Legion Asks Special School Aid Session

At a meeting of the local post of The American Legion at Kolb's hall, Thursday, November 2, Lawrence C. Leaver, County Commander of the Legion, and Kenneth Will, 2nd District Adjutant, both of Ann Arbor, were speakers of the evening. The Legion unanimously passed a resolution requesting Gov. William Comstock to call a special session of the legislature for the purpose of setting aside state funds whereby the schools of the state may be assured of operating during the entire present school year. Similar action has been taken by all favorable Legion posts throughout the state.

The resolution presented to the Governor reads as follows:
Whereas, Changes in the general tax law of the State of Michigan have been found to work a grave hardship upon the schools of Michigan by depriving them of necessary funds to operate upon a reasonable schedule, and
Whereas, The Public School System has proven itself to be an institution necessary to the maintenance of American standards of life as we have known them, and
Whereas, The breakdown of the Public School System would mean that our children would be deprived of an educational opportunity, which once lost cannot be restored, and
Whereas, We believe that reasonable salaries are a necessary part of an efficient school system, and
Whereas, Many teachers in the rural schools are at the present time receiving less than the minimum wage paid to sales girls in five and ten cent stores, and
Whereas, Many teachers in the rural schools are, at the present time, receiving a salary in some cases below the normal living wage of the community,

Therefore Be It Resolved, by Herbert J. McKinnon Post No. 31, of Chelsea, of The American Legion, Department of Michigan, that the Governor and the Legislature of Michigan be respectfully petitioned as follows:
1. That adequate funds be provided to maintain reasonable salaries in the rural, grade and high schools.
2. That adequate funds be provided to pay reasonable salaries to the teachers in the rural, grade and high schools.
3. That the Governor of Michigan shall include the consideration of those matters on the calendar of a special session of the legislature of the State of Michigan.

It is hoped that all parties in this vicinity who are favorable to the above resolution will wire the Governor immediately, requesting that he take action on the resolution.

Two Weddings Mark Week's Social Events

A quiet wedding was solemnized Saturday afternoon at St. Paul's parsonage, when Miss Katherine Nicolai, daughter of Mrs. Albert Nicolai of Chelsea, became the bride of Paul Seltz, son of Mr. and Mrs. Fred J. Seltz of Lima township. Rev. P. H. Grabowski performed the ceremony. The attendants were Miss Estelle Seltz, sister of the groom, and Paul Nicolai, brother of the bride. Following the ceremony, the couple left on a short wedding trip. They will make their home in Chelsea.

The marriage of Miss Bernice Hall, daughter of Mr. and Mrs. George Hall of Ann Arbor, and Lewis Schneider, son of Mr. and Mrs. Chris Schneider of Sylvan township, took place at a quiet ceremony Thursday evening at St. Paul's parsonage, with Rev. P. H. Grabowski officiating. The attendants were Miss Verna Hall of Dexter and Frederick Young of Chelsea. Mr. and Mrs. Schneider will reside with the groom's parents in Sylvan.

AUXILIARY RECEIVES CHARTER
A meeting of the American Legion Auxiliary was held Tuesday evening at the home of Mrs. C. W. Maroney, with 16 members present. Plans for Armistice Day were discussed, after which Mrs. Blanche Palmer gave a report of the National American Legion convention and Mrs. Gladys Kolb a report of the District convention held in Ypsilanti. The charter was presented the Auxiliary by Wm. G. Kolb, Legion Commander. The Auxiliary will sell sandwiches and coffee at the football game on Armistice day.

HONORED ON 83rd BIRTHDAY
Mrs. Catherine Koch of Jerusalem was honored Sunday when her children, grandchildren and great grandchildren gathered at the home of her daughter and son-in-law, Mr. and Mrs. Albert Schiller, to help her celebrate her 83rd birthday anniversary. Old and white chrysanthemums were used in the dining room, and a huge birthday cake centered the table. The afternoon was spent in a social way, and the guests were served supper before returning home. Mrs. Koch received many nice gifts.

