Popular Radio Stars To Appear In Chelsea

Announcement is made by the Chelsea Kiwanis club that they have booked Tim Doolittle and his Pine Center Gang for an appearance at the public school gymnasium on Tuesday evening, May 26, with dancing from 9 to 1 o'clock. Interspersed throughout the dance program will be several features of entertainment by the Gang.

Tim Doolittle and the Pine Center Gang are well known to radio fans as they make regular appearances on the air over station WJR. Tim made his debut on the air in 1923 as the "Broken-down Baritone" and later became the original Seth Parker of the air.

Members of the Gang include William H. Hurley, "Rambling Bill Hurley"; Dorothy Leader, known as "Dot"; the Sweetheart of Pine Center; Ted, the talented violinist; Curly, who plays the guitar; Al, the clown of the Gang; Gibby, the pianist; "Little Joe", banjo player; the newest member of the Gang is a nationally known character, "Bob Witt", the original one-man band.

Tickets for this dance and entertainment will go on sale this week, and it is hoped the response will be generous as proceeds will be used by the Kiwanis club in their work with Boy Scouts, and for underprivileged children at University hospital.

Balcony seats for spectators will be sold at the door, and the charge will be less than for those who attend the dance.

Twilight Ball Season Opened Monday Night

The Chelsea Twilight League ball season got under way Monday night when the St. Paul's and Chelsea Standard teams put on the first exhibition at Wilkinson field, Washington street, with the Standard carrying off the honors to the tune of 13 to 7. The Standard battery consisted of Jas. Munro and W. Smith, and for St. Paul's Carl Schneider and Norman Elsmann made up the battery.

Village President Roy Harris hurled the ball that opened the game, and as it was a perfectly pitched ball Dr. J. Paul, president of the League, made a successful catch. J. Edward Weber, popular alderman from the first ward, umpired for this first pitch, and was compelled to call it a strike as it cut the heart of the plate, letter high.

Monday's game demonstrated that there will be lots of action with the large ball which is being used this year, as all players, both young and old, were actively engaged in pursuing the ball throughout the game.

On Tuesday night Spaulding Chevrolet and Trojans played a rather loose game, which resulted in a draw.

The schedule for the next four games is as follows:

Thursday, May 14—Merkel Bros. vs. Grove Bros.

Monday, May 18—St. Paul's vs. Trojans.

Tuesday, May 19—Chelsea Standard vs. Merkel Bros.

Thursday, May 19—Spaulding vs. Grove Bros.

NEW PASTOR AT ST. MARY'S

Rev. John W. Nagel assumed his duties Saturday as administrator of St. Mary church, Chelsea, coming here from Detroit where he had served the past year as administrator at Saint Rose of Lima church, and for six years prior was assistant administrator. Father Nagel received his B. A. Degree at Mount St. Mary's, Emmetsburg, Md., continuing his studies at the Catholic University in Washington, D. C. He completed his course at St. Paul's Seminary, St. Paul, Minn. and was ordained in Detroit in 1929.

HONORED AT SHOWER

Miss Ruth Russell, whose marriage to Wallace Whiting of Ypsilanti will take place in July, was guest of honor at a shower given Saturday evening at the home of Mrs. Hugh Kevelling, Ann Arbor, the hostess being assisted by Miss Lavern Sly of Plymouth. The guests included cousins and other relatives. Bridge furnished the evening's diversion, with three tables in play, honors going to Mrs. George Ewing of Jonesville. Many lovely gifts were received by the bride-to-be. A dainty lunch was served. Those attending from Chelsea were Mrs. Elmer E. Smith and Mrs. James Munro.

EWES SHEARS 17 POUNDS

John Freysinger of Sylvan reports that a ewe which he owns was sheared last Saturday and the clip weighed 17 pounds. John raised the ewe, which is now four years old, from a pet lamb which he found in a marsh. Last year the ewe sheared 16 1/2 pounds.

INSTALL NEW COOLER

Hinderer Bros. have had a Walk-In cooler installed in their store. The new cooler will enable them to carry more and a greater variety of meat.

Site Is Purchased By School District for Athletic Field

Recognizing the great need for a municipal athletic field and playground for Chelsea, negotiations have been completed by the Board of Education of School District No. 8 Fr., Sylvan and Lima, for the purchase of a tract of land for this purpose.

The tract, which is being purchased from Lionel Vickers, is located on the south side of Washington street, and contains six acres. There is a frontage of 29 rods on Washington street, with a depth of 38 rods.

Present plans call for the laying out of a baseball field in the northeast corner of the field, with the batter facing southwest. The football field will be in the southwest corner, with a running track skirting the gridiron. There will be ample parking space near the entrance at the northwest corner of the field, and space at the southeast corner may be used for a soft ball diamond, and other playground purposes.

Work of cleaning off the tract has been started, with the pulling and burning of cornstubbles. Surface stones will be gathered and hauled from the field and it will be plowed, dragged, leveled and necessary grading done this spring. It will be seeded this fall and should be ready for use for the 1937 football season.

Completion of this athletic field will fill a real need in the community, as all outdoor sports events of the school and other local organizations have been shifted from one place to another almost every year, with no degree of certainty as to where the events could be held.

The Vickers field is an ideal spot for such a playground, being easily accessible, and with its natural drainage facilities should eventually be made into one of the nicest athletic fields for a town of this size in this part of the country, and the necessary improvements can be made at a very nominal expense to the school district.

