In New Car Sales

New passenger car registrations recorded in the office of the Secretary of State, show an increase of slightly more than 64 1/2 per cent for the first 18 week days of January, 1935, over a similar period for 1934.

The compilation for the 18 days of January, 1934, shows that 5,288 titles for new passenger cars were issued; the total for the similar period in last January was 8,227. The figures afford concrete evidence that automobile factories, working at high gear with double shifts in some cases, are not merely piling up stock surpluses, but that buyers are making the dealers' cash registers ring with the note that spells benefit for the state as a whole.

In connection with the issuance of titles, the Secretary of State's office points out that an average of 60 of them are being returned daily, chiefly for lack of proper or complete address of the owner of the car and title.

The characteristic restlessness of the American people, coupled with the fact that many people move without leaving forwarding addresses, is also a factor in the building up of a special file which contains all such undeliverable titles. This file holds from 3,500 to 6,000 such titles, at all times. To balance the titles being returned daily, the department is able to re-mail about the same number every day, as owners write in to complain that their titles have never reached them.

There comes a time when nearly every title must be claimed. No one can enter into any legal transaction involving his car, without the title.

## OUR NEIGHBORS

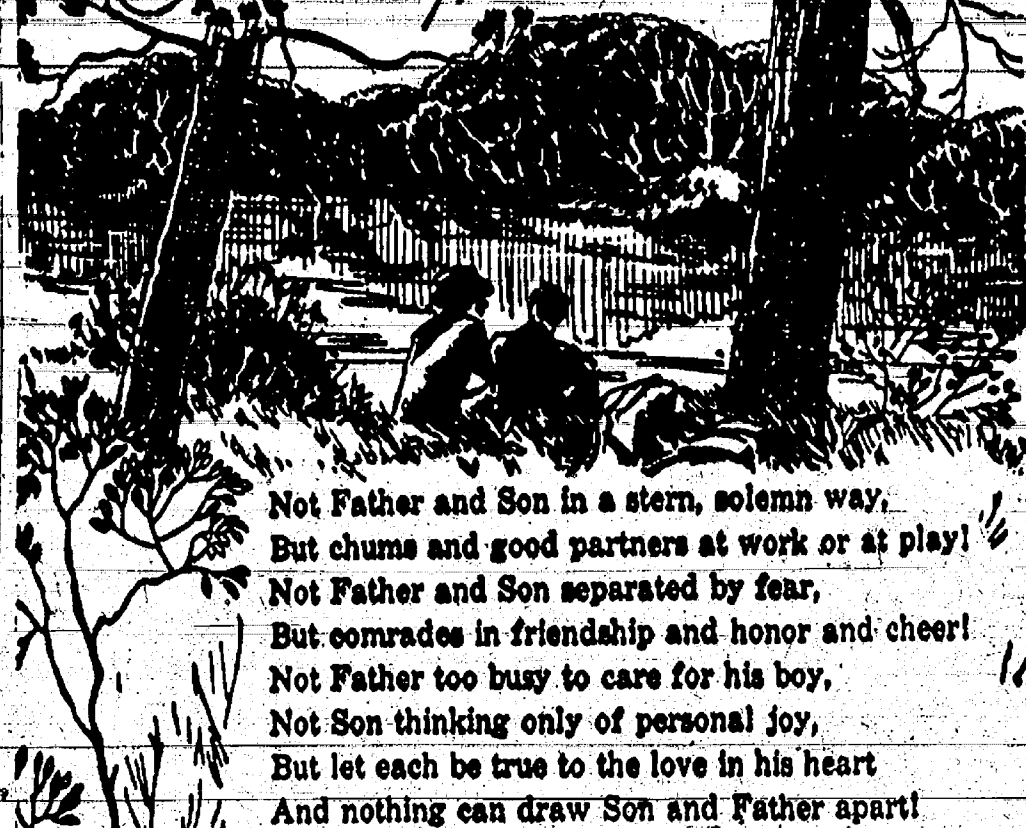

**HOWELL**—Clarence Frechette was examined in Justice Glenn Yelland's court Thursday morning, February 28th, on a charge of first degree murder in connection with the death of Robert Brown of Kalamazoo, Michigan and was bound over for trial in the circuit court in Howell. He was ordered to appear at court Monday, March 11, at ten o'clock. In the meantime he was remanded to the care of the Sheriff without bonds until that time.—Republican Press.

**BRIGHTON**—The Senior class is in receipt of a letter from the Pere Marquette Railroad Company offering them a very attractive trip to Washington and other points of interest. It will include six days instead of five in which former trips have been covered and at lower cost. The trip will include the scenery of the Blue Ridge and Alleghany mountains and many points of historic interest on the way, including the upper portion of the Shenandoah Valley, Charlottesville and Monticello, the home of Thomas Jefferson; where his body lies buried and the University of Virginia.—Argus.

