### Wedding Solemnized at H. E. Foster Home

The home of Mr. and Mrs. Harry E. Foster on Jefferson St. was the scene of a pretty wedding on Saturday evening, when Miss Betty Phyllis Murray, daughter of Charles Murray of Detroit, became the bride of their eldest son, LaVerne Harry Foster, at a ceremony performed at 8 o'clock by Rev. Fred D. Mumby in the presence of about 100 guests.

A gown of white satin was chosen by Miss Murray for her wedding, with which she wore a tiara of white roses with silver leaves and carried an arm bouquet of bridal roses.

Attending the bride as maid of honor was Miss Katherine Hanson of Detroit, who was attired in Nile green chiffon and wore a corsage of Tallman roses and sweet peas. Miss Jean Murray attended her sister as bridesmaid, wearing a dress of pink chiffon and a corsage of rapture roses and sweet peas.

Dudley Foster, brother of the groom, served as best man and the usher was Duncan Brauer of Detroit. Virginia Murray of Chicago, sister of the bride, was ring-bearer and little Jana Lou Weinberg, as flower girl, carried a basket of pink sweet peas.

The bridal party, entering to the strains of Lohengrin's bridal chorus, played by Mrs. Jay E. Weinberg, stood before the bay window in the living room, which was decorated with urns of pink snapdragons.

Following the ceremony refreshments were served. The table was centered with a spiral bouquet of snapdragons interspersed with tapers in pastel shades.

The guests included Mr. and Mrs. Charles Frantz of Chicago, Dr. and Mrs. Stanley Colby of Monroe, Mr. and Mrs. Richard Haskell of Flint, Mr. and Mrs. Olin Claire and daughter Sandra of Pontiac, Mr. and Mrs. Ray Finch and son Robert of Ferndale, Mr. and Mrs. Andrew Murray of Berkeley, Mr. and Mrs. George Rowe, sons Edgar and Lee of Hudson, Mr. and Mrs. John A. Palmer of Kalamazoo, and Misses Izora and Doris Foster of Wyandotte; from Detroit were the bride's father, Charles Murray and his sons, Jack and Charles, also Dr. and Mrs. William Cobb, Mr. and Mrs. Robert Haskell, Jack Kelly and daughters, Betty and Florence, Mr. and Mrs. Arthur C. Brauer, Mr. and Mrs. Alden Bush, Mr. and Mrs. Frank Murray, Mr. and Mrs. Joseph Red-eyer, Mr. and Mrs. Leroy McDermott and son Ward, Mr. and Mrs. Earl Foster, Mr. and Mrs. Albert Foster, Mr. and Mrs. Leland Foster and daughter Betty, Mr. and Mrs. Mark Griffin, Mrs. Marie Purchase and daughter Mary, Mrs. William Bush, the Misses Rita Braun, Margaret Painter, Betty Potter and Genevieve Boerner, Edwin DeVine, Robert Boerner, Robert Kane, Joseph Murphy, Howard Smith, Robert Shepherd and Frank Haskell.

The groom, who is a graduate of Chelsea high school, class of 1929, is drafting engineer at the plant of the Packard Motor Car Co. Mr. and Mrs. Foster will make their home at 1935 Burlingame Ave., Detroit.

### GRANGE HOLDS MEETING

Lafayette Grange held their regular monthly meeting on Thursday evening at Grange hall, Lima Center. This meeting marked the closing of the contest between the East Side and West Side, which was won by the former with a majority of 250 points. The losers will later entertain the winners. After the business session roll call was answered with miscellaneous quotations and the following readings were given, interspersed with community singing:

Preamble to the Constitution—G. T. English.  
Decorating the Home—Mrs. George English.  
Poem—The Windmill—Neil Beach.

A pot luck supper was served at the close of the meeting.

### CENTRAL FIBRE ADDS UNIT

A new production unit, which will add 5000 pounds daily to their output, was installed at the Chelsea plant of the Central Fibre Products Co. on Saturday. Operation of the new unit was started on Monday. This local plant is operating night and day in order to meet the large demand for their products. They have 13 men on the payroll at the present time. The other unit of the company is located in Detroit.

### WIN EUCHRE TOURNAMENT

At the play-off games in the fraternal euchre party tournament, held Thursday evening at Masonic hall, the Masons won the cup. They have won the cup twice in succession, which gives them permanent possession of the prize. The Eastern Star served supper to about fifty.

### BIG CROP OF LAMBS!

Records are being broken at the Downer farm nowadays. They have approximately 300 lambs from 200 ewes. Among this number are six sets of triplets and the twins are so numerous they have lost count of them. Forty-six lambs were born in 24 hours.

### CHIEF OPERATOR RESIGNS

Miss Clara Hutzel, who since 1913 has been chief operator at the local telephone exchange, has resigned the position and will be succeeded by Mrs. Gladys Klumpp. Miss Hutzel has taken a position as switch board operator.

### ENTERTAINS CLASSMATES

Misses Esther Theurer, Frieda Floegel and Lucille Jetter of Ann Arbor, University classmates of Mrs. James Hendley, were entertained at a dessert bridge party Monday evening at her home on East Middle street.

### ATTEND ASS'N MEETING

Rev. Ray W. Barber, Mrs. Barber, Mrs. J. W. Van Riper and Mrs. Elmer Lindemann were in Clinton on Wednesday to attend the spring meeting of the Jackson Association of Congregational and Christian churches which was held in the Congregational church.

### The Waterloo Project

By Frank R. Coburn  
Acting Project Manager  
National Park Service

Engineering  
Previous articles have dealt with general information, landscape work and the architectural features of the Waterloo Project. This article will deal briefly with the engineering phase.

