Case of Scarlet Fever Is Reported In Chelsea

According to information received from the County Health Department, a case of scarlet fever was reported in Chelsea on Monday. The case reported is a five-year-old boy whose home is on West Middle street. Immediate steps are being taken in an effort to prevent an epidemic of the disease.

Parents are advised by the health department to take every precaution possible. If children show any signs of illness they should not be allowed to go to school or to mingle with other children until the nature of the disease is determined. Brothers and sisters should also be kept at home.

School teachers have been advised by the county nurse to be prompt in sending children home when any sign of illness is detected.

Most common symptoms of scarlet fever, according to the health department, are sore throat, flushed face, fever, headache, rash, upset stomach, and in rare cases the disease may resemble a common cold when it starts to develop.

Cases of scarlet fever, which have been reported in the county recently, have mostly been of a mild form. In Dexter a number of cases developed because of the fact that first cases were so mild that they were not diagnosed as scarlet fever and the patients were not confined to their homes.

However, the nature of the disease may become more serious, and it is hoped that parents and teachers will take every possible precaution so that Chelsea may not experience an epidemic of scarlet fever.

**Churches Will Unite for
Thanksgiving Service**

Each year the Protestant churches of the community unite in a union service of Thanksgiving. This year the annual service will be held in the Congregational church, on Wednesday evening, Nov. 19. Rev. Fred D. Mumby of the Methodist church will be the preacher for the occasion. The Congregational church choir will sing the anthem, "Isaiah—Good Thing to Give Thanks Unto the Lord."

All church members and friends are invited to attend. The religious character of the community is determined by the interest shown in such services. Our village has established a fine tradition in crowding the churches to the doors on such occasions.

PRIVATE STONE HONORED

Private Clyde E. Stone of Fort Bragg, North Carolina, who is visiting his parents, Mr. and Mrs. Howard Baker, was guest of honor at a pot-luck supper at the Legion Home on Saturday evening, Nov. 8. About forty Legionnaires, their families and friends were present.

After a very nice supper, served by the ladies of the Auxiliary, the Post Commander, Paul C. Maroney, made a few introductory remarks. The Adjutant, Carl C. Chandler, acted as toastmaster and introduced Private Stone and his guest, Miss Helen Bullock of Detroit. On behalf of the Post and the Auxiliary the guest of honor was presented with a gift.

Private Stone gave a very interesting talk on his experiences and the life of a Selectee in the Army of today. He has completed the thirteen weeks basic training in an Instrument and Survey Battalion, and upon his return to Fort Bragg will be sent to a regular unit.

Red Cross Starts Annual Roll Call

With its responsibilities tremendously increased by war and national defense, the Washtenaw county chapter of the American Red Cross has opened its annual Roll Call membership drive. This year's Roll Call quota is 12,375, nearly double last year's membership of 6,530 in the county.

The local drive for memberships will be in the form of a house-to-house canvass, as has been the custom for the past several years. The drive will continue until Thanksgiving, and if anyone is not solicited in the canvass it will be appreciated by local Red Cross officials if contributions are taken to the Chelsea State Bank.

Adding the morale of the nation's armed forces and safeguarding the life and health of the civilian population is the two-fold task of the Red Cross. In the coming year local Red Cross officials hope to greatly expand the organization's program in the strengthening of national defense as well as carrying on its regular program of safety training and aid to persons in distress.

Last year, the Red Cross aided 126,515 soldiers and sailors, provided 6,500 nurses for military and naval service, trained 865,271 persons in first aid, and water safety, found and used 10,000 volunteer blood donors, aided 217,201 disaster sufferers, enlisted 121,597 volunteers and \$47,087,062 to provide aid to foreign war victims.

Red Cross officials point out that these services will have to be expanded in the coming year to meet the new needs of the defense program and the war in Europe.

