Day Nursery Planned As Community Project

For some time parents engaged in defense work have expressed the need for proper care for their children while they, the parents, are absent from home. Because these adults are willing to help in producing materials for defense purposes, the Government is cooperating with local personnel in organizing a "day nursery" and "recreational program" for children from the ages of 2 to 16. Paid helpers are engaged by the Government to carry on this program provided that 60 children respond to the project.

Local committees are now engaged in formulating plans in order that the opportunity may be grasped in this community for from this program much of value may be obtained both in the care of the children and in the satisfaction gained by parents in knowing that their children are being properly cared for.

To ascertain the advisability of organizing a program of this nature, a meeting is being called for Monday afternoon at 3:15 at the high school building. All persons interested in a "day nursery" and "recreation program" for children, ages 2 to 16, will have the opportunity at that time to ask any questions of interest and value to them personally.

This is a very commendable project and it is hoped that a sufficient number of children may be registered so that Government aid may be received for this very worthy and necessary program.

Dairy and Crop Meeting To Be Held Next Week

Extension specialists from the Dairy and Farm Crops Departments, Michigan State College will attend a meeting at the Chelsea high school on Thursday, February 18 at 1:30 p. m. in the Food for Freedom series of meetings which are being held in the county next week.

These specialists will lead the discussions on problems relating to feeding the dairy herd for more efficient production and cropping programs to "keep the milk running". Dairy feed with emphasis on the protein supply, improvement of legume hay, summer pasture, more and better legume seedings are some of the topics to be suggested by the specialists at the meetings.

All farmers in the area are invited to attend. The meeting will last about two hours.

Tim Doolittle and Gang Coming On February 27

Under the auspices of the Chelsea Kiwanis club, Tim Doolittle and his Pine Center Gang will present a program of modern and old-fashioned songs, music and the public school gymnasium on Saturday night, Feb. 27.

Tim and his gang have appeared in Chelsea a number of times and upon each occasion the audience has been filled to capacity because of their popularity here. Arrangements for his return on the above date were made by the Kiwanis club because of so many requests that such an event be planned. Gas rationing makes it necessary for people to confine their amusement to local activities and there is a need for entertainment of this nature, as evidenced by the number of requests.

Tickets will be offered for sale by the Kiwanians within a few days.

LEAVES FOR ARMY SERVICE

Richard David Hummel, who has been making his home with Dr. and Mrs. A. L. Brock for the past six months, was inducted into the service on Friday, February 5, and leaves for Camp Grant, Ill. He was born Dec. 23, 1922 in Chelsea, the son of the late Walter B. and Marjorie (O'Brien) Hummel. He has a step-mother, Constance Hummel, living in Chicago, Ill. He graduated from St. Mary's high school, Lansing; after which he attended both Michigan State and Assumption College at Windsor. At the present time he was employed as shipping clerk at the Central Fibre Products Co.

CHICKEN SUPPER

Next Wednesday, February 17, a chicken supper will be served at the Methodist church. Everyone desiring a really good meal is welcome. Serving will begin early enough, promptly at 4:45, to accommodate those persons who have to be at work at 5:30, so there will be plenty of time to enjoy the delicious food. The menu includes: Chicken, home-made biscuits and gravy, potatoes, vegetable, salad, dessert and coffee, tea or milk. Adults \$1.00; children (under 10) 50c. Adv.

WILL DISPLAY PICTURES

Starting Saturday, for a period of two weeks, Merkel Bros. will display in their center show window the pictures of men in the armed forces of the United States. Parents or friends who have such pictures are invited to bring them to the store as soon as possible.

Federal Screw Awarded 3rd "E" Pennant

Local Company Has Splendid Record Of War Production

About one year ago Federal Screw Works was awarded the United States Navy "E" pennant for excellence in the production of war materials. Six months later this company received a renewal of the award, with the presentation by the Army and Navy of a pennant with one star affixed.

During the past week Federal Screw was honored by receiving notification from the Department of the Navy that they had granted another renewal of the "E" award for an additional period of six months, and they will receive a new pennant with two stars affixed—an honor which has been granted to very few manufacturers in Michigan.

The letter received by Frank M. Edgar, president of the company, follows:

DEPARTMENT OF THE NAVY
Office of the Under Secretary
Washington
February 3, 1943.

Dear Mr. Edgar:
I am glad to advise you that after careful consideration at its last meeting, the Navy Board for Production Awards granted a renewal of the Army-Navy "E" Award to the Chelsea Division of the Federal Screw Works for an additional period of six months dating from December 31, 1942.

This renewal grants you the right to add an additional white star to your pennant. I am therefore forwarding to you through the Commandant of the Ninth Naval District a new pennant with two stars affixed, which you should receive in the near future.

The question of a ceremony in connection with holding the new pennant is left entirely to your desires in the matter. Should you elect to have a ceremony, the local Navy Public Relations Officer will be at your service to assist you in any way possible. I congratulate each and every one of the employees of the Chelsea Division of the Federal Screw Works upon their continued splendid achievement in outstanding production. This award is difficult to win in the first instance and the requirements for renewal are equally exacting. By winning this additional honor you all have demonstrated a solid determination to supply our fighting forces with the materials they must have to bring this war to a successful conclusion.

Sincerely,
C. C. Bloch,
Admiral, USN (Ret.)
Chairman, Navy Board for Production Awards.
Mr. Frank M. Edgar, President,
Federal Screw Works,
Chelsea Division,
Chelsea, Michigan.

Congratulations to Federal Screw management and employees for their splendid record of achievement in this all-out war effort! Chelsea is proud of this record.

NURSING CLASS POSTPONED

The Home Nursing class which has been organized under the Red Cross will continue its work the latter part of February. Because of the illness of Miss Brand, the instructor, it will not be possible to meet before that time. Members of the group will be notified by telephone or postcard as to the exact date of resuming their instruction.

ENLISTS IN NAVY

Arthur Lindauer, who recently completed his sophomore year at Western Michigan College, Kalamazoo, has been home for a brief visit with his parents, Mr. and Mrs. Alfred Lindauer. Arthur enlisted on Nov. 26, 1942 in the Navy Air Corps and left for Detroit this morning to enter the service.

School Band To Present Concert On February 23

The Chelsea High School Band, under the direction of Mr. Laudenslager, announces that a "Victory Concert" will be played by the band on Tuesday, February 23 at 8 p. m. in the school auditorium. This concert should be a "must" on every Chelsea citizen's social calendar. Remember the date—it will be a new type program, complete with "unusual" decorations and fine musical entertainment.

Committees for promotion of the concert are as follows:
Decorations: Dick Umstead, Eunice Lehman, Clara Miller, Francis Hale, Esther Riemenschneider, Donna Perkins.
Tickets: June Vail, Barbara O'Hara.

Program: Eileen Loeffler, Marceline Hinderer, Margaret Feldkamp. Stage: Dick Umstead, Lyle Christman.

Posters: Neil Beach, June Vail, Billy Masten, Paul Schaible, Laverne Holbrook.