The Waterloo Project Area is classified by land experts as submarginal land. The scope of this article does not permit going into definitions of submarginal land, reasons for the choice of this area for a National Recreational Demonstration Project, nor the economics and policies of the activities on the project, except insofar as they serve to explain the apparent dissimilarity of the Government policies and aims, from those of the individual land owner in this area.

It is good economics for an individual to drain his swamps, lower lake levels, cut down timber, and clear woods to make a farm which bears fruit with difficulty as productive and fertile as possible. But it becomes just as economical, desirable, and wise when the State or Federal Government controls the land to restore swamps, conserve woods, protect wild life, stop and prevent erosion by intelligent planting of steep slopes and unproductive land, and raise lakes to their natural levels. The restoring of lake levels raises the water table, replenishes and conserves the ground water supply, and the precipitation falling on the area is retarded in its swift course down and away from the fields.

Every activity on the Waterloo Project is directed toward two major objectives: first, saving the area from further destruction of Nature's plan and effecting as many as possible of the scars left by man; second, to make the area accessible and enjoyable to as many persons as possible.

The first objective will be accomplished as has already been stated by stopping erosion, restoring lake levels, and reforesting; the second, by improving roads, building foot paths, and providing sanitary, completely equipped, recreational and instructive organized camps and camping facilities.

The last article in this paper described the building plan of an organized camp. Since these camps in reality are similar to a small com-

### County Supervisors Hold April Meeting

An organization meeting of the Washtenaw county board of supervisors, which was held Tuesday in the court house, showed 19 Republican and 13 Democrat supervisors, a gain of one Democrat over last year. Albert Trinkle, Republican supervisor, of Selo township, was elected chairman of the board, and Carl Mast, Republican supervisor of Webster township, vice-chairman.

A tentative budget of \$327,320 for the next fiscal year was submitted to the board, which is an increase of \$31,150 over the approved budget for last year. If the budget passes unchanged, the mill tax rate, based on the equalized valuations of 1936, would be 4.684 mills for the county, as compared with the mill rate of 4.289 allowed last year.

H. D. Reed, county auditor, believed the items could be trimmed somewhat, and the budget was referred to a committee.

A resolution was adopted requesting Washtenaw state legislators to vote for house bill No. 227, which is intended to return control over relief expenditures to local authorities.

### EXTINGUISH GRASS FIRE

The county pumper was called to the farm of J. H. Boyd on Tuesday afternoon to extinguish a grass fire. It is not known how the fire started, but when discovered it had burned half way through the orchard. Due to the efforts of the fire department, neighbors, friends and passing motorists the buildings were saved. Mr. and Mrs. Boyd are hoping the trees are not injured. Due to the high wind the fire burned low to the ground.

A still alarm called the fire department to the dumping ground on North Main street early Tuesday evening to put out a fire which had burned on the dump a good share of the day.

### CLOSE YEAR'S ACTIVITIES

The East Lima Home Economics club closed the year's activities with an all day meeting on Wednesday, April 7, at the home of Mrs. Frank Smith. All of the members were present, also two visitors, including Mrs. Russell, 4-H club leader of Ann Arbor. A cooperative dinner was served at noon. Finished and unfinished rugs were displayed by the members after which arrangements were made to attend Achievement Day, to be held Saturday, May 15 in Ann Arbor.

Officers chosen for the coming year are: Chairman, Mrs. Eugene Lindemann; secretary-treasurer, Mrs. Herman Hashley; leaders, Mrs. Emil Ruhlig, Mrs. Horace Pettibone. Plans were made for a picnic to be held during the summer months.

### STUDY CLUB MEETS

The Child Study club met Tuesday evening at the home of Mrs. Jess Miller. Twenty-one members and three guests were present. Following a short business meeting Mrs. Florence Howlett gave an interesting talk on school problems relative to the home. This was conducted as a question box, each member having handed in written questions at a previous meeting relative to this subject. The hostess served dainty refreshments and a social hour followed. The annual meeting of the club will be held April 27 at the home of Mrs. A. W. Wilkinson.

### HONOR RETIRING SKIPPER

W. E. Riemenschneider, retiring skipper of the local Sea Scouts, was honor guest at a party given Monday evening at Dr. A. L. Brock's hall, with 23 officers and members in attendance. A pot luck supper was enjoyed and later games were played. In behalf of the Scouts, Dr. Brock presented Mr. Riemenschneider with a gift as an appreciation of his three years' service as skipper.

### KIWANIS OFFICIAL HERE

Frank Hutchinson of Wayne, Lieutenant Governor of the Sixth Division, Michigan District Kiwanis International, attended the meeting of the local Kiwanis club on Monday evening. Mr. Hutchinson gave a report on conditions of clubs in his district and told of the gain in membership and activities which has been made so far this year.

### WILL UNIFORM BAND

Parents of Chelsea public school music students are requested to meet with Mr. Hargreaves at 7:30 p. m. on Monday, April 19, in room 12 of the high school building. Plans are to be made for uniforming the band in preparation for the Huron Valley League Band Festival to be held in Belleville on Tuesday, May 4.

### CARD OF THANKS

I wish to express my sincere thanks and appreciation of the many acts of kindness shown me while in the hospital.  
Sydney Leeman.

(Continued from page one)

munity, all of the necessary facilities to which we have become accustomed are provided to make camping enjoyable.

In the two organized camps now under construction, in camps planned and to be built in the future, and in the trailer and tent camp for the general public that has been planned at Portage Lake, complete sewage disposal plants of the type approved by the Michigan Department of Health are being built. These sewer systems consist of collecting sewers, settling and flush tanks, and tile seepage beds placed underground in such a manner that they cannot give off odors, are out of sight, and cannot contaminate the ground water supply.