**MORENCI**—One of the hottest fires that the Morenci fire department has had occasion to attend for some time developed just east of North Morenci Monday night when a carload of charcoal caught fire and was set out on the siding. The fire started in the car while in transit on an eastbound Wabash freight. When the train reached North Morenci the car was switched out on the siding and the Morenci fire department was called about 9 o'clock in the evening. Such a terrific heat was developed from the wind fanning the burning charcoal that the wheels on the car glowed a bright red.—Observer.

**MASON**—The rights of owners of adjoining property and of the public using the highways are being debated Thursday afternoon in justice court in Mason before Judge William S. Seelye. W. J. Clark, Onondaga farmer, is on trial, charged with cutting 10 or 12 large oak, elm and maple trees alongside the road adjoining his farm. The law states that the public has a right in the trees and that a farmer shall not cut them without consent of county authorities. It is alleged Clark did not obtain the consent.—County News.

Father and Son  
by Lawrence Hawthorne

Not Father and Son in a stern, solemn way,  
But chums and good partners at work or at play!  
Not Father and Son separated by fear,  
But comrades in friendship and honor and cheer!  
Not Father too busy to care for his boy,  
Not Son thinking only of personal joy,  
But let each be true to the love in his heart  
And nothing can draw Son and Father apart!

Not Father and Son for a day or a week,  
But loyal companions who constantly seek  
To make life a happy adventure in fun,  
And welcome the glory of each morning sun  
With eager delight, for to them it extends  
A chance to become closer comrades and friends.  
Oh, nothing could ever mean more to a lad  
Than taking his place as a pal of his Dad!

## ORIGINAL POEMS

By Arthur Carlton

At times, I think to build a house,  
If I but had location.  
At times, I think to write a verse,  
But can't find inspiration.  
It takes a chosen plot of ground  
With lumber, brick and mortar,  
To build a house—But for a verse,  
It's gumption, slave and slaughter.  
Gumption and wit, ensure your words  
To make the meter line,  
To dot your I's, to cross your T's,  
And make the rhythm rhyme.  
So much of this may come by care,  
And love for your ambition,  
But natural gift and instinct will  
Provide your requisition.

Question And  
Answer Dept.

Ques.—My grandmother was born on Jan. 3, 1848. The day of the week is given as Saturday in our Bible, but Grandma says she thinks it was on Sunday. Can you please tell me in your Questions and Answers?

Ans.—Your grandmother is right. The year 1848 was a leap year, and probably that is how the error occurred. As 1848 was a leap year, Jan. 3 of that year jumped one day from Saturday to Sunday.

Ques.—Can you answer in your interesting and instructive paper—how old the earth is? Also what is the area of the earth's surface, and how many islands are there on the surface of the earth?

Ans.—The earth is approximately three billion years old. The area of the earth's surface is 197,000,000 square miles. It is not known definitely how many islands there are scattered throughout the seas, lakes and rivers. The area of those known, however, is 1,000,000 square miles.

Ques.—I would like to know what is the difference between the Chinese and Japanese. Can you answer soon?

Ans.—The Chinese are the oldest and most numerous of the yellow race, to which the Japanese also belong. The Japanese are a combination of Mongoloid elements from Korea and from the south, including Polynesia. The original Japanese were known as Ainu, but the two invading groups (the Mongoloid elements) drove the Japanese aborigines (the Ainu) northward and captured the island now known as Japan. This occurred about two million years ago. The Ainu have become extinct, except there are traces of them scattered throughout the north, who became more or less assimilated with some of the invaders.

Ques.—What is the meaning of "superheterodyne" as applied to radios?

Ans.—Superheterodyne as applied to the radio is a form of beat reception in which beats are produced with a frequency above audibility, but below that of received signals, the current of the beat frequency being then rectified, then amplified, and finally rectified again so as to reproduce the natural sound as it comes in. For further information see a reputable dealer or manufacturer.

Ques.—To settle an argument will you please answer how "Italian" is properly pronounced?

Ans.—This word is quite often mispronounced. The correct pronunciation is just as if it was spelled "It-tal-yun", with the "y" in the first syllable short as in the word "it", and the last syllable to rhyme with the word "run".

Ques.—It is generally conceded that Jack and John mean the same. If that is true, why doesn't Johnson and Jackson mean the same?

Ans.—In the early days of the human race nearly all common names had a corresponding nick-name. Jack was the nickname for John. Later when surnames were adopted, such as Jackson and Johnson, both forms were drawn upon. From that time on, they became separate names. Some of the Johns preferred to be known as Jack, and some preferred to be known as John. Hence we now have Jackson and Johnson.

Ques.—Can you tell me in your Question column if the President of the United States pays an income tax?

Ans.—Yes. The income tax of the President of the United States is approximately \$25,000.

## FORD INCREASES PRODUCTION

The largest domestic production of Ford V-8 cars and trucks since the V-8 engine was introduced by the Ford Motor Company three years ago has been scheduled for March, it is revealed at the company's home office. Production of 169,000 units is planned.