Three student soloists will be featured in the concert. Dick Richards will play guitar solo with band accompaniment; Paul Schaible and William Schweinfurth will present a trombone duet with band accompaniment. In addition to these performances, the brass quartet will present two numbers, as will the clarinet quartet.

The program in its entirety will be printed in this column next week. The members of the band are making a great effort to present an outstanding musical program, and they are hoping for the support of the public at this event.

Prison Chaplain Speaks At Cong'l Family Night

Members and friends of the Congregational church enjoyed another family night gathering last Thursday evening. After a beautiful hot-luck supper in charge of the Service Chapter and a few items of business, the pastor introduced the guest speaker, Rev. Samuel B. Wenger, chaplain of Southern Michigan Prison.

Rev. Wenger is doing an outstanding piece of work at the prison. He emphasized the importance of looking at the confinement of men for crime not merely punishment but as an opportunity for reformation and reconstruction. In his contacts with the men his goal is the creation of new mental attitudes so that those who return to society may take their place as normal citizens.

He attributed the underlying source of crime to the early environment of the individual in the home particularly. The attitude of the parents toward the child, the love and care shown determines the outlook of the person toward society and life. If the child feels that he is not wanted, if there is great favoritism shown toward the children, if parental love is unwise, complexes are developed which distort his relation toward others and lead often to crime.

Rev. Wenger was accompanied by Mrs. Wenger, and all who attended felt that the opportunity to meet these charming people and hear the address was a rare privilege.

Food Merchants Will Meet In Ann Arbor

A meeting of food merchants and food handlers of Washtenaw county will be held on Monday night, Feb. 15 at 8 o'clock in Room 320 of the Michigan Union, Ann Arbor.

Howard Clay and Earl Fitzgerald of Detroit, OPA analysts and specialists, will explain point rationing, coupon banking, price marking, food quotas and other problems which are confronting the merchants, and will answer any questions which merchants care to ask.

All of Chelsea's food merchants and handlers are urged to attend this meeting.

CADET MAYER VISITS PARENTS

Aviation Cadet Willis Mayer left on Wednesday, after spending a week's leave at the home of his parents, Mr. and Mrs. George Mayer. Formerly in training at the Iowa Pre-Flight school, Iowa City, Ia., Cadet Mayer has been transferred to the Navy Aviation base, Olathe, Kansas. At a family dinner given Sunday in his honor the guests included Mr. and Mrs. Walter Mayer of Bay City, Mr. and Mrs. LeRoy Mayer and Fred Hoffman of Chelsea.

GASOLINE STOLEN

Gasoline thieves were again busy in Chelsea last Wednesday night, stealing eight gallons of this precious fluid from the sedan of Martin F. Miller. Mr. Miller was making an ambulance run to Ann Arbor, and left his garage door open while he was gone. The next morning when he tried to start his car he found that all the gasoline had been drained from the tank.

Ignoring Facts
"Practical politics consists in ignoring facts."—Henry Brooks Adams.

THE OLD JUDGE SAYS...

"Here's a piece, Judge, that says that in spite of more cars and faster speeds, the first six years of repeal showed 12% less deaths from automobile accidents than during the last six years of prohibition."

"Now doesn't that just go to show you, Henry, you've got to be on pretty solid ground as far as your facts go before you make an out-and-out prediction. Why, back in the days just before repeal quite a few folks around the country made pretty power-

ful predictions about how automobile accidents were going to jump up if we got legal liquor back.

"About the only thing along that line you're ever safe in predicting, Henry, is this: No community or county or nation, for that matter, ever became or ever will become dry just because it voted that way. All that the votin' decides is whether you have legal or bootleg liquor. We had nearly 14 years of experience on that, didn't we?"

Michigan Beans Needed
In War Food Program

Some of the field crop juggling necessary to get in the suggested record of 828,000 acres of navy beans in Michigan fields in 1943 provides several possibilities on which farmers can plan.

Competitive major cash crops needed in the war are potatoes and sugar beets. Some increase in acreage will be necessary to reach production goals of dairy, meat and poultry products. Full acreages of forage and pasture will be necessary as war crops for livestock feed.

These ideas come from H. C. Rathner, head of the Michigan State College farm crops department.

But the alternatives are apparent, too, says Rathner. Fewer soybeans are needed than were planted in 1942, especially in the counties where navy beans are a prominent crop. In those counties many soybeans failed to mature. In fact, 30 to 50 per cent of the soybeans have been snowed in, still unharvested.

The balance of the extra navy bean acreage could come out of fields normally planted to oats. Rathner suggests, without seriously impairing feed supplies. New price inducements offered navy bean growers should make such a change profitable. Recent price increases for 1942 beans, in spite of lack of bean-canning, gives indication of the importance of Michigan beans as a war crop. The state in 1942 produced 91 per cent of the nation's white-pea or navy beans.

Fertilizer recommendations from the college's soils science department suggest 200 pounds of 0-20-20 or 0-14-7 an acre if the fertilizer can be placed in bands but not in direct contact with the seed. As little as 75 pounds of fertilizer an acre has caused poor germination when fertilizer comes in contact with the seed, according to Dr. C. E. Miller, head of the college soils science department. Bean fields not recently manured and not growing a legume sod should get a 2-16-8 fertilizer.

Our Neighbors

HOWELL—There is no need for Livingston county people to go north to see deer. They are plentiful right in our midst. Conservation officer Harold Howditch reports counting 85 one night last week in section 28 of Deerfield township, and estimates there may be as many as 125 in the herd. A vantage point from which they can sometimes be seen about 5 or 6 p. m. is the Hicks road some three miles east of Oak Grove to near the Pawcett school. County Press.

NORTHVILLE—The \$1000.00 Victory Bond recently purchased by the Northville Lodge No. 186, F. and A.

M. arrived in January and now that Masonic body has two one thousand dollar bonds. The lodge purchased the first 1000 bond soon after Pearl Harbor. The second one was ordered on approximately the anniversary of the momentous event.—Record.

WILLIAMSTON—Mr. and Mrs. Sam Fingardio have the honor of having the most sons in the service of any family in the area. Pedro, the fifth son to join the armed forces, left Monday for Notre Dame where he will undergo special training for the United States Navy.—Enterprise.

THE BEER OF
BALANCED FLAVORVICTORY PUDDING
with
Lemon Sauce

No. 12

of the Nutrition Series

This delicious dessert is inexpensive and makes 12 servings. The recipe uses no eggs. The raisins supply minerals and are a high energy food. The spices and molasses provide flavor, and of course the molasses supplies iron. The lemon sauce gives the pudding a desired tartness.