Water is provided by deep wells, usually two or three hundred feet deep, and distributing cast iron pipe systems. The water is pumped from the deep wells into concrete underground reservoirs which provide a cool and safe supply of drinking water. All wells and water are tested and approved by the Michigan Department of Health.

Fire protection is provided by a combination of water supply through hydrants and the placing of buildings at a sufficient distance from each other so that no conflagration can occur.

Electric service is obtained by underground electric systems which do away with the unsightliness and danger of overhead wires and poles.

A start has been made on an extensive program of road improvement throughout the project area. This work consists of the improvement of alignment, grades, ditches, slopes and the elimination of blind corners to conform with the latest standards in

road design and to meet the requirements of modern traffic for smoother and safer roads.

A fish rearing pond covering seven-acre has been built near Portage Lake and will be put into service this year. Additional rearing ponds are planned in the future to provide a means of stocking the twenty-seven lakes within the Waterloo Area.

In connection with all structures preliminary and construction surveys are made and topographic maps are drawn to represent the true and latest condition of the ground so that there can be no uncertainty regarding the location and soil condition.

To plan the construction of camps relief maps of the camp sites and surrounding grounds are made in order to study the best location and arrangement of buildings from an actual working model of the ground.

All work is planned and conducted in such a way as to be of distinct benefit to everyone in this vicinity.

The improvement of roads, and the many thousands of people that will be attracted to the Waterloo Area will be a direct benefit to both land owner and merchant in Chelsea and surrounding communities.

The next article will deal with the wild life program.

**GET UP NIGHTS DUE TO BLADDER IRRITATION?**

It's not normal. It's nature's "Danger Signal". Make this 25c test. Use buchu leaves, juniper oil, and 6 other drugs, made into little green tablets called Bukets. Flush out excess acids and impurities. Excess acids can cause irritation resulting in getting up nights, scanty flow, frequent desire, burning, backache, and leg pains. Just say Bukets to your druggist. In four days if not pleased your 25c will be refunded. J. V. Burg, Druggist. Adv.

**CHANGE MOTOR OIL... MAKE IT ISO-VIS "D"**

YOUR STANDARD OIL DEALER IS THE "DOCTOR"

Just as you start drawing pretty heavily on your own physical reserves this time of year, after months of sunlessness and cold, so does your car begin to use itself up more rapidly—unless you give it this timely tonic: Drain and change motor oil!

No matter how good the oil was when you put it in—or how many quarts you have added since—if you've been driving all winter without draining and flushing the crankcase, chances are you're wearing out your motor with dirty oil.

Your car knows—it can feel it in its bearings—and now's the time, before you get into the heavy summer driving season, to prevent costly motor troubles which are bound to come if you're forgetful about your motor oil. Change grades for the warmer temperatures. Make it long-lasting Iso-Vis "D."

## Confidentially - -

Well—it seems that the blond sophomore girl and that "curly-headed" junior boy are still "that way" about each other.

Rumors have it that one of the leading ladies in the junior play is displaying her charms toward her leading man. Go to it, Nell!

I've been wondering what induced Rolly to take dancing lessons. Can it be Janet?

What unknown power is keeping "Onie" on the wagon until his next birthday? Happy birthday, Onie.

I guess it takes a 4-door model T to keep the girls wondering. Right, Jenny?

Frankly speaking, I've heard that those two prominent junior football players have been corresponding with a "certain somebody" in Columbus, O.

### Do the Teachers Try to Help Us?

Occasionally you hear someone say "I will never get a good mark in a certain subject because the teacher of that subject does not like or has it in for me." Now that is not true, for the teachers try to mark fairly, regardless of their likes or dislikes. And perhaps it is our fault the teacher has a dislike for us. Maybe we come to class without our lesson and don't take part in the class discussion or do take part in discussions that does not concern the class.

The teacher comes at the beginning of the year with high hopes of teaching the pupils a lot. At the end of the first semester he is losing hope and when the year is three quarters over the teacher has lost practically all hope, because some don't care and don't let those that do care do anything. At that time the teacher begins to think he doesn't care if we learn or not, and can you blame him? He has done all he can with hardly any results. So don't blame the teacher when he or she is cross; probably it is our fault. Now let's do our part and I am sure they will do theirs.

## Spring Has Come

Spring has come to us, To fill us all with cheer, And conquer old man winter With his cold, snow-and-wind.

It has come to warm the land From its long lasting chill, To start the green things anew In their color making and beauty.

Buds on plants will grow 'Till they form full bloomed blossom, To call the bees and insect life On their course of work and play.

The sun will cover with light Our lands which have been so long Under a cloak of greyness and plight, Undetermined with cold and snow.

The creeks and brooks to start On their twinkling circling route, Toward larger and faster rivers Where they add their bit to its depth.

The trees will soon turn green With leaves forming shady nooks, And grass will grow tall and rippling To cover the air with their bellowing beauty.

Its spirit will fill us all With joy and glowing cheer, And show the world far and near That Spring at last is here.

—By Charles Winans.

## Elementary News

### Kindergarten

We have a new kindergartener. Her name is Aurorje Proctor. We are glad to have her with us. Now we have 35 children in our group.

We all had a very nice vacation, but we were happy to get back to school. Thank you, Mr. Gentner, for cleaning our room. We have rearranged it and it looks very attractive.

Monday we were all here but Bobbie Merkel. We hope he will return so we can have a perfect attendance.

### Second Grade

Vacation is over! But we all had such a nice time. We're glad to begin our work once again. Everyone is present this Monday morning.

