Dr. H. Schmidt Killed In Automobile Accident

Dr. Henry W. Schmidt, physician in Chelsea for nearly 50 years, and a life-long resident of Washtenaw county, was killed early Sunday forenoon while en route to Ann Arbor to meet his daughter Doris, who was returning from Bronxville, N. Y. for the Easter vacation. His wife and daughter Marian, who were riding with him, were taken to St. Joseph's Mercy hospital, Ann Arbor, suffering scalp cuts and bruises. No one else was injured. The accident occurred on US-12 near what is known as the Ward farm, about 5 miles east of Chelsea. As Dr. Schmidt attempted to pass a truck, his machine skidded on the snowy pavement, swerved against an embankment, turned over and righted itself on the highway, where it was hit by an automobile driven by Albert J. Thompson of Royal Oak. This car was but slightly damaged in the collision with the Schmidt machine. The truck, driven by Philip Stottman of Detroit, was not damaged.

Dr. Schmidt was born in June, 1864, in Bridgewater township and attended Manchester high school. In 1888, he graduated from the Medical School of the University of Michigan and has practiced medicine in Chelsea since that time. In 1889 he was married to Nellie McMahon of Manchester. Surviving are the widow, two daughters, Doris and Marian; a son, Dr. James M. Schmidt of Brooklyn, N. Y.; two sisters, a brother and one grandson.

Funeral services were held at 2:00 o'clock Tuesday afternoon at the residence, Rev. Albert E. Potts of Grand Rapids, former pastor of the Congregational church, officiating, assisted by Rev. Charles F. Wolf. Burial was in Oak Grove cemetery.

Union Services Will Be Held On Friday

The Protestant churches of Chelsea will unite in Good Friday services to be held at 1:30 p. m. at First Congregational church. A union choir will render the musical selections. Following is the order of service:

Organ Prelude.
Hymn 119: 1, 2, 3, 4.
The Call to Worship.
The Lord's Prayer.
The Gloria.
Responsive Reading—Selection 38—Rev. H. Addis Leeson.
Prayer—Rev. Henry W. Lenz.
Anthem—"Gethsemane", by Iva B. Wilson.
Announcements.
Anthem—"They Took Jesus and Led Him Away"—By Fred B. Holton.
The Lesson—Rev. P. H. Grabowski.
Sermon—"Nailed to the Cross"—Rev. Fred D. Mumby.
Benediction.

Special Good Friday services will be held at 2:30 at St. Mary church. "The Way of the Cross" will be led by a Passionist Father.

Scouts Will Hold Court of Honor In Chelsea

Chelsea Scout Troop No. 1 will serve as the hosts for the Western District Scout Rally and Court of Honor to be held at the Chelsea high school gymnasium on Friday evening, April 24, according to an announcement made last week at the Council office of the Washtenaw-Livingston Council.

Each troop is asked to hold a Board of Review before this time and whatever advancements are earned will be presented at the Rally.

Those troops having 90 per cent or larger attendance will receive blue ribbons and those with 75 per cent attendance or better will receive red ribbons, and those with 50 per cent or more members receive a green ribbon.

In the Western District, Dexter Troop No. 1 is the largest with 32 members. Chelsea Troop No. 1 has 31 members. Chelsea Sea Scouts have 26 members. Proclamation

To the People of Chelsea:

According to an ancient practice in Christian civilization, Christian people have reverently observed the anniversary of the death of our Lord. From time immemorial on the day called "Good Friday" they have reflected upon the truths connected with His death.

To make it convenient for all Christian people of Chelsea to attend their respective places of worship, and to lend encouragement to such a wholesome practice, I, Roy Harris, President of the Village of Chelsea, request that on Friday, April 10, in the year of Our Lord, 1936, all commercial enterprises discontinue business from twelve o'clock noon until three o'clock.

By Order of Village President, Roy Harris.

BUY CARLOAD OF TRACTORS

Merkel Brothers unloaded a carload of McCormick-Deering tractors here last Friday. There were seven tractors in the carload, and in addition to this number they had received delivery on two tractors from the Jackson branch of the International Harvester Co. They report that they have sold five tractors this spring and that the tractor season is just approaching. They have also disposed of five used tractors within the past few weeks.

Remodeled Church Is Ready for Occupancy

St. Paul's Evangelical church, which has been closed for several weeks during the progress of remodeling and decorating, will be opened for services on Easter morning.

