Girl Scout Drive for Funds Starts Monday

A year has passed, and it is time once again for the annual Girl Scout drive for funds. This drive, sponsored by the Chelsea Study Club, will last one week, beginning April 26. The success of the campaign last year for sustaining members was so gratifying, that we feel certain that our Scout friends will be just as generous this year.

Since Girl Scouting began in this country in 1912, we have all seen the benefits derived through this grand organization of young girls, who are to be the women of tomorrow. Girl Scouts are a real help to their communities. In their pledge they promise: "On my honor, I will try to do my duty to God and my country; to help other people at all times, and to obey the Girl Scout laws."

An important feature is the summer camp, led by competent leaders, where a girl learns to be self-reliant under primitive, natural conditions. Here they learn camping, woodcraft and nature lore, homemaking, health, and community service.

We feel that maintaining this work is so very important, that should we fail to contact you, will you kindly give your donations to any member of the Study Club, or send it to one of the committee. Thank you.

Girl Scout Committee:
Lois Palmer,
Maxida Hinderer,
Winifred Moore,
Wilma Miller.

Plots In Community Garden Still Available

The Community gardens on McKinley street have been plowed and dragged, and a few early potatoes, peas, and onions have been planted. It is not too late to make arrangements for one of these gardens. Each one is 40x80 ft. and the \$2.50 rental includes plowing and fitting of the land and the use of certain tools.

Many garden contests with large prizes offered, are being announced. These include a \$500 War Bond for the best city or town vegetable garden. Other prizes will be awarded for farm gardens, junior gardens, gardens in industrial plots, and gardens in trailer camps. Entry cards are now being mailed to county and local chairmen.

PROCLAMATION

To the People of Chelsea:
According to an ancient practice in Christian civilization, Christian people have reverently observed the anniversary of the death of our Lord. From time immemorial on the day called "Good Friday" they have reflected upon the truths connected with His death.

To make it convenient for all Christian people of Chelsea to attend their respective places of worship, and to lend encouragement to such a wholesome practice, I, Alfred D. Mayer, President of the Village of Chelsea, request that on Friday, April 23, in the year of Our Lord, 1943, all commercial enterprises discontinue business from twelve o'clock noon until three o'clock.

By Order of Village President,
Alfred D. Mayer.

Mr. and Mrs. Maurice Hoffman announce the birth of a daughter on Saturday, April 17 at their home on Lincoln St.

Local Bond Sales Reach Two-Thirds of Quota

Sale of War Bonds has been progressing at a very satisfactory rate in Chelsea during the past week, with more than two-thirds of the village's quota having been purchased to date.

Chelsea's quota of all types of bonds to be sold during the 2nd War Loan drive which ends April 30, is \$235,000. Of this amount a total of \$162,000 of the various types of bonds have been sold, of which \$62,000 are the E, F and G series, and \$100,000 the 7-8 per cent Treasury Certificates. Of the \$62,000 about \$50,000 represents the sale of E series bonds.

However, if Chelsea's quota is to be reached, more than \$70,000 in bonds must be sold in the next nine days, which means that many people must buy more bonds and do it soon.

Solicitors are working, but it is impossible to contact everyone—so don't wait to be asked—go to the post office or bank at once and buy all you can. Put your dollars to work for the boys who are making the real sacrifices.

You are not making a donation when you buy War Bonds—you are making the safest investment in the world.

Don't delay—buy bonds today!

Good Friday Services To Be Held By Churches

Union Lenten services of the Protestant churches of Chelsea will come to a conclusion in the Community Good Friday service, which will be held at 1:30 at the Congregational church. Rev. Leroy I. Lord and Rev. P. H. Grabowski will be the speakers.

The pastors of these churches wish to express their appreciation to the public for their support of these services and to the merchants for their cooperation in displaying the Lenten posters and in the Good Friday closing.

Special Good Friday services will be held at St. Mary's church from 2:00 to 3:00 o'clock, with a condensed sermon on "The Seven Last Words" of the Crucified Savior, by Rev. Fr. Lee Laige. The services will be concluded with the Stations of the Cross. Everyone is most cordially welcome to this service.

