Rev. Skentelbury Will Assume Local Pastorate

Rev. W. H. Skentelbury of Clinton has accepted a call to the pastorate of the local Congregational church and will assume his new duties next Sunday morning. Rev. and Mrs. Skentelbury are moving their household goods here today.

Rev. Skentelbury was born at South Haven, Mich., the son of a Congregational minister. He is a graduate of Olivet College and the Chicago Theological Seminary. His pastorate since his entry into the ministry include Whiting, Ia., Portland, Romeo, Charlotte, Shelby, Flat Rock and Clinton. He has been in the latter town six years.

Mrs. Skentelbury was born in Ludington, Mich., and was a teacher in the high school of that city prior to her marriage. She is also a graduate of Olivet college.

The Skentelburys have two children: a daughter, Ruth, a graduate of Olivet College, who taught in Turkey and is now an executive secretary in Detroit; and a son, Philip, a graduate of Radio Electronic School, Detroit, now a radio dispatcher at the Ford bomber plant. He expects to enter army service within the next few weeks.

Kimunity Team Wins League Championship

By Rolly Spaulding

Last Thursday night Kimunity and Spaulding Chevrolet battled through a tough game with very little scoring by either side. Kimunity got off to a 3-to-0 lead in the first inning, while Spaulding Chevrolet took the next five innings to score 2 runs, making the score 3-2 in favor of Kimunity when Spaulding's boys took their bat in the 7th and their final chance in the ball game. With one man out and the tying run on third Kimunity came through with a double play to finish the game and overcome any doubt as to the League championship for this year.

Kimunity really had what it takes this year and used it to very good advantage—"Karmichael" Mahar, Gene Fisher, George Miller, Gene Coltre, Walt LaSavage, Harvey "Pop-up" Lixey, Al Johnson, Rocky Rockwell, Charlie Cameron, Bob Foster, Tom Bust, George Sperling—and that's enough to give any team a battle. Here's to three cheers for Kimunity and hats off to the rest of the teams that helped make our League a success this year.

From the standpoint of all the objectives of the League we've had a perfect season. The casualty list was small with the injury list turning in bills of less than \$10 all told. Gene Coltre tried to turn in a bill for a new pair of pants as his hindside fell out one game and left quite a hole but this bill was voted down—all others to be paid. Any other bills that may be standing out against the League will be paid immediately upon receipt of bill.

Once more the season is over and a thank-you speech is very much in order. So thanks to the Village Council for their financial help and through them to all you people of Chelsea. Thanks to Clayton White for giving up most of his evenings and for not using a handy bat on some of the players when the occasion arose. Thanks to Al Johnson and the rest of you who helped conduct the league—Mac McClure for the write-up space and cooperation he has given us. We have appreciated every bit of this help we have received and hope our League will continue to merit such fine wholehearted cooperation. Yours for another year—Members of the Twilight Softball League.

Open House To Be Held At Meth. Home Tuesday

Everyone in Chelsea is more or less acquainted with the work of the Methodist Home, which has been a vital part of the community life for the past thirty-five years. The Home was located here because of the generous gifts of the late Frank P. Glazier.

During the past year a new wing has been added to the Home, to be known as Kresge Hall. In addition, the rest of the building has been completely remodeled and made fireproof. This work, which has cost a quarter of a million dollars, exclusive of furnishings, is now nearing completion.

On Tuesday evening, September 15, there will be an open house for the people of Chelsea and vicinity. All who are interested in the work of the Home or who wish to see what has been done are cordially invited to attend. There will be a brief program at 7:00 o'clock and the rest of the evening will be used for inspecting the Home and its facilities. Since this is a community institution, all people, irrespective of religious affiliation, are welcome.

The formal dedication of the new Kresge Hall will be held on Sunday, September 20.

Schools Open With Enrollment of 474

Rev. P. H. Grabowski Honored By Church

As a surprise for Rev. P. H. Grabowski, who has completed 20 years of service as pastor of St. Paul's Evangelical church, members of the church and congregation honored him with a dinner on Sunday, following the morning service.

Beautiful autumn flowers centered the tables in the church dining room; with covers for 226. Singing of the doxology by the assembly was followed by the invocation by Rev. Henry W. Lenz.

