WE DO NOT MENTION PRICE
The ethical code of our profession—as in medicine, dentistry and other professions—frowns upon the mention of price in advertising. That is why the cost of funeral service is not mentioned in these messages. But let us assure you that our services are based on a fair and uniform pricing system. Prices include expert professional attention, the most accessories and perfectly kept equipment. The cost of a service is moderate. What the price will be is determined by the choice of the client. There are no extras charged in at the last moment, nor do we seek to influence decisions through high pressure salesmanship.
May we give you further details in a personal conference?

Additions Being Made At North Lake Camp

Arrangements have been made by the management of the Wayne County Christmas Seal Camp, located at North Lake, to make extensive improvements and additions this year at the camp. Plans call for construction of a small hospital on the grounds, which will be well equipped; two cabins, each to accommodate fourteen children, will be built; there will be a hobby house, in which boys will have a lot of fun in making toys and other things they will enjoy. A large addition will be built on the dining room of the main house, which will enlarge the seating capacity to 140.

The first arrival of youngsters at the camp will be on June 23, when 120 boys will arrive to stay until July 23. On the latter date 120 girls will come to stay until August 20. These children are taken, in most cases, from the open air schools of Detroit, several coming from the surrounding villages, and some are taken on recommendation of private physicians and institutions. The youngsters must be between the ages of 10 and 14 inclusive.

The camp is financed by the Detroit Tuberculosis Sanatorium to give boys and girls in need of out-door life more than just a summer's outing. It aims to build up a better physical condition and an increased resistance. It desires to create within each child a sense of happiness and a satisfaction that comes from association with others. It also desires to create within them a feeling of personal responsibility and a development of character that will be of value throughout life. It is the aim to give every child that spirit of self-control that will help him to meet every-day problems, and make the camp an object of every child's pride.

In all the activities about the camp, special thought and planning is given to health. Each camper has had a physical examination before being accepted. Weekly weight charts are kept and all activities are regulated to meet the physical condition of every camper.

The camp is located on the Webb property on the north side of the lake, and was established several years ago.

Poppy Day Sale Will Be Held Saturday

The annual American Legion Poppy Day Sale will take place in Chelsea this week Saturday.

The story of the poppy has been told over and over. However, in case some may have forgotten it might be mentioned that the poppies are made by disabled War Veterans who are now in government hospitals and who do not receive compensation from the government. The materials from which the poppies are made are furnished by the American Legion Joint Poppy Committee to the disabled men without cost. When finished the men are paid for making them. The poppies are then packed and shipped to Legion Posts and Auxiliary units all through the state. The entire proceeds from sale of the poppies is either directly or indirectly used for welfare aid to disabled war veterans, their widows or orphans.

The public locally has always responded most generously in this event and it is hoped by the local Legionnaires that the sale this year will outdo all previously held in this village. Actual sale of the poppies will be made by the Girl Scouts of this community.

Be sure and wear a veteran-made poppy on Saturday!

Welfare Re-Check Is Under Way Here

The re-examination of relief cases, ordered by Harry Hopkins, Federal Relief Administrator, started Monday morning in the Chelsea area.

All clients, upon receipt of grocery orders, were notified that their cases were closed and if it was necessary for further relief to be granted them, it would be only after a new application be made.

A definite time and date was set for this application, at which time all papers and documents, covering their property, automobile, securities and other assets, including insurance, should be brought to the party in charge of the re-examinations, and a list of the important personal questions which would be asked was given to the relief case.

This check-up will eliminate many throughout the country who have had ample means to take care of themselves, as it is necessary for the applicant to sign a statement giving all banking institutions, National and State, and all postal savings managers permission to divulge any information as to their dealings with these welfare clients.

BAKE SALE

You can buy cakes, cookies, pies, beans, bread and all kinds of goodies at the Girl Scout Bake Sale next Saturday at Looff's Meat Market, from 11 o'clock on.