Nearly 7,000 persons took part in Washtenaw county's Red Cross program last year. First aid training was made available to 268, life saving and water safety instruction to 215. Eighteen received training in home nursing.

Food and nutrition courses in Ann Arbor and Ypsilanti adult education programs are training personnel to feed masses of people in times of emergency. Thirty-four women are being trained in rudimentary motor mechanics so that they will be available for emergency service.

The local Red Cross daily acts as an intermediary between men in the armed forces and their families in Washtenaw county, obtaining emergency furloughs, dependency discharges, and other services.

The Junior Red Cross has given Washtenaw county children an opportunity to do their part in Red Cross activities as well as training in good community living.

Volunteer workers of the Red Cross in Washtenaw county have produced more than 6,000 sewed and knitted garments and 92,000 surgical dressings for military and war relief use. Persons in war-torn areas of Europe have received 42,000 of the surgical dressings.

The Washtenaw Red Cross organization includes chapter headquarters and branch units in other communities of the county. Mrs. A. L. Steger is branch chairman and Roll Call chairman in Chelsea.

Kiwanians Start Drive For Boy Scout Funds

President Alfred D. Mayer of the Kiwanis club has announced that the annual drive for funds to support the Boy Scout Troop of Chelsea began on Monday evening. The Kiwanians will solicit contributions from the residents of Chelsea and vicinity in order to finance and support this worthwhile endeavor for the coming year. Chelsea will surpass its quota of \$300.00 if each of the merchants and townspeople will contribute a small amount to support this activity.

The Boy Scouts have completed many beneficial projects during the past year under the able leadership of their scoutmaster, Lowell Davisson. They have ushered at the football games in Ann Arbor, have assisted the community by actively supporting the Red Cross, Tuberculosis Stamp sales, aluminum drive, and have helped in various school activities. At the present time the Scouts are gathering old paper in order to help reduce the paper shortage in private industry, as well as a means of raising money to defray their expenses at camp next summer. The troop has increased in size during the past year and many of the Chelsea Scouts have achieved coveted positions and received many fine awards at district Courts of Honor recently for their diligence and perseverance.

It is hoped that the Troop will progress even further during the coming year under the new leadership of Frank Edgar, Jr. and Milton Swopshier, and residents of the community are urged to assist the scout program by making a contribution to this good cause.

Chelsea Basketball League Organized

Quite a number of basketball enthusiasts convened at the Community Hall on Wednesday evening and formulated plans for the new Chelsea Basketball League. Willard Guest was chairman of this meeting and he briefly described how the league would function for this year. He stated that there would be six teams in the league and that they would play their games each Wednesday evening from December 3 through March 1. Mr. Guest explained to the gathering that a rules committee would promulgate the rules covering the games and would draft a schedule for the season. He stated that all basketballers would have two nights of practice before the season commences and urged all those men interested in basketball to report at the Chelsea high school gym at 7 o'clock Wednesday evening, November 19 for the first practice session.

Guest also mentioned that the young women of Chelsea might have a league this winter if there is sufficient interest in this activity. He stated that the women might have the earlier hour on Wednesday evening for the recreational program, and that the league games for the men would commence later. He concluded this meeting by urging all men and women of this vicinity who are interested in basketball to be at the high school gym on Wednesday evening, November 19.

Book Week Observed By Chelsea Public Library

The Chelsea Public Library presented an exceptionally fine program at the library on Wednesday, Nov. 5, to help commemorate Book Week. There is no doubt that this program went far in impressing the value of books in the everyday lives of young and old.

Miss Edith Thomas, director of the Children's Book Fund of Michigan, gave two very interesting book talks to the public school children in the afternoon. She talked about the books in the collection she brought to the library.

In the evening Miss Thomas gave another entertaining and enlightening discussion on some of the best sellers in fiction and biographies to an adult audience of over fifty people.