Easter Sunday at St. Mary's will be observed with High Mass at 8:00 o'clock and Low Mass at 10 o'clock. The pastor of St. Mary's extends happy Easter greetings to all.

Home Nursing Class Starts At School Tonite

The class in "Home Care of the Sick," which had been postponed because of the illness of Miss Charlene Brand, who was to have conducted the class, will be started on Thursday evening, April 22 at 7:30 in the agriculture room at the high school.

Plans for an instructor have had to be changed and Mrs. Blakeley, who has been recommended by the county chairman, Mrs. Pomeroy, will conduct the Thursday night group.

There were two points of interest considered at the time of organization. One was for the group interested in babies and small children; the other included care of persons of advanced age. The first unit will meet this week on Thursday and each succeeding week at the same time until the course is completed. Plans for the second group, originally scheduled for Friday evenings, will be made at that time in lieu of a second instructor. The announcement concerning this plan will be found in The Standard on April 29.

Any further information may be had by calling Mrs. D. L. Rogers, local chairman of this training class—phone 6431.

This Spring
is Different!-AND THE SPRING TUNE-UP OF YOUR
CAR SHOULD BE DIFFERENT, TOO!

NO MORE TOP SPEEDS!

You'll be driving at "35-and-under" this spring—and your car's timing, circuit breaker, carburetor, spark plugs, choke and heat controls should be adjusted for smooth or low-speed performance.

LESS DRIVING

Your generator and voltage regulator should be put in top condition now to guard against the possibility of a rundown battery later on. Your battery itself should be checked at regular intervals.

NO MORE
HIGH-OCTANE GAS

We use lower-octane gas today, so our flyers may have high-octane fuel. To prevent wasteful "pinging," your engine should be readjusted to its new diet. Whatever service work may be needed, we do the job right.

LESS GASOLINE

In addition to giving your car a gas-saving, springtime engine tune-up, you should also have it thoroughly checked for other causes of fuel waste, such as dragging brakes, leaky gas lines or the use of too heavy lubricants for today's low-speed driving.

CARS ARE BEING
DRIVEN LONGER

As your car's mileage goes higher, as your brakes, lights, tires and steering system grow older—a thorough check-up of these features becomes vital to the safety of you and your family.

SLOWER DRIVING—
SHORTER TRIPS

When you don't drive very much or very fast or very far, it's extremely important to keep fresh, clean oil in your engine at all times—because at slow speeds your crankcase ventilation system doesn't have much chance to prevent oil dilution.

This wartime spring, it's important that you get your car set not only for warmer weather, but also for the new kind of driving you're doing today. We offer a springtime service program specifically designed to do both of these jobs. Whether you drive an Oldsmobile, or some other make of car, come in and find out about this special Oldsmobile service!

ENJOY YOUR DAILY BATH

but don't waste
hot waterEveryone realizes that frequent baths help to keep one
healthy and feeling tip-top..

In the present emergency however it is important to remember not to prolong the shower or use more hot water than necessary, because the natural gas used in heating water is also vitally needed in the manufacture of war materials.

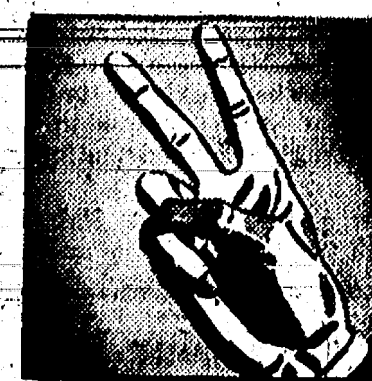

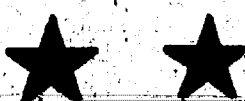

The Government urges every household to use gas wisely. Here are ways to economize on the use of gas:

1. Repair leaky faucets.
2. Insulate hot water tanks and pipes.

THE 2ND WAR LOAN DRIVE IS ON!

URGENT PUBLIC NOTICE

From every fighting front comes a cry for help!

