## Poppy Day Will Be Observed Saturday

Poppy Day will be observed in Chelsea on Saturday, May 23, when memorial poppies to be worn in honor of the World War dead will be distributed throughout the village by the local American Legion Post and Auxiliary. The sale will be carried out by the Chelsea Boy Scouts, who will receive a percentage of the proceeds for their work. They will offer the flowers in the business district throughout the day.

Wearing a poppy is a personal tribute to the men who gave their lives in the country's service. By wearing a poppy on the coat on Poppy Day, all can show that they still remember and honor the sacrifices made for America during the World War. The paper flower is a replica of the poppy which bloomed on the battle fields where they fell and on Poppy Day it blooms again over the patriot hearts where they are remembered. The poppy was the one touch of beauty which survived in the devastated battle areas. It bloomed along the edge of the trenches, beneath the tangled barbed wire, about the gapping shell holes and among the fresh graves. The soldiers of all nations came to look upon it as the living symbol of the sacrifices of their dead comrades.

The poppies are made by disabled World War Veterans in government hospitals. The work is restricted to disabled veterans receiving little or no government compensation, with preference being given to those having families in need of their support. By means of the money earned in shaping this little flower, during the winter and spring months, many veterans' families are provided with food, shelter and clothing.

Wearing the poppy gives the wearer a part in the vast work carried out by the American Legion and Auxiliary for the war's living victims; the disabled, their families and the families of the dead.

In order that the local Legion Post and Auxiliary Unit may be able to meet the steadily increasing need in their local welfare activities, it is hoped they will receive a generous response to the poppy appeal.

## Village Council Has Busy Session Monday

A petition was presented to the village council at their meeting Monday evening asking that a street light be placed at the corner of North Main and Buchanan streets. The petition was accepted and action taken to have the light erected at once.

Another petition was presented asking for curb and apron on East street, from Park street south on west side to Orchard street and on east side of street from Park to Adams street. Favorable action was also taken on this petition and the work of installing the curb and apron was scheduled to start Wednesday.

It was voted by the council to include Harrison street in the black-topping program for this year. The other streets to be surfaced are East and Orchard.

President Harris appointed C. W. Maroney and L. T. Freeman as members of the Board of Review, which will meet next month.

An appropriation of \$150 was voted for the Chelsea Public Library.

## School Operetta Will Be Presented Friday

The high school operetta "And It Rained" is receiving finishing touches, both dramatic and musical, in preparation for presentation on May 22. With the leads picked from the best talent of the school, supported by a well-trained chorus and skillful tap dancers, all coordinated by the tireless efforts of Miss Boongaard and Miss Gibson, this entertainment promises to be the event of the season.

Who would have guessed the adventure that a bridge washout would bring to Dennis Black (Maurice Lyons), Maile Black (Jean Blecker), Millie Marie Caray (Angeline Burg) and her troupe of French dancing girls, Maibelle Rich (Jane Belsen), and John Rich (Ted Brueckner)?

Who would know that Maile Black (Jean Blecker) and the College Boys who go by the names of Curley Rich (Os Hart), Jack (Harry Blecker), and Fred (Harley Prudden), would be detained by the same circumstances?

And who could possibly devise the complication that the meeting of the two parties at the Wise Hotel, run by Mr. Wise (Muts Brueckner) and Mrs. Wise (Jean Dancer) would bring about? Indeed a clever, new, and daring plot.

La Rue Wolf is exerting the best of her talent in the work of accompaniment and her sympathetic rendition of the piano part is obviously one of the highlights of the performance. Betty Fletcher's work as director of the tap dancing which compares favorably with that of a professional, is also deserving of the highest commendation. Further assistance has been freely given by the fourth, fifth and sixth grades in the matter of ticket sales.

The people of Chelsea are indeed fortunate to have the opportunity of witnessing such an outstanding performance, which will undoubtedly eclipse any similar entertainment before presented in this vicinity.

HANSELMAN-EISEMANN  
The marriage of Mrs. Laura Hanselman of Lima township and Emanuel M. Eismann of Chelsea took place Saturday evening, May 16 at the home of Mr. and Mrs. Fred E. Reichert. Only Mr. and Mrs. Reichert witnessed the ceremony, which was performed by Rev. P. H. Grabowski. Mr. and Mrs. Eismann spent the week-end with relatives in Clinton. They will make their home with the bride's mother, Mrs. Sherman Pierce in Lima township.

TIN DOOLITTLE DELAYED  
Because of unavoidable circumstances the appearance of Tim Doolittle in Chelsea has been postponed until Tuesday, June 2. The date as advertised last week was originally set for May 26. The appearance of Tim and his Time Center Gang here is being sponsored by the Chelsea Kiwanis club, the proceeds to be used for Boy Scout work and for underprivileged child work which is carried on by the club.

