## M. J. Dunkel Will Direct All Activities Of Federal Screw

### Change In Management Became Effective Last Week; Mahlon Dunkel, Jr. Is Manager Of Chelsea Division

New Policies Expected To Bring  
Additional Business To Chelsea  
Division Of Federal Screw

#### COMPANY PAYROLL INCREASING

Due to changes in the management of the Federal Screw Works plants, announcement is made that Russell A. Gump, who has held the position of president and manager, is no longer with the company, and M. J. Dunkel,

M. J. DUNKEL

who has served as Vice-President of the company and general manager of the Chelsea Division, has been named general manager of all Federal Screw Company plants.

The change in management became effective on Wednesday, February 18, when Mr. Dunkel took over the active management of the affairs of both the Detroit and Chelsea plants of the company.

Simultaneously with the announcement of the appointment of M. J. Dunkel as head of the company operations came the announcement that Mahlon Dunkel, Jr. will hold the position of manager of the Chelsea Division. Mr. Dunkel, Jr., or "Coozie" as he is known to his many friends here, has been associated with his father as assistant manager of the

MAHLON DUNKEL, JR.

local plant and is well qualified to take over the responsibilities of his new position.

Business of the Federal Screw Works has increased steadily during the past few months until at the present time approximately 150 men are on the local payroll, while 400 are employed in the Detroit plant, with the number increasing daily.

M. J. Dunkel will spend most of his time in Detroit as the result of his added responsibilities. A larger portion of the company's manufacturing will come to the local plant, which will assure steadier employment for Chelsea labor.

The annual meeting of the company will be held on March 12, when permanent organization of the company will be perfected.

#### PASTORS MEET HERE

The Ann Arbor Pastors' circle of the Evangelical churches, including Ann Arbor, Jackson, Lansing, Albion, Saline, Manchester, Rogers, Corners, Freedom, Dexter and Chelsea held an all day meeting on Monday at the home of Rev. and Mrs. P. H. Grabowski. Eighteen members were present. The regular business meeting was held in the morning, followed by the dinner at noon. In the afternoon, Rev. H. E. Von Rague of Manchester read a paper on The Evangelical Minister. Later in the afternoon a social hour was enjoyed.

### Effort Being Made To Locate Industry Here

In an effort to secure definite information as to the possibility of securing an industry of industries for the vacant factory buildings in Chelsea, a fund is being raised by subscription to send Geo. Woods to Washington.

Mr. Woods has spent considerable time in the employ of various government agencies and believes he will be successful in obtaining information from officials in Washington, which will prove valuable in locating the type of industry best fitted to local needs, which is along the line of President Roosevelt's scheme of decentralization of industry.

This proposition was first discussed about two weeks ago and a petition was circulated which asked the council to appropriate funds for the expense of sending a representative to Washington. The petition was never presented to the council, and a meeting was called for Monday of this week, which was attended by business interests of the village and the common council. At this meeting it was agreed to attempt to raise funds by individual subscription and on Tuesday a major portion of the necessary amount was subscribed.

It is expected the full amount necessary will be subscribed and that Mr. Woods will leave soon on the mission which it is hoped will bring added business activity to Chelsea.

### Jurors Selected for March Term of Court

The following list of jurors have been drawn to serve on the March term of circuit court:

Ann Arbor—Lewis C. Depperman, Fred W. Hicks, Mrs. Irene Wagner, Bert Root, Mary E. Saur, Mrs. William S. James, Herman J. Gootz, Albert E. Jeele, Mrs. Olive R. Sweet, John Hanselman, Miss Anna O'Brien, Mrs. A. J. Rousseau, John Young.

East-Eastick and Charles Finch, York township; Leon Staats and Walter Frey, Manchester; George Lamphear and Josephine Sharpey, Selo township; Gottlieb Heller and Thos. Vail, Sylvan township; Edward McCalla and F. C. Hollis, Pittsfield township; Willets M. Derbyshire, Augusta; Mayne L. Evans, Mrs. Gertrude Davis, Mrs. Anna E. Earl and Herman M. Perkins, Ypsilanti.