After the dinner, William Beach, president of the church council, presided as master of ceremonies and the following program was given:

Church Reminiscences, 1922-1942—Miss Lillie Wackenhut.

Twenty Years of Service—Rev. J. Fontana.

Violin solo—Adolph Duerr, with Katherine Lindauer as accompanist.

Original poem—Mrs. John Oesterle.

Talk by Rev. Lenz who presented Rev. Grabowski with a Bible.

Trio—Arthur, Raymond and Marjorie Schairer.

Presentation of \$100 purse from the church organizations.

Remarks—Rev. Grabowski.

Song—Blest Be the Tie That Binds.

Village Will Correct Sewage System Defects

At the request of the State Department of Health, the village council took action at their regular meeting on Tuesday night to employ an engineer to investigate and correct the defects in Chelsea's sewage system.

In spite of the fact that a large sum of money was spent by the village several years ago for a new sewage system and sewage disposal plant, there is still some sewage that empties directly into Mill creek. There is also a large volume of surface water running into the sanitary sewers that should be diverted to the storm sewers. The industrial waste is also a new problem which must be solved.

It is expected by village authorities that the correction of this situation will necessitate a large expenditure, but there is no choice in the matter as they could be forced by the state to take action.

ENLISTS IN U. S. NAVY

Charles Burkhardt Winans, son of Mr. and Mrs. Elmer E. Winans, who enlisted in the U. S. Navy on August 19, reported to Detroit on Monday and was sent to the naval school at Great Lakes, Ill. for preliminary training. Charles was born July 8, 1920 in Highland Park. His entire life has been spent in Chelsea, where he graduated from the public school in 1938. He has been employed at the plant of the Chelsea Spring Company.

SUGAR FACTS

Answers to questions frequently asked:

Army and Navy personnel in furlough status for a period of in excess of one week shall, upon presentation of leave papers to any Local Rationing Board, receive a sugar certificate.

If a consumer is inducted into the armed services of the United States he shall surrender his War Ration Book to the ration board.

Within ten days after the death of a consumer the person having possession of the War Ration Book of the decedent shall surrender it to the board for cancellation.

Under a change in rationing regulations, churches and some other organizations may obtain sugar allotments under certain conditions. Previously they had been able to get such allotments only if they served four meals a week.

The conditions which must be met by such organizations are:

1. Meal service is to obtain revenue for the organization;
2. Organization serving the meal is recognized in the community as permanent, or where new, is expected to be permanent;
3. Meal service is consistent with the character and purpose of the organization;
4. Meal is open to non-member;
5. Sugar will be used in preparation and services of the meal, which does not include preparation and service separately, or in combination, of alcoholic or non-alcoholic beverages, candy, cookies, crackers, potato chips, popcorn, nuts, ices, prepared soda fountain mixes, milk, milk drinks, and ice cream prepared as soda, sundae or otherwise; and
6. No bake sales are to be held.

Wherever possible those participating in these meal services will bring their own sugar.

Use original "Trade Registration" figures, if available, as of April 28, 1942.

Rationing Board office is open Saturday nights from 7 to 9 o'clock at the high school. You may still obtain canning sugar.

ENLISTS IN NAVAL RESERVE

Willis Mayer, son of Mr. and Mrs. George Mayer of Chelsea, has been enlisted in the U. S. Naval Reserve for flight training.

Mayer passed his physical examination and mental tests before the Naval Aviation Cadet Selection Board at Detroit and was administered the oath on July 13. He is now awaiting a call to active duty. He left Tuesday for Ann Arbor to register for preliminary civilian pilot training.

As a Naval Aviation Cadet, Mayer will leave first for the University of Iowa at Iowa City, Ia., where for three months he will be given intensive physical training and ground school work. He then will be transferred to a Naval Reserve Aviation Base for primary flight training before being sent south to Corpus Christi, Texas or Pensacola, Florida for advanced training at one of the Navy's huge air stations.

While at Iowa, Mayer will be rated as a seaman second class. During his actual flight training he will be classed as an Aviation Cadet. Upon graduation he will receive his Navy Wings and will be commissioned an Ensign in the U. S. Naval Reserve.

Previous to his enlistment in the Navy, Mayer was employed by the Packard Motor Car Company.

