DEFENSE MEETING TONIGHT

Chelsea May Benefit As Defense Area

Either Housing Or Highway Project Is Being Considered

There is a possibility that Chelsea may benefit from the current defense boom here to the extent of either a house-building project or the construction of highways leading into the village, according to information received by The Standard from a representative of the Michigan Council of Defense.

Harris K. Miller, Director of Research, Michigan Council of Defense, spent last Friday in Chelsea, making a survey of conditions as they exist in the midst of the industrial expansion necessitated by the manufacture of defense materials.

According to Mr. Miller, much attention has been attracted to this village because of the increased number of employees on local payrolls, and an effort is being made to determine just what can be done to alleviate the housing shortage and overcrowded conditions now existing.

There are arguments in favor of expansion of housing facilities, and also for the highway program. It is true that perhaps 50 to 100 new homes could be used at the present time, for if houses were available many who reside in neighboring towns would move nearer their work, and if they resided here more of their income would be spent locally.

On the other hand, when the present boom bubble bursts (and it will), there would be many empty houses or employment would present a grave problem for the community.

If highways leading to the village could be improved under the defense highway program the result would be a permanent asset to the village, and in the meantime those who are commuting from other communities would have paved highways on which to travel, thereby making the time element to and from work of little consequence.

The Michigan Council of Defense could be persuaded to recommend the improvement of M-92, the North Lake road, Dexter road, and Manchester road. Chelsea would be grateful for any action which would be taken to solve the problem.

The Standard suggests that a roundtable conference be arranged, to be held in Chelsea, with representatives of the Defense Council, State Highway Department, Health Department, Village of Chelsea, Sylvan, Lima, Lyndon and Dexter townships, and a few interested citizens in the village as participants in the discussion, and we believe a reasonable solution could be worked out which would be to the advantage of all concerned.

The chorus is fortunate too in having the new curtains for the stage arrive in time for this concert and they will greatly improve the stage appearance.

It is planned to use the proceeds of this concert as a start-up fund for robes which the chorus hopes to have in the future.

WE'RE AT WAR!

Our country is at war! This is the appalling fact that faces every man, woman and child in the United States as the result of the treacherous attack on our possessions and citizens by Japan on Sunday.

It is not within the scope of The Standard or any other weekly newspaper, to inform its readers of the lightning happenings of modern warfare. Radio bulletins and daily newspaper extras have this duty to perform—and thank God we live in a country where radios can be tuned in at will, whether the broadcasts are from foreign sources or from local stations.

But although we are unable to cover the war events, we pledge our support to our country and its war effort in whatever way we may be called upon to be of service—and we know this support will be forthcoming from the more than 11,000 weekly newspapers in the United States.

Perhaps few villages of Chelsea's size in the United States are engaged to any greater extent in the manufacture of vital war materials than our village. Our local industries pledge an all-out effort in efficiency and speed in continuing to provide their just share of materials needed in our supreme war effort. We know that labor in local plants will likewise put forth their best efforts in keeping the wheels turning night and day.

And we know that practically every resident of our community is in full accord with the leaders of our country in the stand they are taking in declaring an all-out war on Japan—and will stand with the rest of the nation in a united front to carry on the war to a successful conclusion.

The President of the United States should have the wholehearted support of every person in the country. Party lines should and must be forgotten for the duration. We must stand united against a vicious enemy who has so ruthlessly attacked us.

Before the fight is finished, Japan and her allies will have to be forced to come home to them that they have grossly underestimated the power and determination of a united American front when faced by insane aggressors who if successful would deprive us of the sacred freedoms we now enjoy.

On to Victory, America!

Annual Legion Kiddies' Party

The annual Christmas Kiddies party sponsored by the Herbert J. McKune Post 31 of the American Legion will be held in the High School Gymnasium at 7:00 o'clock, Monday evening, December 22.

Besides the usual Santa Claus and his presents of stockings full of good things for the children, there will also be entertainment for them.

This entertainment according to tentative plans will consist of motion picture comedies, the novelty band which has proved so popular, and some songs by the school quartet. This quartet, composed of Bob Strieter, Tom Lyons, Duane LeVan, and Luther Kusterer, always pleases everyone.

Don't let the kiddies forget that they have a date with the Legion at seven o'clock, December 22.

Officers Are Elected By Olive Chapter R. A. M.

At the annual meeting of Olive Chapter No. 140, R. A. M., held on Friday evening, the following officers were elected for the ensuing year:

High Priest—Rim Alexander.
King—Paul P. Belser.
Scribe—August Hilsinger.
Treasurer—Carl J. Mayer.
Secretary—Milton J. Baxter.
Captain of Hosts—Jay K. Weinberg.
Principal Sojourner—Peter Kinsey.
Grand Arch Captain—Mahlon C. Dunkel.
Third Veil—Martin Steinbach.
Second Veil—Donald J. Dancer.
First Veil—Carl W. Beutler.
Sentinel—Harold Kuercher.

RED CROSS NEEDS WORKERS!