Marceline Hinderer went to Manchester; Douglas Hoppe went to Ann Arbor; Robert Oesterle went to Jackson; George Leigh Palmer went to Detroit; Paul Schmale went to Grand Rapids; Robert Sigwell went to Ann Arbor.

Patty Hopper had a birthday on the 4th of April. She is now eight years old.

Ray Knickerbocker started raising some little chickens. He is going to make a business of it.

Mrs. Dancer spent the week in Milwaukee, Wis. She had a very nice time.

### Third Grade

We all had a splendid vacation but are glad to be back.

Edward went fishing. June played with the lambs and little pigs on her grandfather's farm.

Marion brought three rabbits from Manchester. Bobby saw a good stage show in Adrian. Flora went on a pussy-willow hunt. Anne spent the week in Milwaukee where she saw many interesting sights.

Audrey and Robert F. were in Detroit. Robert had fun climbing the windmill on his aunt's farm.

Charles says he helped the North street ball team beat the Dewey Avenue team. Myra stayed home and took care of her baby brother, Barbara E. visited in Yale. Betty watched Chelsea bowl while in Ann Arbor.

Myra has won the spell-down for the last four weeks. She can spell fifth-grade words.

We are working hard in all our subjects, to make our next vacation come more quickly.

### Fifth Grade

Everybody is happy to get back and what a fine clean school building, thanks to Mr. Gentner.

We are sorry to lose Bessie Rudd, who has moved to Plymouth, Ohio.

We are glad to announce that Eva Harris has won the highest honors in Citizenship.

Esther Riemenschneider gave us an

interesting book report on Marco Polo. We are studying about him in our new history books just now. We were all so interested that we wanted to read it ourselves, but since we have but one copy in our public library, Mrs. Stelner is reading it to us.

Joyce Foster has charge of all the English test duplication.

Those who contributed to our musical program in Miss Boomgaard's room on Tuesday were as follows: Eleanor Harper, Mary Christwell, Eva Harris, Richard Kuhnhammer and Joyce Foster—Piano solos.

Coronet solo—Raymond Parsons. Saxophone and accordion duet—Richard Foor and Robert Eaton.

Tap dancing—Eleanor Schmidt, Elaine Schmidt and Constance Coburn. Saxophone solo by request—Richard Foor.

The committee who prepared the program was: Chairman, Richard Foor, and Robert Eaton and Eugene Townsend.

### Sixth Grade

We went on a field trip Friday, April 2. We went to the depot to send a telegram and then expressed Oscar to the Kellogg Bird Sanctuary near Augusta, Mich. We are very sorry to part with him and if you ever go to the Kellogg Bird Sanctuary we wish you would call on Oscar and then tell us about him. From this work we learned a lot about expressing packages and sending telegrams.

Miss Canfield passed out maps to us, showing us the way to the Kellogg Bird Sanctuary at Gull Lake, near Augusta. So if you live near any sixth grader you could stop in and see how to get there.

Most of us had a nice vacation. We wish it was longer.

Mr. Bleeker got 20 new books for our grade. The names of them are "Our America." Thank you, Mr. Bleeker.

We have a new leaflet from the Audubon Society. It is about the barn owl.

In our last language test the ones who got A or A—on their paper were put on the board. The pupils were Dick S., Doris P., Caroline B., Margaret K., Janet May, Bobby Stricker, Billie Osborne, Luther Kusterer.

Betty Rudd moved to Plymouth, O. Clayton Myers moved to Jackson. We miss them very much but we hope they like their new home. Now we have only 31 pupils left.

We had our floor cleaned during vacation and are going to keep it clean.

## OUR NEIGHBORS

MASON—Canning was temporarily suspended at the Wilson Packing Company plant in Mason Tuesday night. George Voss, general manager from the Jackson headquarters, was in Mason Tuesday and said that canning would probably be halted for about six weeks while barrel orders are being filled. After barrel orders are filled the balance of the krait in the vats will be cooked and canned. In all, the Mason plant will have canned about 10,000 cases this season. Mr. Voss reported. The canning equipment has worked out to advantage. Mr. Voss said. Prospects for 1937 are bright. Contracts for cucumbers and cabbage cover the normal acreage for the Mason plant.—County News.

PINCKNEY—Several thefts have been reported in this section of late. A man and woman drove into Earl Baughn's gravel pit at the Bluffs, Portage Lake, one day last week in the day time and took a scraper and harrow with tractor attachments from there. They were seen leaving with the implements tied to the car bumper and running board but had a bag tied over their license plates. The couple were young and had a sedan with red wheels. As this took place in Wahtenaw county Sheriff Andreas at Ann Arbor was notified. Someone broke into the Messerschmidt farm recently and took about \$75 worth of farming articles. The place is vacant as the family have been living in Pinckney this winter. Car tracks near the house could be seen. This farm was formerly the Koltz or Win. Docking farm.—Dispatch.

NORTHVILLE—Believe it or not, there will be no taxes assessed in Northville township for the coming year. This very unusual condition was brought about by the accumulation of a surplus in the several funds of the township, over a period of years and upon the recommendation of Supervisor W. A. Ely. He advised that no taxes be spread and that the costs of operating the affairs of the township be taken from the surplus amounting to \$14,055.12. This surplus has accumulated from several sources—delinquent taxes and extra sums received over and above the yearly estimates in several of the funds. It was estimated that the welfare fund would require \$3,500 to be taken from the surplus. After some discussion it was voted to appropriate the sum of \$700 to the Boy Scout fund, that being the amount of the balance in that particular fund. The question of improving the basement under the library building was presented and it was unanimously voted to expend a sum not in excess of \$1,000 for excavating and making the basement as near fireproof as possible. Other estimated expenses for the township will bring the total expenses to about \$11,000.00, leaving a balance in the several funds amounting to approximately \$5,655.00.—Record.

