Park Administration Office Moved Here

The administration office for the Waterloo Park project has been moved from Ann Arbor and established in the rooms on the second floor of the Eppler building, above the Loeffler meat market. New furniture has been placed in the new offices during the past few days, and the office personnel consisting of ten people will take up their duties here as soon as final approval is forthcoming from Washington.

Six rooms have been equipped in the office here, providing space for the private office of C. D. Platt, project manager, and for draftsman, rehabilitation supervisor, and other workers. All activities pertaining to acquisition and development of park property, abstract work, etc., will be centered in the local office. John P. Keusch, project attorney, will spend such time as necessary in this office for the legal work in connection with the park.

Activities in the park development plans are progressing steadily, according to Mr. Platt. Capt. Fox of Camp Custer on Monday approved the location for the buildings at the Portage Lake CCC camp in Jackson county, and also for the camp at the north end of Mill Lake, five miles northwest of Chelsea. Bids are now being received for drilling of wells on the campsite, and as soon as the wells are drilled the CCC contingents will be quartered at the camps in tents. It is expected they will arrive in about two weeks.

Plans for the personnel of these camps has been changed somewhat during the past few days, announcement being made that membership in the camps will be restricted to ex-service men, ranging in age from 35 to 50 years. It is believed by the park administration that the older men will be more dependable than young boys would be in the tasks which will be assigned them in the park development.

One hundred experienced CCC men will be brought to each of the camps from the Black Lake camp in Northern Michigan, the remaining men in each camp to be new veteran recruits. Immediately upon their arrival they will be employed in grading and cleaning up the campsite preparatory to the construction work which will be commenced under army supervision as soon as possible.

The army officers who will supervise the camp life are making plans for an elaborate recreational program for the war veterans who will be stationed here, in an effort to keep the men in camp as much as possible and to content them while there. Many of them are married men with families who have accepted camp life as a means of livelihood.

The Federal agency in charge of the Waterloo project is now known as the Resettlement Administration, Department of Rural Land Planning.

Homecoming Will Be Observed at Salem

Sunday, July 7 will be "Homecoming Day" at Salem Methodist church, Franciscan, and will also celebrate the 32nd anniversary of the organization of the church. It is expected many members and former members will gather for this event.

Rev. H. A. Leeson, D. D., superintendent of the Methodist Home, will be the guest speaker at the morning service at 10:45. The ladies of the church will serve a chicken dinner immediately after the service, at about 12 o'clock.

A fine musical program has been arranged for the afternoon service at 2 o'clock. Former pastors and ministers of the Chelsea, Waterloo, and Munith churches will bring brief messages.

The public is invited to all of the services and to the dinner.

J. S. CUMMINGS HONORED
Mr. and Mrs. J. S. Cummings were in attendance at the 21st annual convention of the Michigan Association of Registers of Deeds, held Friday and Saturday at the Central State Teachers College, Mt. Pleasant. Mr. Cummings was elected president of the association for the coming year, and Ann Arbor was chosen as the place for the 1936 convention.

EXTEND HOUSE BID DATE

The Board of Education, School District No. 3 fr., Sylvan and Lima, announces that the final date for receiving bids on the house on the Thompson property which they have purchased will be extended until the house is vacated so that interested parties may inspect the house. Definite time limit for filing bids will be announced later.

PUBLIC LIBRARY NEWS

The Chelsea Public Library wishes to express its appreciation to Mr. Weber for putting on the benefit performance of "Our 99". One hundred and twelve new books and twenty-three Boy Scout merit badge pamphlets were added to the library last week.

Plan Construction of Sewage Disposal Plant in Chelsea

Construction of a sewage disposal plant in Chelsea may become a reality in the near future if present plans of the common council materialize. The need for such a plant here has been realized by village administrators for several years, and with the present opportunity of securing Federal aid on such a project it is believed by officials to be an opportune time to secure the plant at a nominal cost to the village.

Bringing the proposition forcibly to the attention of the council was a petition presented to this body Monday evening by Alvin Baldwin, Martin Merkel and 101 other residents of the village, asking that action be taken in the matter of providing adequate sewage disposal. President Harris, knowing that the petition would be presented, had made arrangements for Geo. Champe of Toledo, consulting engineer, to be present at the council meeting to discuss the matter.

The petition as presented to the council reads as follows:

Chelsea, Michigan, June 28, 1935.

To the Honorable, the Common Council of the Village of Chelsea:

Whereas: The conditions existing at the outlet of the Chelsea Sanitary Sewer, and for miles along Mill Creek, into which it empties, are known to be unsightly and unsanitary, deadly to all wild life within its waters, and dangerous to the health and well-being of all our people, and

Whereas: The State Board of Health, The State Conservation Department, and The State Stream Control Commission, knowing the conditions, favor and urge the building of some kind of Disposal Plant to relieve the unsightly condition, and

Whereas: At this time the proffers of the Federal Government of Financial Aid in the building of such a plant, are most generous, and

Whereas: The need of jobs for the unemployed at this time is most urgent.

Therefore: We, the undersigned residents and freeholders of the Village of Chelsea and vicinity, respectfully petition your Honorable Body to take immediate action leading to the building of such a plant and to relief from conditions unworthy of our fair City.

The following resolution, which is self-explanatory, was adopted by the council:

Whereas, the public necessity, convenience, welfare and health require the construction of a sewage treatment plant in the Village of Chelsea, Michigan, and

Whereas, the National Industrial Recovery Act provides for Federal Aid in the financing of such public work, Now Therefore, Be It Resolved by the Council of the Village of Chelsea, Michigan, as follows:

Section 1. That the public necessity, convenience, welfare and health require the construction of a sewage treatment plant for said Village.