Armistice Day To Be Observed Here With Many Events

Plans have been fully completed for the Armistice Day celebration to be held in Chelsea on Saturday of this week and the Legion boys are expecting thousands of people from this vicinity and surrounding territory to attend the various events which are planned for the day.

The celebration has been well advertised in all surrounding towns and throughout the country, and it is hoped this event will attract the largest crowd that has ever attended an Armistice celebration here.

Beginning at 1:30 the big parade will form at the intersection of East and Park streets. The line of march will follow Park street to Main, to East Middle and continue to Holmes field for the football game. Included in the line of march will be the Legion, the Ladies' Auxiliary, Women's Relief Corps, Girl Scouts, Boy Scouts and pupils of the parochial and public schools.

Participating teams in the football classic will be the Dexter Independents and Chelsea Trojans. One of Chelsea's former stars, Cleland McLaughlin, who is now located in Dexter, will play with the team from that village. The line-up of the Trojans includes Chelsea's well-known stars. Immediately following the football game a balloon ascension will be made by W. P. Henderson of Toledo, popular balloonist who furnished many thrills at Newport Beach this summer. It is advised by those in charge that an interesting feature of this event will be the inflating of the balloon and everyone is advised to be at the field early to witness that part of the program.

Supper will be served the public at the public school auditorium, beginning at 6:00 o'clock. During the hours of entertainment will be furnished by the Ford Mountaineers, who are being secured by L. G. Palmer, local Ford dealer. This group entertained at the recent Ford Exposition of Progress at convention hall, Detroit, and are top-notchers in the realm of instrumentalists. 24 door prizes are being donated by the Chelsea Milling Co., increasing 12 boxes of Jiffy Biscuit Mix and 12 boxes of Pa-Ree Fluff cake flour. Mr. Holmes has donated door prizes for the Legion Armistice Day suppers for the past three years, for which the Legion is truly appreciative.

Following the supper, commencing at 8:30, Art Winters and his orchestra will furnish music for a public dance, which will close the day's activities.

Everyone is urged to attend all of the day's events and help the Legion make a success of the venture. In turn, the Legion plans to give the kiddies of the community a free Christmas program this year.

General Rod Licenses Available January 1st

General rod licenses for the calendar year 1934 will be in the hands of about 1,800 license agents before January 1, the Department of Conservation has announced. Licenses now held by almost 300,000 Michigan anglers do not expire until Dec. 31.

Under the general rod license law, adopted by the last session of the legislature, the Department pointed out, residents engaged in fishing in any manner must have a 50c license. Ice fishing in season, and spearing in season, is not excepted.

LIBRARY NEWS
The Chelsea Public Library will open Friday afternoon from 3 to 5 o'clock to accommodate its patrons. The library will not be open Saturday, Nov. 11.

Our new books are circulating with great interest. Jeffery Tarnol is a favorite author. Following is a brief review of two of his novels:

"The Broad Highway"—Jeffery Tarnol. A nobleman in disguise—adventures on the open road—a fair maiden to be wooed and won. A touch of mystery, a bit of romance, much adventure and stout fellowship go into this rather long but entrancing tale.

"The Way Beyond"—Jeffery Tarnol. Romance of youth and romance of age. Adventures—first fights, bludgeon fights, runaway horses and a mad bull. This in addition to a murder and its solution has been used by the author to make a story of rare charm and interest.

HOLD MONTHLY MEETING
The Parent-Teacher Association of School District No. 10 fr. Lima and Sylvan, held their November meeting on Friday evening at the home of Mr. and Mrs. George Steele. After the business session, cards furnished the diversion, Mrs. Fred Gentner and Alfred Faulkner receiving high scores in euchre; Gerald Metzger and Katherine Steele the consolations. A pot luck supper was served.

Bus-Car Collision Fatal To St. Clair Woman

An accident occurred at 10:30 Wednesday forenoon on US-12 about 5.12 miles west of Chelsea when an automobile driven by Rev. Joshua Stanfield of St. Clair skidded on the icy pavement, colliding with an east-bound Chicago bus at the short curve near the Herman Palmer farm. Rev. and Mrs. Stanfield were en route to Chicago to visit their daughter, the wife of Rev. Gardner. Mrs. Stanfield was instantly killed, while her husband suffered a badly crushed leg. He was taken to Mercy hospital, Jackson, by Plankell's ambulance. The car was badly damaged. The front wheels of the bus were driven under the car, but the occupants escaped any serious injuries.