Meat will appear less frequently on our tables during the coming year, though the amount we'll get — 2½ pounds per person per week — is about the average consumption for the past 10 years. This is well above the one pound a week the Englishman gets, the 12 ounces per week allowed

Germans or the 5 ounces available for half-starved Belgians.

Our total meat supply is the largest on record, the output for the present marketing year adding up to more than 24 billion pounds. But because the needs of our fighting forces and our allies, this will be three billion pounds short of the estimated needs. It will take at least four months to set up the machinery for meat rationing. Meantime, Americans are urged to conserve meat.

— **Share and Share Alike** —
The War Production Board plan under which bicycles are being made is interesting because it is the first example of "concentrated" production which will be applied to other articles. Last year's bicycle production averaged about 150,000 a month. This has been steadily reduced until it now is 10,000 monthly — with the Army

Navy, Maritime Commission, War Shipping Administration and Lend-Lease having first call on these.

Only the Victory model will be manufactured, a light machine that uses a scant amount of critical materials. Only 2 of the 12 bicycle factories will make bicycles, the other 10 already have been converted to war work.

— **Streamlining for Victory** —
War needs are like ten-pins. A "strike" from one direction sets in motion a whole series of effects in like, or even unlike, fields. The drain on our oil fuel supply, for instance, has affected the demand for artificial gas to such an extent as to require restriction of gas supplied to new industrial and domestic users.

Yet, despite the increasing demand for gas, drilling of wells in the natural gas fields has been halted to save materials.

— **Unity, Sacrifice, Victory** —
The Bureau of Mines will build the first pilot plant for making sponge iron, a substitute for scrap iron in the manufacture of steel. In spite of the millions of pounds of scrap turned in through salvage campaigns, the supply is below the pressing needs of the steel industry.

Government control of the size and cut of women's clothes will save about 100 million yards of cloth a year but housewives can save still more by choosing practical wartime styles — and by taking care of the clothes they have.

There are too few carpenters in the U. S. A. to handle war construction. This has led to an apprentice training program under the joint auspices of the National Building Contractors and the Carpenters' International Union. Farm labor, too, is insufficient and will be increased by importation of Mexican farm-workers by special arrangements between the U. S. and Mexico.

— **Nations Working Together** —
Four war agency heads joined in urging miners of copper and other metals to stay on their jobs, produce more raw materials. Government geologists and engineers have blocked out more than 500,000 tons of valuable bauxite in Georgia. Other experts are exploring the "black" sands of the Oregon coast for metals. Yankee ingenuity is coming to the front.

Ceiling prices for dry cleaning, shoe repairing, laundering and other common services must be posted. More sugar has been allotted for workers in areas where the population has jumped because of war industries.

The third anniversary of the German invasion of Poland found that tortured country still defiant and unconquered, with more than 150,000 of its fighting men in action on United Nations fronts.

Waterloo

Mr. and Mrs. W. Vicary spent Sunday afternoon and Monday with her mother and other relatives at New Baltimore.

The following officers were elected at the 2nd U. TANKS—for not telephoning

It takes a lot of telephoning to keep war plants humming. And today, that's the big job. War calls must go through. It may take the same amount of Long Distance equipment to make a personal call as it does to rush through an order for tank parts. That's why every telephone call you do not make is a contribution to the war effort.

In normal times, we'd get busy and build sufficient additional equipment to keep step with needs. But right now that is not possible. Telephone materials are more urgently needed for tanks, bombers and machines of war.

Here are three simple ways you can help make the most of available equipment and keep vital messages moving:

1. Make only the most essential Long Distance calls.
2. Keep ALL your conversations as brief as you can.
3. When possible, give the number of the distant telephone you are calling.

Remember the war every time you pick up the telephone. Keep your calls as short as possible. Don't ask information for numbers listed in the directory. You can help save wires for war!

WEDDINGS

Althaus-Seitz
The wedding of Margery E. Althaus of Ann Arbor, daughter of Mr. and Mrs. M. E. Althaus of Durand, and Walter M. Seitz, son of Mr. and Mrs. Fred J. Seitz of Chelsea, took place Friday evening in the chapel of the Michigan League, Ann Arbor, and was followed by a reception held in the Mary B. Henderson room at the League. The service was read by Rev. W. H. Palthorp of the First Methodist church at Clarkston, formerly of Durand. Vivian Crooke of Howell presided at the organ and solos were rendered by Barbara Brenner.