CARL WEEKS GOES TO ENGLAND

Second Lieut. Carl H. Weeks, Jr., son of Mrs. Ellen P. Weeks of Crooked Lake, will sail this week for England, where he is being sent to observe the airplane warning service. He is 27 years old. He attended the university of Michigan and in 1937 graduated from Stetson College, Fla., specializing in dramatic art. For several months he was radio announcer at the Jackson broadcasting station. He entered army service in California and later received his commission as second lieutenant in the signal corps. Mrs. Weeks joined him for a visit in New York City before his departure.

THANK YOU!

The teacher of the Jerusalem School District wishes to thank all the citizens of Chelsea and vicinity who helped her in any way to make the 12th Annual Fair and Dance at Mannie's Inn on Nov. 7 for the benefit of the school, the big success it was.

Alfred Jedele of Ann Arbor won the men's door prize, a turkey, and Gladys Buss of Rogers-Corner, the ladies' door prize, also a turkey.

A very large crowd was in attendance, in spite of the rather bad weather. The sum of \$246.07 was cleared. Thank you all for your kind support.

LIBRARY NEWS

Through the courtesy of Miss Edith Thomas, Director of the Children's Book Fund of Michigan, a collection of beautiful children's books has been loaned to the public library. These books have been on exhibition in the library during Book Week and will be loaned to the children, beginning Monday, Nov. 10, until Dec. 20. Upon the recommendation of Miss Thomas, the loan period will be limited to seven days so that a large number of children may use these books. All the books in the loan collection are new books. In order to be able to return them in a fine condition we urge all children to handle them with clean hands and with great care.

The Book Fund for Boys and Girls of Michigan was established by the late Senator James Couzens, in order to help provide good literature to children ordinarily deprived of such privilege. Because of her intense interest in children's books, Miss Thomas was selected as director of this fund, and since its institution in 1929 has been able to purchase thousands of the best children's books. These books are arranged in collections of 25 to 50 books and sent to communities with very small library facilities, particularly rural or small town communities. It was because of Miss Thomas' keen interest in our community and its public library that we were fortunate in receiving this fine collection.

Look into the Last Mile... FIRST

BUICK BUILDS FOR DEFENSE

Our assignment: Building Pratt & Whitney valve-in-head aircraft engines for defense use.

MAYBE it's a little hard to picture this trim Buick as it will look on that unknown day when you come to turn it in.

There may be scars in its fenders, and use-stains on its upholstery—but the thing that matters is it'll still be going great guns.

You can count on that husky valve-in-head straight-eight to be ticking off the miles with the satisfying extra efficiency it now boasts.

You can rely on Compound Carburetion† to hold your gas-costs down, squeezing every last power-packed mile out of the fuel you burn.

There won't be any loss of easy comfort in those all-coil springs, or any need for care to keep them gentle.

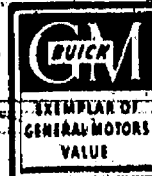

As for the drive—well, there's just nothing to go wrong with a simple steel shaft encased in a stout torque tube!

Tires? You may be through the second or third set before you're finished with any car you buy now—but those Buick broad-rim wheels will see to it you get the top mileage each can give.

As for such things as connecting rods and bearings—Buick rods are extra strong, while tests show that our oil-cushioned bearings last twice as long as others under the same load and service.

So go right ahead! Buy this Buick on its last mile instead of its first. That's the smart way to buy these times.

Of this you can be sure: No other car's going to offer greater surety of

long, pleasurable, dependable service—so if you can get a Buick now, better grab it!

No other car has

Additional Deer Camp Permits Are Available
Lansing—Printing of 5,000 additional deer camp permits to take care of the demand for licenses that may be filled by taking either a buck or a doe marks the eve of Michigan's 1941 deer season, the first in 20 years in which the killing of deer is legal. Several thousand 1941 camp permits already have been distributed, where last year the conservation department sold only 700.