Dr. Stanfield, a retired Methodist minister, has been a member of the Detroit conference for over 40 years and has occupied some of the best pulpits in the conference.

Lansing, Mich.—Every possible relief is to be given motor vehicle owners in the purchase of 1934 license plates, pending the time when a reduction in the cost of license plates can be secured.

The necessity for both tax relief and tax reduction is evidenced by the fact that on Nov. 1, there were 59,685 fewer automobiles operating in Michigan than on the same date in 1932 with a resultant decrease in revenue of \$1,158,000 and a corresponding decrease in gasoline tax revenue. Of the 415,000 motorists who used half-price windshield stickers permits until Aug. 1, Department of State records show that on Nov. 1st, 78,000 have been unable to pay the second half of the tax and secure 1933 plates.

These motorists must be given every consideration and the department has information that a great many motorists are not using their cars until 1934 plates can be secured. Many sales of new cars are being held up until 1934 plates can be purchased, although use of 1933 plates which may be purchased at the half rate during the balance of the year will be legal until March 1, 1934.

For these reasons, Secretary of State Frank D. Fitzgerald has announced that 1934 plates will be placed on sale in all branch offices Nov. 15 and police, deputy sheriffs and other law enforcement officers are requested to recognize 1934 plates on and after that date.

Michigan stands first among the 48 states in the percentage of recovery of stolen automobiles, according to a recent report of a national insurance statistics clearing house. Indications are that the number of cars stolen in Michigan in 1933 will be far less than the number stolen in 1932. The total stolen in 1932 was 2,193 and 2,084 were recovered. For the first 10 months of 1933, a total of 1,495 were reported stolen and 1,342 recovered. Reports from other states show that last year 25,863 cars were stolen and 18,386 recovered as compared with 16,801 stolen and 10,177 recovered for the first ten months of 1933.

Forty-eight persons came under the provisions of the financial responsibility law during the first 17 days it was in effect. Of this number 47 were found guilty of driving while drunk and one guilty of leaving the scene of an accident.

STOCKBRIDGE—Stockbridge is once more in the grip of scarlet fever, many cases having developed within the past thirty-six hours. The County Nurse was in the village last Tuesday, visited the school, sending some of the pupils home, and also visiting some of the homes of sick children. Brief Sun. Among those who have scarlet fever are the three children of Mr. and Mrs. Casper Glenn, former Chelsea residents.

The Ann Arbor District Booth Festival was held at the Home on Saturday, Nov. 4, and was attended by 125 visitors from the different Epworth Leagues. The beautiful display in the various booths made it hard for the judges to decide to whom the award should be given. Wayne county received honorable mention for money value which was easily figured but for artistry and originality it was more of a problem. After much discussion the committee decided it should go to Monroe county. Their booth represented a living room in an old farm home with its fireplace, mantel shelf, old clock and candlesticks, spinning wheel, a lighted kerosene lamp on the center table, where also were the mother's knitting and a Bible. The canned fruit was arranged on each side of the room, rocking chairs for each and as the judges viewed the scene, father and mother were alone and were engaged in the evening family worship. Voices were heard singing old time songs. It was pathetic as well as original and artistic. The contents of the booths were left for the people in the Home. There was about 1000 quarts of canned goods and a large quantity of fresh fruit and vegetables. Guests had their pot luck dinner in the Home dining room and put on a fine program in the assembly room after dinner. Viewing the Home and visiting finished the day, and the family extended their hearty thanks to all who helped with the festival.

One section of the second floor of the new warehouse which has just been erected by Dr. G. W. Palmer, collapsed Tuesday afternoon. D. Hiebert of Lima had just finished unloading onions and had stored about 1000 bushels on this section of the floor. Their weight was nearly 60,000 lbs. and this proved too much for the supports of the floor.

