Farmers Need Permits To Butcher And Sell

Effective April 1, farmers will be required to obtain government permits to sell meat from livestock they butcher at home, and livestock dealers will have to obtain permits to buy and sell livestock. These requirements are set up under Food Distribution Order No. 26 and 27, issued by Secretary of Agriculture Claude R. Wickard to help stamp out black markets.

Both farmers and livestock dealers can get their permits from the office of the County War Board.

Food Distribution Order 26 and 27 apply to four-footed farm livestock—specifically, cattle, calves, hogs, pigs, sheep, and lambs. They do not apply to a farmer who buys livestock for breeding purposes, or for feeding, or finishing, to be sold later to a dealer or a slaughterer who holds a permit.

Food Distribution Order No. 26 requires dealers to keep accurate records of all purchases and sales of livestock, showing the name and address of the buyer and of the seller, the number and weight of each kind of livestock, and the price paid or received. The records regularly kept by dealers or agents who are members of posted livestock exchanges are considered adequate for this purpose. It also requires dealers to make a complete inventory of the number and estimated weight of each kind of animal on hand on April 1.

Food Distribution No. 27 requires everyone who kills livestock for sale, to obtain a permit. In addition, this order requires slaughterers to mark their permit number on each whole sale cut of the whole or cut carcass, unless they are operating under federal, state, city or county inspection, and have an establishment number. In the latter case they may use the establishment number for an identifying mark.

Committee Completes Plans for Bond Drive

Chelsea's War Savings committee has completed plans for participation in the United States Treasury Department's April financing drive which calls for the sale of \$13,000,000,000 in U. S. Treasury certificates.

About twenty-five canvassers have been selected by the committee to sell Chelsea's quota of securities, which is ten times the normal quota of \$15,300.00. That means that Chelsea's over-all quota, including all types of securities for the April drive, will be \$153,000.00, and for the E bonds alone double the amount of the January quota, or \$30,600.00.

Advance work by the committee indicates that there is great interest in this drive, and it is hoped that Chelsea will go over the top in this great financing program of the Treasury Department.

Parents' Conference To Consider Child Needs

The people of Chelsea are conscious of a badly needed recreational program during this time of war. It has become necessary to limit their social activities to the community in which they live. War working men and women need to find relaxation in some form of entertainment. Children left alone for many hours must have something provided for them to do. Since this need is recognized we must work together to find the solution to our problem.

The Extension Service of the University of Michigan, in cooperation with various Chelsea organizations, has offered its services to "start the ball rolling." This will be in the form of a Parents' Conference on Family Teamwork, to be held at Chelsea high school on Monday night, April 12. A pot-luck dinner will be followed by interesting programs for both adults and children. Dr. Howard Y. McClusky will be the dinner speaker.

Further details about the program, reservations, etc., will be published in the next edition of the Standard. Don't miss this opportunity!

Garden Applications Are Being Obtained

Spring weather is bringing in applications for the community gardens on McKinley street. Arrangements have been made to have the land plowed and fitted as soon as soil conditions permit.

Many gardens are still not registered with the local Victory Garden committee. The enrollment blank printed elsewhere in this issue of the Standard may be used, or other blanks may be obtained from the agriculture department at the high school.

ENTERTAIN FOR MOTHER

Mr. and Mrs. Ambrose Dreyer entertained at a birthday dinner on Sunday in honor of his mother, Mrs. Jos. C. Dreyer, the guests including Mr. and Mrs. Elden Harris and daughter Linda of Ann Arbor. A birthday cake in pink and white formed the table centerpiece.

Spring Election Will Be Held Next Monday

State, County and
Local Officials To Be
Elected On April 5

The biennial spring election will be held on Monday, April 5, with state, county and township officials to be elected. Little interest is evident in the election, especially in many townships where there is only one ticket in the field.

Candidates seeking election in Sylvan and nearby townships, and in the state and county, are as follows:

Sylvan Township

Light Dept. To Manage Sewage Disposal Plant

At a special meeting of the village council on Monday night it was voted to place the supervision and management of the sewage disposal plant with the Chelsea Electric & Water Department.

The council also discussed with the village treasurer the matter of sending letters to taxpayers who are delinquent in payment of special assessments, and if payment is not made by a specified date the amount will be added to the general tax and reported to the county treasurer as delinquent.

CAVANAUGH LAKE GRANGE

A meeting of Cavanaugh Lake Grange will be held Tuesday evening, April 6, at the home of Mr. and Mrs. Henry Allmendinger. A program will be rendered as follows:

Song—"The Dear Old Farm."
Roll call—What I intend to plant in my garden this year.

Reading—"The Farmer's Prayer"—Mrs. Donald Waters.

Piano solo—Mrs. Clarence Wahl. Does it pay a farmer to raise his own farm seed—Kenneth Proctor.

Discussion—"Farm Labor and Production Problem"—By the men.

Reading—"Today's Furrow"—Mrs. Albert Schweinfurth.

Song—"Be Faithful, O Patron"—Assembly.

PROMOTED TO SERGEANT

Otto Uppila, son of Mr. and Mrs. Matt Uppila of Chelsea, who was inducted into the U. S. Army in April, 1941, and is now serving overseas, has been promoted from a corporal to the rank of sergeant. He was born in Pinesville, Mich. and previous to his induction was a student at Cassiday Lake and was later employed at the Federal Screw Works.

LEAVES FOR NAVAL BASE

Harry G. Dancer left this week for a Naval base, having recently joined the Navy. He is a son of Mr. and Mrs. Henry Dancer.

Immunization Clinics Planned for This Year

The County Medical Society has asked the County Health Department to set up immunization clinics this year. These clinics will be conducted on the same plan as those of last year. The same schools are being used. There will be no clinics this spring in Sharon, Freedom, Manchester and Bridgewater townships and in Manchester village. These communities had their clinics last fall. Children in these communities requiring immunization should be taken to their family doctor or to clinics in nearby townships.