Under the March schedule, the Ford Company will build more than 6,000 units a day, in order to keep pace with continued increasing demand for the 1935 Ford V-8 cars and trucks. March production this year will be more than twice as great as Ford's domestic production last March, when 77,947 units were built.

Since the new cars were announced late last December, Ford production has moved steadily upward. Production in January totaled 100,793 units, and February's production will approximate 130,000 units. With the March schedule set at 169,000 units, the Ford Company by the end of March will have produced more than 400,000 1935 model cars and trucks in the United States alone.

## Stainless Steel

There are several different stainless steels. As a rule, they are steel alloys containing a fairly large amount of the metal chromium, which gives them their non-rusting properties and due to their plating on the surface, but to the fact that the presence of chromium seems to inhibit, in some manner, the corrosion of iron.

**GRASS LAKE**—Assurances are given that the so-called Waterloo road will be hard surfaced between this village and the proposed new super highway north of the village, the work to be completed by the time the new road is opened to traffic. A committee composed of E. J. Foster, W. K. Crafts, A. E. Hustler, N. M. Davis and C. H. Tibbitts recently conferred with the county road commission and Murray D. Van Wagoner, state highway commissioner, relative to the status of the present US-12 and other projects. Assurances are given that the present highway will be kept in first class condition as it is expected that it will carry considerable through traffic. Also another proposition is under consideration which will be of considerable benefit to this community.—News.

## Seniors Win Class Title

The "Class of '35" captured the class basketball crown for the third consecutive year during the past week and defeated an All-Star team to make it more impressive.

The Seniors had one tough game and that was with the Sophs. The Soph team played an inspired game and had the Seniors on the jump during the greater part of the game, but greater experience brought the Seniors a hard earned 38-23 triumph. This was the first game.

The second battle was between the Juniors and the Freshies. The younger lads were a little too green and went down to defeat by the score of 23-17.

The Seniors came back in their second game and led by Capt. Nick Panarites who scored 20 points, the Seniors swamped the Freshies, 44-16.

The Juniors also emerged victorious over the Sophs and played a fine game. This battle showed that the Juniors were going to be a hard gang to beat. The Juniors beat the Sophs, 28-4.

In the first encounter of the final games the Freshmen upset the Sophs and won 17-13. The Freshies led from the opening whistle and played a fine game to win from their more experienced rivals. Congratulations, Freshmen!

The next battle saw the Seniors play great ball and defeat a fine rival by the tune of 48-22. The Juniors were never in the ball game as the fast stepping champs won the class title.

Friday night an All-Star game was played and the Seniors again won, this time 19-9. The All-Stars did not cooperate very well and were unable to stop their big rivals.

The class tournament is completed and proved very successful. All the teams displayed a fine spirit and are to be congratulated on their efforts. The teams next year will not have to worry about those great big "Seniors."

## Can We?

How many of the upper classmen have given a thought to just how our instructors or teachers feel when they return from an errand during a class period to find the room filled with a rumble of voices after having left directions for good order.

What would a visitor think of our study halls? The teachers must keep an eye on us all the time or we are all whispering. There are some of us who have studying to do but are hindered by those who desire to make it unpleasant for us and who probably need to study.

There is a great difference between the upper classmen and lower six grades. You can leave the elementary students work to do and when you return, they are just as quiet as when you left them. They may be left in charge of someone and the teacher is assured they will behave like ladies and gentlemen.

I'm wondering if the upper classmen can't turn over a new leaf with the time left in this school year and act like ladies and gentlemen when for some reasons teachers leave classroom or home room. We ought to. Let's try and see which grade accomplishes this first.

## Speech Class

The first year speech class are getting ready to start debating. They have chosen several questions to debate on. Some of the subjects are: Housing, Philippine Islands, Russia, Compulsory Military Training, and National Defense.

Once a week the Speech Class has a meeting of the G. A. C. They are carried on like a regular meeting of any large club. They are making many posters and are putting them around the school. Watch the bulletin board for these posters signed G. A. C. (General Advertising Club). Just now the G. A. C. is planning a party.

## Sophomore Party

Last Friday, March the 8th, the Sophomores gathered in the gym for their first party of the season.

Cards and dice were the main attraction until all of the people were present. Again Mr. Johnson led the games with relay races. Refreshments, ice cream and cake were served after which came the main event of the evening. The pictures of different members of the class were shown on a screen. The pictures were taken while the children were babies.

Paul Pilemeyer furnished the music for the dancing. The party broke up soon after 10 o'clock.

## EDITORIAL

Thousands of new inventions are needed. All over our country industries are seeking workable solutions to their mechanical, chemical and electrical problems. Some examples of needed inventions are:

A penell—which makes a mark as black as ink.

A device to consume or absorb stale tobacco smoke in a room.

A device to alter the height of tables and sinks to fit the height of the user.

Bus seats that will give tickets and indicate when the journey's end is reached.