PLYMOUTH—The bicycle in Saturday's parade, which was ridden by Haldor Burden, younger son of Mr. and Mrs. Ernest Burden, has an interesting history. It was built in 1873. This type of wheel was called "The Shire Spring Velocipede." A Mr. Youngs, a resident of the Methodist Home at Chelsea, Michigan, used it about three years. For the next four years, the bicycle was on exhibition in Peco, South Dakota. From there it was returned to Mr. Youngs and he rode it between the Home and the village for several years. In November 1922, the Burdens visited some friends at the Home and upon seeing the wheel, they expressed a desire for it. The Matron of the Home shipped the bicycle to Plymouth in return for a donation by the Burden family. The wheel has been in their possession ever since.—Mail.

Have you heard the cricket's song,
His Indian-Summer call?
We used to hear him long ago
When leaves began to fall.

I still can see his little home
Beneath the chimney hearth,
The memory of that sharp shrill song
Is sentiment of worth.

The old log house with one square room,
The windows 4 x 3,
The bedsink in the corner with
A curtained privacy.

A braided rug upon the floor,
That Mother braided, when
Rags were plentiful, and were
A surplus from her mend.

And last but not the least of all,
Which precious memories trace,
Were Back-log, Andirons and crane,
That filled the fireplace.

Have you heard the cricket's song,
His Indian-Summer call?
We used to hear him long ago
When leaves began to fall.

—Arthur Carlton, M. E. Home.

says Miss Aileen Spafford

MISS SPAFFORD, well-known Detroit Free Press writer, is an enthusiastic exponent of convenience in the home. Recently, in an article in the Women's Pages of the Free Press, she wrote:

"Only people who possess a telephone extension in the kitchen know what a time-saver such an arrangement is."

A kitchen extension telephone makes it easy to place and answer calls, no matter how busy you are, without taking your eyes from the stove, so running to another part of the house. And it affords privacy for your telephone calls when you have guests.

An extension telephone makes an ideal Christmas gift, and costs less than 30¢ a day! Any telephone business office or your order. Installation will be made on any time you specify.

MANCHESTER—The Sharon Hollow mill, that was built by J. W. Rice about 100 years ago, and used to grind wheat, rye and corn for the farmers of the country around has been moved back a few feet, as it stood in the road. It has been painted white, too, but has as yet no foundation under it. The old saw mill retains its ancient appearance. It perhaps has the same equipment as when first built and may be the only one of that type of crude saw rig left in the state.—Enterprise.

This Week!

Better be in town Saturday. It's Legion Day! A football game between Trojans and Dexter will be one of the main features. There will be a parade, a balloon ascension, a football game, a supper and a dance. There'll be a hot time in the old town Saturday night.

Here's some more news—Friday is the football game between our boys and Manchester. The only trouble is that the game is over there. Boys and girls, get your ears out and let's run over and support our team.

Basket ball practice starts! That's good news. Here's hoping we have some good teams—and we will!

Chelsea Overwhelms Dundee In Game Here

Chelsea High upset the probable results in the Huron League schedule last Friday by defeating Dundee with a final score of 35 to 0.

Chelsea High appeared to be far superior in every respect of the game. Chelsea had a very efficient running attack and a very brilliant aerial attack. Chelsea High attempted ten passes and completed six of these, which is very excellent average. Novess did some very fine punting, one of which went for 70 yards from the line of scrimmage which makes it actually about an 80 yard punt. The average yardage for his punts was 38 yards, which is also very good for high school competition.

Dundee attempted nine punts but one of them was broken up by a pass. Grove on the 20 yard line. A pass from Novess to N. Panaritis advanced the ball to the seven yard line from which N. Panaritis took the pigskin across the goal line for a touchdown.

In the first half H. Wallace ran eleven yards along the side lines for another touchdown. The blocking for this game was very good, thus making possible the long runs. G. Novess ran 25 yards for another touchdown on a lateral pass from Nick Panaritis. Again in the second half G. Novess scored again. All of the points after the game were placed kicked by Novess except one that was passed to Pete Allshouse.

During the last half of the game many of the regulars were taken out and the subs were put in to get a taste of the game. It was during the time that the subs were in that Dundee made her only touchdown. Dundee then attempted the point after but the kick missed the goal post by about ten feet.