VICTORY PUDDING WITH LEMON SAUCE

(12 Servings)

- | | |
|-------------------------------------|------------------------------------|
| 2 1/2 cups sifted all-purpose flour | 1 teaspoon ground allspice |
| 1 1/2 teaspoons baking soda | 1 cup seedless raisins |
| 1 teaspoon baking powder | 1/2 cup shortening |
| 1/4 teaspoon salt | 1 cup sugar |
| 1 teaspoon ground cinnamon | 3 tablespoons molasses |
| | 1 1/2 cups unsweetened apple sauce |

1. Sift flour, soda, baking powder, salt and spices together 3 times. Add raisins and dredge well.
2. Cream shortening, add sugar gradually, creaming thoroughly. Add molasses; mix.
3. Add apple sauce alternately with dry ingredients. Blend well.
4. Pour batter into a greased loaf pan, 4 1/4 by 8 1/2 by 3 inches (measured across bottom of pan).
5. Bake in a preheated oven at 350° F. about 1 hour and 10 minutes.
6. Serve warm or cold with lemon sauce.

LEMON SAUCE

(About 2 Cups)

- | | |
|-------------------------|-------------------------------------|
| 3/4 cup sugar | 3 tablespoons lemon juice |
| 2 1/2 tablespoons flour | 1/4 teaspoon grated lemon rind |
| 1/2 teaspoon salt | 1/4 tablespoons butter or margarine |
| 1/2 cups boiling water | |

1. Mix sugar, flour and salt in a saucepan; add water gradually, stirring constantly.
2. Cook mixture about 5 minutes.
3. Add lemon juice, lemon rind, butter or margarine; stir until well-blended and butter or margarine is melted.
4. Serve hot with Victory Pudding, allowing about 2 1/2 tablespoons per serving.

Standings	W	L
Kimunity	7	1
Spring	5	2
Fibre	5	2
Cassidy	4	4
Dexter	4	4
Federal	1	7

In the opening game last week Spring defeated Federal by a score of 32 to 23. Cunningham of Federal led both teams in scoring with 13 points while Streets of Spring got 10.

In the second game Kimunity went on the loose again to defeat Dexter 77 to 36. G. Miller led Kimunity with 20 points. A. Johnson and B. Foster got 16 each for the winners. This was Foster's last game as he left for the Navy. Wilber got 15 points for Dexter.

In the final game Fibre had little trouble in defeating Cassidy 41 to 24. S. Policht led the winners with 13 points, while Lasowicz got 17 points.

This is the schedule for Feb. 11: Spring vs. Kimunity—7:00. Fibre vs. Dexter—8:00. Federal vs. Cassidy—9:00.

SCOUT TRAINING HELPS WIN VICTORIES ON ALL FRONTS

Ernest J. King, Rear Admiral U.S.N. Secretary of the Navy
Frank Knox, Secretary of the Navy
William D. Leahy, Admiral—U.S.N.

Douglas MacArthur, General—U.S.A.
Henry L. Stimson, Secretary of War
Thomas Holcomb, Maj. General, U.S.M.C.

That Scout training develops character and self-reliance is well known to these Army, Navy and Marine Corps leaders. On numerous occasions each has said as much in praise of the Movement which gives to West Point and Annapolis better than 60% of their men. Wherever our fighting forces are hitting the enemy, you may be sure that among their ranks there are tens of thousands of former Boy Scouts prepared to win the victory.

"TOWN AND FARM IN WARTIME"

A weekly news digest from the Rural Press, Section of the Office of War Information News Section

Rationing Begins March 1

Rationing of canned, dried, and frozen fruits and vegetables will begin March 1, and retail sales of the more than 200 items to be rationed will be "frozen" on February 20. Beginning Monday, Feb. 22, housewives will register for War Ration Book No. 2, which will allow a total of 48 "points" for each member of the family for the month of March. Stamps will have values of 8, 5, 2, and 1. If a family has more than 5 cans per person on hand, stamps will be removed from the book in proportion to their excess holdings. Official point values will be made public as soon as stocks are "frozen". Registration probably will be held in local school houses and one member may register for the whole family.

Some foods need not be counted. They include canned olives, canned meat and fish, picklers, relish, jellies, jams, preserves, spaghetti, macaroni, noodles, and all home-canned foods.

"Non-Deferable" Occupations

Twenty-nine occupations were announced as "non-deferable" for any reason by the Bureau of Selective Service of the WMC on Feb. 2. All occupations in an additional 19 manufacturing, wholesale and retail, and 9 service activities were also called non-deferable. Any man in these occupations is advised to get into a war job immediately. After April 1, he will not be deferred if he stays in his present job. Even if he has dependents, he will still be drafted unless his work contributes to the war effort.

Among the non-deferable occupations are everything from bootblacks to gamblers, bartenders, bar boys, beauty operators, bell boys, bus boys, butlers, charmen and cleaners, cosmeticians, custom tailors and furriers, dancing teachers, dishwashers, door men, elevator operators and starters, errand boys, fortune tellers, gardeners, greens keepers, housemen, hairdressers, newsboys, night club managers and employees, porters, private chauffeurs, soda dispensers, ushers, valets, and waiters, with few exceptions, are non-deferable regardless of where the activity is found.

Gasoline Credit Cards

Credit cards may now be used at gasoline stations by vehicles carrying a "certificate of war necessity" or "war ration stickers". Most other vehicles cannot use such credit cards. Formerly, stations operating 24 hours a day could sell gasoline to all vehicles only during 12 hours a day and after that only to those with "war" stickers. Anyone who has applied for a "certificate of war necessity" may get gasoline pending the arrival of the certificate by notifying his local War Price and Rationing Board. Coupons sufficient for his needs will be issued for the first and second three-month period at the expiration.

Lumber for Farms

Almost six billion board feet of lumber a year will be required on American farms after the war, according to the U. S. Department of Agriculture's Forest Service. More than 5,000 million board feet will be needed for repair and replacement of buildings, 700 million feet for buildings on new farms, and 150 million for other uses.

Coal If You Need It. Coal producers and dealers have

Must Contact Ag Board To Purchase Equipment

Michigan farmers were reminded this week that they must contact the chairman of their local County Agricultural War Board if they wish to purchase farm machinery or equipment.

The reminder came from Arthur H. Sarvis, state chief of the Office of Price Administration, who said many farmers are applying mistakenly to their local OPA war-price and rationing boards or to the War Production Board, which are not the proper agencies for such applications. "Many rural residents who have misunderstood these requirements have made application to OPA rationing boards or to field offices of the War Production Board when they wanted to purchase equipment," he said. "There have been instances of persons driving many miles to the nearest WPB office, asking for a certificate to purchase equipment, only to find they had gone to the wrong agency."

Such applications have been handled by the County Agricultural War Board since they were set up by the Department of Agriculture in each county in the nation last fall. More recently, applications for store and space heating equipment in farm homes also have been brought under the Agricultural War Board's jurisdiction. Each county agricultural agent is a member of the Agricultural War Board in his county.

Thus farmers would save time and effort if they got directly in touch with the Agricultural War Board whenever they wish to purchase any type of machinery or equipment for productive farm use, according to Sarvis.

one suffers for lack of coal for fuel is placed in dealers and distributors of the coal industry. Supply is considered sufficient to prevent any hardships if it is properly distributed.

To Discharge Men Over 38

Procedure to discharge men of 38 years and over from the armed forces will hereafter be simplified. No longer will it be necessary to have a trained replacement before a man of 38 can get a discharge. Application for discharge must be in writing and show that the man will be employed in essential industry.