Churches Will Unite for Memorial Service

Union Memorial services will be held at 10 o'clock Sunday morning, May 17, at St. Paul's Evangelical church. Following is the order of service:

Bahnmler Named Welfare Chairman

Revisions of committees of the county board of supervisors have been announced by the new chairman of the board, Supervisor Arthur Heininger of Pittsfield township.

New members of the welfare committee are Supervisors Theodore H. Bahnmler, Sylvan township, and James Galbraith, Ann Arbor township. Supervisor Bahnmler is chairman of this committee. Supervisors Galbraith and Bahnmler were also named on the finance committee.

Supervisors Fred Blumhardt of Bridgewater township, chairman; Leigh Beach, Lima township, B. A. McIlhargie, Ypsilanti second district, F. D. Forsythe and Fred Williams, Ann Arbor First and Third wards are new members of the equalization committee.

The public health committee, headed by Supervisor Arthur A. Weinert, Ann Arbor, includes Supervisors Geo. Alber, Sharon township, James Howlett, Lyndon township, Lloyd Luke, Ypsilanti, and Mark Sugden, Saline.

COUNTY O. E. S. TO MEET

The Washtenaw County Association O. E. S. will convene at Manchester on Tuesday, May 19, afternoon and evening. Those chosen from the local Chapter to assist in the work are Virginia Brock, Associate Matron, Florence Ward, Treasurer, and Cecil Miller, Adm. Supper will be served at 6:30. Initiatory work in the evening.

WILL HATCH PHEASANT EGGS

Harry Knickerbocker received a shipment of pheasant eggs last week which he will hatch for the Ann Arbor Kennel club. The pheasants will be released on club property when they are six weeks of age. Additional eggs will be hatched as they arrive. The Kennel club has about 3000 acres of land under lease in the vicinity of Four Mile Lake.

Jabez Bacon, Pioneer Business Man, Dies

Jabez Bacon, well known resident of Chelsea for the past 65 years, died early Wednesday morning, May 13, at his home, 149 East Middle St.

Mr. Bacon was born in Somersetshire, England in 1850, acquiring his education in the public school of that country. In August, 1871, he left England for the United States, coming immediately to Chelsea. Soon after his arrival, he entered the employ of C. H. Kempf, with whom he remained associated for a year, when he became a partner in the firm of Kempf, Bacon and Co., dealers in lumber and produce. That association was continued until 1879, when he became one of the organizers of the firm of J. Bacon and Company, dealers in hardware and farm implements. The company's place of business was on East Middle St.

Thus he carried on business until 1889, when he became a silent partner in the firm of Hoag and Holmes. In 1902 he withdrew and organized the Bacon Co-operative Co., of which he was president and general superintendent. Later he was manager of the J. Bacon Mercantile Co., dealers in hardware, crockery and farm implements.

At the time of his death, Mr. Bacon was associated with his sons in the Central Fibre Products Co., manufacturing wool twines, and fibre for upholstering purposes.

He had served on the village council, the Board of Education, and was a trustee of Oak Grove cemetery. He was a member of Olive Lodge, 156, F. & A. M., and R. A. M., and was a Deacon Emeritus of the Congregational church, of which he was a member. Mr. Bacon was married October 24, 1874 to Eliza Hook, also a native of England. Mrs. Bacon died in 1935.

Mr. Bacon is survived by five sons and five daughters: Mrs. Samuel Schultz and Mrs. N. E. Phelps of Coldwater; Mrs. Henry Schneider of Beloit, Wis.; Mrs. Fred Dewey, Benjamin, Donald and John Bacon of Detroit; George Bacon of Fort Wayne, Ind.; Reynolds Bacon of Farmington, Ill.; a brother, Edward Bacon of Ann Arbor, twenty-three grandchildren and four great grandchildren.

Funeral services will be held at 4 o'clock Friday afternoon at the residence, with Rev. Chas. F. Wolf officiating. Burial will be in Oak Grove cemetery.

Legion Leases Site for Chelsea Scouts

The Chelsea Post of The American Legion has leased 2 1/2 acres of land on the shore of North Lake, which will be used for camping purposes by local Sea Scouts, Girl Scouts and Boy Scouts. The land was leased for five years of Wm. Eisenbeiser and lies just west of the picnic grove on the south side of the lake.

It is planned by the Legion to construct barracks on the site, and the camp will be available to the separate Scout organizations for certain designated periods throughout the summer months.

In order that construction cost on the barracks may be as low as possible the Legion hopes to purchase a quantity of used lumber, or they would appreciate the donation of a sufficient quantity of materials to at least partially take care of the construction. Anyone having used materials for donation or for sale is asked to notify Wilbur Riemenschneider, a member of the Legion Scout committee.

Several of the older Scouts have been engaged in cleaning the grounds at the lake in readiness for summer activities.

ORDER CALCIUM CHLORIDE

Twenty-five tons of calcium chloride has been ordered by the village to be used as dust layer on the streets during the summer months. A blanket order was placed with Dow Chemical Co. in January for this material, and shipment was ordered for this week. The village had ten tons of the chemical left from last year, and the total amount is expected to keep the streets in good condition this summer.

