## Norman Hudson Dies After Near Drowning

Norman G. Hudson, 32 years of age, of Webster township, died suddenly Saturday evening, a short time after he had been rescued from near drowning in the Huron river at Hudson Mills, about a mile from his home.

Hudson, accompanied by his wife and daughter Betty, Mrs. Hudson's sister, Miss Irene Stanfield, and Kirk Chamberlain, a neighbor, had gone to the river for an outing and all had been in bathing. Going into the water for a final dip, Hudson waded into a deep hole and sank. Miss Stanfield, who was with him, also plunged into the hole and went under.

Chamberlain rushed to the rescue and brought both to shore. He succeeded in reviving them before the arrival of the sheriff's officers with a resuscitator. Hudson and Miss Stanfield were assisted to the Hudson home on N. Territorial Road. A doctor was called and administered heart stimulants, when Hudson complained of difficulty in breathing, but he suffered a hemorrhage and died at 9:00 p. m.

Mr. Hudson was born September 19, 1906 in Lyndon township, the son of Mr. and Mrs. Herman Hudson, and was married 11 years ago to Clarissa Stanfield. They resided on the J. L. Sibley farm near Chelsea several years ago.

Besides his wife and daughter, Mr. Hudson is survived by a sister, Mrs. Chris Fitzsimmons of North Lake, and two brothers, Fred of North Lake and Ernest of Brooklyn.

Funeral services were held Tuesday afternoon at 2:30 at North Lake Methodist church. Rev. H. Brubaker officiated and burial was in North Lake cemetery.

## Chelsea Ag Boys Place High In State Judging

Twenty-eight vocational agriculture students of Chelsea high school went to Michigan State College on May 4 and 5 for the State Future Farmer judging contests in grain, potato, poultry, livestock, dairy demonstration and farm management. Approximately 3500 boys from the agricultural high schools of Michigan were present. Don Cook and Gerald Heurion were Chelsea's official representatives to the State F. F. A. convention.

Results of the contests, which have just been received, are as follows:

Livestock—Rating 88, number of schools entered, 132; members on team, John Stofor, Donald Schultz, Robert Schwartzmiller.

Dairy—Rating, 42; number of schools entered, 136; members on team, J. D. West, Donald Schultz, E. Visel.

Grain—Rating, 86; number of schools entered, 150; members on team, LeRoy Loveland, Carl Sanderson, Royden Watson.

Poultry—Rating, 3; number of schools entered, 44; members on team, Robert Schwartzmiller, Martin Merkel, Carl Sanderson.

Farm Management—Rating, 6 (tie); number of schools entered, 40; members on team, Leon Marsh, Joseph Kastl, Maynard Leach.

Potato—Rating, 6; number of schools entered, 103; members on team, Ormal Schiller, Roland Heim, Clarence Wood.

Demonstration (Milk testing)—Rating, good; number of schools entered, 34; members on team, Donald Cook, Gerald Heurion.

Roy Wallis, vocational agriculture instructor, is well pleased with the showing made by the Chelsea students and hopes that the local school can again achieve the showing made a year ago with two "State Champions."

Mr. Wallis was given an honorary degree of a "State Farmer" and a golden key at the convention, as a token for last year's coaching of the State Champion Dairy Judging team, and representative at the National convention. The team members were Max Hepburn, Veryl Hadley, Martin Merkel and Duane Rowe.

State champion teams represent Michigan at Kansas City, Mo., or similar contests at the International Exposition, Chicago, or the World's Poultry Congress, Columbus, Ohio.

**ENTERTAIN AT SHOWER**  
A miscellaneous shower on Thursday evening at the home of Mr. and Mrs. Gustave Neyer in Freedom township, honored their daughter, Miss Loretta Neyer, whose marriage to Rudolph Bollinger will take place Saturday. The hostesses were Miss Helen Neyer, Dorothy, Irene and Helen Bollinger. "Cootie" furnished the evening pastime, Ervin Koch and Boris Heesleghardt receiving first prizes and Rudolph Bollinger and Marion Haas the consolations. Lunch was served to 50 guests.

**MUSICAL FESTIVAL TODAY**  
The final grade musical festival, entitled "Music Around the World," will be presented this Thursday afternoon, June 1, in the high school gymnasium. The program will begin at 2:30 p. m. and will include selections by the first six grades. Parents and friends and grade school pupils are cordially invited to attend. There will be no admission charge.

**ROAD BIDS REJECTED**  
Because of opposition from AFL union representatives, the state highway department last Wednesday threw out all bids for construction of the five-mile Chelsea cut-off on the new US-12 highway. The protest was in the form of objections to a certain laboring class being paid unskilled wages. Highway Commissioner Murray D. Van Wagoner was in Washington last week and stated that he would take the matter up with proper authorities there and have the situation clarified before asking for new bids.

## Win Leading Honors In Graduating Class

Betty Seitz, valedictorian of this year's graduating class of Chelsea high school, has been president of the Senior class for the years 1937-38 and 1938-39. She has been active in all

BETTY SEITZ

class and many school activities.

As class president she deserves all praise, as a fellow student she retains a position of sincere affection and admiration in the hearts of those in her class.

James Daniels, a very prominent member of the C. H. S. Senior class, is salutatorian. During the first year of his high school career, Jim was renowned for his sport activities, especially football and basketball. All

JAMES DANIELS

through the remainder of his four years he has been one of the principal members of the basketball team. He was an active member of the student council and vice-president of the class during his Junior year. His debating ability is also well known.