MID-WINTER MONTHS and MID-WEEK DAYS
are the LEAST CROWDED travel times

You can aid wartime bus service by planning essential trips for February or March—instead of Mid-Summer

Never in history has it been so important to choose with care the time and occasion for travel. Through the years bus travel has always been very heavy in some months, less heavy in others—and this has held true even in wartime when the demands on transportation

are naturally increased. That's why Greyhound has long urged everyone to travel during less crowded periods—and February and March are just such times. Essential trips taken when possible, in mid-winter will greatly relieve overcrowding in the mid-summer months ahead.

You can aid wartime transportation still further by choosing the right day—in mid-week—the right schedule—the least crowded one. It's wise to take along as little baggage as possible—and to get information on any trip well in advance.

Keep the pressure up!

Uncle Sam is fighting the biggest "fire" in world history. Every ounce of pressure we can put behind the war effort is needed now.

If everybody kept right on sprinkling lawns while a big fire was raging, the firemen wouldn't have enough pressure. Just so with the telephone system. Long Distance telephone lines, like water mains, can carry only so much at a time. Much of the capacity of the Long Distance lines is needed now for the messages that speed war production.

Here's how you can help:

Do not make a Long Distance call unless it is really important.

Keep all calls as brief as you can.

Red Cross War Fund Drive Starts March 1

The campaign to raise Washtenaw county's \$53,000 quota in the American Red Cross war fund drive will start on March 1, according to Chas. R. Henderson, chairman of the drive.

The national quota has been fixed at \$125,000,000, with \$80,000,000 to be spent on national and international needs and the remaining \$45,000,000 to be retained by the many local chapters in Red Cross to finance their activities.

To describe the many functions of the Red Cross would make a very lengthy story. Mr. Henderson says, but he has made available a list of Red Cross opportunities for service in Civilian Defense to indicate the broad scope of the work being performed.

Full information regarding the services listed below (as to who may volunteer and the training required) may be obtained from the Washtenaw County Chapter of the American Red Cross at North Hall on the University campus, telephone 2-5548.

First Aid: Basic training in first aid to the injured.

Home Nursing: Simple training for care of sick in homes.

Blood Plasma: Collection of blood to be used by Army and Navy for transfusions.

Nurse's Aide Corps: A short hospital training course for volunteers to assist nurses.

Motor Corps: A transportation service for the Red Cross and approved local or national organizations.

Canteen Corps: Organized trained group to operate canteen service.

Staff Assistance: Civilian Defense work assisting at emergency centers, in hospitals, clinics, etc.

Braille Corps: Transcribing books and other literature into braille for the blind.

Disaster Relief Committee: A local organized group of leaders in each community, ready to function to help alleviate and prevent human suffering.

Hospital and Recreation: A trained group of women to help maintain morale through friend service and recreation for convalescent patients.

Production Corps: The making of garments and knitted articles and surgical dressings.

Home Service Corps: Special welfare service for men and families of men in armed forces as well as for veterans and their dependents.

HONORED ON BIRTHDAY

Mrs. L. E. Riemenachneider entertained a company of friends on Sunday evening in celebration of her husband's birthday anniversary. A buffet lunch was served and two tables of bridge were in play.

And One Loves a Marine—The Valentine Proves It!

Cupid has a quiver full of extra special Valentine cards for service men. "The gal he left behind" should have little trouble expressing her romantic sentiments in any mood—serious, frivolous or humorous. Pictured above is Robert Newmyer, PFC, United States Marine, of Greensburg, Pa., stationed somewhere on the East coast, reading a Valentine card he received from his best girl. Soldiers and sailors received special attention—with cards specifically designed to express the tenderest sentiments.

ROD & GUN CLUB

Ninety-one members and guests were present at the monthly meeting of the club which was held at the Tower Cafe on Tuesday night. Jim Park, president, presided over a short business meeting, of which the main topic was the feeding of pheasants. According to reports from various members and one from Conservation Officer Carl Brunsaber, it was indicated that the birds are not in want at the present time.

Village President Al Mayer was in charge of the euchre games, in which high honors were received by William Doe, son of Deputy Sheriff George Doe, and low honors went to H. B. Murphy.

The next meeting will be held at the "Tower" and will be the annual election of officers.

CARD OF THANKS

I wish to thank all my neighbors, relatives and friends for the many acts of kindness shown to me while in the hospital and after my return home.

Mrs. Albert Hinderer.

DEATHS

Mrs. Florence Saine

Mrs. Florence Wilhelmina Saine, a former resident of this vicinity, died Thursday morning, February 4, at the home of her daughter, Mrs. Fred Knoll, at 3022 Francis St., Jackson, following a brief illness.

The daughter of George and Mary Merker, she was born July 15, 1872, in Sharon, township. She was married Aug. 30, 1900 to Dewald Saine, and for 22 years they made their home in Cadillac. Mr. Saine died several years ago and she had since resided with her children.

Survivors include three sons, Orley Saine of Cadillac, Charles of Jackson, and Theodore of Detroit; three daughters, Mrs. Lida Schlecht and Mrs. Sadie Hubbard, both of Ann Arbor, and Mrs. Fred Knoll, Jackson; two sisters, Mrs. W. Henry Hessel, Chicago, and Mrs. Michael Ichelinger, Ann Arbor; eight grandchildren and one great-grandchild.

Funeral services were held at 2:00 o'clock Saturday afternoon at the Staffan funeral home. Rev. W. H. Skenebury officiated and burial was in Maple Grove cemetery, Sylvan township.

Charles H. Hagadon

Charles Henry Hagadon of Detroit, former Chelsea resident, died Monday, February 8, after a lingering illness.

Mr. Hagadon was born Nov. 6, 1857 in Pittsfield, Michigan. He was married Sept. 18, 1889 to Elizabeth Page and they made their home in Chelsea until 12 years ago, when they moved to Detroit.

Surviving are the widow; four sons, Robert of Grass Lake, Samuel of Dexter, Allen and Stanley of Detroit; five daughters, Mrs. Albert Ashfall of Chelsea, Mrs. Lawrence Umstead of Pinckney, Mrs. Harry Freeman, Mr. Frank Haley and Mrs. Joseph Shers, all of Detroit; 19 grandchildren and nine great-grandchildren.

Funeral services were held at 2:00 o'clock Wednesday afternoon at the Staffan funeral home, with Rev. V. C. Colter of Detroit officiating. Burial was in Oak Grove cemetery, Chelsea.

Mrs. John Reule

Mrs. John Reule, 69, a resident of Chelsea, for the past 50 years, died Monday, February 8, at her home on Wilkenson St.

Her maiden name was Christina Frey and she was born Aug. 3, 1873 in Eitmansweiler Wilttemberg, Germany. In March, 1894, she was married in Chelsea to John Reule, who survives her.