A device to protect pedestrians from being splashed by passing motor cars.

The most successful and valuable solutions of these and similar problems will be the most simple ones, for no complicated device has ever come into far reaching use.

Do we not perhaps have some budding inventors in our student body who have ideas, simple ideas, for the successful solution of the foregoing problems? If you have just such a pet idea, take hope! Because of its very simplicity, someone else may not have thought of it. Because it is obvious, it may be valuable. Our patent laws reward the man who really solves a problem—the man who, after seeing the solution, thinks he could have solved it.

Several days ago we read of an invention which had proved to be worth thousands of dollars to an industry. It was based on a new way of piling up tin pans! You, like Al Hated's successor in "Acres of Diamonds", may find treasure where you least expect it.

## Caesar Says

"College Boys Prefer Brains to Beauty"—newspaper headline. But still the sale of cosmetics goes on.

"She—You kiss divinely. Ozzie—I'm bugler for the Sea Scouts."

A father received a wire informing him he was a father of a girl, but he was puzzled by this on the outside of the telegram, "If you want a boy call Western Union."

Did you pass your exam? Well—you see—Shake, neither did I.

You've heard people use the phrase about the straw that broke the camel's back. Well, here's how it happened: When I was traveling in Egypt, my wife and I drew straws to see who would ride on the camel. Well my wife won and that's the straw that broke the camel's back.

Newspaper advertisements read as follows:

Wanted—A woman with a hollow tooth to punch holes in doughnuts.

Wanted—A man with a wooden leg to mash potatoes.

Old Salt—I'll tell you a story which will make your hair curl. Sandy—Hoot mon, wait, I'll get my wife. She always wants her hair to curl.

Relieving you, I remain, yours truly.

## I Heard --

The Economics Class had a hard test last week.

The Seniors had a card party and it was a success.

The Sophomores had a party and everyone had a good time.

Someone had one of these progressive dinner parties with chop suey as the menu.

A bunch of kids get up early on Saturday mornings and go skiing and have a good time.

The basketball boys are keeping late hours now that the basketball season is over.

Marie would like her ring back.

Wilma likes the ball park.

Everyone was scared to get their report cards.

A lot of new resolutions (concerning studying) being made for next month.

A lot more—Did you hear it too?

## Elementary News

### First Grade

This week we are working on Linville school. We are making a playground, swings, teeter-totter, and rings.

June, Marie, Clara and Barbara decorated the windows of the school with flowers and cactus.

Our first newspaper was printed last Friday and is called "Linville News." We intend to print a paper each Friday.

### Second Grade

Norman Aberle and Marian Dietle are the two who haven't been absent or tardy the last six weeks.

A very pretty Oriole's nest was brought by James Gaunt and Eileen Loeffler brought a Robin's nest.

We are making kites, windmills, and balloons.

### Third Grade

Donis Collins, Reynolds Walz and Ruth Osterle wove tams for themselves and have been wearing them. Joseph Hale has returned to school and we are very glad to have him with us again.

Eleanor Harper visited her grandfather on Sunday. She saw a number of baby lambs. Her grandfather raises Shropshire sheep.

We weighed and measured each other last week.

The following have been neither absent nor tardy the past six-week term: Philip Vogel, Ronald Gentner, Ruth Osterle, Robert Eaton, Richard Bahnmiller, Jean, Chriswell, Jane Chriswell, Carlton Chriswell, Mary Chriswell, Betty Holderman, Virginia Spaulding.

### Fourth Grade

The following people have been neither absent nor tardy during the last six weeks: James Collings, Margaret Knapp, Luther Kusterer, Raymond Radcliffe, Wilma Spiegelberg and Bobby Strieter.

Bobby Strieter, Luther Kusterer, Margaret Knapp and Caroline Breitenwischer are on the Honor Roll, having had an A and B average in all subjects.

We have begun our study of birds. We are keeping a record of birds and the date seen. Dick Schenk has drawn us a large tree, upon which we paste the birds as we record them on the chart.

Caroline Breitenwischer brought us a Holland picture for us to use in our study of Holland.

Miss Kern brought us some tulips to help make our room more attractive.

The fifth grade have lent us some Holland pictures and posters. Thank you.

We have a large bouquet of pussy willows. We have a large collection of twigs from shrubs and trees that we hope to see blossom or at least watch the leaves appear.

We have chosen new officers for our Health club: Margaret Knapp, president; Dick Schenk, vice-president and Earl Holbrook, secretary.

Dick Schenk has finished our March calendar. He has drawn a boy flying a kite.

We are beginning a Holland shelf. We have many pictures and are collecting other souvenirs from Holland. We have begun writing with ink in penmanship.

### Fifth Grade

Some of the girls and boys in our room have been attending the basketball tournament in the gym this week. We have been having a tournament too, but of a different kind.

Ours was a Basketball-Arithmetic tournament. Maybe you do not know what that is so we'll explain. Well, instead of a basketball we have arithmetic problems in fractions and instead of the basketball floor we have the blackboard upon which we play.