Miss Althaus wore a dress of ivory slipper-satin, the long skirt gathered at the waist. Seed pearl embroidery edged the heart-shaped neckline. A ruffled headdress held the triple finger tip veil, which was edged with silver threads. The bride's bouquet was of white roses.

Miss Leota Williams of Detroit, as maid of honor, wore a frock of light blue marquisette and lace, a matching ruffled bonnet and a corsage of pink roses. Donald Brines of Detroit was best man and Walter Mast, cousin of the groom, acted as the ring bearer.

Assisting at the reception were Mrs. Harold Ames of Owosso, Ruth Williams of Ann Arbor and Estelle Seitz, sister of the groom.

The bride, who is a graduate of Durand high school and Cleary Business College, is a secretary with the University Buildings and Grounds Department. She is vice-president of the Beta Tau Lambda business girls' sorority.

The groom graduated from Chelsea high school, after which he attended Michigan State College at East Lansing, and is a member of Tri-Mar fraternity. He is employed in the Ford plant at Dearborn.

Mr. and Mrs. Seitz will reside at 311 S. Division St., Ann Arbor.

Zahn-Dancer

Palm and garden flowers provided the setting for the wedding of Ruth Katherine Zahn and Lynn Chester Dancer, which was solemnized at 8:30 Friday evening in St. Paul's Lutheran church, Ann Arbor, with Rev. C. A. Brauer officiating at the candlelight service. The bride is the daughter of Mr. and Mrs. Benjamin J. Zahn of Ann Arbor and Mr. Dancer is the son of Mr. and Mrs. Emmet H. Dancer of Lima township.

White satin brocade was used to fashion the bride's gown, which was made with a sweetheart neckline, and her veil fell from a tiara of orange blossoms. She carried a bouquet of Johanna Hill roses.

Miss Zahn was attended by her sister, Luella, as maid of honor, and Betty Zahn as bridesmaid. The former was attired in blue satin and the latter in pink. They carried butterfly roses. Junior bridesmaids were Judy Strenfert and Ruth Metzger, while Sharon Dancer, niece of the groom, was flower girl. The children wore white silk taffeta floor-length gowns, with fitted bodices and gathered skirts.

Best man for the bridegroom was his brother, Howard H. Dancer, and the ushers were Donald Dancer, Paul Nicolai, Ben Zahn, Jr., and James L. Beardsell.

After the ceremony there was a reception for 150 guests in the social room of the church.

The bride, a graduate of Ann Arbor high school, also attended Cleary Business College. The groom is a graduate of Chelsea high school.

Mr. and Mrs. Dancer will make their home with the groom's parents at 11800 US-12.

DEATHS

George A. McClure, Sr.
George A. McClure, Sr. died Thursday evening, September 3 at St. Joseph's Mercy hospital, Ann Arbor, after an illness of several months.
Mr. McClure was born March 8, 1861 in Grover Hill, Ohio, the son of Samuel and Mary (Stout) McClure. He was married Sept. 12, 1886 to Lucina Warner and for 25 years they have made their home in Sylvan township.

Surviving relatives include the widow; four daughters, Mrs. Clara Garrison of Wernersville, Pa., Mrs. S. W. Tuohy and Mrs. C. C. Morrison of Toledo and Mrs. Geo. W. Atkinson of Chelsea; three sons, A. B. McClure of Buchanan, M. W. McClure and George McClure, Jr. of Chelsea; three brothers, James of Grand Rapids, William of Lansing and Jess of Grover Hill, Ohio; two sisters, Mrs. Howard Garrison of Webberville and Mrs. J. C. Stratton of Grover Hill; 12 grandchildren and four great-grandchildren.

Funeral services were held at 2:30 Sunday afternoon at the Planklin funeral home, with Rev. Bert Ede officiating. Interment was in Oak Grove cemetery.

Dr. Theodore F. Lane

Dr. Theodore F. Lane, brother of Dr. C. C. Lane of Chelsea, died suddenly Sunday afternoon after suffering a heart attack while horseback riding near his farm on Joy Rd., Ann Arbor.

Dr. Lane, a veterinarian for 41 years, was a widely known breeder of saddle horses. He specialized in treatment of horses and farm stock and during his long practice had treated some 100,000 animals in Washtenaw county.