Many camps in the deer territory were open early, and these were no clear indication in the pre-season northward movement that the number of hunters in the woods would be greatly different from the 177,750 who bought deer hunting licenses last year. These hunters last season killed 51,713 bucks, nearly 800 bears.

In the bow and arrow season ending November 14, archers made Michigan hunting history by killing a bear with arrows near Rosecommon, and by killing the first doe legally hunted and shot in Michigan in two decades, for a camp deer, near Baldwin.

After the big season November 1930, those of the 500 Allean lottery winners with licenses still unfilled will take their guns to central Allegan county December 1-10 for Michigan's first all-antlerless deer season, designed to reduce a herd now a nuisance to agriculture.

Best Gobblers and Hens Won't Lose Their Heads

There's some mighty fine gobblers and young hens that won't lose their heads in the Thanksgiving scramble. Out of an estimated 600,000 turkey crop in Michigan this year, wise farmers are sorting out some of the most likely looking birds for propagating the 1942 flocks.

Michigan has 5,000 farms on which turkeys are grown commercially, according to O. E. Shear, of the poultry department at Michigan State College. He ought to know, for he knows many of these turkey growers from his extension work at the college.

Nearly all of these growers found out by advice and experience that it is wise to save out some of the best birds for use in breeding the next year's birds. Shear reports.

The wrong practice is to get the best ones to market and then save the culls and crooked breast birds for the breeding flock.

"Birds saved ought not to be later than the May hatch," says Poultryman Shear. "These turkeys should be of good type and have short legs, well fleshed drumsticks and breasts and straight necks. The breeding birds also should be from those that tend to mature quickly."

Another turkey grower's success factor calls for selecting young birds, rather than saving those that are two or three years old. The older birds get lazy. The hens seldom lay as many eggs and the strutting gobblers become inactive as they take on age.

Shear suggests any expansion in 1942 be taken cautiously in the turkey business. Persons new to the business frequently have heavy losses from deaths of young birds or failure to feed and house the flocks properly.

Journalists Guests of

Matrix Society at MSC

On Saturday, November 8, the Journalism Club of Chelsea high school were guests of the Matrix Society at Michigan State College where they attended the second annual high school press conference.

The program for the forenoon consisted of roundtable discussions in five groups—Printed Papers, Mineo Graphed Papers, News in City Papers, Editorial Division for Annuals, and Business Division for Annuals.

At 11:30 a luncheon was held in the dining room of the Union. Mr. Hardy, editor-in-chief of The Wolverine, was the speaker.

The afternoon meetings were division meetings. Sixteen schools were represented.

Senior News

The seniors have chosen the following people to serve on the decoration and advertising committees for the Alt-Hi party. Those on decorations are: John Hale, chairman, Pearl Alexander, Arlene Koenigter, Nancy Fleming, George Freysinger, Bob Fitzsimmons, Donald Heurion. Those on advertising are: Mary Birch, chairman, Geneva Brown, Lawrence Dietle. The committee has already started to work on the decorations.

Our Seniors

Pearl Alexander, age 17, has brown hair and eyes. She was born in Chelsea on July 12, 1924. When asked her description she told us she was 5 ft. 2 in. tall and about her weight. "She just won't talk." Along with the rest of us Pearl likes blue. When listening to the radio she likes to hear the "Quiz Kids" and Piano Concerto in B Flat. As you have no doubt heard, Pearl is an excellent bowler which is her hobby. Then she takes time out for a movie. She liked "Lady Be Good." Soon basketball season will be here and she enjoys watching this sport. We can't forget to mention that Pearl likes French fried potatoes. Next year she, as yet, has not decided what she will do.

Lady Luck Smiles

Chelsea's football team went out Friday with intentions of winning one for a change and that's just what they did by administering a one-point defeat to Roosevelt high school of Ypsilanti.

Chelsea scored first in the opening minutes of the second quarter after a powerful march of 53 yards. Lane, Kern and Policht alternated line bucks and off-tackle starts to the one-yard line, where Kern smashed over his own left tackle into pay dirt territory, and then Policht passed to Captain Larry Dietle in the end zone for the extra point.