Medical Society emphasis this year is on children from nine months of age to and through the primary grades. The doctors are also interested in reaching those children who are new in the community and those whose immunization might have expired in the last year. Children 10 years of age and under will be given toxoid for diphtheria if they meet the prerequisites mentioned above. No Schick tests will be given in this age group. Children 11 years of age and older should be Schick tested every three years. This will be done in the clinics. Those tested will be expected to go to their family physician to determine the results of the test and for serum if necessary. His usual fee for this service will be charged. Smallpox vaccinations will be given to any child of any age who has not been successfully vaccinated in the last five years. The clinic will be free. This is a contribution of the family physicians in each area who will do the work. With 20,000 new people in Washtenaw county since 1940 and with 20,000 more expected this year, physicians have seen the need for this program if epidemics of diphtheria and smallpox are to be prevented.

Families in the community with children, but without children in school, should bring their children to the nearest clinic for free immunization.

The tentative schedule for schools in this area is as follows:

Lima Center school—April 12, from 2:00 to 3:30.
Lyndon Center school—April 15, 2:00 to 3:30.

Chelsea public school—May 4, 9:00 to 11:00.

Chelsea parochial school—May 4, 1:30 to 3:30.

A school will be designated in Sylvan township for a clinic on April 15, from 9:30 to 11 a. m. Watch for announcement.

Army-Navy Tests Will Be Held Friday, Apr. 2

Application blanks for the qualifying tests on Friday, April 2, for the Army Specialized Training Program and the Navy College Training Program are now available at the Chelsea high school, Principal Marshall Richards announced this week.

Properly filled out, these applications will admit qualified high school seniors or recent graduates to the tests. Each applicant may indicate on his blank whether he prefers the Army, the Navy which includes the Marine Corps and Coast Guard.

From those who successfully complete the tests, candidates for the two programs will be selected to attend colleges under contract to the respective services. Students selected for the Army program must undergo further screening during thirteen weeks of basic military training before they are finally qualified for college attendance. Students chosen for the Navy program, after selection by the Office of Naval Officer Procurement, will be detailed directly to college.

Students who attend college under either of the programs will be under military discipline on active duty in uniform with pay. All expenses, including tuition, food, housing, books and uniforms will be paid by the Army or the Navy.

Parents of 43 Children Sign for Care Program

Parents of 43 children signed up for the Day Care Program for children between the ages of 2½ years and 16 years of age last week at the Federal Screw Works and the Chelsea Spring Co. In order to apply for funds through the Lanham Act a minimum of 60 children must enroll. The Day Care committee is asking the cooperation of all mothers who are employed and who wish to take advantage of this program. Anyone interested may fill out the questionnaire on another page of this issue and mail to the public schools or leave in the office of Supt. Johnson by Friday, April 2.

FIRE DEPARTMENT BUSY

The local fire department responded to four calls during the past week. A grass fire on Saturday at the home of Mrs. Ella Sawyer, McKinley St., slightly damaged a portion of the siding and the rear porch. On Sunday a burning chimney at the home of Leon Fox, E. Middle St., and grass fires near the Methodist Home and the gas company plant caused no damage.

MADE DISPATCH BEARERS.

President Roosevelt has signed an order authorizing all members of the Boy Scouts of America as official Government Dispatch Bearers for the Office of War Information, thereby providing the Retailers War Campaign Committee with a nationwide distribution system to deliver official war campaign posters and other government materials to retail stores throughout the entire country. The Presidential order was announced by Dr. Elbert K. Fretwell, Chief Scout Executive of the Boy Scouts of America.

The campaign, which lasts for the duration, will involve setting up distribution centers under the direction of Boy Scout leaders. Many of these will be in addition to the 10,241 depots employed by the Scouts in distributing 25 million price control leaflets for the Office of Price Administration.

The President declared in part: "The fine work the Boy Scouts of America did in helping to win the last war leads me to ask Scouts and Scouters to take an important commission as Government Dispatch Bearers for the Office of War Information. As a Dispatch Bearer your tasks will be to carry to the people of your community vital information prepared by your Government."

The President's action followed a request by Elmer Davis, director of OWI, for help in supplying retailers in every community with posters publicizing conservation, planting of Victory Gardens, conservation of clothing and household equipment, home first-aid and other war-related activities on the home front.

The organization's 541 local councils have been notified to proceed with the work of cooperating with the national retailers committee and its local branches.

GRASS LAKE—If someone comes along and wants to buy some gasoline or asks that you violate the rationing rules it would be well to think twice.

before complying, for the government has spotters scattered throughout the country ready to pounce on violators. Harold Rhees, formerly of this community, but now of near Manchester, was approached at his farm recently by a motorist who claimed to be out of gas and desired to buy enough from Mr. Rhees to take him to Manchester. Mr. Rhees declined but offered to push the stranded car to Manchester. Unable to trap the farmer the man then showed his badge and stated that he was out looking for violators of the ration rules.—News.

THE OLD JUDGE SAYS...