The son of Mr. and Mrs. Watson Lane, he was born Dec. 5, 1867 in Unadilla. He became a resident of Ann Arbor following his graduation from the Western Veterinary College at Kansas City, Mo. in 1900.

Dr. Lane was a life member of Golden Rule Lodge F. and A. M., a charter member of Zal Gaz Grotto and one of the founders of the Horsemen's Club of Ann Arbor.

His wife, formerly Katie Heffernan of Gregory, died in 1933. A brother, Herbert Lane, died in Howell on August 27.

Surviving are a daughter, Mrs. Louis F. Hallen, Ann Arbor; a brother, Dr. Chandler C. Lane, Chelsea; two sisters, Mrs. Grace Richmond of Jackson and Mrs. Earl Elliott of Detroit, and three grandchildren.

Funeral services, conducted by Dr. Charles W. Brahares, were held on Wednesday afternoon at the Muehligh chapel. Burial was in St. Thomas cemetery, Ann Arbor.

EATON BRANDS SMITH'S TIRE ISSUE A FAKE

It remained for Elton R. Eaton, Plymouth newspaper publisher and candidate for U. S. Senator, to explode Gerald L. K. Smith's campaign promise that if he was elected he could produce "tires for everybody by Easter."

Eaton last week demanded that Smith produce letters from the Ford Motor company or the Dow Chemical company in which they would say that they could produce "durable tires for everybody by Easter" within 24 hours, or permit his promise to stand branded as a big political fake.

Smith produced no letters from any responsible manufacturer in which they claimed they had the material on hand and could manufacture durable tires without anyway interfering with the needs of the army and navy.

Eaton not only charged that the promise was a big campaign fake, but that it was dangerous Nazi propaganda, because it led people to be careless with their tires, believing that they could get new tires soon.

Eaton says that next Tuesday is the most fateful day in the history of Republicanism. On that day, he says, Michigan will know whether the Republican party is to turn to the left and accept the leadership of an ex-Huey Long Democrat, or go forward under tried and true Republican leadership.

Wardens

It has come to my attention that no auxiliary or air-raid warden has authority to act, but must report all violations to regular officers, even though they have completed their training and received their diplomas. As your next Sheriff A. C. Gaston said, I will place the following rule into effect, viz: All air-raid wardens, all auxiliary deputies, all auxiliary police and all auxiliary firemen after they have qualified and received their diplomas will immediately be given an opportunity to qualify as Deputy Sheriff's with full police powers. However, this will not alter their status while on C. D. C. duty.—Pol. Adv.

ST. PAUL'S LADIES' AID

The September meeting of the Ladies' Aid Society of St. Paul's church was held at the church hall on Friday afternoon.

Opening devotionals were in charge of Rev. P. H. Grabowski, who also presented the topic "The American People—Their Daily Bread." Features of the program were:

Reading—"A New Song"—Mrs. J. Oesterle.
Reading—"The Social Creed of the Churches"—Mrs. W. Mohrlock.
Reading—"The Heavy Laden"—Mrs. W. Kusterer.

Reading on the Topic—Mrs. P. Seitz.
Lunch was served to 20 members.

and guests by Mrs. O. Goetz, Mrs. A. Hilsinger and Mrs. W. Kusterer.

Great Fact-Finder . . . NOW!Why Michigan Has Drafted Judge Ferguson to be
Our United States Senator . . .

- 1 He has been under Michigan's public eye for more than thirty years. Michigan knows him. He knows Michigan.
- 2 He is a great lawyer and will become a great lawmaker.
- 3 Because of his high conception of public duty he made heavy sacrifice of income to become Circuit Judge. He will make additional financial sacrifice to become Senator.
- 4 As judge, he has always given his whole working day to public service. He will continue to give it his undivided efforts as Senator.
- 5 Where others failed, he secured the evidence which broke up political rings in Detroit and Wayne County, that had for years connived with bribers and criminals.
- 6 His outstanding genius at fact-finding will be of even greater value at Washington. The nation, as well as Michigan, needs Homer Ferguson.
- 7 His courage in carrying out public duty will be of inestimable value to Michigan and to the Nation at one of the most critical periods in our history.