A total of 21 criminal cases including the trial of Mrs. Celia Carwinka, charged with being an accessory in the murder of her husband, Mike Carwinka, are included on the docket.

### Suggests Return of Gas Tax to Villages

If cities and villages are to conserve the investments they have made in the construction of streets, they must receive a portion of the gasoline and weight tax revenues because local property taxes can no longer be depended upon to yield sufficient revenues to properly support municipal streets.

This was suggested as a partial solution to the problem of financing city and village streets by Herbert A. Olson, staff engineer of the Michigan Municipal League, speaking Wednesday afternoon, Feb. 19, at the Twenty-First Annual Highway Conference, University of Michigan, Ann Arbor.

Declaring that city and village streets are now the only class of highways in Michigan not supported by state gasoline and weight tax revenues, Olson said: "It is logical and reasonable for the municipalities to participate in these funds to finance street maintenance and improvement work inasmuch as their streets bear 50 per cent of the motor vehicle traffic in the state and their residents pay more than 80 per cent of the gasoline and weight taxes."

#### CHICKEN SUPPER

A chicken supper will be served by the Women's Union of St. Paul's church, Saturday, February 23, from 5 to 8, at the public school auditorium. Price 40c and 25c. Adv.

#### CARD PARTY

Card party Thursday evening, Feb. 21, at St. Mary assembly room, 8:00 o'clock, given by young ladies' Sodality. Adm. 25c and 15c. Refreshments and door price. Adv.

### Candidates Named for Village Offices

Chelsea's village caucuses were held at Sylvan town hall Tuesday evening and two complete tickets were placed in nomination for the election on March 11. However, on Wednesday, J. E. McKune, who was nominated to head the People's party ticket on which he has been elected to serve three terms as president, stated that he would not be a candidate for reelection, and Wm. G. Kolb, who was nominated as treasurer on the Independent ticket, announced that he would not be a candidate.

Vacancies caused by withdrawals will no doubt be filled by the party committees before the last date for filing candidacies so that two tickets will in all probability be in the field. As the tickets now stand the candidates are as follows:

**People's Party**  
President—Clark—C. O. Bahnmiller.  
Treasurer—Chester Miller.  
Trustees—Jacob Hummel, John Frymuth, H. B. Murphy.

**Independent Party**  
President—Roy Harris.  
Treasurer—James Munro.  
Trustees—Ernest Adam, J. Edward Weber, Claude Spiegelberg.  
Assessor—Roy Dillon.  
Party Committee—C. Lehman, Roy Harris, J. N. Strieter.  
H. D. Witherell presided as chairman of the People's party caucus, and O. D. Schneider was chairman of the Independent caucus.

2:30-2:45—General discussion of the above topic.  
2:45-3:00—Instrumental music under the direction of Miss Odina Olson.

#### LEGION COMMANDER TO SPEAK

On Wednesday night, February 27, the National Commander of the American Legion will deliver a coast-to-coast broadcast over the Columbia Broadcasting System in which he will discuss vitally important matters concerning the legislative situation with regard to immediate payment of the Adjusted Service Certificates. The time of the broadcast will be from 11:45 to 12:00 midnight, Eastern Standard time.

#### IN NEW LOCATION

Announcement is made by Lloyd R. Heydlauff that he has moved his electrical appliance store to the Winans Jewelry Store on Main St. Mr. Heydlauff believes the new location will enable him to have a better display room and he will have larger quarters in which to take care of service work.

**FARMERS' UNION MEETING**  
A Farmers' Union meeting will be held Friday evening, February 22 at 8 o'clock, at Sylvan town hall, Chelsea. A speaker is being sent by the State Union, and other speakers from outside the state will be present. Everybody welcome. Ladies invited.