## THE BRIDEGROOM OF MY HEART

I would that I might have the power A respiring mind and soul, To write a line, a verse, a book, That echoed through the whole; A praise, a wondrous praise to Christ In volume never written, That man or Angel never spoke In earth, or sea, or heaven! (Isa. 9:16)

Of Christ the wonderful God, "Only begotten Son" (Jno. 3:16) Who died and rose again for me, That thou and I be one;

O mystery of mysteries, O holy one most high, No one-but thou couldst break the seal (Rev. 5:5-10) That brought salvation nigh.

All glory to thy holy name (Rev. 5:10) The Christ of God thou art, From innermost to uttermost, Blest bridegroom of my heart.

—Arthur Carlton.

MANCHESTER—Julius J. Wuerthner, native of Manchester, brother of Carl and Gust Wuerthner of this village, was elected mayor of Great Falls, Mont., Monday, by a large majority. Julius telegraphed his brothers on Tuesday morning that "Cantor now has nothing on me. From now on address me as Burgomeister." Great Falls is a thriving city of some 35,000 and Julius is the first Republican mayor there in some dozen years.—Enterprise.

CELEBRATE BIRTHDAYS Mr. and Mrs. E. E. Heininger had as their guests on Sunday, Rev. and Mrs. H. W. Lenz. The occasion celebrated the birthdays of Mrs. Lenz and Mrs. Heininger. The table decorations were in yellow and white and a delicious three course dinner was served. A feature of the dinner was two lovely birthday cakes made by Miss Harriet Heininger.

## The 20th of the Month will Soon be Here Again

Pay your Electric and Water bill by that date and reduce your electric bill 15 per cent - - or if you owe more than the present month you will have to pay 10 per cent of back bills to get your discount!

Electricity, nature's great boon to mankind, has been made available everywhere and translated through appliances in useful application, at constantly lower prices, to an ever-increasing number of homes, in new and better ways.

We have only started on what we call our "load building" job. Incidentally, those two words themselves which we use continually, express the selfish viewpoint. What does the consumer, the public, care about "load building"? We should call it raising living standards!

## Spirit of Service

A SERVICE that is vital to public welfare puts a special responsibility on those who supply it. Many workers recognize such an obligation. And they include the 8500 men and women behind your telephone in Michigan.

Time and again telephone employees have shown self-sacrifice in the public interest, have faced danger with courage and perseverance. The operator choosing to stay at her switchboard during fire or flood; the plant man maintaining circuits in a heavy storm—their devotion to duty has become a tradition.

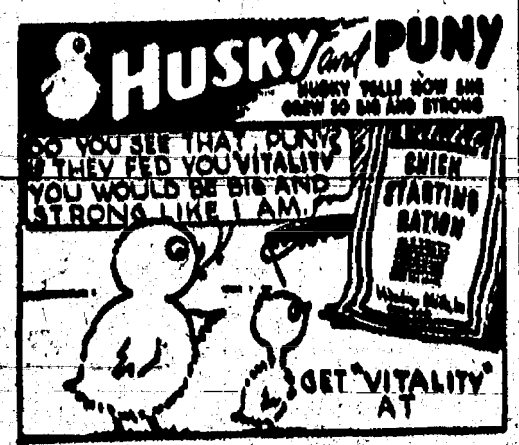

Emergencies bring them to your attention, but their spirit of service is in effect day and night, week in and week out. They know the public importance of their work. And they do it well—with skill, promptness and courtesy. Without that spirit, Michigan would not have the kind of service it is getting today—as fine telephone service as there is available anywhere in the world.

## METHODIST EPISCOPAL

Rev. Frederick D. Mumby, Pastor

Mrs. P. M. Brosamle, Organist

Morning worship at 10:00. Anthem. Junior Choir. Sermon by the pastor. "The Rose of Sharon." Come and worship.  
Sunday school at 11:15. "Suffer the Little Children to Come."  
Epworth League at 6:30. Leader, Ruth Boyce.  
Evening worship at 7:30. Song service. "The Great Creator."  
Fellowship club Tuesday evening, April 20. Final meeting.

On Sunday, April 11, Dr. William E. Harrison, Superintendent of the Ann Arbor District, preached the morning sermon from the text: "In Thy Light Shall We See Light," before a large and appreciative audience, and visited the departments of the Sunday school, speaking briefly in each.

On Monday evening about seventy official members and friends sat down to a fine pot luck dinner at 6:30.

The annual business meeting was called to order about 7:30 by Dr. Harrison and reports were read by the presidents of departments and chairmen of committees, and by the pastor.

After the reading of the reports showing a healthy state of all organizations such as the Sunday school, Epworth League, Fellowship club, Women's Home Missionary Society, Ladies' Aid Society, etc., the nominating committee presented its report which was adopted unanimously and the officers were elected for the year 1937-8. George McClure, Jr. is the new Recorder.

The Trustees' Board reported the property in good condition and several improvements to the property and equipment during the year which included a new heating plant and stoker costing \$900.00.

The finance committee recommended the adoption of a budget of \$2550 for the coming year for expenditure locally; this includes a raise for the pastor who is just beginning his fourth year of service in Chelsea.

The world service committee approved benevolences for others in the amount of \$1200. This brings the total amount necessary for the maintenance of our program to \$3750 for 1937-8.

John Fischer was elected lay delegate to the annual conference for three years and P. M. Brosamle was elected alternate. The conference will meet in Marquette on June 23 of this present year.