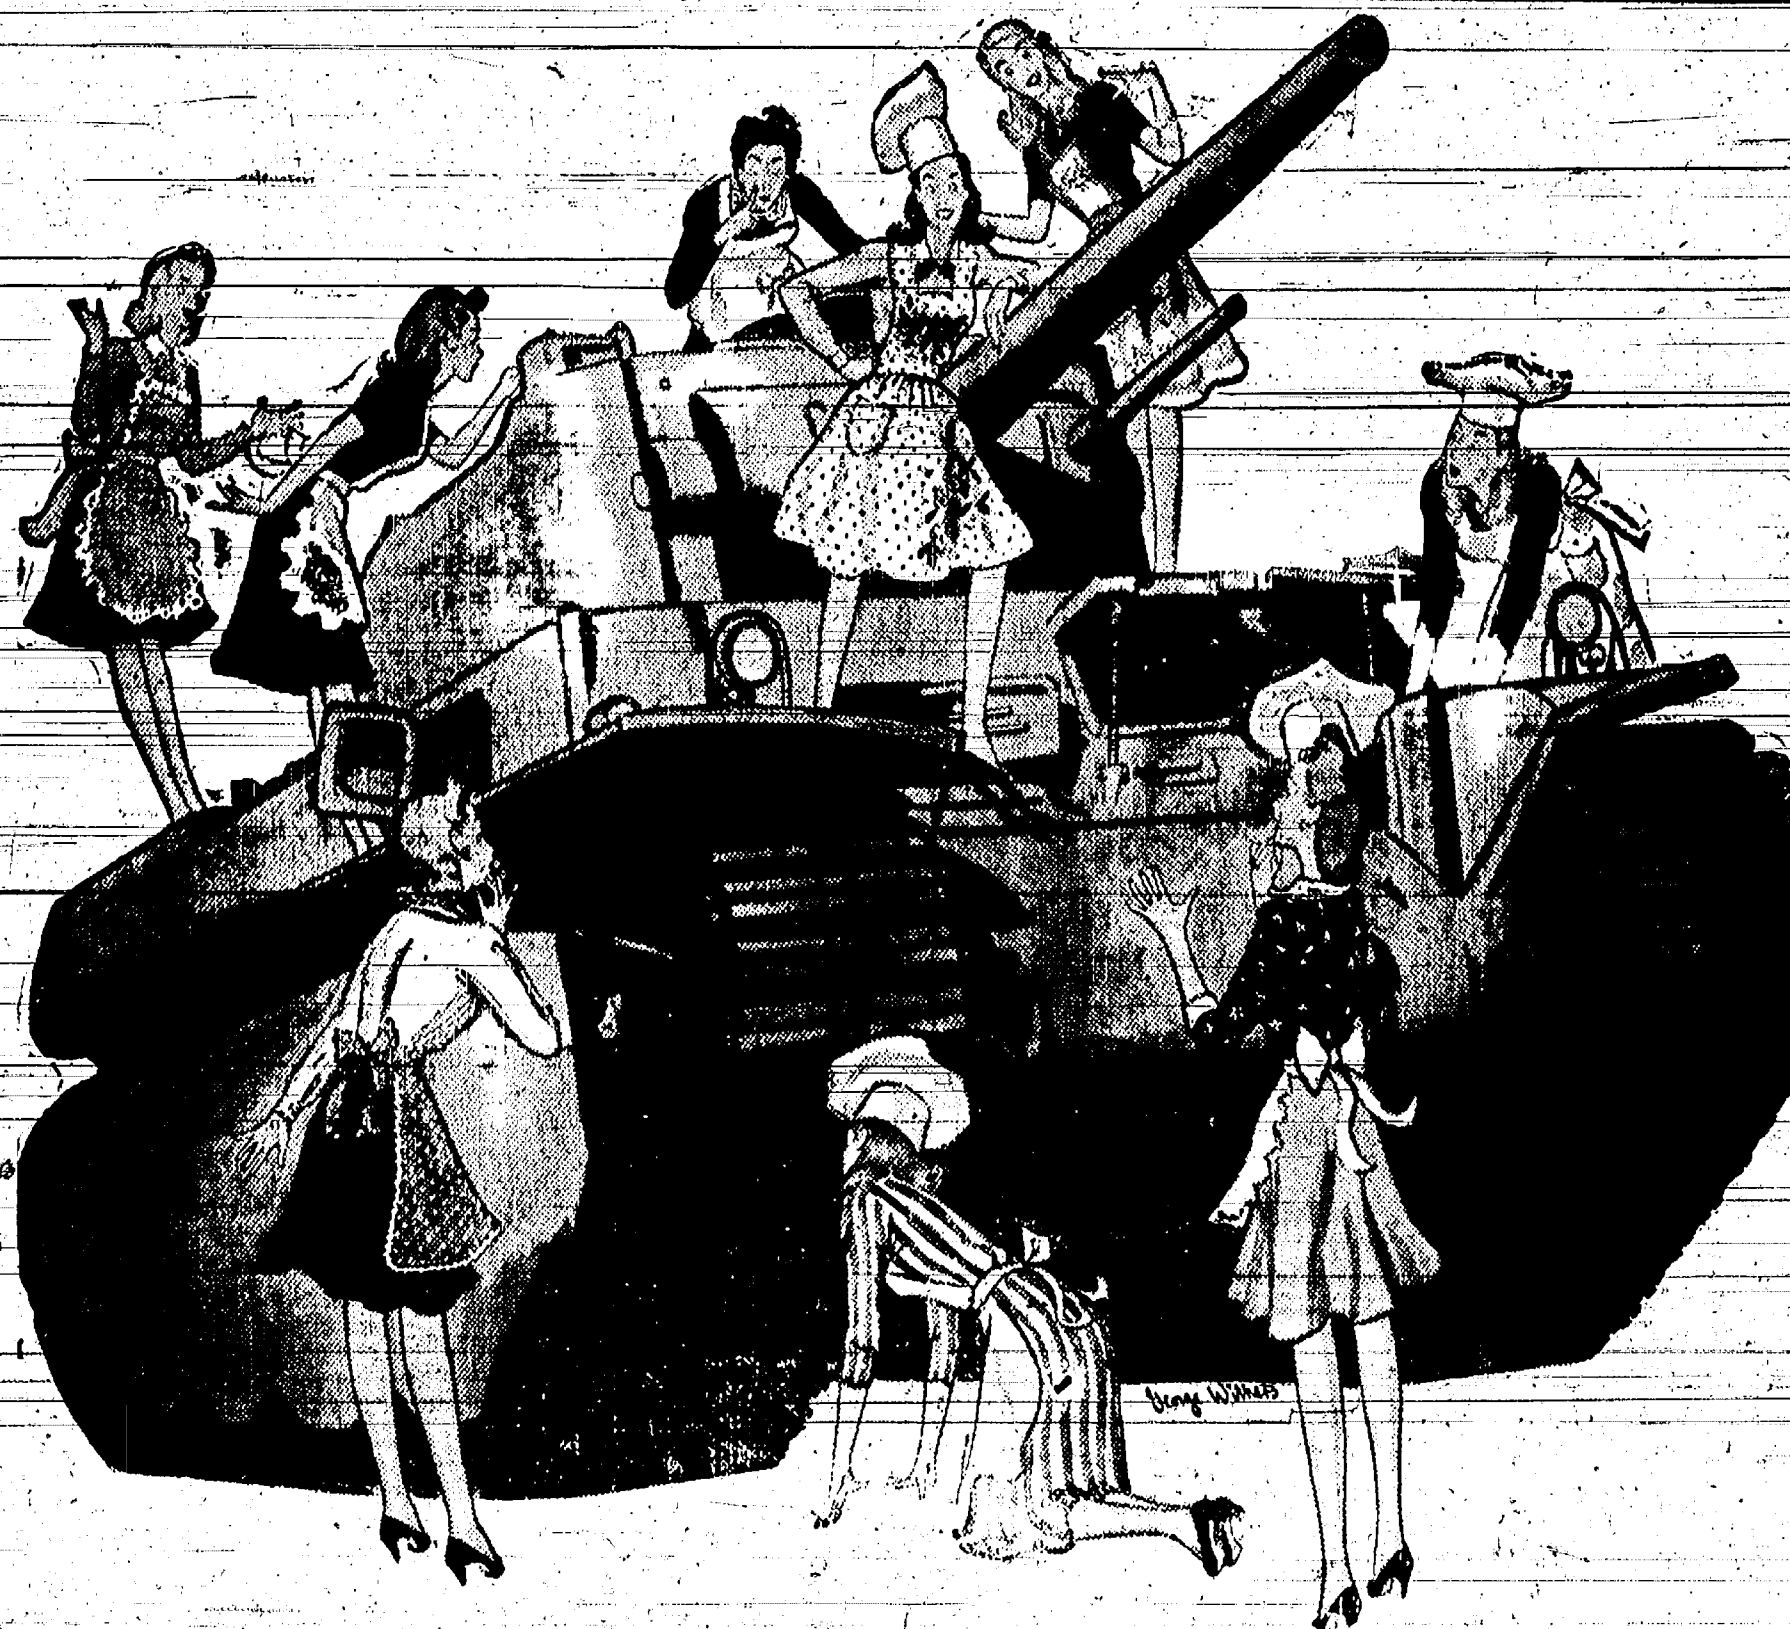

"Had any news from George and his family since they moved away, Judge?"

"Yes, I had a letter from him day before yesterday. He's in Kentucky... the family's fine and they all like it there. George says he has a fine job in a beverage distillery. He brought out an interesting point in his letter I hadn't thought of before. He said that while the beverage distillers are working 24 hours a day, 7 days a week turning

out war alcohol for the government for ammunition, tires, medical supplies and chemicals, they still are able to account for nearly a billion and a half dollars in taxes each year. That's on account of the fact the beverage distillers, though working 100% for the government, are still able to supply the public with beverages from the reserve stocks made during peacetime.

"Quite an unusual case, isn't it, Jim?"

Gas Cooks a Tank — as Well as Your Breakfast

For the same reason that you find Natural Gas so useful in your home, it has become a vital factor in war production.

Today it is being used in a thousand industrial ways to speed the output of tanks and guns, planes and ammunition, and to toughen armor plate.

Its instant and intense heat, its flexibility and its economy, make it ideal both in the war plant and in your home. It is the perfect servant of the household, silent, invisible, unobtrusive, yet constantly alert every minute of the day and night to do your bidding.

WPB Asks Michigan For 45,000 Tons Scrap

"The War Production Board has asked Michigan for a collection of 45,000 tons of scrap metal during the first six months' period ending June 30, and nearly all of this amount is to come from farms," G. H. Gabler, chairman of the Washtenaw Salvage committee, said this week. "This means that we will need an average of 500 pounds per farm to reach this goal."

"The farm scrap drive is being held early in the year, so that farmers can have time to scour their farms thoroughly before the plowing and planting season begins. Every farmer or farm owner is being asked to collect all unusable scrap metal from the fence rows, ditches and barnlots and place it near the road, so that trucks may pick it up without delay. The collection will be made with volunteer trucks the week of April 4."

"Hitler's European fortress is still intact—Hirohito's is even tougher. Our boys have just started their offensives—we have just begun to fight. They need a continuous flow of ammunition and other war supplies to support them."

"Michigan still has a few piles of 'reserve scrap,' but we must keep those piles growing. It is becoming more evident that we may have a long fight to down our enemies, and in order to do so we may require more implements of war than seemed evident not even a few months ago. We must not let down for one moment in any phase of the salvage program."

"This county did a wonderfully fine job in its salvage collection last Fall. Let's do an even better one this Spring. Let's make it possible to write our boys and girls at the front that we have done our part."

"We urge your wholehearted support to your local committee and workers who are donating their time and trucks to make this drive a success."

"Every pound will help, and it is desperately needed. It may save the life of a boy. It will hasten the day when they will all come back to their families. If snow and bad weather has kept you from making this collection, please do it at the earliest possible moment."