Section 2. That the firm of Geo. Champe & Associates, Engineers, be and hereby is authorized and directed to prepare general plans and estimates of cost of a sewage treatment plant for said Village, it be (Continued on Last Page)

4-H Convention Will Be Held On July 11

The annual 4-H convention will be held Thursday evening, July 11, at the Pittsfield Grange Hall, three miles southwest of Ann Arbor on the Saline-Ann Arbor road.

In addition to the election of a board of directors for the Washtenaw County Council of 4-H clubs, there will be several musical numbers and group singing led by P. E. Niehaus of Chelsea. Dr. O. R. Yoder of Ypsilanti State hospital will address the meeting.

Each project club organized last winter and this summer will send voting delegates as follows: One to ten members, one delegate; eleven to nineteen members, two delegates; twenty to twenty-nine members, three delegates.

The meeting will be called promptly at 7:30 o'clock. The present officers of the council are as follows: President, Donald Rank; vice president, Albert Gull; secretary, Myra Oulmann Spike; treasurer, Clarence Bristol; reporter, Alberta Stein. Other members are James Cornell and Edmund Green.

ALMA CASH WEDS
Word has been received in Chelsea of the marriage of Miss Alma Cash of Arkadelphia, Ark., to Ward Tedrow, which occurred in the Methodist church at Portland, Ore., on June 7, at six o'clock. A reception was held at the home of the groom's parents, Mr. and Mrs. Tedrow are living at 6310 Southeast Iron St., Portland. Mrs. Tedrow was a former teacher in the public schools of this place.

Annual School Meeting Will Be Held Monday

The annual meeting of School District No. 3 fr., Sylvan and Lima, will be held at the public school auditorium on Monday evening, July 8, at 8:00 o'clock, when necessary business will be transacted and two directors will be elected. The terms of M. J. Dunkel, president of the Board of Education, and J. N. Dancer, trustee, expire this year.

A complete report of the receipts and expenditures of the district for the past year appears in this issue, and should be read carefully by every taxpayer of the district. The report shows a cash balance on hand at this time of \$11,925.33, compared with a balance of \$279.55 a year ago. All current obligations have been paid, including the purchase of a stoker, other improvements to the school property, and retirement of the usual \$2000.00 yearly bond payment. Teachers' salaries, which had been reduced drastically in previous years, were increased for the past year.

In spite of the fact that teachers' salaries will be further increased for the 1935-36 school year, the proposed budget for the coming year which will be presented at the meeting Monday evening, will allow a 30 per cent reduction in the school tax rate. This reduction is made possible because of additional state aid received by the district.

Nine Band Concerts Will Be Given Here

Sufficient funds have been secured locally to have a series of nine band concerts during the summer months. Business men and others who realize the importance of providing a certain amount of free entertainment for patrons of business interests of the village have been very generous in their support of the Chelsea Band. The first of the concerts will be presented tonight (Wednesday), and with weather permitting the band will give a program each Wednesday evening. The program for next week, under the direction of Fred Fuller, will be as follows:

March—Americans We — Henry Fillmore.
March—King Cotton—Souza.
Overture—Under a Circus Tent — R. C. Jarrett.
Waltz—Norma's Dream—H. Bennett.
March—Dunlap Commandery—R. B. Hall.
Concert Polka—The Two Johns—J. W. Howell.
March—Ambassador of the Air — H. E. Kent.
Waltz—Rosella—W. L. Skaggs.
March—El Capitán—Souza.
Star-Spangled Banner.

Bahnmler Is New Legion Commander

The American Legion post of Chelsea held its annual election of officers at their hall last Thursday evening. The following are the newly elected officers:

Post Commander—Clarence Bahnmler.
Vice Commander—John O'Hara.
Adjutant—Wm. Rademacher.
Finance Officer—Carl J. Mayer.
Historian—Julius L. Eisele.
Chaplain—Chester Miller.
Sergeant at Arms—John R. Hummel.
Clarence O. Bahnmler and Paul C. Maroney were elected delegates to the State Convention to be held in Flint in August, while Wm. G. Kolb and John O'Hara were elected as alternates.

FOURTH TO BE QUIET HERE

The Fourth of July promises to be an extremely quiet event in Chelsea as no celebration of any kind has been planned. The only disturbance will perhaps be the exploding of some "bootleg" fireworks smuggled in from some other state. The general procedure for the day will no doubt be the usual trek to beaches at nearby lakes to spend a safe and sane Fourth.

LOCAL PASTORS RETURN

At the 80th annual conference of the Methodist Episcopal church held in Bay City the assignments of pastors were given on Monday. Rev. F. D. Mumby, Rev. H. W. Lenz and Rev. V. E. Longfield were returned to the Chelsea, Salem Grove, and Dexter-North Lake churches respectively, for another year.

PLYMOUTH—Tuesday afternoon, July 2, at 3 o'clock has been set as the time when Most Rev. Bishop M. Gallagher, accompanied by a number of other high dignitaries of his church, will come to Plymouth and break ground for the vast new institution to be built by the Felician Sisters at the corner of Schoolcraft and Newburgh roads. The institution, which will be more than 800 feet long and in places 300 feet wide, two and three stories high, will be one of the largest of its kind in the middle west. It will face the south, being located some 500 feet from the woods. The new institution will be the home of some 500 Felician Sisters besides several hundreds of orphaned girls who will be reared and educated by the Sisters. Later a home for orphaned boys will be erected at the same place. It is the care of orphaned children that the Felician Sisters have dedicated their lives.—Mail.