The surgical dressings division of the local Red Cross chapter is meeting every Monday at 7:30 p. m. in the Home Economics room of the high school. This work is being done by volunteer helpers with the American Legion Auxiliary members as leaders and teachers. All women of Chelsea who are interested in helping with this very necessary part of war work are urged to come on Monday nights and work with the Auxiliary to boost the output of surgical dressings. Please bring 12-inch ruler, silver knife and something to cover your hair.

Committee:
Mrs. John Fletcher.
Mrs. Howard Baker.
Mrs. Faye Palmer.
Mrs. E. W. Eaton.

Legion Asks All Citizens To Respond

Local Defense Plans To Be Discussed At H. S. Assembly Room

By order of the Commander of The American Legion, Department of Michigan, the membership of Herbert J. McKune Post, in keeping with their obligation of Citizenship, has been ordered to hold a public meeting to discuss ways and means of National Defense.

Every man and woman of this community is invited and urged to attend this momentous, patriotic gathering of citizens in the high school assembly room, on the second floor of the high school building, tonight (Thursday) at 7:30, to freely voice their ideas for National Defense, joining with the veterans of the first World War, "for God and Country."

We are living in critical days. The oft repeated phrase, "It can't happen here," is obviously no longer tenable. Perhaps no great disaster can come to this community by way of violent acts of one of us, but let us bear in mind that, within one hour's drive there live, unquestionably, enemy agents and aliens whose citizenship may be a "scrap of paper" or who may, by force, by bribe, by collusion or by threat, react in the same way as Fifth Columnists so efficiently, if dastardly, accomplished their treachery in other lands.

We have lived and hope to continue living, where Liberty and Freedom exist to a degree found nowhere else on the face of the Earth. The time has arrived for an "all out" effort by all of us to maintain these privileges for ourselves and our children and all can, and must, help to defend them! Attend this meeting tonight!

Paul C. Maroney, Commander.

Kiddies Will Be Guests Of Standard On Dec. 20

All children of Chelsea and surrounding communities who are old enough to come without their parents and who have not reached their sixteenth birthday are invited to be guests of The Chelsea Standard at a Christmas party to be held at the Sylvan Theatre on Saturday afternoon, December 20.

Because of the overcrowded condition which resulted at The Standard's Christmas party last year, when more than 600 children were crowded into the theatre which has seating capacity for only 450, it has been decided to have two shows this year. The first show, for children in the village, will start at 12:15 p. m., and the show for the children from rural areas will start at 2:30. This plan will divide the crowd so that there should be no inconvenience for anyone. The age limit has been raised to include more children than last year, and it is hoped by The Standard that they may have the pleasure of having 800 children as their guests that afternoon.

Children who remember the fine show arranged for them last year when the feature attraction was "Five Little Poppers Out West," will be pleased to learn that this year's feature picture will be "Five Little Poppers In Trouble." These shows are produced especially for children and provide plenty of good clean entertainment for youngsters of any age. The program will also include two cartoons, "Mr. Elephant Goes To Town" and "The Art of Sking"; also Our Gang Comedy, "Baby Blue," and a Sport Kid, "Snow Dog."

Now, kiddies, we want you to tell all your young friends about this party, (and tell them that there'll be a treat for everybody, also a gift of The Standard), for we want a large crowd at each show. We want all parents who possibly can, to bring their children to town that afternoon (children in town will be able to come alone). We are making an effort to arrange a party you'll all enjoy—and we know you'll have a good time. Don't forget the date and don't let anything interfere with your coming—Saturday, Dec. 20—village children at 12:15 and rural children at 2:30. The doors will open for the first show at 12:00 o'clock and at 2:15 for the second show.

LOEFFLER-BLUMENAUER.
The ceremony uniting Miss Elsie B. Loeffler, daughter of Mrs. George J. Loeffler of Chelsea, and Walter F. Blumenauer, son of Mr. and Mrs. Theodore Blumenauer of Sharon township, took place at 4 o'clock Saturday afternoon at the home of the groom's parents, with Rev. M. W. Brueckner officiating.

Lohengrin's wedding march was played by Miss Edna Horning. The bride was attired in a street dress of Catalina blue crepe and carried an arm bouquet of Johanna Hill roses. She was attended by Mrs. Carlton Burkhardt of Freedom township, who wore gold colored crepe and carried Talisman roses. Willard Blumenauer attended his brother as best man.

Following the ceremony, a wedding supper was served, with covers for 50. On their return from a short motor trip, Mr. and Mrs. Blumenauer will make their home with his parents in Sharon township.

Short Courses Start Jan. 10 At M. S. C.

Practical agriculture useful in applying science to the state's 186,000 farms feature the 10 short courses offered at Michigan State College beginning Jan. 5.

The eight-week courses will mark another year in a series of short courses that date back in 1894, since which time more than 28,000 have enrolled at East Lansing in short courses, special courses or conferences.

Open to students, according to R. W. Tenny, short course director, will be the subjects of general agriculture, agricultural engineering, commercial fruit production, dairy manufacturing, dairy production, forestry and wildlife conservation, home economics, poultry, practical floriculture and the W. K. Kellogg Foundation course in general agriculture and home economics. Terms end March 6.

Except for the dairy manufacturing course, any person in the state over 16 years of age may apply for admission for this special training without entrance requirements or examinations.