Wheat Producers To Vote On Saturday

The wheat referendum vote on the continuation of a wheat adjustment program for the years 1935-37-38, and 39 has been arranged for Saturday, May 25. This vote is being taken simultaneously throughout the wheat producing area of the United States on this date. Producers now holding wheat reduction contracts may vote by ballots which have been mailed to them by the Allotment Committee, or they may deposit them at the voting place for their community according to the following schedule:

Lyndon, Dexter and Sylvan townships, Sylvan town hall; Webster township, Webster town hall; Ann Arbor, Salem, Scio, Superior and Northfield townships, Court House, Ann Arbor; Lima township, Lima town hall; Sharon and Freedom townships, Freedom town hall; Lodi township, Lodi town hall; Pittsfield township, Pittsfield town hall; Saline township, Forbes school; Bridgewater township, Bridgewater town hall; Augusta, York and Ypsilanti townships, at the home of J. W. Talladay.

Polls will be open for the vote between the hours of 7:00 to 9:00 p. m. Non-contract signers who are producers upon farms where wheat was grown one of the years, 1928-29-30-31 or 32, will be allowed to vote on a differently colored ballot by going to the voting place in their community between the above hours.

The community committees in charge of the polling places will determine the eligibility of all non-contract signers who desire to vote. Votes are by secret ballot and no identification marks are to be made upon them by any person. Ballots of contract and non-contract signers will be counted separately.

The above referendum is not binding as far as future contracts are concerned. Wheat producers will still have an opportunity to accept or reject a contract later on if they wish. The referendum simply gives them an opportunity to express an opinion on the policy of continuing the wheat adjustment program for future years.

Schneiders Receive Letter From F. D. R.

Mr. and Mrs. Lewis Schneider received a congratulatory letter from President Franklin D. Roosevelt on Wednesday as the result of the naming of their infant twin sons, Franklin Richard and Delano Douglas. Enclosed with the letter were two pictures of the President, which the proud father says he will have "framed in gold" for his sons.

Immediately after they named their sons, who were born on May 8, Mr. and Mrs. Schneider sent a telegram to the President with the information that he had namesakes here, and the answer from the Chief Executive is as follows:

White House, Washington.

My dear Mr. and Mrs. Schneider: I have received your telegram announcing the birth of Franklin Richard and Delano Douglas Schneider. Please accept my most hearty congratulations.

I am sending the enclosed memoranda to my namesakes, and hope that they both may have very happy, active and useful lives.

Very sincerely yours,

Franklin D. Roosevelt.

Mr. and Mrs. Lewis Schneider, Chelsea, Mich.

Work Relief Project Started Wednesday

Work was started Wednesday on the water main extensions which will be installed in Chelsea as a relief project, to eliminate existing "dead ends" which creates a stagnant condition of water in some parts of the village. The project calls for more than 4000 feet of new mains, and a carload of 4-inch cast iron pipe was received this week for this purpose.

Extensions of the water mains will be as follows: Starting at the corner of Main and North streets, north to the end of Main street; Buchanan street, west one block from Main and south to North street; 280 feet at the west end of North street and 251 feet south on Hayes street; full length of Adams street; 440 feet at west end of Chandler street; 267 feet from south end of Taylor street east to South Main street, and south on Main street 134 feet.

It is planned to employ about 40 men on the project. The only cost to the village will be for materials used. The work will be done under the supervision of P. M. Boehm, superintendent of the municipal electric and water plant.

THE OPTIMIST

A brighter day is coming,
I feel it in my bones;
I've been down hearted long enough,
And now I'm through with moans.
Cock Robin sings from every bough,
Good cheer for young and old,
The new born leaves are clapping
hands,
There's music in my soul.
A brighter day is coming,
The perfumed air is sweet,
I have innocuous nodule
For every one I meet.
So here are May day greetings,
My perfect day in June,
My July with a happy 4th!
And August with full moon.
September's Labor Day of joy,
October's birthday greetings,
November's happy thankful hearts,
December Christmas greetings.
A brighter day is coming,
I feel it in my bones.
I've been down hearted long enough,
And now I'm through with moans.
Cock Robin sings from every bough,
Good cheer for young and old,
The new born leaves are clapping
hands,
There's music in my soul.