Good looking? You bet it is. But you'll admire the performance of this 1934 U. S. Royal, even more than its fine appearance. That broad, deep-notched Cogwheel tread and those high-buttressed shoulders mean business. Both tread and sidewalls are made of Triple TEMPERED RUBBER, the coolest-running, slowest-wearing tread in U. S. Tire history.

HOLLY—E. A. Gorney of Holly township, who now owns the old Heinz property near the railroad junction in Holly, is organizing the Gorney Malting Co. which will be located here. None of the old buildings will be used, the plans calling for about \$75,000 worth of new construction, all of brick and cement. The plant will use 200,000 bushels of barley per year, and the new silo storage capacity will be large enough to take care of that amount at one time, several cement silos, each 20 feet in diameter and 50 feet high to be erected. Special price inducements will be offered the farmers of this section to grow barley, but it may be necessary to ship in a part of it. When completed, the plant will employ 15 to 25 men, and should be of great value to the farmers of this section. The village council has granted the company immunity from village taxes and water tax for a period of 5 years.—Herald.

There was also a large number of hogs and cattle shipped by Messrs. Dancer & Downer and Wm. Long, totaling considerably over 1000 head of stock. Over \$10,000 was paid out by the buyers.

February 21, 1901  
Stephen Hadley of Unadilla and Miss Steiner of Marion were married on Wednesday, February 13.  
The new pipe organ for the M. E. church has arrived and is being placed in position.

Died, on Tuesday, February 19, at his home in Waterloo, William Palmer, aged 82 years. Mr. Palmer was the father of Dr. G. W. Palmer of this place.

Chelsea Lodge, No. 194, Knights of Pythias gave their 5th annual banquet Tuesday evening. A pleasant social time was enjoyed in their club rooms, after which the banquet was served at the Chelsea House.

J. R. Boyden of Medina, Ohio was the guest of his brother, Ralph, the first of the week. He is on his way to Cuba, where he has accepted a position as superintendent of apiaries for a large concern.

Lafayette Grange was entertained at the home of Mr. and Mrs. Keyes of Lima township on February 14.

PINCKNEY—The attorney general has handed down an opinion to the effect that as H. D. Douglas failed to file an affidavit of eligibility within the prescribed time, he is not eligible to be a candidate for school commissioner at the March 4 primary. As this was the only contest on the ticket, there will be no primary in this county. The opinion further stated that this would not prevent Mr. Douglas from being a sticker candidate. This new eligibility law passed in 1931 seems to have caught many candidates napping. In Bay county four candidates were barred from the ballot for not complying with it.—Dispatch.

**"AND WHAT IS MY NEIGHBOR?"**

St. Luke—10:29  
My next door neighbor is a friend,  
A friend of mine is he,  
Though point of view may differ,  
We agree to disagree.  
The language which he speaks, perhaps,  
I may not understand,  
Yet, when I knock upon his door  
He greets me with both hands;  
When he is sick I come across  
And try to bring good cheer,  
Though he were born across the sea,  
No seas between us here.  
He may be Orthodox, or Jew,  
Protestant, French, or Greek;  
He is my neighbor, and as such  
On equal terms we meet;  
He's neither Dago, Wop, nor Hunk,  
He's just my brother man.  
Though out of joint may be his tongue  
Our hearts, they understand.  
A little gate in our back yard  
Swings both ways at a time,  
And through that gate our kindnesses  
And courtesies combine.  
Some day by blessed example, and  
The power of love Divine,  
His viewpoint of things will change,  
As Love one day changed mine.  
—Arthur Carlton

**OUR NEIGHBORS**

HOWELL—Five dead bob cats on display in front of the Haller Sport Shop last week attracted considerable attention. The five shown were part of some 10 or 12 shot by Walter Hastings and his party in the upper peninsula last week. They were ferocious looking creatures and ranged from small to large. The fur is to be made into jackets. According to reports these animals devour a deer a day at this season of the year, and the conservation department is striving to reduce their numbers in the deer country. This fall a bob cat was shot just over the northwest county line.—Republican-Press.

