think, if she could, that he was a without you there would be nothing | last becoming inured to this hectic existence which his fellow men regarded as the natural thing. Don hurts me. Things will go better felt that the fault was all his own. And to make things harder, spring was in the air and on the tree-topsmember that nothing really matters spring, which always played the devil with him!

Just the scent of a blossoming lilac stirred something in the very depths of his being-an almost irresistible desire to be away-it didn't matter where-just away And he was chained to a ledger, as securely chained as were those slaves in the old galleons

To Don, filled with spring wanderlust, the long days seemed interminable, and the office little better than a prison cell. There came an evening when he could not go to Nora for fear she would suspect the terrible unrest that had possession of him. Instead he tramped for miles into the country, trying to find peace from the stars-the cool of evening-the wild, sweet scent of growing things.

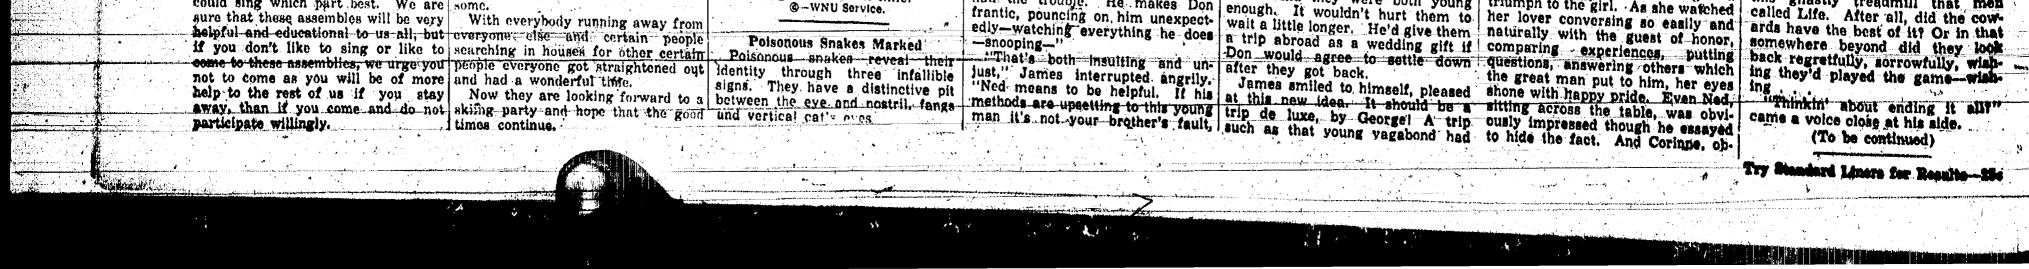

It was late when he turned his steps toward town. Peace had eluded him. He could not find it. Reaching a bridge he paused to rest a moment, gazing down into the infinite blackness of moving water. Peace must be there, he mused. Peace and coolness; release from
