Thanksgiving

OH, LET me linger by my fireside embers—
Thanksgiving is no day for idle roving,
Old friends, old days, old songs, my heart remembers,
Are gathered to my side for hours of loving.
I take life's book and turn its yellow pages,
Before the firelight glow I watch them brighten.
Old faces of old friends of outgrown ages,
Through windows, with me, watch the brown earth
whiten.

I SEE old homesteads with their snowy thatches,
And from huge chimneys grayish smoke ascending.
I hear the welcome sound of lifting latches.
I feel the warm handclasp of hands befriending:
Oh, faces of the past, when life was living,
Come, gather 'round this board and lift your voices
Again, as yore, in one long, glad Thanksgiving,
In which the heart of youth and age rejoices!

Goes After Buck Deer With Fishing Tackle

The greatest hunting story of the season has been told about one of our citizens who has always been noted for his ability as an angler but has never broken into news stories as a hunter. Coming from a reliable source, the story is told that A. K. Collins acquired the desire to trek to the northland in quest of a prize buck deer. He assembled his paraphernalia for the trip and was on his way. However, when he reached the city of Jackson, he discovered that he had taken only a large supply of his fishing tackle. (It was then added that the story in its entirety was a dream which had been related to his friends by Mr. Collins). We would guess that when Art awakened he was suffering from an attack of "buck fever."

DRESSHOUSE HEYDLAUFF

The marriage of Miss Christine Dresselhouse, daughter of Mr. and Mrs. Lewis Dresselhouse of Sharon township, and Clifford G. Heydlauff, son of Mr. and Mrs. George Heydlauff of Sylvan township, was solemnized at 7:30 Saturday evening, Nov. 19, at the home of the officiating clergyman, Rev. Mr. Spade, pastor of Evangelical church, Jackson.

The attendants were Mr. and Mrs. Lloyd Heydlauff, the former a brother of the groom. The bride wore a dress of cadet blue transparent velvet, while Mrs. Heydlauff was gowned in brown crepe. Following the ceremony a two-course dinner was served to the immediate relatives at the home of the bride's parents. The groom is a member of the Class of '29, Chelsea High School, the bride graduating the same year from the Manchester school.

Mr. and Mrs. Heydlauff will make their home with the groom's parents in Sylvan township.

WEEKLY NEWS BULLETIN
Frank D. Fitzgerald
Secretary of State

Lansing, Mich., Nov. 23.—Election recounts are being started in 10 counties this week, as a result of petitions filed with the Department of State and various county boards of canvassers last Friday.

Recount laws were drastically changed by action of the 1931 legislature. Under present laws, candidates seeking recounts must deposit \$5 for each precinct which is to be counted

for the second time. The deposits are returned to candidates if results of the election are changed. Formerly all state and district recounts were conducted in Lansing but under the 1931 act, these recounts are held in the various counties under supervision of the board of state canvassers. The law provides that any state officer, state employee or member of boards of county canvassers can be designated to represent the board of state canvassers.

Last Friday was the final day for petitioning for recounts and the actual work of retallying the votes started almost immediately. The final report of the board of state canvassers will not be made until after all recounts have been completed.

The first recount petition involving a state officer was filed by Burnett J. Abbott of Saginaw, democratic candidate for secretary of state, who, on unofficial returns is trailing Secretary of State Frank D. Fitzgerald by approximately 3,500 votes.

Anticipating the filing of a recount petition by Mr. Abbott, Mr. Fitzgerald, in order to protect his lead, asked for recounts in 749 precincts. These petitions involve Wayne, Oakland, Macomb, Genesee, Kent, Gogebic, Grand, Kalamazoo and Muskegon counties.

Many of the other recount petitions were filed by candidates who are ahead on unofficial returns, in order to protect their apparent victories.

Charles Bowles, candidate for Congress in the 15th Congressional district, requested a recount. Other recount petitions were filed by:

Rep. Dana H. Hinkley and Eugene Brown, candidates for state representative in Mackinac and Emmet counties.

Rep. Walter F. Jackson and Lawrence O'Neill, candidates for the same office, in Lake and Mecosta counties. Twenty-four candidates for various county offices.

TWENTY-FOUR YEARS AGO

Thursday, November 23, 1908.