GRASS LAKE—The Ben Washburne auction sale held Tuesday of this week was undoubtedly the largest sale held in this vicinity in many years and all stock and goods offered brought exceptionally good prices. Hay brought as high as \$28 a ton; cows as high as \$88; one span of horses sold for \$405, being purchased by Fred W. Burkhardt. Farm machinery brought very good prices.—News.

NORTHVILLE—The discovery of an Indian relic, believed to be the work of the famed Chief Pontiac, and described as a small piece of slate with two words inscribed on it, has given Harvey L. Guntzville, who lives at the corner of Taft and Eight Mile roads, a cause for elation. The

two words on the stone are "Pontiac" printed in capital letters, and "Chief," is written below it. The stone was found with some other relics on the shores of the Huron river, between Whitmore lake and Brighton one day last fall when Guntzville was out on a relic searching expedition with his two brothers. The other objects found were a meal pounder and a drill of the kind the Indians used for punching holes in buckskin. Both of these were also made of stone.—Record.

DEXTER—Mrs. George Reimold, of Freedom township, died last Sunday night following a very short illness. Funeral services were held on Wednesday afternoon at Bethel church with Rev. S. V. Rague officiating. Mrs. Reimold was a sister of Rev. A. A. Schoen, pastor of St. Andrews' church.—Leader.

No other automatic refrigerator costs as little to operate as the New Air-Cooled Electrolux! And with good reason! Electrolux has no moving parts. A tiny gas flame circulates the simple refrigerant. Ordinary air cools it. And that's all!

Unmatched, too, is the permanent silence of Electrolux. With no moving parts, there is nothing about Electrolux to cause noise—or grow noisy. Nothing, either, to wear.

## Chelsea Team Wins Another Debate

Chelsea High's debate team defeated Britton in the first elimination debate last Wednesday evening. Chelsea defended the negative and Britton the affirmative.

Marion Todd, Pershing Meyers and Lyle Carlisle were on the Britton team. Helen Baxter, Jean Blescker and Richard Sowers were on the Chelsea team. There was one critic judge, Carl Robinson of Ann Arbor, who is the former coach of the Battle Creek state championship team of 1934.

Over two hundred Michigan high schools entered the preliminary debate competition which began last November. Only fifty-eight high schools finished the preliminary debates. These fifty-eight high schools, one of which is Chelsea High, will be presented with the University of Michigan Wall Plaque by The Detroit Free Press. The design of the plaque is taken from the University of Michigan shield. The base is of American walnut and is 17 inches in height, 15 inches across the top and one inch thick. The medallion, which is nine inches in diameter and three-eighths of an inch thick, is cast in solid bronze with all lettering embossed.

In addition to the school award, the Free Press will present individual awards in the form of a lapel button or pin to each student participating in one or more elimination debates. The pins are copies of the wall plaque trophy.

The next contest in which Chelsea will debate will be held at East Lansing high school some time between February 27 and March 1. In this debate Chelsea will be among the 32 winning teams of the state.

Watch for the exact date for this debate; then come and hear it!

## Seniors Now!

Looking back in the year '30-'31 I see a bunch of very green freshmen staring at the numbers on doors and trying to find their way around. I see Junior Seitz with short pants, Davy Winans half his size with long ones, Walter Balmer and Dick Barton timidly asking their way to study hall, Nicky, Charlie and Bob Williams, old timers, boldly escorting the newcomers around. The Waterloo bus drove up to the door. Zilpha Shaver hurriedly told Helen Baxter, Janet Dancer and Mildred Goodell that she knew the tiny newcomer. Her name, she declared, was Leona Moeckel. Following came several buses bearing Ronald Haselschwerdt, Herbert Mauch Lucille Kuhl and Marie Haselschwerdt. Next came a bus from North Lake bearing Mildred Noah and Irene Stofor.