## Judson Hyames to be Commencement Speaker

The Commencement speaker for the Chelsea High School graduating class of 1939 is to be Judson A. Hyames. Mr. Hyames is director of Physical Education and Athletics at Western State Teachers' college in Kalamazoo. His topic will be "New Frontiers."

"Juddy," as he is called by those who know him, has been at Western since 1922. Previous to that time he was state physical education director of the Y. M. C. A. During the World war he was in charge of the athletic program for the Y. M. C. A. at Camp Custer, having complete charge of the activities of the troops stationed there. He refused an opportunity to play major league baseball because he did not want to play baseball on Sunday.

The new athletic plant constructed this year was named and dedicated in his honor.

Besides taking a very active part in the activities of the college he has also been very active in church activities in Kalamazoo.

**TELEPHONE OPERATOR RETIRES**

Mrs. John Warren, who is retiring after 14 years as operator at the local telephone exchange, was honored with a party given by the office force last Friday evening. Twelve guests were in attendance at the party and a cooperative supper was served, after which bunco was played. Miss Norma Schiller and Mrs. Martin Schaff won high prizes. Mrs. Warren and Mrs. W. H. Van Orman low. A gift was presented Mrs. Warren by the assembly.

**HOLD POTLUCK DINNER**

The American Legion, the Legion Auxiliary and their families held a pot luck dinner on Tuesday at the Legion home, Cavanaugh Lake, celebrating the first anniversary of the dedication of the home. Covers were laid for 61.

In the afternoon games and swimming were enjoyed by the children.

## Our Neighbors

**MILAN**—Two trips are being planned for members of the graduating class this year, with part of the class going on the two trips. Shortly after the commencement exercises fourteen members of the class will leave for Washington and New York. Included in the group are ten boys and four girls, accompanied by Mr. and Mrs. E. W. Mackey. The other group of ten members of the class will leave Bay City on June 9 for a boat trip to Mackinaw and return to Detroit. Miss Elizabeth Smith will accompany this group. The entire boat has been chartered and groups of students from several schools are included in the passenger list.—Leader.

**SALINE**—About 3:30 Monday morning William H. Noel of Detroit was driving west on US-112. As he approached the overhead bridge at the Ann Arbor railroad crossing he failed to make the curve and his car crashed through the guard railing and rolled over and over until it reached the bottom of the 40-foot embankment. He

escaped with only minor injuries. The car was almost completely demolished. Two wreckers and a crew of men worked four hours to get the car up on the highway again.—Observer.

**DUNDEE**—Production at the plants of the Dundee Rubber Company on M-50, west of Dundee has been stepped up considerably the past few weeks. Two shifts of eight hours are now at work employing 14 men. The majority of workmen are men and boys whose homes are in Dundee. Plumbing supplies and kitchen appliances are the main products but they have also done considerable automotive work.—Reporter.

**DEXTER**—Henry Steinbach has donated the strip of land across the road and between his house and the railroad track for a recreation field. It is hoped to have a softball diamond, tennis court, volleyball, croquet court and horse shoe court. Some baskets will be erected for basketball practice and, of course, football this fall. All the money and labor will have to be by popular subscription. William Pidd and his son, Ervin, have offered to furnish a tractor and man to disc and harrow the field level.—Leader.

**MANCHESTER**—Orville E. Dunklel, who has served as superintendent of the Manchester public school and has taught agriculture here for the past 12 years, has tendered his resignation to the board of education, having accepted the position of superintendent of the Farmington school next year.—Enterprise.

Whither the Young Graduate?  
—Maybe This Holds the Answer

How the average high school student will be occupied one year from this June has been determined by a recent survey of 1,000 of last June's graduates. Teachers colleges, business colleges and vocational schools will absorb 140 graduates from the school surveyed, all in towns of approximately 3,000.

Students numbering 171 will attend college or university the first year, with a large percentage failing to return the second year. Lack of industrial opportunity has increased college enrollment. A total of 162 will remain at home without finding work. This figure includes girl graduates not planning to work.

Clerical jobs in grocery stores, filling stations, shoe stores, etc., will be filled by 236 graduates. This total includes delivery boys and "handy men," most of whom serve part time in a clerical capacity. Thirty-one salesmen also received the sheepskins this year. The latter includes house-to-house canvassers.

Agriculture will claim 130 graduates, many of whom are returning home to work. Included also are youths who are going to work on a farm for the first time. Seventy-seven are listed under a miscellaneous heading, including truck drivers, CCC enrollees, mechanics, waitresses and odd-job workers.

Anglers Prepare for  
Opening On June 25

**LANSING**—With less than four weeks to go, Michigan anglers are completing preparations for the opening of the lake fishing season Sunday, June 25.

Opening of lake fishing marks the lifting of closed season on all Michigan waters except those closed by a special order. All seasons continue open until Labor Day when the trout season ends except on rainbow and steelhead trout in certain lakes and streams (named in the law).

Season on large mouth and small mouth black bass runs until December 31 in all lakes and streams except trout streams and trout lakes. Bluegills and sunfish may be taken until March 31 in non-trout streams and in all lakes except pike lakes and trout lakes.

Principal quarry of the anglers will be the bluegill, mainstay of Michigan's fishing population. A total of 19,500,000 bluegills was planted in Michigan waters during 1938 by the fish division of the department of conservation. Nearly 1,000,000 black bass have been planted.