**Lieutenant Governor
Primaries, Sept. 15**

D. Hale Brake, 51 years old, is a lawyer and a farmer. A graduate of Albion College and the Law School of the University of Michigan, he formerly was Prosecuting Attorney of his county and an actively practicing lawyer. For eight years he has been a member, and now is President Pro Tempore, of the State Senate. Thus he is thoroughly familiar with affairs of local and county governments and his four terms in the senate have given him an intimate knowledge of state government. He is experienced. He is aggressive, and he is industrious. He knows the senate over which the lieutenant governor will preside. By voting for him you can nominate and then elect a senator to preside over the Michigan State Senate.

ROD & GUN CLUB

The club met Tuesday night at the Christmas Seal Camp, North Lake, with various guests being introduced by President Park. An honorary membership was given to M. J. Baxter for donating the use of his basement for the rifle range.
Sheriff John Osborn of Washtenaw county spoke, pointing out how conservation clubs fit in with National Defense. Conservation pictures were shown by Walter Harper.
Members, please note that leased land is to be posted Sept. 13. The October meeting date has been changed to Oct. 6, in order to be held during National Conservation Week and Conservation Stamps may now be obtained from members.

LOCAL FED. SCREW TEAM WINS
John Ford's Federal Screw Works Trouncers (Chelsea Division) gave the Detroit Federal Screw plant softball team two good shellackings in recent games. Two weeks ago the Detroit boys came here to show the small-town gang how to play ball but were pretty meek on the return trip, having suffered a 15 to 0 defeat at the hands of Johnny's more experienced lads. Last Wednesday night the Chelsea Division team went to Detroit for a return game and brought home the bacon, 18 to 2. All of which goes to show that small-town brawn is much more advantageous than big-town brains (?), especially in the art of softball.

Thousands of motorists adopt new wartime method of tire switching!

Based on the fact that tire wear varies on each wheel

● TIRE SWITCHING is a common sense practice at any time. Now it's vitally important. It's the very basis of longest life for your set of tires. For no two tires will wear at the same rate on your car, and your hope is to keep them all in service. But do you know when to switch tires . . . and to which position?

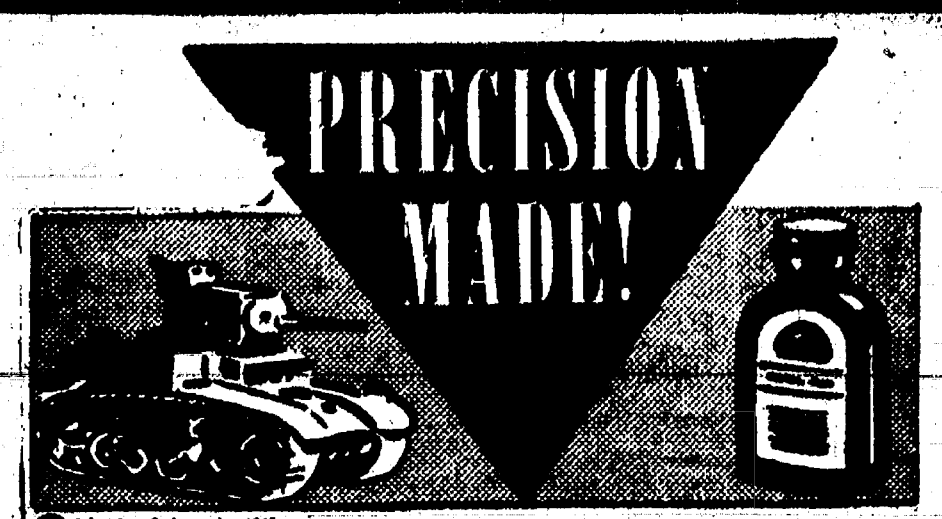

Have your Standard Oil Dealer supply the right answer with his new wartime method of switching tires. He will "gauge" your tires with a special measuring instrument, Standard Oil Dealers.

Tire Mileage Gauge. Then he will place each tire where it will give the most service. Have this repeated every 2500 to 3000 miles (older tires at 2500) to get maximum mileage from the set.

50 MILLION AMERICAN WORKERS

*Can't be
Wrong!*

Listen, Adolf, Benito and Hirohito!