Our grade was divided into four teams as follows: Freshmen, Sophomores, Juniors and Seniors.

The four people who have had highest scores in the regular daily work were chosen captains of the teams.

Each player in the game had an opponent and the one who solved the problem correctly, first, scored the point. The two teams holding highest score were the Sophomores and Seniors. They played off the finals Friday.

Donald Knoll and Margaret Reed held the game up for some time and caused much excitement because—well, you ask them why. We had much real sport and besides learned much about fractions and the rules of the game. In the final game the Seniors won.

We have no work to take home this month on Wednesday night so every one may attend church services if they wish.

We had our music try-outs this week and some of us who thought we could not sing have really found out we could.

Each one has been assigned a place in the chorus.

### Sixth Grade

In Arithmetic we have finished the unit of decimals. We are starting Division of Decimals.

In Geography the A class has finished Australia. They are starting New Zealand.

Barbara Carpenter started a coal plant for us. Barbara used a piece of

coal, salt and bluing. She put some chalk dust on the plant, which made it different colors.

Lois Palmer went to New Orleans Tuesday morning. She will be gone for three weeks or more.

Friday morning instead of having recess we went down to the gym. We had a very nice party with the Sunshine Lady.

## 24 YEARS AGO

Thursday, March 18, 1911

Mrs. John Lingane died at her home in Sylvan township, Sunday, March 12, 1911.

Milton Riethmiller of Waterloo has purchased the old Marsh property from Mrs. Jane Cooper and will build a house in the near future. He has been at work tearing down the oldest house in this part of the township, known as the Marsh hotel.

J. E. McKune, township treasurer of Sylvan, was in Ann Arbor Wednesday where he settled with the county treasurer.

Frank Leach has sold his Cavanaugh Lake cottage to Dr. A. Gulde. He has also sold his gasoline launch to H. S. Holmes.

Don Huch has purchased the Conrad Finkbeiner farm in Lima. Mr. Huch has resigned his position as stock keeper for the Flanders Mfg. Co. and will move to the farm.

Adam Eppler has sold an interest in his business to Floyd Van Riper and the firm will be known as Eppler and Van Riper.

The Hunt Stock Company will open a week's engagement at the Sylvan theatre on next Monday.

The free seat offering at the M. E. church Wednesday evening added \$100 to the church treasury.

The Young People's Society of St. Paul's church met at the home of Rev. A. A. Schoen last Thursday evening and gave him a surprise, the occasion being in honor of the 10th anniversary of his pastorate here.

## 34 YEARS AGO

Thursday, March 14, 1901

Miss Hattie Spiegelberg, daughter of Mr. and Mrs. George Spiegelberg of Dexter township, and John G. Fischer of Dexter township, were

married on Thursday evening, March 7, 1901.

William Bahnmiller and family have moved on the Sedgewick farm east of this place, which he recently purchased.

Miss Bessie Winans, daughter of Mrs. Mary Winans of this place, and Arthur Corwin of Toledo were married at the bride's home on Tuesday, March 12, 1901.

Mrs. Henry Gorton died on Sunday, March 10, 1901 at her home in this village.

Edward Gentner has rented the Bowen farm in Lima township.

Fred and Henry Barels returned from Washington on Saturday.

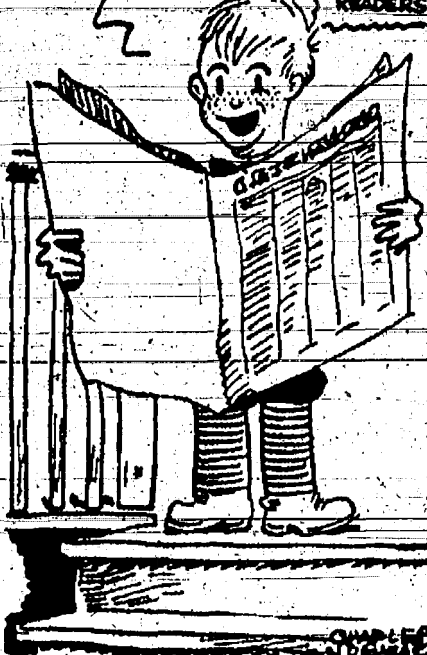

Dr. Charles O. Reilly, for the past seven years pastor of St. Mary's church in Adrian, has resigned his charge owing to ill health. Dr. Reilly was born in Lyndon township.

The U. S. Astronomical Library. The Naval Observatory at Washington has the most complete mathematical and astronomical library in the world.

## METHODIST HOME

Miss Emma Leeman has just had the petition against the repeal of the "One Buck Law" passed through the Home and got 66 signers. If this law is repealed, does and fawns can be killed as well as bucks. The petition is being forwarded to Hon. R. M. Burr, representative at Lansing. The petition was sponsored by Ben East.