Size and catch limits remain unchanged this year. On rock, calico, strawberry and warmouth bass, bluegills, sunfish and yellow perch the limit is 25 of any one kind or a combined total of 25. All except warmouth bass must be at least six inches in length. Black bass and landlocked salmon must be ten inches long and not more than five per day may be taken of each species. Size limit on muskellunge is 30 inches. There is no limit to the number taken in a day. Limit per day on pike, great northern, grass pike or pickerel and on wall-eyed pike or pike perch, is five of each kind. They must be 14 inches long.

The season remains closed on grayling and sturgeon which are unlawful to take at any time. No size or catch limit is imposed on coarse fish such as bullheads, carp, suckers, catfish, sheepsheads and so forth. In the Great Lakes and connecting waters inland fishing laws prevail for black, warmouth and calico bass, bluegills, sunfish, crappies, muskellunge and the various trouts, except lake trout which may not be taken from the Great Lakes during the season when commercial fishermen may not take them.

**Animals and the Weather**  
In the old mythology cats were supposed to have a great influence on the weather. The stormy northwest wind was called the "cat's nose." The dog and the wolf were both attendants on Odin, the storm god. In old pictures, there was often shown the head of a dog or wolf with gusts of wind issuing from its open jaws. So we can take the cat as a symbol of heavy rain and the dog as representing the strong wind usually accompanying a rain-storm.

**Crooked Road**  
The crookedest road in the United States is the 3 1/4 mile highway between Goldendale and Mary Hill, Wash., which contains 52 turns and curves.

Michigan Spuds  
Earn 15 Millions

Fifteen million dollars is not a drop in the bucket of any state's income, so Michigan is learning to take pride in its potato crop, which is the most important cash crop in the state.

In the last 10 years the annual average Wolverine crop has been worth \$15,027,600. In 1938 Michigan farmers produced 36,000,000 bushels to rank second in the nation.

Extension work of Michigan State College and experimentation by staff members in the agricultural division has played a part in developing suitable varieties, fertilizer practices, cultural methods, storage, grading and marketing systems.

To expand upon this service to the state's potato growers, a new bulletin has been made available at the college. It is "Better Potatoes for Michigan," Extension Bulletin 49, prepared by H. C. Moore of the farm crops department.

The bulletin treats of varieties for best adaptation to soils and climate found in Michigan, seedbed preparation, soil requirements, use of commercial fertilizers and manure, seed treating and green sprouting before planting. Illustrations depict these and other phases of successful methods and most efficient equipment.

This bulletin can be obtained by writing the Bulletin Room, Michigan State College, East Lansing. Other available potato bulletins include Extension Bulletin 162, "Michigan Potato Diseases and Their Control," and Special Bulletin 271, "The Katahdin Potato in Michigan," 234, "Spraying and Dusting Potatoes in Michigan," 245, "Tests Show Better Ways to Grow Michigan Potatoes," 288, "Marketing Potatoes in Michigan," and 287, "An Economic Study of the Potato Enterprise in Michigan."

**Safetygrams**  
BY  
FRED W. BRAUN  
The Safety Man

Last week I wrote something about enforcement. This week I want to add a few more words on that subject.

Where state laws grant courts the right to revoke licenses because of drunken or reckless driving, courts should have gumption enough and backbone enough to enforce the state laws. Some courts, however, lack the courage because of political reasons or because they do not feel the law is just.

When people's rights, especially pertaining to safety, are sacrificed because of one man's political feelings or ambitions, then the people in that community are not going to have the protection to which they are entitled. Officers can bring in violators, but the courts must enforce the law. Some judges have shown marked courage in this respect and because of it have established themselves in the community as pillars of justice and courage; therefore, the community has benefited by their actions. More power to jurists of that kind!

## Steining Stone

A stone that has long served as a step at the eastern entrance to the churchyard of the old Sussex, England, town of Steining has been found to be decorated with crude, but elaborate, carvings, and it is believed to be a menhir, or upright monumental stone, one of the few to be found in the country. It is thought possible that it was this stone that gave to Steining its distinctive name.

## Teasing Small Girls

A number of mothers complained to a court about a gang of small boys bullying their little girls. While this has always been a boyish pastime, it is very often carried to dangerous extremes.

Parents who permit their children to dominate other children more or less mercilessly, sow the seeds of future criminal depredations. Practiced cruelty, no matter what the motive, leads to a future perverted mental outlook. The child who inflicts pain on a playmate or on an animal should be firmly punished. He should be taught to regard the feeling of others and have instilled in him, through word and example, the care and consideration of those around him.

## Michigan Mirror

By Gene Alleman

**LANSING**—The policy of the 1939 State Fair at Detroit, as revealed by action just taken by the fair's executive committee, will be to emphasize Michigan's agricultural and industrial resources.

From a statement just released by Elmer A. Beamer, state commissioner of agriculture, it is apparent that the Hollywood movie-radio glamour which has characterized the 1937 and 1938 enterprises may be greatly subdued, if not missing altogether.

Arrangements are under way to have light harness racing, use of the grand stand for outdoor entertainment both afternoon and evening, enlarged livestock and farm machinery displays, and a comprehensive program for the 52,000 club members of 4-H clubs.

Assisting Dr. Linwood Snow as manager will be managers of three of the most successful fairs in Michigan. They are Robert Buckley, Huron county fair at Bad Axe; Harry Kelly, Hillsdale county fair at Hillsdale, and Lester H. Schrader, St. Joseph county fair at Centerville.

The committee is continuing the policy of not permitting the sale of intoxicants of any kind on the grounds while all fair amusements will be carefully checked to assure its suitability for family enjoyment.

## An Issue for 1940?

The idea of June find the five-month session of the state legislature a matter of public record.