Roosevelt made their lone tally

midway of the third quarter when Bob Strieter shot back a bad center to Jr. Miller standing on the two-yard line in punt formation. Miller deflected it a little but couldn't hang on to it. Roosevelt downed it on the one-yard line and then went over on the third try. Here Lady Luck stepped in for Chelsea and Roosevelt's attempted place kick for conversion was blown wide of the goal posts.

And that's the way it ended. Roosevelt's touchdown was obtained as the direct result of a bad center as I mentioned before but no one can default Strieter's centering for this game nor any other in which he's been snapping the pigskin back. He's done an excellent job. Considering the weather last Friday, this reporter thinks he did an even better than excellent job—an opinion on which I think you'll all agree.

Bulldogs play Manchester's Flying Dutchmen this Friday in their annual clash of the year. Let's all go and see our boys in action for the last time this year. Especially our Senior boys who will be in action for the last time. Captain Larry Dietle, left end; Chuck Lane, fullback; Junior Miller, right end; Dick Schmidt, right guard, are the boys who will step onto a gridiron for the last time. Let's back them, win, lose or draw because they'll be out there playing their hearts out for you and their team. See you at game time!

Gaddin' With Gadd

I have had many inquiries as to what had become of this column, so I have decided to start it again. I hope that it will be enjoyed by all.

This season has been disastrous one for Chelsea. They've had seven defeats and one win, which is almost as bad as can be done. Manchester has had bad luck too. They have three defeats, two ties and two wins, which, while not as bad as Chelsea's, isn't very impressive.

The lineup for Manchester's Flying Dutchmen which will oppose Chelsea is as follows: Parr, LE; Waters, LT; Lamb, LG; Knauss, C; Cushman, RG; Rzyzaniak, RT; Rolley, RE; Captain Dietle, Fullback; May, QB; Kinsler, RB; and either Wurster or Clark, LH. According to Coach Romani, Floyd Parr is their best defensive player. Captain Sutton and Junior Kinsler alternate at carrying the ball. Coach Miller, who scouted last Friday's 0-10 tie between Manchester and Clinton, says that Sutton is the one to watch. Manchester runs mainly from a double wingback with an occasional short punt formation work in. Sutton is the man directly behind the center and therefore handles the ball on most every play. The Chelsea fans must have one thing in mind next Friday and that—watch and stop Sutton!

In the starting Chelsea lineup will be Captain Larry Dietle, LE; Mack, LT; Merkel, LG; Strieter, C; Schiller, RG; Downer, RT; Jr. Miller, RE; Jr. Gross, Q; Kern, RB; Policht, LH. As this goes to press the conditions of Captain Dietle or Gadd are not known. Dietle hurt his knee in last week's game and it has swelled to almost twice its size but we hope he'll be able to play. Your reporter has not gotten a report yet of the condition of his fractured ribs but he hopes for the best. The lineup quoted above is subject to change, of course, as to the conditions of these two boys.

Let's have as good a crowd at the games as we can get. If you support the team they'll feel much more like playing a better game for you. Come and see the boys in action for the last time this year.

Girls' Athletics

Last Tuesday basketball practice was officially welcomed in, bringing with it a large group of girls who have high hopes of making the first team. There are a number of last year's "stars" out again but there is also a group of new girls who are doing their very best to compete with their experienced playmates.

From the amount of enthusiasm that is shown during practice there is no reason why Chelsea should not bring home a few well deserved victories.

Bowling scores:
Mick's Moobies 477
Merkel's Greenbombs 473
Birch's Benarats 381
Marilyn Lyons had high score with 142 pins.