The meeting closed with a devotional period conducted by Dr. W. E. Harrison, based on the eighth chapter of Romans.

## CONGREGATIONAL CHURCH

Rev. Ray W. Barber, Pastor

The minister had the great privilege of speaking to the friends out at the Home on Sunday morning. The subject of the short talk was "Casting Our Anchors." A fine breakfast was enjoyed before the services.

A large congregation was present at the worship service of the church on Sunday morning. This is a very encouraging indication of the vitality there is in the church. If you have been rather careless in the matter of church attendance, don't you think that now would be a good time to start over again? The church blesses you when you come into the world, takes care of all your spiritual needs while you travel the roads of life, and pronounces a final benediction upon your life when you take your exit. Should it do these things entirely by the loyalty of others? Why not help carry on?

The sermon next Sunday morning will be on the subject: "Things New and Old." It will be interesting, instructive, and inspirational. You cannot afford to miss it. The time of the service of Divine Worship is 10:00.

The church school is growing. Especially is this noticeable in the primary department, the young people's division, and in the men's class. Why not join the procession next Sunday morning?

The choir meets regularly for practice on Thursday at 7:30. Several have recently volunteered for this

service. We can use several more. This is an invitation.

After the choir practice, at 8:30, the officers of the church and affiliated societies will meet. Show your loyalty to your church by being present!

## FARMERS' UNION NEWS

The directors of Sylvan and Lima Local 254 met at the home of the secretary, Herbert Harvey, Monday evening, April 12. The meeting was called to order by the president. After the usual routine of business was conducted a representative of the Daly Creamery Co. gave a short talk on conditions at the Daly milk station at Grass Lake. Several petitions are being circulated getting signatures to help defeat the Milk Control Board bill which is to come up at Lansing in the near future. This should be of interest to the consumers of milk as well as producers. For the convenience of the people of Chelsea and community the Local has asked for the cooperation of the Chelsea State Bank and has placed a copy of said bill at the bank where anyone interested can read and study said bill and sign the petition if they so desire. Several more members were added to the Local. The next directors' meeting will be held at the home of Wm. Horning on Monday evening, Apr. 26.

**Lansing**—The next big act on Michigan's industrial stage, on which the sit-downers have occupied the spotlight by force for three months, promises to be a long drawn out fight between C. I. O. leader Lewis and the famed Ford.

Capitol observers size up the situation about as follows:

Ford defied the NRA and "got away with it" when Gov. Hugh Johnson discovered that the Dearborn industrialist paid unusually high wages to his employees and otherwise was a "good boy."

Ford plants at Detroit furnish employment to about 87,000 workers at a scale of near \$7 a day and a five-day 40-hour week. The automobile workers receive high wages. Under present circumstances they do not contribute any amount of earning to unions.

By carrying the ball for the automobile manufacturers at a time when the referees wouldn't enforce the rules, General Motors is regarded as the principal sufferer in the sit-down warfare. Opportunity was afforded labor to get its inning while public sentiment was slowly crystallizing against the new labor technique, imported from Europe.

With the automobile workers openly defying the court and warning the governor not to enforce the court's edict, General Motors was helpless.

Chrysler, victim No. 2, fared better than G. M. when Murphy applied pressure against labor to abandon its organization weapon of illegally seizing private property.

The Chrysler settlement is regarded as a costly victory for labor whose lost wages run into millions of dollars. The United Automobile Workers' union gained the right to organize without interference and to bargain collectively for its members. This is nothing more or less than unofficial recognition of the Wagner labor act to which big corporations have been thumbing their noses on advice of counsel.

The Reo and Hudson strike settlements follow closely the formula laid down in the Chrysler pact.

In the meanwhile, developments at Lansing have been favorable to the automobile workers' next opponent, Henry Ford.

Not heeding Murphy's wish to make an outright issue, Michigan's state senate, led by Democratic Leader Palmer, passed a bill making it a felony for workers to engage in a sit-down strike and another measure making it a felony for employers to negotiate with employees holding property illegally.

Word of the senate's courageous action was greeted by Homer Martin, president of the U. A. W. "That is like locking the stable after the horse is gone."

Which just about tells the story. Labor "stole a march" on industry by employing a mass seizure of property. It was fine for the organizers as long as they could get away with it.

Michigan's sit-down strikes have been costly to the consumer who is footing the bill, in part, through an increased cost of unemployment relief. This time it was the house of representatives at Lansing that took a whack at the state's emergency relief commission by withholding a requested \$1,000,000 deficiency appropriation.

Dr. William Haber, relief administrator, declared that Michigan strikes have stepped up the cost of relief and that another million is needed to carry his department through the fiscal year ending June 30. He warns that relief clients, strikers and non-strikers, would suffer if it were not forthcoming.

Members of the house are demanding that the ERC make an accounting of how relief money is being spent.

## ENTERTAIN FOR DAUGHTER

Mr. and Mrs. Fred Bollinger entertained about 38 relatives and friends Sunday evening in celebration of their daughter Dorothy's birthday anniversary. The evening was spent in visiting and playing games. Prizes were won by Hilda Duible, Harold Guenther, Lela Heselachwerdt and Erwin Koch. A delicious three course luncheon was served. An attractive birthday cake centered the table. Dorothy received many lovely gifts.

Those present were: Esther, Melinda and Selma Widmayer, Walter Bihlmeier, Ernest Schiller, Wilber Schaible, Mrs. John Mayer, Lela and Irene Mayer, Frank Kalmbach, all of Freedom; Marian and Charles Downer, Rosemary and Wilbur Bollinger of Chelsea; Irma and Lee Arthur Bollinger of Sharon; Lela, Doris and Carl Heselachwerdt of Sylvan; Waldo, Leroy and Doris Ehms, Erwin Koch and Russell Downing of Ann Arbor; Harold Guenther of Saline; Rubena Haas, Loretta Meyer, Norman and Hilda Duible, George Haarer, Mrs. John Schanz and daughter of Lima.