Miss Nellie Irene, daughter of Mr. and Mrs. John Walsh of Sylvan, was married to J. Edwin Kuesch of Chelsea, on Wednesday morning, November 25, 1908. The attendants were Miss Anna Walsh, sister of the bride, and Edward Hindelang of Battle Creek. A wedding dinner and reception was held at the home of the bride's parents. Rev. W. P. Considine officiated.

John Gilbert died at his home in Dexter township on Friday, November 20, 1908. He is survived by the widow and five children. Funeral services were held at the North Lake M. E. church on Sunday morning.

Perry Barber was in Toledo on Saturday where he attended the funeral of his sister, Mrs. Schoonmaker.

Mrs. Elizabeth Esch, wife of John Esch of Freedom, died Monday after a lingering illness. Funeral services were held on Wednesday morning from St. John's church, Rogers Corners.

Mr. and Mrs. Frank Cooper celebrated their 25th wedding anniversary at their home in Lima on Saturday. During the day their relatives assisted in the festivities and in the evening a number of their neighbors met with them.

Miss Agnes Stapish of Lyndon has sold her farm of 114 acres to Lewis Stapish. Consideration \$3,500. The work of dispatching trains by the use of the telephone was inaugurated on the eastern division of the Michigan Central railroad on Saturday.

Lightning struck the smoke stack at the stove works Tuesday afternoon. The only damage done was to the appearance of the huge chimney, which looks as though it had been through a siege of smallpox.

George Runciman was mixed-up in a runaway Saturday evening. A bolt gave away letting the pole drop down frightening the team. Mr. Runciman was unable to release himself from the reins until he was dragged about 20 rods. He was somewhat badly bruised, but is able to be about his work.

THIRTY-FOUR YEARS AGO

Thursday, November 24, 1898.

Supervisors Beach and Hunter, a special committee, have just com-

pleted the figures on the expenses of Washtenaw county for year ending October 1, 1898. The total amount is \$38,208.57. Some of the items are the following: Board of prisoners and turnkeys \$65; deputy sheriffs, \$4,542.66; supervisors, per diem and mileage, \$1,693.42.

The semi-annual apportionment of school monies in this county has been made and the \$12,080 awarded to Washtenaw county has been divided on the basis of \$1 for each school child. Lyndon, \$223; Lima, \$283; Sharon, \$329; Sylvan, \$608; and Freedom, \$430.

At the annual meeting of Olive Lodge, No. 166, F. & A. M., the following officers were elected: W. M., R. S. Armstrong; S. W., H. S. Holmes; J. W., R. E. Waltrous; treasurer, J. A. Palmer; secretary, T. E. Wood; S. D., Wm. Bacon; J. D., H. H. Avery; Tyler, W. B. Sumner.

J. G. Earl of Ypsilanti is preparing to start a bakery and lunch room in the store recently vacated by the Central City Bakery. He expects to have it in running order about Dec. 1.

A horse, that was hitched to a carriage containing Misses Emma Runciman, Phoebe Martin and Edith Bacon, ran away Monday afternoon, scattering the young ladies along the road and badly smashing the carriage. The young ladies escaped with but few bruises.

Chelsea is getting up quite a reputation as the center of an onion-growing country. There are over 65 carloads of the odoriferous bulbs stored in various places about the village. A carload will average 450 bushels.

The market report is: Wheat, red or white, 65c; rye, 48c; barley, 90c; oats, 25c; beans, 85c; clover seed, \$4.50; onions, 30c; potatoes, 25c; butter, 16c; eggs, 14c; dressed hogs, \$4.50; chickens, 3c; ducks, 4c; turkeys, 9c.

JACKSON.—Among the assets of a local business concern that has gone into bankruptcy is a 400-pound black bear. It could scarcely be termed a liquid asset. Into a huddle went Sam Jones, Attorney Haskell Nichols, James G. Honley, executive secretary of the Welfare relief kitchen, and Paul King of Detroit, referee in bankruptcy. When they came out of it, the bear was done for. It was decided that Mr. Young's Riverside Packing Co. would kill and freeze the bear, which would grace the Thanksgiving table at the relief kitchen. Star.

TECUMSEH.—Edward M. Kelley, aged 70 years, well known resident of the Irish Hills vicinity and owner of the Gray Tower, died early Monday morning, following a paralytic stroke suffered last Wednesday night. Mr. Kelley was born and lived his entire life on the farm where his death occurred.—Herald.