Pep Meeting

The Juniors had charge of the pep meeting Friday morning. It was held in the gym. The stage represented a dining room. Margaret Knapp, Luther Kusterer and their daughter, Helen Grabowski, were eating breakfast. Their son, Duane LaVan, came in. He turned the radio on and in a few moments Bob Strieter's voice was heard. He was announcing Tom Lyons, a sports commentator. Tom made a few comments about the game and then he called upon Mr. Rust, Lawrence Dietle, Miss Fox, and Mr. Cameron to comment about the game. The program was concluded when Bob Strieter came back on the air and said a few words about Grapci-Bopsie breakfast food.

Dorothy Heller was an over night guest of Marian Schiller on Friday.

In history our work is varied so as not to make it boring. Last week we all had to find a picture of an automobile and pictures of the different things or industries the automobile has affected. Most everybody seemed to enjoy it and they worked very hard on this project.

In home economics we are getting our patterns out. Every three weeks our class in home economics is supposed to find something interesting to put on the bulletin board. We haven't done so good so far but we are going to do better.

We are glad to have Robert Barlow back in school again. He was out of school about three weeks because of illness in the family.

This is Book Week and all the libraries are celebrating it. The Grade Library has had a little table in the hall displaying all the new books. Our girls have taken turns sitting at the table to answer questions about the books. Those who helped are Doris D., Myrna, Mary K. P., Helen J., Mary Jane J., Doris G., Joyce C., Ellen Jane, Helen W., and Deloris E.

Because of Book Week we have learned about the make-up of a book. We each wrote a report of the book we liked best and then made a book of these reports. We made a little page, a dedication page, a preface and a table of contents.

On Wednesday the grades went to the library to hear Miss Thomas from the University talk about library books. We found out about some good new books and funny story books. We hope we may read them soon.

We have been studying about the people who lived in castles. This week we learned about the sports they had, such as the hawking party and tournaments.

This week we have been studying about the power of magnets, compasses, and electricity. Once people didn't know lightning was electricity. So one rainy day Benjamin Franklin took a silk kite and got it up in the air. Then he tied a copper key on the end of the string and when the lightning struck the kite the electricity went down the string to the key.

MORTGAGE SALE

Whereas, default has been made in the payment of money secured by a mortgage dated the tenth day of July, A. D. 1940, executed by Arthur P. Trevithick and Virginia H. Trevithick, husband and wife, to Ann Arbor Savings and Commercial Bank, a Michigan Banking Corporation, of Ann Arbor, Michigan, which said mortgage was duly recorded in the office of the Registrar of Deeds of Washtenaw County, Michigan, in Liber 223 of Mortgages on page 55 on July 11th, 1940 at 9:55 o'clock, A. M. And whereas, by the terms of said mortgage, it is provided that in case default be made in the payment of any installment of principal or of interest, taxes, assessments or insurance or any part thereof on any day whereon the same is made payable, and should the same remain due and unpaid for the space of thirty days, thereupon, the principal sum of said mortgage, together with all interest, taxes, assessments and insurance paid, shall at the option of the mortgagee, become and be due and payable forthwith, and default having been made in the payment of installments of principal and interest provided in said mortgage and taxes, which default has continued for more than thirty days, the said mortgagee do hereby exercise its option to declare the principal sum of said mortgage and all arrearages of interest and taxes due and payable.

And whereas, the amount claimed to be due on said mortgage is the sum of \$1,704.40, and interest of \$35.50, and taxes in the amount of \$76.85, and the further sum of \$35.00 as an attorney fee stipulated for in said mortgage and the whole amount claimed to be unpaid on said mortgage is the sum of \$1,815.75, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now therefore notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described, at public auction to the highest bidder at the south front door of the courthouse in the city of Ann Arbor in the county of Washtenaw, on the 5th day of December, A. D. 1941 at ten o'clock in the forenoon of said day, which said premises are described in said mortgage as all that certain piece or parcel of land situated and being in the city of Ann Arbor, in the county of Washtenaw, and State of Michigan, to-wit:
