## Speaker Urges Change To City Government

Geo. Sidwell, a representative of the Michigan Municipal League, addressed the Kiwanis club Monday evening, discussing the advantages of incorporation as a city rather than the village form of government. Mr. Sidwell has made an extensive study of the city vs. village forms of government and is of the opinion that both Chelsea and the rural territory which would then constitute the township of Sylvan, would be materially benefited by such a change here.

The speaker stated that the incorporation of the village of Chelsea as a city would mean the elimination of township taxes for property owners within the city, and would provide a more modern type of government. It would save the citizens the inconvenience of operating under two types of government, and would mean an improvement in the general character of government, both in the city and township, putting each on a more efficient basis, according to Mr. Sidwell.

Incorporation of Chelsea as a city would give the municipality two representatives on the county board of supervisors, in addition to the supervisor from Sylvan township, according to Mr. Sidwell. The new form of government would also eliminate the duplication of duties of the township supervisor and village assessor, village and township clerks, and of the treasurers as all taxes within the city would be paid at one time.

Under the city form of government officials would be elected for two-year terms, which would eliminate the necessity of holding annual elections. Another advantage pointed out by the speaker would be the elimination of the Madison street division of Lima and Sylvan townships within the village, as the city would then be no part of either township and all voting, paying of taxes, etc., would take place in the city, saving the Lima township residents in the village the inconvenience of making Lima Center their voting place.

Mr. Sidwell stated that from the standpoint of economy, both within the village and in the rural district of the township, the plan should be given careful consideration, as he believes all taxpayers concerned would find that the new set-up would be a real saving.

## Soil Conservation Meetings Being Held

The first of a series of meetings for consideration of the Federal Soil Conservation Program was held Saturday evening at Sylvan town hall. There was a good attendance. Wm. C. Pritchard, county commissioner, explained the working of the new program and how it would fit in with the different methods of farming. Three committeemen were elected, with Mr. Pritchard as chairman, and Max Hoppe and Herbert Kilmer to assist in the township.

A very large crowd was present at the meeting held Monday evening at Lyndon town hall, and all were pleased with the way the program would affect their particular cases. Max Kalmbach was elected chairman, with Homer Stoffer and Clyde Titus as assistants. Meetings were also held at Dexter, Sharon, Freedom and Lima.

Friday morning all committeemen in the county will meet at the Y. M. C. A. in Ann Arbor and will be instructed how to assist the farmers in making out their work sheets. The chairmen of these townships will act as a county committee and will hold a meeting Friday afternoon. They will elect three committeemen to act as a county committee.

## North Main Street Building Purchased By Central Fibre

Through a transaction which was consummated last Friday the Central Fibre Products Co., one of Chelsea's flourishing industries, purchased of the Houdaille-Hershey Corporation the brick building on North Main street adjacent to the Chelsea Electric and Water Department. The acquisition of the property includes what is known as the saw-tooth building, although this building will not be used by the company at the present time.

The Main street building will provide 4500 square feet of floor space. In addition to house the office and boiler room will be constructed at the north end of the structure. Extensive improvements will be made, including a new roof, heating system, etc., and it is planned to start the work in the near future so the building can be occupied some time this summer.

Central Fibre Products Co. was founded in 1920 in the building owned by the Chelsea Co-Operative Association. In 1924 the factory was moved to the Wilkinson building where it is now located. The Co-Op warehouse is now used for storage. The company also has a Detroit plant located at 17005 Fullerton Ave.

Products of the local plant include various sizes of paper cord used in automobile upholstery, and wool twine, and the Detroit factory manufactures paper tacking strips, paper covered wire, etc. Business of the company has increased steadily during the past few years and they now rank among the leaders in the manufacture of their product.

Jabez Bacon is president of the company, D. H. Bacon is secretary and treasurer, and E. W. Eaton is production manager.

## Weight Tax Allocation Increased for County

According to Kenneth L. Hallenbeck, county road manager, the county road department will receive approximately \$40,000 more this year as its first quarter weight tax allocation from the state, but for various reasons, the year's program is likely to be somewhat curtailed.

Crews will work on the roads five days a week instead of four, as had previously been planned, this change being made possible because of an increase in revenue from the state. The unusually severe winter, with abnormal expenditures for snow removal, has used nearly one-third of the amount to which the county is entitled at this time and this will be deducted from the present payment. County road mileage has been increased 220 miles by the absorption of the last township roads, but no adequate provision has been made for their maintenance. While the state provides \$64.31 per mile for these roads, maintenance money for 15 miles of road may be absorbed in the replacing of a single culvert and many of the take-over roads are badly in need of improvements.