METHODIST HOME

Mrs. Susan Danson entertained an old friend from Milford Sunday, Mrs. Mary Rappley. Mrs. Rappley, while in Dearborn two years ago, fell on the ice and broke both of her ankles. She has had remarkable recovery and now gets around very comfortably.

Mrs. Dora B. Gerardin of Detroit joined the family circle Sunday, coming from the Metropolitan church. Mr. and Mrs. D. H. Renton of that city accompanied her.

Mrs. W. J. Balmer, together with her daughter and granddaughter, Mrs. Dorothy Colegrove and daughter, Janet of Jackson, are to spend their Thanksgiving with relatives in Port Huron.

Mrs. C. L. Adams of Howell was a guest of Mrs. L. C. Brabb, Friday. Mrs. Jane Tuber is finding the weight of her 99 years heavy to bear and is confined to her bed most of the time.

Miss Hannah Bearing, who has been confined to her room for several days, nursing a bad cold, is again at her accustomed place in the circle.

Rev. Joseph Blackmore of Washington, Mich., was a caller Friday. E. R. Reed can be found in Detroit doing Thanksgiving work with his children in that city.

November

The same old windy November,
In his round is with us again;
And if you're not watching my dearie,
He'll rattle at your window pane.

After all, though his presence is shaggy,
Though his hand is icy and cold,
He has a kind heart filled with gladness,
And shares with the needy his gold.

Gets together the friends who long parted,
He festives with both young and old;
He's always on hand at Thanksgiving,
No matter how stormy or cold.

So now, Old Icicle Veteran,
Though your coat is shaggy and rough;
Your heart is the heart of a Shepherd,
You are made of the right kind of stuff.

(Compliments of Brother Arthur Carlton, Methodist Old Folks Home, November, 1932.)

SMALL CHANGE TO YOU - BUT A BIG CHANGE TO YOUR CAR

It's time to change your oil and grease -- time to have your car checked for winter driving. You know it -- we know it -- but maybe you feel that it isn't important.

Well, let's put this "change" business on a dollars and sense basis. You know that buying an overcoat is cheaper than risking a cold. You spend a little to save a lot, and to keep yourself in working condition.

Having your car checked by Dixie today is an "overcoat" investment. You will save much more than you spend -- and your car will be in perfect condition for the winter business or pleasure.

Remember, the Dixie check-up is an investment! It's small change to you, but a big change to your car. And you'll want one TODAY!

Library News

The circulation for the high school library this past week has been 928. The circulation for the elementary library was 350.

In our news column two weeks ago, we announced that we were expecting a certain for our elementary library room. This past week, due to the kindness of Doris Boone, a library member, and her mother, who so generously donated their services in making the room, we were able to get them at the library windows. We cordially invite all mothers to visit us on library nights.

The third graders are developing a splendid library attitude. Last week books were circulated in this grade.

Elementary News

Due to an error in last week's See, the announcement of the elementary grades having won the first prize of five dollars in the Legion parade was placed under kindergarten.

The boys and girls in the fourth, fifth and sixth grades cut letters from paper and pasted them on the banner forming the names of the grades. Children in these rooms worked gently all of Thursday afternoon. Their help was greatly appreciated by the teachers who were supervising preparations for the parade.

The prize of five dollars will be used for the benefit of all the children in the seven rooms in the elementary building.

The kindergarten is gradually coming back to its normal size. Six of the children, who were ill, returned today. However, they have lost one. Ann Lawrence, who has moved to Detroit. The kiddies are now in the process of working out a Thanksgiving project, to be worked out in the table.

One might think the third graders were going in for housekeeping because of the furniture which they have been making. However, it is furniture, being made from chipboards and boxes which are later painted.

They have had several visitors in past week. They are hoping that of their mothers will pay them in before the year is over.

10-20-10 Days Ago

14.—No school. It's a "swell" day—this "Teacher's Institute."

4.—Our football game with Milan was like a Sunday school—nearly 9-0. However, the "hot" was very good.

14.—Had exams. 'Nough said.

Watch the fellow in front of the fellow in back of you!

Every student has two educations— which he receives from others and more important, which he receives himself.

Thanksgiving

The last Thursday in November is set aside as a national Thanksgiving Day. It is at this time that we should stop and look back over the things that have happened during the year, for which we owe a debt of gratitude. It seems that this is a year for thankfulness, especially for those who are fortunate enough to be able to go to school and have enough to eat and wear.

