Annual Banquet Will Honor Football Players

The annual football banquet will be held next Monday evening at 8:30 in the high school gymnasium. This banquet is sponsored by the Kiwanis club for the football players, and the dinner will be prepared by the Seniors and their mothers.

During the dinner there will be music, and a program will follow. The toastmaster for the evening will be A. D. Mayer, president of the Kiwanis club. Group singing will be a feature, led by Ruth and Jerry Niehaus. Mr. Cameron will present football letters to the boys, and Lawrence Dietle, captain of this year's squad, will introduce the captain for next year.

The committee is fortunate in having Ernie McCoy, of the U. of M. coaching staff, as the speaker for the evening. Mr. McCoy will also show pictures of the Northwestern-Michigan game.

Much effort is put forth to make this banquet and program a success, and it is hoped the public will take advantage of the opportunity to attend.

R. P. Carpenter Corps Holds Annual Meeting

The annual inspection meeting of the R. P. Carpenter Corps of the W. R. C. was held Tuesday, November 26, at Kolb's hall. Mrs. Elizabeth Collier of Highland Park, who is assistant state inspector, was present at the meeting and the Corps was highly complimented on its ritualistic work.

Interesting reports were given by Helen Kilmer, chairman of the sick committee, and Myrtle Dreyer, chairman of the relief committee, who also gave an account of the card party held in October.

Plans were made for the annual Christmas party to be held Wednesday, December 10, at the home of Mrs. Lyle Christwell. Husbands of members will be guests at the party and a pot-luck dinner will be served at 6:30. Each person is to bring a 10c gift, also a donation for the Christmas bazaar which will be distributed to the needy at holiday time.

Following the closing ceremonies, the president, Viola Bird, in behalf of the Corps, presented Mrs. Collier with a gift.

Refreshments were served by the committee in charge.

Basketball League Games Start Dec. 3

Teams comprising the Chelsea Basketball League held their second practice session on Wednesday of this week. Willard Guest, who is in charge of the league states that the players have been grouped into teams and that they will play their first games on Wednesday evening, Dec. 3.

There are quite a number of young women in Chelsea who desire to play basketball and there is a possibility of having a women's league here this winter.

Mr. Guest stated that there is still time for those who wish to play basketball this year to be placed on a team in the league, but urges those interested to contact him without delay. The games for next week and the men on the various teams will be posted on the bulletin board at the Community Hall as soon as possible.

All basketball games will be played on Wednesday evenings at the Chelsea high school gym and the public is invited to attend.

"Rabbit Fever" Can Be Quickly Diagnosed

Lansing—Any person who fears he has contracted tularemia (rabbit fever) can have his doubts quickly confirmed or dispelled by laboratory tests, according to Dr. S. C. Whitlock, conservation department pathologist. He advises immediate consultation with physicians when a person suspects he has symptoms of the disease.

Nine cases of tularemia not immediately recognized as such and only recently reported to the conservation department brought warnings from Dr. Whitlock that rabbit hunters in Jackson county should be on guard against infected rabbits. Eight of the nine cases discovered were within a circle of 10-mile radius southwest of Jackson. At least one case has been reported in Chelsea.

Southern Michigan doctors are being advised to watch for evidences of the disease.

Most human cases of tularemia, Dr. Whitlock says, are contracted through cuts or other injuries on the hands. Germs gain entrance to the body through breaks in the skin, when infected rabbits are being cleaned.

The victim usually begins to feel sick about three or four days later. In the beginning the disease ordinarily is characterized by fever, chills, sweating, headaches and general prostration. When the infection has been picked up through a wound on the hand, tender swellings appear under the arm at the elbow or shoulder. The infected wound gradually becomes a small ulcer which may remain for weeks before healing. The swellings may become abscesses and finally break or may gradually disappear.

Doctors recently announced that the death of Mrs. Bell Waters, elderly Battle Creek woman, was not due to rabbit fever, as was first believed. Only fatality from the disease in Michigan to date this year is that of six year old Janet Schultz of Marshall, late in May.

Ohio-Michigan Pictures Will Be Shown Tonight

The Chelsea Community Association announces that its first civic program will take place at the Community Hall, West Middle street, on Thursday evening, November 27 (tonight). The association has engaged Ernie McCoy of the University of Michigan to give a brief resume of the highlights of the past football season in addition to showing the pictures of the football game played last Saturday between Ohio State and the University of Michigan. This program is open to the public and will commence promptly at 8:00 o'clock.

The association has scheduled a series of such programs for Chelsea during this winter and the residents of this vicinity are invited to take advantage of these highlight events.

WOLF-LEAVENWORTH WEDDING

Miss Mary Lillian Wolf, daughter of Dr. and Mrs. C. F. Wolf of Ypsilanti, and Max Leavenworth, son of Mr. and Mrs. E. W. Leavenworth of Carleton, Michigan were united in marriage on Saturday evening, Nov. 1, at 8 o'clock, at the home of the bride's parents. Dr. Wolf, father of the bride, performed the ceremony.