St. Paul's congregation may well be proud of their church home, which presents a fine appearance. A platform extends across the entire front of the church, with the pulpit at the right and the choir loft with the new Hammond electric organ at the left. A niche for the altar occupies the center of the platform and this is decorated with plastic work and gold leaf, in white shading to yellow, beautifully outlined with crosses and stars.

Above the altar is a painting on glass, "The Crucifixion", with lighting at the back. The ceiling of white is shaded to buff for the side walls, with wainscoting of a deeper shade and shaded crosses above the wainscoting. The pulpit, altar and lectern are finished in walnut.

All the doors are slab doors and those leading from the foyer into the auditorium are inset with an oval frosted glass, centered with a cross, and are covered with dark red leatherette, harmonizing with the carpeting which covers the platform and aisles of the church. All the lighting is indirect. Installation of a new forced air heating plant is among the improvements.

Rededication services will be held Sunday, April 19.

Cooking School Opens Here Next Wednesday

Of especial interest to the women of Chelsea is the Washtenaw Gas Company's demonstration which will be held Wednesday and Thursday, April 15 and 16, from 2:00 to 4:00 p. m., at the Chelsea public school auditorium.

Everyone interested in cooking is invited to attend. There will be new and interesting ideas in whole meal oven cookery, and modern trends in broiling and vegetable cookery. There will also be a discussion and demonstration on the baking problems of cakes, cookies and economical desserts.

The demonstration this year will be conducted by Mrs. Ruth Bush, Home Service Director of the Washtenaw Gas Co. Mrs. Bush is a graduate of the University of Illinois in Home Economics, and received her Bachelor of Science degree from that University.

If anyone has any cooking problems they may take questions to the school, and Mrs. Bush will gladly answer them.

Starting next Tuesday, and for about two weeks, the Washtenaw Gas Co. will have a display of ranges and other modern gas appliances in the Palmer building, first door east of The Standard office, East Middle St. There will be several salesmen from the company at the store to explain the latest improvements in gas appliances.

AUXILIARY MEETS

The Ladies' Auxiliary held a regular meeting Tuesday evening in Kolb's hall. It was voted at this time to have their regular meeting the first Tuesday of the month at this hall. Plans were made to entertain the ladies of the Ann Arbor Auxiliary on Thursday evening, April 23. The sewing committee, with Mrs. John O'Hara chairman, exhibited six hand-made table cloths which they have made to be sent to the billet at Otter Lake. It was also voted to give \$5.00 to the local Red Cross chapter for relief of flood and tornado victims.

Announcement of the district meeting April 19 at Monroe, with a business meeting at 3 p. m. in the Masonic temple, and a banquet at 6:30, was read by the president.

Following adjournment, the hostesses, Mrs. L. H. Adell, Miss Luella Heiny and Mrs. A. C. Fisher, served refreshments. The next meeting will be held Tuesday evening, May 5.

SOIL CONSERVATION MEETINGS

A series of meetings, where the Federal Soil Conservation Program will be explained, will be held throughout Washtenaw county during the next week. Meetings in this vicinity will be held as follows: Sylvan town hall, Saturday, April 11; Lyndon town hall, Monday, April 13; Dexter town hall, Tuesday, April 14; Sharon town hall, Monday, April 13; Freedom town hall, Tuesday, April 14; Lima town hall, Wednesday, April 15. Wm. Pritchard, county committeeman, will have charge of the meetings. In Sylvan, Lyndon and Dexter townships, and Gottlieb Jacobs will explain the plan at the Lima, Sharon and Freedom meetings. All the meetings will be held at 8:00 o'clock in the evening, and election of township committees will be a part of the program.

Appointment of Butterfield was made at a meeting of the school board. At present he is the superintendent of schools at Cornumna, Michigan, a position he has held for three years. MILAN—For a number of months Milan Federal Prison has had the reputation of being the strongest Federal penal institution outside of Alcatraz, but with the addition of new equipment placed in operation this week, the institution becomes burglar proof as well. With double steel gates, double corridors and barred windows, it takes a master mind to outguess the engineers who designed the building and the organization that established the guard system to cause a jail break for the prisoners confined within the walls. But now "The Magic Eye," as it is called in prison circles, makes it almost impossible for anyone to come into the building for anything but legitimate purposes and then only under the most favorable circumstances. The mechanical device that now detects guns, ammunition, the metal in the head of a black jack, in fact, any piece of metal larger than an ordinary house key, flashes the news to the vigilant guard at the gate as soon as the visitor approaches the front door and even before he approaches the desk where the guard enters his name and business. The device was installed by RCA and is one of the few of its kind installed in this country to date. Leader.