POPPIES glowing on every coat on Poppy Day will show that we still remember and honor the supreme sacrifice our war dead made for America. Adv.

## Village To Petition for Mail Delivery

Because of many requests from local residents asking that some action be taken to procure free mail delivery for Chelsea, the village council has taken action whereby names will be secured on petitions which will be sent to proper postal authorities, asking for this service.

Village authorities state that they are not trying to force the issue for free delivery, but are merely having the petitions circulated as a service which has been asked by so many citizens.

The petitions, which will be taken from house to house within the next few days for signatures, read as follows:

"We, the undersigned residents of Chelsea, Michigan, respectfully request that the postal service therein be extended to include free house to house delivery, which we believe is warranted because of the size of the community, the volume of business handled by the local post office and that such service would be in keeping with the improved postal facilities provided by the construction of a postal building."

## Legion Forms New Social Organization

Paul C. Maroney, District Commander of the American Legion, called a meeting last Thursday night in Ann Arbor of all the Legion Post Commanders and Adjutants. Towns represented were Chelsea, Ann Arbor, Dexter, Milan, Manchester, Saline and Ypsilanti.

Fred Knipp, who is Legion County Commander, represented Ypsilanti, and appointed N. B. Bliss of Milan Adjutant of the new social organization which was formed at this meeting. This organization, known as the Washtenaw County Council of the American Legion, was formed to promote greater social activity among the Washtenaw County Posts of the Legion.

The next business meetings of the organization will be held in Ann Arbor on May 30 and June 9, and are open to all Legionnaires.

The first social gathering under the new organization will be a basketball, picnic, baseball, swimming, etc., at Mannie Sot's, Pleasant Lake, on Sunday, June 21. This is to be a huge get-together for all Legionnaires and their families.

Chelsea was represented at the meeting by Paul Maroney, C. O. Bahamiller and John O'Hara.

## PROCLAMATION

Saturday, May 23, was designated as Poppy Day in a proclamation issued today by President Roy Harris. The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of the World War dead. It stated:

"When the United States was plunged into the World War in 1917, the Village of Chelsea responded to the nation's call in a spirit of exalted patriotism. The citizens of the Village offered their efforts and their means in the nation's defense, serving and sacrificing in the national cause. The Village of Chelsea holds in proud memory its part in the great national effort which brought victorious peace in 1918.

"Many of our young men were called into the armed services and some of them were called upon to sacrifice their lives in that service, dying with thousands of other brave young Americans upon the battle fields of France. There, over their graves, a little flower sprang up and bloomed, nature's tribute to the heroic dead. It was the poppy; and their comrades ask Americans to wear a poppy in their memory, one day of each year. On Saturday, May 23, The American Legion and the American Legion Auxiliary will distribute these memorial poppies in our Village.

"Therefore, I, President of the Village of Chelsea, do hereby proclaim Saturday, May 23, to be Poppy Day in the Village of Chelsea, and I urge all citizens to observe the day by wearing the memorial poppy in order that the inspiring memory of those who made the highest patriotic sacrifice during the war may be recalled to every mind.

Roy Harris, President."

Jesus passing, he began to cry out  
and say:"Jesus tho' son of David, have mercy  
on me"—and many charged him  
that he should hold his peace,  
But he cried the more, a great deal,  
And Jesus stood still—  
And they called the blind man, saying  
unto him,"Be of good comfort, he calleth thee,  
And Jesus said unto him, go thy way,  
Thy faith hath made thee whole,  
And immediately he received his sight  
and followed Jesus.So, whither on the hill tops highland

Or in the sightless valleys where

What matters, He is there, and more

He gives to me no helpless broken

But His own hand sufficient for my

Why in His wisdom He hath led me

**HOWELL**—During the thunderstorm Monday afternoon, one of the spires on the First Presbyterian church was struck, causing the cross and several stones to fall to the ground.—Republican-Press.

**WAYNE**—An ancient automobile, considered to be the grand-daddy of them all, was recently brought to the attention of the Department of State at Lansing. Last week brought a request for a title and license for one of the oldest cars in the Department of State records, so far as veteran clerks can recall. A Detroit firm applied for a certificate of title and 1936 plates for a 1903 touring car that had been purchased from a Detroit citizen. It had not been licensed for the past 20 years, and no certificate of title had ever been issued for the car. The state's title law went into effect in 1921.—County Review.

The solid steel "Turret-Top" Bodies are the safest money can buy. And this big eight has delivered, under official supervision, 22 miles per gallon. Look around before you buy your eight. Get all the facts. You'll come back to Pontiac convinced that it's the best buy of them all!