—Arthur Carlton.

Mr. and Mrs. H. H. Fenn, Miss Myrtle Fenn and Mr. and Mrs. J. E. Fenn motored to Holland on Sunday.

Local Fruit Growers Expect Bumper Crop

In the opinion of the fruit growers in the vicinity of Chelsea, this year will see the fruition of a prolific crop of apples, peaches and cherries from their orchards. This opinion, however, is always voiced with the proviso that there be no frosts, and that weather conditions continue favorable. Due to the scant yields of the past two years, knowledge of an abundance of fruit this year should be particularly pleasing to local people.

Disease of all sorts is under control, despite the fact that the cold, damp weather of this spring has been conducive to the disease called scab. Intense and frequent spraying or dusting has been done in all orchards to combat scab, with the result that no grower regards that disease as dangerous.

It is also unanimous with the growers that warmth and sunshine are now necessary in order for the fruit to pollinize. Pollinization is most successfully accomplished by putting bees in the orchard. The bees, in gathering honey, carry the pollen from blossom to blossom and from tree to tree, but they will not work when it is cold or dark. Thus it is that warmth and sunshine are required.

There are about 200 acres of orchards comprising some 5,000 fruit trees in this locality. With a portended yield of many thousands of bushels, it would seem that fruit raising is an important business in the Chelsea territory.

Nearby orchards, now in full bloom, are beautiful because of the profusion of blossoms, and the public is advised and invited to visit them.

MRS. CHRISTOPHER KATZ

Mrs. Christopher Katz was instantly killed sometime Friday forenoon at her home in Waterloo township, when she slipped on the cellar steps and fell to the floor, breaking her neck. Her body was found in the cellar by her husband when he returned for dinner, after working in a nearby field. At 9 o'clock Mrs. Katz had taken him some lunch, so it is presumed the accident happened as she was getting food for the noonday meal.

She was 52 years of age and was formerly Miss Addie Wallace. She is survived by the husband and three daughters, Mrs. Raymond Stoker and Mrs. Joseph Baldwin, both of Waterloo, and Mrs. Ruben Wolf of Manchester. Funeral services were held at 2:30 Monday afternoon at U. B. church, Waterloo, Rev. R. E. Uhrig officiating. Burial was in Mt. Hope cemetery.

Fear Increase In Traffic Fatalities

East Lansing, May 21—Michigan traffic fatalities this year will increase 50 per cent over 1934 unless there is an immediate curtailment of accidents, officers of the Michigan Safety and Traffic Directors' Association asserted here this week.

In an effort to bring about this reduction a meeting of the association has been called May 24 at Grand Rapids, Captain Raymond Sprague, president, has notified Lieutenant C. J. Scavarda of the Michigan State Police, Lieut. Scavarda and Sgt. Wright G. Needham, his chief aide, directed Safety Education Week for the association.

"Killings in our streets and highways from January 1 to May 15 are at a rate that means at least a 50 per cent increase in deaths during 1935," Captain Sprague said. "There is no need for these fatalities. Most of them are caused by the carelessness of motor car drivers. Pedestrians are to blame for some."

"Inattention on the part of drivers, driving too fast for existing conditions and getting on the wrong side of the road are the three chief causes of traffic deaths. Survey of traffic fatalities during safety week bear this out."

"If motorists will display just a little more caution and if pedestrians will do the same we can check this problem. The police alone cannot do it. As Governor Frank D. Fitzgerald said in opening the safety campaign, an army of police, jail for all offenders and other drastic means might help, but won't halt these deaths. Education of the driver, he said, is the most needed thing. We feel that every motorist is sufficiently intelligent to educate himself to traffic safety, once he realizes the danger of the road."