The winning of this game is significant in that Chelsea High is now in second place in the Huron Valley League, having won three games and lost one. Milan has run away with first place, winning four games and losing none.

ATTENTION! TO WHOM IT MAY CONCERN!

Special warning is issued to certain Freshman boys who a few evenings ago were stopping down East Middle Street like airplanes with broken wings. Said boys capted a lady crossing the street and suddenly one of them swooped toward the lady, thinking possibly that it was the "Little Bad Wolf" and immediately tried some cave man stuff or in plain English the "Bear Hug" and to his amazement found that his wings were not encircling the "Little Bad Wolf" at all but a very surprised married lady.

Lesson: Be sure you're right before you go ahead!—because possession is nine points of the law.

Any one wishing any further information is urged to interview Bleeker, Richards, and escort.

Industrious Botanist

To learn more about the flowers and trees that grow at the old Spanish missions of California, a botanist disolved adobe bricks from mission buildings and examined the fragments of plant refuse used in binding the mud bricks together.

Women's Faces on P. O. Stamps

Only three women have been honored by the use of their portraits on United States stamps—Martha Washington, Queen Isabella of Spain and Pocahontas. But other representations of women and girls have appeared on the Red Cross stamps and the Arrow day stamp are examples of these.

Armistice

Though minds were saddened by the sight of soldiers marching by, Our hearts leaped high with glorious joy For the dawning of a light.

Peace! Peace! the ringing bells were told On that November day, That brought our boys back home to stay. Once more within the folds For comrades who were left behind In Flanders field so wan, We sound our taps while marching on Still honoring mankind.

Findings

Well, well, well, I guess I forgot to tell you anything about last week's happenings—and spunking of happenings, that reminds me of Hap. Hap reminds me of the hostess, and the hostess reminds me that there was a party.

Spunking of this party reminds me to tell you of the out of town guests that attended it. There was a boy from Jackson who visited last Middle street before and after the party. A girl from Ann Arbor, several from North Lake and the rest from Chelsea. It really was quite a party.

Who asked Bob Williams to go for a ride? He says he had a car from Detroit and was obliged to stay home and entertain them.

I hear a certain girl from North Lake has left a big impression on Dundee's mind. Who is she?

My time is short, my speech is long, my pen is out of ink, so I guess I'll say "so long" until later.

—Seamus Finner.

Tennis Court Facts

Would you believe it? Charles it is trying to be hidden the second.

There is a red headed boy from Madison St. who wants people to know he thinks he is good.

Oh yes! We also notice some of our farmer boys are trying their luck at tennis during noon hour. The most noticeable one is Harley Prudden.

We will have to get a new football manager if Walworth becomes too interested in tennis.

On Halloween

On Halloween we went to Miss Yager's room to see her girls and boys in Indian costumes, which they made. While there, we gave for them our Swiss Mountain March.

The Fourth Grade has organized a Girls' and Boys' Council with Mrs. Steiner as Advisor. This council will take care of some "playground" and room difficulties.

The following officers were elected by ballot:

President—Marion Wolf.
Vice-Pres.—Joanna Messervy.
Secretary—Lawrence Dietle.
Treasurer—Virginia Barr.

Sixth Grade

The written work in our room is improving in appearance. Our aim is to make all of our writing specimens of our best penmanship. We are checking some of our work with the American handwriting scale.

Paul Schneider brought some silk worm cocoons from the World's Fair. We soaked one of them in boiling water and uncoiled yards and yards of silk from the cocoon. We appreciate more than ever the work of these skillful weavers—the silk worms.

We have been reading together some of Uncle Remus' stories. We became interested in them through a discussion of dialects. These stories are written in the dialect of the southern negro and are full of the superstitions and quaint philosophy of the old negro of the south.

Our unit of work on the Middle Ages is almost finished. We plan to finish checking what we have learned next week.

Fifth Grade

A very small snapping turtle has been adopted by the Fifth Grade. We assure you it will have a pleasant home.