Language of Billions Hard to Comprehend - But Bond Buyers' Dollars Are the Key

One of the reasons why the financing of the war carries less drama and is less easily understood than the actual fighting or the production line is the fact that the language necessarily is in terms of billions.

Representatives of the War Finance Committee, looking forward to the Drive which will start April 12, when the United States Treasury will seek upwards of \$13 billion emphasize, however, that it is the sum total of many hundreds and thousands of dollars which produce the one and one-half billion dollars per week needed as the war proceeds.

While a man who has, say, \$500 extra in his checking account finds it difficult to visualize how his money can be more than a drop in the bucket of billions, the War Finance Committee points out that if the same reasoning were carried to its logical conclusion it could be argued that there is no necessity for any particular individual to join the Army, Navy or Marines. Yet when these individuals join forces their combined effort means the difference between winning or losing the war. It was, of course, a combination of individuals who blasted the Japs out of Guadalcanal.

By the same token the individuals' few hundred dollars are not impressive by themselves but when joined with the dollars of countless other citizens, trust funds, estates, institutions, labor and business organizations and others, they quickly turn into an invincible army of fighting billions.

You Can Fool Some of the People

Even with All Fool's day on April 1 the three very well known men pictured above wouldn't fool you for long. The two gentlemen with the chin spinnach are none other than President Roosevelt and Prime Minister Churchill. The individual minus his usual facial wilderness is Joseph Stalin. This portrait wonderland was executed by an artist with a busy brush and unlettered imagination.

TOWN AND FARM IN WARTIME

A weekly news digest from the Rural Press Section of the Office of War Information News Section

Food in frozen storage may be used by farmers and other consumers without rationing restrictions, OPA has stated. The amount of perishable food stored in lockers in private homes, on farms and in commercial plants is considered too small to justify the inconvenience it would cause all consumers either to have this food declared surplus or place any legal restrictions on its use.

Soldiers Back To Farms

The War Department has announced procedures by which soldiers as individuals may be discharged from the Army to return to their farms. Soldiers on active duty in the Continental U. S. who are 35 years of age and over, may be discharged upon favorable consideration of written applications submitted prior to May 1, 1943. These requests must be accompanied by a letter of recommendation from local farm agents to the effect that the soldiers will be employed in essential agricultural activities if discharged from the Army. Such requests are made by the soldier to his immediate commanding officer. A soldier meeting these requirements will be discharged promptly unless his release will seriously affect the efficiency of his unit.

Drive Against Black Markets

A total of 153 court actions against 1,025 individual defendants have been begun in the first two months of OPA's intensive drive to stamp out black-market in meat. Of the total 149 were criminal actions against 249 defendants, and 494 were civil actions against 776 defendants. They charge wholesalers, packers and retailers with delivering meat for civilian use in excess of permitted quotas or selling it at higher than ceiling prices, or both.

Farm Machinery

The Government freeze on the last item of farm machinery needed for food crop production has now been lifted, according to the U. S. Department of Agriculture. Distribution directives for all haying and harvesting machinery are expected to be issued to manufacturers before April 15. Approximately 75 per cent of all types of rationed farm machinery, which was frozen November 1, 1942, has now been freed for distribution and local rationing through county war boards.

Restrictions On Seed Potatoes

Seed potatoes cannot be sold by retail stores for any purpose other than planting, OPA has announced. OPA has also ruled that seed potatoes must be tagged as such in sales at retail and cannot be sold by retailers in quantities of less than 50 pounds. Similar steps were taken by OPA on March 18, 1943, at the country shipper and other distributor levels. The amendment became effective March 25 and is expected to help curb the potato black markets.

COUNCIL PROCEEDINGS

Council Rooms, March 29, 1943. Special Session. The meeting was called to order by President Mayer at 8:00 p. m. Roll call: Trustees—Spiegelberg, Staffan, Heydlauff, O'Hara and Beach were present.

Mrs. Lewis Peters of Grass Lake township, who was so severely burned recently while kindling a fire with kerosene, died at a Jackson hospital. She was the daughter of Mrs. Carrie Logan and the late Elmer Logan, former residents of Sharon. She is survived by her husband and two daughters, Mrs. Myrtle O'Neil and Evelyn, at home, and her mother.

The community was saddened by the very sudden death of Wm. Esch at his home on Sunday afternoon, March 21. He was born in Sharon on Aug. 7, 1878 and had lived his entire life here. He is survived by his wife, two daughters, Mrs. Otto Kulenkamp of Manchester township and Mrs. Edwin Kuebler of Lodi, and two sons, Morgan of Sharon and Harold, at home. Funeral services were held at Emanuel church in Manchester, with burial in Oak Grove cemetery, Manchester.

Norwin Wahr, who has been stationed at Bedford Springs, Pa., spent from Thursday until Tuesday with his parents, Mr. and Mrs. Albert Wahr and family. He was en route to California.

MEAT IS VERY SCARCE!

Late Saturday and the fore part of this week Chelsea's meat markets very closely resembled Mother Hubbard's cupboard. There was such a demand for meats last week, preceding the rationing which started Monday, that by Saturday afternoon one market was forced to close because of a lack of supplies, and another market is closed until Saturday of this week. However, it is believed that everyone had quite a supply of meat on hand by Sunday and by the time it is necessary to replenish supplies the markets will no doubt have sufficient meats on hand to take care of all points available for spending.

Eat the Right Food!
"Eat the right food daily" is a slogan every Chelsea high school student should strive to attain.
With the variety of food that we have on hand here in our community, it is absurd that any of our students should be undernourished. Yet statistics taken from a survey in the fall show that a large percentage of our students are coming to school without a breakfast and another large group without a warm meal during the day.
As students of Chelsea High, are you doing all that you can to help win this war? A physical fitness program without a consideration of the foods which should be eaten daily will not lead to the building of strong bodies. Posters have been placed on the bulletin boards in the various rooms

showing the foods which should be eaten daily. Are you including a pint of milk, two servings of a vegetable, two servings of fruit, a whole grain product, a serving of meat daily, and three or four eggs a week in your diet?