JOHN MAYER

John Mayer, lifelong resident of Freedom township, died Saturday night, May 18. He was the son of John George and Anna (Neubling) Mayer and was born in Freedom, April 12, 1864. He was married April 5, 1906 to Clara Haarer, and is survived by the widow, six daughters, Mrs. Elsie Caplin of Ypsilanti, Mrs. Max Klampert of Detroit, Eleanor and Alma of Ann Arbor, Lela and Irene at home; a son, Clarence, at home; three brothers, Joseph and George of Chelsea and Lewis of Lima township, and two sisters, Mrs. H. G. Breitenwieser and Mrs. Thomas Vail of Chelsea. Funeral services were held Tuesday afternoon at 2:30 at St. John's church, Rogers Corners, Rev. W. G. Mauch officiating. Interment was in Mt. Hope cemetery, Freedom.

Twilight League News

In a postponed game played Friday evening, Mayer Electric defeated the Sea Scouts by a score of 18 to 11.

This game dedicated the new playing field, and what a game it was! For five innings the Electric romped around the bases with ease, scoring 4 runs in the 1st, 1 in the 2nd, 2 in the 3rd, 1 in the 4th and 6 in the 5th. The Sea Scouts during these 5 innings scored only 2 times. But in the 6th inning the Scouts rallied to such an extent that 4 pitchers were needed to quell them. Fourteen Scouts came to bat, and succeeded in making 8 runs on one hit, before Elmenkschneider, with the tying runs on base, fanned and ended the game.

In a six-inning game played Monday evening the Trojans beat the Sea Scouts. The score was 9 to 5.

Just as the Scouts were outplayed on Friday by Mayer Electric, so were they outplayed Monday by the Trojans. The only difference in the games was that against the Trojans, the Scouts failed to rally in the sixth as they did against the Electric, with the result that the outcome of Monday's game was not for one moment undecided.

We have saved our scraps of colored paper all year. We keep it in a box called a scrap box. Miss Yager said we might use the scrap box to make anything we like.

Some of our boys made airplanes. Ray made an airport. Thora Hill made a pop-up house and flower garden. Bill B. made a steamboat. He called it the "Marina."

Edward brought us a new baby turtle. He says his name is Peter.

Mary Lou Piatt is back with us again.

Willetta Lantis, James Gaunt and Roland Robert are out with the measles.

Tuesday was Marion Dietle's birthday.

Flo Ann Longworth and Betty Lou Whipple went to Holland on Sunday.

The Woolly Bear caterpillar that Carlton brought to school spun its cocoon. The cocoon is brown. We are anxious to see the Isabella Tiger Moth that will come from the cocoon.

Mary Christwell and Virginia Miller have returned after having had the measles. There are 17 of our people still out with the measles. We hope they return soon.

The boys and girls who are absent have received many very newsy letters. We have learned many things about letter writing. We hope our friends have enjoyed hearing from us.

Too bad Edwin had to get the measles, but he can finish his work this vacation all right. "The doctor tells us he will not be able to come back to school."

The May Queen's Throne is completed. Everyone has had a part in its construction and decoration.

Below is the last verse of Alfred Lord Tennyson's poem, "The May Queen", which the queen sends to her mother on the night before her coronation ceremony:

"So you must wake and call me early, call me early, Mother dear, Tomorrow will be the happiest time Of all the glad new year; Tomorrow will be of all the year The gladdest merriest day, For I'm to be queen of the May."

In Arithmetic last week our game was in cancellation. Everybody enjoyed it.

In Geography we have our booklet covers and several maps completed on our special studies in South America.

We have our large map of South America on which everyone worked, finished also.

Our study in Geography this year has been on "The Americas" and they have been very interesting to us. This study is continued in the Seventh Grade. Our Geography work in the Sixth Grade will be of a much different type.

Skip Day

The Seniors had Skip Day last week Wednesday and from what I've been hearing they had one good time with no maybe's either.

Here's a few things I heard and found out about them:

Charlie found out how to stop a street car.

Marie H. had never been to Detroit but she can't say that now!

Norman couldn't keep his balance when the street car started.

Lynn and Walter liked Lansing so well before that they re-visited it.

Allen B. spent his day at Manchester and had a good time.

Doug, Willie, Ronnie, Loren and Johnnie visited Canada. Have you seen their souvenirs?