They had a Halloween party with the Sixth Grade as guests. Many games were played, with Donald Parsons as the winner of the boys, and two sixth grade girls as winners of the girls. Candy, cider and popcorn were served as refreshments.

To complete the study of New York, reports of the city itself were given by several of the fifth grade pupils.

Mrs. James Cadwell was in Jackson to attend the bi-monthly dinner of the "Congenial Jurymen" and also in Brooklyn to attend the minstrel show given for the American Legion post of that place. She was a guest of Mr. and Mrs. Owen Thacher whose son, William, took part in the show.
Miss Esther Clark of Grass Lake was a week-end guest of her aunt, Mrs. Irving Kalmbach.
The W. F. M. S. of Salem M. E. church will present the play, "The Minister's New Car" on Wednesday evening, Nov. 15. There will be a free will offering and following the play a supper will be served in the basement of the church.
Mrs. Archie Davis of Grass Lake was here on business Monday.

The Bird Dog!

TO THE LEGION

They have come back—O Mother of men;
Your wretched nights have known rest again.
They have come back to allay your fears,
To kiss your brow and dry your tears.
They are the million and more than ten.
Who went as boys and came back as men.
They have come to halt a thousand ills
And curb old wrongs and graft that kills.
They are back to shame the ones who shied
Of duty, while many braver died.
And the tailored thing, some call a man,
With never a hope or never a plan,
Shall be thrust down from the seal of spoil.
They are back to order a land that's theirs,
Where they are the only rightful heirs.
For they are the people—their's the might
And they shall rule as they fought their fight.
When they went as boys—they are back as men,
That the land may be what it should have been.
They're back!

The above poem was written by Jas. W. Roiser of Sandwich, Ont., about 15 years ago. It was published in several Canadian papers as well as the Detroit Free Press. Mr. Roiser is a cousin of Mr. and Mrs. C. P. Hewlett and nephew of Mr. and Mrs. E. Hewlett, Chelsea, Route 1.

Means for greatly improving the durability of rubber have been developed in recent years, and some rubber products are guaranteed for as long as ten years.
Progress of the Derby
Though there has been a derby ever since 1750, it was not until Queen Victoria and the Prince Consort attended the race in 1840 that it was thought to be quite respectable.

"He careth for you"

IT IS related of "Christian," in "The Pilgrim's Progress," that he began his journey to the Celestial City bearing on his back a great burden, but that it rolled away from him when he had gone far enough to behold the saving love of Christ. As we journey through this earthly experience, it seems sometimes as if we, too, were weighted with a heavy burden which we feel it is our duty to carry, although it greatly impedes our progress. What a relief it would be to get rid of this incubus, to learn that we may pursue our way unencumbered, and find all our needs abundantly supplied so long as we do not wander from the right path.
"Cast thy burden upon the Lord, and he shall sustain thee," said the Psalmist. Many instances of this sustaining love, experienced in ancient times, are recorded in the Bible, and many more might be recorded in our own day; for those who obey the Scriptural command, "Humble yourselves therefore under the mighty hand of God," are casting all your care upon him; for he careth for you, as learning that God does care for His creation.
Christian Science is teaching many a one to undo the heavy burdens of care and anxiety by gaining a clear understanding of what God really is. On page 466 of "Science and Health with Key to the Scriptures" Mary Baker Eddy writes, "God is incorporeal, divine, supreme, infinite Mind, Spirit, Soul, Principle, Life, Truth, Love." As we become conscious of the all-embracing, all-sustaining divine Mind, which is always present everywhere, the nature of which is wholly loving, just, and true, we lose the fear of being crushed by oncoming evils. So we become braver, for every side we see evidence of the presence of good. Perhaps we had long ago been taught that God is Love and now we can prove it. Even human parents would not willingly burden their children. Can the human be more loving than the divine? Is not God the source of all our love? Man cannot be more just, more loving, than his Maker. Cast your care upon Him, for he careth for you.
What is our special burden? Is it one of anxiety for our business, fear for its future and for that of our staff, our employees? Let us cast all our care upon divine Mind, for divine intelligence supplies us from day to day with the justice, honesty, resourcefulness, wisdom, courage, and opportunity which we need. Truth