Total expense for the eight-weeks usually varies from \$65 to \$100, including tuition, books, meals, and lodging, says Director Tenny. "Some of the men students can be accommodated in the college short course barracks and others are assisted in finding board and room facilities."

Those enrolled receive 35 hours of scheduled study each week including five hours of physical education, dramatics, discussion, community recreation and short course hour. Activities include basketball and other athletics, music, attendance at all college student activities scheduled during the eight-weeks term, and an opportunity to enter judging contests and the student Little International to be staged during Farmers' Week, Feb. 2 to 6.

24 Years Ago

Thursday, December 13, 1917
A genuine blizzard arrived at noon on Saturday and raged for 36 hours. The mercury Sunday morning stood at 10 degrees below zero and barely reached zero until Monday. Wind velocity was 50 miles an hour. Trains were from 2 to 6 hours late.

Mrs. Clara Haab of Chelsea and Christian Grau of Freedom were married on Tuesday, Dec. 11, 1917.

Fred Hoffman, who has rented the Brower farm south of Francisco for several years, has rented a farm in Lima township and will move there next spring. The Brower farm has been sold to George Starr of the Starr seed farm.

Next Sunday, St. Paul's church will celebrate the 25th anniversary of the dedication of the church.

John Phillip Seitz died at his home in Lima township today.

34 Years Ago

Thursday, December 12, 1907
Mrs. Susan Canfield has moved into the residence of Mrs. James Beasley on Congdon street.

The Lima power house has been closed and patrons of the D. J. & C. electric line who have to wait for a car have to stand in the cold.

Charles Messner has rented the Mrs. Adeline Muscott farm in Lima and with his family will move there in the near future.

Frank Baldwin of Lima has rented a dairy farm near Newport, N. Y., and is making arrangements to move his family there in the near future.

Margaret Irion, the 13 year old daughter of Rev. and Mrs. Paul Irion of Michigan City, Indiana, died on Monday, December 9.

John M. Kalmbach died at his home in Francisco today.

HOSTESS TO P. N. G. CLUB

Mrs. Helen Schatz was hostess to the Past Noble Grand at a social party on Wednesday evening. Mrs. Olive Krumm held high score in bingo and Mrs. Nellie Kern, low. The mystery prize was won by Mrs. Mabel Goodell, and the traveling prize by Mrs. Gladys Breitenwischer. A desert lunch was served.

Our Neighbors

DEXTER—Clenard McLaughlin of Whitmake Lake, who has Mack's wholesale gasoline service out of Dexter, was ordered home Tuesday by his doctor, due to leg infection. Mr. McLaughlin suffered first from the infection while on a hunting trip north. Later an abscess formed and had to be lanced. His many friends here hope to see him out again in a few days.—Leader.

HOLLY—Up to the time of going to press no trace has been found by the Holly Lumber & Supply company, of their driver, Walter Sharp, 19, who disappeared last week, with one of their trucks and nearly \$200 in cash, which he had collected from two customers to whom he had made deliveries. The truck was returned to them from Flint, Friday evening, after a resident on Center street, one block north of Court street, notified the city police that the truck had been parked there for an unusually long time. The company's loss was covered by insurance. The new driver had been with them only two weeks. He was said to have possessed a pleasing personality which had inspired confidence in those who had come to know him during the short time he had been in this vicinity.—Herald.

HOWELL—Herald Burnett of W. Washington St., Howell, was the first of the 500 hunters to get his doe in the past season hunt in Allegan county. The 80 pound animal was shot at 7:45 Monday morning, the day this special hunt opened, at a spot some nine miles west of M-40 near Bear Lake. He is given official credit as the first successful hunter in Allegan county by the checking station officers. Gus Rissman, another Livingston county man fortunate enough to have his name drawn in the hunting lottery for this territory, also succeeded in getting a large doe the opening day. Both hunters were back in Howell Monday afternoon.—County Press.