## SAVAGE SCHOOL NEWS

Easter was celebrated on March 26 at our school. Mary Kathryn Weber found a note signed by the Easter bunny which told each child that an egg was hidden for him in some difficult place in the room. After several minutes of searching, the children found the prettily decorated eggs. These were furnished by the Webers. Following the egg hunt, various games such as pinning on a bunny's tail while blindfolded, finding words in "Easter rabbit", and the carrying of jelly beans on a narrow surface were played. Prizes were awarded to the winners. Refreshments consisted of a pretty basket of Easter candies, a yellow marshmallow chicken, and a chocolate rabbit which each child was given. The smaller brothers and sisters also received similar Easter baskets. The children were given colored balloons, and they enjoyed playing with these.

We all helped Raymond Radcliff celebrate his 14th birthday April 6. Mrs. Radcliff furnished strawberry ice cream and cake. We also had choco-

late and vanilla wafers. A variety of special games were played for entertainment.

Richard Butcher, one of our second graders, has been at South Side hospital the past week. We are sorry he had appendicitis, but are glad he is recovering nicely.

April visitors are Rosemary Bollinger, Oscar Bollinger, Donald Butcher,

Miss Florence Laird, Mrs. Radcliff and Adaline Scripper.

Frederick Weber and Phyllis Weber are leading in our Health race.

Our beginners, Frederick Weber and Alta Young, have read four primers so far this year.

We have some pussy willows in our room.

Can't get around it..  
**"It's Buick again!"**

EVERY flock has to have its leader—and you'll find plenty of proof on the road this summer that Buick's the pace-maker of this year's crop of cars.

So if you'd rather feed dust than eat it, you'll take the wise step now, and make sure that when summer comes you're up front in the driver's seat of a Buick.

There's no getting around the power a Buick can pour into the job of getting you there quick and quiet and easy—its valve-in-head straight-eight engine gives you the soaring flight of an eagle when you want to cover ground.

It's got a steady, fretless, road-leveling gait that makes travel effortless as light chasing shadow, whether you're just loafing along or shooting for a record distance for the day.

In this marvel car you ride in seats like easy chairs. You finger controls that

seem to sense your next wish in advance.

You've got brakes to halt its thunder-bolt action and bring it gently down to rest with the smooth lightness of misting rain.

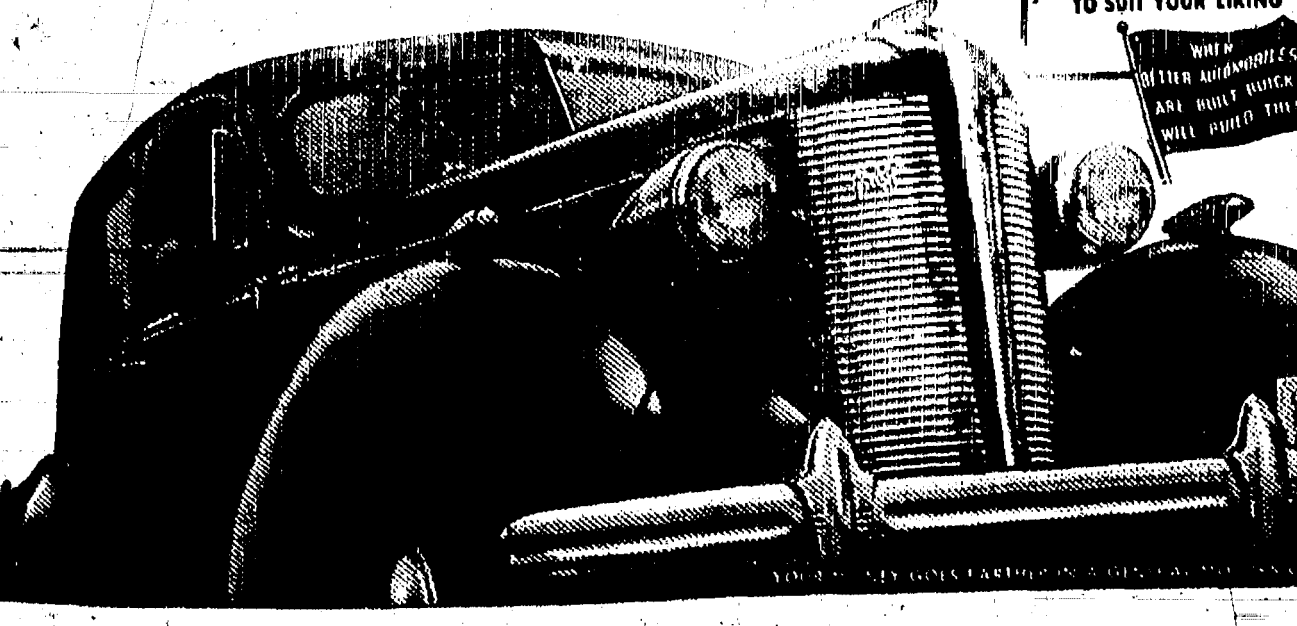

You've got a car that's a young man's fancy, light-footed, eager, adventurous—a car that's any man's pride so honest it is in the solid worth of every nut, strut, bolt and thread.

Why handicap yourself this summer when so plainly it's Buick again for value? You'll find this great straight eight easy to buy

as the average run of sixes—and if you get your order in now you'll be leading the parade in a bellwether Buick when summer gets here.