SOUTH LYON—Wednesday night's windstorm did a lot of damage in this section of the state, especially north and west of town, where it attained the fury of a young colossus. The storm struck at about 8:30. Rain fell in torrents accompanied by a strong gale. Trees along the entire path of the storm were uprooted and broken down. Many buildings had the roofs ripped off, and here and there one was moved slightly from its foundation. Hay crops were laid to the ground. Telephone and electric light wires were down to a great extent and in a few places were broken by falling trees and limbs. Lights went out, some residents in the community had to do without them practically the entire evening, those who had lamps and lanterns to resort to were fortunate. Others had to sit in the dark, else retire for the night. Edison linemen, however, were right on the job and restored service as soon as was possible.—Herald.

TECUMSEH—In one of the most spectacular fires on a highway in this section of the state, a truck and two trailers, loaded with 5,000 gallons of gasoline, were destroyed by flames.

NOTICE OF MORTGAGE SALE

DEFAULT having been made in the condition of a certain mortgage made by William B. Lindbergh and Mabel P. Lindbergh, husband and wife, of Manchester, Michigan, to Sarah Each of the same place, dated the 28th day of February, 1920, and recorded in the Office of the Registrar of Deeds for the County of Washtenaw and State of Michigan on the 28th day of February, 1920, in Liber 145 of Mortgages, page 113, and which said mortgage was duly assigned by the said Sarah Each on the 30th day of April, 1928, to the Union Savings Bank of Manchester, Michigan, and which assignment was recorded in Liber 22 of Assignments Mortgages, page 352, on the 2nd day of May, 1928, Washtenaw County records.

On which mortgage there is claimed to be due at the date of this notice for principal the sum of \$380, for interest \$103.82, for insurance \$12.42, or a total of \$496.24, and an attorney's fee of twenty five dollars as provided in said mortgage and by law, and no suit or proceedings by law having been instituted to recover the money secured by said mortgage, or any part thereof.

Therefore, Notice is hereby given, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Saturday, the twenty-first day of September, A. D. 1935, at ten o'clock in the forenoon, the undersigned will, at the South Front Door of the Court House in the City of Ann Arbor, that being the place where the Circuit Court for the County of Washtenaw is held, sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with five per cent interest, and all legal costs together with said attorney's fee, to-wit:

The lands, premises and property situated in the township of Manchester, County of Washtenaw and State of Michigan and described as follows, viz: The north half of the south-east quarter of the north-west quarter of section number two, in town four south, range three east, containing twenty acres of land, more or less.

Also a piece of land lying south of the north half of the south-east quarter of the north-west quarter of said section number two in the town and range aforesaid and more particularly described as follows: Beginning at a point in the line running north and south which divides the east half from the west half of the north-west quarter of said section number two where the old Cowan line, so called, intersects said north and south line; running thence south east eight rods; thence due east on a line until the same intersects the street known as Cowan Avenue; thence along the center of said Avenue to a point eight rods north of the line of the last described course; thence west along the old Cowan line before mentioned to the place of beginning, said south line of the part herein conveyed being fully agreed upon as the boundary line.

about two and a half miles west of Tecumseh, near Billington's Corners. Before the gas tanks exploded it was estimated that the flames shot 150 feet into the sky. There were three distinct blasts and each time the fire shot skyward, nearby trees, telephone poles and wires burning and melting in the intense heat. The grass for several hundred feet in each direction was burned and the cement roadway was too hot to permit workmen to approach. State police were notified of the blaze and immediately blocked the road, detouring traffic until nearly 6 o'clock last night, when highway department employees succeeded in removing the debris and opening a traffic lane. No one was hurt. The blaze happened almost in front of the George Crafts home on the H. E. Wilson farm. A favorable wind kept the flames from setting fire to the buildings there.—Herald.

"YO AN' YE"

When the sunlight shadows lengthen, And the twilight paints the sky, While the balmy air of evening Stiffles every moan and sigh, Often on the front veranda, Shadowed by an old elm tree, We have sat and talked of blessings That have come to me, an' me.

Few have been our days of sorrow, Few the days of anxious care, Never once have lost our bearings, Never once did we despair; All our plans and all our efforts, All our prayer and all our plea, Giving Him our best endeavor, God has blessed us, me an' me.

Three score years and more have witnessed God's amazing love and care, Seen his power—felt the uplift As the heavier load was bore; So tonight on the veranda, Shadowed by an old elm tree, Here we meditate and wonder Of His love for me an' me.

So when sunlight shadows lengthen, And the twilight paints the sky, While the balmy air of evening Stiffles every moan and sigh, We sit on the front veranda, Shadowed by an old elm tree, Numbering and counting blessings That have followed me an' me.

Sheep and Wool Old

Early references to wool and sheep husbandry are found in the old Babylonian carvings and urns; the Bible was full of references to sheep and wool. In Great Britain sheep raising existed back in Roman times and as early as A. D. 84 a guild of wool staplers was established at Winchester.

An Aquatint

An aquatint is a process of etching on copper or steel plates by means of nitric acid, producing an effect resembling a fine drawing in water colors sepia or India ink.

The 1936 reunion will be held the last Sunday in June.

Question And Answer Dept.

Ques.—I wish you would give me the definition of "pedestrian".

Ans.—Haven't you a dictionary? In rural communities a pedestrian is a person who walks; in the cities it is a person who jumps.

Ques.—At the battle of Manila Bay in the Spanish American War, how many fighting ships were on each side, and how many men killed and wounded did each suffer?

Ans.—At the Battle of Manila Bay there were six warships under command of Admiral Dewey. The Spaniards had twelve armored vessels besides one torpedo boat under command of Admiral Montijo. The thirteen vessels of the Spanish fleet were destroyed and 450 men were killed and wounded. Seven men of the American fleet were slightly wounded, and no damage done to their six ships.