Thankful still that—
 We can see the smiles of children,
 Who pass us on the street;
 We can find the joy of friendship,
 With people that we meet.

Despite the many things which have darkened our pathway during the past year, we still have our friendships. After all is this not a greater thing than any material blessing? Perhaps during this past year, we have experienced the beauty and value of friendship more than ever before. Friendships that we have taken lightly and as of little or no value, perhaps appear very valuable to us now. In all probability we can better realize the old maxim, "a friend in need is a friend indeed," now than we could in the past.

Nature has been especially kind to us this year. Did we not have a great abundance of fruit and grains this year? Of course, this has not been well distributed. This is due to the fault of man and not to any fault of nature.

Though we have not the material prosperity for which to be thankful, we still have social, moral and spiritual prosperity. For this we ought to thank God and our fellowman.

Museum Club

At the museum club meeting Monday plans were made for a "Coming Out Party." No date has been set but it appears likely that the opening will be soon after Thanksgiving. It is planned to have an unrestricted costume party with prizes offered by Miss Cunniff. This will be the first time that the museum has been opened to the public, and the public is cordially invited. The date will be announced later.

Oh! What a Life

Getting out a newspaper is no picnic. If we print jokes, folks say we're silly.

If we don't they say we are too serious.

If we publish original matter, they say we lack variety.

If we publish things from other papers, we are too lazy to write.

If we stay on our job, we ought to be out-riveted.

If we don't print contributions, we don't show proper appreciation.

If we do print them, the paper is full of junk.

Like as not, some other fellow will say we swiped this from another newspaper.

So we did.

Why worry about grades now? Study now and do your worrying in June.

"Turkey Hops" Over

The first public dance of the year, to be sponsored by the senior class, took place last Friday. A large, happy crowd were in attendance. Even the faculty were there.

The decoration of the gymnasium was carried out in Thanksgiving colors with numerous turkeys adorning the walls. The collegiate orchestra came up to our highest expectations and was enjoyed by everyone. And what's more, most refreshing punch was served.

Fact is, the senior class members are so elated over the success of their "Turkey Hop" that they are already planning a Christmas dance, the date of which will be made known later.

Ye Ol' Snooper's Column

Your ol' snooper found out quite a bit of forthcoming news this week, even though it was necessary to get poked in the eye while "snooping."

It seems as though every one had a grand time at the "Turkey Hop." Sure was a "swell" party and oh! what an orchestra. Hot cha-chah!

Ah! Ha! or rather "Ho! La!" (the aforesaid due to Spanish not spinning). A group of students are working on "The Toreador," an operetta to be given sometime in January.

Does this look like a tired business man and his weary little wife? It should. He had a routine day at the office, and she washed, ironed, baked a cake and froze a chocolate mousse for dinner. Poor drudge! How is she able to summon up so much pep at the end of the day?

Well you haven't heard the half of it. The turn of a faucet brought hot water by the tubful—from the Gas Water Heater.

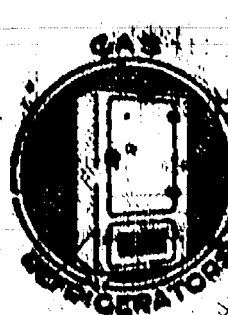

The clothes dried in one-third the usual

time—in a Gas Laundry Dryer. The Gas Ironer rolled through the laundry also in one-third the time.

The cake baked in an Insulated Gas Range with controlled oven heat. The Gas Refrigerator froze the dessert, automatically, and now she's ready to go places, see people and do things!

Will Conduct Scout
Financial Campaign

A financial campaign for the support of the Boy Scout work in each of the towns of Washtenaw and Livingston counties will be held during the week of December 5 to 10. Each community will be organized under its own local leadership, and one-day whirlwind campaigns are planned in each town, beginning with an "Early Bird" breakfast, at which the leading men of the town are gathered for final instructions.

Using the most modern methods, it is believed that each community can readily raise the amount absolutely necessary for the continuance of this program for betterment of its own youth.

Feed Ratio Favors
Big Meals For Men

A dozen eggs will buy more pounds of poultry feed this year than at any other time during the past decade, according to studies made by the farm management department at Michigan State College, which indicates a definite loss in skimming the feed supplied to farm flocks.