She leaves four sons, John G. of Manchester, Julius, William and Paul, of Chelsea; six daughters, Mrs. Anna Kelly of Philadelphia, Pa., Mrs. Caroline Tytler of Chelsea, Mrs. Em-

ma Goettsch of Detroit, Mrs. Rosina Falkner of Boston, Mass., Mrs. Ellen Alger and Mrs. Hilda Radenbaugh, both of Los Angeles, Calif., and 13 grandchildren.

Funeral services will be held at the residence at 2 o'clock this afternoon. Rev. P. H. Grabowski will officiate and burial will be in Oak Grove cemetery.

Mrs. Hannah Darling

Mrs. Hannah Theresa Darling died Friday evening at the Methodist home. She was born May 9, 1869 in Memphis, Mich. and resided in Port Huron and Highland Park before entering the home on Sept. 10, 1940.

She is survived by two daughters, Mrs. Melvin Howell and Mrs. Verne Cooper, both of Detroit; two granddaughters and a grandson. Funeral services were held at 3:30 Monday afternoon at the Arthur E. Smith funeral home and burial was in Lakeside cemetery, Port Huron.

Mrs. John Larmee

Mrs. John Larmee, 63 years old, died Thursday, February 4, at her home in San Pedro, Calif.

Formerly Lulu Speer, daughter of James and Ada Speer, she was born in Chelsea on Nov. 21, 1879. She was married to Mr. Larmee on Nov. 11, 1902 and they have made their home in California for 20 years.

She is survived by her husband; also a sister, Mrs. Westey C. Smith of Chelsea. Funeral services and burial were in San Pedro on Saturday.

Mrs. Frank Stewart

Mrs. Frank Stewart, 70, former Chelsea resident, died in Los Angeles general hospital on January 12. Formerly Jessie Merrill, she was a rural school teacher in this vicinity, moving to California about 30 years ago. Since the death of her husband several years ago, Mrs. Stewart had resided with her brother-in-law and sister, Mr. and Mrs. A. J. Pratt, Bell, Calif.

SALEM GROVE W. S. C. S.

Mrs. Albert Schweinfurth was hostess to the Salem Grove Women's Society of Christian Service on Wednesday afternoon, Feb. 3. Mrs. Rent-schler led the devotion.

Song "What a Friend We Have in Jesus." Prayer—Mrs. Glenn Rentschler. Song—"Sweet Hour of Prayer."

Responsive Reading. The reports of the secretary, Mrs. T. G. Riemenachneider, and treasurer, Mrs. A. Schweinfurth, were accepted as read.

Mrs. Schweinfurth reported that the 10 dozen dish cloths had been sold. It was voted to order 10 dozen more.

It was also voted to sponsor a Father and Son banquet on Friday night, Feb. 26.

The next meeting will be held at the home of Mrs. Clifford White, Francisco.

LOCAL RED CROSS COMMENDED

The County Red Cross knitting chairman, Mrs. D. W. McCready, complimented the local branch of the Red Cross for their splendid accomplishments in a message to Mrs. J. E. McKune, local knitting chairman. The message read as follows: "The sweaters you sent in were lovely—all pressed and everything. We have no wool now but expect some more army knitting at any time. No socks. Will send more sweaters and mufflers. We need more afghans, or squares. Best wishes—Mrs. D. W. McCready." The local chairman reports that Mrs. H. W. Schmidt knitted and donated an afghan to the Red Cross, also furnishing the material.

HOLD GET-TOGETHER

About 30 members of the Hi-Neighbor club held a get-together on Friday evening at the home of Mr. and Mrs. George Macomber in Sylvan township. In progressive euchre, which furnished pastime for the evening, high prizes were won by George Steele and Mrs. George Erke, and consolation by John Liebeck and Mrs. Edward Cantler. The supper was potluck. The occasion was also a farewell for Mr. and Mrs. Macomber, who are leaving March 1 for their new home in Lima township. The guests presented them with a card table.

Patriotic Homemaker

Every garment in active service is a good slogan for the patriotic homemaker. Keeping this slogan in mind, why not divide the family clothing into the following groups: (1) Those garments ready for use; (2) those garments needing repairs; (3) those garments that can be remodeled; and (4) those which can be used for other purposes. Not even hopeless garments should be discarded.

The program was in the form of a homemaker conference which began with the reading of some timely articles on nutrition. The members responded to roll call with favorite recipes which turned out to be most practical and usable.

Featured was a table display of charts and pamphlets pertaining to good nutrition. Included, too, were old cook books, aprons and apron patterns, and general hints for good homemaking. The enthusiastic response of the entire group made the evening a very enjoyable one.

PLAY MUSICAL CONCERT
The St. Mary's Junior Orchestra played a concert at the Sylvan Theatre on Tuesday evening. Among the selections played were "God Bless America," "Army Air Corps," "The Marine Hymn," "Caissons," "Anchors Aweigh."

The orchestra, composed of pupils from the St. Mary's School of Music, was making its first appearance of the season. The youngsters made a very fine showing of themselves. Wearing blue and gold capes, they were very stunning indeed.

The orchestra was conducted under the masterful baton of Howard Flintoff, who so courteously offered his services for the occasion.

Even Valentine Cards

Reflect Wartime Spirit
The war, which has left its imprint on almost everything in our daily life, has not missed leaving its mark on the Valentine and greeting cards for 1948.

Greeting cards for the coming year haven't overlooked a single phase of wartime living—it's the language of the headlines that puts the sentiment across in the new cards.

In "dim-out" terminology it's "All Clear for a Happy Birthday," or "No Blackout on My Valentine Wishes."

"Priorities" and "rationing," the "tax problem" and "conservation," as well as "for the duration," have all been made to "rhyme" with "best wishes" on greeting cards for all the momentous occasions from birthdays and births to wartime marriages and hurry-up-and-get-well-cards.

One birthday card that includes practically all of our necessary adjustments to the war reads:

They can ration tea and sugar. They can limit things we use.

They can take the cuffs off trousers. And the rubber heels off shoes.

They can ration tubes for toothpaste. Gas and Oil for Autos, too...

As long as they don't limit The joys I wish for you!

And a timely version of the old favorite, "Roses are Red—sentiment reads:

Roses are Red
Violets are Blue
Sugar is precious
And so are you!

A Plane A Minute Record Set By Battleship's A. A. Guns In Pacific

Navy's deadly 20 millimeter anti-aircraft gun and crew now making nationwide tour of industrial plants, to stimulate the production of parts of the weapon and the ammunition fired by it.

Federal Screw Works is in receipt of a communication from the Under Secretary of the Navy, which outlines the effectiveness of the 20 millimeter anti-aircraft guns. This is a matter of pride to management and employees of Federal Screw, inasmuch as they are producing projectiles, fuse parts and many of the precision parts which are essential to the functioning of the 20 m. m. gun.

The communication follows: Bringing the war at sea right up to the machines and work benches of every American plant producing anti-aircraft guns, parts and ammunition for Naval vessels was the story, recently released, of an unidentified United States battleship which bagged 32 Japanese planes in a single action in the South Pacific.