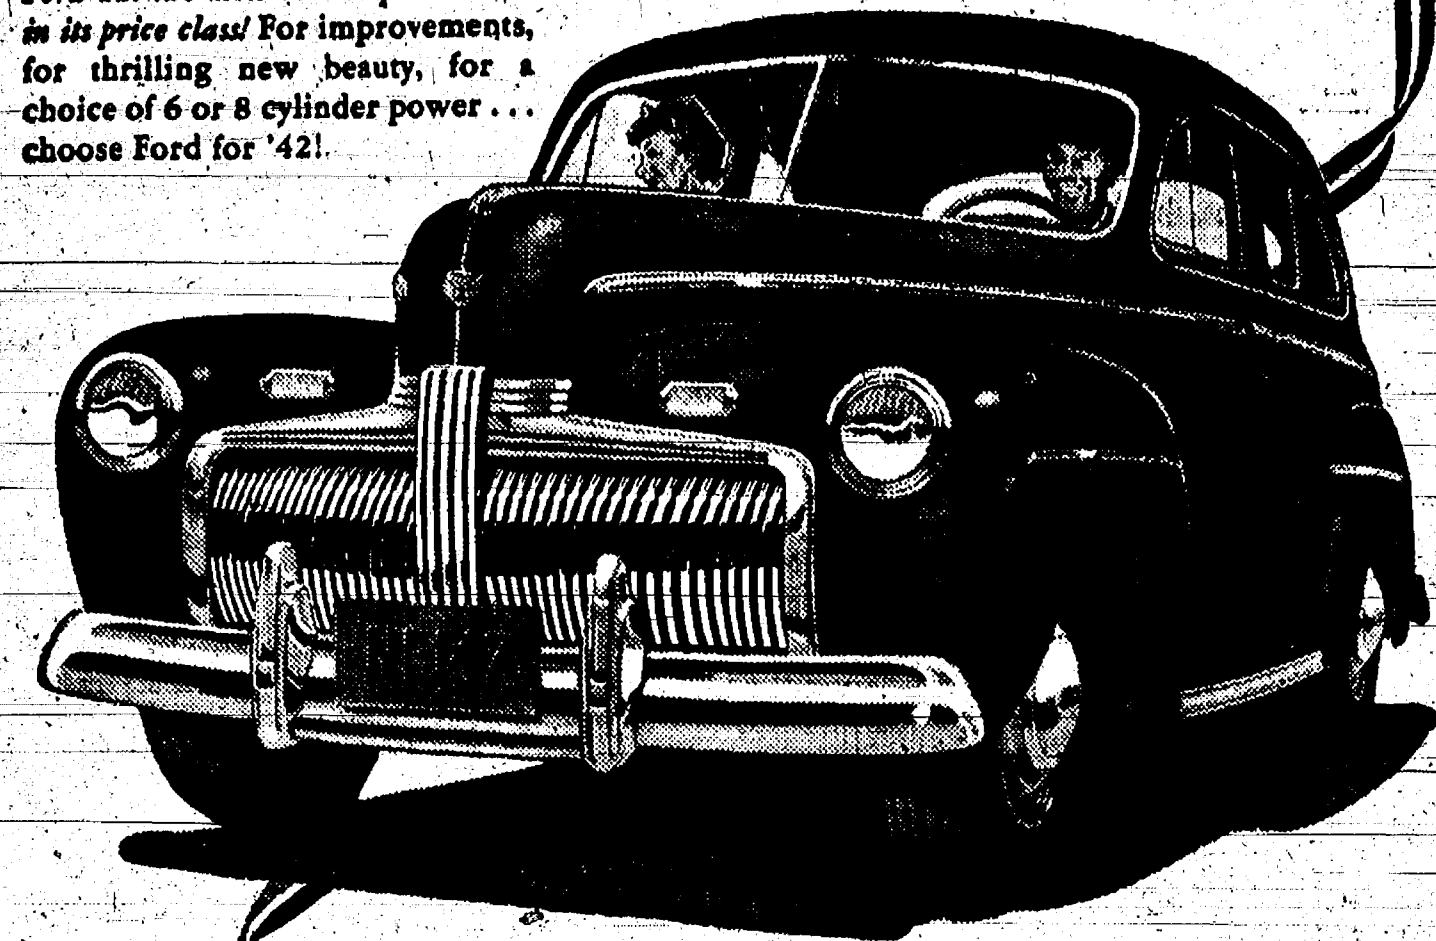

CHRISTMAS PARTY

A Christmas party for members of the South Sylvan Home Economics club and their families was held on Friday night at the home of Mr. and Mrs. George Steele, with about 45 attending. Mrs. Edw. W. Wise of North Lake gave an interesting talk on conditions in England and what farmers can do to help win the war. Progressive euchre furnished pastime for the evening, with Mrs. Alfred Faulkner and George Steele holding high scores. Mrs. Walter Wolfgang and Arthur Grau, low. Mrs. Leon Chapman won the door prize and the traveling prize was awarded Margaret Steele. The party closed with a pot-luck supper.

ATTEND LEGION CONFERENCE
Mr. and Mrs. Paul Maroney, Mr. and Mrs. Lyle Chriswell, Mr. and Mrs. Merle Barr and Carl Chandler attended the Mid-winter Conference, held at Pontiac, December 5, 6 and 7. Many interesting and timely talks and reports were given by various committee chairmen. Our local commander, Paul Maroney, is state chairman of welfare.

Moved by Riker, supported by Beach that the Village financial operations for the year ending Dec. 31, 1941 be audited by a reputable auditor or auditing firm; it being understood that the cost of such audit be subject to the approval of the Council.

Roll call: Yeas all. Motion carried.

The following resolution was read to the Council:

Whereas the Village Council deems it expedient and necessary and to the best interest for the public safety that the following areas be designated "No parking districts" and anyone violating the same be prosecuted in accordance with ordinance made and provided in such cases; therefore be it resolved that the following areas be designated as such: (a) the west side of South Main street from the south line of Federal Screw plant property to intersection of South Main and Lincoln streets; and (b) East side of South Main street from intersection of Van Buren street to the south line of Hinderer property, be and the same is hereby designated as no parking areas.

Moved by O'Hara, supported by Beach, that the foregoing resolution be hereby adopted by the council.

Roll call: Yeas all. Motion carried.