It was now 8:35 and in came Norman, breathless and starting his record for punctuality. Marie Wenk timidly followed him. Of course it wasn't her fault; she had to ride with him.

I glanced around study hall just in time to see Doris Boone whispering to Marjorie Sodi, Dick Sowers chewing gum, Douglas Kennedy shooting a paper wad at John Lehman, Bob Niehaus laughing, Loren Beutler trying out the pencil sharpener and Geraldine Mast and Ruth Baris sitting in their seats looking rather disgusted. My pen is poor, my ink is worse and my arm is tired so I won't mention the rest who were a jolly good bunch anyway.

## Girls' B. B. Results

Now that girls' basketball is practically at an end we wish to summarize the last few games with a little about each. A few weeks ago we journeyed to Belleville and there won the first game with a score of 8-5. We played a new type of basketball the first half of the game, called two courts. This type of basketball is a great deal faster than the older method but a lot more fun to play. Last Monday night we played Manchester on our own floor and tied them, 18-16. It was a hard and fast game all through although it may have appeared slow to the onlookers. Last Friday we journeyed to Clinton to play a preliminary game with the girls there. We were beaten by a score of 7-8 in one of the fastest and worst games of the season. Our forwards went awfully and we all played our best but the Clinton girls were a bit too accurate in shooting. We were served a lunch afterwards in the Domestic Science room there, consisting of fruit salad and cookies. After thanking the Clinton girls for their delightful surprise we journeyed home to attend the dance held here.

## Food for Thought

1. Suppose a certain senior boy took a tall blonde sophomore girl—she does her hair up—out steppin'.
2. Suppose Ruth Anne should lose a certain somebody.
3. Suppose a sophomore, curly haired blonde boy should steal one of Harry's many companions.
4. Suppose he didn't care.
5. Suppose the Journalism editor and the certain curly haired junior boy got together.
6. Suppose Angeline didn't have so many dates.

## Suffer Third Defeat

The Chelsea boys went down to their second defeat last Thursday. They played Roosevelt at Roosevelt. The boys started out at what looked like an easy game. At the end of the first quarter it was 8 to 2 in favor of Chelsea. In the second quarter Chelsea failed to score while Roosevelt began to click. At the half it was 9-8 in favor of Roosevelt.

In the second half Chelsea came back with lots of pep from the talk Mr. Johnson had given them. They made 10 points while Roosevelt made five. At the end of the third quarter the score was 14-18 in favor of Chelsea. In the fourth quarter Roosevelt again started to click and brought the score up to within one point of the lead. Then in the last few minutes of play Bailey of Roosevelt sank the winning basket.

## Thru the Eyes of a Fan

The last two league games which our regulars have played, and lost, makes me think of the plight of the Detroit Red Wings. The regulars were having a hot season, tied with Milan for second place. Then we played Belleville and lost. The same thing happened at Roosevelt and we lost hope.

Practically the same thing has happened to the Red Wings, the class of their league last year. Starting the present season the Red Wings were rated to finish at the top. Fate, however, stepped in in the form of bad breaks, injuries, and just plain bad luck. The result, the Red Wings lost consistently in spite of heroic efforts to win.

During an important road trip the Red Wings had beaten the Canadians and were "rarin' to go." In Boston a few nights later the score was 0-0 during an important game. A Boston forward skated in near the Detroit goal and shot. Normie Smith, Detroit goalie at that time, caught the puck but as he tried to throw it away, it slipped through his fingers for the winning goal for Boston.

Another time Detroit was one up on Boston. Goodfellow passes to Sorel who misses the pass with an open goal in front of him. Incidentally, Detroit didn't win that game.

Those two bad breaks happened during two important games, games which would have ridden Detroit of its "inferiority complex". But instead, they sealed their doom more completely.

At the present date, February 18, the Red Wings have not won a game in twelve starts. Bowman and Howe were added recently but the additions have not helped as yet.