THE BRIDEGROOM OF MY HEART

I would that I might have the power,
Inspiring mind and soul,
To write a line, a verse, a book,
That echoed through the whole—
A praise, a wondrous praise to Christ,
In volume never written,
That man or angel never spoke,
In earth, or sea, or heaven (Isa.
9:16)Of Christ, the wonderful of God,
"Only begotten son" (John 3:16)
Who died and rose again for me
That those and I be one.
O mystery of mysteries!
O holy one most high,
No one but those could break the
seal (Rev. 5:5-10)
That brought salvation night.
All glory to thy holy name, Rev. 5:9
The Christ of God thou art,
From innermost to outermost,
Blest bridegroom of my heart.
—Arthur Carlton.

property recently acquired by the

in three days, the "flats" took on a
much different appearance than it
ever has before. In place of the
jungles of underbrush and cut-over
stumps, which has been an eye sore
to passersby for years, now the
ground is being plowed and all of the
debris and underbrush burned. Large
piles of fire wood are making their
appearance, the old trees are being
cut up and the buzz rigs are ringing
their merry songs, and to some of the
old timers around here, the sounds
from the large crew of men must be
bringing back memories of the olden

A Story that Will Thrill You---
A Century of Community Progress

From the sturdy pioneer guiding an oxen-drawn plow through untouched soil to the modern farmer with his powerful tractor used to speed up production of well-tilled soil . . . from the little general store trying to supply all the needs of the early settlers to the large department stores and modern shops of today offering the greatest variety of goods and services in history . . . from the clang of the village smithy's hammer against his anvil to the hum and whirr of the complex machinery of present-day industrial plants . . . from the simple, early athletic contests to the intricacies of football, baseball, hockey, golf and tennis . . . from the first newspapers struggling to furnish the community with news of the outside world weeks after events occurred to the modern daily newspaper with its speedy news-gathering facilities giving subscribers almost immediate information and pictures of important happenings.

By word and picture, this panoramic view of the birth, growth and development of this community during a century will be recorded in the Centennial Progress Edition of The Ann Arbor Daily News to be published Tuesday, May 19. Evidences of the inconquerable will of the early settlers who laid the foundation for the community's rise . . . the development of the commercial and industrial structure . . . advances in education, in agriculture, in transportation . . . all will be told fully, accurately and interestingly in this special number. It is a story of which this community's residents may well be proud.

In order that hundreds of persons not residents may learn about this community, its natural and developed advantages, its nature, its potentialities, its future, The Ann Arbor Daily News has arranged for the mailing of Centennial Progress numbers. On the day of publication, May 19, papers may be purchased and will be mailed in an attractive envelope anywhere in the United States for 10c a copy. After May 19, copies of the edition may be purchased for 10c each but the purchaser must pay postage. Details of mailing, however, will be handled by The Daily News if desired. For further information concerning the purchase and mailing of extra copies of this edition, communicate with the Circulation Manager, The Ann Arbor Daily News.

A shower of canned fruit was given Mrs. August Krumm and Mrs. George Krumm, and each was presented with a wool blanket.

BROOKLYN—Napoleon sandstone has long been in popular local demand for rock gardens, walls and rustic walks and is now being developed for a wider range of patronage. Jack Nixon and Max Pitcher of Brooklyn have purchased acreage east of Napoleon village of George Smith and are uncovering the slabs which lie close to the top soil.—Exponent.

TECUMSEH—For years, inventors have discussed the need for windows in umbrellas, but as yet the window umbrella has not made its appearance. But, had H. S. Waring and Eugene Pangle had windows in their umbrellas Mr. Waring would not have suffered painful injuries last Saturday afternoon when, during the heavy rainfall, he was run into and knocked down by Eugene Pangle. The accident happened almost in front of the Waring home. Both men were walking under umbrellas and neither saw the other until the collision. Mr. Waring was hurled against a tree and fell to the sidewalk, cutting a gash in his head. He was treated by Dr. P. B. Hardy and was able to be at his work yesterday. Mr. Pangle was not hurt.—Herald.

IN MEMORIAM

In loving memory of Arthur J. May, who died one year ago today, May 16, 1935:
We that are left with a heartache,
With only memories sweet,
Silently pray that some day
United in Heaven, we'll meet.

His Loving Sister,
Mrs. Josie Cranna.

Sh-Sh-Sh! That's our ACE IN THE HOLE!

NO OTHER CAR IN THE WORLD HAS ALL THESE FEATURES

VALVE-IN-HEAD STRAIGHT-8 ENGINE gives more power per unit of fuel than any other type of engine of equal displacement and compression.

ALUMINUM PISTONS, durable, long-lasting, 50% lighter, increase bearing life 150%.

SEALED CHASSIS keeps dirt and water from all moving parts, protects from wear and erosion.

LUXURIOUS "TURRET TOP" BODY BY FISHER, with No Draft Ventilation—the smartest, safest, strongest body built.

TIP-TOE HYDRAULIC BRAKES, giving safe straight-line stops under lightest pressure.

KNEE-ACTION COMFORT AND SAFETY, the true gliding ride.

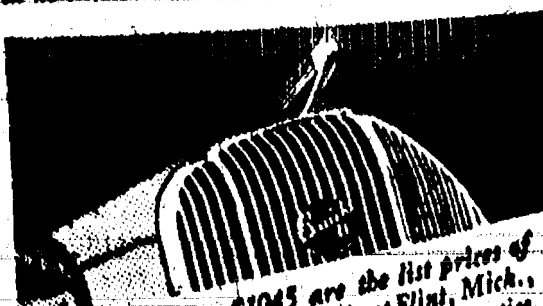

TORQUE-TUBE DRIVE, for steadier, more stable roadability.