This is IT! This is the call you must heed—the plea you must respond to. On every fighting front America moves ahead. In the tortuous swamps of the tropics, on the raging seas, over the air of Europe and in Africa our troops are striking hard.

And from everywhere there comes a cry for help.

"More tanks, more guns!" cry the soldiers.

"More planes, more bombs" beg our flying squadrons.

They're ready, eager to strike at the enemy. And they turn to America—to YOU—for help.

And that is why your Government makes this urgent public appeal asking us to lend it 13 billion dollars during these momentous days. NOW . . . as America takes the offensive

. . . your dollars must take the offensive, too!

You must act at once!

Yes, it's going to be hard to dig deeper. It's going to be hard to give up all spending except for the necessities of life. It will be easy for the part-time patriot to find excuses for himself. But think of what the millions of men fighting this war are giving up! Think of the thousands who have given their lives and the many more who are prepared to do so. If you can still face this one fact squarely and fail to buy more War Bonds and still more War Bonds—then no appeal in the world can reach your heart.

Invest in your own security!

During this drive (beginning April 12th), you may be visited by one of the thousands of volun-

teers who are working to make this 2nd Drive a great success. Welcome him! Because he's there to help you make the safest investment in the world—at a good rate of interest.

Listen to what he has to tell you. See which of the various types of War Bonds and other securities is best fitted to your needs. And remember, every dollar you lend means another step towards security after this war. It means money to take advantage of the many opportunities that will be open to you when peace comes. Money that will guarantee you what you want in the future.

But don't wait for the War Bond representative to call. Go, right now, to your nearest bank or Post Office or place where they sell War Bonds. Buy all you can—and then more! Join the big offensive! Answer your country's call for help!

There are 7 different types of U.S. Government securities—choose the ones best suited for you:

United States War Savings Bonds—Series E: The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Food Contest Is Open To Youth Of County

Washtenaw county farm youngsters are eligible to compete this year in a \$6,000 wartime food production and marketing contest sponsored by the National Junior Vegetable Growers' Association. It was announced today.

Registration blanks and details regarding the program in this area may be obtained from H. S. Oaler, Washtenaw County Agricultural Agent, Court House, Ann Arbor, according to Prof. Grant B. Snyder of Massachusetts State College, advisory chairman of the National Junior Vegetable Growers' Association.

"One object of the program is to help offset critical shortages of adult farm labor by stimulating actual production of food by workers under draft age," Snyder explained. "The second objective is to help acquaint farm youngsters with efficient methods of marketing, because supplying the nation with food in war or peace depends on moving food rapidly and economically to the right place, at the right time and in the right condition."

Entries from this county will compete for a \$500 grand national award, a central states regional award of \$200 and 10 central regional awards of \$100 each, Snyder said. The fund also provides two \$25 war bonds as prizes for high ranking Michigan participants, he added.

The awards, to be made this fall, will be based on grades achieved in a five-unit extension course in production and marketing and a report on project work completed during the year.

This county's registration (boys and girls under 20 are eligible) must be completed within the next two weeks, Snyder pointed out. Registration cards turned in at the county agent's office will be forwarded to the Extension Service office at East Lansing.

TECUMSEH—If you live on the "west side" of the village of Tecumseh (West of Evans street except for a small portion of South Pearl street) you will have to call at the local post office to get your mail. If you want it. Mail delivery service in Tecumseh, it seems, has gone with the war. The difficulty is this: Harold Hall, west side mail carrier, has resigned to accept a position with the Whelan Implement Co. and Clarence Kopka, special delivery carrier and substitute, has taken a job at the Ford Mill. Kenton Hunt, clerk, has been at home ill most of this week, and there is no one to carry the mail. Iva Ashley, rural carrier, has been helping out after he completed his rural delivery, in the downtown district. Milburn Brooks, east side carrier, has been called to Adrian today for an examination before the Manpower Commission, and Postmaster P. A. Bowen is worrying now that Mr. Brooks may be ordered into a defense plant by the government. The delivery of mail is considered a critical employment but not essential. Herald.