## W. R. C. Entertains Officers of District

Members of the local W. R. C. gave a dinner on Tuesday for the officers of District No. 1, which was attended by about 60 visiting guests. The tables were attractive in the Easter colors, pink and white, with yellow tapers, and were centered with Easter baskets for favors.

Mrs. Mary Adam opened the afternoon program with the address of welcome, to which Mrs. Lisetta Cody, national president, responded.

The following numbers were given: Solos—"My Own True Love" and "Long, Long Ago"—Morris Lyons, accompanied by La Rue Wolf. Reading—"Hats Off"—Mrs. Ida Guerin.

Solos—"Sleepy Hollow Time" and "Last Night"—Mrs. Mary Burg. Reading—"The Midnight Ride"—Mrs. Lola Dancer.

Talk on the work of the W. R. C.—Dept. President Lela Simpson. Closing song—"Battle Hymn of the Republic."

Representatives were present from Detroit, River Rouge, Ann Arbor and Dearborn.

## GRANGE BUYS CHURCH

At the meeting of Lafayette Grange held Thursday night at Lima Center church, the committee reported that the deal closed for taking over the church, to be used for Grange and community meetings. A committee was appointed for building and care of the property, consisting of Elmer Pierce, Arthur Sias and Adolph Seitz. The Grange is planning to remodel and repair the building. The evening's program consisted of readings and songs. Refreshments were served.

## Cooking School In Session at H. S. Gym

Housecleaning and housework of all kinds are being neglected in Chelsea this week while hundreds of women are in attendance at the annual Washtenaw Gas Co. Cooking School, which is being held at the public school gym. At the opening session of the cooking school yesterday the ladies in attendance learned how to better prepare delicacies with which to reach the heart of any man through the channels of his stomach.

Mrs. Ruth Bush, Home Service Director for the Washtenaw Gas Co., is in charge of the cooking school and will continue at the closing session this afternoon to demonstrate the preparation of foods which will be of interest to every housewife.

All flour used in the baking and cooking demonstrations is being furnished by the Chelsea Milling Co., and a number of local merchants are donating prizes for daily awards. In addition, the delectable food dishes prepared by Mrs. Bush are given away, and the grand prize, a Magic Chef gas range, will be awarded at the close of today's session.

The Gas Co. has a large display of modern gas appliances in the Palmer building, East Middle St., with their representatives in charge.

## Redecoration Service at St. Paul's Sunday

Redecoration services of St. Paul's church and the new Hammond organ will take place Sunday, April 19, with services at 10 a. m., 2:30 and 7:30 p. m. Former pastors of the church will be the speakers on this occasion, with Rev. Albert A. Schoen of Dexter and Rev. C. C. Haag, superintendent of the Deaconess hospital, Detroit, as preachers at the morning service, and Rev. Gustave Krause of Loudenville, Ohio, speaking at the afternoon service.

This service will include greetings from local pastors and representatives of various pastoral circuits, and music will be rendered by a mass chorus consisting of present and former members of St. Paul's choir.

A musical program will feature the evening service, with J. W. Garrett of Detroit presiding at the organ and rendering several numbers. St. Paul's choir will assist.

All services are open to the public.

## Knights of Pythias Hold District Meeting

The Knights of Pythias District meeting No. 11, comprising lodges from Ann Arbor, Ypsilanti, Manchester, Milan, Plymouth and Chelsea, was held here Monday evening. The Pythian Sisters served a banquet at 6:30 at the Congregational church, with covers for 75.

Following the supper, the members adjourned to Pythian hall, where the Rank of Page was conferred on five candidates by Chelsea Lodge No. 194, Grand Chancellor Commander Claude E. Lewis of Hillsdale and William E. Hampton of Ann Arbor, Grand Keeper of Records and Seals, were honored guests.

At the close of the Lodge, H. D. Witherell presided as chairman of the evening and Grand C. C. Lewis gave a very interesting talk, complimenting the local Lodge on their initiatory work. Other speakers were Mr. Hart, District Deputy of Ypsilanti, Chancellor Commander Wandy of Ann Arbor, C. C. Charles Andress of Ypsilanti and C. C. Davider of Manchester Lodge.

## HIS PRESENCE

"If a man love Me he will keep My word, and My Father will love him; and we will come unto him, and make our abode with him."—St. John 14:23

I love that personality that lives next to my heart.

I cannot feel, nor taste, nor hear through any mortal part—mortal man.

To sense a life within my life, inspiring every plan.

I love that personality that quickens and inspires

Every emotion of my life controlling all desire;

I know Him as a comforter, inspiring all my will,

And often when my nerves are strained, Whispers a "A peace be still."

I know this personality, I know Him as Divine,

And sense a passion's fellowship for others of like mind;

In searching for the new best name for all I've sensed or seen,

I found it through the inspired word Of Saint John 3:16—

"For God so loved the world that He gave His only begotten son, that whosoever believeth on Him should not perish, but have everlasting life."

—Arthur Carlton.

## OUR NEIGHBORS

GRASS LAKE—There will be a Union Sunrise Service Easter morning at 7 o'clock on Sackville, Hill, three miles north of Grass Lake, with special music by the men's chorus, Grass Lake brass quartet and a trumpet solo by Miss Ann Curtis.—News.

MASON—Three more teachers are to be added to the Mason school staff next year. One teacher will be added to take care of an increased enrollment in the elementary grades and two teachers are to be added to the high school faculty. The additions to the high school faculty are made necessary by the inclusion of physical training for all pupils above the first grade.—County News.

PINCKNEY—Fred Read was in Chicago last Friday and made arrangements to sell the \$25,000 worth of Pinckney school bonds to the Robinson Co. there. They offered a bonus of \$150, pay for the printing of bonds and attorney fees for 4 percent. Until the bonds are sold no government money is available. The workmen had to be paid out of the general school fund for their first month's work.—Dispatch.

## 24 YEARS AGO

Thursday, April 18, 1912

The east and west bound limited cars on the D. J. & C. electric line came together in a head-on collision at the foot of Steinbach hill, six miles east of Chelsea at four o'clock Monday afternoon. Among those from Chelsea who were injured were Mrs. Edward Vogel, Mrs. L. C. Kelly, Mrs. Lydia Johnson, Miss Julia Clark, Rev. A. A. Schoen, Albert Linke and Adrian Carter.

The Yphanti degree team of the K. of P. visited Chelsea Wednesday evening and conferred the Rank of Knight upon a candidate for the Chelsea K. of P. Lodge. The work was done in the town hall and a banquet was served in the K. of P. castle at the close of the work.

Some fine clips of wool are being brought to the Chelsea wool buyers and the price ranges from 16 to 22c per pound.

The Research club was entertained at the home of Mrs. Geo. A. BeGole. The following officers were elected for the coming year: President, Mrs. Lola Dancer; 1st vice-president, Mrs. Nellie BeGole; 2nd vice-president, Mrs. Grace Axtell; secretary, Mrs. Lily Foster; treasurer, Mrs. Ida Webster.

Lightning entered the Chelsea substation of the Au Sable Power Co. at 9:30 o'clock Sunday morning and for a few moments the interior of the station resembled a blast furnace. The damage was confined to the oil switch on 2300 line that furnishes power to the Flanders Mfg. Co. The line was repaired Sunday night and the Flanders works were able to start up Monday morning as usual.

Mr. Bohne has purchased the Herman Kalmbach residence at Francisco which is occupied by F. D. Scherer.

The past week, Charles Fish of Sharon sold 200 sheep which netted him about \$1,000.

Adam Faust has replaced his five horse power gasoline engine with a ten horse power engine.

Mrs. Emma Gillam, formerly of this place, died at the home of her son in Niles on Sunday, April 13.

About 40 members of Olive Lodge, No. 129, F. & A. M. visited their brothers at Dexter on Tuesday evening. Dinner was served at six o'clock. In the evening Olive Lodge exemplified the work in the third degree.

Miss Christina Obersmith of Sharon left on Wednesday for Riverside, Calif., where she expects to teach school.

Last Saturday evening Jas. Runciman was pleasantly surprised when a number of relatives and friends arrived at his home to help him celebrate his birthday.

MILAN—The much discussed oil well, drilled on the Frank Roe farm, southeast of Milan, was shot last Sunday and from early indication, the drillers struck a "gusher." With the charge of nitro, the oil shot high above the derricks and continued to flow for some time. The officials of the company stated that the well may flow as a gusher for a week or more and then pumping will start. 120 quarts of nitro were lowered 2100 feet in the casing. The company drilling the well hold leases on 2800 acres of land in the vicinity of the Roe farm. More than a thousand people witnessed the shooting of the well.—Leader.

Ford - FOR ECONOMY

"The Ford V-8 uses less fuel and oil for the power it gives than any other car we have ever made

AND ITS UP-KEEP COST IS THE LOWEST"

ENTHUSIASTIC sales talk often begins and ends with gasoline mileage. Some salesmen would like you to believe it is the whole story of automobile economy. But drivers ought to know better. For, the fact is, it's way down the list.