Observers are carefully analyzing the results in an effort to detect possible issues for 1940. Those law-makers who hoped in vain for a "clean-up" of the Republican party from convention control by Messrs. Frank McKay and Edward Barnard insist that the legislature's failure to curb so-called boss abuse has created a major issue for the next campaign.

From Rep. Elton R. Eaton of Plymouth, captain of the anti-boss element, comes this dire warning: "Unless the Republican party cleans house in the next primary, no one can rightly predict what might happen in the next state election."

The budget-balancing efforts of the present administration, other observers feel, may overshadow the reform issue. This may be true especially if public opinion continues to disapprove, as Gallup surveys continue to reveal, the vast spending splurges at Washington.

It is too early to forecast accurately what will be the effects in 1940 of what the present legislature has done or has not done. An administration's record does not depend wholly on a five-month legislative record.

## News Writers Puzzled

The attitude of Governor Dickinson to the McKay investigation and the Barnard-convention bill has puzzled metropolitan newspaper correspondents at Lansing.

W. A. Markland, writer for the Detroit News, says that Michigan's new governor "is an extremely irritating puzzle to a lot of people." This comment was inspired chiefly by the governor's veto, as recommended by Emerson R. Boyles, legal adviser first retained by the late Governor Fitzgerald, of a bill which would have legalized the continuation of the McKay probe.

Although prior to the veto the governor was visited by two members of the legislative investigating committee who urged him to sign it, he later said that he had not read the bill and evidenced surprise that the veto would close an inquiry into McKay's bond fees of \$105,000.

Frank Morris, Detroit Times correspondent, intimated openly the same day that the governor's "pipe line" was in the direction of Grand Rapids, home of Mr. McKay.

Guy H. Jenkins, head of the Booth newspapers' bureau at the statehouse, declared: "When the curtain is rung down on the 1939 Republican legislature the record probably will disclose the enactment of more selfish, sniping, noisy-minority group laws than any in the history of the state." Pressure groups have been more overbearing than ever before.

Jenkins took the House of Representatives to task for indulging in what he called "petty politics." Blasting "supervisor-poor superintendant patronage hounds," he opined: "The people as usual take it on the chin, but they make targets of their chins when they elect so many pseudo statesmen."

## No Liquor Legislation

One of the curious results of the legislative session was the failure to enact one liquor control bill.

With the driest chief executive in many, many years at the helm of the administration, liquor interests were apprehensive earlier in the year that drastic measures would be passed to correct some of the persistent, ever-present "liquor evils."

Because the governor was an officer of the National Anti-Saloon league and president of the state league, it had been taken for granted that something would be attempted before adjournment May 26 to tighten the state's control if not to abolish outright the system of state-owned liquor stores, as recommended by Fitzgerald.

On May 14, two weeks before adjournment, Governor Dickinson took the churches to task. He said: "I never was in the legislature or around the capitol during a legislative session when there was as little encouragement from outstate on such lines as during this session. . . . I regret to say that the churches, as such, have given slight expression."

It was a tardy appeal for dries to

"lobby" at Lansing. Organized effort, he asserted would have resulted in passage of laws to restrict advertising of alcoholic beverages including beer and wines as proposed in Senate Bill 208 which died in committee.

## Civil Service, Vandenberg

Will enactment of the new civil service law, called a "ripper" law by its critics—react unfavorably on the administration?

James Thomson, chairman of the state republican central committee, is confident that the people back home were rebellious over the cost of Murphy's civil service act. Payrolls during the first 18 months totaled \$98,597.

One cannot help but observe that 1940 will be a presidential campaign year, one in which it is entirely possible that the Republican nominee will be Michigan's senior United States senator, Arthur H. Vandenberg. In a gigantic tussle with the New Deal, the party would be occupied chiefly with national issues. In such a situation all legislatively-made issues—bossism, civil service, and so on—would go easily into total eclipse, so the theory goes.

Vandenberg's triumph in defeating the Florida ship canal project brought a nicely timed declaration by Michigan administration leaders that Vandenberg "should be drafted" and that "Michigan will ask his nomination." The rising stock of the Michigan senator was noted by the Chicago Tribune which reported a few days ago that "sentiment among local politicians indicate that Vandenberg is the candidate being most favorably considered by Republicans in many states, not only in the West but in the East."

On the Vandenberg bandwagon is Howard C. Lawrence of Grand Rapids, former state treasurer, who is credited with having proposed the administration's statement and who, incidentally, is being mentioned in the press as a potential candidate for either the United States senator or for the governorship.

Lawrence is being hailed by the McKay-Welsh alliance in the furniture city. His boom was hailed by McKay's own weekly newspaper, "The Michigan Times."

## NFLA Will Convene In Ann Arbor On June 8

Farmers who are members of the Washtenaw County National Farm Loan Association and their wives will have an opportunity to express themselves and ask questions when they gather at their annual meeting on Tuesday evening, June 6, at the Y. M. C. A. in Ann Arbor, says Mr. Frank Potts, president.

The annual report of Secretary-treasurer R. A. Pence on the progress and financial status of the local association will be one of the highlights of the meeting. Charts will be used to emphasize certain points covered in the reports. Various other committee reports will be given during the meeting in an effort to bring to the members a better understanding of their duties and responsibilities as stockholders of the association.

Only one director will be elected by the stockholders this year to fill the vacancy due to the expiration of the term of Grant U. Wilson of Ypsilanti.