Urges Support Of Easter Seal Sale

Declaring that the work of the crippled children society is of vital importance to the home front, Paul Niehaus, local chairman, urged citizens of Chelsea to give full support to the annual sale of Easter seals now being carried on to finance the local program for crippled children.

"The restoration of handicapped youth to earning capacity has relieved the community of a burden and enriched it by adding to its producing citizens," he said.

"That is not only a fine thing for them but for all of us. A movement which pays dividends of that kind should have the support of everyone. I appeal to the people of this community to give the Easter seal sale for crippled children the support it deserves. Dollars invested here will bear fine dividends, both in happiness and in money."

In giving his personal endorsement and approval to the Easter seal sale, Mr. Niehaus cited numerous examples of crippled young people he knew who had been helped to help themselves.

"As the war progresses the volunteer agencies will be called upon for greater and greater efforts to meet social needs on the home front," he declared. "Their work will have to be expanded, not decreased, and it is our duty as citizens to see to it that such work is adequately financed."

BRIGHTON—Plans are underway for the construction of the first section of the Parkway along the Huron River, which will link Belleville Lake, site of the proposed nine hundred-acre park, to Dexter, through Ypsilanti, Ann Arbor and Delhi. This is the fourth of a series of major projects for which the Parkway Authority will prepare plans and secure the land or right-of-way for post-war projects, improvements which will provide employment for ex-service men after the war.—Argus.

"I have already contracted to raise 250 tons that will go direct to the bakers in Detroit. If my plans go through, there will be, maybe, a hundred or two more tons that will provide delight for the lovers of pumpkin pies next fall," stated Bob yesterday. "I'm trying to get more land on which to plant pumpkins."—Mail.

FAITH

If you examine the symbol of pharmacy, you will discover in it The Cross which is the symbol of mankind's faith in a better world and a brighter future. This, too, is the ideal of pharmacy, and wherever Christianity has brought the light of civilization to peoples living in darkness, medicine and pharmacy have stood in the shadow of The Cross, performing their particular service to mankind.

...and your call to Cousin Bill

Cousin Bill lives in another state. You don't see him often, and it would be a pleasant thing to call him up on his birthday and wish him many happy returns... IF we weren't fighting a war!

In ordinary times, Michigan Bell would gladly help you send that message, but today long distance lines are crowded with a vastly increased load of war-created traffic. And new lines and equipment can't be added, because the necessary materials have gone to the fighting front.

So send your greetings to Cousin Bill by mail — and to aid in winning the war, please —

Do not make any long distance call unless it is extremely urgent. Especially avoid calls to people outside of Michigan.

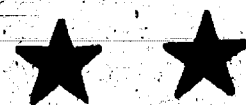

Keep all calls — local or long distance — as brief as you can.

THE 2ND WAR LOAN DRIVE IS ON!

Winner Take All!

There is one stark and simple fact about war which you had better get straight . . . and quickly, too
THERE IS NO SECOND PLACE IN A WAR—IT'S EITHER WIN OR LOSE!

This war is being fought for tremendous stakes . . .

...for your life and your liberty.
...for your church and your children.
...for your freedom and your future.

And it's **WINNER TAKE ALL**. Don't forget that for a minute.

The winner will dictate whether tomorrow you shall be a free citizen of a free world, or a helpless serf to a "master race."

The winner will dictate whether you shall live and prosper under the Four Freedoms, or toil hopelessly in the darkness of a "New Order."

The winner will dictate . . . because the winner takes all.

The winner takes all. All you own, all you hold dear.

The winner is being decided right now . . . today . . . this very minute . . . on battlefields all over the world. Will you stand idly by . . . or throw all your weight on *our* side?

The weight of mighty tanks and planes. The weight of thousands of guns and millions of shells. The weight of billions of dollars . . . 13 billions which your country asks you to lend during this Drive.

Your country wants to borrow every idle dollar you have—every dollar except what you need for the barest necessities of life.