Ques.—Is England the most densely populated country in the world? Or is it China? This is to settle an argument.

Ans.—Neither one. Belgium as a whole country is the most densely populated country in the world. China has the most people of any nation, but their vast territory excludes it from being densely populated.

Ques.—How does the United States stand in the number of radio receiving sets as compared with the foreign countries of the world?

Ans.—There are approximately 48,500,000 radio sets in use throughout the world. Forty per cent of them are in the United States, which is 20,750,000. England is second with 6,780,000, and Germany third, which is 6,143,000. All other countries are considerably below these figures.

Ques.—It seems to me the people must make you darn tired in answering all the questions they ask—particularly the foolish ones. Don't they?

Ans.—They surely do, but we can stand it. What other one would you like to ask now?

Ques.—When the sun is shining through holes in the cloud it is said to be drawing water. Is this true? If not, why does it have that appearance?

Ans.—This is not true, notwithstanding many people think so. What you see in cases like this is caused by fine dust in the air in the path of rays or beams of sunlight, just the same as a ray of sunlight entering a dark room will light up the dust motes in the air so that you can see the path of the beam.

Ques.—I see you can tell the day of the week of one's birth. Will you please tell me the day of the week I was born on? The date was Sept. 6, 1863.

Ans.—You were born on Sunday, as Sept. 6, 1863 fell on that day.

Ques.—I would like to know why there is light in the day-time even when the sun is entirely hidden by clouds?

Ans.—The sun is shining on top of the clouds. Part of this light gets through, just as some light will shine through a white cloth.

Ques.—Is it known how many Negro attorneys there are in the United States?

Ans.—According to the 1934 statistics there were 1,230 Negro attorneys in the United States.

Ques.—I have an old tin lizzy which my wife has been using. Now she says she can't drive it—that it won't budge. I tried it, too, and found she was right—she won't budge. Can you advise me what to do?

Ans.—Did you ever try coaxing the darn thing?

Ques.—Our club has decided to ask you what are the five largest cities in the world and what their rank is. Thank you.

Ans.—The five largest cities in the world, according to 1932 census, are as follows in the order named: London, 5,202,818; New York, 6,881,915; Tokyo (Japan), 6,812,000; Chicago, 4,609,240; Berlin (Germany), 4,250,000.

Ques.—Will you please tell me what day of the week I was born on? The date is January 31, 1919.

Ans.—You were born on Friday—that being the day of the week of January 31, 1919.

Ques.—Will you please tell me why they call "strawberry shortcake" by this name?

Ans.—Strawberries are used for the filling, hence "strawberry". A few important ingredients used in making cake are omitted in making the cake for strawberry shortcake. These being omitted, the cake became popularly known as "short" cake, and finally as one word "shortcake".

24 YEARS AGO

Thursday, July 6, 1911

The territory from the plains states to the Atlantic seaboard is suffering from an extreme heat wave. During the last five days thermometers in Chelsea have registered from 96 to 106 degrees.

Edward McNamara, a former Chelsea resident, died in Traverse City on Wednesday, July 5, 1911. Funeral services will be in Chelsea and interment in Oak Grove cemetery.

Arlington Guerin of Lima died suddenly this morning at his home.

Mrs. J. L. Harlow, formerly Matilda BeCole of Sylvan township, died in Gibbs, Mo. on Sunday, July 2, 1901. The remains were brought here Tuesday morning and interment was in Oak Grove cemetery.

Robert Leach and James Dann moved a transformer from the Chelsea sub-station to the cement works at Four Mile Lake on Monday afternoon for the Commonwealth Power Co. The power company is building a sub-station at the cement works and will furnish power for the plant.

Mr. and Mrs. C. E. Clayton, who have been spending the past month in Philadelphia, returned to their Chelsea home the last of the past week.

34 YEARS AGO

Thursday, July 4, 1901

Quite a few people from Sylvan went to Grass Lake on Sunday to have the pleasure of seeing the new electric cars run from Grass Lake to Jackson. Several made the trip to Jackson.

The M. C. R. R. will close their elevator here July 5th for the annual clean-up.

Chas. E. Foster took charge of the office of county commissioner of schools on Monday.

Mrs. William Schmidt died at her home near Four Mile Lake on Monday, July 1, 1901.

W. G. Kempf has purchased a livery business at Hillsdale and will move his family to that city in about two weeks.

The total number of pieces of mail

delivered on routes 1 and 2 during the month of June was 7,546. The total number collected was 973.

Burglars entered the residence of S. A. Mapes on Summit street, Saturday night. They secured \$39 and a gold watch.

BROOKLYN—Not less than 50 loads of refuse was last week cleared from the Brooklyn millpond tract owned by Henry Ford. This accumulation of years was taken to the adjacent dumping ground owned by the village. The Ford interests furnished a truck and driver and the village hired workers. The village council is gladly cooperating in the clean-up effort and has only recently fenced the refuse dump and arranged the drive into and out of the place so that both trucks and trailers can unload without much effort. A watchman cannot be permanently stationed at the place, but special request is made that the dump be used instead of the street or the adjacent property. Those who disregard the fair request will find little sympathy if detected. It is hoped that Mr. Ford will soon decide to improve his mill and water power property here in a similar manner to the way he has improved his places at Tecumseh, Sharon and is now doing at Saline.—Enterprise.

MANCHESTER—A strip of cement walk in front of the Manchester high school was the first that was built in the village and was about the first to be constructed in the state. It has withstood the tramping of many feet for nearly 70 years and is still in good condition which is more than can be said of scores of walks that have been laid in recent years.—Enterprise.

MICHIGAN CENTRAL

If you had unlimited choice in picking a site for your vacation, if you were allowed to choose among the world's finest playgrounds, you could not find anywhere a greater variety, or sites more favored by Nature, than among those that Michigan offers.

