the best. However, strange as it may seem, Gloria F. Rouse of Baltimore, a 19-year-old girl, qualifies as one of the best, if not actually the best, in the

world. Her record in competition with men is 259 bull's-eyes out of 260 shots.

Ques.—What is the present population of London, Eng.? Is it still larger than New York?

Ans.—The present population of London is 8,202,000, while the population of New York is 6,981,000.

Ques.—What are "blue laws", and why are they so called?

Ans.—"Blue laws" refer to the code of 1660, which were a compilation of the earliest laws and customs of Connecticut. It is almost verbally copied from the Mosaic Law. After the restoration of Charles II, "Presbyterian blue law" became a term of derision applied to anything which smattered of Puritanism, and "blue laws" simply meant Puritanical laws, or laws with a blue tinge. These laws inflicted the penalty of death for worshipping any god but the God of the Bible; for speaking disrespectfully of the Bible, Christ or the Holy Ghost; for witchcraft, adultery, theft, false-swearing, and disobedience to parents. They are said to have been drawn up by Rev. Samuel Peters.

Ques.—In the Mexican War with the United States what battles did the Mexicans win?

Ans.—The Mexicans did not win any battles in their war with the United States.

How One Woman Lost 10 Lbs. in a Week

Mrs. Betty Luedke of Dayton, writes: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, safely and quickly take one half teaspoonful of Kruschen in a glass of hot water every morning before breakfast — an 85 cent bottle lasts 4 weeks—Get it at Fenn's Drug Store, Burg's Corner Drug Store, or any drug store in America. If this first bottle fails to convince you this is the easiest, safest and surest way to lose fat—money back.

DUNDEE—Monroe county farmers have been fighting something more than the low price of pork the past few weeks. "Hog cholera, the most dreaded swine disease started late in August and is now estimated to be spread over 300 separate farms in the county and still going strong," says C. Ward Andrews, county extension agent. Conditions have been ideal for its natural spread and only severe freezing will help check the disease. The germ may be carried by stray dogs, pigeons, sparrows and skunks that frequent feed lots.—Reporter.