You'll have to give up some luxury or comfort which was dear to your heart. You'll have to postpone some pleasure which you had been eagerly anticipating.

But what of it?

Your sons and brothers and husbands are *dying* out there . . . fighting your fight. Surely it is no sacrifice to *lend your dollars* while they are giving their lives.

They need your help. They need the weapons your money can buy. If one of the War Loan volunteers calls on you . . . greet him with open pocketbook. Remember, Uncle Sam's goal is 13 billion dollars in April.

Don't wait to be asked. Go to your nearest bank, investment dealer, broker, Post Office or issuing agency and lay your money on the line. Remember, it's an *investment* you're making—an investment that pays a good return and insures a happier future for you and your loved ones.

So *lend up to the limit*.

You'll sleep better for it.

EDITORIAL

By Marjorie Whipple

Now, more than ever, physical fitness is an important factor in the life of every person. Colonel Gano, the speaker last week, said that victory rests on the fitness of the American people. "We Americans have grown soft as the result of easy living. Before the war not half of the high school boys were engaged in any sports. They have grown weak and physically lazy. The girls have followed the same course. Even now when fitness means so much, many schools do not have any sort of physical education. Axis youth is far ahead of the American youth in endurance and fitness. They have been taught from childhood how important their health and growth is to themselves and to their country. America has not done this, and she has suffered. All schools now should have a physical education program so that the students leaving for the service will be well prepared for endurance. In this way time would be saved in making a better army for time would not have to be used to condition the boys."

Chelsea can well be proud of her high school boys in the physical fitness classes. Colonel Gano said Chelsea High surpassed the other schools in physical fitness training. The boys from Chelsea High will be prepared and maybe some of them will owe their lives to the training which they are receiving here.

OFFICE NEWS

School will close tomorrow afternoon, April 23, for the Good Friday services which will be held at the Congregational church and at St. Mary's church.

The baseball team will play Ann Arbor high school on Thursday, April 22. In a game last Friday Chelsea defeated Dexter by a score of 8-3.

SENIOR NEWS

The Seniors received their invitations for graduation this week. They are now beginning to feel the thrill of being a Senior. Many of them are busy collecting the material for their annual.

If you have any advertising you would like to put in the annual, see Tom Lyons.

Luther Kusterer receives the honor of being this year's Valedictorian, and Wilma Schweinfurth is the Salutatorian.

GRADUATES OF '43 (?)

Glen William Haffey, referred to as Jinx by all those who have tried to type with him in the room, was 18 years old January 15. He was born in Sylvan Center and until he came to Chelsea high school attended the Sylvan Center school. Glen is 5 ft. 10 in. tall and weighs 142 lbs. He has light brown hair and blue eyes. Glen's favorite sport is baseball. Believe it or not—his hobby is studying (?), so he says.

Another member of the Senior class who comes from Sylvan Center is Donald P. West. Don was born April 22, 1924. He is 5 ft. 9 in. tall and weighs 162 lbs. He has coal-black hair and brown eyes. Don likes to watch a football game and he likes to play golf. Don doesn't differ much in what he intends to do after graduation from other boys. He is going to be in the Army!

BOND AUCTION

Chelsea high school students really went over the top in their April Bond sales. At the Bond Auction held by the Defense Council on April 15, totaling \$3,550 were sold to top their quota of \$1,000 by \$2,550. They anticipate a much greater amount before the April drive is over.

The articles sold at the auction included a baseball autographed by the Tigers, a fountain pen, knives, candy, gum, billfold, a cake, stationery, a necklace, a pair of penguins, and several other things.

Pat Burg worked hard to get the baseball and the cake, and Eleanor Harper battled it out with a teacher for a volume of Shakespeare.

A prize was given to the Juniors, the class which purchased the largest amount of bonds.

FRESHMEN-SOPHOMORE PARTY

In case some of you happened to notice girls clad in slacks last Thursday evening, they were probably going to the Freshmen-Sophomore return party. The party was proclaimed a slack party.