The battleship, of new design and bristling with rapid-fire anti-aircraft guns from stem to stern, met the same kind of concentrated air attack that earlier in the war sent the great British capital ships Repulse and Prince of Wales to the bottom, and emerged from her victory with only minor damage.

According to her skipper, Captain Thomas Leigh Gatch, who was wounded by fragments from the lone bomb which hit the ship, the success of the remarkable exploit was chiefly due to the deadly accuracy of her powerful A. A. armament.

Captain Gatch particularly praised the 20 m. m. anti-aircraft guns for their brilliant performance in the engagement.

"They worked continuously for more than 25 minutes of intense firing," he said, "and with only one failure. That was caused by water splashing into the barrel from a near miss from a bomb."

He pointed out that these guns, ringing the ship and spouting steel at the rate of 400 rounds per minute, put up a "volume of fire that is suicide for any dive bomber that attempts to go through."

The battle took place on the morning of October 26, as his ship was steaming along in position to protect an American carrier force seeking three Japanese carriers moving from the north toward the Solomons. Many of his crew were entering a combat zone for the first time and her officers included many newly commissioned reservists.

Over the ship's public address system, Captain Gatch asked the men if they were ready for action. From every part of the mighty battleship the answer came blaring back through the speaker on the bridge: "Aye, aye, sir!"

The first attack, launched by 20 enemy dive bombers, lasted eight minutes. The Jap planes ran into a wall of flaming steel set up by the ship's A. A. guns. Every one of the aircraft was destroyed.

The ship was using red tracers, and as their whipping fire caught one speeding target after another, the Jap planes seemed to explode at the end of the streams of fire like crimson bursts from huge Roman candles.

And the exultant gun crews kept crying to the ammunition passers:

"Come on, boys! Let's have some more of that good red ammunition!"

Half an hour later the Japs came on again to assault the battleship and an aircraft carrier she was escorting. Forty torpedo planes and dive bombers roared down in waves about a minute and a half apart.

"Our ship was cutting circles and figure eights and other maneuvers without names," related the skipper. "I was more afraid of ramming the carrier than of the attacking planes."

Once more the skies became a flaring skein of A. A. fire and weaving planes. The 20 m. m.'s, the 40 m. m.'s, the 1.1's and the grunting 5-inch secondary batteries poured tons of death at the attackers. The withering barrage downed or turned back all but one of the Japs. This, a torpedo plane, its wings clipped by shells, was jarred out of its line of flight and released its torpedo well in the air. For a moment it seemed that the torpedo would drop on the ship, but it passed over the fantail and into the sea on the opposite side of the stern.

But the action was not finished. The third and final attack of the day, arriving on the wings of 24 dive bombers and torpedo planes, followed about an hour later and lasted 11 minutes. Now for the first time the battleship received a hit. One of the dive bombers, penetrating the curtain of A. A. fire, screamed down upon the ship. Captain Gatch, as he stood on the bridge's exposed catwalk, saw its bomb released not 100 feet above the bow.

"I hoped that it would strike the turret and not the deck," he said, "for it was a good-sized bomb—probably a 500-pounder—and it might blow a hole in the deck and hurt the men below, and it certainly would kill many in the gun crews on the deck itself."

But while fortunately the bomb did land on the turret, it proved not so lucky for the skipper himself. A fragment of the bomb tore into his neck, severing an artery. Another ripped the muscles of his shoulder. He was knocked unconscious against the conning tower.

His ship came through, however, and the crew joyfully counted: up their score for the day—32 enemy aircraft blasted in fewer than that number of minutes of fighting.

The damage done the ship and her skipper was not enough to keep either of them out of action for long. Three weeks later the ship was part of a task force of battleships and destroyers, moving to spring a trap that the Japs thought they had set in "Windy Gulch," as the Americans out there call the strait between Guadalcanal and Savo Islands, and on the bridge as usual was Captain Gatch, although his left arm hung useless in a sling.

"I don't expect you to strangle Japs," the admiral of the task force said when he agreed that the skipper should fight his ship.

And Captain Gatch didn't have to strangle them. His thundering big guns went into action and his battleship, by itself accounting for four Jap warships, helped win the great night battle of Guadalcanal.

BLIZZARD BLOCKS ROADS
Chelsea and vicinity experienced two thunderstorms on Saturday morning, the first of the 1948 season. Then in the afternoon a raging blizzard from the west blocked many roads in the county. The official snowfall was 1-8 inches, but the strong winds made the largest drifts of the winter. In many places drifts are higher than cars and there is one-way traffic on many roads. The temperature was in the twenties.

Rubber Lung Saves Babies
A rubber lung which does about everything was recently demonstrated. The lung, in baby size, has already saved a number of blue babies, infants nearly suffocated and unable to breathe.

Wool Shrinkage
There is about 51 per cent shrinkage in scouring fine clothing wools.

KIWANIS NEWS

Miss Melita Hutzel, consultant-lecturer for the Michigan Department of Health, addressed the Kiwanis club and their ladies at the regular meeting of the club on Monday evening at the Tower Cafe.

Miss Hutzel stated that in order to meet wartime needs each community should clearly define its total health program. Such a program should coincide with national and state recommendations but should be the outgrowth of immediate community needs. It should work through cooperative planning and action on the part of all organized groups, agencies, churches, parents, teachers and high school youth. It should be sufficiently broad to fill the total health needs of adults and youth. It should be flexible to meet the unexpected and rapidly changing social conditions in home, school and community.

The speaker stated that including youth in community planning is important. It contributes directly to the development on their part of initiative, responsibility, cooperation, judgment and social intelligence. It stimulates thinking, effective participation and a desire to contribute. It promotes unity of action and purpose in home, school and community. It strengthens morale on the home front.

LIBERATOR of Mankind

Lincoln gave his life for freedom. In countless laboratories throughout the land, scientists are devoting their lives to freeing mankind from the slavery of disease—and they are winning the fight. Diseases which once ravaged nations have become medical oddities. Every year liberates new conquests... new liberation for humanity. We salute these great emancipators on the birthday of the greatest emancipator of them all—Abraham Lincoln.

The basketball team will play University High tomorrow night. The Superintendents and Principals of the county are having a dinner meeting at the Michigan Union tonight.

The Washtenaw County M. P. A. meeting is scheduled for Saline on Wednesday, February 24.

The Band Concert will be held on February 23.

Are You Grown Up?

One of the evidences of mental maturity is the ability of the individual to recognize a problem, solve it, and to accept the responsibility for carrying out the solution. Not all three steps are always present, but unless at least the third step is present, no person has a right to call himself a "good citizen".

There is a great tendency in this world to "let George do it," to shrug one's shoulders and say, "It's not my worry." Let the rest of 'em do something!

The freedoms of this world and the privileges contained in the term "American citizenship" were won by people who believed in doing their own work, in standing on their own feet, and in accepting their own responsibilities.

What is responsibility? It means doing your share. It is being where you agreed to be, it is doing what you agreed to do, it is knowing what you ought to do and where you ought to be. It means doing the right thing, whether or not some adult is following you around to check up on you.