I'm only one out of 50 million, but I'm here to tell you that you've got us *workers* to reckon with, too. This is *our* fight as much as it is our soldiers', sailors', and marines'. And we aim to win this war.

In any war of machines, you're playing *our* game. No one can beat us when it comes to doing a quick mass production job on planes, tanks, ships. Not when we set our minds to it.

I head a welding crew, part of America's great shipbuilding program. We're already ahead of schedule, and going faster every day. In twenty years of welding all over the country, I've never seen a gang working as hard or as well. They are inspired to give their last ounce of effort because they know how necessary this is to destroy you and what you represent.

That's why, too, they are willing to save more than they ever did before in order to buy War Bonds. At least 10 percent of their pay every payday goes to smash you once and for all.

Our employer makes it easy for us to buy War Bonds on the Payroll Savings Plan, and every man is signed up. Well, why not? No working man—or any other American—would miss this chance to serve his country and to safeguard his home, his family, and his freedom, now and in the years to come. Because we not only help to win the war by buying Bonds, we get \$4 for every \$3 we invest, when we hold the Bonds ten years.

Every man, woman, and child putting every dollar in Bonds, every effort in work—that's the way we're welding America's strength for victory. And that's the way we'll beat you, Adolf, Benito, and Hirohito!

Before the Honorable Albert W. Hooper, Circuit Court Commissioner for the County of Washtenaw.

Frances Houk and Mary H. Krause, as joint tenants with right of survivorship, Plaintiffs,

vs.

David L. Cone and Lillian M. Cone, husband and wife, Defendants.

Order for Appearance

At a session of said Court, held at the office of the Circuit Court Commissioner, in said County, on the 24th day of August, A. D. 1942.

Present: Honorable Albert W. Hooper, Circuit Court Commissioner.

It appearing to the court by affidavit filed in said cause that it cannot be ascertained in what state or country the defendants, David L. Cone and Lillian M. Cone, husband and wife, reside;

Now, therefore, it is hereby ordered that the above named defendants, David L. Cone and Lillian M. Cone, husband and wife, appear on the 25th day of September, A. D. 1942, at 10:00 o'clock A. M., Eastern Standard War Time, at the office of Albert W. Hooper, Circuit Court Commissioner for the County of Washtenaw, State of Michigan, 1001 First National Building, Ann Arbor, Michigan, to make answer, if they have any, why the land contract entered into by and between Frances Houk and Mary H. Krause, as joint tenants with right of survivorship, as vendors, and David L. Cone and Lillian M. Cone, husband and wife, as vendees, should not be forfeited in accordance with the complaint filed in said cause.

The property described in said complaint is as follows:

All those certain pieces or parcels of land situated in the Township of Sharon, County of Washtenaw, State of Michigan, and described as follows:

A part of Section number nineteen (19) and a part of Section number thirty (30), commencing at the south west corner of Section number nineteen in town three south of range three east and running thence north along the west line of said section five chains and seventy-three links, thence east parallel with the south line of said Section forty chains and ten links, thence south thirteen chains and seventy-four links to the center of the highway, thence west along said highway thirty-seven chains and sixty-four links to lands of Henry Gardner (formerly) thence north along the east line of said Gardner's land to the south line of said Section number nineteen eight chains, thence west two chains and fifty links to the place of beginning and containing fifty three acres of land more or less.

Also:

Commencing at the northwest corner of section number thirty (30) in Township number three (3) south of

range number three (3) east and running south on the west section line thirty-two (32) rods, thence east parallel with the north line of said section ten (10) rods; thence north parallel with the west line of said section thirty-two (32) rods; thence west ten (10) rods to the place of beginning, containing two (2) acres of land.

Subject to a certain grant of right of way running from Frances Houk, survivor of Christian Houk, husband and wife, to the Panhandle Eastern Pipe Line Company, a Delaware Corporation.

Save Waste Fats To Make Explosives

The Washtenaw County Salvage Committee is distributing small hand bills through the meat and grocery dealers urging all hotels, restaurants, housewives, etc., to conserve kitchen fats.

The general instructions are as follows:

1. THE NEED IS URGENT. War in the Pacific has greatly reduced our supply of vegetable fats from the Far East. It is necessary to find substitutes for them. Moreover, fats make glycerine. And glycerine makes explosives for us and our allies — explosives to down Axis planes, stop their tanks, sink their ships. We need millions of pounds of glycerine and housewives can help supply them.