Moved by Beach, supported by Claire, that the new Village of Chelsea fire truck be purchased from the American Marsh Fire Equipment Co. as per plans and specifications submitted, and that the President and the Clerk be authorized to sign said contract.

Roll call: Yeas: Schenk, O'Hara, Riker, Beach, and Claire. Silent: Spaulding. Motion carried.

Meeting adjourned at 11:00 p. m.

A. D. Mayer, Village President

Olen W. Hart, Deputy Clerk.

CHRISTMAS TELEPHONE CALLS

PILE UP TOO!

You can shop early and avoid the rush. You can mail Christmas cards early. But naturally you want to place Christmas telephone calls on Christmas Eve and Day. And then our rush is on!

Last Christmas the number of long distance telephone calls at some points was EIGHT times normal. This year we expect an even greater "traffic jam".

No amount of stretching can expand a normal telephone system eight times its size for one day in a year. It would not be practicable to build that large a system for just one day's use.

All available operators will be on duty this Christmas and many new toll circuits will be in use. But there still will be delays on many calls—some may not get through at all. You can help speed your message by calling before 9 a.m. Christmas day and by giving the operator the number of the distant telephone.

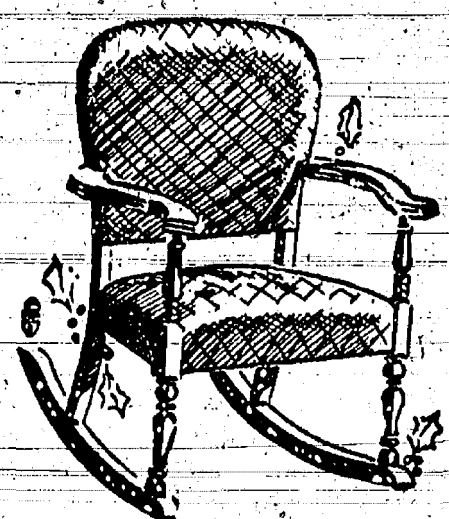

If there is a delay on your Christmas call, we hope you will understand the situation we face.

BUICK BUILDS FOR DEFENSE
Our assignment: Building Buick's finest cars for the defense.

ANY way you look at it, there's a long, long trail ahead of the next car you buy.

So in spite of all the sleek good looks and trim beauty this Buick Better to recommend it, we frankly say: Better look a little deeper than sheer appearance.

The type of engine your next car has will have a lot to do with how efficiently you use the gasoline you buy.

And Buick's engine is not only more efficient because it is a valve-in-head, but also because it's a FIREBALL straight-eight that squeezes extra power from every rationing of fuel.

Here's a drive shaft that is a simple,

sturdy steel rod, encased all the way from transmission to axle in a stout torque tube.

Buick springs—all coil springs—never lose their liveliness.

Buick connecting rods are sturdier. Buick main bearings go twice as long under equal loads. Even Buick wheels help get maximum mileage out of tires.

In a word, here's an out-of-the-ordinary car for out-of-the-ordinary times.

So don't be satisfied to look—don't even be content to listen; go try this Buick—thoroughly!

These days you need the best you can buy—and these days that's Buick.

Chelsea Hi Basketball Season Opens Tuesday

By Dwight Gadd
Another season of basketball has finally arrived for Chelsea. Our schedule has started later than other schools this year but now that it has arrived will be very fast because games are scheduled for almost every Tuesday and Friday nights until the last of February.

The prospect is bright if the team will play ball. Five letter winners from last year's varsity are returning. They are: R. Kern at center, L. Kusterer and J. Miller, forwards, and S. Policht and D. Gadd, guards. The reserves aside from L. Policht and J. Miller moved up from last year's second team, as yet have not been selected but as there are three more first team suits it's still an open race. The schedule for this year is as follows:

December 16—Dexter, here.
December 19—Romulus, there.
January 9—Milan, here.
January 16—Saline, there.
January 20—Manchester, there.
January 23—Dundee, there.
January 27—Dexter, there.
January 30—Belleville, here.
February 6—Lincoln, there.
February 13—U. High, here.
February 20—Flat Rock, there.
February 24—Manchester, here.
February 27—Roosevelt, here.

The Dexter game is this coming Tuesday, as you will note by the schedule, so let's come and start backing the team right from the first game through to the last. They'll play a much better game when they know you're backing them, win, lose, or draw.
So—see you at game time.

PHILATHEA CIRCLE MEETS
About fifteen members of the Philathea Circle met at the home of Mrs. LeRoy Hoffman on December 4. Mrs. Atkinson, Mrs. Wilkinson and Mrs. Hollidge took part in the devotion. Following this an impromptu discussion took place regarding the old "Country Store", many entertaining incidents being given. The afternoon was spent in sewing for the Country Store Bazaar to be held at the Methodist church. Refreshments were served.

HAYES-BEUTLER WEDDING

At a ceremony which took place Saturday evening, December 6, at 218 Madison street, Mabel L. Hayes became the bride of Carl W. Beutler, son of Edwin W. Beutler of Chelsea, with Rev. Albert A. Schoen of Dexter performing the ceremony.

A two-piece dress of ice blue was worn by the bride, with three-quarter length sleeve and a string of pearls, and accessories were of navy blue. Her corsage was of pink tea roses and white baby mums. Miss Leota Widmayer of Chelsea, as maid of honor, wore a two-piece dress of poudre blue with navy accessories. Her corsage was of yellow tea roses and yellow baby mums.

The bride and maid of honor were preceded down the stairs by the bride's niece and nephew, Mildred and Larry Boyer, to the arch decorated with flowers and wedding bells for the ceremony. The ring was carried in a bouquet of baby mums and streamers, bows of yellow and white ribbon.

The groom was attended by his brother, Leon Beutler, of Elmhurst, Ill.

A reception was given in the recreation room following the ceremony. The room was trimmed in white and yellow. Tables were decorated with bouquets of white and yellow mums, a large wedding cake with four white candles, topped with a bride and groom ornament.

Fifty-six guests attended the wedding, from Detroit, Jackson, Midland, Lansing, Whitmore Lake, Saline, Dexter, Stockbridge, and Chelsea.

Care of Machinery Is Worth Millions

Better than ordinary care for the \$150,000,000 worth of machinery on Michigan farms becomes a money-making goal in the state this year. Replacements are difficult or impossible to obtain, repair parts are less numerous and greater demands and better prices for farm products are stimulating plans for 1942 production.

Even if farmers gain but a 1 per cent advantage over the usual depreciation or upkeep, the advantage means a savings of \$1,600,000 in Michigan.

That is the estimate of George Amundson, agricultural engineer in the extension service of Michigan State College.

He is cooperating with the farm equipment dealers, county agricultural agents and other members of the college staff in conducting a series of meetings designed to acquaint every farmer in the state with the need for checking over required repairs.

Proper care includes repairs and new parts as well as proper adjustment, greasing, oil and painting. Amundson points out: Overhauling and adjusting machinery now will mean the equipment will be ready to go when it is needed in 1942.

Throughout the state the suggestion to farmers will include such details as to the method of ordering parts, giving make as well as model or year machine was made name or description of the part and the number, usually stamped into the castings.

On a plow, for instance, there are 14 vital points to check. A tractor has 23 vital items and a mowing machine, 25. Lists of the machines and points are being made available through meetings and in offices of the county agricultural agents and farm equipment dealers. Equipment includes disks, spring tooth harrow, grain drill, corn planter, binder, manure spreader, potato planter, potato digger, windmill, pump, milking machine, feed grinder and motors.

HONORED ON ANNIVERSARY

Mr. and Mrs. O. H. Hinderer entertained on Sunday in honor of Mr. and Mrs. Arthur Schairer of Scio to celebrate their 25th wedding anniversary. At dinner the guests were Mr. and Mrs. Arthur Schairer and family, Mr. and Mrs. Herbert Laros and daughter Catherine of Flint, Roger Hinderer of Grand Rapids and Mrs. Martha Weinmann. In the afternoon Mr. and Mrs. Hinderer gave a tea in honor of Mr. and Mrs. Schairer. The tea table was decorated with a crystal basket with white mums, crystal candle holders with white tapers and a wedding cake in silver and white. The Misses M. Jorie Schairer and Catherine Laros poured. The guests were Mrs. Christian Grau and son Elmer of Freedom, Mr. and Mrs. Walter Haab and family of Sharon, Mr. and Mrs. Bruce Peabody and son of Plymouth, Mr. and Mrs. Sam Bohnet and Mr. and Mrs. Wilbur Hinderer and daughters.

Francisco

Through the efforts of our teacher, Mrs. Grundeman, the pupils of the school went to Jackson to see the Christmas parade last week Wednesday. The drivers of the transporting cars were Mrs. Grundeman, Mrs. Charles Lockwood and Bob Seger. A few who were ill did not go.

Stanley Binkowski has learned that his stolen machine was pulled out of the ditch by Fred Alber of Sharon at 12:30 Saturday morning.

Mrs. Truman Lehmann was hostess Dec. 3 to the W. S. C. S. of Salem Grove Methodist church.

The Women's Guild of St. John's church met last week at the Albert Walz home.

Pupils of our public school were excused from their classes Thursday afternoon while their teacher attended a music meeting.

Charles Lockwood went to Detroit last week to consult the railroad physician relative to his hand in which he had rabbit fever infection. The physician okayed his private physician's dismissal and Mr. Lockwood is back working for the M. C. railroad.

The school children sold eight hundred Christmas seals last week, and deserve considerable credit for their work.

Mrs. Anthony Topolka of Flint spent the week-end with her mother, Mrs. George Scherer. She also called on some of her Francisco friends.

Mrs. Stanley Binkowski accompanied Mrs. George Herman of Chelsea to Detroit on Tuesday.

FIRE DAMAGES HOUSE

The fire department made two runs to the home of Mr. and Mrs. John Langowski on Buchanan street Wednesday morning. The first fire was caused from an overheated stovepipe when plasterboard around the chimney hole ignited. Apparently the fire was extinguished, but later it broke out again. Firemen were forced to tear off all the plasterboard, to stop the fire, and threw it outdoors to burn up. The furniture in two rooms was burned and some of the woodwork was burned and smoke caused much damage. The house was new and Mr. and Mrs. Langowski had lived in it just six months and had all new furniture. There was no insurance.