NEWSPAPERS OF NATION CARRY OLDS ADVERTISING

Newspapers of the nation have been selected as the principal medium to carry an extensive Oldsmobile advertising campaign, now under way, it was announced today by V. C. Havens, Oldsmobile advertising manager.

"We are convinced that the message of Oldsmobile's high quality and outstanding value can best be told by the use of newspapers," said Mr. Havens. "Expanded production facilities in 1936 have made possible the manufacture of more Oldsmobiles this year than were ever before built in a twelve month period."

"The lower prices of the 1936 Oldsmobile Six and Eight, together with the increasing popularity of the cars, and the fine records they are making in the hands of owners, point to the existence of a greatly expanded market for Oldsmobile again this year."

"So we have launched a newspaper campaign, not only in the large metropolitan dailies, but likewise in smaller dailies and in weeklies, to carry the story of Oldsmobile's style, safety, comfort, economy and performance to millions of American newspaper readers."

"More than 3800 newspapers are being used, and the expenditure of a much larger sum than ever before has been spent by Oldsmobile in any single year in newspapers has been authorized."

I'M GLAD THAT JESUS WON

Song by Moody Bible Institute Quartette, Chicago, Ill.

The bells of joy are ringing within my soul today,
My joyful heart is singing along the sunny way:My eyes with gladness glisten, yet nothing great I've done,
But listen, listen, I'm glad that Jesus won.With cruel thorns they crowned him,
They tore his precious side,
And then they gathered 'round him and jeered him 'till he died;
But he again has risen, His foes are all outdone,
And listen, listen, I'm glad that Jesus won.Upon His cross I'm gazing, my heart o'erflows with love,
My happy soul is praising my risen King above;
No grave, no stone, no prison, could hold God's Mighty Son;
And listen, listen, I'm glad that Jesus won.CHORUS—
I'm glad that Jesus won, so glad that Jesus won,
His foes are all outdone—are all outdone!The joy bells are ringing, the joy bells are ringing;
My heart keeps always singing, I'm glad that Jesus won.

—Arthur Carlton.

Our Beginners expect to read several First Readers and a few Second Readers yet this Spring to make an extra-rich background for next year's work. They are learning to spell simple words and are also learning certain number combinations.

Our Fourth Graders are reading from the Jones Reader. They have a Geography unit in the room, which is symbolic of the North and South Pole regions.

Edward Visel is busy with his Eighth Grade work. He is studying about harmful insect enemies of our common vegetables.

We are collecting cocoons for our Nature corner. We already have two which Robert and Richard Venner have brought. On our bird chart, Mary Kathryn Weber has the most birds recorded so far this Spring. Phyllis and Mary Kathryn Weber brought some moss, and we are keeping it in a small tray. We have a carrot plant started and expect to have a green plant develop from it soon. The boys and girls are collecting butterflies and common insects, so that each child can make a picture-like collection of his own.

Question And Answer Dept.

Ques.—Our eighth grade citizenship class would like to know the answers of the following questions: What are the names and principal duties of the men which the United States cabinet consists of. Name the number of national representatives from Michigan. The name of the representative from Lyndon township and his political party; also the names of the senators from Michigan and the political party of each.

Ans.—Names of the members of the President's cabinet are: Cordell Hull, Secretary of State; Henry Morgenthau, Jr., Secretary of the Treasury; George H. Dern, Secretary of War; Homer S. Cummings, Attorney General; James A. Farley, Postmaster General; Claude A. Swanson, Secretary of the Interior; Henry A. Wallace, Secretary of Agriculture; Daniel C. Roper, Secretary of Commerce; Miss Frances Perkins, Secretary of Labor. Principal duties of the cabinet members are to head their various departments and preside as an advisory board to the President. There are 17 national representatives from Michigan. Lyndon township, being in the Second Congressional District, is represented by Hon. Earl C. Michener of Adrian, Republican. The two Michigan Senators are Arthur H. Vandenberg and James Couzens, both Republicans.

Ques.—How did the American Indians get the name of "Indians"?

Ans.—It is not known definitely where the American Indians came from. They were on this continent when Columbus discovered it. At that time Columbus thought he had reached the eastern shore of Asia, or more specifically India. He thought the natives belonged to India. However, their color was different—they were red. He learned that the "red" was artificial by painting himself with the juice of herbs to protect himself from insects. Hence Columbus called them "red Indians."