Office News

School will close for Spring vacation on the evening of Friday, April 2, and will re-open on Monday morning, April 12.

A children and parents' night will be held on April 12. The plan will be in form of a pot-luck supper, starting at 6:30. Separate programs for both the children and their parents will start at 7:15.

An All-Hi party is scheduled for April 2. The commencement speaker for the present graduating class will be Rev. Marshall W. Reed of Detroit.

Senior News

The play "Miss Jimmy" was given last Friday, March 26, in the gym. From all reports it was a great success. The Senior class wishes to express their appreciation to all who helped make this play a success. They also wish to thank particularly Mr. Payne's tap dancers, Mary Jane Jarvis and Helen Jarvie, and the Triple Trio for their fine selections.

Graduates of '43 (?)

On September 4 in 1925, Cleopha Jean Dexter was born in Lansing, Michigan. Jean (doesn't use the name Cleopha) has dark hair and brown eyes. She weighs 117 pounds and is 5 ft. 5 inches tall. There are four things that Jean likes to do real well and she just can't decide which is her favorite: driving, dancing, eating hamburgers, or watching football games.

Class News

Juniors
A special class meeting was held last Monday after school. Plans for the Junior-Senior Reception were discussed and the following committees were appointed: Decoration, E. Riemenschneider; music, Bob Eaton; program, Don Albert; food, D. Knickerbocker; banquet, programs, Thelma Schrier.
The Junior play pictures were taken on the 25th.

War Council News

A meeting of the War Council was held March 23. Plans for the coming bond auction were made. It is to be held April 16, the week after spring vacation. Each class and club will have to contribute some novelty that can be auctioned. The auction, based on an autographed by the Detroit Tigers, will also be a good one. The last auction that was held was very successful and the coming auction with the students' support will be just as successful.

The War Council held an assembly when the new slogan of selling war stamps was explained. Several dollars from boys in the service were made.

Spring Fever?

My story this week is written in a dream, all about school and effects of springtime. For spring is here at last with all of her tools and we, poor students stay here in school. When we're inside and see the birds so free we think what a wonderful life it would be to be "free" from our studies, our teachers and trials and to fly from them all for miles and miles. But we don't have that power of flight, so we stay here and pay for our plights of undone lessons and for late nights. Then maybe our teachers feel the same way for these human, also (at least so they say). They probably get tired of teaching us things while outside spring is free on her wings.

Spring is a magic. Spring is a drug. Her ways and manners, give us a tug. So teachers don't blame us if at lessons we fuss, for we have that lightness and bairiness of mind that comes when the weather says it's springtime.

These lines of mine just goes to show it. Springtime has turned me into a poet (?)

Shop

This is the last week for the Blueprint Reading class and another class will be started after spring vacation.

Band News

The Band Parents Association held its first meeting of the new year on Thursday night of last week. The meeting was well attended and many issues were discussed and settled, thereby making it a very satisfactory meeting in every way.

It was decided that the association would plan a pot-luck supper for April 27, on a Tuesday night, for all band members and their parents. All

parents are urged to set this date aside for this big event. The band will furnish an interesting musical program.

Juniors vs. Seniors

The final game to decide the winner of the class championship was played last Tuesday, with the score at the end of the game 5-4 in favor of the Seniors.

The starting line-up for the Juniors: V. Lucht, I. Brueckner, V. Miller, forwards; E. Harper, V. Spaulding, E. Schmidt, guards; substituting, L. Kohman.

The Seniors' starting line-up was: E. Lehman, W. Schweinfurth, M. Lyons, forwards; H. Grabowski, J. May, M. Feldkamp, guards. Substituting, D. McClellan.

Girls' Athletics

The girls who will be awarded letters for the 1942-43 basketball season ordered athletic sweaters last week. They will be delivered in about eight weeks and, of course, the girls are very anxious to get them.

Assembly

Since the assembly, given by the War Council last Tuesday, Chelsea High is really in the Army. The fact is, we have an Army all our own, with officers ranking from a Buck Private to a General. Each time a student buys a specified amount of war stamps he is given a promotion or he becomes a higher officer. This gives the pupil more of an incentive to buy stamps. It was also decided that we were to have a bond auction in the near future. The school will attempt to sell a thousand dollars worth of stamps and bonds by the end of April.

Chelsea's B. B. Season

The Chelsea high school basketball team enjoyed a very successful season this year. Sixteen games were played, the boys winning 9, losing 6, and tying 1. They advanced to the finals in both the Huron League and the Area Tournaments.

They began the season by running up their highest score to trounce Pinckney 49-32. Then the Alumni of Chelsea challenged them but were defeated in a close contest 29-19. In a return game with Pinckney the boys suffered a 31-30 defeat. However, the next week, they opened their league season by defeating Ypsil Roosevelt 28-19. After this game the fellows journeyed to Manchester to engage their old traditional rivals. After having piled up a lead of 12-1 at halftime, Chelsea went to pieces and had to go all out to win, 18-17. The next week though, they were back in stride to defeat Saline 34-18. Dexter, then, handed the team its second defeat, 32-30. But Chelsea came back to defeat Milan 31-28, to advance to the Western Division championship finals against U. High. This game ended in a tie 28-28 and as league rules do not sanction overtime games, a playoff game was arranged for the 27th of February. In the meantime both Dexter and Manchester defeated Chelsea by scores of 29-27 and 19-16 respectively. Chelsea had lost four games up to this point by a total of 8 points, but in the playoff game for the W. Division championship they came from behind to defeat U. High 31-30. Thus in a warmup game against Pinckney, before the Huron League playoff game with Lincoln, the boys won by a score of 36-35. In the championship game though, Lincoln won by a 24-18 count. Chelsea's league record was 4 wins, 1 tie and 1 loss (to Lincoln).

In the post-season area tournaments Chelsea again met Manchester and triumphed from 35-23. But in the finals against Michigan Center, they lost 39-16.

The second team had the best season any second team has had in a great many years. They won all their games but one; Dexter beat the boys 29-25. Throughout the season they played excellent ball and should send a number of good players to the first team. Bahnmiller and Orbring led the second team in scoring.

The first team scoring went as follows: Kusterer 128, Kern 79, Policht 68, Edgar 66, Modack 35, Gadd 34, Gaken 13, Alber 9, Poor 7.

The coaches this year were Charles Cameron for the first team and George Miller for the second team. A lot of credit should go to these two men for the excellent teams they turned out.

The regular season is over with now except for the annual class tournaments this week. The results of these games will be given next week.

Footnotes On Harmony Hop

Something new in the way of parties is stirring the interest of the students of Chelsea High these lovely spring days. The cause of said excitement is the Harmony Hop. This party of parties is on Friday night, April 2, and, in case you don't already know, is being given by our High School Chorus. Although it will be their first, it will be a party you will never forget.

The Chorus girls are working overtime to finish the dance programs and tickets for this unusual party of the

NOTICE OF MORTGAGE SALE

Defaults having been made, and defaults having continued for more than thirty days, in the condition of a certain mortgage made and executed by Joseph P. Helm and Julia Helm, his wife, and Lewis A. Helm, a single man, all of the Township of Sylvan, County of Washtenaw, and Sylvan, County of Michigan, to the Kempt Commercial and Savings Bank, a corporation organized under the banking laws of the State of Michigan, located at Chelsea, Michigan, dated December 31, 1918, and recorded in the office of the Register of Deeds for Washtenaw County, Michigan, on January 8, 1919, in Liber 114 of mortgages, on page 114 at 11 o'clock A. M.

Whereas said mortgage was duly assigned by The Kempt Commercial and Savings Bank, of Chelsea, Michigan, to D. C. McLaren and Emma N. McLaren, jointly and to the survivor of them, of the Village of Chelsea, Michigan, by assignment of mortgage, dated December 6, 1930, and recorded in the office of Register of Deeds for Washtenaw County, Michigan, on December 9, 1930, in Liber 20 of assignments of mortgages on page 257, at 11 o'clock A. M.

Whereas, Emma N. McLaren, surviving D. C. McLaren, and by virtue of her survivorship became the owner and lawful holder of the aforesaid mortgage, and upon the demise of Emma N. McLaren, also known as Emma Newkirk McLaren, said mortgage was duly assigned by an order of the Probate Court, Washtenaw County, Michigan, in accordance with the will of decedent, to Wirt S. McLaren, said order assigning residue dated March 25, 1936, was recorded in the office of Register of Deeds, Washtenaw County, Michigan, on May 11, 1936, in Liber 320 of deeds, on page 41, at 9 o'clock A. M.

Whereas said mortgage was duly assigned by Wirt S. McLaren, of Jackson County, Michigan, to John L. Fletcher, guardian for Vincent Arthur Merkel, a minor, of the Village of Chelsea, Washtenaw County, Michigan, by assignment of mortgage, dated November 16, 1937, and recorded in the office of the Register of Deeds for Washtenaw County, Michigan, on May 3, 1940, in Liber 26 of assignments on page 330, at 8:50 o'clock A. M.

Whereas John L. Fletcher, guardian of Vincent Arthur Merkel, a minor, executed a release in part of one part of the mortgaged premises, dated January 18, 1943, and recorded in the office of Register of Deeds, Washtenaw County, Michigan, on January 15, 1943, in Liber 32 of mortgages, on page 502.

And whereas by the terms of said mortgage it is provided that in case default be made in the payment of any installment of principal, or of interest, taxes, assessments, or insurance, or any part thereof on any day thereupon the same is made payable, and should the same remain due and unpaid for the space of thirty days, thereupon the principal sum of said mortgage together with all interest, taxes, assessments, and insurance paid shall at the option of the mortgagee or his assignee, become and be due and payable forthwith, and default having been made in the payment of the interest, principal, and taxes provided in said mortgage, which default has continued for more than thirty days, the said assignee of the mortgage do hereby exercise his option to declare the principal sum of said mortgage and all arrearages of interest and taxes due and payable.

And whereas, the amount claimed to be due on said mortgage at the date hereof is the sum of \$2000.00 principal, and interest of \$617.67 to date, and the further sum of \$35.00 as an attorney fee, stipulated for in said mortgage, and the whole amount claimed to be unpaid on said mortgage is the sum of \$2652.67, and no suit or proceedings having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative.

Now therefore, notice is hereby given that by virtue of the said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the remaining premises therein described, and not heretofore released, at public auction, to the highest bidder at the south front door of the Court House in the City of Ann Arbor, in the County of Washtenaw, State of Michigan, that being the place of holding the Circuit Court for said County, on the 24th day of May, A. D. 1943, at 10:00 o'clock in the forenoon of said day, Eastern War Time; and the premises to be sold are described in said mortgage as all those certain pieces or parcels of land situate and being in the Township of Sylvan, County of Washtenaw, and State of Michigan, to-wit:

"The west half of the southeast quarter of section thirty-four in said Township of Sylvan."

"Also the north thirty acres of the west forty acres of the north half of the north east fractional quarter of section three in the Township of Sharon."

"Also commencing on the Township line fifteen chains and fifty-seven links east of the north quarter section of said section three of said Township of Sharon and running thence south nineteen chains and twenty-six links; thence east eight chains and ten links; thence north nineteen chains and twenty-six links; thence west on the Township line eight chains and ten links to the place of beginning, containing fifteen and six hundredths acres of land, more or less."