Within the borders of your native State are fishing streams that represent the angler's paradise; unexcelled highways for motor touring; the finest of golf courses; camping sites to suit any preference; five thousand lakes which range in size from a swimming pool to a sparkling inland sea.

Michigan, in short, offers nearly all those beauties and advantages for which, year after year, many people will travel to foreign lands.

To enjoy what Michigan offers, you can, if you wish, travel on

luxurious lake liners. But for these liners you need not bother with passports or visas! You can ride comfortably, speedily, safely, to your Michigan destination on up-to-the-minute trains, busses and planes.

Spend your own vacation in Michigan. Let your out-of-State friends know what splendid facilities await them here. By doing so, you will assist them toward a happier holiday. In addition, you will help to promote the popularity and prosperity of your native State.

It is for the purpose of doing our share in this promotion that this series of advertisements is being published by the Michigan Bell Telephone Company, a Michigan organization that prospers only as the citizens of Michigan prosper.

Christmas Seal Camp Opens at North Lake

On June 25th the Christmas Seal Camp, which originates in Wayne county, opened its fifth season at North Lake. The camp is situated on the northwest shore of the lake, on the old Webb estate, a site which the sponsors now rent but which they hope to purchase as a permanent situation.

There are present now 118 boys, under the direction of Gen. H. Barkay, representing the Detroit Board of Education. Assisting Mr. Barkay are 11 chancellors and a doctor. These children, who come from Detroit and environs, are ones who have been recommended for presence at the camp by physicians because of their having come in contact with tuberculosis through their parents or other members of the family. All were examined prior to admittance, so that it is now known that there is not a single case of active T. B. in the camp.

The camp comprises seven buildings—a dining hall, bunk house, hobby house, hospital, director's cottage and two cabins with 14 cots each. These last are recent additions and it is intended to build more of them until there will be enough for all the children. In the hobby house the boys are instructed in manual training and hobbies. The hospital is new, and is modern in every respect. There are cots for seven patients, a clinic, and a dispensary. Of course the doctor is in charge of this division of the camp.

Recreational facilities include a fine beach for swimming, swings, see-saw, giant slide, traveling rings, basketball and volleyball courts, baseball field, campfire site and all the parlor games.

The boys swim twice a day, one time of which is entirely devoted to instruction. Of the 118 boys it is expected that 100 will be able to swim when the term ends. On the beach is a barrier—a restricted area—beyond which no boy is allowed unless he has passed certain tests, after which he may go beyond the barrier to the diving dock. It is a hard and fast rule that every counselor be on duty at the lake while the boys are swimming.

The camp's day begins at seven a. m. and ends at nine p. m. Between these hours, the day's events are run according to strict schedule.

These boys remain for a period of four weeks—until July 28—at which time they will be replaced by 120 girls with similar qualifications who will remain for four weeks under the leadership of a dozen girl counselors.

Since there are no active tuberculosis cases, there is no intent to cure the children while at camp. The only purpose is to build up the children's resistance by getting them out of the cities, giving them lots of fresh air and sunshine, and letting them thoroughly enjoy themselves in the country—a place where many of them had never been. In fact, many of the children received their first glimpse of the galaxy in all its splendor on their first night at the camp.

The camp site includes 100 acres, out of which about 60 acres besides the camp proper, are used in nature study. Since the land was practically uninhabited for some 20 years, the land abounds in wild life of all sorts, making it an ideal place for the type of work.

There are no charges for attendance at the camp, and no restrictions except that the child be between the ages of ten and fourteen years, and that he be recommended by a physician. If a child feels that he can afford to pay his way, he can do so by making a donation to the Christmas Seal Fund.

NOTICE OF MORTGAGE SALE

Default having been made in the conditions of a certain mortgage made by George Nollar and Frances Nollar, his wife, and John Nollar, to The Lewis & Frisinger Company, an Ohio corporation, dated the 31st day of December, 1883, recorded in Liber 198 of Mortgages, page 374, in the office of the Register of Deeds, Washtenaw County, Michigan, on February 6, 1898, and on which mortgage there is claimed to be due at the date of this note, for principal and interest, the sum of \$14,580.22, together with an attorney fee of \$35.00, as provided for in mortgage, and no suit or proceedings at law or in equity having been instituted to recover the money secured by said mortgage or any part thereof,

Notice is Hereby Given that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Saturday, the 31st day of August, 1898, at ten o'clock in the forenoon of said day, Eastern Standard time, the undersigned will, at the southerly front door of the Court House, commonly known as the Huron Street entrance, in the City of Ann Arbor, that being the place where the Circuit Court for the County of Washtenaw is held, sell at public auction to the highest bidder the premises described in said mortgage or so much thereof as may be necessary to pay the amount due as aforesaid, together with interest and all legal costs and fees provided by law, which premises as set forth in said mortgage are more particularly known and described as follows:

All that part of the West half (W. ½) of Section nine (9) lying East of the road leading from Iron Creek and south of the right of way of the Detroit-Hillsdale & Indiana Railroad together with a small strip of land lying North of the Railroad right of way in the Northeast corner of the Northwest quarter (N. W. ¼) of said Section; also the West nineteen (19) rods of the Southeast quarter of said Section and also the West half (W. ½) of the Northeast quarter (N. E. ¼) of said Section, except forty (40) acres in the southeast corner thereof. Said land being more fully and completely described as follows: Land in the Township of Manchester, County of Washtenaw, described as follows: Part of Section number nine (9), Town four (4) South, Range three (3) East, described as: A piece of land on the west side of the West half (W. ½) of the Southeast quarter (S. E. ¼) of said Section nine (9) commencing at the center of said section running thence east nineteen (19) rods; thence South one hundred sixty (160) rods to the south line of said Section; thence West along the South line of said Section nineteen (19) rods; thence north one hundred sixty (160) rods to the place of beginning.