The bride wore a pouffe blue dress with a corsage of pale pink roses and a dainty little hat to harmonize. The maid of honor, Miss Jane Belser of Chelsea, was dressed in a medium blue dress with a corsage of dainty flowers and a tiny hat to match.

Delos Leavenworth, brother of the groom, was best man. He and the groom wore white carnations in their lapels, as did also the brothers and fathers of the young couple. The mothers and sisters wore corsages of white gardenias.

After the ceremony, a lovely four-tiered wedding cake was cut, and served with ice cream.

The newly married couple will make their home at 20037 Omira St., Detroit.

Mr. Leavenworth, who graduated from Michigan State Normal College at Ypsilanti in 1933, teaches industrial arts in the Grosse Pointe school, Detroit. Mrs. Leavenworth, who graduated from Chelsea high school in 1936 and from Michigan State Normal College in 1940, teaches music in the Oliver Wendell Holmes school, also in Detroit.

Parents Warned of Diphtheria Danger

Diphtheria has become a serious danger to thousands of Michigan boys and girls who formerly were protected against it, says the Michigan Department of Health.

"The situation is new and we want to impress its gravity upon parents, physicians and local health departments," says Dr. H. Allen, Moyer, State Health Commissioner. "Several years ago it was believed one dose of toxoid gave protection against diphtheria from babyhood on through childhood, but we know now that the immunity from one injection gradually disappears."

"As a result, diphtheria is now being found in older school children, even high school boys and girls in some instances. Their immunity is at too low a level to protect them. There are thousands more children in the state who will take diphtheria if exposed unless their immunity is raised by second doses of toxoid."

Children under 12 who have had only one injection of toxoid should have a second dose as a booster, Dr. Moyer said. Such a program is being carried out in Oakland county, one of the counties where diphtheria has been found recently in schools. The Oakland county health department is giving toxoid injections to restore immunity in children where it has fallen low.

It was an enjoyable night for all. Dwight Gadd.

Chelsea Chatter

By Archie Wilkinson, Jr.

Hello Folks, I hope you like this new column. It is going to be different from the columns in most small town newspapers; for I think Chelsea is different, and better, than most small towns. Maybe I'm prejudiced, though.

"When Ladies Meet" at the Sylvan, is a sparkling comedy with Joan Crawford and Greer Garson fighting for the love of Robert Taylor. Monday is a good night to go if you wish to get a seat. Tuesday, as a special attraction, they have the Chelsea High Band and the movie "Great Guns."

SCOOPI! Our friend Ceithaml, instructor at Cassidy Lake this past summer, has been elected captain of the U. of M. football squad for the 1942 season. Perhaps J. W. can tell us more about this.

That good looking "Pap" Palmer was chosen by Gary as one of the fourteen most beautiful freshmen girls on the U. of M. campus. Nice what?

"Sis" Palmer has a new boy friend. His name is William Parker Van Buren, and he plays with the Michigan State College band.

"Bunny" Lyons has been finding money scattered all over the lobby of the Sylvan. Line forms on the right.

BUICK BUILDS FOR DEFENSE

THE needs of the defense program dictate, as in good sense they should, how many Buicks we can build for you in 1942.

The requirements of national security determine what materials can be used, and which ones must be conserved for our country's defense.

But—and this is spur and hope to men of ingenuity—there is no limit in any of that on how well we may build with the materials at our command.

So we invite you to look upon this car not as you would any ordinary new model, but as an unusual vehicle built to square with unusual times.

Check into the strength we have forged and hammered and wrought into the frame, the chassis, the drive.

Look into the everlasting softness which creative discontent with "good

enough" has provided in soft, all-coil springs.

Dig into the engine, and see how resourceful engineering has stepped up the efficiency of valve-in-head design with Domite pistons and FIREBALL compression—how it also enables you to conserve fuel while actually getting more power through Buick's exclusive Compound Carburetion.

You may have little interest normally in things like connecting rods and main bearings and wheel rims.

But it is of utmost importance now that Buick knew how to strengthen rods for heavier duties, without increasing weight—that Buick found a way to oil-finish crankshaft journals so as to double bearing life under equal loads—that every Buick wheel has a rim that not only provides a

steadier and smoother ride but actually insures top tire mileage.

Little of this special ruggedness shows in the suave outward look of this trim and steady-rolling Buick—the beauty you see there is merely the garnish on the solid substance beneath.

But examine such structural details and we believe you'll quickly discover one fact:

While there may be a shortage of cars and of materials from which to make them, there's no shortage in stamina in the cars Buick builds.

And what is more important in any car these days?

No other car has ALL THIS FOR YOU IN "FORTY-TWO"

FIREBALL STRAIGHT- EIGHT VALVE-IN-HEAD ENGINE COMPOUND CARBURETION (standard on most models) OIL-CUSHIONED CRANKSHAFT PINS AND JOURNALS STURDI-LITE CONNECTING RODS STEPPON PARKING BRAKE * BROADRIM WHEELS FULLY ADJUSTABLE STEERING POST * BODY BY FISHER WEATHERWARDEN VENT-HEATER (standard on LIMITED models, accessory on other Series).