The party started promptly at 8:00 o'clock (well maybe a little later), with most of the girls making their appearance in slacks. The party started out with dancing, games, eating, and then ended with more dancing. The winners of the games received priceless gifts, suckers, and the door-prize winners, Joan Pierce and Theresa Lyons, were given a box of candy each. The Freshmen really outdid themselves with the super-refreshments as many of the Sophomore boys who received their share can tell you.

The party ended at 11 o'clock, with most of the kids trudging home (?) after a swell evening.

CHORUS

The Chorus is planning a Spring concert which will be held in about two weeks. The exact date has not yet been set. The feature of the concert will be a vocal soloist from Albion College. Further announcements concerning the concert will be made next week.

"HOMEMAKING"

The Homemaking club girls are still working on Junior Red Cross articles. They will present an exhibit this week in Loeffler's window.

A report for the year will be written up and sent in to the State Department this week.

The first year Homemaking girls are still working on their cotton garments.

The girls in second year have taken up the study of home management.

The third year girls have just finished making a report on the jobs that will be available this summer. The report will include the pay and all other information that will be needed. This report will be posted on the bulletin board in the study hall for all girls interested.

Members of the Garden Committee have been busy driving stakes in the Community Gardens on McKinley St. so that people who have plots rented can start planting seeds. Each 40x80 ft. garden is rented for \$2.50, which includes plowing and fitting of land and the use of certain tools. A number of desirable plots are still available.

DEFENSE COUNCIL

The Defense Council discussed the bond auction and made a check-up to see if all classes and clubs were donating a gift. They also discussed electing a new president to replace Donald Schanz, because he has some other activity which comes the same time Defense Council does. They decided to call a special meeting for this business.

ASSEMBLY

Colonel William Gano, head of the R. O. T. C. at the University of Michigan, spoke to the high school students during the second hour Wednesday. During his talk he stressed two things which would help win the war. One was discipline and the second was physical fitness. He also said that our teachers could guide us to good discipline, but it really depended on ourselves.

BAND NEWS

The High School Band played a snappy program as an introduction to the community gathering a week ago Monday evening. The next program to be offered will be a 45-minute program for the Band parents on April 27, at the gymnasium. A good time and a good program is in store for those attending! Set this date aside as one of those special occasions. The meeting will consist of a pot-luck dinner and program. Bring your own table service and a dish or two for the table. Watch for further announcements.

LATIN CLUB

Monday, April 19 was the date set for the Latin club party.

Last week was Latin Week in Michigan and the first-year Latin students made Latin posters and put them up around school.

Last Thursday many of the first and second year Latin students were to go to celebrate Latin week.

Eighth Grade

By Joyce Lentz

The eighth grade had a party April 17 in the gym. Everyone had fun. For refreshments we had ice cream, cookies and suckers. We played a musical game in which we had to guess the name of the record or the band. The girls were Myrtle Haines, Joyce Lentz and Eunice Lehman. The boys were Harry Wellhoff, Eldean Elsele, and Loren Munro. After two rounds the girls won with a score of five to four.

Our stamp sale for this week is \$173.00.

Seventh Grade

By Wilma Paul

Our sale of defense stamps last week was \$11.20. We hope to raise \$250 this week when we have our stamp and bond auction on Thursday. The upper grades were so successful that we hope we may be able to meet our "quota" too.

Last Thursday we had our picture taken by Helen Hochrein. We were holding our third and fourth afghans and our scarf books.

Vernon Conk has been absent since

spring vacation, thus spoiling a perfect attendance record.

This is the last week of a marking period. We have had tests in history, arithmetic, and English. Our history projects were due Monday and our book reports were due Tuesday.

Sixth Grade

By Mae Slane

The sixth and seventh grades are going to have a Bond and Stamp Auction next Thursday. The quota for each room is \$250.00.

We have a new American flag which we bought with money from our treasury. Mary Jane Jarvis bought it in Jackson. David Myers and Ralph Guenther are making a stand for it.

A cabinet of birds was brought into our room last Tuesday. We are very glad to have them in our room, to look at and find names of the kinds we do not know.