Also the Southwest quarter (S. W. ¼) of said Section nine (9) except a piece of land on the West side of the road leading from Iron Creek to the intersection of the road leading from the Village of Manchester to the City of Jackson.

Also a piece of land being the South part of the West half (W. ½) of the Northwest quarter (N. W. ¼) of said Section nine (9), beginning at the quarter post of the west line of said Section; thence North thirty-six (36) links to a stake; thence North thirty-three (33) links to a stake; thence North seventy-three (73) degrees east, twenty-one (21) chains and twenty (20) links to a stake in the east line of said lot; thence South on the east line of said lot, nineteen (19) chains and forty-five (45) links to the Southeast corner of said lot; thence West twenty (20) chains and twenty-two (22) links to the place of beginning.

Also a piece of land commencing at the center of said Section 9; thence west 20 chains and 22 links; thence north 19 chains and 45 links; thence north 73 degrees east, 19 chains and 30 links to a stake; thence north to the north line of said Section 9; thence east to the quarter post in the north line of said Section 9; thence south to the center of said Section and to the place of beginning.

The west half of the Northeast quarter of Section 9, except 10 acres in the southeast corner thereof, the excepted parcel being 40 rods square.

And also excepting and reserving from the last two above descriptions the land included in the right of way of the Detroit-Hillsdale & Indiana Railroad, containing in all the above described land 376 acres, more or less, all being in Town 4 South, Range 8 East, Washtenaw County, Michigan.

NOTICE OF MORTGAGE SALE

Whereas, default has been made in the conditions of a certain mortgage dated the 24th day of June, A. D. 1927, executed by Emil J. Claire, Ole Claire and Dale J. Claire, doing business under the name of E. J. Claire and Sons, of the Village of Chelsea, Michigan, to the Farmers and Merchants' Bank, a Michigan Banking Corporation, with its office at Chelsea, Michigan, which said mortgage was duly recorded in the office of the Register of Deeds of Washtenaw County, Michigan, in Liber 186 of Mortgages, Page 483, on the 1st day of July, A. D. 1927,

And whereas, said mortgage was assigned by the Farmers and Merchants' Bank, a Michigan Banking Corporation, to Mary Lusty of Detroit, Michigan, by assignment of mortgage, dated the 4th day of September, A. D. 1931, and recorded in Page 28, on the 80th day of July, A. D. 1932 in the office of the Register of Deeds of Washtenaw County, Michigan,

And whereas, by the terms of said mortgage, it is provided that in case of default in the payment of any installment of principal or of interest on any part thereof on any day whereon the same is made payable, and should the same remain unpaid, and arrears for the space of sixty days thereafter, the principal sum of said mortgage, together with all interest thereon, shall at the option of the mortgagee or its assigns become due and payable forthwith, and default having been made in the payment of principal and interest in said mortgage, which default has continued more than sixty days, the said mortgagee doth hereby exercise her option to declare the principal sum of said mortgage and all arrears of interest and taxes due and payable.

And whereas, the amount claimed to be due on said mortgage at the date of this notice is for principal sum of \$2800.00, for interest \$234.54, and the further sum of \$35.00 as arrearage, and the whole amount claimed to be unpaid in said mortgage at the sum of \$3069.54, and no suit or proceeding at law having been instituted to recover the debt now secured by said mortgage, or any part thereof, whereby the power of sale conferred in said mortgage has become operative.

Now therefore, notice is hereby given that by virtue of said power of sale and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by the sale of the premises therein described, at public auction to the highest bidder at the south-front door of the Courthouse in the City of Ann Arbor, in the County of Washtenaw, Michigan, on the 24th day of August, A. D. 1935 at ten o'clock in the forenoon of said day, which said premises are described in said mortgage as follows and property situated in the Village of Chelsea, Washtenaw County, Michigan, described as follows:

"A strip of land twenty-one feet wide and eight inches wide north and south across the center east and west of lots fifty-eight and fifty-nine of block one, according to the recorded plat of the Village of Chelsea, the south line of the said above described land being twenty-two feet and four inches north from the south line of said lot fifty-seven, and parallel with and thereto; also commencing on the east line of lots fifty-seven, twenty-two feet and ten inches north from the south east corner of said lot, running thence west parallel with the south line of said lot, twenty-two feet to the east line of Klein's land; thence north twenty-one feet and two inches along the east side of Klein's land; thence east parallel with the south line of said lot to the east line of said lot; thence south along the east line of said lot twenty-one feet and two inches to the place of beginning, excepting and reserving the rights of interested parties to the use of an alley on the last described parcel."

MORTGAGE SALE

Whereas, default has been made in the payment of money secured by a mortgage dated the 16th day of April, A. D. 1934, executed by Joseph A. Polhemus, a single man to The Farmers and Mechanics' Bank, a Michigan Banking Corporation, which said mortgage was duly recorded in the office of the Register of Deeds of Washtenaw County, Michigan, in Liber 197 of mortgages, Page 24, at 9:50 o'clock, A. M. on April 18th, 1934,

And Whereas, by the terms of said mortgage, it is provided that in case of default be made in the payment of any installment of principal or of interest, taxes, assessments or insurance on any part thereof on any day whereon the same is made payable, and should the same remain due and unpaid for the space of thirty days thereafter, the principal sum of said mortgage, assessments and insurance payments shall at the option of the mortgagee become due and payable forthwith, and default having been made in the payment of the interest payments in said mortgage, which default has continued for more than thirty days, the said mortgagee doth hereby exercise its option to declare the

Principal sum of said mortgage and
interest and taxes

arrearsages of interest and taxes due and payable.