John L. Fletcher, Guardian of Vincent Arthur Merkel, Minor, Assignee of the Mortgage.

Dated February 23, 1943.

ORDER APPOINTING TIME FOR HEARING CLAIMS

No. 89071

State of Michigan; The Probate Court for the County of Washtenaw.

At a session of said Court, held at the Probate Office in the City of Ann Arbor, in the said County, on the 8th day of March, A. D. 1943.

Present, Honorable Jay G. Pray, Judge of Probate.

In the Matter of the Estate of James Howlett, deceased.

It appearing to the Court that the time for presentation of claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased by and before said Court:

It is Ordered, That creditors of said deceased are required to present their claims to said Court at said Probate Office on or before the 8th day of June, A. D. 1943, at ten o'clock in the forenoon, said time and place being hereby appointed for the examination and adjustment of all claims and demands against said deceased.

It is Further Ordered, That public notice thereof be given by publication of a copy of this order for three successive weeks previous to said day of hearing in the Chelsea Standard, a newspaper printed and circulated in said County.

Michigan State College Offers 64 Scholarships

East Lansing—High school seniors graduating in June from accredited Michigan high schools may compete for 64 Michigan State college alumni scholarships by filing application with their senatorial district alumni chairman before April 15. It was announced this week by Glen O. Stewart, director of alumni relations.

High school principals of accepted schools have already received literature describing the conditions of the awards and announcing the names of the chairmen in the 32 senatorial areas of the state, Stewart declared.

Students may obtain application forms from their principal, the district chairman, or by writing the Alumni Office, Michigan State College, East Lansing, Mich.

To be a candidate for an alumni scholarship, the student must be in the upper one-third of his graduating class, have demonstrated leadership in his high school career, and be a student whose financial needs warrant the scholarship.

Alumni scholarships waive the yearly \$120 tuition fee of the college. The scholarship is good for the entire freshman year and may be renewed yearly for four years if the student maintains the required grade average. Students winning scholarships will find them effective as tuition waivers either beginning with the summer quarter on June 22 or when the college opens on September 20.

The alumni district chairmen, with committee assistance, will select six contestants from each district, to take the competitive examination scheduled for Saturday, May 1. Prof. L. C. Plant, chairman of the faculty committee on scholarships, will direct final selections of scholarship winners.

that the polls shall be kept open not later than eight o'clock in the evening of the same day. Every qualified elector present and in-line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

The polls of said election will be open at 7 o'clock a. m. and will remain open until 6 o'clock p. m., E. W. T. of said day of election.

RALPH STOFFER, Township Clerk.

Plows In Shape? It's Almost Time To Start

With an estimated 3 1/2 million acres to plow this spring and Michigan's spring plowing soon in season, an agricultural engineer at Michigan State College suggests some barn floor checking on the condition of the plows.

Bent frogs, bent beams or hitches too high or too low all tend to increase draft or required power and also to increase wear. Plowing requires as much or more power than any other farm operation, according to A. J. Bell of the college staff.

It's simple to check a plow. The machine is placed on a level floor, with a seven inch block under the land wheel to put the plow in operating position. Depth and leveling levers are adjusted until the plow bottoms rest on the floor. All share points and wing points should touch the floor. If not, says Bell, a sprung frog or beam is indicated.

All plows have vertical and horizontal hitch adjustments. When hitched too low, the plow is raised at the point and extra pressure is exerted on the rear.

On power lift plows, if the hitch is too low, the wheels slide and the plows remain in the ground when the rope is pulled. When properly adjusted, a straight line from the center of resistance to the tractor drawbar should pass through the vertical hitch on the plow.

The center of resistance varies on different makes of plows. The center is approximately three inches to the left of the center of cut at the junction of the share and moldboard. The center of pull is in the center of the tractor rear axle. To reduce side draft on the plow and on the tractor, the side drafts should be divided between the two, according to Bell.

DEATHS

Theodore Buehler, 61 years old, lifelong resident of Lyndon township, died suddenly of a heart attack Saturday noon at the home of a neighbor, Frank Perry. Mr. Buehler, who had been engaged in husking corn, expired shortly after he came to the house for dinner.

The son of Jacob and Christina (Mohrlock) Buehler, he was born Sept. 24, 1881 and was married in Chelsea to Miss Margaret Forner on Dec. 24, 1904.

Surviving are the widow; three sons, Verne and Lero of Chelsea, and Elden, at home; a daughter, Mrs. Homer Nixon of Chelsea; two brothers, John of Chelsea and Samuel of Saline; two sisters, Mrs. John Forner and Mrs. George Satterthwaite, both of Chelsea; and eight grandchildren.

Funeral services were held at 2:00 o'clock Tuesday afternoon at the Staff funeral home. Rev. P. H. Grabowski officiated and burial was in Oak Grove cemetery.

The other day, someone asked me, "How can one become a good driver?" I told him he would have to form a habit of being courteous, of being a good sport, and of having barrels of patience.

When you drive the safe way, correctly, and with the idea of being a good sport and being fair, and you do it continually, you consequently become a good driver—it is very easy. The habit of doing these things—like brushing your teeth, combing your hair, or washing your face—will not require you to remember how to do them; you will unconsciously do them the safe way and the correct way. Get the habit—the safe habit!

What You Buy With WAR BONDS

Every shipyard in our country is setting amazing records in the construction of a merchant marine so essential to the transport of supplies and men to the seven seas. The overall cost of these hundreds of ships now building runs into millions of dollars.

Many of them are called "Victory" ships and you are contributing to this victory by your purchase of War Bonds. At least ten percent of your income, every payday. We'll need these ships after the war, too, when Peace comes.