CARD OF THANKS

We wish in this way to thank our friends and neighbors, the Rebekans and Pythian Sisters, for their many acts of kindness during our recent bereavement, also Rev. Grabowski for his comforting words.

Lawton Schaible,
Mr. and Mrs. Norman Schmidt and family,
Mr. and Mrs. Chas. Cummings and family,
Miss Frieda Schmidt.

Lots of Insurance

Startling figures must be used to introduce this discussion; There are about 125,000,000 life insurance policies in force in the United States; they have a face value of more than \$111,000,000,000. All the rest of the world is insured for only about \$37,000,000,000. There are only 132,000,000 people in this country, including children, which makes it nearly one policy per person. Of course that isn't quite the case, because there are some who have more than one policy. Nevertheless, it is clear that more life insurance policies are written in this country than anywhere else on earth.

Editorial

At this time a very appropriate subject for discussion is "the cause for so many low marks on the last report cards."

The first thought of a student is: "Oh! that teacher has a grudge against me," but looking into the matter, the trouble is found to be not with the teacher but with the student himself. The main trouble is lack of study—or studying without concentration. A great number of students sit in a room with the radio on and people talking and consider this studying, but it is a well-known fact that it is impossible to derive any benefits from such study. If the students will try concentrating—not just skimming over their lessons, the marks will surely be more gratifying, both to them and to their parents the next time.

Office News

The band from Brooklyn high school played at an assembly in the gymnasium during the activity period on Tuesday, December 9.

Mr. Richards attended the meeting of the State Principals' Association in Lansing on Thursday and Friday, December 4 and 5.

The superintendents, coaches and board members of the various schools interested in forming a new athletic league will hold a meeting at Dexter on Thursday, December 11 (tonight) to draw up the final plans for the league.

The girls' basketball team is scheduled to play Grass Lake in the gymnasium on Friday, Dec. 12 and the boys will play Dexter here on Tuesday, Dec. 16.

The vocal music department will present a concert in the gymnasium at 8:00 p. m. tonight (Thursday).

Student Council

Miss Fox acted as sponsor because of the absence of Mr. Richards.

There is to be an All-High Christmas party on Dec. 12. No guests are allowed. The Freshmen will do the decorating, the Sophomores will serve the refreshments, the Juniors will do the cleaning up and the Seniors will furnish the entertainment.

The Sophomores have charge of the Christmas assembly on Dec. 19.

It was decided that the girls would have the gym on Mondays and Wednesdays for noon sports.

The Safety Patrol rules were discussed and the advantages of a student court were suggested.

BOYS WILL OPEN CAGE SEASON WITH DEXTER

On Tuesday, December 16, the Chelsea boys will open their basketball season with the Dexter Inv. The first league game will be with Romulus on December 19.

Band News

Everyone was especially pleased with the outcome of the theatre project a week ago Tuesday night. The band's profit was \$56.65 and there was a total of 666 people at both shows. The band profit will be used to help finance their new award system and the trips they are planning to take to the band contests later on in the year.

Senior News

The basketball season has arrived, bringing with it the annual sale of schedule pencils.

Pencils may be purchased from any Senior for a very small price.

At the beginning of the year the Seniors sold patriotic pencils with so much success that they decided to sell basketball pencils. The pencils have been selling like hot-cakes, so if you don't want to be left without one, make it a point to get in touch with any member of the Senior class.

At their next class meeting the Seniors are going to try to elect all their Annual staff.

Our Seniors

Ruth Collins has "two in one". That is, she was born on December 25, 1923. So she always celebrates two birthdays at once. Ruth is 5 ft. 2 inches tall, has brown hair, hazel eyes, and she likes pink. On the radio, Ruth likes Lux Radio Theatre and the song Carmencita. Exactly opposite of Ruth's character, she likes devil's food cake and also she likes to read her favorite sports basketball, at which she plays well. Ruth likes chemistry and so next year she is hoping to go in training for a nurse at the U. of M.

Lloyd Collins is Ruth's kid brother. However, you'd never know this as he is 5 ft. 10 inches tall, weighs 180 lbs., has brown hair and hazel eyes. His birthday is April 22. Lloyd likes to ice skate to the music of Ray Kysel and like everyone else he likes to eat—his favorites being both pie and cake. He also likes speech and the popular "Chattanooga Choo Choo". Lloyd likes the color green; his favorite pastime is sleeping and when questioned as to his ambition he told us it was just a "puzzle".

Class News

The Freshmen, Sophomores, and Juniors each have to put on a skit for the coming All-Hi party, and of course one unlucky class will be put on the "clean-up committee". Regular monthly class meetings are scheduled for the week. And on yes, do not forget that the "Sophies" are in charge of a program at school which will be held on the 10th of this month.

Defense Program

The Civics class of Chelsea High is selling 10¢, 25¢ and 50¢ Defense Stamp and Savings Bonds. Booklets are issued to keep the stamps in, and when \$18.75 worth of stamps have been obtained, they may be turned in for a Baby Bond which will be worth \$25 in 10 years.