Our Neighbors

TECUMSEH—Mrs. Juanita O'Reilly, widow of the late David O'Reilly, died Friday at her home in Clinton after only a few hours' illness. She had worked as usual on Thursday in the Clinton postoffice where she was assistant postmaster.—Herald.

DENTER—Jay Lucas of Huron River Drive proves his ability as a vegetable grower in no uncertain terms these days by the exhibition of large white radishes that he has raised on his farm. He brought one to the Dexter Leader office Tuesday morning that weighed over seven pounds and measured 32 inches from the top to the tail. He says they are as tender and sweet as anyone would wish.—Leader.

HOLLY—Flames, starting in the attic near the chimney, completely destroyed the White Lake Presbyterian church Sunday noon. Children, going to their Sunday school classes on the second floor, discovered the blaze and their teacher, Helen Patterson, notified Ernest White, a trustee, who took charge of ushering the congregation and scholars from the church in orderly fashion. The church, a landmark in the community for the past 106 years, burned rapidly. The community celebrated the church's centennial anniversary in 1935. Only recently the building was painted inside and out.—Herald.

PLYMOUTH—Mrs. Homer Burton of 264 North Harvey street is the first Plymouth limited to return home with her deer, even though she had to go way down to old York state to get the big buck. This Plymouth hunter years ago lived in New York and in years past was a most enthusiastic hunter. Some weeks ago she decided to go back to her native state for a hunting trip up near Lake Placid where she had often hunted in previous seasons. It was her good fortune to bag a nine-point buck, weighing more than 200 pounds. The deer was shipped to Plymouth by railway express. There was over six inches of snow in the section of New York where Mrs. Burton hunted and the weather was extremely cold, she stated.—Mail.

Francisco

The Walter Bohne and Truman Lehmann families attended the Musbach reunion in Waterloo on Thanksgiving.

Word was received here Friday morning of the death, on Thursday, of Mrs. Helen Prudden Cady at her home in Jackson. As Miss Helen Prudden of Chelsea, she taught in the Riemenschneider school, District No. 12, in 1887 and 1888 and several residents in these parts were her pupils.

The Cadwells spent Thanksgiving with Mr. and Mrs. Clyde Cady, where Mr. and Mrs. Hamann-Lyon of Akron, O. were holiday visitors.

Most of the deer hunters from this locality are home with their game.

The Sheldon H. Frey family spent

Sunday with the home folks. Mrs. Carrie Rank was a caller. Charles Lockwood is confined to the house by a case of rabbit fever. His physician has the case under control and the patient hopes to be out soon. Mrs. Josephine Peterson is not so well at this writing as she has been the past few months.

Obituary

Benjamin Frey, son of Henry and Lydia (Nichthammer) Frey, was born in Ann Arbor, May 16, 1884, and passed away at his home in Milwaukee, Wis. on Sunday, Nov. 23, 1941.

When a small child he moved with his parents to Chelsea where he attended school until at the age of eleven years, his mother died and he went to live with her sister in Ontonagon, Michigan. Here he remained for two years, when his father re-established his home in Chelsea. He attended school there until the family moved to Francisco in 1899. They attended high school in Grass Lake two years. He took catechetical instructions under Rev. Jacob Graber and was confirmed in St. John's church, Francisco, in the class of 1901. He later finished a business course at Devlin's College, Jackson. A course in mechanical drafting led him into the teaching field in the Michigan Central Railroad shops, and teaching was his vocation from those days in young manhood until illness last spring ended them.

While teaching in St. Thomas, Ontario, Canada, he met and married Miss Hazel Coulthurst who survived, as do three sons, all of Milwaukee; one brother, Sheldon H. Frey of Detroit; his mother, Mrs. James Cadwell, and a number of cousins. Funeral services at Wetherby's funeral parlors Wednesday at 2 p. m., and burial in Woodland cemetery, Jackson.

KIWANIS NEWS

The Kiwanians enjoyed another in-
teresting meeting on Monday evening
of this week. The program chairman
introduced Mark E. Jefferson of Ypsi-
lanti as the principal speaker of the
evening. Mr. Jefferson is an author-
ity in the field of taxation and traced
the development of taxation in Michi-
gan during the past several decades.
He mentioned that he felt that there
was considerable overlapping in the
various assessment districts and ad-
vocated a more centralized tax collec-
tion system. The speaker urged the
legislature to adopt a single tax which
was similar to the graduated income
tax in place of the multifarious tax
structure which now exists in Michi-
gan and the various other states. Mr.
Jefferson concluded his interesting
talk by requesting the Kiwanians to
remember that the national debt has
been constantly increased during the past
decade and that they should attempt
to formulate a system of taxation in
their communities, states, and nation
which would be essentially fair on all
those who must pay taxes.