AUTOMATIC STARTING, SPARK AND HEAT CONTROL, for convenience, efficiency, economy.

BUILT-IN LUGGAGE COMPARTMENTS, with ample capacity for necessary luggage.

FRONT-END RIDE STABILIZER, for elimination of side-sway at speed or on curves.

SAFETY GLASS, standard equipment throughout at no extra cost.

* \$765 is the list price of the new Buick at Flint, Mich., subject to change without notice. Standard and special accessories plan all models at extra cost. Ask about the General Motors installment plan.

Join the Buick Safety Legion. More than 300,000 safe drivers already enrolled. See your Buick dealer for details.

YOU can't keep good news from spreading—so the word is out that the handsome Series 40 Buick Special is not only big, and beautiful, and nimble, and smooth—but amazingly thrifty to boot!

One fellow, for instance, writes that he is getting three more miles per gallon than the salesman promised—why, asks he, don't we print such important news?

The fact is, we don't advertise specific miles-per-gallon figures because you simply can't safely set a figure that could be right for all drivers under all conditions.

So, instead of following the popular custom of claiming the world, on such matters we prefer to play safe and "talk small"—leaving

Buick's really surprising frugality to be one of those nice things you discover after you've driven one awhile!

It works out fine, too! Owners are constantly coming in to brag about high mileage averages, low costs on oil, long trips without a penny for service or attention. Call it our ace in the hole, if you like. With all of its style, and comfort, and standout performance—at prices beginning at \$765* list—Buick's a winner and its thrift is all plus. Come ride in one and see if that's not the everlasting truth!

Dancer entertained at a birthday supper Friday evening in honor of her cousin, Miss Anna May Beuter of Jackson, the guests including Mrs. Jane Allison and Miss Helen Ferguson of Jackson, Mr. and Mrs. D. J. Dancer of Chelsea and Joy Dancer of Grand Rapids. The table was centered with white daisies and a white birthday cake, and the favors were yellow and white nut baskets.

GEORGE B. WHITAKER

George Byron Whitaker, brother of Mrs. Hettie Marshall, died May 7 at his home in Gregory. He was born in Lima, March 10, 1884. In 1888 he was married to Frances Pierce and they were residents of this community for several years. Mrs. Whitaker died in 1921. Mr. Whitaker is survived by a daughter, Mrs. Nettie Caskey and two grandchildren of Gregory. Funeral services, conducted by Rev. L. S. Slaybaugh, were held Sunday afternoon at Gregory Baptist church. Interment was in North Stockbridge cemetery. Mrs. C. E. Whitaker and Mrs. Lina Whitaker of Chelsea attended the funeral.

PHILATHEA CIRCLE MEETS

The Philathea circle of the Methodist church held their May meeting at the home of Mrs. Verne Fordyce on Friday afternoon. Thirty members and guests were present. Following a short business meeting, Mrs. W. E. Riemenschneider opened the program with a Scripture reading. Rev. F. D. Mumby led in prayer. Mrs. A. A. Palmer gave a most interesting account of her recent motor trip to California. The program concluded with a piano duet by Mrs. G. W. Walworth and her daughter, Mary Joan. Dainty refreshments were served. The assisting hostesses were Miss Jennie Ives, Mrs. Leroy Mayer and Mrs. Herbert Loefler.

F. U. DIRECTORS' MEETING

The board of directors of Sylvan and Lima, 254, Farmers' Union, met at the home of Fred Seitz on Tuesday evening, May 12. The president being absent the meeting was called to order by the vice-president, Joe Merkel. As there was not much business the evening was spent in discussion. A resolution was made to discuss rural mail service at the next regular meeting. There is considerable dissatisfaction on the delivery of first class mail as it now takes three days to deliver a letter that was delivered in two days previous to consolidation of the three routes into two. All patrons are urged to attend the next regular meeting, regardless if they are members of the Union or not. This meeting will be held at Kolb's hall at 8:30 Saturday evening, May 16. The next directors' meeting will be held at the home of Oscar Lindauer on Tuesday evening, May 26th.

MRS. HETTIE MARSHALL

Mrs. Hettie Whitaker Marshall, former resident of this vicinity, died on May 1 at the home of her son Howard, in Gregory. The daughter of Stephen and Caroline Whitaker, she was born in Lima township October 4, 1860. For several years she was teacher in the district schools, before her marriage to George E. Marshall, November 18, 1884. They began their married life on a farm in Lyndon, later residing in White Oak, Stockbridge and Gregory. Mr. Marshall died in 1929. She was a member of the Chelsea Congregational church in her girlhood days, transferring her membership to the places in which she lived. She is survived by three sons, Fred of White Oak, Howard and Clarence of Gregory. Funeral services were held at the Gregory Baptist church at 2:30 p. m. May 4, Rev. L. S. Slaybaugh, pastor of the church, officiating, assisted by Rev. Adolph Roedel of Colorado Springs, Colo. Burial was in Oaklawn cemetery, Stockbridge.

Mother and Daughter Banquet Held Saturday

About 190 were in attendance at the Mother and Daughter Banquet of St. Paul's church which was held Saturday evening in the public school gymnasium. Supper was served at 7:00 o'clock.

Green and yellow formed the color motif for the banquet tables, which were decorated with bands of yellow, centered with yellow flowers and lighted with yellow tapers tied with green ribbons. The favors were velvet and green cornucopias, filled with nuts and candy.

The Doxology was sung by the assembly and the invocation was given by Mrs. Esther Lucht.

Following the banquet, Mrs. Matilda Hinderer gave the address of welcome and introduced Miss Olea Seitz, who presided as toastmistress.

Following is the program:

Toast to Mothers—Estelle Seitz.

Toast to Daughters—Mrs. Mary Adam.

Tap Dancing—Jeanne Meserva and Virginia Barr. Mrs. Ruth Niehaus, accompanist.

Piano solo—"Woodland Whispers"—Mrs. Niehaus.

Song—"Mother So Dear"—By Nine Girls.

Double Quartet—"Songs My Mother Sang to Me"—Mesdames Katherine Kusterer, Olga Strieter, Mary Schneider, Emma Oesterle, Esther Lucht, Lydia Bohner, Hilda Stierle and Miss Cora Feldkamp.

Address—"Home and Mother"—Mrs. Theo. Schmale, Ann Arbor.

Duet—"Home Sweet Home"—Mrs. Schneider, Mrs. Kusterer.

Bouquets of pink snapdragons were presented to—

Mrs. Elizabeth Wackenhut, the oldest mother.

Mrs. Lizetta Widmayer and Mrs. Lena Koch, over 75 years of age.

Mrs. Roy Bertke, the youngest mother.

Mrs. L. Koch, having five daughters present.

Mrs. Fred Koch, with four daughters in attendance.

HOLD SOCIAL MEETING

A social meeting of the Child Study club was held Monday evening at the home of Mrs. L. G. Palmer, when a dinner was served at 6:30 with covers for twenty. The house was lovely with spring flowers and the small tables were centered with snapdragons, with candy favors. A short business session was held, at which time plans were completed for a picnic for club members and their children to be held in June at Cavanaugh Lake, with Mrs. L. G. Palmer, Mrs. A. A. Palmer and Mrs. W. R. Daniels as hostesses. Mrs. A. A. Palmer, president, and Mrs. E. W. Eaton, who has held the position as chairman of the Library, each were presented with African violet plants. Games were played, with white elephant prizes. Letters of greeting were written to Mrs. A. K. Richards of Seattle, Wash. and Mrs. Alex C. Fisher of Port Huron, former members of the club.

ATTEND MASONIC SCHOOL

Donald J. Dancer, Chester Miller, G. W. Maroney, M. J. Baxter, Floyd Allhouse, Lee Azdell, A. H. Schumacher and Francis Heiny, members of Olive Lodge, 156, F. & A. M., attended a Masonic School of Instruction in Jackson on Monday evening, when the first degree in long form was conferred by Jackson Lodge No. 17. The meeting was called to order by Grand Lecturer Fox of Almont and a short talk was given by Deputy Grand Master Neil Reid of Mt. Clemens. A banquet at 6:30 preceded the meeting.

HOSTESS AT LUNCHEON

Mrs. George P. Staffan was hostess to the following guests at a luncheon on Tuesday: Mesdames Orville Jones, Kay Satterlee, John Farmer, Gurney Dancer, Herbert Dancer, Robert Dancer, Sumner Hall, Vera Holt and E. Culver of Stockbridge, and Mrs. F. W. Staffan of Ann Arbor. Mrs. G. Dancer received high score in bridge, Mrs. Holt second, and Mrs. Satterlee the consolation prize.

MRS. AMY McLAREN

Word has been received here of the death of Mrs. Amy McLaren of Plymouth, who died on Tuesday, May 12. She was the widow of the late John McLaren. Mrs. McLaren was well known in Chelsea from the many visits at the home of her brother-in-law, the late D. C. McLaren. Funeral services will be held in Plymouth on Friday afternoon.

STUDY CLUB MEETS

The Young Mothers' Child Study club met at the home of Mrs. Ray Kronts on Tuesday evening. After a short business meeting the remainder of the evening was spent in playing bridge. High honors were awarded to Mrs. J. J. Munro and Mrs. Ollie Johnson. Dainty refreshments were served by the hostess.

WHAT A THRILL!

The pupils of the first grade of the public school and St. Mary's school had the thrill of their young lives on Wednesday morning when they enjoyed a train ride. The youngsters took the nine o'clock train to Dexter and returned on the train that arrives here soon after ten o'clock.

HOSTESS TO S. A. CLUB

Miss Ruth Russell was hostess to the S. A. club on Friday evening. Miss Lucille Haselwerdt won high score in bridge, with Mrs. Paul Elsie second. Lunch was served.

"MAKING A V-TYPE MOTOR"

Recent progress in methods of producing, casting, and machining steel are pictured in a new educational film produced under the supervision of the United States Bureau of Mines and now available from the bureau's experiment station in Pittsburgh, Pa. The film has its setting in the Rouge plant of the Ford Motor Company at Dearborn, Mich., and is entitled "Making a V-Type Motor."

While the title indicates a study of the technique which permits the casting of the eight-cylinder V-type block as a single unit, the film is more comprehensive in scope. Beginning with an airplane view of the 1,096 acre plant, the pictorial story traces the manufacturing process from the arrival of the ore to final tests on the completed engine, with special emphasis on modern methods.

Steel treating processes requiring temperatures ranging from 310 degrees (Fahrenheit) below zero to 2900 degrees above zero, precision inspection to an accuracy of three thousandths of an inch, and inspection of rapidly rotating parts in the completed motor are among the operations shown.

Following the ore through the plant the pictures start with the unloading of the freighters at the boat slip into large storage bins. The blast furnaces are presented next. Then the electric and air furnaces, the foundry and the control laboratories are visited with intimate views of what goes on at each stage of production. Machine shops, constant temperature inspection rooms, and manufacture of parts made from special steels, and the assembly operations are presented in order.

Practically every scene represents an achievement in metallurgical research, presented, however, in pictures which clearly reveal the processes used. The film is one of a series prepared by the U. S. Bureau to illustrate activities in the mineral and allied industries and is available to schools, educational societies, and other interested groups.

WAYNE—Forty-eight seniors will be graduated from Wayne high school at commencement exercises to be held on Tuesday evening, June 18. It was announced this week by R. J. Gulick, high school principal.—County Review.

SHARON

Beginning next Sunday, May 17, services at the Community church will be held at 8:30 in the morning, during the summer months, with Dr. Chas. Wolf of Chelsea in charge.

Mr. and Mrs. Elmer Wellhoff of Detroit spent last Thursday at the Roy Davidson home.

Mr. and Mrs. Mahlon Ellis and family of Platt were Saturday night supper guests of Mr. and Mrs. F. Ellis. The A. E. Earley family of Grass Lake were dinner guests at the Ellis home on Sunday.

Mr. and Mrs. Ray Haselschwerdt and family spent Sunday, May 10, in Detroit with her brother, L. Dean Alber and family, who recently moved there from Chicago.

Ronald Bahnmiller of near Leoni spent Sunday with his parents, Mr. and Mrs. Albert Bahnmiller.

NORTHVILLE—With the announcement this week through Col. E. A. Tripp, who is in charge of the veterans hospital construction, that members of the veteran administration were in favor of having the hospital located on a 38-acre triangular site at Southfield road and Snow avenue, Northville was definitely eliminated as a possible site for the building. Last November Northville submitted a price estimate on the Richardson farm on Center street which is held with an undivided ownership by the bank and a Detroit real estate company. Until the selection of the site offered by the Ford estate, the village was in the running along with Detroit, Pontiac and Mt. Clemens.—Record.

STEEL MAKERS say—"Ford buys the best steel." Other suppliers of materials and parts will tell you—"Nobody checks up as closely on quality and price as Ford."

This means a great deal to you as a motorist. It is our way of safeguarding the interests of every purchaser and it leads to this—"The mechanical depreciation on a Ford is less than most cars, especially after the first year."

This is one sign of the extra value in the Ford V-8. Accuracy in manufacturing is another. (The Ford is made to unusually close precision limits.) And there is a long list of fine-car features that are exclusive with Ford in the popular field.

Have you a V-8 engine in your car? You pay \$1645 for it in any other car but Ford.

Does your car have Center-Poise Riding? Ford gives you this modern feature—"a front-seat ride for back-seat passengers."

Does your car have fool-proof Super-Safety Mechanical Brakes? The Ford V-8 gives you this proved design, with 186 square inches of braking surface.

Does your car have a genuine steel body structure? Does it have Safety Glass all around? Ford is the only low-price car that gives you this extra protection without extra cost.

You get these fine-car features in the Ford V-8 because of Ford manufacturing methods and low-profit policy.

\$25 A MONTH, after usual down-payment, buys any model of the new Ford V-8 car—from any Ford dealer—anywhere in the United States. Ask about the new UCC 1/2% per month Finance Plans.

Thanks from Juniors

The Junior class wishes to thank the cast who did such fine acting, the properties committee, the make-up committee, the electricians, the stage manager, business manager, arts committee, the newspaper and advertising committees.

The class appreciates the help given by Miss Fowlkes in coaching, Miss Hazard, in prompting, Miss Georg, in ticket sales, and Miss Gibson, in make-up.

The Juniors wish to thank the Chelsea Hardware and the Telephone Company for lending furniture and properties.

Last, the class thanks you of the audience for your cooperation in making the Junior Play a success.

Editorial

School Spirit

If you were asked what you thought was a good sign of school spirit, what would you answer? I would immediately answer the size of the crowd of students at school plays and school games.

Now, truthfully, don't you judge a school by their attendance at the game? You can tell if the students are in the habit of cooperating, or if they hope the team will win without encouragement. How else can you judge a school? The building does not tell you the type of students who are inside it.

Seldom are schools lacking in activities at which they can show how good is their school spirit, and least of all is our own school lacking in that respect. Hardly a month goes by without two or three urgent requests to attend this or that. By some these requests are received indifferently. Others pay attention to the request if they happen to be interested in that particular activity. Some are vitally interested in football and wouldn't think of missing a game, while others have the same attitude toward baseball. Why don't they like a certain sport? In most cases they simply don't understand the sport, and, of course, they dislike it.

I think all students owe it to their school to at least become well acquainted with all activities in which the school partakes, and help a little by at least trying to become interested.

At present the baseball season is on. Baseball is a famous American sport, and you owe it to yourself to learn at least the fundamental rules of the game, if you are one of the uninterested.

Win One, Lose One

The Chelsea Nine lost to Clinton, 6 to 2. The battery of Hafley-Novess for Chelsea held their opponents scoreless until the fifth-inning, when H. Frey and Socks scored. Then in the sixth inning for Clinton the relief pitcher for Chelsea was pounded for four runs, giving Clinton a lead which couldn't be overtaken. The Frey brothers, battery of Clinton, held Chelsea to one run in the 3rd by Hafley, and one in the fourth by Brueckner.