Wednesday, March 6, Mr. and Mrs. C. H. Ostrander of Marshall visited Mr. Ostrander's sister, Miss Lida Ostrander.

Mrs. Damon's grandson, Harold Danson, his wife and daughter, and Mr. and Mrs. G. A. Feegardin of Ferndale visited Mrs. Danson on Sunday and brought a fine supper with them. They also called on Mrs. Turnbull.

Mrs. Bliss returned to the Home from a week's visit in Detroit and other towns. Her grandson, Ray Bliss of Detroit brought her back.

Saturday, Mrs. W. B. Hoffman and daughter, Mrs. Lloyd Pardee of Pontiac visited Miss Lillie Harris, and also called on Mrs. Pool.

Sunday, Mr. and Mrs. George Foster and daughter, Elaine, Mr. and Mrs. Ralph Wagner, all of Jackson, visited Mrs. Robtoy.

Dr. Leeson's brother, Frank Leeson, with his daughter and two sons, visited Dr. and Mrs. Leeson on Sunday.

The Misses Martha and Kate Houck of Sharon called on their friend, Miss Emma Leeman, Tuesday.

Mrs. Woodruff, Mrs. Libbie, Mrs. Nichols and lady friend called on Mrs. Winn, Monday. Mrs. Winn is still quite seriously ill.

Mr. and Mrs. Edwin Brown spent Monday in Ann Arbor.

The members of the Home here are often asked: What do you do, how do you put in your time? So to answer I will mention our activities in the Home. We are well organized, Sunday morning we have religious service in the dining room, directly after breakfast. Responsive readings, singing of hymns and a sermon by Dr. Leeson, Supt. of the Home. Tuesday morning at 9:00 o'clock of each week there is a Bible study class in the assembly room, with topics along the line of the Sunday school lesson, with Prof. Brown, teacher. Wednesday morning at 9:00 Prof. Brown has a class in drawing and art. Every Thursday afternoon, meeting of the Friendship club in the assembly room. Thursday evening, religious service, led by Dr. Leeson, in assembly room. Friday morning from 9:00 to 10:00, discussion of current topics, led by Prof. Brown. The Home Foreign Missionary Society meets the second Tuesday of every month. We have a fine library, and much printed matter comes to the Home every day—Church papers, daily and weekly newspapers, magazines, catalogs of flowers, merchandise and fashions, and letters. A barber from Chelsea often spends a half day here. The Home and members receive much company every week. Just now we are having dinner postponed until 1:00 so we may listen over the radios to the Lenten meetings from 12:15 to 1:00 at the Lafayette theatre at Detroit by the Detroit Council of Churches. The Matron of the Home, Mrs. Bennett, has presented to each one in the Home a copy of The Fellowship of Prayer, for the Lenten season 1935, which we are using in our morning devotions. The birthdays of members of the Home are remembered by card and song. There is a social life among the members. We call on the sick and at each other's rooms. We have beautiful grounds here in summer, and raise many beautiful flowers. Thus time passes swiftly and pleasantly. Visitors often come to the Home from nearby towns and cities, and as far distant as Detroit, and put on programs for members of the Home, which we enjoy and appreciate.

Mrs. Carrie Gowing, who on her birthday Sunday, March 10, was 80, has the distinction at the present time of having spent more years in this Home than any of the members here. It will be 20 years next November since she entered the Home. She has been a shut-in 17 years. She puts in her time sending cards to Missionaries which people bring her for this work.

Chapman, Mrs. Ernest Fitzmaier, Mrs. Leon Chapman and daughter, Donna Lee. Games were played in the afternoon and gifts were presented the honor guests.

On Sunday, Mrs. Leon Chapman entertained at a birthday dinner, the event also celebrating the anniversary of Mr. Chapman. Two birthday cakes featured the dinner.

## NOTICE TO PARENTS

My dear Parent: As you may know, there is a case of scarlet fever in this school. In order to prevent an epidemic among the school children we are seeking the co-operation of every parent represented in the school.

You can help us by observing the following: If your child develops a severe cold or a sore throat, please keep him at home until it has cleared up. Notify the teacher of the cause of absence.

If the throat does not clear up with gargling, call in your doctor.

If no doctor is seen while a rash is evident the child should bring a note from a doctor allowing him to return to school. If this is not done we will have to assume that the rash was a symptom of scarlet fever. We will then ask him to "stay out" of school three weeks.

While a child is out of school because of a cold or suspicious symptoms of the disease please keep him away from all other children until you know he is not coming down with the disease.

It is wise to stay away from large crowds and avoid going visiting where scarlet fever is present (this holds for any kind of communicable disease).

If you are buying your milk we urge you to send all milk that the children drink during the next few weeks.

We would appreciate the cooperation of every family in this regard for we want to prevent an epidemic such as we had last year. If we work together with this purpose in mind we can accomplish a great deal.

Yours truly,

Pearl M. Haist,

County School Nurse.