During the past 10 years, the average price paid for a dozen eggs would buy 16.5 pounds of poultry feed. A dozen eggs during the first nine months of 1932 would buy 19.5 pounds of feed. Last year, the dozen eggs would buy 17.1 pounds of feed and, in 1930, only 16.5 pounds of feed could be purchased with the money received for the eggs.

The poultrymen has an investment in land, buildings, birds, and equipment and he can get returns from these and his labor only by selling eggs or poultry meat. Good average production of the hens cuts the cost per dozen of producing eggs. With present feed prices, birds should be fed as heavily as possible in order to get the possible profit of turning feed into eggs.

No pronounced improvement in egg prices, other than seasonal raises, is anticipated unless there is a decided improvement in the purchasing power of consumers; but, if any increase does occur, the profit of heavy feeding will be greater.

The price of eggs divided by the price of the poultry ration gives the feeding ration. When this ratio shows, as at present, a high ratio in favor of eggs, the mash and the scratch feeds should be supplied liberally.

Did Gavin Gordon
Kill Jenny Wren?

Who killed Jenny Wren? Did Gavin Gordon, whose burning love letters were obstacles in the way of a social register marriage? he was hard-pressed for money, too, facing exposure, he would desire the death of Jenny Wren.

But twelve other persons at a fantastic house party in a mountain mansion were equally deserving of suspicion—they, too, had reasons for wanting Jenny Wren out of the way.

The answer to who killed Jenny Wren may be seen in "The Phantom of Crestwood," Radio Pictures' big broadcast special at the Princess Theatre, Friday and Saturday, Nov. 25-26, with a cast including Ricardo Cortez, Karen Morley, H. B. Warner, Pauline Frederick, Ivan Simpson, Tom Douglas, Hilda Vaughn, Anita Louise, Mady Kemp, George E. Stone, Robert McWade, Aileen Pringle, Skeets Gallagher, Mary Duncan and Sam Hardy.

Detroit Orchestra
Will Give Concert

Ossip Gabrilowitch, director of the Detroit Symphony orchestra, has prepared an exceptionally fine program for the orchestra's concert in the Choral Union Series, Hill Auditorium, Ann Arbor, Wednesday evening, Nov. 30, at 8:15 o'clock. Mr. Gabrilowitch has won great distinction as an orchestral director during the years he has headed Detroit's monumental musical organization. Not only has he given hundreds of concerts in the Michigan metropolis but he has taken his band of players to many cities throughout the land, both east and west. On numerous occasions, concerts have been given in Ann Arbor. Mr. Gabrilowitch has also appeared as guest conductor with many of the other outstanding orchestras of America and abroad.

During the years that the Detroit orchestra has been in existence, it has won great distinction and has forged to the front in the field of outstanding musical ensemble groups. It is a credit to its native city, Michigan, and the country at large.

At the Ann Arbor concert, the music loving public will have an opportunity of hearing one of the outstanding younger pianists perform, Dales Frantz, a graduate of the University School of Music, now enrolled in the graduate division of that institution. Recently Mr. Frantz gave his New York debut recital and won the favorable commendation of music critics and music lovers generally. He has also been heard to advantage in many cities throughout the United States.

State Sends Entries
To Big Chicago Show

Michigan entries in the International Livestock Exposition and in the Hay and Grain Show, held simultaneously, are already being made for these great national shows which are held in Chicago on Nov. 28 to Dec. 8.

Michigan farmers and livestock men have brought back more than their share of prizes from Chicago since these expositions began. Horses, hogs, cattle, and sheep are always sent to the big show by Michigan State College which has a trophy room full of ribbons and cups won by its herds.

The college has another stake in this year's show as one of the features will be the honoring of five leading crop varieties one of which is to be Robust beans, originated at Michigan State in the plant breeding plots of the late Professor Spragg.

Robust beans shown by Michigan exhibitors have won as many as nine of the 10 prizes awarded for beans. Rosen Aye, another product of Michigan State, probably has won as many prizes as any single grain variety.

Three members of the Michigan State College staff will have active parts in the show. An educational exhibit showing some of the advantages of Michigan as an agricultural state will be on display under the supervision of a man from the college farm crops department.

ARE YOU GUILTY?

A citizen who was seven years in arrears for his home paper, who had never had a good word to say for the editor, and who was always opposed to public improvements was dying, so the latest story runs. "How do you feel?" asked the editor, who was on hand to write the obituary. "All looks bright before me," gasped the dying man. "I thought so," returned the editor, "you'll see the blaze in about ten minutes."