The Chelsea baseball squad handed the Roosevelt team a defeat, 10-6, to make 3 games won and 2 lost. Hafley allowed only 2 runs, one in the 3rd and one in the 4th, up to the sixth inning. Then 2 bases on balls, 3 singles, and an error gave Roosevelt 4 runs. However, Chelsea had acquired an 8-run lead by a barrage of runs in 2nd-4, 3rd-2, 4th-2, 5th-1, 6th-1, making a total of 10 runs.

Hafley-Novess, battery for Chelsea, struck out eight Roosevelt players. Matveia-McCoy, battery for Roosevelt for 6 innings, struck out 4 Chelsea players. Davie-McCoy struck out no men in one inning, giving two singles.

Elementary News

Kindergarten

We hope Beverly Hale is soon back to school.

We are glad to have David Longworth back after being out so long. The children are bringing spring flowers. They make our room look lovely.

Mr. Gentner cleaned our floor. We wish to thank him for it.

We went out for a walk and saw a tree we weren't sure of. A man told us it was a magnolia tree. We thought it was a tulip tree. The man gave us two large flowers. They had a very nice odor and made our room smell pleasant.

We learned to know a daffodil, a hyacinth and a violet.

First Grade

We went for a ride on the Blue Goose bus Thursday. The bus stopped at school. We got in and rode to Burg's drug store. Then we rode down S. Main St. Miss Yager pulled a cord and the bus stopped. We walked back to school.

This Wednesday we are going for a ride on a Michigan Central train. The boys and girls from the first grade of St. Mary's will go too.

These are things we want to see: The signals; a tunnel; other trains; the farms; the inside of a train; the couplings; the track pan; the depots; we hope we can see the inside of an engine too.

Second Grade

Shirley Nage came to visit again. She is such a good little girl that we are glad to have her come over and watch us work.

Mrs. Lantis, Edwin's mother, came to school Friday afternoon. We were glad to see her.

We made lovely May baskets for our mothers on Friday and took them home to fill with candies for her.

The spring showers have brought the May flowers. We have many of them in our room and how pretty they are!

Our polly wogs hatched out, however, they did not live but a short time. Jack is going to bring us some more.

Third Grade

Norman Krontz brought two toads and one frog to school. We will study about them. They are in a screened cage. There is water and soil for them in the cage.

We have been studying about different flowers brought in by the class. In division, we are studying fractions. We find it interesting work.

We have a worker bee and a drone kept up with some flowers. We hope to see the worker feed the drone.

Fourth Grade

Eleanor brought us a bouquet from her grandfather's farm. She had some Dutchman's breeches and squirrel corn. These do not grow in most woods nearby.

Joe Hale, our cartoonist, has made two large drawings of a boy and girl ready to jump from a diving board. We like both but like the boy especially well.

We have a new turtle that Joe brought. Our tree toad seems quite happy since Bob brought some food for it. Several times during the week it has burst into song.

Visitors last week were May Lane, Madeline Rowe and Mrs. Carlson, Willard's mother.

We wish to thank Mrs. Blecker, Mrs. Spaulding, Mrs. Christwell, Mrs. Hinderer, Mrs. Eaton, Mr. Harper and Mr. Bycraft for making it possible for us to visit the U. of M. Museum. We saw many interesting things which we had studied in our history. We also learned about invertebrates, and vertebrates, including reptiles, birds and fish. We also felt happy to meet Mr. Angel, who does all of the sculpturing work in the museum. We visited his work room and saw some of the beautiful carvings and statues which he had made.

Mr. Williams, our guide, gave us cards about each bird studied, which should be helpful in our bird study here.

These are some of the things we were also interested in: Monkeys, spiders, clothes of Japanese, carved chess men, saber, tooth tiger, how the horse changed from a four-toed animal to the one hoof of present time, birds' eggs, live bears, squirrels,

bones taken from tar beds in California, Chinese bronze bell made in 1695, ant ester, bones of Indian woman, how the elephants got their trunk and frogs. These were only a small part of the things we saw. We are sure we shall be talking of our Museum visit for years to come.

We have a new idea for inspection which we call "Our Inspection Garden".

The pupils in our room have been divided into two groups and each day we pass inspection we add a flower to our garden. One side has forty six flowers and the other, forty nine.

We have had many pretty bouquets of spring flowers brought during the past week.

Louis brought us some pollywogs this morning. We hope we will have better luck with these.

A beautiful polyphemus moth emerged from our cocoon last week.

Fifth Grade

Every one is much interested in the progress of the Zeppelin "Von Hindenburg" which by the time this news is in print will have reached its destination, and no doubt be on its way back.

Many interesting reports have been given, among them the complete log of the Zeppelin which we outlined as it was given in the report. Only two in the room, Wilma Spiegelberg and Robert Strieter, knew the meaning of a ship's log, but every one knows now since Richard Schenk gave us such an interesting report on the progress of this great ship of the air.

We like to dance to the May Pole. Dance every morning on these wonderful May mornings. The May Queen, Janette May, who will soon be crowned Queen of the May, has chosen as her Maid of Honor, Helen Grabowski.

In the study of the picture "The Spirit of Education", which has been sent to all the rooms in the building, the fifth grade group agreed that it depicted education as leading the way of all classes of peoples in past history as well as the present time. Some saw much during art period this week. We are working on decorations for the Operetta which will take place May 22.