## POULTRY CLUB ELECTS

An organization meeting of the Lima 4-H Poultry club was held Monday evening at the home of Mr. and Mrs. W. J. Beutler, and officers for the year 1935 were elected as follows: President—Loren Beutler. Vice Pres.—John Jacob Alben. Secretary—Rosemary Bollinger. Treasurer—Paul Bristle. Leader—Walter J. Beutler. Plans for the year's work were discussed, after which the evening was spent playing keno, and refreshments were served. The April meeting will be held at the home of Raymond Schaller.

## POMONA GRANGE MEETS

About 75 were in attendance at a meeting of Pomona Grange, which was held on Tuesday at McKinney hall, Ypsilanti. In the absence of Master Andrew Campbell, the Overseer, William Lindemann, had charge of the business session, during which the bills regarding the 25 million dollar appropriation for public instruction, the bill regulating the closing of liquor stores at 12:00 instead of 2:00 a. m., and the bill to raise the age limit for entering saloons from 18 to 21 years were discussed and adopted by the Grange.

The lecturer, Mrs. Braun, of the Seio Grange, conducted the lecture hour and led the community singing.

The program included a talk on the proper way to conduct fairs, by Mr. McDonald; Problems of Education in Rural Schools, by Prof. Turner, of the Michigan State Normal; a vocal trio and monologue by members of the Ypsilanti Grange, and selections by Mrs. P. M. Broesamle's orchestra.

Those from this vicinity who attended the meeting were Mr. and Mrs. Fred W. Notten; Mr. and Mrs. George English; Mr. and Mrs. P. M. Broesamle; Mr. and Mrs. N. W. Laird; Mrs. P. H. Riemenschneider; Mrs. T. Grossman; Misses Ricka Kalmbach and Mary Broesamle; and George McClure, Jr.

## Michigan Bell Reports Gain In Installations

Net gain of 21,062 telephones during 1934 required the installation of 130,350, according to the annual report of operations of the Michigan Bell Telephone Company for the past year, which was presented by G. M. Welch, president, at the annual meeting of stockholders in Detroit on Thursday, February 14. Disconnections during the year totaled 109,288. In 1933 there was a loss of 46,476 telephones, the report shows.

On December 31, 1934, the company had 502,329 telephones in service, compared with 690,764 at the peak in May, 1930, or more than 188,000 less than the high mark. Exchange messages increased 4.7 per cent over 1933, but were 29.3 per cent less than in 1929. Toll messages increased 7.4 per cent over 1933, but the number completed during 1934 was 42.8 per cent less than in 1929.

The report shows that the company continued to furnish a high grade of telephone service which was the best in its history, and that the plant was well maintained. The number of cases of reported trouble per telephone was at the rate of only one every 26 months. On toll calls there was only one report of unsatisfactory conditions for every 2,000 messages completed.

## Changes Included In Corn-Hog Contracts

Corn-hog contracts to be signed by Michigan farmers this year differ in several essential features from the contracts which were in use last year, according to the administrator for this State.

Last year, the corn contract asked that the farmer reduce his acreage 20 per cent below the base acreage grown by him. This year the reduction required is only 10 per cent. The benefit payments made to holders of corn contracts will be 35 cents per bushel on the estimated yield of the land taken out of production instead of the 30 cents per bushel which was paid in 1934.

Signers of Michigan hog contracts are asked to reduce the number of hogs grown for market 10 per cent instead of 25 per cent, as was asked last year. The number of litters does not have to be reduced this season if the 10 per cent reduction can be obtained in other ways. Payments for hog reductions are fifteen dollars per head instead of last year's five dollars.

Land owners who quit farming last year and collected benefit payments now will find themselves out of luck because they can not obtain contracts. The benefits of the agricultural adjustment act are for bona fide farmers only.

Payments on hog contracts will be made in two installments this year. Previously, the hog benefit payments were made in three installments. No change has been made in the number of corn payments.

Limitations concerning crops planted upon land taken from corn production have been made less stringent. Any crop except corn can be planted on this land. There are no contract restrictions this year on the number of kinds of livestock other than hogs which the contract holder may own.

**MORTGAGE SALE**

Whereas, default has been made in the payment of money secured by a mortgage dated the 28th day of May, A. D. 1930, executed by Flora E. McCorm and Etta M. Bobbitt to The Regents of the University of Michigan Constitutional Corporation, which said mortgage was duly recorded in the office of the Register of Deeds of Washtenaw County, Michigan, in Liber 189 of Mortgages on page 878 at 0:55 o'clock A. M. on May 28th, 1930

And Whereas, by the terms of said mortgage, it is provided that in case default be made in the payment of any installment of principal or of interest, taxes, assessments or insurance or any part thereof on any day whereon the same is made payable and should the same remain due and unpaid for the space of thirty days thereafter, the principal sum of said mortgage, together with all interest, taxes, assessments and insurance paid in advance at the option of the mortgagee and become and be due and payable forthwith, and default having been made in the payment of the interest and taxes provided in said mortgage, which default has continued for more than thirty days, the said mortgagee hereby exercises its option to declare the principal sum of said mortgage and all arrearsages of interest and taxes due and payable.