Do you accept responsibility? Are you grown up?

Student Council

At the February 2 meeting the Juniors were appointed to have the pep meeting Friday morning.

The Seniors are to furnish the milk and green-spot for the pot-luck supper.

The boys' basketball team was appointed to have charge of the dance.

So that there will not be so much confusion and to keep the machine in good condition, two people were appointed to have charge of the phonograph, at all times. They are Bob Edgar and Tom Lyons. Marilyn Lyons was put in charge of buying all the records.

It was voted that we keep the amounts each class or club pays towards the phonograph on the contribution basis.

Defeat Manchester and Milan

By Robert Stejter

Cheelsea journeyed to Manchester on February 2 to win the closest game they have played this year. They defeated Manchester 18-17.

The game started very slowly with the score only 4-1 in Chelsea's favor after eight minutes had been played. At this point the Chelsea boys turned on their power and surged ahead to lead 12-1 at half-time.

With four minutes of the second half gone, the Chelsea team completely won to pieces. Manchester put in 7 field goals for 14 points before our boys could recover. Pandemonium had broken loose and when the quarter ended Manchester was leading 14-15. Both teams played very slowly the last quarter with scores tied at 17-17 with 45 seconds to go.

At this point Kusterer was fouled and with utter panic in the gym calmly sunk the winning point for his team. Chelsea held the last few seconds and the game was over. Kusterer was high point man with 7 and D. Fielder put in 7 points for Manchester.

The Chelsea second team also won by the close score of 15-13. They have lost but not the game this year and certainly are showing some fine basketball. May and Dahmiller were high point men at Manchester, each gathering 4 points.

Last Friday Chelsea continued on its winning ways by defeating a strong Milan team 31-28. The boys built up a small lead in the first quarter and that lead held the story as the game was even from there on. The Chelsea team was just that—a team with the five players on the floor playing together at all times and showing the skill and finesse which they have.

The game next week will demand the same kind of team work as this game showed. To get back to the Milan game, the opponents continually matched Chelsea basket for basket but could not overcome that early lead. The game finally ended 31-28. Luke Kusterer was again high point man, pouring in 15 points. Let's hope he has another hot night tomorrow night.

The second team also defeated Milan 22-19 with Dahmiller gathering 10 points. These young fellows have continually shown fine ball playing and they have a fine spirit. Most of them had not played before this year.

but one would never notice it while watching them play.

Tomorrow night is probably the most important game of the season. The league this year is divided into the Eastern and Western divisions. The winner of both sections play later for the Huron League championship. At the present time both U. High and Chelsea are tied with three wins and no losses. Chelsea plays U. High on Friday and it will decide the western champ. If the fellows play the way they did against Milan they have an excellent chance of winning. After all, no team is unbeatable and U. High certainly isn't.

One thing that will help the team is a large cheering section. The Milan game was very well attended and if we have as many people go to Ann Arbor tomorrow night, it will help the team greatly. The cheer-leaders will be there so if you're there let's back them up.

Talks To Students

Miss Melita Hutzel of the State Health Department visited the high school on February 4, 5 and 8. On Thursday morning all high school students were called together and their general health and welfare was discussed. On Friday morning a conference for the boys was held. Questions and problems were submitted to Miss Hutzel, who did an excellent job of answering and discussing these problems. The girls had a similar conference and the same procedure was used. Miss Hutzel visited the school on Monday to discuss with the students individually any of the problems that were not taken up during the conferences. She attended the Kiwanis meeting on Monday night and any of the parents who wished to go were invited to attend.

The students of the high school are grateful for her visits and feel that they have greatly benefited by her visits.

Graduates of '43 (?)

On July 27, 1925 in Cumberland, Ohio another Senior was born. Her name is Marilyn LaVerne Lyons, but no one ever calls her that to every one she is "Tiger". She isn't at all like that name might imply—she is just an arm full—5 ft. 2 inches tall. She has flashing brown eyes and dark brown hair. Tiger just can't seem to make up her mind and decide which she likes to do best—swim or dance. Though there isn't any doubt in her mind about her favorite food—it's apple pie—specially if it happens to be a la-mode!

Hi-Y News

The members of the Hi-Y are having their meetings every two weeks, due to the new Activity schedule. The topic for discussion will be the story of the conference held by Miss Hutzel last week. They are planning to have a parents' night in the near future.

Conservation Club

Mr. Johnson is going to take Mr. Burt's place as Advisor of this club. The members are looking for material and information on archaeology which they plan to study in the near future. They have written to the College for more trees which they plan to plant at the disposal plant. The boys are continuing the project they began this fall of feeding birds and wild game.

Pot-luck Supper

Friday night at 5:30 there was a grand rush from study hall to the lower hall where the tables were filled with the best food anyone ever dreamed of. Here are the things the students started to eat: Escalloped potatoes, macaroni and cheese, baked beans, sandwiches, pickles, celery and carrot sticks, cake, cookies and jellies. Milk and Green-Spot was sold at the Senior stand. Everyone seemed to have a good time and the end of the evening found everyone looking forward to the next one.

Girls' Athletics

All the G. A. A. members had a chance to show how they do calisthenics last Friday in the rest of the girls in school. Are they proud? There's only one thing wrong—they are building themselves so strong that every time a boy takes them out now he crosses his fingers. After they finished the exercises there were two basketball games—and what games! The Sophs played the Freshmen and won 9-8. Then ah yes, then the real rivalry began—between the Juniors and Seniors. The girls never played as hard as they did then and the teams were evenly matched but the Seniors won, 4-3.

If you want to see another good game, come to U. High tomorrow. The girls are going to play at 4:00—they can't promise a victory but if you're there cheering it might help—how about it?

Dance

After the game Friday night everyone gathered in the gym for an enjoyable hour and a half of dancing. However it looked more like a dance given exclusively for the girls. What's the matter boys, haven't you got the pep the girls have?

The usual couples turned out for it: the two Bobs with their Ginny's, Jeanette and Tom, Dick and Rhea, plus a new one, Charles S. and Wilma S.

The stag line was again headed by Dick K. and Bob S. This time Shorty G. deserted it to escort the blonde from Olivet (P. Almond). It seems as though the Alumni just can't forget old C. H. S.

F. F. A.

The Chelsea Chapter of Future Farmers of America has adopted plans for its Spring and Summer activities. Seven projects have been organized, and the following committee chairman have been appointed:

Duroc-Jersey pig project—Charles Downer.

Care of shrubs and lawn on school grounds—Duane Luick.

Purchase of certified seed potatoes—Jack Niehaus.

Victory Gardens—Harold Balmer.

(a) Farm Bureau seeds—Dick Richards.

(b) Building of garden tractor—Jack Weir.

Recruiting young people for farm labor—Don West.

Summer trip—Robert Gross.

Poultry project—Joe Merkel.

The F. F. A. will take orders for anybody who wants to order some certified seed potatoes. See any F. F. A. member. The orders are from Michigan Potato Growers' Exchange.

Class News

The Juniors have been taking it easy for the past week and taking in all comments about their play.