## Centennial News Again

I think everyone will be interested to know that an article describing the preparations and results of the Centennial celebration held at Chelsea, High was published in the Michigan Education Journal, through the efforts of Mr. Leon Waskiewicz. Mr. Waskiewicz, civics teacher, collected all the data concerning the work and cooperation of pupils and parents in the preparation of the celebration and wrote it into an interesting article which appeared in the April issue of the magazine. Two pictures were also printed. They were those taken of the early and the modern farms.

### Kindergarten

We are very sorry to hear that Beverly Hale has to stay in bed at the South Side hospital for several weeks. Miss Baumgard went to see him and found him to be resting quite well. We are going to write Beverly a letter.

Last Saturday was David Long's birthday. He had a party on Friday and invited all the kindergartners.

Monday is Junior's birthday. We hear he has a surprise for us.

Several kindergartners have been lunch by those attending. They make our

room look very pretty. Our garden is growing very nicely.

First Grade

We went for a train ride Wednesday, May 13. We went to Ann Arbor. Five children from St. Mary's went too. Mrs. Burg and Mrs. Merkel went with us. We came back to Chelsea on the next train. It cost 25¢ round trip.

These are some of the things we saw: Other trains, an engine, a river, a big oil tank, a farm, the Dexter depot, the Ann Arbor depot, the observation porch, some tulips, the signals, a cord to stop the train, a boat, a Pullman car, the couplings, a bridge, a dam, a colored porter, a bathroom, a box with paper cups in.

We made stories about our ride. Miss Yager put them on charts for us.

This is Thelma-Hills story:

"I saw a hand car."

It was at Dexter.

My daddy has a hand car.

He uses it for signal trouble."

We have many more stories but you will have to come to school to read them.

Second Grade

Jack brought us another frog to add to our collection. Our pollywogs are growing nicely.

Barbara Eaton is absent, taking care of her vaccinated arm.

Edward Koch is now attending the parochial school in the morning. We miss him.

Anne Lambertson of Jackson spent Monday with us.

Group one is finishing the book "The Friendly Village." It is the most attractive book we have ever read and we are almost sorry to complete it.

Fourth Grade

Twenty-three people have joined the Audubon Bird Society. We received stories about "The Goldfish," "Ruby-Throated Humming Bird," "Canvas Back Duck," "Blue Bird," "Red Shouldered Hawk" and "The Belted Kingfisher." We got a pin and a colored picture and a picture to color of each of the birds named.

Robert Eaton planned an interesting geography class for us. His aunt, who has visited Switzerland sent him some pictures, stamps, post cards and money from Switzerland and Robert told us about them.

Mrs. E. Miller, Virginia's mother, was a visitor in our room Thursday and Madeline Rowe visited us Friday.

We have had many pretty bouquets of lilacs, tulips, honeysuckle and other spring flowers brought by the boys and girls. They help to make our room attractive.

A beautiful polyphemus moth emerged from the cocoon Eugene brought last week, one emerged from the cocoon Elaine had brought and today we had a beautiful cecropia from the cocoon Eugene Aldrich had brought.

Reynolds was interested in a story we had in our last "Weekly Reader" about cables. He brought one to show us which contained 12,000 wires covered with lead.

Our aquarium has been cleaned by Walter and Reynolds and looks very good again.

We went for a walk last week and saw a magnolia tree, a tulip tree, a wren building a nest and many cultivated flowers.

Eva Harris brought us some bird pictures to add to our collection.

Esther brought us a pretty bouquet from the woods. She had trilliums, wild phlox, violets, Jack-in-the-pulpit, wild geraniums, and bishop's cap.

We took some tests in Arithmetic problems: reading, language, and Arithmetic stories. We are anxious to compare the results of these with the tests we took last September.

Carlton brought a jug-handle-pupae to school. This is the pupae of the green katana worm found in our garden. He also brought a baby robin which he found in the road. We kept it until recess and after several attempts at flying it flew away.

Our Michigan State Library books have been returned. We had fifteen books which we have had since September to enjoy. Esther, Mary and Elaine wrapped them and sent them back Wednesday.

Philip is back with us. He told us about his trip to North Carolina.

Today is Barbara's birthday.

We are sorry that James Barkley is still unable to return to school.

Our new unit in Arithmetic is denominating numbers, which we will finish this week.

We have finished our unit in Geography on our National Parks. The big map made by the class and directed by Delores Schanz and Doris Parsons has been a great help in our study of these parks.

We have enjoyed our Weekly Readers very much. They have kept us informed on worthwhile world events as well as furnishing very interesting reading material. Several girls and boys will take them during the summer months at their own expense.

We assembled all our copies on Friday and put them in our folio which we made to take home and keep.

During Art this week, we have made book covers for our History notes, also some for Geography.

Edwin Gaunt contributed the use of his baskets for the flowers which we have been making for the May Pole dance and other decorations.