Reproduction of the Roman Alphabet which we have been studying proved quite difficult. We all wondered why the Romans had to put tails (serifs) on their letters. We like our alphabet best without them.

Everyone in the room went to the matinee given by the Juniors Thursday afternoon. We enjoyed it very much.

Sixth Grade

Reporter—June Crawford. Assistant—Margaret Slane.

June Crawford's polyphemus moth finally hatched out. It has been wriggling since April 13 to May 8. Friday evening she helped to chloroform, pin and spread it. We now have three cocoons that wiggle. They will probably hatch out soon.

The fifth grade brought us a picture called "The Spirit of Education". Thank you, fifth grade.

The people who have not been absent or tardy from March 30 to May 1 are Pearl Alexander, Lawrence Dietle, Edwin Gaunt, Gerald Hoover, Charles Lane, Jack Miller, Junior Miller, Norman Niehaus, Richard Schmidt, Leonard Spiegelberg, Bud Wolf.

The sixth grade have completed their Poppy Posters for the American Legion.

Lillian Allshouse had a very nice week-end. She was at Holland, Mich. She brought back a bookmark. On it is a ribbon with a pair of tiny wooden shoes. She also stopped at Benton Harbor and St. Joseph to see the fruit blossoms.

Seventh Grade

Wednesday we are going to the Island in Ann Arbor for a picnic. The two dollars we won for selling tickets some time ago is going to be used for ice cream. Some of the mothers are going to drive.

The American Legion Posters are finished. Most of them took very nice. In English class we are studying and writing letters in correct forms. Most of us can improve on our letters.

Eighth Grade

Eighth Graders went on a class party Wednesday afternoon at Dexter Park on Huron River Drive. Each person carried his own lunch. Baseball and other games were played. Transportation was provided by Duane Weiss and Mr. Waskiewicz.

Sponges of Animal Kingdom
Sponges were thought to be plant growths until the microscope revealed that they were really members of the animal kingdom.

NOTICE OF MORTGAGE SALE

Defaults having been made (and
such defaults having continued for
more than ninety days) in the condi-
tions of a certain mortgage made by
George H. Millage and Hazel D.
Millage, his wife, of the City of Ypsil-
anti, Washtenaw County, Michigan,
to HOME OWNERS' LOAN COR-
PORATION, a Corporation organized
under the laws of the United States
of America, dated May 4th, 1934, and
recorded in the office of the Register
of Deeds for Washtenaw County,
Michigan, on May 28th, 1934, in Liber
201 of Mortgages, on Page 442, and
said mortgage having elected under
the terms of said mortgage to declare
the entire principal and accrued in-
terest thereon due, which election it
does hereby exercise, pursuant to
which there is claimed to be due and
unpaid on said mortgage at the date
of this notice for principal and in-
terest the sum of Ten Thousand One
Hundred and Thirty-nine and 25/100's
Dollars (\$10,139.25) and no suit or
proceeding at law or in equity having
been instituted to recover the debt se-
cured by said mortgage or any part
thereof;

NOW, THEREFORE, by virtue of
the power of sale contained in said
mortgage and pursuant to the Stat-
utes of the State of Michigan in such
case made and provided, **NOTICE IS**
HEREBY GIVEN that on Saturday,
August 8th, 1936, at ten o'clock in the
forenoon, Eastern Standard Time, at
the southerly front door of the Court-
house in the City of Ann Arbor, Coun-
ty of Washtenaw, Michigan (that be-
ing the place of holding Circuit Court
in said County) said mortgage will be
foreclosed by a sale at public auction
to the highest bidder of the premises
described in said mortgage, or so
much thereof as may be necessary to
pay the amount due as aforesaid, and
any sum or sums which may be paid
by the undersigned at or before said
sale for taxes and/or insurance on
said premises, and all other sums paid
by the undersigned, with interest
thereon, pursuant to law and to the
terms of said mortgage; and all legal
costs, charges and expenses, including

an attorney's fee, which premises are
described as follows:

That certain piece or parcel of land
situated in the City of Ypsilanti,
County of Washtenaw, Michigan, more
particularly described as: A parcel
of land beginning at a point on the
west line of South Normal Street 297
feet south of the south line of Con-
gress Street; thence south along the
west line of South Normal Street, fifty-
eight feet; thence west parallel
with line of Congress Street, one hun-
dred forty-nine and thirty-nine hun-
dredths feet; thence north, fifty-
eight feet; thence east one hundred
forty-eight feet and fifty-five hun-
dredths feet to the place of beginning.
Also one-fifth undivided interest in
driveway described as follows: A par-
cel of land beginning at a point on
the east line of South Summit Street,
two hundred thirty-eight and eighty-
three hundredths feet south of the
south line of Congress Street; thence
easterly one hundred eighty-three and
seven-tenths feet; thence southerly
two hundred ninety-two and seven-
tenths feet; thence westerly eighteen
feet; thence northerly two hundred
sixty-six and ninety-eight hundredths
feet; thence northwesterly 12.62 feet;
thence westerly 158.98 feet; thence
northerly 15.65 feet to the place of
beginning in the City of Ypsilanti. It
is mutually agreed that this drive-
way shall be jointly and proportion-
ately maintained by the owners of the
property abutting on the east and in
case any of said owners fail to pay
their proportionate share of main-
taining and keeping in repair said
driveway, all right to the use of said
driveway is cancelled by said owner
so failing to pay his proportionate
share.