The group management unit, with headquarters at Ann Arbor, is now serving 1253 member borrowers in Wayne, Monroe, Washtenaw and Livingston counties. The group office is handling a total of \$4,534,400 in land

bank loans outstanding to its members and in commissioner loans.

Besides the Washtenaw county association, other associations in this group are: First Wayne Co., hold its meeting in Wayne on June 6; Community Association, with a meeting at Ida on June 7; River Raisin Association, meeting in Monroe on June 9; and Livingston Co. Association, meeting in Howell on June 10.

The directors are working to secure a 100% attendance this year.

## Question And Answer Dept.

**Problem**—At a track meet a man hopped, stepped and jumped for an all-time record. He hopped 14 feet, stepped 8 feet and jumped 19 feet. He did not break the record, but how far did he jump? (Answer elsewhere in this department)

**Ques.**—Is the ex-Kaiser Wilhelm of Germany still living? If so, where does he reside, and what is his age?

**Ans.**—The ex-Kaiser is still alive and in good health. He is in exile at Doorn, Holland, and is in his 81st year. His friends confidently predict that the ex-kaiser will be back on the throne of Germany in 1940 under the Nazi regime.

**Ques.**—I wish to ask you what is a musang?

**Ans.**—A musang is an East Indian palm civet. It is about the size of a large cat, and its general color is gray, with variable stripes or spots.

**Answer to problem**—The man jumped 19 feet. Of course, the hop and step were not jumps.

**Ques.**—Can you tell me in your good paper just how much one ell is in cloth measure?

**Ans.**—One ell of cloth measure is 27 inches.

**Ques.**—What was the politics of the former President Monroe?

**Ans.**—Monroe was elected as a Democrat in 1816. At the time of his election he was serving as Secretary of State under President Madison, also a Democrat.

**Ques.**—I would like to know what is the largest church in America in seating capacity? This is to decide an argument.

**Ans.**—The Church of Notre Dame in Montreal is the largest in seating capacity, which is 10,000, seating them comfortably.

**Ques.**—Please answer if a night hawk and a whip-poor-will are the same?

**Ans.**—Both are night hawks, but the whip-poor-will is a slightly different specie. They are so closely allied that only an expert can tell the difference. Both feed on insects which they take on the wing after sunset. Both make the same rasping cry when descending downward from a great height, much like sharply rasping a screen door with a hard instrument.

**Ques.**—Are owls good for anything and should they be killed?

**Ans.**—The owls are of very valuable service to man and should not be killed. They are great destroyers of rats and mice. Chickens are immune as the owl sleeps all day and comes off its roost only at night in quest of its prey.

**Ques.**—What did the ancients of four or five thousand years ago write with, and what kind of material did they write on?

**Ans.**—As long ago as 5000 B. C. the Egyptians used a pen that was made of reed and ink that was made of oil and charcoal. Their "paper" was papyrus, which is a whitish substance taken from the papyrus tree.

## Local Couple United At Home Ceremony

The home of Mr. and Mrs. Elmer G. Lindemann on McKinley street, was the scene of a pretty wedding on Wednesday evening, May 31, when their only daughter, Ruth Elizabeth, was married to Wilber C. Klingler, son of Mrs. Christian Klingler of Chelsea and Christian Klingler of Mechanicsville, Iowa.

The service was read at 8:00 o'clock by Rev. Ray W. Barber in the presence of the immediate families. The bride and groom stood in front of the fireplace which was banked with garden flowers and ferns and flanked on either side with five branch candelabra with white tapers. The wedding march was played by Miss Nina Belle Wurster.

The bride wore a gown of white silk net and lace fashioned with a tight fitting bodice of the lace made with short puffed sleeves and a heart shaped neckline. The long full skirt of the net extended into a short train. The bride wore a necklace with a silver cross set with crystals and carried a colonial bouquet of white roses and sweet peas.

The bridesmaid, Miss Jane McGaffigan, wore a powder blue taffeta bound with duobonnet silk and carried a colonial bouquet of spring flowers. Elwin Barth was best man.

A reception followed the ceremony. The bride's table was centered with the wedding cake flanked with white tapers.

The bride and groom left Wednesday evening on a ten-day motor trip to Mammoth Cave, Ky., Washington,

D. C., and other points of interest in the east.

For traveling, Mrs. Klingler wore a powder blue suit with white accessories. Later in the summer Mr. and Mrs. Klingler will reside on the groom's farm in Lima township.

On Wednesday evening of last week Miss Lindemann was honored at a miscellaneous shower given at the home of Mrs. William Birch. Eighteen guests were present. The gifts were presented to the honor guest in a large umbrella. Ice cream and cake were served.

Mr. and Mrs. Donald Dancer honored Miss Lindemann and Mr. Klingler with a dinner given at their home on Orchard street on Thursday evening. The dining table was centered with tulips and lilacs of the valley. Covers were laid for eleven. A three-course dinner was served. Miss Lindemann was presented with a gift.

## KIWANIS HELPS CHILDREN

At a recent meeting of the Chelsea Kiwanis club an assessment was voted by the members to help supply a part-time recreation leader for the children of the village. This is in line with the objectives of Kiwanis International, which places a great deal of emphasis on child welfare. The local club aids in the support of the work for crippled children at University Hospital, has a vocational guidance project, helps to finance the Boy Scouts, and is actively interested in every attempt to increase the benefits of life to children in the village and the state.

NEW CABIN AT SCOUT CAMP

When you drive into Camp Newkirk, you will notice a trim little cabin on the left as you enter the gate which will be completed by the middle of June and will serve as living quarters for the camp caretaker and his family. This cabin is being made possible by gifts from friends of the camp and donations of materials from various sources.