And Whereas, the amount claimed to be due on said mortgage is the sum of \$9,450.00 principal, and interest in the amount of \$224.25, and the further sum of thirty-five dollars as an attorney fee stipulated for in said mortgage and the whole amount claimed to be unpaid on said mortgage is the sum of \$9,874.25, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage on any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now therefore, notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder at the south front door of the courthouse in the City of Ann Arbor, in the County of Washtenaw, on the 23rd day of August, A. D. 1935, at ten o'clock in the forenoon of said day; which said premises are described in said mortgage as all that certain piece or parcel of land situated and being in the city of Ann Arbor, County of Washtenaw, and State of Michigan, to-wit:

The east seventy-four and one-fourth feet of lot number seven, in range number seven south of range number thirteen east, according to plat of C. H. Millen's Purchase of the southeast part of The Land Company's Addition to the city of Ann Arbor, County of Washtenaw, and State of Michigan.

MORTGAGE SALE

Whereas, default has been made in the payment of money secured by the mortgage dated the 24th day of January, A. D. 1934, executed by Florence O'Brien of the city of Ann Arbor, Washtenaw County, Michigan, to The Ann Arbor Savings Bank, a Michigan Banking Corporation, which said mortgage was duly recorded in the office of the Register of Deeds of Washtenaw County, Michigan, in Liber 192 of Mortgages on page 556 of January 24th, 1934.

And Whereas, by the terms of said mortgage, it is provided that in case default be made in the payment of any installment of principal or of the interest, taxes, assessments of insurance or any part thereof on any day when the same is made payable, and should the same remain due and unpaid for the space of thirty days thereafter, the principal sum of said mortgage, together with all interest, taxes, assessments and insurance paid in advance at the option of the mortgagee, shall at the option of the mortgagee become and be due and payable forthwith, and default having been made in the payment of the interest arrearages provided in said mortgage, which default has continued for more than thirty days, the said mortgagee doth hereby exercise its option to declare the principal sum of said mortgage and all arrearsages of interest and taxes due and payable.

And Whereas, the amount claimed to be due on said mortgage is the sum of \$9,480.00, and interest in the amount of \$627.26, and the further amount of \$35.00 as an attorney fee stipulated for in said mortgage and the whole amount claimed to be unpaid on said mortgage is the sum of \$10,142.26, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now, therefore, Notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction, to the highest bidder at the south front door of the courthouse in the city of Ann Arbor in the county of Washtenaw on the 16th day of August, A. D. 1935, at ten o'clock in the forenoon of said day; which said premises are described in said mortgage as all that certain piece or parcel of land situated and being in the city of Ann Arbor, County of Washtenaw, and State of Michigan, to-wit:

The north fifty five feet of lot four; also the north forty-four feet of the east half of lot three in block two north of Huron Street, in range eleven east, according to the record plat of the Eastern Addition to the Village (now city) of Ann Arbor, Michigan.

All Scouts Invited To Third Camporee

All the patrols from Chelsea are invited to take part in the Scout camporee which will be held at Camp Newkirk at Dexter on Friday afternoon and Saturday forenoon, July 12 and 13, according to an invitation from the Washtenaw-Livingston Boy Scout council.

The Camporee is a camping contest in which each patrol, regardless of size—in some cases 3 or 4, or 5 or 6 boys—work to measure up to a standard, of a possible rating of A, B, C or D.

Similar Camporees were held on May 24 and 25, and June 21 and 22, with such excellent results that the committee has planned the July 12 and 13 Camporee event.

Each patrol will be assigned an area 30 feet square in which to camp and judges will inspect them on the following ten points: Inspection of packs, care of equipment, teamwork in the patrol, patrol layout, program planning, sanitation, breakfast, noon meal, supper, and condition in which the grounds are left.

Good performance in each of these phases of camping will qualify the patrol as a "Standard" Camporee, entitling each of its members to wear the "Standard Camper" emblem.

Conservationists To Meet In Ann Arbor

A talk on "stream improvement" and a general discussion of the projected improvement of trout fishing conditions in Spring Creek, south of the village of Saline, will be the features of the July meeting of the Washtenaw County Conservation Association, which will be held in the Chamber of Commerce building, Ann Arbor, at 7:30 o'clock Tuesday evening, July 9.

Dr. Milton B. Trautman, Assistant Curator, Fish Division, University Museum of Zoology, who has drawn the plans for the projected Spring Creek improvement, will be the speaker, and in addition to this specific project, will explain the methods for bettering fishing conditions in lakes and streams which are being employed elsewhere.

A discussion of the projected undertaking and other plans of the Association will follow Dr. Trautman's talk.

First Elevators

Simple elevators for freight appeared about the middle of the last century. By 1870 they had been improved and adapted for passenger service.

HONORED AT BRIDGE PARTY

The S. A. Club honored Miss Dorothy Cavanaugh, a member of the club, at a bridge party at the summer home of Miss Dora Chandler at Cavanaugh Lake on Saturday afternoon. Bouquets of summer flowers decorated the rooms. Three tables of bridge were in play and honors were awarded to Miss Dorothy Haselwerdt. Out of town guests were Mrs. John Moran of Jackson, Mrs. Henry Thierman of Columbus, Ohio, and Mrs. George Forman of Detroit. A delicious potluck supper was served. Miss Cavanaugh was presented with a silver gift.

On Thursday evening, Miss Ruth Russell and Wallace Whiting will entertain thirty guests at a supper party at the former's home in honor of Miss Cavanaugh and Mr. Larson.