The big items of car economy are low first cost, low up-keep cost and low depreciation. Savings here can make a great deal of difference in cost per mile. Gasoline mileage is more of a talking point than an economy factor.

Check up and you will find that the difference between 17 and 19 miles a

gallon is less than \$10 for a whole year's average driving (8400 miles at 18 cents a gallon). Here are the big items that make the Ford the most economical car:

More value for every dollar you pay.

Lower cost for repairs and service.

Long life. Slow depreciation.

Quality means economy and the 1936 Ford V-8 gives you more real quality than any other low-price car. No other car under \$1645 has a V-8 engine. No other low-price car has Center-Poise

Riding, safe, sure mechanical brakes and Safety Glass all around at no extra cost.

**\$50,000 SUIT DISMISSED AS COURT FAVORS NELSON**

The \$50,000 milk-slender suit, brought against Walter M. Nelson, spokesman for the Michigan Farmers' Union by two officials of the Michigan Milk Producers' Association, which was started in the Detroit circuit court March 28, ended suddenly on April 6 with what was conceded to be a victory for Nelson.

The end came at the conclusion of Nelson's testimony when O. L. Smith, attorney for Pres. Nathan P. Hull and Vice-Pres. Bernie F. Beach, of the Producers' Association, moved to dismiss the suit. Visiting Judge Theo. T. Jacobs of Sturgis granted the motion with the consent of Nelson and assessed costs of \$150 against Hull and Beach. Under the court's ruling the suit cannot be brought again on the same set of alleged facts.

Hull and Beach had been suing Nelson, a Detroit attorney, for alleged slanderous statements made by Nelson before Michigan farmers in 1934. Nelson stated he had traveled approximately 6,500 miles and made about 125 speeches. Nelson denied that he had ever charged Hull and Beach with personal dishonesty. He testified that in his opinion the policies of the association worked to the advantage of milk distributors and disadvantage of the farmers.

Michigan farmers crowded the court room to hear the testimony which evolved into a debate on the merits of the base-and-surplus system of milk marketing employed by the association, and the cost-of-production basis favored by the Farmers' Union.

The association claimed that the Michigan Milk Producers Dairy which has six plants in the State raised the price by drawing milk from the Detroit market. Nelson claimed that the dairy depressed the price in Detroit by creating a milk pool which can be emptied there any time the price threatens to rise.

Nelson testified that it was his opinion that the Detroit distributors had fixed the milk prices in 1934 and that they were still doing it.

## Question And Answer Dept.

**Ques.—To settle a dispute will you kindly answer which is the right and which is the left bank of a river?**

**Ans.—**Just imagine you are in the center of the stream and facing the direction the water is flowing, then the bank on your right-hand-side will be the right bank, while at your left, of course, will be the left-hand bank.

**Ques.—**When a chicken's eyes are on each side of its head can it see objects on either side of them at the same time?

**Ans.—**Yes. If a chicken's head is in a natural position, with its bill pointing ahead of them they can see objects at almost any point surrounding themselves. While they cannot focus on objects back of them, however, the scope of their vision is much greater than that of the human eye.

**Ques.—**Is there any difference between a university and a college?

**Ans.—**There is very little difference, as there is no clear line of distinction between a college and a university. In a strict sense a college is primarily an institution of higher learning, having but a single faculty or curriculum for special instruction. A university is an institution of one or more graduate or professional schools, and which also comprises a college. The terms, however, are generally used interchangeably.

**Ques.—**What is meant by "reformation" in a religious sense?

**Ans.—**"Reformation" in a religious sense is the revolution of the 16th century which may be said to mark the end of the Middle Ages and the establishment of Protestantism.

**Ques.—**My grandfather was born on Feb. 28, 1852. As near as we can figure out, that date was on Sunday. Is that correct? We were told to ask you on what day of the week he was born. Thank you.

**Ans.—**Feb. 28, 1852, was a leap year. Hence your grandfather was born on Saturday instead of Sunday. Evidently you did not reckon the leap year. If that date had not been a leap year your figuring would be correct.

**Ques.—**Are all mushrooms good to eat?

**Ans.—**There are seven varieties of mushrooms, and six of these varieties are edible, while the seventh is very poisonous. This poisonous variety is known as amanita muscaria. This latter variety has a very thick stem and has a head that resembles a miniature "tam o' shanter" cap.

**Ques.—**Does the monthly calendar ever repeat itself? For instance, if January 1 falls on Wednesday, in what year will Wednesday, January 1 fall on again?

**Ans.—**Yes. The monthly calendar repeats itself, but not frequently. It repeats itself about four times every twenty-two years. There is a variance every four years because of leap year. Wednesday, January 1 will not occur again until 1941.