Everything at camp is being put in readiness for the arrival of the first group of summer campers on June 28. The camp staff is complete and indications from various troops are that the attendance at camp this summer will be equal or greater than that of last summer. The camp will be directed by Scout Executive Walter MacPeck and by Walter Holmwood, chairman of the Leadership Training committee of the Council.

## FACTS FAVOR FORD

1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range — and the 60-horsepower engine is even more economical.

2 The structural strength of the Ford car — frame, bracing, axles, body — makes not only for safety, but durability and long life.

3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight.

4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway.

These four points — power, strength, safety, comfort — are by far the most important essentials in any motor car. They form the basic value of your investment.

With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring.

You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see — quality of materials, precision of manufacture, fundamental engineering.

Mr. and Mrs. Frank Matby and Mr. and Mrs. Allyn Kaercher and son of Ann Arbor, were guests at the home of their father, J. A. Kaercher on Decoration Day.

Francis Lusty of Jackson, was a caller at the home of John Kelly. He was accompanied home by his mother, Mrs. Frank Lusty, who spent the first of the week at the Kelly home.

**The Busy Heart**  
The heart sends three gallons of blood a minute from the right to the left side. In violent activity the amount may reach 10 gallons.

**SAYS "WAR IS HELL"**  
Speaking before a packed house at the Decoration Day services on Tuesday morning, Rev. R. L. Wasson of Waterloo, said "there is too much propaganda and not enough fear of God which has caused the unrest in our national government."

Rev. Wasson stressed his talk on the theory that "war is hell in any language" and that religion should have a prominent place in governmental administrations.

A program of music and recitations including vocal solos by Mrs. J. V. Burg, reading of Logan's Orders by Ransom Armstrong, "Flanders Field" by Albert Doll, Jr., and response by Henrietta Beach and Lincoln's Gettysburg Address by Duane Rowe completed the services.

**MOTHER-DAUGHTER BANQUET**  
An enjoyable event on the calendar of the O. E. S. was the Mother and Daughter banquet held at their hall last week Wednesday evening. A co-operative dinner was served to 62 with the men acting as waiters. Mrs. Leora Grove presided as toastmistress and the evening program was given as follows:

Toast to Mothers—Marian Ashfal.  
Toast to Daughters—Mrs. Allen Steinbach.  
Vocal Solo—Mrs. Helen Baxter accompanied by Mrs. Hazel Wacker.  
Musical Reading—Mrs. Betty Dancer.

## C. H. S. Approved by North Central Ass'n.

A. C. Johnson, superintendent of the Chelsea High School, has just been notified that this school has been approved by the North Central Association of Colleges and Secondary Schools for the period ending June 30, 1940. In explanation of the term of approval, the local school authorities have been advised that it is the established policy of the Association to prepare each year a new list of approved secondary schools accorded this honor and that no school is approved by the North Central Association for a period longer than one year.

Before any school can be considered for approval by the North Central Association, it must be on the highest list of schools approved and accredited by the school authorities within the state. It must also meet the policies, regulations, and criteria which the Association maintains. These include such matters as instruction and spirit, school plant, sanitation and janitorial service, instructional equipment, school library and library service, school records, policies of the board of education and the administration of the school and its financial support, preparation of the instructional and supervisory staff, the teaching load, the pupil load, and the educational program. This last item includes such matters as the school's program of studies, its allied activities program, its guidance provisions, the success of its program, and the school and its community relations.

The North Central Association of Colleges and Secondary Schools approves both secondary schools and institutions of higher learning in twenty states comprising a large portion of North Central and Central United States reaching from Montana in the Northwest and Arizona and New Mexico in the Southwest to Ohio, Indiana and West Virginia in the East. It is the aim of the Association to bring about a better acquaintance, a keener sympathy and a heartier co-operation between colleges and secondary schools; second, to consider common educational problems and devise the best ways and means of solving them; and third, to promote the physical, intellectual, and moral well-being of students by urging proper sanitary conditions of school buildings, adequate library and laboratory facilities, and higher standards of scholarship. All decisions of the Association bearing on the policies and management of secondary schools and institutions of higher education are understood to be advisory in their character. The approval of schools by this Association is a co-operative undertaking and membership is purely voluntary. No school is approved unless there is the expressed desire of the local authorities of a high school for such approval. Certain advantages result from such approval. In brief, they are:

1. Graduates of any approved high school are privileged to enter institutions of higher learning within the North Central states without entrance examinations, provided they have credits in the high school subjects required by the college or university to which admission is sought. Since other approving agencies recognize North Central schools, this privilege of entering institutions of higher education without examination is extended practically throughout the United States. (There are some institu-

tions of higher learning who do not admit graduates of North Central high schools if the rankings of these graduates are in the lowest one-fourth of the graduating class.)

2. The graduates of approved high schools have the assurance that their high school diplomas will be acceptable to State Boards having to do with the granting of certificates for the various professions of medicine, dentistry, law, etc. In states requiring graduation from approved high schools as a prerequisite to the obtaining of a teaching certificate, the graduates of schools approved by the North Central Association meet the requirements of such a law.

3. A high school approved by the North Central Association must maintain high standards and consequently the community is assured of a program of modern high school education.

4. The visitation of the school at regular intervals by supervisors serves to stimulate progress and to prevent the development of questionable practices and tendencies.

5. A high school approved by the North Central Association enjoys a greater prestige in the surrounding country and therefore finds it easier to attract non-resident students.