Miss Marian Wurster of Ann Arbor will give the Spinster luncheon at her home in Ann Arbor on Friday afternoon. Mr. and Mrs. J. H. Boyd will give the Rehearsal dinner at their home on Friday evening.

SCOUTS BRAVE WEATHER

After several days of cold and wet weather, the weather man smiled approvingly on the patrols that braved the danger of another shower and participated in the inter-patrol camporee held Friday night and Saturday forenoon at Camp Newkirk. While the attendance was small, the campers demonstrated that they could take care of themselves in times of good or bad weather, and they went home determined that they will be back again for the July 12 and 13 camporee, which will be held to make possible the participation of those who could not take part in those held earlier in the season.

Scouts in attendance from the patrols of Chelsea Troop number 1 were Charles Bannmiller, George Knickerbocker, Andrew Policht, Junior Miller, Roland Spaulding, George Winans, Charles Winans, Robert Roy, and Donald Parsons.

WIND DAMAGE AT NORTH LAKE

A "young" cyclone visited some of the territory around North Lake about eight o'clock Wednesday evening. The roof was blown off the barn on the Lumley farm, occupied by Mr. and Mrs. D. A. Fraser, and 40 apple trees were blown over on the D. A. Riker fruit farm. The trees were mostly Jonathans and Wealthys. Thirty-eight of the trees were pulled back in their places with a tractor and Mr. Riker hopes to save them. It is reported that a barn on one of the Rothmiller farms near Waterloo was blown down and many trees were uprooted in that vicinity.

Plan Construction of Sewage Disposal Plant

(Continued from First Page) ing understood and agreed that the charge for such service shall not exceed the sum of \$200.00. If the Federal application shall be granted, the said firm of Engineers shall be employed to serve as Engineers on the improvement for a commission of 6 percent of the cost of construction of the improvement.

Section 3. That the Mayor of said Village be and he is hereby authorized and directed to make application for Federal Aid on behalf of said Village for aid in financing said improvement.

Passed this 1st day of July, 1935.

Roy Harris, Mayor.

Attest: James Munro, Village Clerk.

As stated in the resolution the officials of the village, when they receive plans and estimates from Mr. Champe will apply for Federal aid in financing construction of the disposal plant. If the plan is approved by Federal authorities a special election will be called, when voters will have the opportunity to express their preference in the matter of bonding for 55 percent of the cost. The other 45 percent of the construction cost would be an outright grant from the government. Interest on the bond issue would be 4 percent, the funds being a loan from the government, payable over a long period of years.

It is estimated that three to four weeks time will be required for Mr. Champe to prepare his plans and estimates, and that it will take several weeks after that time for the Federal authorities to act on the matter.

If approved, the sewage disposal plant will be constructed about 2500 feet east of McKinley street on Mill Creek, and it is believed the approximate total cost will be about \$35,000.

It was voted at the meeting Monday evening to instruct the local electrical engineer to install electric lights in the trees on Congdon street and adjacent territory in an effort to drive starlings from the trees at night. These birds have become a real nuisance in the southwest part of the village. The light experiment has been tried out successfully in other towns and it is hoped will prove successful here.

"January Thaw"

The weather bureau says the term, January thaw, is rather loosely applied to any consecutive two or three days, or more, in January, when the temperature is decidedly and noticeably above the average for that month.

For much of this country that implies a temperature above the freezing point, accompanied, as a rule, by copious thawing, at least through the day.

Board Hears Report of Tax Commission

The county board of supervisors, at their meeting on Monday, heard the report of the state tax commission on assessment-equalization. The total valuation of Washtenaw county was fixed by the tax commission at \$95,172,885, a figure slightly higher than that of the board. William McPherson, head of the commission, recommended that the board's figures, of an equalization of the two, be used instead of the findings of the commission.

The request of Charles E. Crittenden that an engineer be employed to correct property descriptions, thus saving the county thousands of dollars by eliminating tax cancellation suits, was held over for further consideration. A resolution was adopted approving a plan for refunding Covert highway improvement bonds now in default.

Changes in the county building recommended by the district state fire marshal were referred to the building committee, who were given power to carry out the proposed suggestions. These will include the erection of outside fire escapes from the court room and jury room to the ground level. The board also approved a recommendation of the building and grounds committee that a 40 ft. steel flag pole be erected on the county building grounds.

MICHIGAN BELL TAX BILL IS \$7.26 PER TELEPHONE

The Michigan Bell Telephone Company will pay in taxes this year \$7.26 per telephone, based on the number of telephones it operated in 1934; this is approximately \$1.00 more per telephone than it paid last year. It requires the net earnings from 600 telephones or nearly 38 per cent of the average number the company operated last year to pay the tax, which will amount to \$3,354,000. And if taxes were paid through meter, the Michigan Bell Company would be required to stuff \$5.25 in the slot each minute of every day of the year.

On Friday, June 28, Michigan auditor general John O'Hara, received Lansing the Telephone Company check for \$1,388,977.68, representing half of its state tax bill of \$2,777,955.25. The balance is to be paid by the year.

In addition to its state tax, the Telephone Company will pay the local government approximately \$100,000 this year, and its miscellaneous local taxes will approximate \$170,000.

Under the Michigan law, telephone and telegraph companies, railroad, express, car-loading companies and other public utilities pay taxes to the state, in lieu of local taxes, and property generally used for conducting their businesses. The Michigan Bell Telephone Company is the largest individual taxpayer in the state.

Tax money received by the state from public utilities goes to the primary school fund and is distributed among all public schools in proportion to the number of children of school age residing therein. It is estimated that Michigan Bell Company pays approximately 25 per cent of the sum into the fund by the state's utilities.