## LOWEST BUICK PRICES EVER!

At today's price, a big Buick valve-in-head straight eight costs little more than the average six outside the lowest price field! Compare delivered prices and learn how little more you buy a bellwether Buick. GENERAL MOTORS TERMS TO SUIT YOUR LIKING

## 24 YEARS AGO

Thursday, April 17, 1913

Charles A. Smith, a former well known Chelsea resident, died at his home in Detroit on Tuesday, April 15. Funeral services will be held at the Baptist church of this place on Friday morning and interment will be in Oak Grove cemetery.

Mrs. J. B. Beissel has had the house on her North street property, known as the Frazer place, torn down. Mrs. Beissel is also having a cobblestone porch built at the front entrance of her home on North Main street.

Mrs. H. H. Avery was called to South Boardman on Wednesday by the serious illness of her mother.

The Detroit Trust Co., receivers of the Flanders Mfg. Co., on Tuesday of this week paid a dividend of 25 percent to the creditors.

Mr. and Mrs. Fred Sager were pleasantly surprised on Monday evening when 50 neighbors and friends arrived with well filled baskets to help them celebrate their 20th wedding anniversary.

## 34 YEARS AGO

Thursday, April 16, 1903

Miss Agnes McKune and Dennis Hayes of Detroit were married on Wednesday, April 15 at St. Mary's church. After the wedding breakfast Mr. and Mrs. Hayes left for Detroit and the East. On Saturday they will sail from New York for an extended tour in England, Ireland and the Continent.

The Chelsea Mfg. Co. is increasing its list of help considerably.

A number of citizens have commended The Standard's call for less rowdiness at the D. Y. A. A. & J. station.

Is David Luick of Lima a good prophet? He says that he has never known it to fail that a rainy Easter will be followed by a wet harvest. Easter was certainly wet—now what will the harvest be?

A great many Chelsea people are numbered among the flood sufferers. Cellars too numerous to mention are reported as being from an inch to knee deep with water still rising. The lawlands nearby have been turned into lakes and if Letts creek should retain its present volume this place would soon be known as a seaport and a customs house built at once.

Another year of statistics has been compiled. It is estimated that 38,500 people have been killed by automobiles.

The pity of that total is that almost 50 per cent of the people killed by automobiles were pedestrians. In spite of this, people still insist on jay walking at crossings, walking between intersections, and stepping out from behind parked cars. These are dangerous practices and can be stopped only when each and every person becomes safety conscious to the point that he feels he should set an example for others.

Walk right—stop, look and listen.

JACKSON.—With the voters' mandate in Monday's election, city authorities this week began the pruning process by which operating expenditures of the city will be brought within the income of the 15-mill limitation. Trimming of department personnel, complete abandonment of certain departments and widespread wage revisions seem inevitable. The changes are expected to be inaugurated May 1. Meanwhile, it was understood the board of fire underwriters would move into the city for a comprehensive survey starting May 1. The survey is expected to result in a new and higher fire insurance rate for all property located inside the city limits.—Evening Star.

ORDER FOR PUBLICATION

State of Michigan, In the Circuit Court for the County of Washtenaw, In Chancery.

Gertrude T. Broad, Plaintiff,

vs.

John Evans, Elizabeth Evans, Louisa S. Mills, William J. Brown, Garolito Elizabeth Brown, Samuel S. Denton, Olney Hawkins, Ebenezer S. Cobb, George P. Jefferies, Charles A. Jefferies, Elijah W. Morgan, Lucy S. Morgan, George Sedgwick, Trustees for the use and benefit of Nathaniel Weed and Harvey Weed, Samuel D. Broad, Sylvester Mills, Perseus L. Tuttle, together with their unknown heirs, devisees, legatees, successors and assigns, Defendants.

At a session of said Court held in the Court House in the City of Ann Arbor on the 2nd day of April, 1937.

Present: Hon. George W. Sample, Circuit Judge.

In this cause it appearing from the bill of complaint filed herein that the whereabouts of the said defendants and their each of their unknown heirs, devisees, legatees and assigns are unknown and that the same cannot be ascertained after diligent search and inquiry.

Now, therefore, on motion of William M. Laird, attorney for the plaintiff, it is Ordered that the appearance of the above named defendants and their each of their unknown heirs, devisees, legatees and assigns, be entered in this cause within three months from the date of this order; that in case of their appearance they cause their answer to be filed and a copy thereof served upon attorney for the plaintiff within fifteen days after service upon them of a copy of the bill of complaint, and in default of their appearance that said bill of complaint be taken as confessed by the

said defendants, their unknown heirs, devisees, legatees and assigns.

It is further Ordered that the plaintiff cause a copy of this order to be published in the Chelsea Standard, a newspaper printed, published and circulated in said County and that said publication be commenced within forty days from the date of this order and be continued therein once each week for six weeks in succession.

**FORMER BUYER OF OTHER LOW-PRICED CARS FINDS IT PAYS TO CHANGE TO THE BIGGER, SMOOTHER, SMARTER PONTIAC**  
Won by Pontiac's beauty and size, this motorist looked up the price and discovered this amazing fact: "based on 18 months terms in 168 representative cities, the average difference in monthly payments between a Pontiac DeLuxe six 2-door sedan and the same model of the next lower-priced cars is only 15 cents a day. As you might expect, no time was lost in buying the finest low-priced car. And ownership brought another great discovery! Pontiac is far and away the most economical car this experienced motorist had ever driven! Yes, it pays to change to a Pontiac—you get more satisfaction in every way. If you doubt it, drive a lower-priced car, then step into a Pontiac and prove what a world of difference in value Pontiac offers for a very small difference in price."