6. The patrons have more confidence in and are generally willing to support an approved high school.

Supt. Johnson has also been notified the Chelsea High School has been placed on the two-year list of accredited schools of the University of Michigan.

## Waterloo

Rev. Wasson spent several days last week in Cleveland, at a convention of chaplains of the army, navy and C. C. C. camps.

Mr. and Mrs. Thompson and Miss Isabelle Hitchcock spent the week end with their parents. Mrs. Evelyn Hitchcock accompanied them back to Detroit for a visit.

The young people had charge of services at the church Sunday and are to be complimented on their effort. Those taking part were Leona and Odema Moeckel, Woodrow and Austin Artz, Wilbur Beeman, Wilma Rundman, Lavon Winkle, Richard and Annabelle Vicary.

Mr. and Mrs. Alva Nichols entertained over the week end, his mother from Jackson and his brother and wife of Detroit.

Mr. and Mrs. W. Vicary motored to New Baltimore on Wednesday. Her mother, Mrs. Louise Marquardt, returned home after spending ten days with them.

There will be no church services or Sunday school on June 4, on account of Memorial services in afternoon at 2:00. Soldiers, sailors and the public are invited.

Mr. and Mrs. Ed Sahul have erected a small building which they will occupy until their new home is built on the spot where their former home burned recently. Sunday callers were Mr. and Mrs. Floyd Hinkley and Mrs. Betham and daughter of Stockbridge. Mr. and Mrs. Businger, Leslie, Mr. and Mrs. Camden and Mr. and Mrs. Quackenbush of Jackson, and Mr. and Mrs. Houck, North Lake.

## Fruit Juices

## Essential to

## Sound Teeth

By PATRICIA LINDSAY

"MANY savage tribes have wonderful teeth in spite of the fact they never clean them and do not know what a tooth brush is. It is largely due to the plentiful use of fruits, the juices of which have a valuable cleansing effect."

"In recent years," a medical book goes on to state, "some dental authorities have advocated cleaning the teeth with fruit juices or food acids, such as diluted cider vinegar, instead of the usual alkaline tooth powders. It is claimed that fruit acids promote the increased flow of saliva and in this way bring about a greater alkaline condition of the mouth within a few minutes. Saliva,

Plenty of fresh fruit juices for beauty!

As you know, is naturally alkaline. Furthermore fruit is somewhat antiseptic and is always healthful. When fruit is reasonable in price and plentiful you should eat much of it. Especially fruits with juices. And you should drink fruit juices without sugar to reap the greatest benefit and nourishment.

## Right Foods Aid

## Tooth Health

There is one factor in maintaining sound and healthy teeth which is commonly overlooked, especially while a child is growing. That is which foods tend to strengthen and prolong the life of teeth. If the diet is lacking in the elements for building teeth and bones, then decay and loss of teeth is almost inevitable.

Medical authorities commonly agree on certain foods rich in lime and organic mineral salts, such as whole wheat bread in preference to white bread; shredded wheat and whole grain products such as oatmeal will help to build strong healthy teeth. Milk and eggs are both rich in lime. And vegetables eaten with the water in which they are cooked are strongly recommended.

Children and adults alike should eat natural foods, calling for exercise of the teeth and supplying all the elements provided by nature. And every child should be trained early in life in the care of the teeth and in mouth hygiene.

## HINT-OF-THE-DAY

## Bowling for Trim Hips

Bowling is the ideal exercise to keep troublesome hip bulges down. In Hollywood it has become one of the most popular sports among the feminine stars. It keeps them agile for the camera and helps to relax their minds and nerves after a busy day before the camera.

Don't be misled into thinking that only your arms will benefit from bowling. As a matter of fact, only about 20 per cent of the actual work is done with the arms. The back, the hips are each benefited by bowling, so much so that health and beauty experts declare that no other form of exercise is needed.

One hour on the alleys twice a week will do marvels for your figure and it's one of the few actual reducing exercises that is a pleasure to take.

## Game of Chess Has Been

## Played Since 3300 B. C.

There must be something remarkable about a game that survives for centuries. Chess is played in international tournaments and in homes and in teashops, but what nobody seems at all clear about is: who started it?

The Chinese say that they can trace chess in their own country for more than 20 centuries, but we know it is older than that, asserts a writer in London Answers magazine, for excavations at the Egyptian pyramids brought to light a drawing showing chess being played during the sixth Egyptian dynasty, which is about 3300 B. C.

However, the game was brought to England by the Crusaders about the year A. D. 1095.

The Brahmins of India are believed to be the inventors of playing cards, and to have sent them east and west, to Arabia, Persia and China.

The first mention of them in England occurs about 1278, when Queen Eleanor, wife of Edward I, is supposed to have imported them.

## BRIDE-TO-BE HONORED

Honoring Miss Nadene E. Dancer, whose marriage to Edward Leja of Detroit, will be a coming event, her mother, Mrs. E. H. Dancer, and sister, Joy, entertained at an informal tea on Saturday afternoon at their home in Lhina township.

As the guests arrived, each was presented with a posy in pastel shades by little Shirley Pierce, cousin of the bride-to-be. These contained an announcement of the wedding date which will be June 21. White garden flowers and pastel tapers made attractive house decorations while the table, laid with a lace cloth, was centered with a bowl of white flowers and was illuminated with white tapers.

Mrs. Eleanor Lamberton and Miss Mabelle Notten poured.