The Sophomores have put in their orders for their class rings and are hoping they will be here before school lets out.

Latin Club News

Monday, February 1, Activity Period, a meeting was held by the Latin Club. The meeting was opened by the president and the secretary gave a report of the last meeting.

During the business meeting the Service Flag, which the Latin Club is making, was discussed. The committee has found that this will be quite expensive and are trying to find a way to raise money for it. They have also collected many names of boys who attended high school or graduated.

Suggestions have been made for a party and a few committees have been selected. As yet the plans are incomplete.

Homemaking News

The Homemaking Club will have a Valentine party on February 10.

The girls in charge are Shirley Platt, chairman, Phyllis Weber, Treasurer, Lyona and Audrey White. Exchange of Valentines will be made and light refreshments will be served.

Mildred Schable was elected vice-president of this group. Anna Marie Armstrong, Mildred Schable, and Helene Ridley are on a committee to make up a motto for the club.

The Homemaking I girls are busy studying first aid and bandaging and have made a new home medicine chest which is hanging in the room.

Homemaking II girls are practicing cake-baking and are going to hold a cake-baking contest to select the best baker in the class. A member of the faculty will judge the cakes.

Homemaking classes prepared a faculty luncheon Friday and served it in the homemaking room at noon in honor of Miss Hutzel. Audrey White and Shirley Platt were the waitresses. The seventh grade was in charge of clean-up.

The seventh grade Homemaking girls have been learning to operate the electric and tread machines and are all busy making peasant aprons.

HOMENURSING

Twelve girls have enrolled in the Home Nursing class which meets twice a week during activity period. Miss Haist will meet with all of the high school girls on Feb. 17 to talk on Recruits in Nursing.

Gov. Kelly Enlists 4-H War Aid

Michigan's Governor Harry F. Kelly signs an official proclamation designating Feb. 6 to Feb. 14, 1943, as the state's 4-H Club Mobilization Week. He emphasized the war needs which rural youth can help fill in relieving farm labor shortages. Two Michigan State College short course-Kellogg students, 4-H Club members, approve his action. They are Ar. J. Jettette, 18, Charlotte, who has a purebred Jersey herd, and Maxine Fillmore, 18, Coldwater, harvest queen at her county fair last fall. They represent the state's 55,000 club members.

Francisco

Elmer Sager continues to make satisfactory progress in his convalescence. He is now able to move his arm and limb that were paralyzed.

The snow storm Saturday and Sunday night filled the roads with snow again and the snow plow had difficulty in plowing them out Sunday and Monday.

Some of the defense workers from this locality had difficulty in reaching home Sunday morning. They finally got their car to running about 5:30 a.m. and got as far as Mrs. Lina Whitaker's home when their car stalled in a snow bank. From there they walked home, reaching here at 7:45, very much fatigued.

Lewis Lambert has taken his last serum treatment of the course, and if after two weeks longer in bed, he does not run a temperature, his physician says he may begin sitting up.

Mrs. John Kingsley of Jackson was a recent visitor of friends here and north of town.

Mr. and Mrs. Sheldon H. Frey and Eugene Jackson of Detroit called at the Cadwell home Friday evening after attending the funeral of their brother, Russell Jackson of Jackson.

Mr. and Mrs. Edward Willy have rented the Cadwell apartment in the store building, and after re-decorating and some other improvements, will take possession the latter part of the month.

Arnold Lehmann left Tuesday for Camp Grant, Ill.

Allen Broesamle of North Francisco and Miss Allhouse of Chelsea were guests at the Truman Lehmann home on Sunday.

Miss Ruth Spooner, who is employed at a defense plant in Chelsea, fell Saturday and fractured her right arm. She will be unable to resume her work for some time.

LIBRARY NEWS

Some Latin American Books in the Library

Inside Latin America—John Gunther, author of "Inside Europe". Still an outstanding book on Central and South America in which the author gives the politics, problems, leaders, peoples, and how each nation affects the world and ourselves.

He Wouldn't Be King—Simon Bolivar—Baker. The story of Simon Bolivar, the Washington and Lincoln of South America. A rich man and an aristocrat like Washington he offered his future, his happiness and his life to liberate South America. A man like Lincoln in his love for the common people, he brought about the abolition of slavery a generation before we did.

Young Man of Caracas—T. R. Ybarra. This delightful South American "Life With Father" is the story of a hot-blooded military Venezuelan father and a Buck-Bay-Boston-bred mother, and of dictators, dowagers, lovely ladies and resplendent officers.

Jungle Paths and Inca Ruins—Wm. M. McGovern. This author, who is the assistant Curator of South American Ethnology in the Field Museum of Natural History of the University of London, has given a very fine account of his expedition through the American jungle.

Brazil: Land of the Future—Stefan Zweig. Author of this book has set down an account of his six months' visit in Brazil in 1940, together with a brief sketch of the history, economy and culture of Brazil, also his impression of the modern life of Rio de Janeiro, Sao Paulo and Bahia.

For those who are conducting a study course on South America a Study Course entitled "Hispanic America" would be of great help. There are pamphlets and references in the vertical file at the library which contain valuable up-to-date material.

Victory Book Campaign—1943. The week of Feb. 15-20 has been designated as Victory Book Week in Washtenaw county. Word has been received from the committee at Ann Arbor, soliciting the whole-hearted cooperation of this community. The Chelsea Public Library will be the collection center for this area. Books may be brought to the library any afternoon from 2 to 5 until Saturday, February 20.

The main object of the campaign is to collect books which are suitable for use in military camps by members of the armed forces. Recent fiction, biography, travel and studies of world affairs are especially wanted. A number of technical books in mathematics, engineering and similar subjects will also be useful (the general magazine cannot be handled). Don't give books you are glad to discard. Give a book you enjoy yourself.

The books collected in Washtenaw county will probably be sent to nearby camps—e.g., Willow Run and Custer.

Four Mile Lake

Miss Ruth Barels of Ann Arbor spent the week-end with her mother, Mrs. Clara Barels.

Mrs. Floyd Collins is a patient in St. Joseph's hospital, Ann Arbor.

Mrs. E. Heininger and daughter Harriet were in Jackson on Friday to attend the 85th birthday celebration of their aunt, Mrs. Carrie Schweinfurth, at the home of her daughter, Mrs. R. M. Steer.

John Fischer, who underwent an operation recently, is home and much improved in health.

Miss Dorothy Beach of Jackson spent the week-end with her parents, Mr. and Mrs. Leigh Beach.

FRACTURES WRIST. Mrs. Sam Craig fell on South Main St. Monday morning and broke her right wrist. She was taken to St. Joseph's Mercy hospital, Ann Arbor, where the fracture was reduced.

Why Protect Rose Bushes? Protection is given to rose bushes during the winter months not to keep the plants warm as is commonly assumed, but for the purpose of keeping the soil and plants at uniform temperatures, preventing alternate thawing and freezing which often accompany weather changes. No protection should be applied to the rose plants until all have lost their leaves and the soil is frozen or about to become frozen.