2. DON'T throw away a single drop of used cooking fat — bacon grease, meat drippings, frying fats — every kind you use. After you've got all the cooking good from them, pour them through a kitchen strainer into a clean, wide-mouthed can. Keep in a cool, dry place. Please don't use glass containers or paper bags.

3. TAKE THEM to your meat dealer when you've saved a pound or more. He is cooperating patriotically. He will pay you 4c per pound for your waste fats and get them started on their way to the war industries. It will help him if you can deliver your fats early in the week.

Four Things to Do

1. SAVE ALL YOUR WASTE COOKING FATS. Save pan drippings from roast ham, beef, lamb, and poultry. Save broiler drippings from steaks, chops, veal, and bacon. Save deep fats, whether lard or vegetable shortening, from fried potatoes, fish, doughnuts, etc.

2. POUR INTO CLEAN, WIDE-MOUTHED CANS. It is best to pour into a wide-mouthed can, such as a coffee or vegetable shortening can. Be sure the can is spotlessly clean. And strain your fats as you pour them in, so that all foreign matter is removed.

3. KEEP IN REFRIGERATOR or a cool, dark place until you have collected at least 1 pound.

4. TAKE TO YOUR MEAT DEALER, who is cooperating patriotically in this drive. He will weigh your can of fat, pay you the established price for it, and start it on its way to the war industries. Frozen food locker plants will also accept your salvaged fats.

Two Things Not To Do

1. DON'T take less than 1 pound at a time to your meat dealer.

2. DON'T take your fats to the meat dealer on week-ends if you can avoid it. Help him by returning them early in the week.

What difference does it make if you had the right of way? If you are laid up in a hospital all broken up? There should be no right of way decisions nor anything in our laws regulating the right of way. If you and I and everyone else used extreme caution at all intersections and at bad crossings and applied the rule of good common sense and courtesy at these locations, there would be no necessity for having discussions or legal reference about the right of way.

There is no right of way—there is only the RIGHT WAY!

So many times people say, "I had the right of way."

What difference does it make if you had the right of way? If you are laid up in a hospital all broken up? There should be no right of way decisions nor anything in our laws regulating the right of way. If you and I and everyone else used extreme caution at all intersections and at bad crossings and applied the rule of good common sense and courtesy at these locations, there would be no necessity for having discussions or legal reference about the right of way.

There is no right of way—there is only the RIGHT WAY!

Girls for work vital to the war effort with the Michigan Bell Telephone Company

THE ARMED FORCES, war industries, and civilian defense units keep telephone wires humming these days. To handle this flood of calls, your telephone company needs more operators, and needs them now! Here is your chance to make a real contribution to the war effort—and at the same time get a job with pleasant working conditions. You will join with an army of selected girls who have dedicated their best efforts to providing swift and accurate service in these critical times.

CAN YOU QUALIFY? Either single or married girls who have good eyesight, hearing, and voice, and who are citizens, may apply. No previous experience necessary.

HOW TO APPLY—If you have wondered "what you can do to help"—if you are interested in this opportunity for useful and agreeable work, apply at the Chelsea telephone office between 4 and 6 p. m. Friday, Sept. 11, or call Miss Seleska at Ann Arbor, 9900.

SALEM GROVE W. S. C. S.
A very enjoyable time was had at the meeting of the members of Salem Grove W. S. C. S. and their guests at Clear Lake on Wednesday afternoon, Sept. 2.

After a short business meeting a very interesting program was put on by the president, Mrs. Glenn Rent-schler. A delicious lunch was served by the W. S. C. S.

The W. S. C. S. will sponsor a musical program by Rev. and Mrs. Edgar Schade of Waterloo U. B. church at Salem Grove church Sunday night, Sept. 13. Rev. and Mrs. Schade are very able musicians and it will be well worth your while to attend this program. Everyone welcome.

CARD OF THANKS
We sincerely thank our friends for their acts of kindness during our bereavement.

MURDER

Let's reopen the Briggs murder and the Wurster suicide at the polls. Supposing that a member of your family died under mysterious circumstances, would you be satisfied to have the case solved as these Manchester cases were solved? If not, vote for A. C. Gaston for Sheriff on Sept. 15.—Republican.