Ques.—Can you tell me what language is spoken in the South American countries?

Ans.—Spanish, or a form of Spanish, is the official language of all South American countries except Brazil and the Guianas. In the latter, Dutch, French and English are the official languages, while in Brazil Portuguese is spoken.

Ques.—What is Franklin D. Roosevelt's middle name?

Ans.—The name of the President of the United States is Franklin Delano Roosevelt. "Delano" was the maiden name of his mother.

Ques.—What is paper made of, and where does it come from?

Ans.—Paper is made of various materials. Wood pulp is used for the manufacture of most papers. Much of this is imported from Canada.

Ques.—At places where the ocean is a mile or more in depth is there any plant or animal life?

Ans.—No. At extreme depths of the ocean the water pressure is very great and the temperature very low. Neither one is conducive to animal or plant life. The bottom of the ocean at these points is covered with clay, ooze and mud.

Ques.—What and where is the Rhineland which France and Germany are quarrelling about? What has the Locarno treaty got to do with it?

Ans.—Rhineland is the name of a province of Germany and is about 600 miles long and 150 miles wide. It is on the western front of Germany and extends from The Netherlands south to Switzerland. The Locarno treaty is one in which Germany signed an agreement not to maintain a military army within the boundaries of Rhineland, but which Adolf Hitler, the chancellor-president has now repudiated.

Ques.—Where are the three largest seaports in the world located? Which is the largest?

Ans.—The three largest seaports in the world in their order named are as follows: London, Eng., approximately 24,000,000 tons in foreign trade entered and about 22,000,000 in trade cleared; New York, approximately 20,000,000 tons in trade entered and 20,000,000 tons in trade cleared; Antwerp, Belgium, approximately 14,000,000 tons in trade entered and about 5,000 tons cleared.

Ques.—When did Jack Dempsey win the heavyweight championship of the world. Also how many did he defeat before he was defeated by Gene Tunney?

Ans.—Jack Dempsey won the heavyweight championship from Jess Willard on July 4, 1919, at Toledo, Ohio. Up to the time he was defeated by Gene Tunney on Sept. 23, 1926, in Philadelphia, Pa., his most noteworthy victories were as follows: With Bill Miske, in Benton Harbor, Mich., three rounds; with Bill Brennan in New York, 12 rounds; with Georges Carpentier in Jersey City, N. J., four rounds; with Tommy Gibbons, in Shelby, Mont., 15 rounds; with Louis Firpo in New York, two rounds. Thus he won five noteworthy title battles between 1919 and 1926.

Ques.—Is it true that a woman once swam from Spain to Africa?

Ans.—Yes. While this was a noteworthy feat, it is not so great as it

sounds. Miss Mercedes Gleitz, a typist of London, 20 years old, succeeded in swimming the Straits of Gibraltar which separates Spain from Africa, a distance of 28 miles. On April 5, 1928 she plunged into the water from Palomas Island, off the coast of Spain, escorted by several sailing boats. She

reached the shore of Morocco, making the 28 miles in 13 hours and one minute.

"The Lord Is Risen"

By DIANA KEARNY POWELL
in Washington Post

THE Lord is risen!—See the grave.
The apostle St. Joseph said:
The fast-paced path is rolled away.
Come see the place where Jesus lay.
Hail to the conqueror, and the grave.

Though faith is scorned by fool and knave,
Though thieves may rob and robbers rave,
Still do we hear the angel say:
"The Lord is risen!"

You who of sin have been the slave,
He free, for He who came to save,
Has conquered death this Easter day.
Join with the angels as they pray,
Sing with the birds, the wind, the wave,
"The Lord is risen!"

You Cannot Buy PAINTS and VARNISHES "On Approval"

Be sure your color combinations are what you want before you start to paint.

Ordinarily, when you buy paints or varnishes, you are buying what you cannot see. Despite your sense of color appreciation, it is a bit unfair to place the responsibility of color selection entirely upon your shoulders. Too often, impressions are entirely different and disappointing when the painting has been completed. Unfortunately, paints and varnishes, once applied, cannot be "returned for a refund."

"New and Advanced Styles In Color" is the answer

See this feature before you redecorate... 244 modern color combinations for exteriors, interiors and furniture as they would actually look applied to your own home.