Leona learned she should never put her feet on seats in front of her in theaters.

A group of girls went to Jackson and came back with lots of new clothes.

Charles M. told me he chugged to Ann Arbor and home again.

Hubert J. found out how far it is when you walk from Ford's to downtown Detroit.

Dave said the ball game was rotten. Too bad. Better luck next time.

Bob N. still has his laugh. We were afraid he would lose it in Detroit.

I heard a lot more about these seniors. Did you hear it, too?

Clinton Game

Chelsea was defeated by the League leading Clinton team by an overwhelming score of 12-4. Holbrook made his second appearance on the mound and pitched a good game. He was taken out in the sixth with one out and two on. A few errors on the part of the Chelsea infield helped Clinton to run up their lead. The brother battery pitched for Clinton with H. Frey pitching, C. Frey catching. Barton was relieved in the 7th with one out by G. Kennedy, making his first appearance for Chelsea, but this failed to have any effect on the Clinton players. The only highlight of the game was when Charlie P. hit a triple over the left fielder's head.

Manchester Game

The Chelsea second team defeated Manchester by the close margin of 5 to 4. The Chelsea players were handicapped by the absence of the seniors. They came from behind to tie the score in the sixth inning.

Earl Hatley did the pitching for Chelsea while Troz hurried for Manchester. Chelsea would not have won if it had not been for Wayne Harvey, the only senior boy there, and Mutz Brueckner. Harvey managed to get on base on a fielder's choice. Then Mutz came to the plate, slapped out a triple to score the winning run and ended the ball game. The second team's players played a good game and gave Mr. Johnson a chance to look over his talent for next year.

I'm told I am an old black crow,
Who eats the melons while they grow,
And every time they think me bad,
I get so very, very mad.

They make a man to scare me away
While in the bush a bad man lay,
To raise his great big gun up high,
So he can shoot me as I fly.

And say, "Ho hum."

I eat all prey

Judge Pray Speaks At Farmers' Club

The Western Washtenaw Farmers' club met Friday evening at the home of Mr. and Mrs. E. E. Smith. Supper was served at 7:00 o'clock, followed by a program consisting of a song by the club, invocation by Rev. H. W. Lenz, a talk on "Childhood Reminiscences" in observance of Mother's Day, by Mrs. W. R. Daniels, and an address by Probate Judge Jay G. Pray.

Mr. Pray talked on the subject of "Juvenile Delinquency." He stated that there are 500 children in Washtenaw county dependent on public or private support. He told of the duties of the probate court in connection with juvenile cases, and of the problems which are faced in carrying out these duties.

The speaker stated that it is a deplorable fact that after the churches, schools and parents work with children until they are 18 years of age that they are turned over to the devil due to the fact that beer and liquor parlors have been provided for them to visit and that countless numbers of youths of the county, state and nation are becoming habitual drunkards as the result of the repeal of the Eighteenth Amendment. He predicted that this condition would be corrected somewhat by raising of the age limit at which youths could be sold intoxicating beverages, from 18 to 21 years of age.

The next meeting of the club will be held June 21 at the summer home of Mr. and Mrs. W. R. Daniels, Cavanaugh Lake.

Petitions Ready For State Commissioner

More than one thousand names have been secured by local Sea Scouts on petitions which will be taken to Murray D. Van Wagoner, State Highway Commissioner, by a local committee, asking that the new US-12 super highway follow the present route past Chelsea rather than some distance south.

A request for an appointment with Mr. Van Wagoner has been made and a local committee appointed to make the trip to Lansing to present the petition. The committee consists of Geo. W. Beckwith, Jas. Park, H. D. Withersell, Conrad Lehman and P. F. Niehaus.

During the past few years a number of preliminary surveys have been made for a routing past Chelsea, with no definite route being selected. It is hoped the request from the citizens of this community will have some influence with Mr. Van Wagoner when the time comes to make the decision.

The matter of keeping the highway in its present location means much to Chelsea, especially in view of the fact that this village will be the gateway to the new Federal park project, which will bring an unlimited amount of traffic to this part of the state.