The guests, numbering 45, included Mrs. S. Leja and daughter, Evelyn, of Detroit, Mrs. William Barry of Dearborn, Mrs. Dorothy Kaimbach of Ann Arbor, Miss Marguerite Loyelle of Grand Rapids, Miss Anna Brewer of Kalamazoo, Mrs. Christina Merritt, Isabel Bowman, Minnie Boomershine, Mildred Anderson, Mildred Hostetter, Margaret Horning, Marie Loarman and Grace Estelle of Lansing, Mrs. Amarie Tett and Misses Grace Rauth, Anna May Butler, Dorothy Mitchell, Mary Phillips, Ella Livingstone, Bernice Oldfield and Flora Sautell of Jackson and Mrs. Ruth Schminke of Howell.

## Methodist Home

On Monday of last week Mr. and Mrs. Royal Hooper of South Lyon, and Miss Frances Bidwell of Detroit, called on their aunt, Miss Bidwell.

On Tuesday Mr. and Mrs. George Green of Howell, called on Mr. Henry and on Friday Mrs. Peavy and daughter and Mrs. Wickham of Howell made a brief call on Mr. Henry and Mrs. Minor.

On Sunday Mrs. Ida Penniman, Mr. and Mrs. George Kenny and Mr. Paul Hatch called on Miss Switzer and Miss Fleming and took Miss Switzer back to Ypsilanti with them.

Rev. Butts of Fenton, called on Mrs. Bullock on Tuesday.

On Thursday Mr. and Mrs. Griffith of Ann Arbor, called on their aunt, Mrs. Welles.

Mrs. Randall's Sunday callers were Mr. and Mrs. E. H. Mumford of Highland Park, and Mrs. Southworth of California.

Mrs. Monroe returned Sunday from spending a most delightful ten days with her sister, Mrs. L. L. Gorton, at Waterloo.

On Monday Mrs. Hempstead had a genuine birthday celebration. She had as dinner guests her two sisters, Mrs. F. J. Rutherford and Mrs. J. J. Bissling, a nephew, James R. Bissling, and a friend, Mrs. Anna Johnson. All were from Flint. Many gifts were brought to her and in the afternoon the guests produced a birthday cake with several candles, other cakes rivaling the birthday cake, a generous supply of ice cream and graciously entertained Mrs. Hempstead's neighbors.

This seems to be vacation season. At present our absentees are Miss Allen, Mrs. Bliss, Miss Burhans, Miss Holman, Mrs. Harlow, Mrs. Macaulay, Mrs. Maynard, Mrs. Pugh, Mrs. Rapley, Miss Switzer, and Dr. and Mrs. Leeson and little Miss Barbara.

On Monday evening Mrs. Bennett, Nurse Beemish, Miss Casterton, Mr. Lowe and Mr. Henry took flowers to the cemetery and placed them on the graves of the members of our family who are buried there.

## NOTICE OF MORTGAGE SALE

Default having been made in the conditions of that certain mortgage dated the first day of May, 1934, executed by William Malady and Bertha M. Malady, his wife, as mortgagors, to the Land Bank Commissioner, acting pursuant to the provisions of Part 8 of the Act of Congress known as the Emergency Farm Mortgage Act of 1933, as amended (U. S. C. Title 12, Sections 1016-1019), as mortgagee, filed for record in the office of the Register of Deeds of Washtenaw County, Michigan, on the 16th day of May, 1934, recorded in Liber 202 of Mortgages, on Page 458 thereof; and which mortgage was thereafter and on the 23rd day of March, 1939, by an instrument in writing, duly assigned to the Federal Farm Mortgage Corporation, a corporation of Washington, D. C. and which assignment of mortgage was filed for record in said office of the Register of Deeds of the County of Washtenaw, Michigan, on the 25th day of March, 1939; recorded in Liber 27 of Assignments of Mortgages, on page 391; and

Whereas, by the terms of said mortgage, it is provided that in case default be made in the payment of any installment of principal or of the interest, taxes, assessments or insurance or any part thereof on any day whereon the same is made payable, and should the same remain due and unpaid for the space of thirty days, then and thereupon, the principal sum of said mortgage, together with all interest, taxes, assessments and insurance paid, shall at the option of the mortgagee, become and be due and payable forthwith, and default having been made in the payment of the interest and taxes provided in said mortgage, which default has continued for more than thirty days, the said mortgagee doth hereby exercise its option to declare the principal sum of said mortgage and all arrears of interest and taxes due and payable.

NOTICE IS HEREBY GIVEN that said mortgage will be foreclosed, pursuant to power of sale, and the premises therein described as:

The East Half of the Southwest Quarter of Section Twenty-three and also the Northeast Quarter of the Northwest Quarter of Section Twenty-six, and also the North Half of the West Half of the Northwest Quarter of Section Twenty-six, all in Town Four South, Range Four East;

Lying within said County and State will be sold at public auction to the highest bidder for cash by the Sheriff of Washtenaw County at the front door of the Court House in the City of Ann Arbor in said County and State, on Tuesday, August 29, 1939, at two o'clock P. M. There is due and payable at the date of this notice upon the debt secured by said mortgage, the sum of \$6081.84.

Dated May 27, 1939.

## Ancient Stairway Excavated

Excavations being carried out at Pachacamac, Peru, have resulted in the laying bare of the remains of a monumental stairway, which was probably one of the main approaches to the Temple of the Sun.

## Famous Hymn

Annie Sherwood Hawkes (1853-1918) wrote the words of the famous hymn, "I Need Thee Every Hour," while engaged in household tasks in her home in Brooklyn, N. Y. Later she handed the verses to her pastor, Rev. Robert Lowry, who composed the tune.