The program has met with success, and we urge everyone to do his part in the drive to win the war now going on between the United States and Japan.

Home Economics

Next week the girls in the Home Ec. classes are going to learn inexpensive Christmas gift wrapping. There will be hot dishes sold every day for those who bring their lunch. This doesn't mean people who live in town.

F. F. A.

Eight members of the F. F. A. club, accompanied by Mr. Bust, attended the International Livestock Exposition at Chicago. They visited the NBC studios and watched the broadcast of one of the Proctor and Gamble shows. They visited the Field Museum, Museum of Science Industries, and the Aquarium. They stayed at the Y. M. C. A. All in all it was a valuable trip and the boys enjoyed it very much.

This and That

I just heard something quite remarkable—Believe it or not, a week or so ago for two consecutive days not a Senior was absent or tardy. Nice work Seniors!

There has been much fuming and fretting among the G. A. A. girls as to who would be the lucky individuals to wear the new blue basketball suits. Last Thursday, especially, a current, a nervousness ran wild among the girls until the team was chosen. The six forwards were forced to draw lots for their suits, thus adding to the tension.

There has also been much talk about the All-Hi party scheduled for Dec. 12. Since it is the last one before the basketball season (for boys) begins everyone is planning to attend. This week has been declared "Over-all Week" by the boys and all the boys are wearing their overalls and work shirts to school. Tomorrow what will happen if the girls decide to wear slacks to school for a week?

Miss Fox's room is now getting ready for the Yuletide season with boughs of evergreens gaily decorating the room. Even the weather man is cooperating and sending snow.

Exchange Assembly

Tuesday afternoon another exchange assembly took place at school. This time it was the high school band from Brooklyn. Everyone greatly enjoyed the very entertaining program. In return the Chelsea band and perhaps some other group from here will go to Brooklyn for an assembly.

These exchange assemblies promote a great deal of interest and so let's have a lot more of them.

Girls' Athletics

Bowling scores:
Mina Moocher 517
Lyons Tigers 471
Birch's Bears 453
Merkel's Greenhorns 362

The girls' basketball team lost to Manchester, 15-19, in a fast and hard fought game on Friday afternoon. Only two veteran players from last year's team played for Chelsea: those who saw action were: Forwards, Jeanne Meserve (captain), Virginia Lucht, Evelyn Lehman, Marilyn Lyons, Peg Almond, and Wilma Schweinfurth; guards, Helen Grabowski, Eleanor Harper, Virginia Spaulding, Ruth Collins, Pat Richards and Rhea Clark.

High scores for five times in open bowling were: Pearl Alexander, 207, and Joe Policht, 246.

Chelsea B. B. League

On Wednesday evening, Dec. 3, Chelsea's Amateur Basketball Federation made its debut with the boys from Cassidy. Their weekly upsetting the pre-season dope by extending Central Fibre to the limit before they dropped a 19-13 decision. Rade-macher, with 7 points, and Reyn Houle with 6 led Central Fibre, with Brooks and Everhard each making 4 points for Cassidy.

At 8:30 a valiant Federal Screw underdog team played a thrilling game only to be edged out in the last quarter by Chelsea Spring—the score being 18-16. Marsh led the Spring team with 8 points, while Marshall garnered 9 for the losers.

The final game of the evening saw the All-Stars whip a favored Klumpff team to the tune of 24-18. With Lemme Novess, Andy Policht, and John Alber making 8, 7 and 6 points respectively, the game was easily the most one-sided affair of the evening.

The Christmas program of the church and Sunday school will be held on Sunday evening, December 21.

Practice for the church choir will be held Wednesday evening at 7:00.

We are making a departure from our custom this year in regard to our Christmas program. Since gifts at the Sunday school teachers make to their classes will be given on Sunday morning at class time. At the program Sunday evening only the candy and the oranges will be distributed to the children.

Instead of going to the program to get presents, we shall go to give them—money, canned fruit, toys, games, anything anyone wishes to give for the benefit of less fortunate people. These will be distributed wherever the

need for them is greatest. The money will go for the benevolence of the church, especially the Christmas fund for aged ministers.

KIWANIS NEWS

The Kiwanians held their regular meeting this week at Kolb's hall. The agriculture committee had charge of the program of the evening and secured Donald Kline of Ann Arbor, who is with the Farm Security Administration, to discuss the problem of farming in this state. Mr. Kline elaborated upon the subjects of farm loans and soil erosion in an excellent manner and mentioned the many improvements which the farmers in this area have made to their farms recently. He stated that the main problem confronting farmers today is the scarcity of available farm help, and expressed the hope that young men would return to the farm in the near future to aid the farmers in their tasks.

At this meeting President Alfred D. Mayer appointed a committee, under the leadership of Albert C. Johnson, to investigate the available places in Chelsea where a skating rink might be constructed this winter. He mentioned that the young people in Chelsea desire a skating rink and expressed the hope that the committee would ascertain a fine location for such skating facilities within the village limits which would be centrally located.

DAIRY MEETING

The Union Dairy Farmers will hold a meeting at the town hall, Grass Lake on Tuesday evening, Dec. 16 at 8 o'clock. Every dairy farmer is invited to attend. Adv.