**Ques.—**Will you please tell me where is the deepest part of any of the oceans?

**Ans.—**The deepest part of all the oceans is in the Pacific, near the Philippines. The ocean at that point is approximately six and one-half miles deep. The next deepest is in the Atlantic, near Porto Rico. The depth there is slightly over five miles.

**Ques.—**What makes a cat meow and purr?

**Ans.—**When a cat meows it is indicative it is in want of something. When it purrs it indicates contentment.

**Ques.—**Do robins raise any more than one brood a year?

**Ans.—**Yes. Robins raise two broods a year in northern climates. After they migrate south they return the following year to the same locality for another two broods.

**Ques.—**What is the difference between a "light year" and a "calendar year"?

**Ans.—**A calendar year is measured by time, while a light year is measured by distance. If you want to find one light year distance just multiply the total number of seconds in a calendar year by 186,284—this being the speed of light per second.

**Ques.—**What is quinine made of?

**Ans.—**Quinine is extracted from cinchona bark which was first discovered in 1811. It is extracted with diluted sulphuric acid, and to precipitate the alkaloid, a quantity of lime is added to the solution.

HERE ready and waiting is the Series 40 Buick Special—tagged with the lowest prices in Buick history—easily within your reach.

It offers not just power, but the oil-hushed, mile-eating powder-flash power of the ablest straight-eight engine in the world!

It's smooth—not with the pulpy smoothness of rubber—but with the solid, lasting, lash-free smoothness of precise engineering—the positive torque-tube drive—road-leveling Knee-Action wheels.

It's fast—no heedful man will ever want to travel a highway at the "open" pace of a Special—but its abundant speed is balanced with the smoothest, lightest tiptoe hydraulic brakes you ever put a foot to—and its solid, low-slung, road-hugging bulk spells security that even back-seat drivers sense!

It's a dream to handle. It's a joy to own. It's so rugged you'll wonder what service stations are for and thrifty as you never thought an eight could be.

There's one here ready to show you what it can do. It will cost you, under the new General Motors Installment Plan, only two or three dollars a week more than the lowest price cars. So this time—why not something special—a Buick Special—a car that's right now way out in front?

## FELLOWSHIP CLUB MEETS

The Fellowship club of the Methodist church held its April meeting on Tuesday evening. An excellent dinner was served by the committee in charge. A brief business meeting was held, and President Broesamle announced that the May meeting would be for men only and that officers would be elected at that time.

The program was presented by "The Old Meatin' House" quartet, and consisted of instrumental and vocal numbers from some of the best known Gospel songs.

This group is a regular feature on the WIBM radio programs at Jackson every Sunday afternoon at 1:30 for over two years. They also appear at 8:00 a. m., three mornings each week.

Little Jimmy Cook, Mr. and Mrs. Cook, and Mr. and Mrs. Parker are the members of the quartet, little Jimmy being the soprano soloist. The program was highly appreciated. About 100 persons were present. The quartet is planning to visit the Methodist Home on Sunday afternoon, April 26.

## CHILD STUDY CLUB

The Child Study club met Tuesday evening at the home of Mrs. A. W. Wilkison. A report on the County Federation meeting held in Ann Arbor and attended by Mrs. H. L. Bleeker and Mrs. A. A. Palmer was given by Mrs. Palmer. The secretary read a news letter sent out by the corresponding secretary of the State Child Study Association, pertaining to activities of different clubs throughout the state.

Following the business meeting, a report of the state movie and radio committee was read by Mrs. George Sidwell and a history of the Michigan Child Study Association was read by Mrs. Sidney Schenk.

Roll call and discussion followed. The hostess served refreshments. The next meeting of the club will be on April 28 at the home of Mrs. M. H. McGaffigan. This will be the annual meeting, with election of officers.

## GIVE EASTER PROGRAM

The following Easter program was given at the meeting of the S. P. I. held Monday evening at the home of Miss Lillie Wackenhut:

Roll call—Easter greetings.  
Easter Flowers—Katherine Kusterer.  
Easter Eggs—Louise Winans.  
Origin of the Rabbit for Easter—Mary Schneider.

Easter Hats—Olga Strieter.  
Origin of Easter—Lillie Wackenhut.

Egg Game—Gladys Breitenwischer.  
Piano duet—Minuet in G—Mesdames Strieter and Kusterer.  
The treasure gift was won by Mrs. Breitenwischer. The dining table was trimmed with Easter decorations and the members exchanged Easter baskets.

YOUNG MOTHERS MEET  
The Young Mothers' Child Study club held their regular meeting on Tuesday evening at the home of Mrs. O. Johnson on Elm street. Following the business meeting Mrs. Paul Elsel read a paper on "Punishment." A general discussion of the subject was held. Refreshments were served by the hostess.

ENTERTAINERS AT BRIDGE TEA  
Miss Evelyn McManus entertained 12 guests at a bridge tea at the Michigan League in Ann Arbor on Saturday afternoon. Out of town guests were the Misses Helen Lantila and Barbara Reeves of Stockbridge, and Miss Mary Margaret Kline of Jackson.

## LAFAYETTE GRANGE

Lafayette Grange will hold a social meeting on Thursday night, April 23. This will take the place of the February meeting, which was not held at that time on account of bad roads and cold weather. This will be the last social meeting of the winter season. The official notice of the meeting is as follows:

"Come one and all and meet with us in our new hall, the old church at Lima Center. Don't dress in your best and we will have a good time for if you do, there will be a fine. We will play games, and have a short program, and there will be no great expense to any man. Bring dishes, sandwiches and one other dish."

## HOLD MONTHLY MEETING

The Women's Union of St. Paul's church held their monthly meeting Thursday afternoon at the home of Rev. and Mrs. P. H. Grabowski. The meeting opened with a piano solo, "Calvary," by Milda Lindauer; Scripture reading and prayer by Esther Lucht; and a song, "The Old Rugged Cross," by Milda Stierle, Esther Lucht, Gladys Breitenwischer and Milda Lindauer. After the business meeting a poem entitled "The Universal Mother," was given by Gladys Breitenwischer. The topic, "Christian Homes," was presented by Mrs. Lucht. A pot luck supper was served to 38 members.

## HOW THEY SMELT!

Fifty pounds of smelt, sent as souvenirs of the Escanaba Smelt Jamboree, held April 2 and 8 to celebrate the opening of the Upper Peninsula of Michigan sport fishing season, provided a fish fry for members of the local Kiwanis club and their families this week. The shipment arrived here Monday and it is reported that the Kiwanians' wives had a merry time cleaning the slippery little so-called fish, as all the husbands were very busy that day!

During the first three or four weeks of April, smelt run up to the spawning beds of the many streams in the vicinity of Escanaba, and are caught with dipnets by thousands of men, women and children, who throng the river banks nightly during the season.

Early in the spring of 1912, there was planted in Crystal Lake, a large quantity of smelt eggs, imported from Maine, on the theory that the fish that hatched would become food for landlocked salmon; previously introduced. The salmon did not become established, but the smelt did.

They propagated so rapidly that years are now expressed that they will drive out all other species of fish in Lake Michigan. During the spring

## The Centennial Progress Edition of The Daily News Will be Issued

Here's an event of keenest interest to every resident of this area—the publication of a special Centennial Progress Edition on Tuesday, May 19, which will record by picture and story the achievements and growth of this community.

In its editorial columns this edition will review the events and changes during the 100 years this newspaper has been recording community history. It will tell of advances made in transportation, in industry, in commerce, in education. It will describe and illustrate almost every phase of rural and urban life of Washtenaw county and vicinity for the past century.

Its advertising columns, besides bringing you merchandise messages from the stores of Ann Arbor, will constitute a sort of "honor roll of business" on which will be inscribed the names of businesses, industries and institutions which have contributed to the community's commercial development.

This edition, too, will outline in detail the present service of The Daily News and the prospective service which will be made possible by a new plant and equipment.

Isn't this a souvenir worth having?

Make sure you will receive your copy of this Centennial Progress Edition. If you are not a regular subscriber, write or telephone the Circulation Manager, Ann Arbor Daily News, and reserve your copy.

### Order Extra Copies of This Edition in Advance!

Believing the content of this edition will create a demand for extra copies, to be sent to out-of-town friends or relatives, The Daily News has made the following arrangements:

Regular subscribers will receive their copies as they do any other edition of The Daily News—and at no extra cost.

Extra copies will be on sale on the day of publication and for some time thereafter at The Daily News building, Huron and Division Sts.

On the day of publication, May 18, extra copies may be purchased and will be mailed by this newspaper anywhere in the United States for 10 cents each.

After the publication date, extra copies will be sold for 10 cents and the purchaser must pay postage. The details of mailing, however will be handled by The Daily News if desired.

If you want extra copies mailed on the publication date, submit in advance to the Circulation Department the names and addresses of the persons to whom they are to be sent, together with a remittance at the rate of 10c per copy, and The Daily News will handle all details of mailing.

If you are not a regular subscriber you may purchase your copy at The Daily News building or one will be mailed to you on May 19 for 10 cents. After this date the cost will be 10 cents plus postage.

Why take a chance? Enter your subscription now and make sure of receiving this edition, as well as the regular editions of The Daily News for a year. For subscription details, communicate the Circulation Manager, Ann Arbor Daily News.

## Mr. Lyons Gets a Bat

On April 2nd the biology teacher of this school, namely, Mr. O. Lyons, was presented with a bat by Miss Estelle Seitz, a senior girl, who came across it (so we hear) in some dark place. Mr. Lyons placed the specimen under careful observation, but even with the best of care it escaped. From the biology room it traveled into 4th hour study hall to the amazement and glee of all students occupied in above said place. The bat ventured around the study hall with the eyes of all students following it. This was a strain on the necks of the students so the keeper of the bat, namely Mr. Lyons, opened a window through which the bat proceeded. According to Mr. Lyons the bat will again be taken itself to a dark place where it will spend the rest of the winter until some girl ventures into said dark place to disturb the dark-seeking animal.

## Caesar Says

Tourist: Don't you ever get lonely some here?

Mountaineer: On yes, but I have a couple of good jokes I tell myself.

Lady: Why are you so excited, little boy? Can't you stand still?

Little boy: Lady, is that any question to ask a gentleman?

Any girl who goes around with questionable characters soon knows all the answers.

Father: I doubt that you would be able to support my daughter. I can hardly do it myself.

Ralph: Perhaps I could be of some assistance to you.

Until I "get took" again I'll remain your cell-pal who knows crazy men are maniacs but who are the pon-ti-fics?

## Editorial

Spring is here. The birds are singing and probably many people have a slight touch of spring fever, but Mr. Lyons and the F. F. A. boys are full of ambition.

During the past week the F. F. A. boys, under the direction of Mr. Lyons, rolled the lawn and trimmed the

## Elementary News

bushes and trees around the school. They also planted several new trees along the curbing in front of the gymnasium.

Pupils—cooperate with the F. F. A. boys by keeping off the lawn.

### Kindergarten

During vacation some of us flew kites, others went skating and some of us went visiting. We are all glad to be back to school.

Shirley Koib has a new baby brother.

We are going to clean out our grocery store and move our doll furniture in. We will make a doll house.

### First Grade

The Easter Bunny was good to all of us.

We enjoyed spring vacation but we are all glad to be back in school.

Mr. Gentner kept our alligator, "Oscar," for us during vacation.

We have some new trees in the school yard.

We take our train outdoors.

### Second Grade

Vacation is over! We had such a nice time, but we are all glad to be back at work again.

The Easter Bunny left us lots of eggs.

One group has started another second grade reader. It starts out very interestingly.

Yesterday was Robert Baber's ninth birthday. We are celebrating today in school.

We have an out-guest, Alma Anne Titus, who lives in Detroit. We always enjoy visitors.

### Third Grade

Every one returned to school Monday. We are glad the mumps are over. We had a very happy spring vacation. Some of us went out of town and others remained at home. We are glad to be back in school.

We hope to spend the rest of the school year very busy. We hope we shall all be together.

### Fourth Grade

We are glad to be back to school again. Everyone has had a fine vacation.

Miss Korn brought her Easter gift, a pot of red tulips, for us to enjoy here at school.

Reynolds Walz brought some frog eggs. During vacation some of the eggs seem to have changed in size and shape.

Raymond Parsons brought three crocus blossoms. Some of us have never seen crocus flowers before.

Twenty-four children from our room attended the picture, "David Copperfield." We talked about it in language class.

On our new chart the following have had perfect inspection for one week: Jane Chriswell, Mary Chriswell, Ruth Cooper, Robert Eaton, Richard For, Eleanor Harper, Sumner Osterle and Elaine Schmidt.

Virginia's mother, Mrs. Ed. Miller, visited our room.

Miss Marian Riskey of Kalamazoo and Mrs. Lois Palmer were also visitors in our room.

We are planning a visit to the museum in Ann Arbor room. We are anxious to see the bird exhibits and the exhibits on ancient civilization which we have studied in history.

In Art last Friday we made cards for our mothers with eggs and pussies.

We have started the study of Switzerland in geography.

EVERETT SCHOOL NEWS

We had a guest Monday and Tuesday. It was Miss Mary Jane Bahnmiller of Chelsea.

Mrs. Robinson visited us Friday morning. She gave us tests in Arithmetic. Most of us have considerable gain since the last tests.

We tested some seed corn and have some on the sand table now.

4-H Achievement day was April 7. Mr. Scott took six of the Busy Bees to Ann Arbor to see the exhibits.

We had no school on Good Friday. Those neither tardy nor absent for the month of March are: Helen Lehman, Royden Watson, Lehman Wahl, Richard Wahl, Don Lee Wahl, L. Dean Scott, Valerie Leeman.

Honor Roll for March: Raymond Alber, Ruth Alber, Richard Wahl, Valerie Leeman.

Seventh Grade

Lois Palmer is back from the West. She had a very nice trip and we are glad she is back.

During spring vacation Doris Ashfal went to Ann Arbor and Ruth Yotah went to Flint. The rest of us had a very nice time although we did not go away from home.

All of the class are playing baseball.

Vacationing - -

Mr. Lyons was back in his old home town—gave the girls a break—had a grand time.

Miss Georg—Visiting Miss Barrus in Wisconsin and went to Madison, accompanied by Miss Bollore.

Miss Gibson—Went to Detroit and saw "Cyrano De Bergerac," spent a day in Ann Arbor and the rest of the time at home in good old Port Huron.

Mr. Waskiewicz—Another one of our teachers who spent his time in his old home town, Detroit.

Mr. Blecker visited friends and relatives in Hart for three days.

Mr. Johnson in Grand Rapids and in Sidney, but on Thursday returned to keep the boys in training for baseball.

Miss Hazard spent a quiet vacation at home in Grand Rapids, resting.

Miss Fowlkes was at home sleeping late, having breakfast in bed, and did she enjoy it.

Hold Contest

The sub-district oratorical and declamatory contest took place at Britton last Thursday afternoon at 2:00 o'clock. Cecelia Birch and Gerald Cook were Chelsea's representatives in this contest. Cecelia's rendition of "Acres of Diamonds" by Russell H. Conwell was awarded second place in the declamatory contest, and was surpassed only by Granville Kniffin of

## KELVINATOR

with Visible COLD, Visible ECONOMY and  
Visible PROTECTION

Today we recommend that every owner of an automatic refrigerator, learn about the new 1936 Kelvinator. It has three outstanding, fundamental values that buyers want.

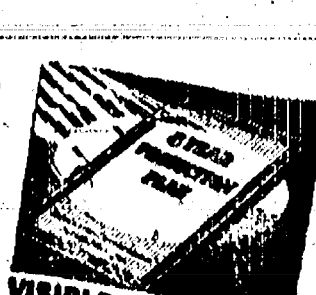

**Visible Cold:** Safe temperatures in the food compartment, proved by a Built-In Thermometer so there can be no doubt about how cold it is.

**Visible Economy:** It uses from one-third to one-half as much current, as shown in advance by a Certificate of Low Cost of Operation.

**Visible Protection:** A 5-year Protection Plan, signed by the oldest company in the industry.

The new Kelvinator gives you flexible rubber grids in all ice trays, and such conveniences as automatic defrosting switch, interior electric light and many others.

See the 1936 Kelvinator whether you now have an electric refrigerator or not, and let us tell you how you can have one for as little as 15c a day. Come in tomorrow.

D. 1927, in Liber 176 of Mortgages, on page 370, in which mortgage there is claimed to be due, at the date of this notice, for principal and interest, the sum of TWELVE THOUSAND NINE HUNDRED SEVENTY-ONE and 67/100 (\$12,971.67) DOLLARS, and no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now, therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on MONDAY, the THIRTIETH day of JULY, A. D. 1936, at twelve o'clock noon, Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, on the Court House steps at the South door of the Washtenaw County Building in the City of Ann Arbor, Washtenaw County, Michigan (that being the place where the Circuit Court for the County of Washtenaw is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, and all other sums which may be paid by the undersigned at or before said sale for taxes and/or insurance on said premises, with interest thereon at seven per cent (7%) per annum and all legal costs, charges and ex-

penses, including the attorney fee allowed by law, which said premises are described as follows: All that certain piece or parcel of land situated in the City of Ypsilanti, in the County of Washtenaw, and State of Michigan, and described as follows: Commencing 29.0 feet South from the corner formed by the intersection of the south line of Pearl Street and the West line of Huron Street and running from thence south along the west line of Huron Street 44.2 feet to the center of a brick division wall thence west through the center of said wall 124.67 feet to land owned by H. P. Glover on April 29th, 1893, thence north parallel with Huron Street 44.2 feet, thence east parallel with the south line of Pearl Street to the place of beginning, all being part of Lot No. 111, according to the original plat of the City of Ypsilanti, County of Washtenaw, and State of Michigan, and being situated on the

west side of Huron Street south of Pearl Street.

Dated at Detroit, Michigan, April 16, 1936.