And whereas, the amount claimed to be due on said mortgage is the sum of \$10,062.60 principal and interest in the amount of \$628.91, and taxes in the amount of \$27.83, and interest on taxes in the amount of \$15.01, and the further sum of thirty-five dollars as an attorney fee stipulated for in said mortgage, and the whole amount claimed to be unpaid on said mortgage is the sum of

having been instituted at law to re-  
cover the debt now remaining secured  
by said mortgage, or any part there-  
of, whereby the power of sale con-  
tained in said mortgage has become  
operative.

Now therefore, notice is hereby  
given that by virtue of the said power  
of sale, and in pursuance of the  
statute in such case made and pro-  
vided, the said mortgage will be fore-  
closed by a sale of the premises  
therein described, at public auction  
to the highest bidder at the south-  
east front door of the courthouse in the  
city of Ann Arbor, in the county  
Washtenaw, on the 22nd day  
March, A. D. 1925, at ten o'clock  
the forenoon of said day; which said  
premises are described in said mor-  
tgage as all that certain piece or par-  
cel of land situate and being in the  
city of Ann Arbor, County of Washtenaw,  
and State of Michigan, to-wit:

## WATERLOO

## Andrews-Cooper Wedding

One of the prettiest of early spring weddings was solemnized on Saturday evening, March 9 at the 2nd U. B. church, Waterloo, Rev. Robert Uhrig officiating and using the ring ceremony, when Miss Helen A. Andrews, eldest daughter of Mr. and Mrs. Alfred Andrews of Chicago, and Mr. DeLaney Cooper, eldest son of Mr. and Mrs. Edmund Cooper of Lyndon, pledged their vows.

Preceding the ceremony Miss Cecilia Maine of Jackson sang "Oh Promise Me" and when the bridal party were in their places she rendered "I Love You Truly."

To the strains of Mendelssohn's wedding march the wedding party entered the church and took their places before the altar. The chancel was beautiful. Four girl friends of the bride, Doris Walz, Mildred Bee-

man, Odema Moekel and Annabelle Vicary trimmed it to look like a woods garden. Tall stately white candles cast a soft glow over the assemblage.

The groom was assisted by Edward Bradley as best man and Miss Anita French, cousin of the bride, was bridesmaid.

Helen made a lovely picture as she entered in the arms of her father, who gave her in marriage. Her floor-length gown was of poudre blue chiffon with long sleeves, caught at the shoulders with brilliant clips. With this she wore white slippers and a white turban with a halo veil, and carried an arm bouquet of white-bridal roses.

Anita wore a floor-length gown of pink silk crepe with white sandals and small white hat, carrying an arm bouquet of Talisman roses.

The same wedding march was used as a recessional, Mrs. Helen Beaman presiding at the piano.

Following the ceremony a reception and three course dinner was held at the Glenora hall for 50 relatives and friends. Out of town guests were present from Detroit, Chicago and Jackson.

At a late hour Mr. and Mrs. Cooper left for a trip, the bride wearing a navy blue tailored ensemble with matching accessories. After a short wedding trip they will be at home on a farm north of Stockbridge.

Mrs. Cooper is a graduate of Mercy Hospital Nursing School, class of '33 and Mr. Cooper is a musician of exceptional ability.

On Tuesday afternoon, March 5, Mrs. Susan Runelman, assisted by her daughter Gladys of Chelsea, gave a miscellaneous shower for the bride, entertaining 42 guests. She received many beautiful gifts and a delicious lunch was served. The girl chum of the bride created a lot of fun with a mock wedding. Helen was the bride, Mildred Beaman the groom, Annabelle Vicary the bridesmaid, Anita French the best man, Ruth Wahle the flower girl and Doris Walz the preacher.

On Thursday evening at the Westwood Inn, Jackson, Mrs. Gerald Youngs, a classmate of Helen, gave her a china and glass shower. A beautifully appointed luncheon was served and many lovely gifts given the bride.

Mr. and Mrs. Walter Vicary spent Wednesday with her parents in New Baltimore.

Mr. and Mrs. Emory Runelman, Wilma and Gerald, Doris Walz and Annabelle Vicary were Sunday callers of Mr. and Mrs. Ed Cooper.

## CHELSEA DISTRICT SUBJECT

OF SEARCH FROM SKY

A group of army planes from Selfridge Field swept back and forth over western Washtenaw county Wednesday, searching for Flying Cadet Milton A. Lampl, 28, who has not been heard from since taking off from

Cleveland at 7 p. m. Sunday for Selfridge field.

Cadet Lampl had asked a discharge from the flying corps to please his sweetheart, Miss Minnie Klirich of Wichita, Kansas. It is feared that he had been forced down in some swamp and the search from the air was in the hope of catching sight of the wreckage.