But then, why worry about the Red Wings, who are just about past hoping for. My eyes turn to baseball news and Mickey Cochrane with his scrapping bunch of Tigers. Here's hoping a similar plague doesn't hinder the Tigers in their drive for the pennant!

## Reserves Win Two

Last week Monday the Chelsea Reserves defeated the Manchester Reserves, 17-6. The Chelsea boys took the lead at the beginning and led all the way through. At the half the score was 11-2 in Chelsea's favor. In the second half Chelsea didn't make as many buckets as they had in the first half but they managed to drop three of them. The high point men for this game were: Chelsea, Cook, with 8 points, while Leeson of Manchester had 4.

On Thursday the Reserves defeated Roosevelt on Roosevelt's home court. The court at Roosevelt was larger than any the boys had played on before but in spite of this handicap the boys played a marvelous game. The boys led at the end of the first quarter, 5-2. In the second quarter they caught their stride for a 7 point lead so when the half ended they were still leading, 12-3. In the second half both teams tightened down and it was a close battle. Chelsea managed to get 6 more points this half while Roosevelt got 5. The final score was 18-8 in favor of Chelsea. The high point men in this game were: For Chelsea, Wheeler, with 7 points, and for Roosevelt, Roy, with 6 points.

This week Friday, Chelsea plays their last game of the season. The game will be played at home with Lincoln High as the opponents. This game will be the final game at home for four of the first team players. The four seniors who will graduate this year are Nick Panarites, Charles Panarites, Junior Seita and Leo Allis-house. These boys have meant a lot to Chelsea's hopes of winning League places in the four years they have been in school and we hope you will all turn out to see them in their last home game of the season.

## Caesar Says

### SEIZER LISTENS

Beginning, our motto is, Better to have loved and lost than to have won and then be bossed!

Here's a joke with the originator, Jane Belser—Gee, he sure is tall.

Mutz—Maybe so, but he's built like a cow.

Jane—So are you.

Mutz—How you figger?

Jane—You're bull-headed.

Does "stuck up" mean you're stuck on someone?

Doctor—Weak eyes, eh? Well how many lines can you read on that chart?

Max Youngs—What chart?

Why does Normie, the farmer boy, call Helen his sweetie, "Little Easter Egg?"

Because, Normie says, she's hard boiled, painted and can't be beat.

What do you think of that two-for-a-dollar cigar I gave you?

I think you must have kept the 95-cent one.

Registrar—Have you been married before? If so, how many times?

Film star—What's this a memory test?

Did you hear that the whole city of Chicago was sick?

Sure, I picked up a paper and the headlines read, "Chicago Ill".

We're signing off before you become sick.

May I Have This Dance?

That's what everybody was saying Friday night all right—and nearly

everybody was there, it seemed so, at any rate, for never before have any of the Senior dances been so largely attended by the high school students. It was truly the "younger crowd's" dance. Everybody raved about the orchestra, and everybody seemed to be having a grand time. The general expression seemed to be "simply swell." It's hard to say who was with who since only a very few couples were present but everybody else and it was with few exceptions—namely, the entire faculty, almost like a high school dance. Door prizes were given away but neither of them went to students so all those who were planning to get some candy from their "best friends" were sort of disappointed. But here's to the Seniors, and bigger and better dances!

## "HOW SHELLEY LOST HIS LIFE"

The English Literature class were giving opinions on Shelley, an English author of the "Age of Romanticism" when Miss Fowlkes asked this question: "How did Shelley lose his life?" Charles Panarites (very earnestly): "Miss Fowlkes, was Shelley swimming at the time he drowned?"

## NEW FORD V-8

## The Car Without Experiments

THERE's never any doubt about value when you buy a Ford car. You know it's all right or Henry Ford wouldn't put it out. One thing that never changes is his policy of dependable transportation at low cost.

That's the biggest feature of the New Ford. The reliability and economy of its V-8 engine have been proved on the road by upwards of 1,400,000 motorists. Owner cost records show definitely that the Ford V-8 is the most economical Ford car ever built.
